[President Russell M. Nelson's Final Words to the World](#)

**Judy Note:** Since his 2016 Election Trump has been working with Xi, Putin and other World leaders in a Global Military Alliance, to make Mass Arrests and eliminate Deep State operatives who had ruled the World finances since at least **1918**. Military groups across the Globe were working together to restore sovereignty, expose the Cabal, and execute long-planned tribunals.

**Last week, President Trump signed** a National Security Presidential Memorandum establishing a comprehensive strategy to investigate, disrupt, and dismantle all stages of organized political violence and domestic terrorism within the US.

**Now, just prior to the Wed. 1 Oct. Government Shutdown**, Trump has summoned over 800 Generals & Admirals together for Special Ops Planning – something that has never happened before in the history of the Military.

**The US Department of Justice, under direct orders from President Trump**, has launched the most serious counterinsurgency operation in modern American history. They were targeting George Soros's network of fake charities, media fronts, legal activist groups, and foreign-funded operatives.

**Trump has ordered federal troops into major cities to establish peace, the latest being Portland Oregon** – one of the central hubs of globalist anti-American campaigns against federal institutions that had Cabal-Antifa open protection due to its cartel-backed trafficking routes.

**Trump has declared** Antifa as the domestic militant arm of the same global elite that tried to steal the White House, poison the food supply, collapse the dollar, and enslave the population through technocratic surveillance.

**The Soros radical organizations had funneled over** \$80 million in dark financing across 28 states — and federal investigators now confirmed it funded the infrastructure behind the Los Angeles riots, the ICE facility arson and the assassination of Charlie Kirk.

**Trump also ensured that Quantum GESARA, also called TRUMPSARA was in place.** It fused NESARA/GESARA, quantum technology, a 1955 Price Reset (where inflation is crushed, debt erased and life becomes affordable again), and the long-hidden Farmers Plan into one coordinated strike against the Deep State's economic empire. The return of taxes paid, reparations for illegal foreclosures, and justice for the stolen St Germain Trust were at the core of NESARA/GESARA.

**As of September 25, 2025,** the Quantum Financial System (QFS) rollout had been activated by Trump. The gold/asset-backed Global Currency Reset replaces the fiat US Dollar. Trump made it happen just prior to an anticipated full banking and market collapse predicted for around **Oct. 13-15.**

**Early adopters, military retirees, and Tier 3 humanitarian operators** were already seeing live SHI transactions. NESARA ensured debt forgiveness, asset redistribution, and the dismantling of centralized banking structures.

**SHI (Sovereign Human Initiative) was a** gold-backed, DNA-linked digital currency **running on the newly installed Quantum Financial System (QFS).** Each SHI account was tied to the user's biometric Quantum Access Card and verified through secure quantum nodes. This made SHI completely manipulation-proof, allowing only authorized individuals to access, activate, and transact. It replaced traditional fiat currencies within the QFS ecosystem, enabling real-time, transparent financial operations and ensured wealth previously controlled by global elites was distributed securely under GESARA protocols.

**The Quantum Financial System (QFS)** was replacing the corrupt banking grid, routing transactions via secure Star Link satellites. QFS was incorruptible, decentralized, and tied to asset-backed currencies. The criminal banking matrix was being dismantled.

**The U.S. Treasury was aligning with ISO20022 and Rainbow Treasury Notes** (to be announced **Jan. 1 2026**) backed by gold and silver. The privately owned by foreign bankers Federal Reserve and their collection arm, the IRS would soon be gone. Star Link was the new nervous system of commerce.

**After the predicted banking and market collapse around Oct. 13-15,** expect Ten Days of Communication Darkness. In the first three days the World would likely experience a full lockdown, with borders closed and only essential services open.

**Trump's Global Military Alliance** would be taking over the Mainstream Media across the Globe to disclose proof of Globalist treason, corruption and crime. Media monopolies were collapsing. The CIA, Mossad, and MI6 would be replaced by Military Intelligence. With one global news channel, truth becomes the standard.

**The Quantum Internet** was replacing legacy systems and purging Operation Mockingbird influence from the Mainstream Media. The Ten Days of Darkness would be followed by a three-day Quantum Blockchain Election where governments across the Globe will reset under new leadership—downsized by 90%.

**Meanwhile Med Beds, DNA repair, and energy healing** tech were being quietly deployed under military supervision. Suppressed patents from black-budget programs were emerging to serve humanity.

**Judy Note: Pray for Kaitlynn Hunter** – a 17 year old raped, beaten, starved foster care teen who was handcuffed by a SWAT Team and incarcerated in Ohio Juvenile Detention by Ohio Child Protective Services. There appeared to be no valid reason for Kaitlynn to have served close to seven years of brutalized foster care in the first place, other than to be CIA traumatized and Mind Controlled into a international Sex Trafficking Ring. Apparently her present situation was to keep her from testifying against her and other Ohio Foster Care children and teen's abusers in the CIA run Ohio Foster Care Mind Control Program.

**Pray for all Foster Children. Pray for Trump's Global Military Alliance** who were right now, rescuing children and teens from the International Child Sex, Organ and Adrenochrome Harvesting Trafficking Ring run by the Vatican, supported by the CIA, funded by US Taxpayer dollars and money laundered through members of our blackmailed US Congress.

**Call your Congress people.** Demand answers. Demand solutions. Help Trump and team bring Kaitlynn and all Sex Trafficked Children and Teens home and out of harms way.

**Call the US Capitol Switch Board in Washington DC** to hook up with and complain to your state representative. Demand that they help take down the international Child Sex Trafficking Ring: 202-224-3121

## **EBS and Blackout Protocols**

**A. Sat. 27 Sept. 2025 On direct orders from Trump's Secretary of War, Pete Hegseth, nearly 800 generals and admirals have been summoned** to Quantico, Virginia, hub for military intelligence, special ops, and psychological warfare planning.

- **Since May 2025**, Hegseth has been systematically cutting globalist-aligned leadership from the Pentagon: over 100 generals gone, 20% of four-stars eliminated, another 10% of command officers removed. What remains are loyalists.
- **The meeting coincides** with a federal shutdown.
- **What's likely coming:** Final readiness check for Emergency Broadcast System activation. Full lockdown of domestic command chains for coming disruptions. Military

enforcement of the QFS transition — cyber defense and continuity. Counterintelligence moves against foreign and domestic infiltrators.

**B. Fri. 27 Sept. 2025 Everything is moving faster than expected.** ...John F. Kennedy on Telegram

- **Multiple heads of state** have been relocated under protective custody. Their public appearances are pre-recorded. Their power is ceremonial.
- **Real decisions are now being made** inside secured QFS nodes and military tribunals operating off-grid.
- **The blackout** protocols are operational.
- **Satellite** rotations have shifted.
- **Broadcast towers** in key nations have gone dark between 02:00 and 04:00.
- **Test patterns** were not glitches. They were markers.
- **The arrests** began long before the headlines. Governors. Central bankers. Intelligence heads. Now you understand why certain resignations came with no explanation. They didn't step down — they were removed.
- **Three More Days** does not refer to a date. It refers to a window. The moment when the illusions collapse and the truth floods in.
- **Financial systems** are syncing to new frequency bands.
- **Accounts** are being mirrored into QFS.
- **Legacy ledgers** are being drained and archived.
- **Every move** now leaves a quantum imprint. No more hiding.
- **The world is not just watching** — it's aligning. In silence. In shadows. In full awareness.
- **Stay where you are.** Listen without sound. Read between the lines. Everything is unfolding. TRUST THE PLAN

**C. Possible Timing:**

- **Tues. 30 Sept. 2025** “The EBS emergency broadcast system will be implemented on **Sept. 30, 2025**, in all countries around the world.” ...Mr. Pool on Telegram
- **The Wed. 1 Oct. 2025 government shutdown will be permanent for many offices.** The Office of Management and Budget has been telling Agencies to prepare elimination lists. President Trump stated, “Many Americans will be happy on **Oct. 1 2025.**” Is this the day that the Global Currency Reset would be official?
- **Mon. 13 Oct.** was expected to be the beginning of a banking and market crash. As the old fiat financial system goes down, there were 209 country's banks already connected to the new gold/asset-backed Quantum Financial System. Out of those, 97 Central Banks have been covertly integrated, while 82 more were pending.

- **Tues. 14 Oct. 2025 has been designated as World Quantum Day** when Nesara Gesara Law will be official throughout the World. By that **Tues. 14 Oct.** Bitcoin would be gone; Servers and data centers, obliterated; 99.5% of all crypto—vanished. Only ISO20022 coins, backed by gold, would survive. As this fiat system died, the Stock Market would crater. Such would signal the end of the Cabal's SWIFT Global Banking System.
- **By the next day on Wed. 15 Oct. 2025** there was expected to be a full banking and market crash – that would trigger activation of the Emergency Broadcast System (EBS).
- **When the EBS began**, communications would go dark worldwide, the lies would end and the truth would explode with Mass arrests, Tribunals and Justice.
- **Trump's Global Military Alliance would be in charge. For the next three days from Wed. 15 Oct. 15 to Fri. 17 Oct.** there was planned to be a full global lockdown, with borders closed and only essential services open.
- **From Wed. 15 Oct. to Sat. 25 Oct.** ten days of Communication Darkness would ensue as the Mossad-run Mainstream Media machine collapsed and Trump's Global Military Alliance took over to disclose proof of Globalist treason, corruption and crime on radio, tv, the internet and cell phones worldwide.
- **Implementation of the Nesara Law mandated closure of US Inc.** and automatically wiped out their privately owned by foreign bankers Federal Reserve and IRS. That corrupt system had been illegally taxing our income since **1918**.
- **Americans would now experience** the installation of a 14% tax on new items only, none on food or medicine.
- **Maritime Law would be revoked** while America returned to Common Law, Sovereignty and true justice under leaders loyal to The People.
- **As 95% of government will be reduced through results of the Oct. 1 government shutdown, DOGE audits and mass arrests**, new and fair elections were ahead for a Restored Republic that would function under concepts of the original Constitution.

## E. Global Currency Reset:

**Judy Note:** It is my personal opinion, and I could easily be wrong, that when we hear the EBS go off with the sound of Seven Trumpets, we can soon expect to receive several messages on our cell phones generated from the new Starlink Satellite System. One of those messages should contain information about how to gain a redemption center

appointment. Those who don't have foreign currency to exchange will use their appointment to set themselves up for banking, med bed treatment and voting using personal cell phones given to them at the redemption center that are linked up to the Starlink Satellite System, while we with currency and bonds will do the same, plus be able to do our exchange.

- **On Thurs. 26 Sept. Bank managers received memos** stating that the currency event has finally been finished. Finished, done, over with it. It went from the director level down to bank managers that got memos. Now we are just waiting to go. This should not happen until after 5pm.
- **Some think it will be Saturday morning.** Just remember that Iraq wants it by the 30th and the UN wants it on the 1st. Tony doesn't know who won. They told us that it is done, it is fixed, they told their people it is finalized, and once we see the rates we will be going to the bank. Somewhere starting after 5 this afternoon and no later than Tuesday morning will see it live and be going to the bank.
- **They are supposedly ready, staffed, have their schedules worked out, and they are just waiting to go** when the numbers come up on the screen. It makes sense for us to see this Monday night, it satisfies what everyone wants, and we would be at the banks Tuesday morning. Everyone is kind of excited again.
- **We are in our last 48 to 72 hours.** It is sitting at the bank level. There is no more waiting for Iraq, IMF, or UST because it is done. They have given the banks the green light. The systems are now fixed or supposedly will be fixed. The only thing they are waiting on is the 800 number and Tony won't get the 800 hundred numbers until the rates come back up. There really isn't anything bad but Iran could do something s\*\*\*\*d to flare up the middle eastern. If it happens before we do our part, then it is up in the air. ## **Global Financial System:**

**I. Sat. 28 Sept. 2025 THE QUANTUM FINANCIAL SYSTEM IS IMMINENT ...QFS on Telegram**

- **They're building it behind closed doors** — and it's almost complete. While the media floods you with distractions, banks, governments, and Big Tech have declared WAR on the current system. They're not “testing” quantum tech — they're operationalizing it. Quietly. Aggressively.
- **April 29, 2025 — South Korea signs a deal between KB Kookmin Bank and Orientum** to roll out quantum computing in finance. Simulations, blockchain enhancements, and security upgrades are on the menu. The UK is pumping \$159M into quantum crime detection, partnering with HSBC to hunt “illicit transactions.” Abu Dhabi? Pouring billions into a Quantum Research Center to dominate finance in the Middle East.
- **This isn't theoretical anymore.** It's a controlled demolition of the old system.
- **NVIDIA is now integrating QPUs directly into financial simulations.** Their new quantum center in Boston just went live, powered by 576 Blackwell GPUs. They've partnered with MIT, Quantinuum, and QuEra to blur the line between classical and quantum. Microsoft's Majorana 1 chip is a ticking time bomb for the blockchain. It's already threatening to crack RSA and ECC encryption — the backbone of crypto wallets worldwide.
- **Banks like JPMorgan and HSBC are going quantum NOW.** JPMorgan already pumped \$300M into Quantinuum and achieved a 100x leap in quantum fidelity. They're

using it to optimize portfolios and shield assets. HSBC, meanwhile, is encrypting gold trades and forex with quantum key distribution.

- **But here's the kicker:** Quantum computing is not just enabling a new system — it's EXPOSING the old one. Blockchain is on the brink. D-Wave's new "quantum blockchain" makes legacy coins look like fossils. Quantum eMotion's hardware wallets claim to cut theft risk by 98%. And the "quantum killshot" looms — Shor's algorithm could wipe out every unprotected wallet in one strike.
- **Microsoft and Google have crossed red lines.** Hudson Institute warned last year: data being harvested TODAY can be decrypted TOMORROW. NIST's post-quantum encryption isn't ready for global rollout, and time is running out.
- **This is the transition phase.** A hybrid war between classical and quantum systems. XRP is already being floated as the token that could bridge it all — a transparent QFS anchored in quantum and blockchain fusion.
- **Make no mistake: this isn't 10 years away.** It's here. The tech is ready. The banks are onboard. The security protocols are shifting. They aren't planning for quantum — they're racing to control it.

#### **J. Sat. 28 Sept. 2025 JUST IN: Military Raids Uncover Trillions in Hidden Silver Vaults — QFS Begins Silver-Backed Reset ...The 17<sup>th</sup> Letter (JFK Jr.) on Telegram**

- **Under the classified operation SILVER HORIZON,** global military forces have launched precision raids to recover silver reserves hidden by elite banking cartels and government syndicates. What they've uncovered is staggering — and historic.
- **Key Recoveries This Month:** Nevada Desert: 3,000 metric tons hidden in a decommissioned Cold War bunker. Central America: 4,000 metric tons retrieved from Guatemala and Mexico, looted via "development aid" fronts. Manhattan: 7,500 metric tons uncovered beneath a top-tier banking institution in a vault not listed on any registry. Total value seized: over \$2 trillion in silver — and counting.
- **QFS DEPLOYS SILVER INTO THE GLOBAL RESET** The Quantum Financial System is now integrating these reserves into the sovereign wealth architecture. This isn't just a recovery mission — it's the restoration of monetary truth. Experts forecast silver's true value to surge past \$1,500/oz, driven by its irreplaceable role in quantum computing, energy shielding, and satellite infrastructure — including Starlink. This is not speculation. Military engineers have confirmed silver is foundational to next-gen defense and communication systems.
- **SILVER CERTIFICATES: THE NEW STANDARD** Beginning January 2025, Redemption Centers will offer silver-backed certificates — each encoded with a unique quantum signature linked directly to the QFS. These instruments will allow citizens to convert fiat currency into hard-backed value with physical traceability. No central bank. No middleman. Just verified, sovereign ownership. Debt relief programs funded by these reserves are already being piloted — with targeted rollouts by region starting soon.

- **CABAL INTERFERENCE: NEUTRALIZED** As expected, the Deep State is in panic mode: A mysterious refinery fire in Utah destroyed forensic evidence linked to silver laundering schemes. Multiple cyberattacks on Redemption infrastructure were neutralized by Starlink's adaptive quantum defense network. 800 metric tons of smuggled silver were intercepted near a private airstrip in Belize — bound for undisclosed offshore accounts. But none of it has stopped the mission. The grip is broken.
- **REVALUATION: THE COUNTDOWN TO MARCH** Silver's global revaluation is now being coordinated within QFS protocol timelines. March 2025 marks the expected rollout of new asset-pegged values, syncing with key NESARA/GESARA implementation points. Every ounce recovered resets the balance. Every certificate issued signals the end of fiat deception.
- **THE STORM IS SILVER-LINED — AND IT'S HERE** This is not just a financial shift. It's a civilizational correction.
- **The stolen wealth of generations is being returned to the people.** The age of fake value and digital enslavement is over. What comes next is a silver-backed, quantum-protected economy — and the Cabal has no seat at this table. Stay alert. Stay verified. Your time is coming.

## Restored Republic

### K. Sun. 28 Sept. 2025 BREAKING: MASSIVE MILITARY SUMMONS – 800 GENERALS ORDERED TO VIRGINIA ... Wikileaks Database

- **On direct orders from Trump's Secretary of War, Pete Hegseth, nearly 800 generals and admirals have been summoned** to Quantico, Virginia — every single one currently in command. No agenda. No leaks. No precedent. This is military alignment before a major shift.
- **CONFIRMED INTEL** The order came straight from Hegseth, acting under Trump's authority. All generals, admirals, and senior advisors must attend. Location: Marine Corps Base Quantico, hub for military intelligence, special ops, and psychological warfare planning. Pentagon confirmed the meeting but gave zero explanation. Meetings like this do not happen. Ever. Global commanders are pulled from active posts — at massive cost — because this cannot be done over secure digital lines. The subject is too sensitive.
- **BACKGROUND: THE PURGE** Since May 2025, Hegseth has been systematically cutting globalist-aligned leadership from the Pentagon: over 100 generals gone, 20% of four-stars eliminated, another 10% of command officers removed. This is strategic, not budget-driven. What remains are loyalists. Now they are being brought together physically.

- **WHY NOW** The meeting coincides with a federal shutdown. Perfect cover. Civilian oversight frozen. Media distracted. Military free to move in silence. This is consolidation before a national reset.
- **WHAT'S LIKELY COMING** Final readiness check for Emergency Broadcast System activation. Full lockdown of domestic command chains for coming disruptions. Military enforcement of the QFS transition — cyber defense and continuity. Counterintelligence moves against foreign and domestic infiltrators
- **WATCH FOR SIGNS** Sudden resignations. Strange troop movements near major cities. Bank outages. Short blackouts. Media running “domestic extremism” scare stories. If you see these, the next phase is live.
- **FINAL WARNING** This meeting is the quiet before the storm. There will be no leaks. By the time the public learns what was decided, it will already be in motion. Funding was cut. Documents disappeared. Researchers were reassigned or “retired.”

**P. Fri. 27 Sept. 2025 MILITARY REPORT LEAKED – TRUMP’S QUANTUM ORDER IS LIVE ...Charlie Ward and Friends on Telegram**

- **On Sept 7, 2025, President Trump signed the Quantum Restorative Health Systems Directive (QRHS)** – authorizing full deployment of Med Beds, NECES brain recalibration, and the declassification of 60+ suppressed healing patents.
- **The QRHS directive is live.** Military protection is active. The monopoly on human health is broken.
- **THE HEALING WAVE HAS ESCAPED** What they never wanted you to know: you don’t need a Med Bed to begin. The Healing Wave can be triggered from home – and citizens across the country are already doing it.
- **During a classified Arizona test**, a patient’s regeneration accelerated after the Med Bed was shut down. His body emitted 7.83–22Hz pulses, identical to Earth’s healing resonance, creating a scalar field that repaired tissues, restored nerve conductivity, and even healed nearby personnel.
- **This phenomenon – now confirmed in 3,400+ cases** – can be activated without equipment. Breathing sequences, pineal activation, and EMF isolation are enough to start the process. Once triggered, the Healing Wave becomes a self-sustaining biofield.
- **TRUMP’S THREE-PART DIRECTIVE (1) • Over 100 military-guarded Med Bed centers** activated in the U.S., with more prepared for Europe and South America **(2) • NECES brain recalibration** made mandatory to interface with Med Bed quantum fields **(3) • Patents buried under Obama/Bush** national security orders declassified and released.
- **OPERATION LAZARUS: PRIORITY ACCESS** QRHS centers are using biometric resonance mapping to give first access to those who are already field-active. If your frequency is aligned, you will be fast-tracked. If not, you won’t register – not because you’re blocked, but because your signal cannot be read.
- **THE OLD SYSTEM IS COLLAPSING** Moderna is crumbling. Pfizer has closed labs. WHO has canceled its summit. DARPA’s OMEGA project has been dismantled. The elite’s control grid is gone – and the Healing Wave is out of containment.

- **OPERATION SKYWATCH IGNITED: TRUMP & RFK JR. LAUNCH GLOBAL CRACKDOWN ON CHEMTRAILS | ARRESTS IMMINENT — NUREMBERG 2.0 IS HAPPENING NOW** President Trump and RFK Jr. have launched a historic federal task force to dismantle chemtrail operations worldwide. Armed with full legal power, Operation Skywatch will expose toxic spraying, arrest those involved — pilots, scientists, financiers — and prosecute them for environmental terrorism and crimes against humanity. The era of denial is over. This is Nuremberg 2.0, and it is happening now.
- **UPDATE, 07.09.2025 Trump has declared war on chemtrails.** For decades the media mocked the truth, branding it “misinformation.” Now the curtain has fallen. Trump, backed by RFK Jr., has initiated a federal takedown of the geoengineering program. A new task force with executive and military authority is seizing aircraft, detaining pilots, and subpoenaing labs. The war against atmospheric manipulation is global. This is not a drill. This is war.
- **OPERATION SKYWATCH TAKES FLIGHT** Aircraft identified in spraying missions are being forced down and inspected. Defense contractors, government-linked scientists, and foreign actors are under direct investigation. The spraying of aluminum, barium, and strontium over civilian populations is no longer treated as conspiracy but as environmental terrorism. Soil and water samples nationwide confirm toxic levels consistent with aerosol dispersal. Farmers report dying crops, infertile soil, and poisoned rain. “The soil is dying,” one farmer said. “It’s killing our food.”
- **THE CITIZEN RESPONSE** The task force is calling Americans to mobilize. Every camera is now a weapon of truth. Citizens are urged to capture chemtrail activity with time and location data to build an open-source intelligence archive for federal use. The age of shadowbanning is over. The truth will be seen.
- **THE RECKONING RFK Jr. declared that chemtrails are only one front of a wider assault:** fluoride in water, toxins in food, Big Pharma’s chokehold on health. The administration is fighting all of it, promoting natural protocols and alternative medicine. The task force will prosecute offenders under environmental law, anti-terror legislation, and international war crime statutes. Pilots, scientists, financiers, and media collaborators will all face charges. “This is not an investigation,” one official said. “It’s a reckoning.”
- **FINAL WORD** The skies have been a silent battlefield for years. Silence is no longer an option. President Trump is doing what no leader dared: naming the crime, targeting the criminals, unleashing federal force to end it. The aerosol assault on humanity is being confronted head-on. And those who participated? They will face justice.

**Q. Sat. 28 Sept. 2025 BREAKING! TRUMP’S OMB SHUTDOWN STRATEGY — PERMANENT CUTS, UNION COLLAPSE, AND THE FEDERAL PURGE ...Ezra Cohen on Telegram**

- **The shutdown coming this October** is not just another budget standoff. Inside the halls of Washington, the Office of Management and Budget has already circulated directives

that transform a temporary lapse into a permanent purge. This isn't contingency planning — it's structural warfare. Agencies are being told to prepare elimination lists the moment discretionary funding runs out. Once the lights go off, many desks will never be filled again.

- **Russ Vought, Trump's OMB chief, is the architect.** Quiet, methodical, unshakable — he has converted OMB into a blade. What begins as a lapse in appropriations becomes a weapon to strip away entire sectors of the bureaucracy. Programs tied to Democratic pet projects — climate offices, regulatory compliance units, outreach coordinators — stand at the edge of extinction. What remains will be aligned directly with presidential priorities: national security, border enforcement, industrial strategy. This is ideological triage at the administrative level.
- **For decades, shutdowns ended the same way:** furloughs, backpay, and political theater. But this time federal unions will face something different — permanent loss. The procedural safety net is gone. Where once workers counted on recall rights and guarantees, now they face displacement without return. It will be a labor bloodletting on a scale the unions have never faced. Legal challenges will follow, but the clock will be against them. By the time cases move, positions will be dissolved and expertise scattered.
- **The consequences ripple far beyond agency walls. Eliminated roles mean fractured continuity:** lost grant coordinators, dismantled research teams, compliance gaps, community programs cut off mid-stream. Every vanished position takes with it decades of tacit knowledge that cannot be replaced. For opponents, it will be branded cruelty and recklessness; for supporters, it will be hailed as decisive liberation from bloated bureaucracy. The narrative war will rage, but the structural change will remain.
- **The OMB is not an office. It is a scalpel.** Under Trump, it has become the sharpest instrument of executive power. This October shutdown is not a crisis — it is an opportunity. The Democrats call it reckless. But in truth, it is the silent machinery of a federal reconfiguration that is already underway. The old government is bleeding out, and the purge has only just begun.

**R. Sat. 28 Sept. 2025 NATIONAL EMERGENCY — TRUMP TO DEMOCRATS:**  
**“SHOVE IT” ...Ezra Cohen on Telegram**

- **President Donald J. Trump just drew the line. On 23 September 2025** he publicly rejected a Democratic ransom note demanding over \$1 trillion, taxpayer-funded gender surgeries for minors, and a return to open borders. In one sentence — “shove it” — he blew apart their hostage game and put the power back in the hands of the people.
- **The list of demands reads like a manifesto of national sabotage:** free healthcare for illegal aliens, irreversible surgeries for children, welfare expansion riddled with fraud, and blanket amnesty. It's not compromise. It's blackmail — an attempt to purchase political surrender with your money.

- **Trump framed it simply:** the voters chose secure borders, parental rights, and law and order — not radical experiments imposed from Washington. He put the demands on the record, turned transparency into a weapon, and signaled he's ready to run the government on constitutional terms without caving to extortion.
- **The stakes are enormous:** a trillion-dollar fiscal bleed that would fuel inflation, state-funded experimental medicine for kids, and a security collapse at the border. Trump's answer is decisive: no ransom, no surrender, no betrayal of the nation's families.
- **This is more than a budget fight.** It's a culture war dressed as negotiations — who governs America: the people, or an activist elite cashing in on chaos? Trump's blunt rebuke is a counter-manifesto to protect families, borders, and sovereignty. Stand with him. Stand with the Republic.

All future funds flow into the Social Security system, and Congress participates with the American people. It may not be used for any other purpose.

- **4. Congress will no longer vote themselves a pay raise.** Congressional pay will rise by the lower of CPI or 3%.

- **Barack Obama** was the biggest mistake America has ever made, because his goal was never to build America up, his goal was to destroy it.
- **And the saddest part,** So many people couldn't see how corrupt he truly was, because they were too busy worshipping him simply because of his skin color.
