**Judy Note: On Wed. 1 October 2025** as a US Government shutdown began, Trump's federalized National Guard dedicated to 24/7 operations, surrounded the US Capitol, as did non-scalable fencing, securely locking everything down.

**The long awaited Red October was underway** — a synchronized operation to reclaim the US Capital, secure justice and dismantle entrenched corruption in a coordinated campaign to fortify the Republic.

**POTUS had already declared Antifa a terrorist organization** and signed a memorandum that had immediately cut terrorist funding to zero – directing agencies to dismantle violent left-wing networks and freeze their money supply.

**Putin had declared war on the Washington DC Satan worshippers** – of which were the center of Trump's mandate to Save The Children.

**Kaitlynn Hunter and her mother Jeannine** also have a mandate: to save the Ohio Foster Care children and teens from CIA Mind Control and their international Sex Trafficking Ring.

[FULL INTEL REPORT: JUSTICE FOR KAITLYNN MARIE HUNTER — 6 YEARS STOLEN, TIME TO COME HOME - amg-news.com - American Media Group](#)

**For 6 years, Kaitlynn Marie Hunter** has been abused, silenced, and denied her family by Guernsey County CPS. She is 16, fragile, and begging to go home. Justice cannot wait.

## **THE ABDUCTION THAT STARTED IT ALL**

**On February 11, 2019**, a child's life was ripped apart. Kaitlynn Marie Hunter, just 11 years old, was violently removed from her mother, **Jeannine Larrick**, in what the family calls nothing less than **an unconstitutional kidnapping**.

**Armed deputy Robert Oakley Patterson** carried out the seizure under the orders of Guernsey County CPS director Nicole Caldwell, despite: No lawful warrant. No probable cause. No injured party

**Her “crime”? Being homeschooled.** Jeannine had submitted paperwork to the superintendent, signed and accepted. But the judge and CPS decided that homeschooling for religious reasons was “a crime against children.” That decision sentenced Kaitlynn to six years of hell.

## **THE PRISON CALLED FOSTER CARE**

**Since 2019, Kaitlynn has been:** Shuffled through 15+ placements: foster homes, group homes, juvenile detention. Abused and neglected: beaten, concussed, denied medical treatment. Force-injected with a birth-control chip and unknown substances. Deprived of food, clothing, stability, education, and basic human dignity. Her possessions stolen. Her phone seized.

**Her voice silenced.** She has attempted suicide three times. She is losing weight, health, and hope. Yet the system keeps her locked away, hidden from her mother, family, friends, pets, and the home she loves.

## **A MOTHER’S ACQUITTAL, A SYSTEM’S REVENGE**

**Jeannine Larrick was dragged through** false charges: 5–6 misdemeanors, 2 felonies. After years of malicious prosecution, she was acquitted by jury in 2022. But CPS refused to return Kaitlynn.

**Two subpoenas for Kaitlynn** to testify about her removal? Denied. Unrebutted affidavits on the record proving innocence? Ignored. Evidence of abuse in foster care? Suppressed.

**The result:** a mother acquitted, but punished by continued separation. A child exiled from her rightful home.

**THE HUMAN COST: SIX YEARS LOST 3,034,080 minutes. 50,568 hours. 2,107 days. 69 months.** That’s how long Kaitlynn has been denied: Birthdays, Christmases, holidays with her family. Stability, her own room, pets, friends, and a normal teenage life. Proper healthcare — braces, surgery, therapy. The unconditional love of her mother and grandmother.

**She has documentation proving 60 pounds of weight lost** in foster care. Three weeks with only 2–3 outfits. Denied food, denied dignity. This isn’t protection. It’s torture.

## **THE SYSTEM ON TRIAL**

**Guernsey County CPS, Nicole Caldwell, Judge Bennett,** deputies, attorneys, probation officers, and foster homes: every one of them has failed Kaitlynn.

**They have:**

**Violated her constitutional rights**

**Ignored her medical needs**

**Silenced her testimony**

**Retaliated against her family**

**This isn't child protection. This is child trafficking** through bureaucracy. A state-sanctioned destruction of innocence.

## **THE CRY FOR HELP**

**Kaitlynn wants one thing: to go home.** She says it plainly, desperately, repeatedly: she wants her mother, her family, her pets, her home. She is fragile, wounded, but she knows her truth: home is the only place she can heal.

**Her mother documents everything.** The evidence is there. The fight continues. But time is running out — Kaitlynn will soon be 17. Every day stolen is another wound.

## **FINAL CHAPTER — A CALL TO ACTION**

**This is not just about Kaitlynn. She is one of millions** of children caught in a corrupt system that too often hides abuse instead of stopping it. But her story is the frontline.

**We demand:**

**Immediate reunification** of Kaitlynn with her mother.

**Independent investigation** into Guernsey County CPS.

**Legal accountability for every official** who denied due process.

**Urgent medical care** and mental health support for Kaitlynn.

**No more silence. No more hiding. Justice for Kaitlynn Marie Hunter.**

**You can help Bring Kaitlynn Home:** <https://www.givesendgo.com/GDX1Z>

**Call your Congress people.** Demand answers. Demand solutions. Help Trump and team bring Kaitlynn and all Sex Trafficked Children and Teens home and out of harms way.

**Call the US Capitol Switch Board in Washington DC** to hook up with and complain to your state representative. Demand that they help take down the international Child Sex Trafficking Ring: 202-224-3121

#### **A. Possible Timing:**

- **Wed. 1 Oct. 2025** President Trump stated, “Many Americans will be happy on **Oct. 1 2025.**” The day is the beginning of new fiscal year for the US Government, although Congress didn't fund the government, so today signals a Government shutdown. The Wed. 1 Oct. 2025 government shutdown will be permanent for many offices. The Office of Management and Budget has been telling Agencies to prepare for elimination lists.

- **Mon. 13 Oct.** was expected to be the beginning of a banking and market crash. As the old fiat financial system goes down, there were 209 country's banks already connected to the new gold/asset-backed Quantum Financial System. Out of those, 97 Central Banks have been covertly integrated, while 82 more were pending.
- **Tues. 14 Oct. 2025 has been designated as World Quantum Day when** Nesara Gesara Law will be official throughout the World. By that **Tues. 14 Oct.** Bitcoin would be gone; Servers and data centers, obliterated; 99.5% of all crypto—vanished. Only ISO20022 coins, backed by gold, would survive. As this fiat system died, the Stock Market would crater. Such would signal the end of the Cabal's SWIFT Global Banking System.
- **By the next day on Wed. 15 Oct. 2025** there was expected to be a full banking and market crash – that would trigger activation of the Emergency Broadcast System (EBS).
- **When the EBS began,** communications would go dark worldwide, the lies would end and the truth would explode with Mass arrests, Tribunals and Justice.
- **Trump's Global Military Alliance would be in charge. For the first three days** there was planned to be a full global lockdown, with borders closed and only essential services open.

- **Days of Communication Darkness** would ensue as the Mossad-run Mainstream Media machine collapsed and Trump's Global Military Alliance took over to disclose proof of Globalist treason, corruption and crime on radio, tv, the internet and cell phones worldwide.
- **Implementation of the Nesara Law mandated closure of US Inc.** and automatically wiped out their privately owned by foreign bankers Federal Reserve and IRS. That corrupt system had been illegally taxing our income since **1918**.
- **Americans would now experience** the installation of a 14% tax on new items only, none on food or medicine.
- **Maritime Law would be revoked** while America returned to Common Law, Sovereignty and true justice under leaders loyal to The People.
- **As 95% of government will be reduced through results of the Oct. 1 government shutdown, DOGE audits and mass arrests,** new and fair elections were ahead for a Restored Republic that would function under concepts of the original Constitution.

- **Since the early 2000s, the US government agency that was supposed to help in disasters, FEMA, has been quietly expanded and militarized—not to help Americans, but to build out continuity-of-government systems for the elite,** underground infrastructure, and backdoor surveillance networks under the guise of “disaster preparedness.” **By 2020,** they were already linked to the fusion center data pipelines feeding into Palantir, In-Q-Tel systems, and DARPA-adjacent contractors.

### **C. Global Currency Reset:**

**Judy Note:** It is my personal opinion, and I could easily be wrong, that when we hear the EBS go off with the sound of Seven Trumpets, we can soon expect to receive several messages on our cell phones generated from the new Starlink Satellite System. One of those messages should contain information about how to gain a redemption center appointment. Those who don't have foreign currency to exchange will use their appointment to set themselves up for banking, med bed treatment and voting using personal cell phones linked up to the Starlink Satellite System, while we with currency and bonds will do the same, plus be able to do our exchange.

1. Good weekend. They (the banks) started paying people on Friday in 10 different areas.
2. They also paid people on Saturday.
3. On Sunday, they called their people and put them on hold. They were told the exchange would begin in the afternoon.
4. The banks are calling their senior people.

5. They said the Bolivar isn't being exchanged.
6. Hopefully, tomorrow morning through October 3, 2025, will be our time.
7. The agencies are celebrating in New York because 100% of everything has been completed.
8. The banks are paying in cash, not SKRs.
9. Tony was told this morning at 5 a.m. that he would receive the 800 number today. He hasn't received it yet.
10. Tony asked what the window is, the answer was.....!
11. Rates are still high.
12. Wells Fargo, Chase, HSBC, City Bank, and the Bank of England are paying.
13. Tony will come and give us updates on what others are trading.
14. Security will be very important. Check with your state lottery office and ask about the security class.
15. Banks have a window. Hopefully, we'll get ours soon.
16. It's done. We await our call.

#### **Global Financial System:**

**F. Tues. 20 Sept. 2025 SWIFT Detonates the Old System...Wikileaks Database on Telegram**

- **September 29, 2025 — SWIFT just pulled the pin.** Over 30 top global banks are uniting to rip apart the slow, broken cross-border payment system and rebuild it on

blockchain. A shared digital ledger is coming that makes transactions instant, trackable, and ready for the digital currency era.

- **Weeks earlier, SWIFT confirmed it is opening its network to crypto** — not fighting it. XRP is officially on the table. They will not issue their own coin.
- **They will instead act as the switchboard** connecting banks, digital assets, and settlement rails worldwide.
- **The Playbook:** • SWIFT stays neutral — it won't compete with crypto, only enable it. • Banks pick the assets they want for settlement, including XRP. • The gpi service locks in speed, transparency, and finality. • Traditional banking and blockchain systems will now run side by side — by design.
- **This is the bridge between the old financial system and the new** quantum-ready network. The gatekeepers are signaling they won't block this shift — they are building it.
- **For XRP and Ripple tech**, this is the clearest green light yet. Integration into SWIFT means instant global reach for any bank that opts in. It also means no one can stop the flow once this goes live.
- **Translation: SWIFT isn't trying to be Ripple — it's wiring the world so Ripple's rails can carry the load.** The power to settle cross-border trades, remittances, and reserves could now flip in seconds, bypassing the legacy choke points.

## Restored Republic

### G. Tues. 30 Sept. 2025 BREAKING REPORT — RED OCTOBER — Sept 29, 2025

National Guard deployed. Military JAGs assigned. Non-scalable fencing up. Antifa declared a terrorist org. Marine Silent Drill coins. SecDef summons brass for Sept 30. Comey indictment looming. Shutdown on edge. POTUS signs memorandum to cut terror funding. RED OCTOBER is not rumor — it's a coordinated campaign to fortify the Republic.

- **THE BATTLEFIELD: DC is locked down.** Guard units on 24/7 perimeter ops around courthouses, infrastructure, and transit. Corridors secured for prosecutions. Troops rotated, checkpoints hardened, billeting set. This is not ceremony — it's prep for legal strikes.
- **LEGAL SURGE:** Military JAG officers embedded in D.C. prosecutions. Chains of evidence secured, witnesses protected, classified briefs handled. Civilian capacity reinforced by military law. This means prosecutions will accelerate under secure cover.
- **HARD PERIMETERS:** Non-scalable fencing, reinforced checkpoints, anti-climb barriers. Built for real defense, not symbolism. Government and judicial processes are being shielded against mass breach or vehicle assault.
- **ENEMY IDENTIFIED:** Antifa officially classified as domestic terrorists. This unlocks counterterrorism tools: asset seizures, financier targeting, intelligence authorities. Their networks can now be lawfully dismantled and funding choked off.

- **SIGNALS:** Marine Silent Drill at the White House with challenge coins from POTUS — a signal of unity between the Commander-in-Chief and loyal military forces. Optics matter. This was deliberate: mission alignment on display.
- **COMMAND CONVERGENCE:** Sec Def Pete Hegseth summons all top commanders Sept 30. War-room session to synchronize legal authorities, ROE, logistics, comms. This level of convergence always precedes major national security actions.
- **COMEY FACTOR:** Indictment whispers grow louder. A move against a figure of the old guard would be symbolic and seismic, coordinated with enhanced security and military-legal cover.
- **THE SHUTDOWN:** With funding expiring Sept 30, government shutdown is a looming variable. It compresses politics, shifts narratives, and provides cover for executive action while opponents scramble.
- **CUT THE LIFELINE:** POTUS memorandum directs agencies to dismantle violent left-wing networks and freeze their money supply. Supply chains, financiers, and platforms will be targeted. The funding artery is being severed.
- **FINAL ASSESSMENT:** The Guard posture, JAG surge, hardened fencing, Antifa designation, Marine symbolism, Sec Def coordination, Comey indictment signals, looming shutdown, and terror-finance crackdown are puzzle pieces locking into place. RED OCTOBER is underway — a synchronized operation to reclaim the capital, secure justice, and dismantle entrenched corruption.

#### **J. Tues. 30 Sept. 2025 Israel is Last ...Mazin Qumsiyeh**

**The situation is horrible, getting worse,** and demands urgent action and many of you are acting. Please demand the freedom flotilla of nearly 50 ships be protected from Israeli piracy. Please demand that the slaughter is stopped and the mass starvation ended. We ALL must double our effort. As a minimum use the keyboard power and write to as many contacts you can get from internet (politicians, media etc).

**The talk of Netanyahu to an empty hall at the UNGA was**

- 1) **demonic** (for its audacious bragging about genocide),
- 2) **delusional** (in still hoping to kill the resistance and escaping indignities for corruption and war crimes),
- 3) **deceptive** (full of lies long discredited from Hamas beheading/burning babies and raping women to Israel defending western democracies),
- 4) **dismissive** (of the horrendous atrocities he committed for which he is indignant and of the will of the international communities to end the extermination campaign), and
- 5) **destructive** (of all shreds of human decency or empathy).

**Western and Arab rulers** who still blabber about "two-states" are only prolonging what everyone knows must end urgently: Genocide and ethnic cleansing and also end the ideology behind the slaughter which is Zionism.

**The latter is a racist genocidal** (and eventually suicidal) idea working violently to take over not just our region but exerting hegemony globally.

**It is a movement using blackmail** (e.g. the Epstein Mossad videos), subterfuge and endless lies to achieve corrupt ends and defame any decent human being (including Jews) who dare to tell the truth. Taking the worst myths of the Bible (from genociding Amalek to Samson fighting philistine Canaanites), this narrative of history is increasingly exposed for what it is: lies to justify genocide and piracy of other people's lands.

**The US/Israel Empire is imploding** and this explains the frenzy of destruction. There is a rising new multilateral world order led by the BRICS countries. The transition is difficult and marred by genocide and turmoil. But it is happening. We must push and help shape the new world order to be more people friendly and hopefully more democratic. Knowledge, AI, and networking make change more possible. But we must redouble our efforts (91 more civilians murdered today, 250,000 in two years).

## **M. Tues. 30 Sept. 2025 BREAKING! Putin Declares War on Israel’s Satanic Control Over Washington — “The Globalist Beast Must Be Destroyed” ...Q on Telegram**

- **Putin just shattered the last taboo, calling out Israel’s bloodthirsty, satanic grip on Western power.** He crushed the Rothschilds in Russia, and now he’s coming for the Deep State strongholds in DC and beyond.
- **THE UNTHINKABLE BECOMES REAL — PUTIN NAMES THE ENEMY**  
 Vladimir Putin has done what no Western leader dares to even whisper: he has named the real power behind the curtain. Not just bankers. Not just billionaires. But the satanic Zionist machine that puppeteers Washington, London, Brussels and beyond — the force that demands blood, controls media, orchestrates wars, and feeds off chaos.
- **“These are bloodthirsty parasites,** and they must be destroyed before they destroy civilization,” said an unofficial Kremlin source. Putin has pulled the trigger on the final war — not just tanks and missiles, but truth vs deception, light vs darkness.
- **A HISTORY OF REBELLION — HOW PUTIN KICKED OUT THE ROTHSCHILDS** When the West was cheering oligarchs and selling out its soul, Putin was cleaning house. In 2003 Rothschild operatives were expelled from Russia. The Central Bank was brought under Russian control. Russian media was purged of globalist influence. NGOs tied to Soros, Gates and Western intelligence were banned. While Western leaders bowed to lobbyists, banks and “philanthropic” overlords, Putin reclaimed his country and triggered alarms in every globalist war room.

- **THE ZIONIST MACHINE IN DC — WHY PUTIN CALLED OUT ISRAEL**  
Washington is no longer run by Americans. It is owned by Zionist lobbyists, fueled by satanic ideology masquerading as “progress,” enslaved to foreign interests who profit from war, censorship and population control. Putin knows this. He’s watched for decades as the same actors orchestrated 9/11, lied about Iraq, backed coups, assassinations and revolutions, and built a surveillance state for you while remaining untouchable. This isn’t anti-Semitism. This is anti-tyranny.
- **SATANISM AS FOREIGN POLICY — THE REAL FACE OF THE GLOBALIST ORDER** It’s no longer metaphor. It’s ritual. Trans kids on drag stages. Mass surveillance “for your safety.” Abortions celebrated like sporting events. War glorified, peace criminalized. Faith mocked, degeneracy rewarded. This is satanism — cultural, political, economic. Putin has called it what it is: a death cult wrapped in Western flags and Israeli funding.
- **THE FINAL STAND — PUTIN VS THE GLOBALIST BEAST** Putin knows the risk. He knows what happened to leaders who opposed the system — Gaddafi, Hussein, JFK, Chavez. But he’s making a last stand, one that redefines modern resistance. “If civilization must survive, the Beast must fall.”
- **THE WAR IS SPIRITUAL, AND PUTIN JUST FIRED THE FIRST SHOT** This isn’t geopolitics anymore. This is prophecy unfolding. Putin isn’t fighting Ukraine. He’s aiming straight at the satanic core of the globalist empire — and if he succeeds, the entire order collapses. This is the news they’ll never report. This is the truth the Deep State fears most. And this is just the beginning.

**N. Tues. 30 Sept. 2025 BREAKING: TRUMP DEPLOYS TROOPS TO PORTLAND – FULL FORCE AUTHORIZED ...Revealed Eye on Telegram**

- **They told you Portland was calm. They lied. On September 27, 2025,** Trump ordered troops into Portland with full force authorized. This is no warning shot — it’s the next phase of the war against the Antifa-globalist alliance that’s been burning the country from within.
- **“At the request of Secretary of Homeland Security Kristi Noem,** I am directing Secretary of War Pete Hegseth to provide all necessary troops to protect Portland and our ICE facilities under siege,” Trump declared. “I am authorizing Full Force, if necessary.”
- **This is a domestic military operation.** It targets the unholy alliance between anarchists, city officials, and the corporate media that’s shielded them for years. Portland has been a hub for globalist destabilization, a testing ground for psyops, lawfare, and trafficking routes hidden behind “sanctuary city” policies.
- **Trump’s September 22 Executive Order** officially labeled Antifa a domestic terror group. DHS confirmed a 1,000% spike in assaults on ICE officers. Agents’ home addresses have been leaked, their families stalked, and a guillotine was built outside the Portland ICE facility — ritualistic, symbolic, planned.

- **This is not incompetence. This is coordinated warfare.** Portland officials even filed violations against ICE for detaining illegals overnight while protecting cartel-backed networks.
- **Trump's move is backed by Kristi Noem and Pete Hegseth**, now Secretary of War — a title change that signals reality: we are in an internal conflict.
- **This crackdown is part of a broader plan:** • QFS secured and global money laundering traced • Border ops militarized to crush trafficking • Cartel–Antifa networks exposed • Media psyops dismantled.
- **Portland Mayor Keith Wilson says**, “We do not need federal intervention.” Translation: federal help = exposure. Democrat senators call this “authoritarianism” because they fear what will be revealed.
- **This isn't just Portland.** It's every American city turned into a playground for chaos. Trump's forces are dismantling the elite's final strongholds. Each move unmasks their networks — and accelerates the collapse of their system.
- **This is war.** And this time, the gloves are off. Stay awake. Stay armed with truth. The takedown is happening now.

## IRS

### O. Tues. 30 Sept. 2025: SHOCKING IRS BOMBHELL: THE FRAUD EXPOSED!

...GhostAFree on Telegram

- **For over a century**, we've been robbed by a system built on lies. The IRS has drained TRILLIONS from the American people based on a crime hidden in plain sight. A CONFIDENTIAL April 1985 letter from a sitting IRS Commissioner confirms what patriots have warned for decades: the 16th Amendment was NEVER legally ratified. That means every tax dollar taken from your paycheck, every audit, every penalty, every seizure was ILLEGAL. Every penny collected since 1913 is owed BACK to the American people.
- **This is the biggest financial crime in U.S. history.** Over \$330 TRILLION stolen from hardworking Americans — funneled to corrupt politicians, globalist bankers, and deep-state operatives. They built their empire with OUR money.
- **1913 was the year America was SOLD.** The ratification was riddled with fraud, states were coerced or outright falsified, and the IRS was unleashed as a weapon against the people. This was never about “funding government” — it was about ENSLAVING a nation.
- **And now the SMOKING GUN is out.** The IRS's own top brass admitted it: this was NEVER lawful. The entire system is an extortion racket hiding behind fake law.
- **With President Trump back in office**, the window for justice is open. The deep state is panicking, censoring this truth, labeling it “misinformation,” and threatening anyone who speaks out. They know what happens if America wakes up.
- **This is not just about taxes.** This is about freedom. If we let this stand, we are nothing but slaves to a criminal syndicate. If we fight, we reclaim our future.

- **HERE'S WHAT YOU MUST DO NOW:** – SPREAD THIS MESSAGE to every American you know. – DEMAND a full investigation into the fraudulent 16th Amendment. – PRESSURE Trump to abolish the IRS and return every stolen dollar.
- **This is the final stand.** The war for America's wealth and freedom is here. They lied. They stole. They enslaved. But now WE FIGHT BACK. THE REVOLUTION STARTS TODAY.

**P. Tues. 30 Sept. 2025 EXCLUSIVE DOSSIER — TRUMP, THE UN & THE ENDGAME OF GLOBAL PROPHECY ...Ezra Cohen on Telegram**

- **Trump exposes the UN's betrayal as 140 nations push false peace** and globalist lies. Prophecy ignites, the Deep State retreats, and the endgame begins. The covenant is active — and time is running out.
- **In September 2025 the UN revealed its true face — a globalist machine endorsing false peace and rewarding decades of terrorism.** Over 140 nations voted for the so-called "New York Declaration" demanding a Gaza ceasefire and full Palestinian statehood.
- **It was a geopolitical ambush engineered by France and Saudi Arabia** with applause from the WEF and Soros-funded NGOs.
- **Only two nations stood their ground: Israel and the United States** under President Donald J. Trump. Their vote wasn't just political — it was prophetic. Trump drew the line: "Peace without justice is no peace at all."
- **The Abraham Accords, born in 2020,** were not just diplomacy — they were a trumpet blast in prophecy's timeline. Now back in the White House, Trump is extending the vision, courting Saudi Arabia, Lebanon and even Syria.
- **But prophecy warns — a peace forged without God** becomes a weapon in the Antichrist's hand. Daniel speaks of a covenant confirmed with many. Look at the facts: the Accords are being strengthened, many nations are involved, and the window extends to 2028. Tick. Tock.
- **Saudi Arabia is the crown jewel. Over 400 million citizens,** 60% of global oil reserves, control of Islam's holiest sites. Combine that with Israel and you have a prophetic megabloc that could fulfill Revelation 17:12 — ten kings handing over their authority. Shared governance over the Temple Mount, interfaith worship, tolerance rebranded as submission. All in the name of unity. The script writes itself.
- **Iran, Russia and Turkey are circling.** Ezekiel 38 names the coalition. Enemies gather. Prophecy says divine intervention scatters them. Mountains shake. The world watches in terror. Natural disasters explode, global digital ID systems rise, AI and surveillance merge into the Mark system. This is not the beginning of the end — it is the end of the beginning.
- **Trump saw the storm coming. He built the alliances.** He held the line. And now the world must choose: stand with globalist liars and prophetic blindness, or stand with Israel, with the truth, with God and with President Donald J. Trump. The final act is upon us. No one sits this one out. The curtain is rising.

**Q. Tues. 30 Sept. 2025 DECLASSIFIED: FBI files confirm what we warned for years — the Russia Hoax was a black op to overthrow Trump. Adam Schiff, Obama, CIA operatives, and Deep State media were all in on it. This was not politics. This was TREASON. ...Nesara Gesara Exposed on Telegram**

- **They never expected Trump to win in 2016.** When he did, they went to war. The newly released FBI docs prove Russiagate was never about Russia — it was a domestic coup run by Obama-era loyalists, intel chiefs, and media assets.
- **The “Russia Team” wasn’t a nickname — it was a classified cell inside the House Intel Committee.** Adam Schiff was its commander, authorizing leaks of raw intel “derogatory to President Trump.” This was espionage, not oversight. His staff used journalists as cutouts, laundering classified data into propaganda. FBI insiders admit intel was leaking almost verbatim within 24 hours of reaching Swalwell’s hands — a man warned for ties to a Chinese spy.
- **The media didn’t just report — they collaborated.** Ellen Nakashima, Michael Schmidt, and their allies weren’t breaking news, they were carrying out assignments. Comey’s own friend leaked memos to force Mueller’s appointment. Pulitzer prizes were awarded for lies — and now the lies are exposed.
- **FBI records reveal seven separate leak investigations were launched — all killed from the top.** Evidence was identified, metadata subpoenaed, and still no arrests. Andrew McCabe, himself caught leaking and lying under oath, blocked the probes and now sits on CNN spinning the same narrative.
- **Trump is back — and the traitors know it.** DNI Tulsi Gabbard has greenlit full declassification. ODNI analysts were pressured to lie to match Obama’s desired outcome. Hillary’s campaign coordinated with White House officials to run the hoax. Brennan, Clapper, Susan Rice, Denis McDonough — all tied in.
- **This is why the media is silent.** They weren’t just cheerleaders — they were collaborators. If indictments drop, they could be forced under oath.
- **Espionage has no statute of limitations.** Kash Patel confirms the evidence is preserved under lock and key. Trump has the power to act — and he will.
- **Expect indictments. Expect panic.** The ones who tried to destroy Trump’s presidency are about to face justice.

#### **U. Native Hawaiian DEW Victims of Maui Hawaii**

**On Wed. 29 Jan. 2025 an Open Letter** was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

**There was 170,000 metric tons of Gold** sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

**The request was accompanied** by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

**V. Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. **X. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

*“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.*

*“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*
