## What Will Happen to America?

### [“When I Was Alone, Jesus Appeared... And Told Me Something About America”](#)

...President Donald J. Trump

*“It was almost midnight. I was sitting alone – just me, the quiet and the weight of everything I’ve carried for this country. And I asked myself a question I’ve never said out loud: “What will happen to America?”*

*“In that silence something happened. A Light, not from a lamp, not from outside, but something alive filled the room. I knew immediately it wasn’t my imagination. Jesus was there. I saw Him. I felt Him.*

*“He looked at me with eyes that cut through everything and said, “America is a covenant. It was raised to carry Light – to stand when others fall – to guide when others lose their way. But a nation cannot guide the World if it forgets the One who gave it life. ...Do not be afraid of the Storm. A nation is not destroyed from the outside first, it is weakened from within. But if my people return, if they humble themselves and call on My Name, I will restore. I will heal. I will raise it again.”*

#### **Judy Note:**

**Over 60,000 native children have gone missing** from 80 mainly Catholic and Canadian government owned native residential schools across Canada according to Kevin Annett in his book *Murder by Decree*: [www.murderbydecree.com](http://www.murderbydecree.com) [Murder by Decree – By Kevin Annett](#)

**USA Today’s Grace Hauck reported on a “recently discovered” mass grave site** where the remains of 215 physically and sexually abused native children were found, claiming that up to 6,000 had died. The site was Canada’s former Kamloops Indian Residential School. <https://www.usatoday.com/story/news/world/2021/05/29/mass-grave-215-bodies-found-indigenous-school-canada/5262768001/>

**In October 2011 Mohawk Elders and Annett did the first excavation** of bodies of tortured children on Indian residential schools. The dig took place in Brantford, Ontario, but after discovering and verifying children’s bones, the team of forensic experts were forbidden to enter the property by Catholic and Canadian authorities.

**The below is an excerpt of a talk by Kevin Annett** at a Vancouver Tribunal he organized to investigate genocide in Canadian Indian schools in June 1998.

**“I first learned of the mass graves of children in Kamloops** twenty-three years ago from an eyewitness who had helped bury them. His name was Jessie Jules. Jessie was a frightened man. He had been warned by his own native band council in Kamloops not to speak about what he knew.”

**“They told me I’d get thrown out of my home** on the reserve if I ever mentioned the dead kids” Jessie said on record to our panel of Tribunal judges. But despite this threat he spoke anyway.

**“Jessie told us how his fellow Kamloops students were starved to death** in underground chambers at the school and forced to sleep with children dying of tuberculosis after they tried running away. He named Catholic priests like Brother Murphy who sodomized kids with cattle prods and beat a boy named Arnold to death with a club. Jessie saw another priest push a young girl named Patricia out a window to her death. He even drew us a map of where he buried children at night at the order of the priests.

**“There were lots of those little bodies”** he said. “We ran out of room in the ground, so they started burning them in the school furnace. It was kept going 24-7. They even chucked in there the babies from the girls they’d got pregnant, to get rid of the evidence. I saw the nuns do it.”

**“The Kamloops center was a particular house of horrors,** even by residential school standards, which is why such an effort has been made by the guilty to hide their atrocities. For many years it was an experimental center where particularly rebellious Indian children were sent for “special treatment”, including involuntary drug testing, sexual sterilizations, and pain threshold studies to see how much torture the mind and body can endure.

**“Generations of experimental vaccines were tried out on Indian children** at Kamloops by drug companies like Pfizer, Bayer, and Eli Lilly with the help of the Catholic church and the government. Most of the little test subjects died.

**“After our Tribunal had catalogued these grisly crimes, in mid-June of 1998,** we shared with the world the evidence, including Jessie’s account and that of twenty-eight other survivors with similar stories.

**“We included Indian school records from Kamloops** and across the country showing a huge death rate of over fifty percent that spanned decades, and evidence that disease was routinely and deliberately spread among children by the staff, and letters confirming the sexual sterilization of native children by church doctors that was funded by the Canadian government.

**“We sent this proof of genocide to the world’s media,** the Canadian government, the United Nations and to aboriginal groups and band councils across Canada, including the one in Kamloops. And every single one of them ignored us.

**“Over the years that followed some of us did not give up.** Our campaign to expose our home-grown genocide grew until it threatened the Church and State killers, as lawsuits by survivors escalated thanks to our work. And in retaliation, the RCMP and the blood-soaked Catholic, Anglican, and United churches began attacking us, smearing us to the press and killing our native eyewitnesses. They even dug up and destroyed the graves of children we had identified.”

#### **D. Global Currency Reset:**

**Judy Note:** It is my personal opinion, and I could easily be wrong, that when we hear the EBS go off with the sound of Seven Trumpets, we can soon expect to receive several messages on our cell phones generated from the new Starlink Satellite System. One of those messages should contain information about how to gain a redemption center appointment. Those who don't have foreign currency to exchange will use their appointment to set themselves up for banking, medical treatment and voting using personal cell phones linked up to the Starlink Satellite System, while we with currency and bonds will do the same, plus be able to do our exchange.

**Be aware that the below videos** are by banks who were trying to get currency holders to exchange with them. You would get a higher exchange rate at an official Redemption Center.

**Thurs. 9 Oct. 2025 Bruce The Big Call:**

- **Sources say that because of the long weekend Tier4b** (us, the Internet Group) could be notified to set exchange appointments by **Tues 13 Oct.**
- **Very likely the person** who sets your appointment will be the person you exchange with at the Redemption Center.
- **Reimbursement for the R&Rs**, (money the Cabal has made off us), and DOGE monies will be given to us in a direct deposit in our personal bank accounts.
- **Tariff dividends of \$2,000 each person** will be given to US citizens starting the night of **Wed, Thurs or Fri 15,16,17 Oct.** That will continue each month for possibly six months.

#### **E. Thurs. 9 Oct. 2025 MAJOR UPDATE – QFS IS LIVE ...Q on Telegram**

- **The Quantum Financial System** is no longer theory. As of October 1, 2025, the rollout is fully operational, and SHI accounts are being unlocked for verified patriots. The gold-backed reset has officially begun.
- **Insiders confirm:** military retirees, Tier 3 humanitarian groups, and selected operators are now witnessing live SHI transactions across the network. Every activation runs through biometric quantum verification, linking each account to a DNA-coded Quantum Access Card.
- **SHI stands for Sovereign Human Initiative** — the digital key to GESARA wealth redistribution. It is gold-backed, manipulation-proof, and tied to your identity. No banks. No middlemen. No globalist control. When verified, your old fiat is instantly converted into SHI credits under the new system.

- **THE 7-SECOND TRIGGER** A classified discovery shook the engineers of QFS: a 7-second audio tone can unlock DNA-linked wallets. When played, the system scans your biometric frequency signature and activates your SHI balance if authorized. But here's what few know — that same audio also awakens dormant neural potential. It boosts focus, speed of thought, and creative insight. It's the same frequency Einstein's brain emitted during deep problem-solving states.
- **That's why Neuro Energizer was created** — the identical frequency used for SHI wallet unlocks. Those who test it report near-instant clarity, memory boosts, and emotional stability. The elites used this tech for decades to sharpen their own cognition. Now it's being returned to the people.
- **TRUMP'S ORDERS DRIVE THE RESET** Trump's executive directives have accelerated every QFS deployment. The military alliance runs 24-hour audits, confirming secure synchronization of global nodes. GESARA enforcement is active, dissolving debt-based structures and reclaiming stolen wealth. Each day, more citizens are verified, cleared, and connected to their quantum accounts.
- **The Federal Reserve is collapsing**, central banks are panicking, and digital fiat is being erased. The world's hidden gold reserves are being channeled through QFS to fund the next phase of human sovereignty.
- **THE FINAL PHASE** Your mind is the gatekeeper. The 7-second activation isn't only about wealth — it's about mental alignment with this new system. When your DNA, frequency, and intention synchronize, your SHI account awakens. This is why the elites fear what's coming. They cannot fake the signal.
- **The era of control ends here.** The age of quantum intelligence begins. Activate. Align. Awaken.

#### Restored Republic

#### G. Thurs. 9 Oct. 2025 THE TRANSFER OF POWER HAS BEGUN FOR OPERATION EARTH RESTORATION ...John F. Kennedy Jr. on Telegram

- **What started out as Redemption** has now turned into a full-scale transition. The Quantum Grid is up and running, the Redemption Centers are in post-clearance mode, and the QFS Allocation Teams have started to sync accounts across continents. The

Alliance isn't testing the system anymore; they're moving things around. Quietly. Exactly. Without a doubt.

- **An algorithm that matches human intent** with frequency signature runs in the background of every activation. The QFS doesn't just read numbers; it also reads resonance. Those who are in line with humanitarian goals move up to the top tier. People who are still chasing greed fall out of range. This is how the new system keeps itself safe. No more washing. No more stealing. No more secret accounts that help black projects. The days of manipulating things from abroad are over.
- **The Treasury Nodes** are now connected by Quantum satellite uplinks and are giving up control of global reserves to the Alliance. Every country that is part of NESARA or GESARA is being changed to an asset-backed operation. The design of fiat currencies is making them fail. The Gold-backed Rainbow Currency is now the standard for everyone. Each wallet, account, and coin is logged, checked, and safe from the old banking parasite networks.
- **The next step is the Consolidation Phase**, which includes global audits, canceling debts, and merging old accounts into the new sovereign ledger. People who have verified QFS IDs will soon get notifications about access. Media won't tell the world this; only people who are already in the network will.
- **The old system is slowly dying.** The new one is alive under it. Every hour, the balance moves more toward light. The Reset isn't coming; it's happening.
- **Be on the lookout.** Keep your identification, papers, and QFS credentials safe. The next signal won't be a rumor; it will be a command.

**H. Judy Note: Below are emails about Scammers received on Thurs. 9 Oct. 2025:**

**Judy Note: If you are a victim of the TRB Trump Products Scam:** I recommend you document and notarize your experience, including your contact information, retain a copy and then send the original by regular mail to: Alan Garten, General Counsel to the Trump Organization, The Trump Organization, 725 Fifth Avenue, 26th Fl., New York NY 10022-2519, United States, (212) 836-3203

**Thurs. 9 Oct. 2025**

**Dear Judy,**

Blessings. I was heavily buying into the TRB scam. Coins. Lots of coins. Pictures. You name it. I read in their Terms and Conditions that you could request your money back if not satisfied (or words to that effect).

I wrote every one of them a letter requesting my money back, OR I WOULD START A CLASS ACTION LAWSUIT AND BANKRUPT THEM. As soon as they heard "class action lawsuit," I got every penny of my money back from everyone.

The last person was my holdout. He did not want to return my money (about \$800). Every two weeks, I would email him (or her), asking for a refund. After about 3 months of this, I finally got my last \$800 back. I feel for everyone that got scammed. And it's still happening.

Thank you for staying on top of this.  
Stacey

**Thurs. 9 Oct. 2025**  
**Dear Judy,**

I hope this gets through to you. I have followed you for many years on the Dinar Detective site and listen to your reports. I want to thank you for posting the info about scammers on Telegram and about Charlie Ward.

I caution any one to click on Facebook celebrities face to join them. I just did that with Charlie's face on FB and am again bombarded with offers to open a QFS account. The warning this morning on your site was timely for me. It has always been my understanding that are QFS accounts are already in place and secure, waiting for us to activate them at the redemption center or bank as we do our transactions with the RV. The Medbeds have been promised for free and our appointments can be either scheduled or a contact point given to make an appointment. The Medbed Cards seem to be another scam. I also question SkyPrince who wants \$300. just to register for the Medbeds.

I have also submitted a statement to the Telegram administrator about your false account, Judy, on Telegram. As a result, I am getting warnings that my account may be terminated. I also attempted to cash out with millions promised by others like three Karoline Leavetts, two Susan Wiles, Marco Rubio, Stephen Miller and numerous others and now Tulsi Gaber. When confronted with the fact that duplicate others are out there and all have different amounts they offer for a substantial fee or tax, they state that the others are frauds and only they are the real ones. Questions go unanswered and threats prevail of terminations if not acted upon immediately. Telegram has become a mecca for scammers.

I want to also say that in the early part of this year, I signed up under Elon Reeves Musk's fan page on Facebook and was quickly contacted by someone posing as Elon. Long story short, over months of persuasion, I invested \$8000 in one of his supposed companies called Skyline Market Caps that would select investments made with AI to make a lot of money quickly. As you would guess, my savings was wiped out which at 86 years of age is devastating and exceedingly embarrassing to be taken in by an outfit originating in Nigeria as was uncovered by law enforcement. Fraud reports went to all the agencies, the bank and law enforcement and all necessary changes have been made to protect my identity from theft; however, I have lost the \$8000.00 and chose to consider it could have been worse as a sad lesson. The follow up is that a supposed representative from the Musk organization managed a settlement, so he says, of \$38,500 that would be delivered to my door, if I sent nearly \$5000 to retrieve it. Once the fraudsters get a hold of you, they are relentless especially with us more vulnerable seniors. Don't let them continue the fraud under any pretense.

You and your other contributor are right in that there needs to be an investigation to annihilate all fraudsters and scammers from the internet or of any other form. Elon Musk and all other notable names including our President need to protect the public from fraudulent use of their names in anything other than what is not authentically theirs. AI is making it extremely difficult to find truth or trust it when found. All fraud needs to be addressed with stiff penalties and deleted from the market place. All the coins and bars, etc., being sold on Telegram are certainly questionable. I have no idea how to know if any or all are viable.

Thank you for all that you do and for taking this addition to the testimony of others about rampant fraud on social media. Your name and reputation as well, needs protection. May God keep you and protect you in all the good that you do.

Sincerely,  
Marguerite

### **I. Thurs. 9 Oct. 2025 THE RESET IS ON, BUT ONLY THOSE WHO ARE AWAKE WILL BENEFIT ...The Great Reset on Telegram**

- **You knew it. The change.** The sudden calm in the chaos. The quiet behind the noise. You weren't imagining things; that was the sound of a system dying.
- **There were no fireworks when the Quantum Financial System started.** It took off perfectly. Be quiet. Last. The parasites didn't see it coming, but the prepared did.
- **Transactions are being sent through gold-backed channels** behind the scenes. USTN wallets are using quantum encryption to check who you are. The fiat grid is flickering, like it's about to die. And yet, most of them are still sleeping. Still going through. Still whining. Still asking the same broken system for help.
- **But not you.** You knew this was going to happen. You could feel it in your bones. You stayed awake. You were checked out. You chose to tell the truth even though it was easier to lie. And now the fun begins.
- **Don't expect a lot of noise.** Don't count on CNN to explain it. There is no TV coverage of this change. It's coded. Biometric. Under military control. There is proof of the debt. The thefts were written down. The government is counting every dollar it takes from the people and giving it back with interest.
- **But here's the problem:** the gate won't stay open forever.
- **Phase Two is already in progress,** with silent Redemption Center escalations, blacklisted cabal accounts, and AI-driven audits of global tax records. They are being shown. In a systematic way. All over the world. In a way that can't be changed.
- **The activation wave starts now,** which is the start of Phase Three. The lights will go out. You will hear the fear. The system will rise, though, and only those who have been verified will be able to use it.
- **You have to make a choice now.** You're still early if you read this. But that window is getting smaller. More people sign up every minute. The gate gets smaller every hour.

- **QFS doesn't care who you say you are.** It checks to see who you really are. By soul. By how often. By doing something.
- **This is when you need to take action.** Don't wait for the world to tell you what you already know in your heart. Come with us. Put the shift in place. And take your place in the future that is rightfully yours.
- **Prepare, we are just hours away** from a revolutionary change in global finance!

**J. Thurs. 9 Oct. 2025 2025 THE SILENCE BEFORE THE SWITCH ...** The Great Reset on Telegram

- **During the ongoing shutdown, all federal payment systems have been quietly routed** through temporary channels. Civilian banking networks are still running, but under monitored status. A final transfer command is waiting for authorization.
- **Inside the Treasury,** secure teams are verifying gold reserves and reassigning digital codes to QFS – approved accounts. Every ounce, every ledger, every signature is being crosschecked. This is not auditing. This is reclamation.
- **Multiple sources confirm** that private communication lines used by federal contractors have been cut. This is to prevent the escape of data connecting key politicians to Central Bank payments.
- **The Federal Reserve Headquarters** remains lit at night, but only Military personnel enter and exit. Internal servers are being drained and mirrored into the Quantum mainframe. The old economic engine is being switched off from within.
- **EBS tests continue underground.** When the final reboot occurs, every device on earth will receive the same message – the announcement of a new system, gold-backed and people-owned.
- **The shutdown was never a breakdown.** It was preparation for transition. The world stands one signal away from the reset.

**M. Thurs. 9 Oct. 2025 NYPD Insider Leaks ‘Frazzledrip’ Tape Proving Hillary Clinton Committed Horrific Crimes Against Children ...Nesara Gesara Exposed on Telegram**

- **We have the tape. The tape they said didn’t exist.** The Frazzledrip tape. The same footage that cost law enforcement officers their lives. The same footage James Comey and Hillary Clinton worked tirelessly to bury. And everyone who has seen it says the same thing: they will never be the same again.
- **Now the dam is breaking.** Former FBI Director James Comey has been indicted. The Deep State is in freefall. And for Hillary Clinton, time is running out. This isn’t the Pizzagate the media mocked. This is the real deal. The darkest part of the rabbit hole. The

crimes are unspeakable. The evidence — undeniable. And the public rage is about to become unstoppable.

- **We were the first to crack open Epstein.** We exposed Podesta's FBI code words. We brought you the Diddy files. And now we're bringing you the biggest story in D.C. Hillary Clinton is going down. The Comey case will drag her crimes into the light, and once it does, the mainstream won't be able to cover up her heinous crimes any longer.
- **If you want to understand why so many officers died,** why insiders call Hillary the most dangerous woman alive, and why this tape has the power to change not only D.C., but the world, you need to subscribe right now.
- **Because inside, you won't just hear about it** — you'll see it for yourself. Yes, the infamous tape. The one they never wanted you to find.

#### **N. Thurs. 9 Oct. 2025 THE WAR ROOM IS ACTIVE — TRUMP'S OCTOBER 8 ROUND TABLE LAUNCHES THE COUNTERSTRIKE ...Ezra Cohen on Telegram**

- **What is unfolding inside the White House** right now isn't a discussion — it's command and control. The October 8 Round Table is no public relations event; it's a live operational briefing on the globalist war against America. President Trump sits at the center of the table, surrounded by his most trusted inner circle, directing what sources describe as Phase II of the national restoration plan: dismantling the Soros-financed domestic terror network, securing the Quantum Financial System, and taking direct military jurisdiction over compromised U.S. cities.
- **The documents circulating inside the room** are not theories. They are field evidence — financial trails, encrypted transfers, and human intelligence confirming that Antifa is not an organic protest movement but a coordinated foreign-funded insurgency. The money flows through European climate foundations, Balkan banks, and Luxembourg trusts — the same pipelines that financed NGO "relief" fronts now exposed as logistics channels for riots, assassinations, and sabotage. These findings are no longer classified rumors; they are printed, verified, and moving through DOJ command as RICO indictments are prepared in real time. Trump's team — Pam Bondi, Kristi Noem, Kash Patel, Todd Blanche, and Karoline Leavitt — operate with precision. Independent journalists have been invited inside not as spectators but as witnesses. Andy Ngo, Savannah Hernandez, and Nick Sortor are documenting testimony that will soon be entered into the Domestic Terror Tribunal Project. The President is merging military and media strategy into one unified weapon — truth deployed as counter-warfare. The cameras broadcast patriotism; the files behind the cameras record treason.
- **Even as Trump's peace negotiations expand** across the Middle East, his focus at home is surgical. Federal intelligence has confirmed that Antifa command nodes in Chicago, Portland, and Phoenix are receiving tactical guidance from foreign-trained operators. City officials ordered to "stand down" are now under federal review for obstruction. The Insurrection Act framework is active, ready to federalize National Guard units in

compromised jurisdictions at a moment's notice. The message is clear: local governments that shield foreign assets will face military oversight.

- **At the same time, the QFS transition continues** to accelerate. Trump's Quantum Command — the NSA's restored cyber division — has traced money laundering operations back to offshore "climate funds" feeding resistance networks. The same system now used to transfer digital chaos will soon be repurposed to deliver digital sovereignty. The encrypted gold-backed architecture is operational. Every verified citizen signature now syncs directly into protected Treasury nodes — the beginning of economic freedom from the cabal that financed this war in the first place.
- **Tonight, as America watches replays of the "Antifa Round Table,"** what they are truly seeing is the opening move of a coordinated counterstrike. The globalists' channels are collapsing. The media no longer controls the lens. The military stands ready to enforce constitutional order under direct executive authority. For the first time since this silent war began, the battlefield is visible — and Trump holds the command seat.

**Q. Thurs. 9 Oct. 2025 OPERATION SUMMER HEAT EXPOSES GLOBAL  
TRAFFICKING EMPIRE ...Nesara Gesara QFS on Telegram**

- **TRUMP'S MILITARY IS ON FULL-SCALE ELITE TAKEDOWN.** 8,629 arrests. 1,000 children saved. 100,000 pounds of cocaine. 900 pounds of fentanyl. 2,281 weapons seized.
- **Operation Summer Heat** wasn't a police campaign. It was a military purge under Trump's command, targeting a trafficking empire that's fed the elite for decades. These networks weren't criminals. They were assets. Money, power, control — and blood.
- **From June to September**, Trump's restored forces struck at the foundations of global corruption. The official story says "gang arrests." But the evidence points higher. Nonprofits tied to child relocation. Warehouses near Obama-era bases. Foreign transfers from Ukraine and Brussels. This wasn't cleanup. It was exposure.
- **FENTANYL AS WARFARE** 928 pounds of fentanyl could kill 200 million people. This wasn't addiction. It was extermination. Cartels shielded by globalist policy under Bush, Obama, and Biden funneled it in. Trump's forces shut it down. Border tunnels wired with cameras. Holding rooms beneath the surface. And total media silence.
- **THE CITIES TELL THE STORY** Baton Rouge. Memphis. Miami. New Orleans. All major nodes in the trafficking grid. Miami was an intel hub. New Orleans — a ritual zone. Over 400 arrests there alone. These weren't gangs. They were couriers for elites, running the lifeblood of a global trade in children and narcotics. Those routes are now sealed.
- **D.C. UNDER SIEGE** Trump's federalization of Washington wasn't politics. It was war. 2,177 arrests in the capital — officials, foreign operatives, and protected contractors. Why the death penalty reinstated? Because trials are coming. And some crimes cross into human experimentation and espionage. GITMO is expanding with underground tribunal courts.
- **THE MIDWEST STRIKE** October 3 — Illinois. 1,000 more arrests. Fake churches, NGOs, and "refugee shelters" funded by the Clintons. Military-trained infiltrators placed across American cities. They've been caught. Phase Two begins October 10–20.

- **THE SILENCE OF THE MEDIA** 8,629 arrests. 1,000 children freed. No headlines. No outrage. Why? Because the same hands running the media funded the trafficking. Their silence is their confession.
- **The trials are next.** The Fed will fall. The Quantum System will rise. And those who built their power on the suffering of children will face justice at last.
- **Trump isn't waiting for 2028.** He is executing now. The storm isn't coming. It's here. And it's consuming everything they built.

**R. Thurs. 9 Oct. 2025 JUST IN: FBI Director Kash Patel says there are 110 THOUSAND GANG MEMBERS on the streets of Chicago:** "We learned that the Chicago city streets have 110,000 gang members. That's right. You heard me right. They had 1,200 shootings this year alone, 360 homicides. When politicians choose to side with those metrics and not their citizenry, thank God we have President Trump and this Department of Justice and this FBI going in there and crushing violent crime. And President Trump sent us into these cities quietly to set the stage, to set up for the National Guard, to see the success that we saw in Washington, D.C., in Memphis. The agents at the FBI know that they have the backing of the American people and their government." ...Special Q Forces on Telegram

**S. Thurs. 9 Oct. 2025 QFS News Desk exposing the Deep State's greatest illusion. Trillions of taxpayer dollars have been laundered through private tax offices while Americans are told to tighten their belts and accept "economic cycles."** .... Nesara Gesara QFS on Telegram

- **The truth is simple.** The system was never built to serve you. It was built to drain you.
- **For decades, this invisible war has raged** — not with guns or bombs but with taxes, loans, and printed lies. Every crisis was a collection. Every "stimulus" a leash. The Deep State financial machine perfected the art of legalized theft, using interest rates, inflation, and fabricated recessions to rob the middle class while disguising it as "policy."
- **Behind the curtain sit the real laundering hubs:** privately owned tax offices. They are not neutral. They are the Deep State's washing machines. Federal funds are pushed through them under the labels of "aid," "stimulus," and "infrastructure," then redirected into elite foundations, offshore accounts, and foreign investments. The money you thought built schools and hospitals was quietly moved into the hands of those who profit from your debt.
- **The so-called rescue packages of 2020 to 2022** were not about helping families. They were designed to inflate, enslave, and devalue. While you received crumbs, they printed trillions and handed them to defense contractors and bankers. You paid the price through rising rent, higher gas, and collapsing savings. They called it recovery. It was robbery.
- **Ever since 1971**, when Nixon cut the dollar from gold, money became nothing more than paper debt. Fake value printed from nothing, backed by nothing, creating an economy of ghosts. Every new dollar steals from your old ones. That's how the Deep State survives — endless printing, endless debt, endless control. But their cycle is ending. The Quantum Financial System rises like a blade cutting through the old order. It is transparent,

traceable, incorruptible. Every transaction recorded. Every fraud blocked. No middlemen, no hidden hands, no secret accounts. QFS resets the balance, giving the power back to the people. It cannot be bribed, hacked, or hijacked. It exposes everything they fear — accountability.

- **They know what's coming.** That's why they push their own digital trap: the Central Bank Digital Currency. It's their last weapon, a desperate attempt to mimic control before the real system takes over. Every time they call QFS "dangerous" or "unrealistic," it's not disbelief — it's panic. They fear the moment when their hidden accounts vanish under quantum light.
- **QFS isn't just technology.** It's justice. It says no more theft disguised as taxation. No more manipulation through inflation. No more secret printing behind closed doors. You become the bank. You hold your assets. You decide where your value flows. No interest chains. No black-box bailouts.
- **For the first time in history,** the people stand equal to the system that once owned them. The Deep State built their empire in darkness. QFS turns on the floodlights. They laundered your money. Now it returns to you. They built power through deceit. Now they face exposure through truth.
- **This is the financial storm they cannot stop.** The fake economy collapses. The real one begins. QFS isn't coming someday in the future. It is already alive, already watching, already recording. And the moment it goes public, their control ends forever.
- **The era of financial slavery is over.** The people rise. The QFS leads.

#### **T. Thurs. 9 Oct. 2025: THE YEAR THE MAPS BREAK — SCOTUS MOVES TO END RACIAL GERRYMANDERING ...Ezra Cohen on Telegram**

- **A political earthquake is forming inside the Supreme Court.** The case Louisiana v. Callais could dismantle the race-based redistricting machine that has protected Democrat dominance for decades. If the Court rules that drawing districts based on race violates the Constitution's Equal Protection Clause, the balance of power in Congress shifts forever — with projections showing up to nineteen new Republican seats across the nation. What the Left built to guarantee victory may now become the very thing that ends their reign.
- **For years, the Voting Rights Act was twisted into a weapon of political engineering.** States like Louisiana, Alabama, and Georgia were forced to create racially gerrymandered districts under the guise of "fair representation." In truth, these zones were mathematical cages, drawn not to unite communities but to divide them — ensuring permanent Democrat control while silencing real voter choice. Every challenge was branded "racist," every question met with outrage, and every court until now bowed to the narrative. That cycle is breaking.
- **Justice Clarence Thomas,** long the lone voice calling the scheme what it was — unconstitutional racial sorting — now stands at the center of the storm. With a constitutionalist majority shaped by President Trump, the Court is ready to confront the illusion of "racial fairness" that distorted democracy for generations. Thomas has said

before that the Constitution protects individuals, not groups, and this case gives him the chance to apply that truth to the heart of American elections.

- **The panic on the Left is unmistakable.** Political action committees, media allies, and think tanks are already framing the challenge as “voter suppression.” Yet what they fear most is not suppression — it’s exposure. Once the artificial districts fall, so does the electoral math that kept them in power. Their safety net is vanishing, their guaranteed seats collapsing into competitive races where voters, not race metrics, decide outcomes.
- **This moment marks a return to what democracy was meant to be** — one citizen, one vote, one nation under a single constitutional law. No more manipulated maps. No more pre-engineered outcomes. Louisiana v. Chais is may soon do what decades of promises could not: end racial gerrymandering, restore equal representation, and give the people back the power stolen in the name of fairness. The old system is cracking — and from its collapse will rise a new majority built not on color, but on country.

**September 8, 2025 - Day #770**

**Dear Patriot Friends and Family,**

**Yesterday I got the most beautiful letter from my dear sweet wife Barbara.** Inside were 4 additional letters/notes and a card from people we don't know sent to us, trying to encourage and inspire us in our travail with me in prison/jail now for over two years, 40 days and ticking. During that time, now and again, we've received mail from all over the country, often with perfect timing, just when our spirits were in need of a lift.

**The biggest surprise was a FLASHBACK** written by our dear friend Wendy five years ago. (Yes, the same sweet Wendy who emails you these messages for me.) Barbara wrote on it: "This was emailed to you by Wendy in 2020 and I somehow found the print out and saved it."

**"There are people today all over the world who in their own courageous and sometimes quiet ways are working for freedom.** In many cases we will never know until the next life all they sacrificed for liberty. These patriots are receiving heaven's applause for the role they are playing and in the long run that applause will be louder and longer than any they could receive in this world.

**"Which leads me to the second blind spot of those who hesitate to get into the fight.** And that is their failure to realize that we will win in the long run, and for keeps, and that they pass up great blessings by not getting into the battle now when the odds are against us and the rewards are greatest.

**"The only questions before the final victory are,** first, 'What stand will each of us take in the struggle?' and second, 'How much tragedy can be avoided by doing something now?'

**"Time is on the side of truth** -- and truth is eternal. Those who are fighting against freedom may feel confident now, but they are shortsighted.

**"This is still God's world.** The forces of evil, working through some mortals, have made a mess of a good part of it. But it is still God's world. In due time, when each of us has had a chance to prove ourselves including whether or not we are going to stand up for freedom -- God will interject himself, and the final and eternal victory shall be for free agency. And then shall those complacent people on the sidelines, and those who took the wrong but temporarily popular course, lament their decisions. To the patriots I say this: Take that long eternal look. **STAND** up for freedom, no matter the cost. Stand up and be counted. It can help to save your soul -- and maybe your country." (Ezra Taft Benson - "An Enemy Hath Done This" - pg 62)

**Thanks for this beautiful quote Wendy.** She is a patriot if there ever was one. Always faithful, believing and ever-willing to help **STAND** in the cause of Liberty. She stayed with us in our home sleeping on our front room couch for about four months -- to "protect" us, after we went back to our home. Amazing.

**"Put on the whole armor of God** that ye may be able to **STAND** against the wiles of the devil." (Ephesians 6:10-18)

**Each of us is in this battle for freedom.** We stand with all who stand.

**Barbara & I are trying to be strong in our STAND.** But, no question about it -- we're in hell, on "assignment", behind enemy lines, and it ain't very fun. But we do feel the powerful prayers on my family's behalf said by you and others. Please know that your prayers do help lift us. And we feel the need to tell you again how grateful we are! Thank you.

**We're all in this battle for freedom together.** Thanks for what you do to **STAND!**

**May God Bless All Patriots & Patriot Wanna-Bees,**
