Judy Note: Slaughter of 60,000 Native Canadian Children Coverup, Kevin Annett as reported in *Before It's News* [Slaughter of 60,000 Native Canadian Children Coverup | Crime All-Stars | Before It's News](#)

“I first met the architect of the Great Canadian Coverup in June of 2010 in Winnipeg. He had just stuffed a large pastry into his mouth. “Excuse me, Mister Sinclair,” I said to him. “Can you tell me why you just shut off the microphone of these residential school survivors when they started talking about burying dead children at the Sandy Bay Catholic residential school?”

“Murray Sinclair gaped at me like a deer caught in headlights as he quickly tried to gulp down the confection. Then he glared at the survivors in question, who stood with me. “I’m a judicial officer and there are some things I’m not allowed to raise here,” he blustered.

“Not allowed by who?” one of the Sandy Bay Cree cried. Murray scowled at the man and then turned and waddled back to the head table. It was the opening session of the misnamed ‘Truth and Reconciliation Commission’. (TRC)

Official Canada is shedding rivers of crocodile tears this week after one of their most loyal native puppets passed on to the infernal region where traitors end up. A seemingly endless torrent of praise for the chubby lawyer is pouring from pale politicians, newspaper columns, academics, and other bought and bossed ab-origins like himself.

“It’s small wonder. For Murray Sinclair single handedly saved White Canada’s genocidal ass. As chair of the TRC for seven years, Murray led the biggest obstruction of justice in the history of Canada in order to conceal its biggest crime: the deliberate slaughter of over 60,000 indigenous children by Church and State. (www.murderbydecree.com)

“When he cut us off with that stupid grin on his face, it felt like I was being raped and beaten all over again,” said one of the Sandy Bay Cree women. “And he’s supposed to be one of us.”

“Murray, indigenous? Well, maybe on the outside. But he’s been a consummate “good Indian” from early on, as a residential school informant and goon, then a lawyer, judge, and eventually a Senator with strong cabinet connections. When it came time for the government and churches to officially whitewash the growing evidence of their mass murder of half of the children in the Christian gulags called ‘Indian residential schools’, Murray was just the man to

do it. As the TRC chairman, Murray's job was to sell a Big Lie to the public: that genocide in Canada wasn't so bad, no-one was to blame for it, and all is forgiven.

"In the spring of 2008, our movement against this big lie escalated its ten-year campaign by occupying the guilty Catholic, Anglican, and United churches in Vancouver and Toronto. We demanded the criminal prosecution of those churches for genocide. In response, the government quickly announced the formation of the TRC to 'investigate' the residential school crimes. But the fact that the perpetrators of the crime were the ones setting up the TRC to 'investigate' themselves didn't sit well, especially when the churches that had killed generations of brown children got to choose the three TRC Commissioners. (Seriously)

"Like the serial killer appointing his own jury," as I said to the press, who didn't quote me.

"Not surprisingly, the first federal judge asked to chair this absurdity, Harry Laforme, quickly declined, citing how the TRC mandate was "unlawfully restrictive". Why? Because it prevented the TRC Commissioners from issuing subpoenas, conducting criminal investigations, or summoning witnesses. The Commissioners were even barred from gathering evidence that named names, referred to dead children, or accused anyone of a crime!

"Obviously, the half-decent Mr. Laforme didn't want to incriminate himself in such a blatant whitewash and obstruction of justice. So then the feds turned to their loyal hatchet man, Murray Sinclair. "Hatchet" is accurate. As the TRC's Major Domo, Sinclair slashed and burned any incriminating eyewitnesses and evidence from the residential school death camps while protecting the Catholic, Anglican, and United churches responsible for killing half of its little inmates.

"Murray kicked off this effort by giving the churches six months to sift through and censor their own records from the 'schools', even though the churches had been spared litigation for their crimes only by agreeing to disclose all their evidence. Then Murray got the federal Privy Council to officially seal all government records related to the 'schools', like the evidence of the Church and State sterilization programs against natives stored in the National Archives in Ottawa.

"Meanwhile, at the TRC's so-called 'public hearings', native survivors were allowed only a brief ten minutes to tell their story, but only after they had submitted their statement to the TRC Commissioners for vetting and editing. Church officials, contrarily, got all the time they wanted, uncensored, to spew justifications for their century-long torture and murder of indigenous children. Any native survivors who challenged this charade were quickly silenced by Sinclair, banned from the hearings, and even physically assaulted by TRC security.

"The official subterfuge continued behind this heavy barrier of deceit and intimidation. "It was all a big show," recalls Shawna Greene, a Cowichan native woman who attended the TRC event in Victoria, B.C. in the summer of 2012. "There were more white people there than native people, and lots of music, food, and corporate sponsorship signs. I counted only four or five actual survivors there and only one of them ever got to speak, and then only briefly."

“Shawna grew tearful and angry as she spoke. “But the worst part was that asshole Murray Sinclair. He was just a stooge for the churches. When a Catholic bishop was at the microphone going on about all the ‘good’ they’d done in the residential schools, a few survivors began shouting, *‘You’re lying! Sit down! You killed our friends!’*. At that point, Murray stood up and started yelling at the survivors to be quiet and show respect to the bishop! Show respect to your rapist, can you believe it? The survivors looked totally crushed. One of them even killed herself that night. It was all a big re-traumatizing event for the victims so they’d stay quiet. I guess that was the whole point of the TRC.”

“None of the trained seals of the Canadian media ever reported such incidents and greatly aided Murray in his duplicity and criminality. For the press, the TRC was all love and light, *“a genuine effort to reveal and help heal a sad chapter in our history,”* to quote a typically false account from the *Globe and Mail*. Whether in Canada or abroad, the media reports of the TRC rarely if ever corresponded to its reality. And the big lie only grew worse.

“As the TRC stage show wound its way through over \$80 million to say nothing and conceal much, Murray Sinclair let slip that the survivors’ statements and other evidence held by the TRC would not be made public, as was originally guaranteed, but would remain in the hands of the government.

“Early in 2014, just before the TRC concluded its moribund existence, the Supreme Court ruled that any of this TRC material could be legally destroyed, even though it constituted confidential evidence from crime scenes! Canada’s whitewash of mass murder was now lawful.

“If Canada operated according to the rule of law, a lot of people connected to the TRC would have gone to jail, starting with the rotund Mister Sinclair. But all of that is fogged here in the Great White North, where a traitor to his people and to 60,000 slaughtered children, and the head of an enormous criminal conspiracy to aid and abet genocide, now dwells as a hallowed hero of the crime scene called Canada. How else does an entire guilty nation behave?

“In closing, I remember the outrage that the TRC hearings caused among the grassroots native people who I live and work with. Their anger, of course, quickly turned to despair and resignation that, once again, the child killers and their aboriginal accomplices had won. All except for a Cree man named Frank Ermineskin, a buddy of mine in Vancouver.

“One evening in the Carnegie Center, Frank got up and kicked his booted foot through the TV screen that was broadcasting a TRC hearing. Later that night, Frank said to me, “Among my people, anybody who hurt a child or protected somebody who did would get taken outside the village and you’d never see that person again. That’s what we need to do to that Murray Sinclair asshole.”

A. Fri. 10 Oct. Green Light Sequence Engaged For EBS Deployment. ...Q

- **On Fri. 10 Oct. at 6:15 EST** the final authorization code was transmitted through the Quantum Grid. The signal bounced across five continents in under three seconds and locked every major financial node into read only mode. The takeover is live.
- **GEO fenced blackout windows** have been activated across key metropolitan hubs. Expect localized network outages as infrastructure is migrated to secure military bandwidth. These outages are not accidents. They are transfer gates.
- **Fiber backbone preempt is underway.** Commercial providers have been silently overridden and routed through the new Quantum core. Each packet of data now carries an encrypted QFS hash confirming source authenticity.
- **Space Force Nodes** are verifying Global timing synchronization for the EBS deployment. Every screen, every signal and every emergency channel will switch to Military feed once timing reaches zero offset.
- **Arrest protocols are synced to the digital ledger.** As each name is verified against the sealed database, a QFS mark is placed beside it. When the public feed goes live those marks become warrants.
- **Civilian Systems** will see a series of "maintenance notices" but the real process is a reset of the Global Grid. When the reboot completes, the old banking framework will vanish and the gold backed ledger will emerge in it's place.

B. Possible Timing:

- **Wed. 1 Oct. 2025, President Trump** turned on the green light for the Global Currency Reset to dismantle global elite control and return America's stolen wealth to its people.

Nesara Gesara 30+1 Protocols were released to erase debt, smash the IRS, dismantle the Fed and rip globalist control out by the roots. **That same Oct. 1** the Government was shutdown, which would be permanent for many offices.

- **Sat. 4 Oct. 2025** Iraq's prime minister proclaimed a seven-day national holiday after the Iraqi Central Bank connected to the Quantum Financial System. ...Quantum Week Intelligence Brief FBI Director Kash Patel on Telegram
- **On Wed. 8 Oct. 2025 Afternoon** John F. Kennedy Jr. – long thought to be gone – walked into the Oval Office to meet President Donald J. Trump! The son of America's most beloved president is ALIVE, and now he's face-to-face with Trump in a meeting that could shake the Deep State to its core. <https://t.me/+KjBoJVMcpCg5ZWE0>
- **Also on Wed. 8 Oct. 2025 at 1:13 pm** the US Debt Clock dropped “Total Repo” one day after the Fed's reverse repo. That was the moment the system flipped.
- **On Thurs. 9 Oct. 2025 some in Tier4b (us, the Internet Group)** obtained notification to set appointments at Exchange Centers. Exchanges would likely continue for the next 15 days.
- **Mon. 13 Oct. 2025 Columbus Day** when banks were closed and the beginning of Quantum Week that was expected to start with a banking and market crash. There were 209 country's banks already connected to the new gold/asset-backed Quantum Financial System.
- **Tues. 14 Oct. 2025 has been declared as World Quantum Day:** Nesara Gesara Law would be official throughout the World. Bitcoin gone. Servers and data centers, obliterated; 99.5% of all crypto—vanished. Only ISO20022 coins, backed by gold, would survive. As this fiat system died, the Stock Market would continue to crater – a signal that it was the end of the Cabal's SWIFT Global Banking System.
- **Wed. 15 Oct. 2025** The American Republic was expected to be announced in a Worldwide EBS Broadcast that triggered a three day Communication Blackout; Common Law reinstated; Federal Reserve & IRS abolished and Income Tax eliminated, replaced with a 14% tax on new items only, none on food or medicine.

C. What We Think We Know as of Sat. 11 Oct. 2025:

- **Trump Declares October 13** as Columbus Day Nationwide – Ends Biden's Woke Rewriting of American History.
- **Speaker of the House Mike Johnson:** “The Democrats aren't negotiating in bad faith — they're not negotiating at all. They've turned a government shutdown into a political firewall to protect a radical leftist rally scheduled for October 18 on the National Mall.
- **Meanwhile, the government shutdown** was strategically cutting off the Deep State money laundering. Federal funding blocked for blue states. No more blank checks for New York, California, or their woke agendas. Trump's media strike: airports now broadcasting hardline footage exposing Democrats as saboteurs of national security. The Deep State is out of options and Trump is cutting their lifelines.

- **Fri. 10 Oct. 2025 The State of Israel and their government is bad**, and they've been trying to hijack America for very long time. The Israel government has operatives all over the US pretending to be Patriots and good guys. They all pretend like they know who Q is, and also bash Q, while DJT continues to support it openly but also speaks in opposites to these goons, by design. The Q drops opened up hundreds of millions of eyes all across the world and put things into perspective, albeit in a cryptic way so these retards didn't quite know all the moves. ...DOQ

- **Fri. 10 Oct. 2025** The Deep State financial machine perfected the art of legalized theft, using interest rates, inflation, and fabricated recessions to rob the middle class while disguising it as “policy.” The real laundering hubs: privately owned tax offices – the Deep State’s money laundering machines. Federal funds are pushed through them under the labels of “aid,” “stimulus,” and “infrastructure,” then redirected into elite foundations, offshore accounts, and foreign investments. D. Global Currency Reset:

Judy Note: It is my personal opinion, and I could easily be wrong, that when we hear the EBS go off with the sound of Seven Trumpets, we can soon expect to receive several messages on our cell phones generated from the new Starlink Satellite System. One of those messages should contain information about how to gain a redemption center appointment. Those who don't have foreign currency to exchange will use their appointment to set themselves up for banking, med bed treatment and voting using personal cell phones linked up to the Starlink Satellite System, while we with currency and bonds will do the same, plus be able to do our exchange.

- **Everything is still in place and still going.** They are testing people in all 12 zones and have been doing this all this week, even today.
- **The plan is that some people will go through the process this weekend** but only preferred clients and people the bank wants to keep as clients.
- **The plan was for us (internet group, T4B) to go through before Tuesday**, before the rate goes on Forex.
- **Bank people have been notified** they are working this weekend.
- **All the people being exchanged** now do not have access to their money. As of Tuesday, everyone will have access to their money.
- **Volumes of people will be going tomorrow.** The \$5.96 rate was locked in, completely replacing the 1310. The \$28.50 and \$11.50 (I believe the \$11.50 is for the VND; VND on the Forex will be about \$2 and something) rates are still there.
- **Tony says the Plan was for the 2nd basket** to go before the end of this year but the longer it takes for our event to happen, the later that 2nd basket goes.
- **The banks are processing people** and putting their accounts as "pending." They "probably" won't have full access, as Tony was told Monday morning, until the 800 numbers are released.

G. Fri. 10 Oct. 2025: RED ECONOMIC ALERT — THE FED TRAP EXPOSED: TRUMP PREPARES \$2,000 TREASURY DOLLAR STIMULUS ...Trump Supporters on Telegram

- **The U.S. Debt Clock isn't a chart anymore.** It's a death siren. \$37 trillion in debt. Over \$290,000 owed per taxpayer. Every newborn \$100,000 in debt before their first breath. The system is collapsing under its own fake money. The Federal Reserve's time is up.
- **THE FED'S ILLUSION UNRAVELS** The Fed doesn't print money. It prints debt. Every dollar it issues is borrowed — with interest owed to private bankers. The result: a mathematical cage where America pays interest forever, never the principal. It's slavery disguised as finance.
- **OLD MONEY VS NEW MONEY** Old Money = Federal Reserve Notes — debt-backed, inflation-rigged, enriching the 1%. New Money = U.S. Treasury Dollars — asset-backed, issued by the people's government. One enslaves through interest. The other liberates through value.

- **TRUMP'S COUNTERSTRIKE** Insiders confirm: President Trump is preparing a direct stimulus of \$1,000–\$2,000 per taxpayer, not in Fed notes — but in Treasury Dollars. Funded by tariffs on foreign imports, especially China. This could mark the first debt-free currency circulation since JFK's Executive Order 11110.
- **Not welfare. A Declaration of Financial Independence. THE NEW MONEY DOCTRINE** Trump's Treasury plan ties money to real production — gold, oil, energy, steel, agriculture. Every new dollar backed by work, not interest. Real currency for real citizens. When money mirrors productivity, nations rise. When it mirrors debt, they fall.
- **THE FED'S ENDGAME** For 112 years, the Fed has ruled through inflation, taxation, and deception. A private syndicate controlling public destiny. But now, the mask slips. The U.S. is no longer borrowing money — it's borrowing time.
- **THE RESET BEGINS** Economists predict Treasury Dollars will launch 1:1 with the current USD, but unlike the Fed's fiat paper, they'll carry intrinsic value — backed by national assets, not empty promises. As circulation grows, Federal Reserve liquidity drains. The empire of debt starves.
- **THE HISTORICAL PARALLEL In 1963**, JFK tried to free America from central bank control. He was silenced. Now, six decades later, Trump revives the same mission — but this time, the people are awake.
- **THE FINAL FRONT** Old Money means control, inflation, and decay. New Money means sovereignty, strength, and rebirth.
- **October 2025** marks the turning point. The Fed prints debt. The Treasury prints freedom. And this time, the people are cashing in.

Restored Republic

H. Fri. 10 Oct. 2025 READ CAREFULLY. THE CLOCK IS TICKING. ...Julian Assange on Telegram

- **At 12:01 a.m. on Wed. Oct 1**, the Democrats triggered a government shutdown to block Trump's final move. Their goal: restart the flow of laundered taxpayer money into their own pockets — funds Trump had already cut off.
- **But the shutdown backfired.** It wasn't America that went dark — it was the private corporation US Inc. collapsing with its worthless fiat dollar. This opened the path for Trump's Declaration of Sovereignty under Common Law.
- **That same day, Trump and the BRICS Alliance** flipped the global switch — activating the Quantum Financial System. The QFS, fully gold-asset-backed, began processing secure SHI transactions for Tier 3 humanitarian programs, military veterans, and verified patriots.
- **Meanwhile, the Emergency Broadcast System** was fully wired and ready. Both networks were synchronized — prepared for instant global activation. The “shutdown” was no accident. It was a forced reset.
- **Behind the scenes**, Trump's Global Military Alliance executed coordinated operations to dismantle centuries-old power structures. Specialized aircraft swept major cities for unregistered CIA frequency networks tied to mass surveillance and mind control.

- **Their targets? The same elite Satanic networks** preparing for Halloween — the high ritual days of Oct. 30–31, known among them as “Satan’s Birthday.” Intelligence reports indicated organized covens planning mass child kidnappings and ritual sacrifices — offerings for “power and wealth.”
- **For decades, Halloween has masked an ancient system of child abduction and torture.** Victims are often “prepared” weeks prior through starvation, assault, and psychological breaking — part of ritual programming. Many are taken by mind-controlled teens under the guise of trick-or-treating.
- **In the U.S., 8 million children vanish every year** — 213 every hour. For every neighborhood of 250 homes, 14 are believed to participate in ritual abuse networks. The mainstream media remains silent, controlled by global financiers who suppress all coverage of missing children.
- **Do not dismiss this.** These people live around you — in government, law enforcement, and media. They hide behind wealth, influence, and secrecy.
- **Protect the innocent. Be vigilant. Pray fiercely.** The storm is no longer coming — it’s here.

I. Fri. 10 Oct. 2025 THE WAR ROOM IS ACTIVE — TRUMP’S OCTOBER 8 ROUND TABLE LAUNCHES THE COUNTERSTRIKE ...Ezra A. Cohen on Telegram

- **What is unfolding inside the White House right now isn’t a discussion** — it’s command and control. The October 8 Round Table is no public relations event; it’s a live operational briefing on the globalist war against America. President Trump sits at the center of the table, surrounded by his most trusted inner circle, directing what sources describe as Phase II of the national restoration plan: dismantling the Soros-financed domestic terror network, securing the Quantum Financial System, and taking direct military jurisdiction over compromised U.S. cities.
- **The documents circulating inside the room are not theories.** They are field evidence — financial trails, encrypted transfers, and human intelligence confirming that Antifa is not an organic protest movement but a coordinated foreign-funded insurgency. The money flows through European climate foundations, Balkan banks, and Luxembourg trusts — the same pipelines that financed NGO “relief” fronts now exposed as logistics channels for riots, assassinations, and sabotage. These findings are no longer classified rumors; they are printed, verified, and moving through DOJ command as RICO indictments are prepared in real time.
- **Trump’s team — Pam Bondi, Kristi Noem, Kash Patel, Todd Blanche, and Karoline Leavitt** — operate with precision. Independent journalists have been invited inside not as spectators but as witnesses. Andy Ngo, Savannah Hernandez, and Nick Sortor are documenting testimony that will soon be entered into the Domestic Terror Tribunal Project. The President is merging military and media strategy into one unified weapon — truth deployed as counterwarfare. The cameras broadcast patriotism; the files behind the cameras record treason.

- **Even as Trump’s peace negotiations expand across the Middle East**, his focus at home is surgical. Federal intelligence has confirmed that Antifa command nodes in Chicago, Portland, and Phoenix are receiving tactical guidance from foreign-trained operators. City officials ordered to “stand down” are now under federal review for obstruction. The Insurrection Act framework is active, ready to federalize National Guard units in compromised jurisdictions at a moment’s notice. The message is clear: local governments that shield foreign assets will face military oversight.
- **At the same time, the QFS transition continues to accelerate.** Trump’s Quantum Command — the NSA’s restored cyber division — has traced money laundering operations back to offshore “climate funds” feeding resistance networks. The same system now used to transfer digital chaos will soon be repurposed to deliver digital sovereignty. The encrypted gold-backed architecture is operational. Every verified citizen signature now syncs directly into protected Treasury nodes — the beginning of economic freedom from the cabal that financed this war in the first place.
- **Tonight, as America watches replays of the “Antifa Round Table,”** what they are truly seeing is the opening move of a coordinated counterstrike. The globalists’ channels are collapsing. The media no longer controls the lens. The military stands ready to enforce constitutional order under direct executive authority. For the first time since this silent war began, the battlefield is visible — and Trump holds the command seat.
- *This is not a briefing. This is a declaration.* The takedown has begun.

- **The Alliance of Indigenous Nations**, recognized by several international Bodies and Countries as a legitimate International/Nation-to-Nation governing Authority, has issued

a historic worldwide Verdict regarding the COVID-19 mRNA vaccine countermeasures, intended to take immediate international effect.

- **After a multi-year process of examination**, evaluation, arguments, and investigations, the Tribunal found and declared that, "...the 'COVID-19 nanoparticle injections' or 'mRNA nanoparticle injections' or 'COVID-19 injections' meet the criteria of biological weapons and weapons of mass destruction, according to the Biological Weapons Anti-Terrorism Act, of 1989 18 USC § 175; Weapons and Firearms § 790.166 Fla. Stat.(2023), Canada's Biological and Toxin Weapons Convention Implementation Act, 2004, and the International Biological Weapons Convention. This Order and Declaration is intended to have immediate worldwide effect"

M. Fri. 10 Oct. 2025 Med Beds – GESARA – The Green Button – the future of healing is here ...Ezra A. Cohen

- **They told us healing takes decades**, pain is permanent and age is inevitable. But behind locked doors, suppressed technologies were hidden – devices capable of reversing disease, regenerating DNA and erasing suffering entirely.
- **Now the silence is breaking.** The Med Beds are real – and their connection to GESARA is undeniable.
- **The Green Button is coming** – and when it's pressed, the World will never be the same.
- **These are not sci-fi dreams.** They are Quantum Healing Systems long buried by those who profited from sickness.
- **Controlled by the White Hat Military Alliances** and protected under GESARA Law, they are being prepared for Global deployment.
- **No private ownership.** No Elite shortcuts. Humanity heals together.
- **When activated**, triage comes first: terminal cases, cancer patients, genetic diseases.
- **No money required.** Every session is funded through GESARA.
- **Each person is scanned through Quantum Evaluation**, soul contract and karmic alignment – the bed itself decides the order.
- **Operators are Military Medical specialists** – trained in anatomy, energy mapping and trauma response.
- **This is not "push button and wait."** It is precision healing technology under strict supervision.
- **There is no sign up.** No waiting list. When the centers open, the World will know.

- **Homeless**, veterans, forgotten souls – all included.
- **Trump said it clearly:** “Within a year, almost all hospital procedures will be obsolete.” That was not a guess – it was a warning.
- **The Healing Age is near.** When the Green Button flashes – the old world collapses, and the new frequency begins.

N. Fri. 10 Oct. 2025 Med Beds: Why the Nervous System Holds the Code of Consciousness. Every thought, memory, and emotion flows through 45 miles of electric pathways — billions of signals per second. But these signals aren’t just impulses — they’re intelligence. When toxins, synthetic frequencies, and stress flood the system — communication collapses. Your cells don’t die — they go out of tune. The nervous system is a quantum network connecting every organ, cell, and heartbeat in perfect harmony. Once reactivated, it restores memory, emotion, and balance beyond anything modern medicine can measure.

O. Fri. 10 Oct. 2025 QFS News Desk exposing the Deep State’s greatest illusion. Trillions of taxpayer dollars have been laundered through private tax offices while Americans are told to tighten their belts and accept “economic cycles.” ...Nesara Gesara QFS on Telegram

- **The truth is simple.** The system was never built to serve you. It was built to drain you.
- **For decades, this invisible war has raged** — not with guns or bombs but with taxes, loans, and printed lies. Every crisis was a collection. Every “stimulus” a leash. The Deep State financial machine perfected the art of legalized theft, using interest rates, inflation, and fabricated recessions to rob the middle class while disguising it as “policy.”
- **Behind the curtain sit the real laundering hubs: privately owned tax offices.** They are not neutral. They are the Deep State’s washing machines. Federal funds are pushed through them under the labels of “aid,” “stimulus,” and “infrastructure,” then redirected into elite foundations, offshore accounts, and foreign investments. The money you thought built schools and hospitals was quietly moved into the hands of those who profit from your debt.
- **The so-called rescue packages of 2020 to 2022** were not about helping families. They were designed to inflate, enslave, and devalue. While you received crumbs, they printed trillions and handed them to defense contractors and bankers. You paid the price through rising rent, higher gas, and collapsing savings. They called it recovery. It was robbery.
- **Ever since 1971, when Nixon cut the dollar from gold,** money became nothing more than paper debt. Fake value printed from nothing, backed by nothing, creating an economy of ghosts. Every new dollar steals from your old ones. That’s how the Deep State survives — endless printing, endless debt, endless control.
- **But their cycle is ending.** The Quantum Financial System rises like a blade cutting through the old order. It is transparent, traceable, incorruptible. Every transaction recorded. Every fraud blocked. No middlemen, no hidden hands, no secret accounts. QFS resets the balance, giving the power back to the people. It cannot be bribed, hacked, or hijacked. It exposes everything they fear — accountability.

- **They know what's coming.** That's why they push their own digital trap: the Central Bank Digital Currency. It's their last weapon, a desperate attempt to mimic control before the real system takes over. Every time they call QFS "dangerous" or "unrealistic," it's not disbelief — it's panic. They fear the moment when their hidden accounts vanish under quantum light.
- **QFS isn't just technology. It's justice.** It says no more theft disguised as taxation. No more manipulation through inflation. No more secret printing behind closed doors. You become the bank. You hold your assets. You decide where your value flows. No interest chains. No black-box bailouts.
- **For the first time in history, the people stand equal to the system** that once owned them. The Deep State built their empire in darkness. QFS turns on the floodlights. They laundered your money. Now it returns to you. They built power through deceit. Now they face exposure through truth.
- **This is the financial storm they cannot stop.** The fake economy collapses. The real one begins. QFS isn't coming someday in the future. It is already alive, already watching, already recording. And the moment it goes public, their control ends forever.

- **For ninety years** the US Presidency was a prison. **Since 1935** a single Supreme Court ruling (Humphrey's Executor V. United States) silenced the Commander in Chief and gave unelected bureaucrats immunity from accountability.

- **Federal compliance** systems are being reset.
- **Security clearances** are being revoked.
- **Dormant Executive Orders** are being reinitialized.

Telegram Impersonations:

Dear Judy,

People are pretending to be Trump on Telegram. I know now it's not him, but he, or whoever is pretending to be him is backing the agent that has taken lots of my money and now wants \$35,000 for tax to complete, the cash out.

There is a person pretending to be Elon Musk that I thought was legit, promoting his Tesla platform and made a small investment, hahahaha and then comes the rest of the fees, they say you owe, which never ends. If you can please provide some advice to get the money back from them it sure would help.

Thank you again for all your help on this matter, should I say nightmare, at best, but most of all thanks for responding.

**Thanks
Shelia**

U. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands kauliadon@gmail.com

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

V. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. September 8, 2025 - Day #770

Dear Patriot Friends and Family,

Yesterday I got the most beautiful letter from my dear sweet wife Barbara. Inside were 4 additional letters/notes and a card from people we don't know sent to us, trying to encourage and inspire us in our travail with me in prison/jail now for over two years, 40 days and ticking. During that time, now and again, we've received mail from all over the country, often with perfect timing, just when our spirits were in need of a lift.

The biggest surprise was a FLASHBACK written by our dear friend Wendy five years ago. (Yes, the same sweet Wendy who emails you these messages for me.) Barbara wrote on it: "This was emailed to you by Wendy in 2020 and I somehow found the print out and saved it."

"There are people today all over the world who in their own courageous and sometimes quiet ways are working for freedom. In many cases we will never know until the next life all they sacrificed for liberty. These patriots are receiving heaven's applause for the role they are playing and in the long run that applause will be louder and longer than any they could receive in this world.

"Which leads me to the second blind spot of those who hesitate to get into the fight. And that is their failure to realize that we will win in the long run, and for keeps, and that they pass up great blessings by not getting into the battle now when the odds are against us and the rewards are greatest.

"The only questions before the final victory are, first, 'What stand will each of us take in the struggle?' and second, 'How much tragedy can be avoided by doing something now?'

"Time is on the side of truth -- and truth is eternal. Those who are fighting against freedom may feel confident now, but they are shortsighted.

"This is still God's world. The forces of evil, working through some mortals, have made a mess of a good part of it. But it is still God's world. In due time, when each of us has had a chance to prove ourselves including whether or not we are going to stand up for freedom -- God will interject himself, and the final and eternal victory shall be for free agency. And then shall those complacent people on the sidelines, and those who took the wrong but temporarily popular course, lament their decisions. To the patriots I say this: Take that long eternal look. **STAND** up for freedom, no matter the cost. Stand up and be counted. It can help to save your soul -- and maybe your country." (Ezra Taft Benson - "An Enemy Hath Done This" - pg 62)

Thanks for this beautiful quote Wendy. She is a patriot if there ever was one. Always faithful, believing and ever-willing to help **STAND** in the cause of Liberty. She stayed with us in our home sleeping on our front room couch for about four months -- to "protect" us, after we went back to our home. Amazing.

"Put on the whole armor of God that ye may be able to **STAND** against the wiles of the devil." (Ephesians 6:10-18)

Each of us is in this battle for freedom. We stand with all who stand.

Barbara & I are trying to be strong in our STAND. But, no question about it -- we're in hell, on "assignment", behind enemy lines, and it ain't very fun. But we do feel the powerful prayers on my family's behalf said by you and others. Please know that your prayers do help lift us. And we feel the need to tell you again how grateful we are! Thank you.

We're all in this battle for freedom together. Thanks for what you do to STAND!

May God Bless All Patriots & Patriot Wanna-Bees,

Ken (& Barbara) Cromar

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
