*“Ask not what your country can do for you, ask what you can do for your country.”*

...President John F. Kennedy

**Judy Note: Right now, this very moment, the World was undergoing** the largest transfer of wealth in history, and because of a compromised Mainstream Media, no one knew it.

**A few days ago old Globalist financial grids went offline** and an invisible transfer of wealth began. Quantum satellites of the new Starlink Satellite System aligned above every continent, linking biometric identities to encrypted gold accounts inside a new Quantum Financial System mainframe. The system now knew every asset, every debt, every hidden transaction ever made.

**For years President Trump has warned that the fiat dollar** was an instrument of Globalist control. Trump has spent years uniting nations so they could prepare and execute a plan to reinstate gold/asset-backed currencies and thereby rescue sovereignty to nations of the Globe, including America.

**That Plan necessitated destroying the Satan worshipping Central Banking Cartel;** ending the Illuminati's IMF, BIS and World Economic Forum's counterfeit financing; resurrecting sound money so as to rebuild economies around the World – economies that were founded in concepts of the original Constitution – nations functioning under God.

**For more than fifty years,** the United States printed limitless fiat currency, exporting inflation to the world while sustaining its empire through oil-backed deals and debt. Since the 1970s, the U.S. dollar has been propped up by global oil trade. Nations were forced to use it, keeping demand artificially high.

**By 2008 the Globalist Illuminati was so broke they couldn't even pay interest** on the gold they borrowed from the Chinese Elders (who lived in the Philippines, not China and owned 80% of the World's gold) to set up the US economy in **1918**. The Globalists had foolishly spent all their money, they had functioned on a fiat dollar since the days of Nixon and their contract with the Chinese Elders had come to an end.

**The nations of the world had enough.** The fiat US Dollar used as a basis for international trade, was ruining the World economy. **Over one hundred nations would quietly align** in a synchronized plan to abandon the U.S. dollar, end the petrodollar system, and detonate the core of Western financial dominance.

**Since then through years of diplomacy and financial alliances** the nations of BRICS, OPEC+, ASEAN, African and South American blocs signed on to abandon the fiat US Dollar. Each signatory nation agreed to cease major trade in U.S. dollars simultaneously, redirecting settlements into gold, sovereign currencies, or digital assets.

**This would erase the dollar's role** as the world's reserve currency. When the petrodollar fell, so would the Globalist Cabal.

**In order to liberate America and the World** from grasps of the Satan Worshipping Illuminati, long ago the Powers That Be decided that Trump would declare emergency economic powers through a Global Currency Reset return to asset-backed currencies.

**In preparation, on May 16, 2025,** Trump signed GESARA into law, marking the beginning of the greatest financial and political shift in modern history. **By Oct. 1 2025** Trump had already activated the GESARA/NESARA Law that gave him power to do such through a Global Currency Reset. Trump's activation of the Emergency Broadcast System and Med Bed rollout was imminent.

**Whistleblowers confirmed that multiple Globalist central banks had already been absorbed into the Quantum Treasury Network.** The Federal Reserve database, the BIS control hubs, and the IMF vaults were no longer under Globalist command. The codes were seized. The reset was now self-executing.

**A lot had already been accomplished** without help of the Mainstream Media informing the general public. With the US under Military Occupation in a Continuity of Government Operation, the Deep State was already facing defeat with Trump's Global Military Alliance's arrest of close to eight million on the CIA database, (according to Mr. Pool on Telegram).

**Many had already undergone trials**, tribunals and even executions at GITMO and like facilities around the Globe.

**The Oct. 1 2025 closure of the privately owned corporation US Inc.** and the Democrat's continuing refusal to reopen the US government had actually played into Trump's hand. Congress couldn't approve a budget because there was no real money in the Federal Reserve to fund it, and the Illuminati Satan worshipping Fed had been refused the right to print more of their fiat dollars.

**Tues. 14 Oct. 2025:** Space Force confirmed that overnight they activated Project Odin - a network grid of Satellites that covered all continents designed to replace the entire internet infrastructure owned by Globalist private corporations.

**By Fri. 17 Oct. 2025 the Federal Reserve** had to come up with \$38 Trillion they owed The People in national debt, or they would be integrated into the new US Treasury.

**Things were getting desperate for the Cabal.** Now 17 days into October and with no money to pay government salaries, Federal courts had to suspend civil cases and freeze Administrative reviews with only criminal prosecutions and deportation trials on the docket.

**In retaliation on Sat. 18 Oct. the Dems had planned a big "No King"** protest against Trump. Over a million were expected in Washington DC. This was believed to be the reason why the Dems had refused to pass a budget and kept the government closed so people would show up to the protest. What they didn't plan for was that if there was any violence Trump's Military Alliance would take over.

**On Thurs. 16 Oct. 2025 a high up banker** stated he believed the Stock Market was on the verge of falling, making banks fail and bank runs inevitable. It could happen by this weekend, and he believed that such would cause Trump to order sending out notification for Tier4b (Us, the Internet Group) to set exchange and Zim appointments in order to save the economy.

**Though, Trump, as usual, was several steps ahead.** According to sources inside two U.S. Treasury branches, the exchange/redemption schedule was already being populated with approved Tier 4B participants. Redemption Centers in three states – Florida, Ohio and Texas have already begun processing live appointments under full GESARA protocol.

**All Global Alliance military forces worldwide** were prepared to suspend all media, internet, phone, and TV services. Emergency services would stay active. When the switch was turned on there would be a worldwide ten day communication blackout. Nonstop, 24/7, 8-hour documentaries exposing the darkest secrets of the elite—fraud, corruption, pedophilia, and their arrests—will play three times a day.

**After the 10 days of darkness**, we will reconnect to a new quantum internet. The old systems of government, education, finance, health, and commerce will be replaced.

**Pray for Kaitlynn Hunter** – a 17 year old raped, beaten, starved foster care teen who was handcuffed by a SWAT Team and incarcerated in Ohio Juvenile Detention by Ohio Child Protective Services. There appeared to be no valid reason for Kaitlynn to have served close to seven years of brutalized foster care in the first place, other than to be CIA traumatized and Mind Controlled into a international Sex Trafficking Ring. Apparently her present situation was to keep her from testifying against her and other Ohio Foster Care children and teen’s abusers in the CIA run Ohio Foster Care Mind Control Program.

**Pray for all Foster Children. Pray for Trump’s Global Military Alliance** who were right now, rescuing children and teens from the International Child Sex, Organ and Adrenochrome Harvesting Trafficking Ring run by the Vatican, supported by the CIA, funded by US Taxpayer dollars and money laundered through members of our blackmailed US Congress.

#### **C. Global Currency Reset:**

**Judy Note:** It is my personal opinion, and I could easily be wrong, that when we hear the EBS go off with the sound of Seven Trumpets, we can soon expect to receive several messages on our cell phones generated from the new Starlink Satellite System. One of those messages should contain information about how to gain a redemption center appointment. Those who don't have foreign currency to exchange will use their appointment to set themselves up for banking, med bed treatment and voting using personal cell phones linked up to the Starlink Satellite System, while we with currency and bonds will do the same, plus be able to do our exchange.

### **Global Financial System:**

**E. Thurs. 16 Oct. 2025 THE AWAKENING PROTOCOL HAS BEGUN ...**The Great Reset on Telegram

- **For years they called it conspiracy.** Now it stands at the center of every government file being declassified under Quantum Command. The blackout was not punishment. It was purification.
- **The moment the old grids went offline,** an invisible transfer began. Quantum satellites aligned above every continent, linking biometric identities to encrypted gold accounts inside the QFS mainframe. The system now knows every asset, every debt, every hidden transaction ever made. Nothing escaped.
- **Whistleblowers are confirming that multiple central banks have already been absorbed into the Quantum Treasury Network.** The Federal Reserve database, the BIS control hubs, and the IMF vaults are no longer under human command. The codes were seized. The reset is now self-executing.
- **Behind closed doors, classified briefings call this phase THE GREAT AWAKENING.** Hidden technologies from Tesla archives are being integrated into civilian systems. Energy, communication, medicine, finance, all preparing for a synchronized global relaunch.

**F. Thurs. 16 Oct. 2025: GCR INTEL DOSSIER | FINANCIAL SHOCKWAVE REPORT: OPERATION SANDMAN IGNITED – 100+ NATIONS COORDINATE TO COLLAPSE THE DOLLAR AND TRIGGER THE GLOBAL CURRENCY RESET ...**The Great Reset on Telegram

- **Operation Sandman** is no longer theory. It's real. Over one hundred nations have quietly aligned in a synchronized plan to abandon the U.S. dollar, end the petrodollar system, and detonate the core of Western financial dominance. This isn't speculation or market correction. It's an orchestrated strike, a global economic war that requires no missiles, no armies, only silence and timing.
- **For more than fifty years,** the United States printed limitless fiat currency, exporting inflation to the world while sustaining its empire through oil-backed deals and debt. Every barrel of oil traded in dollars upheld the illusion of strength. That illusion is ending.
- **THE COORDINATED STRIKE** Through years of covert diplomacy, financial alliances, and quiet retaliation, the nations of BRICS, OPEC+, ASEAN, and awakening African and South American blocs have signed on to detonate the foundation of the dollar's supremacy. The method is simple and devastating: abandon it.
- **Each signatory nation** has agreed to cease major trade in U.S. dollars simultaneously, redirecting settlements into gold, sovereign currencies, or digital assets beyond Washington's reach. This will erase the dollar's role as the world's reserve currency, the

final pillar of the American financial empire. When the petrodollar falls, the game ends. “Not a single bullet needs to be fired. Walk away from the dollar, and the empire burns on its own.”

- **THE PETRODOLLAR COLLAPSE** Since the 1970s, the U.S. dollar has been propped up by global oil trade. Nations were forced to use it, keeping demand artificially high. Operation Sandman targets that exact point of control. Once oil producers stop demanding dollars for energy, the world’s demand for USD evaporates overnight and with it, the entire illusion of value.

#### **Within hours of activation:**

- Treasury markets freeze
- Bonds lose buyers and collapse in price
- Central banks dump dollar reserves
- The Federal Reserve loses monetary control
- **This is not a correction. It’s annihilation** - a silent, coordinated, unstoppable economic nuke.
- **THE FALL OF FIAT** When Sandman detonates, decades of false prosperity disappear in days. Retirement funds will evaporate, the stock market will implode, and real estate bubbles will burst. The entire system of leveraged illusion collapses into zero. It’s not a crash, it’s liquidation.
- **For decades, Washington printed prosperity from nothing**, enslaving the world in invisible chains of debt. Those chains are breaking. The nations that once held up America’s financial hegemony are now walking away, one after another.
- **TRUMP’S COUNTERMOVE** President Donald J. Trump has warned for years that the dollar was a dying instrument of globalist control. Now, as Operation Sandman advances, he is preparing America’s countermeasure, a national rescue operation to restore sovereignty through real value.

#### **Plans are already in motion to:**

- **Reinstate a gold-backed** U.S. currency
- **Launch a sovereign**, blockchain-based digital dollar
- **Cut ties with the IMF, BIS,** and World Economic Forum
- **Declare emergency economic powers** to stabilize the nation

- **This isn't about inflation anymore, it's about survival.** Trump's mission is to destroy the central banking cartel, resurrect sound money, and rebuild the economy on constitutional foundations.
- **THE FINAL PHASE** The mainstream press will deny it. The Fed will scramble. But the fuse is lit. Sandman's activation marks the beginning of the Global Currency Reset, a return to asset-backed value and the end of counterfeit finance.
- **History will remember this not as an economic event, but as a liberation.** The fall of the dollar will not come with explosions, but with silence, as the world simply stops believing in the lie.
- **America's fiat empire is ending.** The reset has begun. Brace for impact and stand with the only leader prepared to rebuild from the ashes.

## Restored Republic

**G. Presently the US was under Military Occupation in a Continuity of Government Operation. - **Throughout April hundreds of Cabal Banks were expected to fail. With Memorial Day Weekend – May 23-26, 2025** – fast approaching as the target for a Global financial crash, prior to that the Emergency Broadcast System (EBS) was set to activate across the Globe so it could trigger a Global Currency Reset and open the door for a long-awaited NESARA Freedom from Debt Announcement in behalf of The People.
- **As the GCR activates and in a global lockdown,** the EBS will ask everyone to stay indoors during a designated five-hour window each day for ten to twelve days. All media outlets will air documentaries revealing the full truth behind the events of recent years—military operations, covert arrests, seized assets and systemic corruption.
- **Pope Francis' & President Obama's Child Sex Trafficking Ring** that operates out of the Vatican & White House, will be further exposed. Right now millions of children were being rescued from Cabal Tunnels by the Global Military Alliance under direction of President Trump. Though, children were still being tortured and killed by Satanic Covens operating in secret – even next door.
- **Many Global and Political Elites** have already been tried, convicted and executed in Military Tribunals and other court proceedings – including Queen Elizabeth, Pope Ratzinger, Pope Francis and former Canadian Prime Minister Stephen Harper.
- **Q claimed that all was well:** “The best is yet to come worldwide – beginning May, 2025. Trust the Plan. Wait for information. You will understand it all. Prayer is effective. The New Republic shall stand. God Bless America.”

**K. Thurs. 16 Oct. 2025 BREAKING INTEL – THE OMEGA FILE EXPOSED ...FBI Director Kash Patel on Telegram**

- **Leaked intelligence now confirms the existence of Omega File**—a covert global surveillance pact linking U.S. intelligence, foreign spy agencies, and Big Tech in a decade-long operation that secretly targeted American citizens, GOP lawmakers, and Trump allies.
- **Sources inside the Trump administration confirm President Trump has ordered an emergency audit** of all intelligence agencies, citing massive breaches of national sovereignty carried out under previous regimes. The leak came from within the Office of the Director of National Intelligence, exposing a 2011 agreement between the NSA, GCHQ, Israel’s Unit 8200, and Germany’s BND—with silent backing from China’s MSS.
- **The mission: build a behavioral prediction system to track, shape, and ultimately control political thought** and social movements across Western nations. What began as counterterrorism tech was weaponized by 2015 to hunt “anti-globalist sentiment,” populist voices, and Trump supporters.
- **Omega harvests data from social media**, banks, telecoms, and health apps, feeding it into AI systems designed to rank “behavioral risk.” Silicon Valley contractors built the backbone—under defense contracts—to score citizens like China’s social credit system. Biden’s administration knew and allegedly directed its use against political enemies.
- **Trump’s response is Operation IRON CLEANSING**—a total purge of the surveillance state. In private briefings, he declared: “Americans were treated as lab rats in a global control experiment. That era ends now.”

- **Kash Patel now leads a special task force** investigating Omega’s ties to the World Economic Forum, Atlantic Council, Open Society Foundations, and BlackRock—entities accused of funding and shielding it under ESG and “resilience” programs.
- **Tech giants were the silent enforcers.** Meta flagged private chats. X handed metadata to “integrity” teams. Apple’s Health app tracked stress and heart rates to measure “emotional volatility.” A whistleblower confirmed: “They didn’t just monitor what you said. They measured how you felt when you said it.”

**O. Native Hawaiian DEW Victims of Maui Hawaii**

**On Wed. 29 Jan. 2025 an Open Letter** was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

**There was 170,000 metric tons of Gold** sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

**The request was accompanied** by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

**P. Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. **September 8, 2025 - Day #770**

**Dear Patriot Friends and Family,**

**Yesterday I got the most beautiful letter from my dear sweet wife Barbara.** Inside were 4 additional letters/notes and a card from people we don't know sent to us, trying to encourage and inspire us in our travail with me in prison/jail now for over two years, 40 days and ticking. During that time, now and again, we've received mail from all over the country, often with perfect timing, just when our spirits were in need of a lift.

**The biggest surprise was a FLASHBACK** written by our dear friend Wendy five years ago. (Yes, the same sweet Wendy who emails you these messages for me.) Barbara wrote on it: "This was emailed to you by Wendy in 2020 and I somehow found the print out and saved it."

**"There are people today all over the world who in their own courageous and sometimes quiet ways are working for freedom.** In many cases we will never know until the next life all they sacrificed for liberty. These patriots are receiving heaven's applause for the role they are playing and in the long run that applause will be louder and longer than any they could receive in this world.

**"Which leads me to the second blind spot of those who hesitate to get into the fight.** And that is their failure to realize that we will win in the long run, and for keeps, and that they pass up great blessings by not getting into the battle now when the odds are against us and the rewards are greatest.

**"The only questions before the final victory are,** first, 'What stand will each of us take in the struggle?' and second, 'How much tragedy can be avoided by doing something now?'

**"Time is on the side of truth** -- and truth is eternal. Those who are fighting against freedom may feel confident now, but they are shortsighted.

**"This is still God's world.** The forces of evil, working through some mortals, have made a mess of a good part of it. But it is still God's world. In due time, when each of us has had a chance to prove ourselves including whether or not we are going to stand up for freedom -- God will interject himself, and the final and eternal victory shall be for free agency. And then shall those complacent people on the sidelines, and those who took the wrong but temporarily popular course, lament their decisions. To the patriots I say this: Take that long eternal look. **STAND** up for freedom, no matter the cost. Stand up and be counted. It can help to save your soul -- and maybe your country." (Ezra Taft Benson - "An Enemy Hath Done This" - pg 62)

**Thanks for this beautiful quote Wendy.** She is a patriot if there ever was one. Always faithful, believing and ever-willing to help **STAND** in the cause of Liberty. She stayed with us in our home sleeping on our front room couch for about four months -- to "protect" us, after we went back to our home. Amazing.

**"Put on the whole armor of God** that ye may be able to **STAND** against the wiles of the devil." (Ephesians 6:10-18)

**Each of us is in this battle for freedom.** We stand with all who stand.

**Barbara & I are trying to be strong in our STAND.** But, no question about it -- we're in hell, on "assignment", behind enemy lines, and it ain't very fun. But we do feel the powerful prayers on my family's behalf

said by you and others. Please know that your prayers do help lift us. And we feel the need to tell you again how grateful we are! Thank you.

**We're all in this battle for freedom together.** Thanks for what you do to STAND!

**May God Bless All Patriots & Patriot Wanna-Bees,**

**Ken (& Barbara) Cromar**

***Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society.***  
<http://www.youtube.com/watch?v=F626Lsrdwg4>

***“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.***

***When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.***

***Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.***

***“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.***

***It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.***

***The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.***
