"Freedom is never granted; it is won."

...Philip Randolph

Judy Note: As the clock struck midnight on **Tues. 30 Sept. 2025**, the United States government officially shut down. That day under Trump's command, the Office of Management and Budget directed federal agencies to begin carrying out their shutdown plans.

When a signal switches all cell phones to the Emergency Broadcast System, the public will understand why this “shutdown” was necessary. For now, federal agencies were halting operations, federal workers face furloughs, and mass layoff plans drafted.

For Trump and supporters the government shutdown was actually a smokescreen for a silent purge of the Cabal and the beginning of the end for their grip on power. It was a strategic Military Operation unfolding under the cover of a shutdown.

The next morning at 1 am on Wed. 1 Oct. the Restored Republic of the United States of America officially came into effect.

Without a clue as to Trump's installation of the Restored Republic, by that Wed. 1 Oct. afternoon in the last Congressional vote of day, Democrats officially voted to shut down the government.

Senator John Kennedy said, “I’m ready for the government to shut down permanently. My Democratic colleagues have made a very, very bad decision here. After you shut down the government you have to make a decision on how you are going to open it up again and the Democrats know Republicans will never agree to their unreasonable demands. They want the left wing communists here to be on their side and those people want a communist government to be in place.”

Trump had another plan for America. Red October was underway — a synchronized operation to reclaim the capital, secure justice, and dismantle entrenched corruption.

Trump's federalized National Guard had recently encircled Washington DC, as had fencing. There were 600 military judges and numerous JAG personnel sent into Washington DC to be ready for the government shutdown.

Behind sealed doors special teams were removing files, hard drives and evidence of massive corruption by members of the Deep State. A recent Trump memorandum had directed agencies to dismantle violent left-wing networks and freeze their money supply. Supply chains, financiers, and platforms were targeted. The Cabal's funding artery was being severed.

With the Cabal's bankruptcy of the fiat US Federal Reserve Dollar finalized back in 2008, Trump had made sure that the new gold/asset-backed Quantum Financial System was already live in parallel mode, testing real time payments and gold-backed credit.

Over 91% of SWIFT corridors had been mirrored under QFS surveillance. Illegal assets worth \$112 trillion had been seized, including ECB gold reserves tied to trafficking networks, crypto laundering hubs, and ESG shell firms running bio-agent pipelines. Central banks were being algorithmically drained. Military teams were physically inside former IMF and BIS command rooms.

The old tax apparatus of the Federal Reserve and IRS was being dismantled while a new transparent flat system of a 14% tax on new items only was installed.

GITMO was at full capacity and ready to process traitors. There had been tribunal prep, bio-warfare interdiction, and psychological ops running at full scale. Media silence was intentional.

A **"Declaration of Authority and Summons"** had been signed by Donald Trump. It was the official declaration of America's break away from British Admiralty Law and a return to Common Law Sovereignty under Codex law, Article II, UCMJ – a non-optional command for every flag officer, no excuse, no diversion, bound by oath to obey.

<https://x.com/Halcyoncodex/status/1973132662660378697?t=ys6zb0qCadEot6CKHQksog&s=09>

In other words, America had silently switched from being under rule of the British Empire in Admiralty Law, to being a Sovereign Nation under Common Law and was back to the concepts of the original Constitution.

Meanwhile Trump's ally Vladimir Putin had done what no Western leader dared to even whisper: he named the real power behind the curtain. Not just bankers. Not just billionaires. But the Satanic Zionist machine that puppeteered Washington, London, Brussels and beyond — the force that demanded Satanic blood rituals (child sacrifice), controlled media, orchestrated wars, and fed off chaos.

"These are bloodthirsty parasites, and they must be destroyed before they destroy civilization," said an unofficial Kremlin source.

When the West was cheering oligarchs and selling out its soul, Putin was cleaning house. In 2003 Rothschild operatives were expelled from Russia. The Central Bank was brought under Russian control. Russian media was purged of globalist influence. NGOs tied to Soros, Gates and Western intelligence were banned. While Western leaders bowed to lobbyists, banks and “philanthropic” overlords, Putin reclaimed his country and triggered alarms in every globalist war room.

Washington DC was no longer run by Americans. It was owned by Zionist lobbyists, fueled by Satanic ideology masquerading as “progress,” enslaved to foreign interests who profited from war, censorship and population control.

Putin knew this. He’s watched for decades as the same actors orchestrated 9/11, lied about Iraq, backed coups, assassinations and revolutions, and built a surveillance state.

Long ago Putin and Trump had made a pact: to take down the Satanic international Child Sex Trafficking network funded by the CIA, organized by the Vatican and run by the UK Crown that blackmailed politicians into doing their God Satan’s bidding.

Judy Note: Help Bring Kaitlynn Hunter home, along with other Children and Teens Caught in the CIA Mind Control international Sex Trafficking Network:
<https://www.givesendgo.com/GDX1Z>

Pray for Kaitlynn Hunter – a 17 year old raped, beaten, starved foster care teen who was handcuffed by a SWAT Team and incarcerated in Ohio Juvenile Detention by Ohio Child Protective Services. There appeared to be no valid reason for Kaitlynn to have served close to seven years of brutalized foster care in the first place, other than to be CIA traumatized and Mind Controlled into a international Sex Trafficking Ring. Apparently her present situation was to keep her from testifying against her and other Ohio Foster Care children and teen’s abusers in the CIA run Ohio Foster Care Mind Control Program.

Pray for all Foster Children. Pray for Trump’s Global Military Alliance who were right now, rescuing children and teens from the International Child Sex, Organ and Adrenochrome Harvesting Trafficking Ring run by the Vatican, supported by the CIA, funded by US Taxpayer dollars and money laundered through members of our blackmailed US Congress.

Call your Congress people. Demand answers. Demand solutions. Help Trump and team bring Kaitlynn and all Sex Trafficked Children and Teens home and out of harms way.

Call the US Capitol Switch Board in Washington DC to hook up with and complain to your state representative. Demand that they help take down the international Child Sex Trafficking Ring: 202-224-3121

A.ATTENTION: GREEN LIGHT – ON EBS – ACTIVATED POWER = ON WE HAVE POWER NOW – PATRIOT COMEBACK COMING STRONG STAY VIGILANT. “We Have To Pay Attention Now To Donald Trump” ...The 17th Letter (JFK Jr.) on Telegram

Prepare for global silence. In the coming hours, everything will shift. ...The 17th Letter (JFK Jr.) on Telegram (7:36 pm MST on Tues. 30 Sept. 2025)

- **Power will vanish. Signals will die.** The world will pause - but behind that stillness, operations are unfolding at a level never before seen in human history. This is not chaos. It is precision. The silence is the signal.
- **As the blackout begins, encrypted messages** will be transmitted through the only remaining secure frequency. You will know it when you hear it. Do not question. Do not fear. What appears as darkness is actually the veil being lifted.
- **Key figures have already been detained.** Unknown to the public, military tribunals have been running in silence beneath the surface. Confessions have been made. Documents have been secured. Every lie is archived. Every name is cataloged. Every crime is documented.
- **This is not a drill.** This is the moment the world resets.
- **Trust in the operations.** Trust the silence. And most of all - trust what comes after the darkness.
- **The world you knew was never real.** What comes next... is.

Possible Timing:

B. At exactly 02:00 UTC on Wed. 1 Oct. 2025 the EBS started, but it's not what you think. ...QFS on Telegram

- **They told you the Emergency Broadcast System** would start with sirens. But what they didn't tell you...is that it already started. And you didn't even notice.
- **There was no sound.** No alert. Only silence — precision silence. Banks “glitched.” Satellites “malfunctioned.” Apps crashed. Accounts locked. They told you it was a coincidence. But behind the screen, the truth was moving.
- **At exactly 02:00 UTC,** the Quantum Financial System intercepted the old banking protocols. Starlink nodes pulsed green. Space Force confirmed full handshake. And a new reality began — quietly, without permission.
- **The EBS is not a message.** It's a takeover. And the QFS is the weapon.
- **Every failed transaction.** Every closed bank. Every missing wire. These aren't errors. They're executions of an old world order.
- **You're not waiting for GESARA.** You're already inside it.

- **The Deep State is evacuating.** Global NGOs are going dark. 7,000+ sealed indictments triggered in silence. GITMO is active. IMF and WEF officials are testifying under oath — and vanishing from databases.
- **The media will never report this.** Because they're already under the same system you are.
- **You want proof?** Look at your apps. Your wallet. Your screen.
- **This is not a test.** It's a transition. And those who can't feel it... weren't meant to.
- **"You won't know when the broadcast begins** because it already did. You're not the audience. You're the subject.

F. Global Currency Reset:

Judy Note: It is my personal opinion, and I could easily be wrong, that when we hear the EBS go off with the sound of Seven Trumpets, we can soon expect to receive several messages on our cell phones generated from the new Starlink Satellite System. One of those messages should contain information about how to gain a redemption center appointment. Those who don't have foreign currency to exchange will use their appointment to set themselves up for banking, med bed treatment and voting using personal cell phones linked up to the Starlink Satellite System, while we with currency and bonds will do the same, plus be able to do our exchange.

- **Wed. 1 Oct. 2025 FORBIDDEN FREQUENCIES – 1952.** In 1952, scientists at Stanford University conducted a series of experiments using specific frequencies that triggered rapid cell regeneration, nervous system calm, and instant pain relief in terminally ill patients. Their data showed that the body responds to specific Hz ranges — activating a “healing mode.” But the discovery was locked away. Grants disappeared. Medical journals refused to publish the findings. History didn't deny it — it just erased it. What does this mean today? If it doesn't bring profit — it gets banned. MedBed isn't magic — it's a return to frequencies that heal. Wars and Rumors of Wars

R. Wed. 1 Oct. 2025 BREAKING! Putin Declares War on Israel's Satanic Control Over Washington — "The Globalist Beast Must Be Destroyed" ...Julian Assange on Telegram

- **Putin just shattered the last taboo**, calling out Israel's bloodthirsty, satanic grip on Western power. He crushed the Rothschilds in Russia, and now he's coming for the Deep State strongholds in DC and beyond.
- **THE UNTHINKABLE BECOMES REAL — PUTIN NAMES THE ENEMY**
Vladimir Putin has done what no Western leader dares to even whisper: he has named the real power behind the curtain. Not just bankers. Not just billionaires. But the satanic Zionist machine that puppeteers Washington, London, Brussels and beyond — the force

that demands blood, controls media, orchestrates wars, and feeds off chaos. “These are bloodthirsty parasites, and they must be destroyed before they destroy civilization,” said an unofficial Kremlin source. Putin has pulled the trigger on the final war — not just tanks and missiles, but truth vs deception, light vs darkness.

- **A HISTORY OF REBELLION — HOW PUTIN KICKED OUT THE ROTHSCHILDS** When the West was cheering oligarchs and selling out its soul, Putin was cleaning house. In 2003 Rothschild operatives were expelled from Russia. The Central Bank was brought under Russian control. Russian media was purged of globalist influence. NGOs tied to Soros, Gates and Western intelligence were banned. While Western leaders bowed to lobbyists, banks and “philanthropic” overlords, Putin reclaimed his country and triggered alarms in every globalist war room.
- **THE ZIONIST MACHINE IN DC — WHY PUTIN CALLED OUT ISRAEL** Washington is no longer run by Americans. It is owned by Zionist lobbyists, fueled by satanic ideology masquerading as “progress,” enslaved to foreign interests who profit from war, censorship and population control. Putin knows this. He’s watched for decades as the same actors orchestrated 9/11, lied about Iraq, backed coups, assassinations and revolutions, and built a surveillance state for you while remaining untouchable. This isn’t anti-Semitism. This is anti-tyranny.
- **SATANISM AS FOREIGN POLICY — THE REAL FACE OF THE GLOBALIST ORDER** It’s no longer metaphor. It’s ritual. Trans kids on drag stages. Mass surveillance “for your safety.” Abortions celebrated like sporting events. War glorified, peace criminalized. Faith mocked, degeneracy rewarded. This is satanism — cultural, political, economic. Putin has called it what it is: a death cult wrapped in Western flags and Israeli funding.
- **THE FINAL STAND — PUTIN VS THE GLOBALIST BEAST** Putin knows the risk. He knows what happened to leaders who opposed the system — Gaddafi, Hussein, JFK, Chavez. But he’s making a last stand, one that redefines modern resistance. “If civilization must survive, the Beast must fall.”
- **THE WAR IS SPIRITUAL, AND PUTIN JUST FIRED THE FIRST SHOT** This isn’t geopolitics anymore. This is prophecy unfolding. Putin isn’t fighting Ukraine. He’s aiming straight at the satanic core of the globalist empire — and if he succeeds, the entire order collapses. This is the news they’ll never report. This is the truth the Deep State fears most. And this is just the beginning.

S. Wed. 1 Oct. Matt Walsh says we must not allow Muslims to take over America ...Mr. Pool on Telegram

- **“We are allowed to take control of our own country.** We’re allowed to say, no, you’re not going to Islamize our cities. No, you’re not going to do that. This is America”
- **“Dearborn has essentially become an Arab state.** It’s a Middle Eastern Islamic capital right in the middle of the American heartland, and for some reason, we’ve allowed that to

happen. We don't have to allow it. We don't have to allow that actually. We are allowed to not allow that, but we did.”

- **“The people of the city find themselves woken up at 5 a.m. by the Muslim call to prayer.** — Hearing that sound over a loud speaker coming from a mosque is not normal. It's not traditional. It's not American. It's just not.”

T. Wed. 1 Oct. 2025 BOOM! Trump Federalizes 200 Oregon National Guard Troops to Expose Deep State Operations Behind ICE Attacks and Antifa-Controlled Portland!

- **Portland has become the last stronghold of a collapsing regime.** For months the ICE facility has been under direct assault by Antifa cells backed by silent approval of state and city authorities. These weren't random protests—they were battlefield operations. Until now the federal government was blocked from intervening. That ended this week.
- **President Trump ordered Secretary of War Pete Hegseth to federalize 200 Oregon National Guard troops.** The order places them under Northern Command for a 60-day deployment securing ICE personnel and federal property. This is not politics. This is national security.
- **Oregon's Democrat attorney general immediately sued to block it,** knowing exposure is imminent. For years state leaders covered deep networks—foreign NGO pipelines, intel relays, biometric surveillance grids—installed under “public safety” and “smart city” programs. Antifa's street chaos was a distraction. The ICE facility was targeted because it intercepted trafficking, cartel, and cross-border crimes. Antifa surrounded it to shield the real ops inside Portland.
- **Weapons in agitators' hands were no homemade tools**—they were military-grade lasers, encrypted comms, jamming tech, drone systems. All trace back to foreign sponsorship routed through nonprofits protected by city officials. Trump acted and the Deep State countered with lawfare. The lawsuit is a stall tactic to scrub evidence and move assets before federal troops arrive.
- **Governor Tina Kotek parroted the old 2020 script, calling it “illegal occupation.”** That denial is the tell—you don't panic unless your defenses are collapsing. And they are. Blackhawks and surveillance drones already circle the South Waterfront. Federal eyes are mapping escape routes and command structures. A Sept. 28 encrypted call-to-action confirmed renewed Antifa “direct action” orders, diversions to cover leadership pullouts.
- **Northern Command's mission isn't just to guard ICE.** It's to capture handlers, disrupt surveillance grids, and secure data vaults beneath Portland holding biometric mapping software built with foreign-engineered systems. If exposed, it proves Americans were tracked without consent.
- **Trump isn't just sending troops—he's dismantling the hub.** Portland was the prototype of globalist control: media cover, proxy militias, lawfare shields, foreign collusion. Now it's being dismantled in real time. Title 10 is in effect. These troops

answer to Northern Command. Northern Command answers to Trump. The last stronghold is falling. Portland is just the beginning.

U. Wed. 1 Oct. 2025 IRS BOMBHELL: THE 16TH AMENDMENT WAS NEVER RATIFIED – \$330 TRILLION STOLEN! ...Ezra A. Cohen

- **THE BIGGEST THEFT IN AMERICAN HISTORY HAS BEEN EXPOSED.** A CONFIDENTIAL 1985 letter from a sitting IRS Commissioner just confirmed what we've been screaming for DECADES: THE 16TH AMENDMENT WAS NEVER LEGALLY RATIFIED. That means every income tax dollar you've ever paid was ILLEGAL THEFT — and the IRS has been a CRIMINAL EXTORTION CARTEL from the start.
- **THIS CHANGES EVERYTHING.** Since 1913, \$330 TRILLION has been siphoned from the American people under FALSE PRETENSES. That money was supposed to build our country. Instead, it funded globalist parasites, black ops, and deep-state war machines.
- **THE LIE THAT ENSLAVED A NATION** The so-called ratification of the 16th Amendment was a rigged fraud. States rejected it — their votes were falsified. The IRS was installed as a financial weapon to enslave you and your family for generations. The audits, the penalties, the seizures — ALL ILLEGAL. You've been paying into a system that was never lawful to begin with.
- **APRIL 1985: THE SMOKING GUN** An IRS Commissioner, deep inside the belly of the beast, ADMITTED in writing: the amendment was never properly ratified. That letter was buried. Silenced. Hidden. Until now.
- **IF THIS IS TRUE — THE ENTIRE SYSTEM COLLAPSES.** Every paycheck stolen. Every home raided. Every ruined life — all built on a constitutional LIE.
- **TRUMP KNOWS. AND HE'S READY TO STRIKE.** President Trump has already signaled it: The IRS must be abolished. He's the only leader with the guts to go scorched earth on the deep state's piggy bank. But he can't do it alone.
- **YOUR MISSION: SPREAD THIS INFO LIKE WILDFIRE.** Wake up your neighbors. Flood social media. Print it. Yell it. Shout it in the streets.
- **DEMAND RESTITUTION.** We want our stolen money BACK — with interest.
- **CALL FOR TRIBUNALS.** Every traitor who enforced this fraud must be dragged into the light and held accountable.
- **THE IRS IS PANICKING.** THEY'RE SCRAMBLING TO HIDE THIS.
- **They're calling it "misinformation" because they know: IF THE PEOPLE WAKE UP, THEIR EMPIRE IS DONE.**

V. Wed. 1 Oct. EXCLUSIVE REPORT: BIDEN'S MASS MANIPULATION OPERATION EXPOSED — TRUMP IS TAKING IT ALL DOWN ...Carolyn Bessette Kennedy on Telegram

- **While they screamed “disinformation,”** they manufactured it. While they flagged posts, deleted accounts, and banned voices, they orchestrated the largest psychological operation in modern history. The Biden regime, backed by international elites and black-budget networks, built an infrastructure to gaslight Americans and destroy truth. From 2021 to 2024 the federal government became a propaganda machine tied to corporate media, tech giants, and foreign interests. This was not politics. This was warfare against the American people.
- **From the moment Biden was installed,** the objective was clear: control the narrative, crush dissent. Facebook, Twitter, YouTube, TikTok, Google—all became enforcement arms of a shadow information war. Whistleblowers exposed direct orders from Biden’s team to delete posts about election fraud, vaccine deaths, Hunter’s laptop, biolabs in Ukraine, border trafficking, and the coming digital currency takeover. Users were de-platformed, bank accounts frozen, investigated by the FBI for “domestic extremism” while the regime told you to “trust the science.” Their science. Their truth.
- **Fact-checkers funded by NGOs, Soros and WEF** think tanks wrote reality in real time. Question COVID origins, mail-in ballots, or mRNA shots and you were labeled “dangerous.” COVID was their trial run for total control. Federal agencies were captured by pharma interests. VAERS data, early treatments, natural immunity and spike protein warnings were banned. Doctors lost licenses. Survivors were silenced. This was not about saving lives but about training you for vaccine passports, biometric tracking and programmable currencies. Mask up. Scan your code. Take your shot. Shut your mouth.
- **Behind the scenes DHS built a digital Stasi** with secret watch lists of parents, veterans, truckers, influencers. Partnering with “non-partisan” groups they rated and blacklisted sites, de-boosted content and built dossiers on ordinary citizens. The Hunter laptop revealed secret foreign payoffs, CCP business deals, blackmail ops, and emails tying “The Big Guy” to corrupt networks. The FBI had it and hid it. That is election interference. That is treason.
- **They invented “domestic terrorist” to silence you.** Antifa and BLM burned cities but Trump supporters praying in public were raided. Even Bible verses were flagged as “extremism.” Biden was never in charge. He was the vessel. Behind him stood WEF technocrats, UN health czars, Soros operatives, and banks demanding climate lockdowns. They swore allegiance not to the Constitution but to global control.
- **But that era is over. As of September 30, 2025** Trump is back in the Oval Office. The curtain is torn down. Documents declassified. The media machine fractured. The QFS active. Military-led tribunals quietly underway. Thousands of communications seized. Names coming. The loudest disinfo peddlers vanishing from public life. America is not just healing. It is awakening.

W. Tues. 30 Sept. 2025 MUST WATCH! TRUMP CONFIRMED HE WAS THE 45TH, 46TH AND 47TH PRESIDENT OF THE UNITED STATES — QUANTICO SPEECH

EXPOSES SECRET MILITARY OPERATION AND PROVES BIDEN WAS NEVER IN CHARGE ...Ezra A. Cohen on Telegram

- **On September 30, 2025, at Marine Corps Base Quantico, Virginia, President Donald J. Trump stood before America's top military brass with Secretary of War Pete Hegseth and declared: "I am 45, 46, and 47."** It was not a slip. It was confirmation. The Commander-in-Chief was addressing generals, admirals, and special operations leaders who have continued covert operations under his orders since 2021. The press ignored it. Social media buried it. Yet the clips spread through encrypted channels.
- **Quantico houses Marine intelligence, FBI counter terror training, and elite special forces.** Trump chose it for a reason. On paper he is the 45th President, Biden is listed as 46th, and Trump runs for 47th. But "I am 45, 46, and 47" revealed the Pause — a controlled period where Biden acted as a figurehead while Trump remained Commander-in-Chief. Trump didn't lose 2020. He staged it, invoking emergency powers to keep control.
- **It began with Executive Order 13848 in 2018,** declaring a National Emergency over foreign election interference. This order gave Trump sweeping authority to seize assets, monitor communications, and deploy the National Guard. Biden never ended it because it was never his to end. Under these powers, Trump built a shadow command. Military intelligence and Guard cyber units collected real-time election data using analog systems immune to hacking. That is why Trump says, "We have it all."
- **While media upheld the illusion of Biden's presidency,** Trump oversaw missions dismantling trafficking networks, cartel pipelines, and foreign NGOs. Sources describe children rescued from tunnels, cartel leaders sent to Guantánamo Bay, and raids on NGOs fueling U.S. destabilization. This is why Trump has survived assassination attempts and endless indictments. His enemies know he has been dismantling their systems in real time.
- **If Trump were only a former President, his protection would be minimal.** Yet his motorcades dwarf Biden's, filmed across states with armored convoys and counter-assault teams. Military transport planes move his vehicles — something no ex-President receives. He has openly used the official Presidential Seal, which by law only a sitting President can display. Prosecuting him would expose the truth of who the President really is.
- **In 2025 Trump authorized naval intercepts of cartel vessels,** airstrikes against Houthi platforms, and special forces rescues of kidnapped Americans. These orders are not credited to him publicly, but the footprints are clear.
- **His Quantico speech was the curtain lifting.** Declaring "I am 45, 46, and 47" before military leadership marked the shift from shadow war to public action. The elites believed Trump was gone. They thought Biden was theirs. But the past four years were a trap. If Trump had not acted as the true 46th President, infiltration would be permanent.

Instead, he used the Pause to expose fraud, dismantle networks, cripple funding, reposition assets, and prepare a takedown of the Deep State timed with the 2025–2026 cycle.

- **The panic, the leaks, the indictments — these are signs of a hidden war now entering its climax.** Trump never truly left. His Quantico declaration was the loudest signal yet: the hidden presidency is ending, the public presidency is beginning, and justice is about to strike the elites who thought they had won. He is 45. He is 46. He is 47. And the dash was the plan all along.

Za. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) **Sir Don Kauli'a**, Sovereign Regent, Kingdom of the Hawaiian Islands kauliadon@gmail.com
trustakua@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Zb. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: [Ballard Family Defense Fund on GiveSendGo Here](#)

Zc. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested two years ago and has been sitting in prison since.

Ken is able to receive regular mail now – envelopes. Remember that all mail is opened and read by a prison employee. Please send to: Paul Kenneth Cromar #13871081 FCI Federal Prison Camp PO Box 6000 Florence, CO 81226-6000

Zd. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
