**...Tucker Carlson on Telegram Thurs. 23 Oct. 2025**

**Judy Note: This Reset of the World's Financial, Medical, Judicial and Spiritual Systems is an about to happen Worldwide Event. It is the final phase in a Plan To Save The World from the Satan Worshipping, Child Sacrificing Illuminati Cabal.**

**This very evil Ninth Circle Satanic Child Sacrifice Cult was under leadership of the Vatican and funded through US taxpayer dollars funneled through the CIA, NASA, US Inc, Queen's Bank of London and Vatican Bank, the monies to be used and abused by the cult's Central Banks across the globe.**

**Their monthly evil Satan Worshipping Child Sacrifice and torture rites were enforced by various mafias who ran international child exploitation, kidnapping, sex, murder, drug and gun running rings. The below schedule was made to eliminate the celebration of Halloween - Satan's birthday - where local Satanic Covens all around you torture and sacrifice children in honor of Satan.**

**During this reset all qualifying adults (non criminals) across the Globe will receive financial accounts called wallets on the new Star Link Satellite System. Those wallets will be filled with GESARA funds collected from what was stolen from Humanity by the Satan worshipping Cabal.**

**Worldwide Reset of all systems - Financial, Medical, Judicial, Spiritual**

- **At 9am EST on Thurs. 23 Oct. 2025 Trump's go-code hit the board.**
- **At 23:11 Zulu on Fri. 24 Oct. 2025 The Quantum Signal fired from the Cheyenne Mountain complex.**
- **Once the EBS Master Switch is flipped, every (TV, Radio, Internet) channel will collapse into one frequency.**
- **On Thurs. 23 Oct. Bank Servers Worldwide went into "Cyber Review." In 48 hours they'll come back online under the Quantum Financial System (QFS) authority.**
- **The Worldwide Emergency Broadcast (EBS) will follow: Once you hear three short, one long chirp on your phone you will know it's live - that all (TV, Radio, Internet) channels, all devices, all platforms have been seized for broadcast.**

- **Every citizen on Earth will receive GESARA credits in their Star Link Satellite wallet.**
- **Med Bed Release Phase 1 (Code “Horizon Dawn”) activation is Tues. 11 Nov. 2025.**
- **Civilian Roll-out of Med Beds to follow within 72 hours.**

**This was all made possible by the Q Movement**, which has been in motion since President Lincoln’s Assassination, and more formally organized since President Kennedy’s “Assassination.” The Global Military Alliance led by President Trump has been very busy making mass arrests and rescuing children from the Satan Worshipping Cabal.

**There were reasons why California Governor Governor Gavin Newsom rushed to sue Trump** and thus block federalized National Guard deployment into California, framing it as a “constitutional overreach.”

**They were the same reasons LA County Supervisors** suddenly declared LA in a State of Emergency so Trump forces couldn’t come into the state. Los Angeles didn’t declare an emergency to save people. It did so to contain the fallout from discovery of a vast Child Sex Trafficking and Organ Harvesting Tunnel beneath LA that was connected to foreign entities.

**After winning the court battle and in direct defiance of the “Emergency” declaration**, Trump’s ICE Raids in LA exposed foreign and Cartel syndicate-backed Child Sex and Organ Harvesting facilities in Deep Underground Trafficking Tunnels.

**Construction of the extensive tunnel network** that contained so-called “Safe Houses” had been paid for with US Taxpayer monies illegally laundered through using Covid funds, plus monies set aside for “immigration aid” programs.

**It was a hidden foreign backed infrastructure** that exploited undocumented populations as camouflage for human trafficking, dark money transfers, and foreign intelligence infiltration.

**Over 113 arrests have been made so far**, mostly of handlers with forged identities stretching back over a decade. All linked to EU- and WEF-funded NGOs, fake charities, and “tenant aid” groups.

**Trump also deployed his federalized National Guard to Portland** where federalized units are executing a targeted cleanup against Child Sex Trafficking routes, US Taxpayer money laundering hubs, and underground logistics protected by captured local officials.

**As with Newsom in California**, Oregon leaders shouted about “state sovereignty,” but the mission was lawful under federal authority to protect national security and federal agents on the ground.

**Also as with California**, it was found that Oregon Nonprofits and “safe houses” were acting as fronts for smuggling and money flows. Underground corridors used to move people, weapons, and data. Encrypted finance servers routed through charity shells and crypto wallets.

**A “food co-op” warehouse with 40+ tons of unregistered weapons.** Evidence lockers with forged passports, foreign cash, burner phones. A trafficking hub beneath a federally funded

housing complex. Servers tied to cross-border laundering networks. Beneath the city sits a web of repurposed utility and transit tunnels used as covert transport.

**Portland was a keystone urban node** used to move people, weapons, cash, and data under nonprofit cover. Taking it down breaks a continental corridor that also touches Chicago, the Bay Area, and cross-border routes to Canada.

**Federal engineers were sealing segments** with internal micro-implosive charges to collapse routes without large blasts. Brief power flickers, drone circles, and night convoys match standard tunnel-neutralization procedures.

**Chicago:** marshals target NGOs funneling cartel money into “community programs.”

**San Francisco:** rapid resignations ahead of sealed indictments.

**Atlanta:** trafficking rings masked as youth mentorship charities dismantled in late September.

**President Trump**, the Global Military Alliance Pedophile Task Force, plus various military and rescue forces across the Globe including the Tim Ballard Foundation, were in the process of taking down through Military power and implementation of the Global Currency Reset – the Satan Worshiping Cabal and giving stolen wealth back to The People.

**Tim Ballard’s new movie *Hidden War*** (to be released **Nov. 14, 2025**) was produced with the help of Mel Gibson and many others. The story dives into this dark underworld of child trafficking, shedding light on the global efforts to combat this heinous crime. The documentary follows Tim Ballard, a passionate activist and founder of anti-trafficking operations, as he leads daring international missions to rescue victims and bring perpetrators to justice. Through harrowing stories, eye-opening facts, and unparalleled access to Ballard’s dangerous yet vital work, *Hidden War* reveals the urgency of protecting the most vulnerable and inspires action against one of humanity’s most pervasive crises.

**Join the fight:** This documentary is not just a story it’s a call to action. *Hidden War* will challenge you to take a stand, raise awareness, and support the organizations working relentlessly to end human trafficking.

**Together, we can help put an end to this global crisis.** Act now be part of the change. Help spread the word, donate to the cause, and advocate for the victims. The time for action is NOW!

**Judy Note: Help Bring Kaitlynn Hunter home, along with other Children and Teens Caught in the CIA Mind Control international Sex Trafficking Network:** <https://www.givesendgo.com/GDX1Z>

**Pray for Kaitlynn Hunter** – a 17 year old raped, beaten, starved foster care teen who was handcuffed by a SWAT Team and incarcerated in Ohio Juvenile Detention by Ohio Child Protective Services. There appeared to be no valid reason for Kaitlynn to have served close to seven years of brutalized foster care in the first place, other than to be CIA traumatized and Mind Controlled into a international Sex Trafficking Ring. Apparently her present situation was to keep her from testifying against her and other Ohio Foster Care children and teen’s abusers in the CIA run Ohio Foster Care Mind Control Program.

**Pray for all Foster Children. Pray for Trump's Global Military Alliance** who were right now, rescuing children and teens from the International Child Sex, Organ and Adrenochrome Harvesting Trafficking Ring run by the Vatican, supported by the CIA, funded by US Taxpayer dollars and money laundered through members of our blackmailed US Congress.

**Be informed about what is happening to Foster Children:** <https://stopcpslegallykidnappingchildren.org/who-we-are/cps-statistics> **CPS Statistics**

**Call your Congress people.** Demand answers. Demand solutions. Help Trump and team bring Kaitlynn and all Sex Trafficked Children and Teens home and out of harms way.

**Call the US Capitol Switch Board in Washington DC** to hook up with and complain to your state representative. Demand that they help take down the international Child Sex Trafficking Ring: 202-224-3121

## **E. Global Currency Reset:**

**Judy Note:** It is my personal opinion, and I could easily be wrong, that when we hear the EBS go off with the sound of Seven Trumpets, we can soon expect to receive several messages on our cell phones generated from the new Starlink Satellite System. One of those messages should contain information about how to gain a redemption center appointment. Those who don't have foreign currency to exchange will use their appointment to set themselves up for banking, medical treatment and voting using personal cell phones linked up to the Starlink Satellite System, while we with currency and bonds will do the same, plus be able to do our exchange.

## **F. 2025 BREAKING: Tier 4B Exchanges – The Quiet Activation**

**Judy Note:** More than 500,000 US civilian federal employees missed a full paycheck on Fri. 24 Oct. 2025. Trump has it under control. He flipped the green button **Thurs. Evening 23 Oct.** The Global Currency Reset is on. Everyone worldwide will have an account on the new Starlink Satellite System with GESARA funds in it. For those with foreign currency and/or Zim Bonds to exchange:

●•Tier 4B (Us, the Internet Group) currency exchanges are now being reported across the U.S., with private appointments, NDA protocols, and sudden flashes of live rates. Insiders say the QFS infrastructure is humming beneath the surface — the ignition phase may have begun.

●•Unconfirmed yet consistent reports indicate that banks are scheduling private exchanges for Iraqi dinar and Vietnamese dong. Terminals flash temporary revalued rates, then vanish. Redemption centers are allegedly on high alert, staff briefed and systems armed. Something is moving.

●•Participants are said to be signing strict NDAs before exchanges — a mark of secrecy that fits a classified financial rollout. The same chatter emerges from unrelated sources. Different states. Same timing. Same story. That's not coincidence — that's coordination.

●•Whispers from banking circles suggest quiet test transactions. Controlled waves. Soft launches designed to prevent system shock. October is a strategic month — fiscal endings, central bank recalibrations, digital network realignments. Perfect timing for a controlled reset.

●•The rumored QFS is reportedly being tested — quantum-secured, tamper-proof, immune to manipulation. Exchanges are said to run through advanced verification systems scanning every note for authenticity. Each operation logged. Each signal monitored.

●•Skeptics warn of rumor mills, but patterns don't lie. When independent intel streams converge, something larger brews. The convergence itself is the signal. This isn't hopium — it's movement. Quiet, deliberate, and irreversible.

●•Both the dinar and dong are spotlighted as undervalued assets aligned with upcoming parity adjustments. For those watching closely, these aren't coincidences. They're early tremors of a tectonic shift.

●•Stay alert. Stay disciplined. The first wave never announces itself. It moves in silence, through signed NDAs and blinking terminals. If you know — you know.

●•Final Warning: Tier 4B may already be activating behind closed doors. Or this could be the final stress test before the floodgates open. Either way — the system is awake. Timing is everything. Patience separates the prepared from the panicked.

**Restored Republic**

**G. Thurs. 23 Oct. 2025 A wonderful world for Humanity coming in 2026. In God We Trust ...William Gregg Ferstay, Vancouver BC Canada**

●•To date over eight million criminals have been charged and faced Military Tribunals in mass arrests that began in 2017. Most were executed, while others got life.

- **President JFK Sr.** is alive and called Q.
- **JFK Jr. is also alive** and Vice President of the Restored Republic under Trump.
- **President Trump is Q+45,46,47 and a War Time President** under a Continuity of Government Act.
- **There were 200,000+ actors in this movie.** A World War III scenario would be at the end of the movie, with the Rods of God Direct Energy Weapons destroying 34+ Deep State targets.

#### **H. Wed. 22 Oct. 2025 FINAL PHASE**

- **President Trump made it clear:** “The Emergency Broadcast System is closing everything down worldwide to make mass arrests. It will be the end of the Democratic Party and Demonic rituals (the EBS will cancel out Halloween celebrations of child sacrifice). Be prepared.”
- **Trump’s Global Military Alliance recent arrests** and subsequent confessions of compromised Global Elites have made it clear: The descendants of Cain’s International Ninth Circle Child Sacrifice Cult ruled the World and it’s monetary system through powerful Illuminati families and Vatican leaders who worshiped Satan.
- **Having complete control over the international monetary system** since the 1800s, the Ninth Circle Satanic Cult mandated their Khazarian and other mafias to run international Child Sex Trafficking and intelligence operations under the guise of high-society networking – all under protection of the Mainstream Media.

#### **I. Tues. 21 Oct. 2025 Massive Intel Drop, Gesara Activated, QFS Life, Gitmo Expanding, Starlink Enforcing, EBS Countdown Running. ...NESARA/GESARA QFS**

- **Trump and the Alliance have flipped the switch.** GESARA is now active worldwide. The Quantum Financial System is online, powered by recovered tech, secured by StarLink, and backed by gold. Every transaction is tracked through biometric frequency. Stolen wealth is being seized and redirected to the people.
- **GESARA Is the Law of the New World.** No speeches. No announcements. It’s already structuring global finance behind the scenes. Central banks are collapsing. SWIFT is obsolete. StarLink satellites now validate all monetary flow through quantum encryption. If you fail biometric resonance, your funds vanish. No second chances.
- **The 7-Second Audio Trigger.** A frequency code quietly circulating among insiders links your biometric signature to the QFS reserves legally attached to your name. When played in silence, it activates your resonance, unlocking your account inside the quantum mesh. No app. No login. It either connects or it doesn’t.

●•**Global Transition Underway.** Brazil, Vietnam, and parts of Europe have already migrated. IMF and BIS systems are gutted. CEOs are vanishing. StarLink's Spectral Nodes now monitor every ledger in real time. They can freeze or reverse transactions instantly. The Rothschild banking web is dead. Quantum channels have taken over.

●•**Trump's Executive Order. In April 2025,** Trump signed the order merging the Federal Reserve into a gold-backed U.S. Treasury under QFS control. Massive vaults in Nevada and Utah mirror digital reserves. The Hoover Dam powers quantum servers called Deep Vault Arrays — the true backbone of the new economy.

●•**GITMO Expansion.** Hundreds of elites tied to laundering, trafficking, and bio-experimentation are already detained. Military tribunals are running non-stop. Flights in and out of Guantanamo have tripled since June. The evidence is overwhelming — files, comms, and video proof awaiting disclosure.

●•**EBS Countdown.** Project Aurora — the emergency broadcast rehearsal — succeeded. The final trigger will cut all communications for 72 hours. During blackout, the world will witness military-verified truth: stolen elections, child trafficking, financial crimes, and medical betrayal.

●•**Final Phase.** The system is live. The gold is secured. The audits are done. Thousands have already connected through the 7-second frequency. Trump isn't campaigning — he's dismantling the old world.

●•**Those who know aren't waiting.** They're already inside. Watching from the other side of the firewall.

#### **J. The Real News as of Fri. 24 Oct. 2025:**

●•**Thurs. 23 Oct. 2025 RFK Jr:** "Within five years, satellites belonging to Bill Gates "will be able to look at every square inch of the planet 24 hours a day. Authorities from 38 countries, including the U.S., Canada, and Australia, collaborated in a global effort to shut down the platform. Kidflix hosted over 91,000 child abuse videos, amounting to more than 6,000 hours of disturbing content. Officials are calling this takedown one of the most significant strikes against child pornography in history. The platform is said to have had 1.8 million users worldwide.

**L. Wed. 22 Oct. 2025: Branson, Epstein, Ghislaine Child Trafficking ...NESARA/GESARA QFS**

●•**Richard Branson, owner and CEO of Virgin and Necker Island**, which is just a short boat ride from Epstein or James Biden's Island located on the British side of the Virgin Islands. There's no coincidence that Branson picked "Virgin" as his company name.

●•**Branson was also confirmed** to frequently see Epstein well after he was charged and convicted the first time for crimes against a minor.

●•**Branson also was said to be involved** and held parties on his island for the sex trafficking cult called "NXIVM."

●•**Epstein's child trafficking operation** was so sophisticated that he even had a private submarine and multiple submarine port locations that he used to bring his victims and VIPs to the island with.

●•**Ghislaine Maxwell was known to be just as bad** as Epstein, maybe even worse, and obtained a submarine license and would regularly transport people to the infamous island through an underwater submarine port herself.

●•**Our own government and others were sex trafficking** and abusing children to blackmail world leaders, politicians, celebrities, and other VIPs.

●•**The U.S. military built a submarine base on St. Thomas Island**, which is just 8 miles from Epstein Island, and right next to this military submarine base just happens to be Water Island, owned by Joe Biden's brother, "James Biden," and their "business associates."

●•**While Joe Biden was in office in 2020**, child sex trafficking increased by 300%. Why is that NOT surprising?

●•**The Trump administration confirmed** that the Biden/Harris administration and Biden's own HHS were, in fact, involved and collaborating in the trafficking of children. Yes, you read that correctly. Now read that again. Our own government was trafficking children.

●•**Are you beginning to understand** the full scope of this child trafficking operation? Are you seeing their methods and players?

●•**Do you understand their money machines** and laundering operations through front companies, NGOs, USAID, and other programs involving our tax dollars?

●•**This is the largest, most important case in the world.** Blackmail runs the world, and that is done with the sexual abuse of children. This is why child sex trafficking is so important, not only to literally save the world, but to save the children. Everything is connected. There are no coincidences.

**M. The Director of National Intelligence, Tulsi Gabbard: ...The Rabbit Hole on Telegram**

●•**“I’ve got a long list of things** that we are investigating. We have the best of the best going after this — election integrity being one of them.”

**REPORT: Dominion deleted 2.7 million Trump votes nationwide.**

●•**Data analysis finds:** 221,000 Pennsylvania votes switched from President Trump to Biden, and 941,000 Trump votes deleted.

●•**States using Dominion Voting Systems** switched 435,000 votes from Trump to Biden.

●•**Tulsi Gabbard:** “We have evidence of how these electronic voting systems have been vulnerable to hackers for a very long time — and vulnerable to exploitation to manipulate the results of the votes being cast — which further drives forward your mandate to bring about paper ballots across the country, so that voters can have faith in the integrity of our elections.”

**In other words:**

●•**A: Just wait.** What she exposed was merely an attempted overthrow by Barack Obama in 2016; 2020 was the actual overthrow.

●•**B: It’s no coincidence** that Dominion Rigging Systems was just sold last week and rebranded as “Liberty Vote,” as the DOJ indicted Smartmatic officials for money laundering and a \$1 million bribe.

**N. Thurs. 23 Oct. 2025 SIM farm powering 49 MILLION FAKE ACCOUNTS used for GLOBAL FRAUD dismantled by Europol. ...Emergency Broadcast Channel on Telegram**

●•**Operation SIMCARTEL** involved officers of multiple law enforcement units and authorities in Austria, Estonia, Finland, and Latvia, where the 26 searches were conducted.

●•**According to the European agency,** the illegal service helped create more than 49 million fraudulent online accounts. Authorities so far have linked to some of them to 1,700 fraud cases in Austria and 1,500 Latvia.

●•**Among the crimes facilitated by this service** are fraud, extortion, migrant smuggling, online marketplace scams, “daughter-son” money transfer requests on WhatsApp,

investment fraud through fake brokers, fake shops and bank sites, and impersonation of police officers.

- The financial damage caused by these activities is estimated to be approximately EUR 4.5 million (\$5.3 million) in Austria and EUR 420,000 (\$490,000) in Latvia.

- During the SIMCARTEL operation, which occurred on October 10, the police arrested five Latvian nationals and two other suspects and seized the following items in the raids: 1,200 SIM-box devices operating 40,000 SIM cards. Hundreds of thousands of SIM cards. Five servers and two websites. EUR 431,000 (\$500,000) frozen in bank accounts and \$333,000 in crypto accounts. 4 luxury vehicles.

- They enable large-scale financial fraud, where billions in assets can be siphoned undetected. The anonymity factor makes tracing cybercriminals significantly more difficult for law enforcement.

- These platforms can propagate harmful content, including materials tied to illicit activities or abusive practices.

- The pervasive nature of SIM farm use demonstrates why addressing this technology is crucial to reducing vulnerabilities in the digital ecosystem.

### **Shaping a Safer Cyberfuture Through Regulation**

- This operation points to the urgent need for tighter regulations and more robust technological safeguards. By addressing the vulnerabilities exploited by SIM farms, governments and private entities can strike at one of the root causes of cybercrime.

- Banks, social media platforms, and communication networks must invest in advanced security mechanisms to better detect and prevent illegal activities originating from such farms. For instance, adopting more stringent Know Your Customer (KYC) protocols across industries could drastically reduce cases of account fraud.

- The dismantling of this extensive SIM farm signals a promising step forward in the global fight against cybercrime. The scale of fraud it facilitated underscores the necessity of ongoing international cooperation, cutting-edge cybersecurity measures, and proactive law enforcement practices to keep emerging threats at bay.

- At Lynx Intel, we understand the challenges of navigating a digital ecosystem under constant threat. That's why we offer comprehensive cybersecurity solutions to help businesses safeguard their assets and detect risks early. Contact us today, and take the first step towards strengthening your defenses against the ever-evolving world of cyber threats.

- With the servers seized, a forensic analysis may help investigators identify customers of the illegal services.

**O. Thurs. 23 Oct. 2025 L.A. DECLARES STATE OF EMERGENCY AFTER TRUMP'S ICE RAIDS EXPOSE TUNNELS, SAFEHOUSES, AND FOREIGN-BACKED**

## **TRAFFICKING HUBS HIDDEN INSIDE SANCTUARY PROGRAMS ...Ezra A. Cohen on Telegram**

- **Los Angeles is collapsing under the weight of what Trump's forces just unearthed**, a vast sanctuary apparatus concealing global trafficking and laundering operations buried beneath "immigration aid" programs.
- **On October 14, 2025, county supervisors voted 4-1 to invoke emergency powers.** The pretext: protecting immigrants. The reality: shielding an international criminal grid now being dismantled by Trump's federal task force.
- **These weren't standard immigration raids - they were full-scale seizures.** Hard drives, offshore ledgers, tunnel maps, and encrypted communication hubs were taken in coordinated ICE operations, supported by military-grade intelligence units under Trump's command.
- **What's emerging is a hidden infrastructure** that exploited undocumented populations as camouflage for human trafficking, dark money transfers, and foreign intelligence infiltration.
- **The discoveries** stunned even federal agents.
- **Shelters branded as "humanitarian centers"** contained biometric scanners, underground passageways to freight depots, and servers loaded with encrypted data.
- **Many were constructed using diverted COVID relief funds.** Investigators now confirm these facilities were used for organ harvesting, data harvesting, and child trafficking tied to cartel syndicates.
- **As the raids escalated, the network retaliated.** Riots and vandalism broke out within 48 hours, not spontaneous, but triggered. Protests were coordinated to the same grid ICE had just swept. A controlled backlash.
- **Governor Gavin Newsom** rushed to sue Trump to block National Guard deployment, framing it as a "constitutional overreach." But behind the legal theater lies fear: exposure of a deep, foreign-backed infrastructure operating through "sanctuary" programs.
- **Over 113 arrests so far** — all linked to EU- and WEF-funded NGOs, fake charities, and "tenant aid" groups. Most of those detained aren't migrants, but handlers with forged identities stretching back over a decade.
- **Federal task forces are now tracing crypto wallets**, financial channels, and Hollywood-linked donors connected to the same laundering loops.
- **Supervisor Kathryn Barger**, the lone dissenting vote against the emergency declaration, has faced three break-ins at her home since the session. Landlords across the county are furious as yet another moratorium crushes them, this time designed not for relief, but for concealment.
- **Witnesses are vanishing.** Evidence is being buried.
- **Trump's ICE** isn't just deporting - it's dismantling.
- **Cyber units from the Pentagon are now mapping encrypted blockchain flows** connected to these same NGOs. Each seizure, each decrypted server leads upward, into city hall, studio contracts, and Silicon Valley foundations.

●•**Los Angeles didn't declare an emergency to save people. It did so to contain the fallout.** The machine is being unplugged. And Trump's storm has only just begun.

**P. Thurs. 23 Oct. 2025: TRUMP DEPLOYS NATIONAL GUARD TO PORTLAND AS FEDERAL RAIDS EXPAND ...Mr. Pool on Telegram**

●•**The National Guard is not in Portland to manage "protests."** That is a cover. Federalized units are executing a targeted cleanup against trafficking routes, laundering hubs, and underground logistics protected by captured local officials.

●•**On October 20, 2025,** a 2–1 Ninth Circuit ruling cleared President Donald J. Trump to deploy National Guard forces in Portland. Oregon leaders shouted about "state sovereignty," but the mission is lawful under federal authority to protect national security and federal agents on the ground.

●•**What the operation targets:** Nonprofits and "safe houses" acting as fronts for smuggling and money flows. Underground corridors used to move people, weapons, and data. Encrypted finance servers routed through charity shells and crypto wallets.

●•**Findings so far:** A "food co-op" warehouse with 40+ tons of unregistered weapons. Evidence lockers with forged passports, foreign cash, burner phones. A trafficking hub beneath a federally funded housing complex. Servers tied to cross-border laundering networks. Why military, not just police. This is not martial law. It is lawful cleanup. National Guard under federal command can operate domestically to secure federal missions. The Posse Comitatus Act restricts the regular Army, not federally tasked Guard units. Where local officials obstruct, federal authority prevails.

●•**What is under Portland:** Beneath the city sits a web of repurposed utility and transit tunnels used as covert transport. Federal engineers are sealing segments with internal micro-implosive charges to collapse routes without large blasts. Brief power flickers, drone circles, and night convoys match standard tunnel-neutralization procedures.

●•**State resistance equals exposure:** Loud objections from state offices, judges, and agency heads track with documents recovered in recent raids that link public funds to fake refugee and housing programs used as laundering conduits. Expect emergency filings, PR distraction, and sudden resignations as warrants land.

●•**Parallel strikes in other cities:** Chicago: marshals target NGOs funneling cartel money into "community programs". San Francisco: rapid resignations ahead of sealed indictments. Atlanta: trafficking rings masked as youth mentorship charities dismantled in late September.

●•**These are synchronized actions** fed by a unified intelligence stream that has mapped urban logistics since 2017. Portland is simply the most visible front.

●•**How the teams move:** National Guard units embed with Joint Special Operations advisors. Orders are issued over encrypted networks with real-time aerial and subterranean mapping. Power downs isolate blocks, drones lock perimeter, entry teams seize servers and ledgers, then engineers seal corridors.

●•**Media blackout:** National outlets insist "nothing is happening." Local clips of low-flying helicopters, unmarked convoys, and temporary blockades say otherwise. Silence from captured media and officials is part of the shield that allowed these networks to grow.

●•**Why this matters:** Portland was a keystone urban node used to move people, weapons, cash, and data under nonprofit cover. Taking it down breaks a continental corridor that also touches Chicago, the Bay Area, and cross-border routes to Canada. When the keystone falls, the arch collapses.

●•**Bottom line:** This is not about optics. It is about ending protected criminal logistics inside U.S. cities. The Ninth Circuit opened the door. Federal forces walked through it. Portland is the first domino, not the last.

●•**Stay alert.** Watch the resignations. Watch the late-night power cuts and the sudden “maintenance” notices. The blackout is ending, and the cleanup is moving city by city.

**Q. Thurs. 23 Oct. 2025 The US citizens are FINALLY able to use the benefits of the Medbed science ...Med Bed Technology on Telegram**

●•**The Med Bed will be available when the forces out there, even hidden, we’re not talking about the big ones because they’re being taken down, we’re talking about the many ones that are in towns and cities and different villages across America that are not good people. They’re miniature versions of DC and so what happens is that they try to stop you and then do bad things. We have to be very covert on the deployment of the Med Beds. We just can’t go out there and start putting them out there like suckers. We have to have manufacturing, crews, high level security, manufacturing facilities with clean line of assembly which means totally medically clean rooms to put the parts together and to get them working.**

●•**“We have plans for an infrastructure that we put together over the years to introduce the technology of the Med Bed. The whole idea of that is to get to the serious the ones, that are really bad, if you’re going to die in 2 weeks, people that have severe forms of diabetes for example.**

●•**“We’ve got a long list of people but we have to do it securely and safely and so we put together a plan in order to carry that out and to get to as many people as we can, go to certain areas on the planet and then start the treatments for people and to have enough units so that we can do many people at one time.**

●•**“Imagine that if it was a publicized situation we will be inundated and overwhelmed and basically be trampled on and probably killed with the feeding frenzy of the human race wanting to be fixed, the dark side of human nature. They want it now and they’ll do anything to get it. It would be nice if everyone was benevolent, loved everyone and all is wonderful.**

●•**“There’s a lot of talented people that have so much to offer and obviously we’ll call on the universe and Creator to bring those people forward so that we can get things done.**

●•**“One word let out the wrong way can cause a lot of attention and you’re dealing with organizations that would prefer not to have this Med Bed technology out there. That’s why it’s been from Humanity.**

●•“My attitude along with others is that the human race should not have to worry about the disease, should be financially set for the rest of their lives, so that those factors are totally removed, and that’s coming now. You won’t be constantly stressed out about health and financial condition.

●•This is long-term, obviously it’s not going to happen in a couple of months, but just as most people have a refrigerator in their house, I want the Med Bed in everyone’s house.

●•“There’s no doctors or anything, we don’t need them, no matter how many of the old guards would like to think that the human race is a bunch of useless eaters, don’t mean anything and they’re all garbage, as the human race has a high level of intelligence and consciousness that can make it, constant miracles happening, but that’s our long-term goal.

●•“There will still be natural type of doctors around that will be able to help people in certain situations, but we’re not going to have a conventional hospital type of structure where you go in and you’re worried about dying. In this country alone the 3rd leading cause of death is hospital stays, some of them for just regular normal procedures. There’s so many stress factors put on the human race that it’s amazing that they’ve survived this far, so getting the Med Bed out to all is our goal, one of the main Humanitarian Projects.”

**V. Tim Ballard has worked undercover in the US** and in multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children around the World through his Tim Ballard Foundation. *“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.*

*“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*
