**World Quantum Week Starts Monday**

**Banks Worldwide on Gold-backed Quantum Financial System**

**Stock Market Crash, SWIFT Terminated, Bitcoin = 0**

**EBS Broadcast Trigger Blackout Worldwide**

**Common Law Reinstated.**

**The Republic is Born Again.**

Master, the Tempest Is Raging  
Sisters sing 'God Bless the U.S.A.'

**Judy Note: Be prepared – four days to World Quantum Week when the Gold-backed Quantum Financial System goes Live in preparation for a Stock Market Crash.**

**Mon. 13 Oct. 2025** was expected to be a fracture point for World Markets as the new Quantum Financial System aligned with 209 banks and the fiat US Dollar continued to deteriorate.

**The next day Tues. 14 Oct. 2025** has been labeled World Quantum Day – An expected Stock Market Crash could bury the old financial system while instigating birth of the new Global Financial System. If so, Bitcoin would be equal to zero and SWIFT, terminated. Data centers would be no longer. Only assets backed by ISO20022 would remain intact.

**A Wed. 15 Oct. 2025 Worldwide Broadcast would soon follow, along with triggering an EBS and Blackout.**

**All would lead to reinstatement of Common Law** as the American Republic was born again.

**WARNING Scams, Scams and More Scams:**

**Judy Note:** Remember the TRB products? Lots of people do – they were scammed. I advised them to notarize their experience and send it to Trump's lawyer. Trump keeps his promises and I assume everyone will be taken care of soon.

**However, now Telegram has multiple sites** advertising cash outs on TRB products that never seem to happen, even after “investing” even more monies into the black TRB hole. They typically advertise under highly recognized names.

**I myself have several fake platforms on Telegram** under Judy Byington – that I didn't set up and have no influence in the content makeup. There doesn't seem to be a way to shut the sites down. So be aware that just because a name is recognized on Telegram, it doesn't necessarily mean that person runs the site.

**A typical example came out on Wed. 8 Oct: “ACCEPT YOUR PAYMENT NOW**  
Due to the latest regulations concerning TRB Payouts, we are sending this FINAL NOTICE to YOU, in order to filter REAL and ACTIVE clients. Only the first 10 Patriots who send message "CONFIRM" will be eligible to cash out. This is last chance to cash out!!!”

**If anyone has been paid back their TRB product investment**, please let me know:  
info22faces@yahoo.com.

**There are other scams out there**, like on setting up QFS Accounts, or buying a Med Bed Card. It is my understanding that these services will be free. I would be wary of anyone asking for money

**See this Wed. 8 Oct. 2025 Email from Kyle K on a Med Bed Scam:**

**There is now someone that claims he is Charlie Ward** on Telegram. He claims he is Trumps right hand man. I know the real Charlie Ward is one of Trumps trusted right hand man.

**He set up a QFS account for me** and my husband and the account shows money in it. It is in Ripple. I had to pay a fee to the company that has the account and there had to be money in it to open it.

**I am supposedly getting Med Bed treatments** after I pay another fee for the cards that would enable me to transfer money out and turn it into fiat to deposit into my bank account. I refused to pay any more and now I haven't heard from him for a couple days.

**One of JFK accounts on telegram contacted me** and asked if I had received my NESARA funds. When I explained my situation he had someone contact me and said he was the real Charlie Ward sent a picture and even called me which I didn't answer. It looks like Telegram is full of scammers claiming they are someone else.

**This really needs an investigation by the Trump administration.** This is serious fraud and it's growing.

**Do you know anyone to contact about this?** I would like to report it immediately. They are taking advantage of people that are in need of money and a Med Bed treatment.

**I was hoping to get an appointment early** due to my 2 years of pain and inability to walk or do anything. I realize now I'll just have to wait till the beginning of next year and after my redemption appointment.

**I hope they can get someone to investigate** so other people don't get scammed by these imposters. I'm sorry this is so long but it's important that someone knows this is happening.

Thank you  
Kyle K

**Judy Note: Help Bring Kaitlynn Hunter home, along with other Children and Teens Caught in the CIA Mind Control international Sex Trafficking Network:**

<https://www.givesendgo.com/GDX1Z>

**Pray for Kaitlynn Hunter** – a 17 year old raped, beaten, starved foster care teen who was handcuffed by a SWAT Team and incarcerated in Ohio Juvenile Detention by Ohio Child Protective Services. There appeared to be no valid reason for Kaitlynn to have served close to seven years of brutalized foster care in the first place, other than to be CIA traumatized and Mind Controlled into a international Sex Trafficking Ring. Apparently her present situation was to keep her from testifying against her and other Ohio Foster Care children and teen's abusers in the CIA run Ohio Foster Care Mind Control Program.

**Pray for all Foster Children. Pray for Trump's Global Military Alliance** who were right now, rescuing children and teens from the International Child Sex, Organ and Adrenochrome Harvesting Trafficking Ring run by the Vatican, supported by the CIA, funded by US Taxpayer dollars and money laundered through members of our blackmailed US Congress.

**Be informed about what is happening to Foster Children:** <https://stopcpslegallykidnappingchildren.org/who-we-are/cps-statistics> CPS Statistics

**Call your Congress people.** Demand answers. Demand solutions. Help Trump and team bring Kaitlynn and all Sex Trafficked Children and Teens home and out of harms way.

**Call the US Capitol Switch Board in Washington DC** to hook up with and complain to your state representative. Demand that they help take down the international Child Sex Trafficking Ring: 202-224-3121

- **Prepare for global silence.** In the coming hours, everything will shift.
- **Power will vanish.** Signals will die. The world will pause – but behind that stillness, operations are unfolding at a level never before seen in human history. This is not chaos. It is precision. The silence is the signal.
- **As the blackout begins,** encrypted messages will be transmitted through the only remaining secure frequency. You will know it when you hear it. Do not question. Do not fear. What appears as darkness is actually the veil being lifted.
- **Key figures have already been detained.** Unknown to the public, military tribunals have been running in silence beneath the surface. Confessions have been made. Documents have been secured. Every lie is archived. Every name is cataloged. Every crime is documented.
- **This is not a drill.** This is the moment the world resets.
- **Trust in the operations.** Trust the silence. And most of all – trust what comes after the darkness.
- **The world you knew** was never real. What comes next... is.

**B. Possible Timing:**

- **Wed. 1 Oct. 2025, President Trump launched** a \$150 trillion financial operation to dismantle global elite control and return America's stolen wealth to its people. Government shutdown permanent for many offices. Nesara Gesara 30+1 Protocols released to erase debt, smash the IRS, dismantle the Fed and rip globalist control out by the roots.

- **On Wed. 8 Oct. 2025** A number of banks put out videos saying currency exchanges will start around Thurs. of this week and extend for 15 days.
- **Thurs. 9 Oct. 2025 Tier4b (us, the Internet Group)** was expected to obtain notification to set appointments at Exchange Centers by **Thurs. 9 Oct. 2025** and likely continue for the next 15 days.
- **Mon. 13 Oct. 2025 Market Fracture Point and** beginning of a banking and market crash. As the old fiat financial system goes down, there were 209 country's banks already connected to the new gold/asset-backed Quantum Financial System. Out of those, 97 Central Banks have been covertly integrated, while 82 more were pending, while 97 have fully integrated. The ancient fiat code began to deteriorate internally.
- **Tues. 14 Oct. 2025 World Quantum Day:** Nesara Gesara Law official throughout the World. Bitcoin gone. Servers and data centers, obliterated; 99.5% of all crypto—vanished. Only ISO20022 coins, backed by gold, would survive. As this fiat system died, the Stock Market would crater. Such would signal the end of the Cabal's SWIFT Global Banking System. The new was born when the old died.
- **Wed. 15 Oct. 2025 Worldwide Broadcast Trigger Blackout EBS is operational: Common Law reinstated. The Republic is born again.** Waves of communications collapse. The takeover by Trump's Global Military Alliance. The truth came out. Justice was served. Federal Reserve & IRS abolished. Income tax has been eliminated and replaced with a 14% luxury tax.
- **When the EBS began,** communications would go dark worldwide, the lies would end and the truth would explode with Mass arrests, Tribunals and Justice.
- **Trump's Global Military Alliance** would be in charge. For the first three days there was planned to be a full global lockdown, with borders closed and only essential services open.
- **Days of Communication Darkness** would ensue as the Mossad-run Mainstream Media machine collapsed and Trump's Global Military Alliance took over to disclose proof of Globalist treason, corruption and crime on radio, tv, the internet and cell phones worldwide.
- **Implementation of the Nesara Law** mandated closure of US Inc. and automatically wiped out their privately owned by foreign bankers Federal Reserve and IRS. That corrupt system had been illegally taxing our income since 1918. Americans would now experience the installation of a 14% tax on new items only, none on food or medicine.
- **Maritime Law would be revoked** while America returned to Common Law, Sovereignty and true justice under leaders loyal to The People.
- **As 95% of government** will be reduced through results of the Oct. 1 government shutdown, DOGE audits and mass arrests, new and fair elections were ahead for a Restored Republic that would function under concepts of the original Constitution.

- **Smooth Transition:** All prior demonstrations have been successful. In fact, a recent pilot showed a completely offline quantum-safe digital currency transfer working flawlessly . With our security protocols and support teams ready, we anticipate a seamless shift with minimal delays or glitches.
- **I am fully confident in the plan.** Everything is in place for a smooth transition to the QFS. Keep your notifications on – we're just hours away from a revolutionary change in global finance!

## **E. Global Currency Reset:**

**Judy Note:** It is my personal opinion, and I could easily be wrong, that when we hear the EBS go off with the sound of Seven Trumpets, we can soon expect to receive several messages on our cell phones generated from the new Starlink Satellite System. One of those messages should contain information about how to gain a redemption center appointment. Those who don't have foreign currency to exchange will use their appointment to set themselves up for banking, med bed treatment and voting using personal cell phones linked up to the Starlink Satellite System, while we with currency and bonds will do the same, plus be able to do our exchange.

**Judy Note: The below is in my opinion only. I could very well be wrong. Be aware the below videos were put out by banks** trying to attract currency investors to exchange with them. According to the below banks could begin exchanges by **Thurs. 9 Oct. and for the next 15 days**. According to the below, the Dinar would exchange at up to \$5.20 and the Dong at up to \$3.94. Though, different banks could offer different rates according to the contract they had and the current rates on the Forex at the time of the exchange.

**Tier4b (us, the Internet Group) have been promised higher exchange rates**, including the higher Dinar Contract Rate, if we exchange at an official Exchange Center. Zim could only be redeemed at an Exchange Center, not a bank. Tier4b expected to obtain notification to set appointments at Exchange Centers by **Thurs. 9 Oct. 2025** and likely for the next 15 days.

#### **Restored Republic**

**I. Wed. 8 Oct. 2025 BREAKING REPORT: TRUMP’S “DECLARATION OF AUTHORITY AND SUMMONS” — COMMON LAW STRIKES BACK, “US INC.” DEAD, REPUBLIC RISES AGAIN**

- **A document attributed to Donald J. Trump** declares a return to Common Law sovereignty and the death of “US Inc.” — the corporate shadow government. It lays out five sweeping clauses: lawful command, sovereign right, military summons, restoration of independence, and binding duty. A pro-people, pro-Republic narrative — unstoppable.
- **WHAT WE’RE FACING: A DECLARATION, A PROVOCATION, A PROMISE** This text is circulating online. It bears a seal and signature, titled “Declaration of Authority and Summons,” and contains clauses that reconfigure the President–military–sovereignty relationship. We don’t assert it’s an official executive order. We examine it as a declaration attributed to Trump — and as a plan. If enforced, it’s an institutional revolution.
- **It speaks the people’s language:** order, sovereignty, summons, restoration. For supporters, it reads not as polite rhetoric but decisive action.
- **“LAWFUL COMMAND UNDER THE UNIFORM CODE OF MILITARY JUSTICE (UCMJ)”** Every flag officer is bound to obey the Commander-in-Chief. Translation: rank, legacy, or politics do not exempt you from constitutional orders. Clause one isn’t rhetoric — it’s a weapon. It reminds generals who they serve and restores civilian supremacy over force.
- **“SOVEREIGN RIGHT UNDER COMMON LAW”** Trump invokes a sovereign prerogative: the head of state may summon military leaders for counsel, recognition, and re-ordering of defense. It signals restitution for citizens who feel robbed by parallel institutions. Clause two declares: a sovereign government can reconfigure internal order.
- **“SUMMONS TO ASSEMBLY”** All flag officers are called to assemble in Virginia on a set date — a formal mobilization, not a consultation. This is the test of courage, forcing public reaffirmation of loyalty and exposing compromise.
- **“RESTORATION OF SOVEREIGNTY”** All military outposts and operations abroad under foreign dominion are to be lawfully closed or transferred, securing full independence. Clause four is the major strategic strike — cutting hidden foreign strings and ending external influence.
- **“BINDING DUTY”** The final paragraph reaffirms the President’s sacred duty and declares all officers bound by oath and honor. Clause five closes the circle: compliance is not optional, and betrayal carries consequence.
- **REAL IMPACT — WHAT APPLICATION WOULD MEAN** If enforced, consequences are seismic:
  - **Civilian supremacy restored** — no more untouchable generals.
  - **Institutional purge** — dismissals and inquiries into compromised officers.
  - **Geopolitical reset** — bases, operations, and partnerships reviewed.
  - **Domestic mobilization** — supporters vindicated; bureaucracy forced to choose.

- **Such moves provoke media storms**, bureaucratic pushback, and friction in the ranks — but for a nation seeking reconstruction, rupture may be necessary.
- **CONCLUSIONS — WHAT WE WANT AND WHAT WE WOULD GET** This circulating declaration is more than paper. It's a plan to remind officers of their oath, summon accountability, restore sovereign order. For Trump's supporters, it signals that uncompromising action is contemplated. For the architects of the parallel state, it sounds like a trial.
- **The message is clean and brutal**: constitutional order returns, and traitors pay — in honor, rank, and privilege.
- **CALL TO THE PEOPLE** If you want order, demand clarity. Push institutions to honor their oaths, insist on public summonses and transparent reviews. The people have the right to know who serves them and who serves another agenda. This declaration forces a choice: believe in sovereignty or accept control. Choose.

## **J. Wed. 8 Oct. 2025 IT'S HAPPENING – TRUMP'S MASS ARRESTS HAVE BEGUN**

...Revealed Republic on Telegram

- **Federal forces are executing a nationwide cleanup**. Sanctuary cities are collapsing as hidden command networks are dismantled. Trump's return to full authority has unleashed sealed operations that have been waiting since 2021. What began with Memphis was only the opening strike. Thousands arrested. Hundreds missing. The media is silent.
- **This is not local crime cleanup** — this is counterinsurgency. Mayors, judges, city attorneys, NGO heads, and intel contractors are being detained under sealed indictments. Sanctuary cities were never about immigrants. They were foreign-controlled nodes for trafficking, cartel logistics, money laundering, and proxy warfare inside U.S. borders. Those hubs are now falling.
- **Federal task forces embedded with DHS**, Marshals, and JAG intelligence have invoked Continuity of Government protocols. Compromised officials are being extracted without negotiation. Some cooperate. Others vanish. City halls are emptying. Courtrooms are dark. The grid is breaking.
- **Chicago. Portland. Atlanta. Seattle. Austin. Philadelphia.** Each under federal watch. Classified seizures of servers, funds, and encrypted networks continue. NGO "charities" exposed as foreign fronts. Over \$1.2 billion frozen by Treasury's Financial Crimes division. The fake humanitarian cover is gone — replaced by federal command.
- **Military tribunals have begun**. Not televised. Conducted at secured JAG sites for crimes of treason, sedition, and subversion. Over 30 high-level defendants confirmed in closed trials. These are not rumors. These are active wartime proceedings under military law.
- **Officials "on leave" are being held**. Federal extraction teams have removed entire departments. Treasury audits, DOJ seizures, and grand jury reviews are expanding. This is asset denial during wartime — the dismantling of the deep-state municipal grid.

- **The Emergency Broadcast test** was no coincidence. It was a national synchronization event — preparing for the public phase. Trump's recorded message is locked under continuity protocol, ready to activate if elite retaliation escalates.
- **The parallel government** — the shadow network of city-based globalist power — is burning from within. Sanctuary strongholds are gone. Their financial pipelines severed. Their protection shattered.

**K. Wed. 8 Oct. 2025 GREETINGS FROM GUANTANAMO:** Which Presidents Will Be Attending? Treason, Deep State, Military Trials, Official Records, and the Complete Indictment List! ...Emergency Broadcast System on Telegram.

- **The world's worst criminals are housed at Guantanamo Military Federal Prison.** Obama, Biden, Bush, Brennan, Strzok, Holder, and Hillary and Bill Clinton, to mention a few. Gitmo is the shadowed stronghold of muttered justice, shrouded in secrecy. Is this the Deep State elite's last stop, according to raging rumors? Clinton, Obama, Bush, Biden, Brennan, and Holder are all mentioned, and the question is now when rather than if.
- **VIPs from the Cabal, Illuminati, and Global Elite** are reportedly being held by U.S. Special Forces on charges of crimes against humanity, child trafficking, and violations of human rights. The military now has the legal authority to take their assets, move them to Gitmo under military law rather than civilian courts, and extract them from anywhere on Earth thanks to Trump's December Executive Order on Corruption. According to reports, the National Guard and Marines have been stationed there to protect "special prisoners" while the facilities undergo extensive renovations, including a new hospital and a \$500 million expansion.
- **Benjamin Fulford, Brenden Dilley, Dr. Jerome Corsi, Corey Goode, David Todeschini, and other insiders** point to sealed indictments in the tens of thousands that permit arrests of Deep State leaders. A shocking infiltration that affects governments, agencies, and even local offices is detailed in these sealed indictments, ongoing grand juries, and confidential reports. According to reports, Special Forces units are pursuing fugitives all over the world before they have a chance to flee. Gitmo is reportedly already receiving VIP detainees.
- **McCain, Bush Jr., Bush Sr., Bill and Hillary Clinton, Barack and Michelle Obama, John Brennan, James Comey, Robert Mueller, Joe Biden, Dick Cheney, John Kerry, George Soros, Nancy Pelosi, Dianne Feinstein, Adam Schiff, Chuck Schumer, Donald Rumsfeld, Loretta Lynch, Huma Abedin, John and Robert Podesta, Andrew McCabe, Peter Strzok, Lisa Page, and numerous others** are on the purported list, allegedly been subject to tribunals, some executed. Others were awaiting trial.
- **Gitmo was much smaller prior to Trump's election.** It is currently growing to accommodate tens of thousands of former elite inmates. Biden pledged to shut down Gitmo. However, his purported double hasn't. Why? Because, through the White Hat

Military Alliance, Trump continues to be the real Commander in Chief. The old order is falling apart. The tribunals will arrive soon.

- **WHERE WE GO, WE GO ALL IN... TRIBUNAL.**

#### **L. Wed. 8 Oct. 2025 THE TRANSFER OF POWER HAS BEGUN FOR OPERATION EARTH RESTORATION ...Nesara Gesara QFS on Telegram**

- **What started out as Redemption** has now turned into a full-scale transition. The Quantum Grid is up and running, the Redemption Centers are in post-clearance mode, and the QFS Allocation Teams have started to sync accounts across continents. The Alliance isn't testing the system anymore; they're moving things around. Quietly. Exactly. Without a doubt.
- **An algorithm that matches human intent** with frequency signature runs in the background of every activation. The QFS doesn't just read numbers; it also reads resonance. Those who are in line with humanitarian goals move up to the top tier. People who are still chasing greed fall out of range. This is how the new system keeps itself safe. No more washing. No more stealing. No more secret accounts that help black projects. The days of manipulating things from abroad are over.
- **The Treasury Nodes** are now connected by Quantum satellite uplinks and are giving up control of global reserves to the Alliance. Every country that is part of NESARA or GESARA is being changed to an asset-backed operation. The design of fiat currencies is making them fail. The Gold-backed Rainbow Currency is now the standard for everyone. Each wallet, account, and coin is logged, checked, and safe from the old banking parasite networks.
- **The next step is the Consolidation Phase**, which includes global audits, canceling debts, and merging old accounts into the new sovereign ledger. People who have verified QFS IDs will soon get notifications about access. Media won't tell the world this; only people who are already in the network will.
- **The old system is slowly dying.** The new one is alive under it. Every hour, the balance moves more toward light. The Reset isn't coming; it's happening.
- **Be on the lookout.** Keep your identification, papers, and QFS credentials safe. The next signal won't be a rumor; it will be a command.

#### **M. Wed. 8 Oct. 2025 BREAKING INTEL DROP TRUMP TO LAUNCH \$150 TRILLION GESARA OPERATION OCTOBER 1<sup>ST</sup> ...John F. Kennedy on Telegram**

- **On October 1, 2025**, President Trump launched a \$150 trillion financial operation to dismantle global elite control and return America's stolen wealth to its people. Acting under full Constitutional and military authority, Trump has signed the National Endowment Directive — unlocking mineral assets buried beneath U.S. federal land for decades. These resources, worth more than \$150 trillion, were sealed away by globalist policies designed to keep Americans poor and dependent.

- **This isn't just about minerals** — it's about power. The operation ties directly into GESARA, providing the legal framework for restitution payments, QFS rollout, and the return to gold-backed currency. Quietly prepared, it is now entering Phase One: the Greatest Wealth Transfer in U.S. history.
- **THE LAND WAS ALWAYS OURS** Over 250 million acres of U.S. land hold untapped reserves of gold, silver, copper, uranium, lithium, and rare earths — resources greater than the GDP of every nation on Earth combined. These were blocked by decades of corrupt legislation under the guise of “environmental protection.” In reality, they were financial blockades. They told us to invest in tech while sitting on soil full of gold. They told us to “go green” while they flew private jets to Davos and bought lithium mines abroad. That game is over.
- **PHASE ONE BEGAN OCTOBER 1** Trump's Directive activates immediately:
  - Releasing internal mineral surveys to vetted American teams, bypassing monopolies.
  - Granting leases under national protections, blocking foreign control.
  - Routing revenue into the Unified Treasury Reclamation Fund, built on GESARA law, issuing payouts to verified citizens through QFS verification.
- **Pilot programs** are already issuing test deposits labeled “Repatriation Royalties” and “GESARA Phase 1 Transfers” into QFS-linked wallets.
- **GESARA QUIETLY IN PLAY** For years mocked and censored, GESARA is now active through executive orders, private channels, and military-enforced systems. Behind the scenes:
  - IRS offices shutting down.
  - Student loans and federal tax debts being zeroed by ledger corrections.
  - Gold-backing infrastructure running node by node through QFS.
  - U.S. Dollar already shifting quietly into Treasury-issued, asset-backed form. None of this was designed to be public until secure. That moment is here.
- **THE ELITES IN PANIC** WEF leaders met secretly in Geneva last week — 300 jets landed in 36 hours. Their mission? Stop the mineral release. The IMF issued a bulletin warning of global “instability” if America backs its currency with minerals and gold. China is dumping U.S. bonds in desperation as their digital yuan plan fails. The American people, for the first time in generations, are about to receive real wealth — not debt, not subsidies, but gold-backed payouts tied to real resources.
- **WHAT TO DO NOW**
  - Validate your QFS ID through trusted channels.
  - Watch your accounts — if you're in the Treasury queue, you may already see early GESARA transfers.
  - Prepare for a tax overhaul: zero-interest loans, grants, and asset-based evaluations will replace credit scores.
- **THE END OF THEIR GAME** For decades, they told us debt was our fault, that scarcity was normal, that prosperity was selfish. They lied. What's unfolding now is justice — steady, calculated, unstoppable justice. And the man leading this reversal — the one they tried to silence, imprison, and erase — is Donald J. Trump. Still standing. Still executing. Still fighting for what was always ours.
- **October 1 marks the beginning.** And nothing can stop what comes next.

## **Med Beds**

**R. Wed. 8 Oct. 2025 HISTORIC SHIFT! Trump Activates Quantum Health Order — Med Beds Begin Full-Scale U.S. Deployment as Military Intel Leaks! Everything Changes NOW! ...Nesara Gesara QFS on Telegram**

- **President Donald J. Trump has signed the Quantum Restorative Health Systems Directive (QRHS)** — a classified military order authorizing the nationwide Med Bed rollout and the NECES brain recalibration protocol. Military protection is in place. Healing is no longer in the hands of the global elite. This is the final phase.
- **You don’t need a Med Bed to begin healing.** The Healing Wave can be activated from home. Patriots already doing this are regenerating outside the system the elites once controlled.
- **With QRHS, Trump launched three operations:** the deployment of over 100 military-protected Med Bed centers across the U.S., the mandatory NECES recalibration program to safely interact with the quantum interface, and the declassification of 60 suppressed frequency-healing patents buried by DARPA and pharmaceutical conglomerates. These technologies were never experimental. They were hidden to control you.
- **The Healing Wave was discovered when a patient kept healing after a Med Bed powered down,** emitting low-frequency pulses identical to Earth’s resonance. Military scientists realized his body was generating a self-sustaining scalar field that repaired tissues, restored conductivity, and improved nearby personnel. This phenomenon has now been verified in thousands of individuals. More importantly — it can be triggered without Med Beds.
- **Civilians are activating it now using early NECES-phase methods** — breathing patterns, frequency entrainment, pineal activation, and EMF isolation. Once triggered, the Healing Wave becomes a self-sustaining resonance pattern that can be taught, replicated, and spread.
- **Med Beds require a pre-aligned brain free from Deep State frequency programming. That’s why NECES is mandatory.** It recalibrates your pineal gland, trains your nervous system to hold scalar frequencies, clears EMF and pharmaceutical residue, and prepares your body for regenerative pulses. But its first stages can be done from home. Underground healing circles and ex-military operatives are already activating across America and Europe.

- **Trump's team has launched Operation Lazarus Protocol** to prioritize those already field-active. If your frequency is clean and neural patterning prepared, you'll be accepted first. Those who wait won't register — not because they're blocked, but because their signal can't be read.
- **The elite's system is collapsing.** Rockefeller medical schools, Soros-funded vaccine regimes, Gates-backed WHO suppression, and CIA-led biofield-blocking projects — all failing. Moderna collapsing. Pfizer shuttering labs. WHO canceling summits. DARPA's OMEGA dismantled. The Healing Wave escaped. Trump made sure it did.
- **No broadcasts will warn you.** The system that poisoned you will never teach you to heal. You must step outside it. Activate the Healing Wave from home. Begin recalibration. Prepare your field. Become the thing the Deep State never expected — a population that heals itself.
- **Med Beds are coming.** Trump has cleared the path. But your body doesn't have to wait. You are the technology now. Act like it.

She watched him walk in frail and exhausted - and walk out strong, smiling, alive again. "It was like watching hope return to our home," she says. Today, her husband laughs, plays with their children, and lives without pain. For Margaret, that's not just healing - it's a second chance at life!

- **THIS WAS NOT POLICY ERROR. THIS WAS PURPOSEFUL BETRAYAL** From the highest office, actions once dismissed as mistakes are reclassified as missions aimed at undermining national resilience. Evidence points to coordinated infiltration, funding of proxy networks, and embedding operatives across key agencies. Tribunal briefings call it strategic betrayal.
- **OPERATION FALCON SPEAR: MILITARY JUSTICE IN MOTION** Within 72 hours covert JAG movements have intensified. Four sealed sites in the capital have been activated for military trial usage. Combat legal teams dispatched under blackout protocols. Witness extraction teams securing high value testimony. Civilian oversight bypassed through Emergency Executive Military Authority.
- **THIS IS A DECIMATION OF THE SHADOW REGIME** Nightshade is the first domino. Next targets include former cabinet officials, senior intel operatives, globalist linked executives, and rogue elements inside defense command.
- **THE TRIBUNALS WILL NOT BE TELEVISED BUT THE VERDICTS WILL SHAKE THE EARTH** No theatrics. No soft landings. Sentencing will be swift and irreversible. Detention facilities prepared and expanded.

## **T. Wed. 8 Oct. 2025 THE TAX TRAP — AMERICA’S HIDDEN ENSLAVEMENT**

...Charlie Ward and Friends on Telegram

- **In 1913, they said the income tax was temporary.** A tiny rate. Only for the rich. A patriotic duty. They lied. What began as 7% became 77% in five years. War was the excuse. Control was the goal. The “temporary” tax mutated into a permanent pipeline feeding a machine that bleeds every citizen dry.
- **They called it fairness.** It was theft legalized by the Sixteenth Amendment — passed the same year the Federal Reserve was born. Coincidence? Never. The Constitution once blocked federal taxation without apportionment. They rewrote it, not to fund freedom, but to enslave it. The Fed prints debt. The IRS collects tribute. And the people? Programmed to believe their chains are patriotic.

- **By 1983, Reagan's own Grace Commission** exposed the fraud: 100% of income tax revenue goes to pay interest on the national debt and federal transfer payments. Not one cent funds roads, schools, or defense. The truth: your taxes don't sustain America — they sustain the bankers who own it.
- **Every paycheck, every deduction, every April 15th** is a ritual of submission. They tell you it's for the common good, yet the money vanishes into the void of debt controlled by private central banks. The real government sits behind the curtain, counting your labor as collateral.
- **They normalized the lie.** They hid the theft behind words like “duty,” “equity,” and “public service.” But follow the money: it flows upward, never down. The political class feeds off your compliance. The Fed grows stronger. The IRS grows bolder. The people grow poorer. And the same families who wrote the laws still write the checks.
- **The Grace Commission findings were buried.** The press silenced. Congress ignored. Because exposure would have meant collapse — not of the government, but of the illusion. The illusion that you are free.
- **Every dollar you earn is proof of ownership** — not yours, theirs. Every tax form signed is silent consent to servitude. The Sixteenth Amendment wasn't reform. It was a coup.
- **You were never meant to fund freedom.** You were meant to fund your own captivity. And now the question remains:

**U. Tues. 7 Oct. LETITIA JAMES PANIC AS THE WITCH HUNT COLLAPSES UNDER ITS OWN WEIGHT ...Ezra Cohen on Telegram**

- **The woman who made her name chasing Donald Trump** is now the one being chased. Letitia James, once hailed as the hammer of the Democratic lawfare machine, is broke, exposed, and under investigation. Her office is imploding under the same corruption she weaponized against her political enemies. What began as a crusade against Trump has become a slow-motion implosion of her own making.
- **Sources inside the New York Attorney General's office** confirm she's out of cash and running out of options. After wasting over a million dollars in taxpayer money for her personal defense, she's now depending on secret donors and backroom money funnels to pay Abbe Lowell — the same lawyer tied to Hunter Biden's scandals — at nearly \$5,000 an hour. The irony is brutal: the woman who tried to bankrupt Trump is now begging for financial survival, trapped in a legal swamp of her own creation.
- **Meanwhile, major financial institutions are fleeing New York.** Fannie Mae and Freddie Mac have both begun withdrawing operations, citing political interference from James's office. She didn't just politicize justice — she weaponized it against the very economy she was sworn to protect. What she called “accountability” was extortion dressed in legal robes, and now even her allies are distancing themselves before the fallout hits.

- **Federal investigators are circling.** Civil rights violations, mortgage manipulation, and taxpayer fund abuse are all under review. Every charge she ever tried to throw at Trump is now echoing back at her. The same headlines she used for fame are becoming the blueprint for her own indictment. The Deep State's golden prosecutor has turned into its latest liability.
- **Trump warned the country this would happen** — that the architects of the witch hunt would one day face their own traps. That day has arrived. Letitia James is out of power, out of protection, and out of time. The weapon she built for political destruction has backfired, and the people are watching as the hunter becomes the hunted. Justice is not coming for Trump anymore — it's coming for her.
