Judy Note: *On Mon. 13 Oct. I had the pleasure of receiving many, many emails from some wonderful people who were working overtime in our joint Mission To Save The World. The below is just a very small example of what fellow Patriots across the Globe were doing:*

From Florida: Judy,

I'm disabled so at first, I was spreading truths from verified accounts on Telegram. These accounts had verified me, before I was allowed in to those special sites that you listed in your daily newsletter, when you were at it seven days a week. That was a while back-years.

I went full speed day and night in spreading those truths on five social media sites. I'd sleep 3-4 hours in the afternoon. When I was on GAB, I would get anonymous messages saying you have no idea how many people you are reaching or we see you. I would get many thank you's, which I screenshot because, in the beginning, I believe my post were spread across countries that spoke English.

I believe possibly the military was pushing my truths further out from my reach. That's just my guess, because of the verbal beatings I would take. I did not backlash. Sometimes they were using slang that seemed non-American. I just kept going.

Sometimes, I would reply by the message box to individuals and explain as much as I could and pointed people in directions to read your newsletter and or videos on Rumble, YouTube and the internet (The Fall of the Cabal)

I had reached approximately 5000 followers, except GAB was about 800 followers. I made my accounts public and turned off messages, if I could. Some people were very rude and mean and hurtful to me. I felt that all the ugly truth needed to be known and what was going on was very serious and that the more seeds I could plant, the less shock to the people.

Then I started getting messages from non-followers. After about 2 to 3 years, it seemed like the people changed and they had been doing their own research and they were agreeing with me.

Then like overnight, I wasn't beat up anymore and people would add to my post or forward them on or share. Even the excerpts I had put out, I would find an excerpt that really gave deep information and I would supply the source.

People would actually reply and ask questions and I would answer. I'm not kidding you. I've been at this day and night. I have nothing else to do.

I moved to Florida, because I had a spinal cord injury and I was afraid of driving in the snow. Well, I wasn't here 70 days and a 17-year-old ran a red light on purpose. I had a broken neck and a broken pelvis in three places, now mind you the year before to the month, I had a metal implant to hold my head up, because all my discs from cervical 3 to 7 had collapsed.

Then, 2020 happened and I was up late at night and God blessed me by leading me to video call on 11/20/2020 from a United Kingdom nurse pointing out the ingredients in the jab. That's why I decided that I would try to warn the people, but everybody beat me up on that.

Then, I had a little accident on my mower tractor that put me out of commission for eight months. During that eight months, I ran into one article I believe it had something to do with outer space or aliens and the article was written so well and I was impressed, because in today's world, people don't write very well. I looked at the author and it was you. When I ran into a second article and I looked, and it was written by you again. That's when I researched your name in late 2020 and I accidentally got into a government site HO1.us.

I was at it day and night 2021 to 2023. In 2024 I started having more medical problems, but I was still at it every day, but not 24 hours a day and not 18 hours a day, but at least 4 to 5 hours. I have over 10,000 screenshots from your writings, videos of the dumbs, of the aircraft, of the Evergreen container ships, pictures of the interior where the children would be strapped in those hell holes.

And I would get messages from people that were in Australia or the United Kingdom all over America. I would even get some from Mexico. People would re-share those screenshots.

I guess everything I've done has probably reached 25 to 50,000 people, but that's on everything I've shared and anything I shared of yours. I always gave credit to you and which site that they could finish reading the article. I bet those sites had sudden surges of people reading their articles.

Then I realized, I needed to start adding dates from when the screenshot was taken, so that they could go to that exact article. I had a rough two or three years of people beating me up, not wanting to believe the stuff that I was sharing. I think the military has the answer.

I do believe in my heart that what I lived from childhood forward, lead me to this mission. I am an Empath with psychic abilities, and when I run into those videos on YouTube about The Chosen, the black sheep of the family, not being unable to relate with every day chitchat. I never fit in anywhere. I fit every single point they make about God's Chosen.

I've had a lot of trauma in my life, which I understand that the Lord forges people in the fire to make them strong to continue his mission and I truly believe I'm on a mission from our Heavenly Father.

A lot of times, I beat the AI by spelling dot instead of putting the whole site name. Now I'm down to just Facebook, Truth Social, GETTR, Instagram, and I only take information off TikTok, because they've banned me for what I've shared, but that has helped us beat the Cabal.

From Australia: Thanks for your email Judy, I used to post too 100+ email and kept my family updated by messenger the last month they blocked my messenger and now picking on my emails. I do think that the E.B.S and the exposure on our airways will finish that part of our work, reality will set in, then the real hard work begin, looking forward with the helping hand. All the best, Hick.

From Thailand: Dear Judy B,

I am a 5 foot nothing, 100 pound grandmother, 89 years plus, who has waited many years to see this happen. My internet skills are pathetic and I depend on relatives to keep me informed. The last 2-3 months I have begun to forward these reports to a special group of people, a Christian ministry 4, maybe now 5 generations deep, living and serving in Thailand, Chiang Mai. The family group is descended from Samuel F.B, Morse, the inventor of the 1800,s.

After they were forcibly marched out of Burma, part of the second and third generation men returned through Thailand, 2 or 3 years later. (1970's.) Both of the brothers, (2nd Gen.) have three sons and three daughters, some still living in Thailand and faithfully serving the Rawang, Lisu and a few other tribes.

At first they evangelized, but soon the local tribes took charge. The Morses have us backup churches in the states sending donations to rebuild these tribes in various ways. They moved the mountain tribes away from the opium economy and they are taught and trained to become business people or the ministers who now train people for the host country. The children come into Chiang Mai (from the mountain areas) for public school, staying in large group homes while they go to school.

They take special care of old people and now, orphans, making sure that all are fed and kept safe. They are aware that this long, delayed revaluation may finally be a source of help to them. They hope to use funds I have (Zim) build a major training center back in Burma, where they originated before the Communist takeover.

I have no website, could never manage one, and friends and family laugh at my lack of electronic skills. I intend to continue to work with North Burma Christian Missions. I also have other groups that are hoping I can help them, but I have not sent them anything.

My 27 year old Bonneville has recently been hit by roaming deer here and I hope I don't wind up walking out of Mark Twain Forest where I live. My life is quiet and simple, but sometimes I am able to help others. I'd like to do that.

Sincerely,

Margaret Hopper, Christian County Missouri. Republican. Missouri Republican Assembly, Christian County Republican Committee woman, back yard gardener, - a simple life style.

Judy Note: Help Bring Kaitlynn Hunter home, along with other Children and Teens Caught in the CIA Mind Control international Sex Trafficking Network: <https://www.givesendgo.com/GDX1Z>

Pray for Kaitlynn Hunter – a 17 year old raped, beaten, starved foster care teen who was handcuffed by a SWAT Team and incarcerated in Ohio Juvenile Detention by Ohio Child Protective Services. There appeared to be no valid reason for Kaitlynn to have served close to seven years of brutalized foster care in the first place, other than to be CIA traumatized and Mind Controlled into a international Sex Trafficking Ring. Apparently her present situation

was to keep her from testifying against her and other Ohio Foster Care children and teen's abusers in the CIA run Ohio Foster Care Mind Control Program.

Pray for all Foster Children. Pray for Trump's Global Military Alliance who were right now, rescuing children and teens from the International Child Sex, Organ and Adrenochrome Harvesting Trafficking Ring run by the Vatican, supported by the CIA, funded by US Taxpayer dollars and money laundered through members of our blackmailed US Congress.

Be informed about what is happening to Foster Children: <https://stopcpslegallykidnappingchildren.org/who-we-are/cps-statistics> **CPS Statistics**

Call your Congress people. Demand answers. Demand solutions. Help Trump and team bring Kaitlynn and all Sex Trafficked Children and Teens home and out of harms way.

Call the US Capitol Switch Board in Washington DC to hook up with and complain to your state representative. Demand that they help take down the international Child Sex Trafficking Ring: 202-224-3121

A. Mon. 13 Oct. 2025 The big day is almost here. Over the next 24–48 hours, we should see the final activation steps. Official notifications may arrive at any time, signaling the start of the New Financial Era. ...Trump Supporters on Telegram

- **Global Activation:** The reset will go live very soon. Central banks and financial leaders worldwide will jointly confirm the switch, effectively launching the new quantum-secured monetary system.
- **Wallet Rollout:** We will be guided on how to access the QFS wallet. I'll be among the first to log in and see my new digital assets. The process will likely involve encrypted app updates or official messages, but it will be straightforward thanks to all the prep work.
- **Financial Reset:** Expect to see new currency rates posted in your wallet. Old debts may be adjusted or cancelled. All these changes will be enforced by the blockchain for full transparency – every transaction and update will be viewable on the ledger.
- **Smooth Transition:** All prior demonstrations have been successful. In fact, a recent pilot showed a completely offline quantum-safe digital currency transfer working flawlessly . With our security protocols and support teams ready, we anticipate a seamless shift with minimal delays or glitches.
- **Everything is in place for a smooth transition to the QFS.** Keep your notifications on – we're just hours away from a revolutionary change in global finance!

B. EBS: The Moment We've Been Waiting For ...Carolyn Bessette Kennedy

- **U.S. Military Alert:** All military forces worldwide are preparing to suspend all media, internet, phone, and TV services. Emergency services will stay active, but everything else is about to go dark.

- **During this time, no internet, no ATMs, and phones?** Only working for 911 calls. This is the global martial law we've been talking about, and it comes with a 10-day communication blackout. But here's the kicker: the Emergency Broadcast System will be activated worldwide. Nonstop, 24/7, 8-hour documentaries exposing the darkest secrets of the elite—fraud, corruption, pedophilia, and their arrests—will play three times a day. The truth will be unleashed.
- **After the 10 days of darkness,** we will reconnect to a new quantum internet. The old systems of government, education, finance, health, and commerce? Gone. A new age is coming.

C. What We Think We Know as of Oct. 2025:

- **Save The Children: For decades, Halloween has masked an ancient system of child abduction and torture.** Victims are often “prepared” weeks prior through starvation, assault, and psychological breaking — part of ritual programming. Many are taken by mind-controlled teens under the guise of trick-or-treating. In the U.S., 8 million children vanish every year — 213 every hour. For every neighborhood of 250 homes, 14 are believed to participate in ritual abuse networks. The mainstream media remains silent, controlled by global financiers who suppress all coverage of missing children.
- **Trump has ordered a total purge of the surveillance state.** An operation called Omega has been busy harvesting data from social media, banks, telecoms, and health apps, feeding it into AI systems designed to rank “behavioral risk.” Silicon Valley contractors built the backbone—under defense contracts—to score citizens like China’s social credit system. Biden’s administration knew and allegedly directed its use against political enemies. Trump has declared, “Americans were treated as lab rats in a global control experiment. That era ends now.”
- **“We are currently operating under the Gregorian calendar,** but remember this... in the Julian calendar, tomorrow **Tues. 14 Oct. marks October 1st** – the real beginning of the fiscal year. And that, my friends, is when RED OCTOBER officially begins.” ...Scott Brunswick
- **A great read for all Patriots by Senator Kennedy:**

- **Authorized by President Donald J. Trump** and executed under direct military coordination, Operation Summer Heat has become the largest covert takedown in U.S. history. Over 8,000 arrested. More than 1,000 children rescued.

D. Global Currency Reset:

Judy Note: It is my personal opinion, and I could easily be wrong, that when we hear the EBS go off with the sound of Seven Trumpets, we can soon expect to receive several messages on our cell phones generated from the new Starlink Satellite System. One of those messages should contain information about how to gain a redemption center appointment. Those who don't have foreign currency to exchange will use their appointment to set themselves up for banking, med bed treatment and voting using personal cell phones linked up to the Starlink Satellite System, while we with currency and bonds will do the same, plus be able to do our exchange.

E. Mon. 13 Oct. OPERATION WHITE SWAN — TRUMP'S MILITARY LAUNCHES FULL-SCALE GLOBAL CLEANUP ...Gitmo TV on Telegram

- **The quiet storm has broken. Operation White Swan is now fully active** — a coordinated, multi-continent military campaign aimed at dismantling the last pillars of the Deep State system. Under direct command from the Earth Alliance and protected by QFS integration teams, the operation spans financial seizures, biological warfare interdictions, and psychological counter-strikes that are reshaping the structure of global power. The media won't cover it, but the walls are collapsing.
- **QFS: The Digital Battlefield of Liberation** The Quantum Financial System is no longer theoretical — it's operational. Ninety-one percent of global SWIFT corridors are now under mirror surveillance, with central banks quietly drained through quantum decryption nodes. Over \$112 trillion in dark capital has been frozen or seized, much of it tied to ESG shell firms, trafficking pipelines, and bioweapon front companies. Former IMF and BIS command rooms are now under U.S. military audit. The IRS has been absorbed into the QFS lattice — its final servers rerouted and neutralized. The old money grid has fallen.
- **GITMO: The Tribunal Engine Awakens** Guantanamo Bay has entered a new phase — from detention to data extraction. Subterranean expansions and AI-integrated biometric confession systems are now operational. Detainees include biotech executives tied to aerosolized pathogens, royal intermediaries in human trafficking corridors, and CIA personnel involved in cloning research. Every interrogation is being recorded, cross-referenced, and archived in the quantum ledger for tribunal review. The prison has become a courtroom of truth, ready for mass judgment.
- **Cloning Facilities Neutralized — The Shadow Industry Exposed:** In just weeks, White Swan forces have dismantled major cloning centers in Colorado, Iceland, and Romania. These facilities produced behavioral doubles, synthetic influencers, and trauma-based memory implants for psychological warfare. Deep underground, White Hat neural forensics are decrypting biometric archives — linking synthetic identities to public figures now under scrutiny. The veil of artificial humanity is tearing.

- **Biological Warfare Thwarted — Genetic Attack on Patriots Blocked** A classified shipment of DNA-targeted pathogens was intercepted near Omaha. The virus, PRX-12, was engineered to attack Revolutionary War bloodlines — an attempt to erase the descendants of America’s founders. It was hidden in fortified grain shipments and activated by electromagnetic frequencies. The military seized it in time. The operation wasn’t random — it was an execution order aimed at the genetic foundation of the Republic.
- **EBS: Awaiting the Signal:** Tesla-grid uplinks are complete. NORAD and Starlink-5 have synchronized the final relay sequence. Video confessions, intercepted financial trails, and tribunal data are secured across all regions. The Emergency Broadcast System is on standby — waiting for final clearance after the last Tier-1 extractions in Switzerland, Israel, and Brazil. When the switch flips, every screen on Earth will carry the truth.
- **The silence before the storm is almost over.** The infrastructure of control is collapsing, the networks of deceit are being erased, and the financial heartbeat of the Deep State has been severed. Operation White Swan is live — and nothing can stop what comes next.

G. International Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring Run Out of the Vatican and housed in China's Three Gorges Dam in a tunnel that connects to other underground DUMB tunnels throughout the World, eventually to a 1,500 mile long tunnel that runs between the Vatican and Jerusalem:

- **Save The Children: For decades, Halloween has masked an ancient system of child abduction and torture.** Victims are often “prepared” weeks prior through starvation, assault, and psychological breaking — part of ritual programming. Many are taken by mind-controlled teens under the guise of trick-or-treating. In the U.S., 8 million children vanish every year — 213 every hour. - **Authorized by President Donald J. Trump** and executed under direct military coordination, Operation Summer Heat has become the largest covert takedown in U.S. history. Over 8,000 arrested. More than 1,000 children rescued.

H. Mon. 13 Oct. 2025: RED ALERT — OPERATION SUMMER HEAT EXPOSED ...Ezra Cohen on Telegram

- **The summer purge has begun.** What unfolded across America wasn't a “law enforcement action” — it was a battlefield event. Authorized by President Donald J. Trump and executed under direct military coordination, Operation Summer Heat has become the largest covert takedown in U.S. history. Over 8,000 arrested. More than 1,000 children rescued. Entire trafficking empires erased in one synchronized sweep. This was not politics. This was war.
- **Across the nation, cities long considered “untouchable” — San Diego, Dallas, Miami, New York, Boston — fell under coordinated raids led by white-hat military units using the FBI as public cover.** These were not random busts. Each extraction hit elite-protected networks: cartel operatives, foreign agents, money launderers, and political fixers. The arrests were pre-targeted months in advance. Thousands of kilos of fentanyl and cocaine, encrypted devices, offshore cash, and dark web servers were seized. And the message from Trump's command team was clear — the Deep State's bloodline of crime has been severed.
- **GITMO files now confirm what the media won't dare whisper: these operations were military in nature,** not judicial. Defendants are being processed through secret tribunals, beyond the reach of corrupted courts. Sources inside U.S. Army intelligence

have verified that live extraction footage exists — children rescued from underground containers, some tagged and sedated, found beneath corporate and government-owned sites. What began as whispers of conspiracy is now documented military reality.

- **This is Phase One of Operation Clean Sweep** — a global purge activated after Trump's January 2025 return under emergency authority. The targets are falling in order: first the traffickers, then the financiers, and finally, the political architects who built the machine. Over 45,000 kilograms of cocaine, 421 kilograms of fentanyl, 2,000 weapons, and hundreds of millions in illegal funds have been confiscated. Elite NGOs once untouchable are being dismantled. The “nonprofits” that laundered blood money are next.
- **America is crossing the threshold. The illusion of civilian control is over.** The military is no longer defending — it's reclaiming. The Deep State's black markets are imploding. The people are awakening. And as Operation Summer Heat rages quietly beneath the headlines, one truth is undeniable: the age of corruption is ending, and the hunters have finally turned on their masters.
- **Wed. 8 Oct. 2025 marked the beginning of Phase II** of President Trump's National Restoration Plan in the globalist war against America.
- **The Globalists' channels are collapsing.** The media no longer controls the lens. The military stands ready to enforce constitutional order under direct executive authority. The takedown has begun.
- **Evidence of financial trails**, encrypted transfers, and human intelligence confirm that Antifa is not an organic protest movement but a coordinated foreign-funded insurgency. Even as Trump's peace negotiations expand across the Middle East, his focus at home is Antifa command nodes in Chicago, Portland, and Phoenix that are receiving tactical guidance from foreign-trained operators.
- **Their money flows through European climate foundations**, Balkan banks, and Luxembourg trusts — the same pipelines that financed NGO “relief” fronts now exposed as logistics channels for riots, assassinations, and sabotage. Trump's Quantum Command — the NSA's restored cyber division — has traced money laundering operations back to offshore “climate funds” feeding resistance networks.
- **The National Restoration Plan** involved dismantling the Soros-financed domestic terror network, securing the Quantum Financial System, and taking military jurisdiction over compromised U.S. cities. Federalize National Guard units will make sure local governments that shield foreign assets will face military oversight.
- **The same system now used to transfer digital chaos** will soon be repurposed to deliver digital sovereignty. It's the beginning of economic freedom from the Cabal that financed this war in the first place.

I. Mon. 13 Oct. 2025 READ CAREFULLY. THE CLOCK IS TICKING ...Q on Telegram

- **At 12:01 a.m. on Wed. Oct 1**, the Democrats triggered a government shutdown to block Trump's final move. Their goal: restart the flow of laundered taxpayer money into their own pockets — funds Trump had already cut off.
- **But the shutdown backfired.** It wasn't America that went dark — it was the private corporation US Inc. collapsing with its worthless fiat dollar. This opened the path for Trump's Declaration of Sovereignty under Common Law.
- **That same day, Trump and the BRICS Alliance flipped the global switch** — activating the Quantum Financial System. The QFS, fully gold-asset-backed, began processing secure SHI transactions for Tier 3 humanitarian programs, military veterans, and verified patriots.
- **Meanwhile, the Emergency Broadcast System was fully wired and ready.** Both networks were synchronized — prepared for instant global activation. The “shutdown” was no accident. It was a forced reset.
- **Behind the scenes, Trump's Global Military Alliance** executed coordinated operations to dismantle centuries-old power structures. Specialized aircraft swept major cities for unregistered CIA frequency networks tied to mass surveillance and mind control.
- **Their targets? The same elite Satanic networks preparing for Halloween** — the high ritual days of **Oct. 30–31**, known among them as “Satan's Birthday.” Intelligence reports indicated organized covens planning mass child kidnappings and ritual sacrifices — offerings for “power and wealth.”
- **For decades, Halloween has masked an ancient system of child abduction and torture.** Victims are often “prepared” weeks prior through starvation, assault, and psychological breaking — part of ritual programming. Many are taken by mind-controlled teens under the guise of trick-or-treating.
- **In the U.S., 8 million children vanish every year** — 213 every hour. For every neighborhood of 250 homes, 14 are believed to participate in ritual abuse networks. The mainstream media remains silent, controlled by global financiers who suppress all coverage of missing children.
- **Do not dismiss this.** These people live around you — in government, law enforcement, and media. They hide behind wealth, influence, and secrecy.
- **Protect the innocent.** Be vigilant. Pray fiercely. The storm is no longer coming — it's here.

J. Mon. 13 Oct. 2025 BREAKING INTEL – THE OMEGA FILE EXPOSED ... Gunther Eagleman on Telegram

- **Leaked intelligence now confirms the existence of Omega File**—a covert global surveillance pact linking U.S. intelligence, foreign spy agencies, and Big Tech in a decade-long operation that secretly targeted American citizens, GOP lawmakers, and Trump allies.

- **Sources inside the Trump administration confirm President Trump has ordered an emergency audit of all intelligence agencies**, citing massive breaches of national sovereignty carried out under previous regimes. The leak came from within the Office of the Director of National Intelligence, exposing a 2011 agreement between the NSA, GCHQ, Israel's Unit 8200, and Germany's BND—with silent backing from China's MSS.
- **The mission: build a behavioral prediction system to track, shape, and ultimately control political thought** and social movements across Western nations. What began as counterterrorism tech was weaponized by 2015 to hunt “anti-globalist sentiment,” populist voices, and Trump supporters.
- **Omega harvests data from social media**, banks, telecoms, and health apps, feeding it into AI systems designed to rank “behavioral risk.” Silicon Valley contractors built the backbone—under defense contracts—to score citizens like China's social credit system. Biden's administration knew and allegedly directed its use against political enemies.
- **Trump's response is Operation IRON CLEANSING**—a total purge of the surveillance state. In private briefings, he declared: “Americans were treated as lab rats in a global control experiment. That era ends now.”
- **Kash Patel now leads a special task force** investigating Omega's ties to the World Economic Forum, Atlantic Council, Open Society Foundations, and BlackRock—entities accused of funding and shielding it under ESG and “resilience” programs.
- **Tech giants were the silent enforcers.** Meta flagged private chats. X handed metadata to “integrity” teams. Apple's Health app tracked stress and heart rates to measure “emotional volatility.” A whistleblower confirmed: “They didn't just monitor what you said. They measured how you felt when you said it.”
- **Trump is preparing to declassify Omega** under the Presidential Transparency Act, with several tech CEOs and ex-intel chiefs already under sealed indictment. He's expected to address the nation on October 15, revealing “the real war” fought behind the curtain.
- **Omega wasn't safety. It was domination**—psychological, digital, and spiritual. A machine built to crush human freedom in the name of progress.

L. The World is Changing From Dark to Light:

- **Get Ready For Three Days of Communication Darkness and Ten Days of Disclosure.** The power to the entire World could switch off briefly to install our new Starlink Satellite Internet. Shutdowns will occur, but only in certain areas. Banks will close. ATMs and Credit Cards will stop working. Have at least a month's supply of food, water, cash, medicine and essential items on hand for yourself, your family and to share with others in case of emergency. If you're unprepared, don't worry. The Military will supply what you need. Nonstop education will be broadcast, teaching everyone about the true principles of Freedom and Justice.

M. Help The Children: Former ICE Director Tom Homan is igniting a nationwide crusade: He's going to deputize every American to hunt for missing kids. No more silence. No more hesitation. Every second lost is another child gone. If you suspect a child is in danger, being abused or trafficked, don't look away. **Act Now. Call: 1-866-347-2423**

Look For:

- **Children who are in places they shouldn't be**—factories, shady businesses.
- **A terrified child** with a controlling adult.
- **Kids who NEVER play outside**, or don't go to school, are hidden and/or isolated.
- **Over-controlled children** – the adult will not let them communicate with others.
- **Children** who are always silent or fearful.
- **A child who is not allowed to, or is afraid** to interact with others.

N. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands kauliadon@gmail.com
trustakua@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

O. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: [Ballard Family Defense Fund on GiveSendGo Here](#)

P. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested two years ago and has been sitting in prison since.

Ken is able to receive regular mail now – envelopes. Remember that all mail is opened and read by a prison employee. Please send to:

Paul Kenneth Cromar #13871081 FCI Federal Prison Camp PO Box 6000 Florence, CO 81226-6000

Please send any donations to help with commissary, phone calls, and other expenses to: The Cromars P.O. Box 942 Pleasant Grove, Utah 84062

Many pray that justice may finally be served and all charges dropped in state and federal cases against Barbara and Ken. Raland Brunson prepared a website where people can sign a petition to President Trump for that pardon:

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
