Judy Note: I celebrate Tom Fairbanks release from prison, am thankful for President Trump for making it happen and apologize for the below links to my articles on *Before It's News* that won't work.

Since 2013 I have written over a hundred and fifty articles for *Before It's News* and become one of their top reporters – until the early part of October when someone hacked my BIN site (<https://beforeitsnews.com/v3/contributor/bio/?uid=243590>) and made it so I can't post articles and so no one could read them. I have made multiple complaints to BIN Editor Sharon Boone to no avail. In the past Sharon and *Before It's News* have been very supportive. I am confused as to what was going on.

But it was not hard to guess who was behind it all. By far the majority of my articles were about the Satanic Ritual Abuse of children and the international Child Sex Trafficking Ring run by the Vatican, funded with US Taxpayer dollars laundered through the CIA that was used to blackmail Elites and Politicians to do the Cabal's bidding.

The bad guys were out there and very busy.

But then, so was President Trump very busy. Evidently a week ago Trump was instrumental in releasing Tom Fairbanks from prison. Fairbanks had spent much of his life gathering evidence on the Satanic Ritual Abuse (SRA) of children in Utah – and had suffered much for his efforts: nearly died from being poisoned, suffered years of court battles on made up cases, and finally, imprisonment.

In early March 2024 Tom Fairbanks was arrested and placed jail. Although he had been convicted on other counts, the real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases – that involved higher ups in the courts, police and political field – to be running around unchecked.

Fairbanks' problems began when he decided to take his years of evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life, including being poisoned where he was hospitalized and nearly died and facing the next years in court battles on made up cases.

Tues. 14 Oct. 2025 Update on Tom Fairbanks by Ryan Nelson:

On Monday October 6, 2025 after receiving a letter from President Donald J. Trump acknowledging receipt of communications to him, prisoner Tom Fairbanks [Intelligence Support Activity (ISA)], lovingly known as "Santa" was awakened by his case manager about 6:30 am and informed that he was being released to go home.

On Monday October 6, 2025 and in typical BOP (Broken on Purpose) fashion, he finally arrived at his Logan Utah home about 9:00 pm.

After 596 days inside US Marshall Service Custody and the BOP, an absence of 856 days from home, plus seven years defending himself of the corruption he revealed. It had been

15 years since he was taken down the rabbit hole of Satanic Ritual Abuse (SRA), Child Sex Abuse, Human Trafficking, Public Corruption, and Acts of Treason in the Government and the Judicial System.

Now he was ready to go back to work and clean up the mess that was left behind.

He was currently working on his new publication, “Santa’s Tales of Jail – An Insider’s View of the American Justice System,” along with his own story, “Cache Collision – A Story of Corruption, Collusion and Abuse,” while wading through the cards and letters of support he has received from around the world. – Thank you Judy Byington [HOME | Judy Byington \(judy-byington.com\)](https://www.judybyington.com) and Pastor Sanders [Home - WRWL Ministries](https://www.wrwlministries.com)

Judy Note: Help Bring Kaitlynn Hunter home, along with other Children and Teens Caught in the CIA Mind Control international Sex Trafficking Network: <https://www.givesendgo.com/GDX1Z>

Pray for Kaitlynn Hunter – a 17 year old raped, beaten, starved foster care teen who was handcuffed by a SWAT Team and incarcerated in Ohio Juvenile Detention by Ohio Child Protective Services. There appeared to be no valid reason for Kaitlynn to have served close to seven years of brutalized foster care in the first place, other than to be CIA traumatized and Mind Controlled into a international Sex Trafficking Ring. Apparently her present situation was to keep her from testifying against her and other Ohio Foster Care children and teen’s abusers in the CIA run Ohio Foster Care Mind Control Program.

Pray for all Foster Children. Pray for Trump’s Global Military Alliance who were right now, rescuing children and teens from the International Child Sex, Organ and Adrenochrome Harvesting Trafficking Ring run by the Vatican, supported by the CIA, funded by US Taxpayer dollars and money laundered through members of our blackmailed US Congress.

Be informed about what is happening to Foster Children: <https://stopcpslegallykidnappingchildren.org/who-we-are/cps-statistics> [CPS Statistics](https://www.cpsstatistics.com)

Call your Congress people. Demand answers. Demand solutions. Help Trump and team bring Kaitlynn and all Sex Trafficked Children and Teens home and out of harms way.

Call the US Capitol Switch Board in Washington DC to hook up with and complain to your state representative. Demand that they help take down the international Child Sex Trafficking Ring: 202-224-3121

A. Possible Timing:

- **Tues. 14 Oct. 2025:** Space Force confirmed that overnight they activated a series of Satellites – a network grid that covers all continents known as Project Odin – that is designed to replace the entire internet infrastructure owned by private corporations.

B. Tues. 14 Oct. 2025 Project Odin Initiated ...Emergency Broadcast System on Telegram

- **SPACE FORCE CONFIRMS THAT A SERIES OF SILENT SATELLITE ACTIVATIONS OCCURRED OVERNIGHT. THESE SATELLITES ARE PART OF**

A CLASSIFIED NETWORK KNOWN AS PROJECT ODIN - A QUANTUM COMMUNICATION GRID DESIGNED TO REPLACE THE ENTIRE INTERNET INFRASTRUCTURE.

- **THE OLD SYSTEM RUNS ON CENTRAL SERVERS CONTROLLED BY PRIVATE CORPORATIONS.** ODIN RUNS ON SELF-GENERATING NODES THAT CAN NEVER BE SHUT DOWN. EVERY TRANSMISSION IS ENCRYPTED IN REAL TIME THROUGH QUANTUM ENTANGLEMENT. NO SPY NO BACKDOOR NO CENSORSHIP.
- **ENGINEERS INSIDE THE PROGRAM CONFIRM THAT TEST SIGNALS HAVE BEEN SENT ACROSS ALL CONTINENTS.** WHEN THE FINAL SWITCH IS PULLED, MAINSTREAM SERVERS WILL GO DARK AND ODIN WILL GO LIVE WITH MILITARY OVERSIGHT.
- **SOCIAL MEDIA GIANTS ARE ALREADY IN PANIC MODE,** REPORTING “DATA CENTER OUTAGES.” IN REALITY THEIR ROUTING KEYS HAVE BEEN INVALIDATED. ONCE ODIN ACTIVATES, ALL DIGITAL TRAFFIC WILL BYPASS THEIR GATEKEEPERS FOREVER.
- **WHEN THE TRANSITION OCCURS,** INFORMATION WILL FLOW WITHOUT CONTROL. THE WORLD WILL FINALLY SEE WHAT HAS BEEN ERASED FROM HISTORY, FROM SCIENCE, AND FROM HUMAN MEMORY.

C. EBS: The Moment We’ve Been Waiting For ...Carolyn Bessette Kennedy

- **U.S. Military Alert:** All military forces worldwide are preparing to suspend all media, internet, phone, and TV services. Emergency services will stay active, but everything else is about to go dark.
- **During this time, no internet, no ATMs, and phones?** Only working for 911 calls. This is the global martial law we've been talking about, and it comes with a 10-day communication blackout. But here’s the kicker: the Emergency Broadcast System will be activated worldwide. Nonstop, 24/7, 8-hour documentaries exposing the darkest secrets of the elite—fraud, corruption, pedophilia, and their arrests—will play three times a day. The truth will be unleashed.
- **After the 10 days of darkness,** we will reconnect to a new quantum internet. The old systems of government, education, finance, health, and commerce? Gone. A new age is coming.

involvement in both the CIA's Seal Team Six and Benghazi Massacres. The evidence includes unauthorized FISA requests, fabricated intelligence reports, and covert data sharing with foreign allies. Global Currency Reset:

Judy Note: It is my personal opinion, and I could easily be wrong, that when we hear the EBS go off with the sound of Seven Trumpets, we can soon expect to receive several messages on our cell phones generated from the new Starlink Satellite System. One of those messages should contain information about how to gain a redemption center appointment. Those who don't have foreign currency to exchange will use their appointment to set themselves up for banking, medical treatment and voting using personal cell phones linked up to the Starlink Satellite System, while we with currency and bonds will do the same, plus be able to do our exchange.

E. Tues 14 Oct. 2025 The Big Call, Bruce:

- **Last Thurs. 9 Oct.** President Trump told Sudani of Iraq that he had about a week to get things done for the Global Currency Reset.
- **A source said to look for Tier4b** (us, the internet group) to be notified Thurs. 16 Oct. and exchanges would start shortly thereafter.
- **A phone call** from a Source in the new US Treasury said we would get notifications **late weekend Sunday into Monday** and we would be exchanging early **next week**.
- **Bond Holders** were told they would have access to their funds **soon**.

F. Judy Note: On Unsung Hero Patriots:

I have had the pleasure of recently receiving many, many emails from some wonderful people across the Globe who were working overtime in our joint Mission To Save The World.

The below is just a very small example:

- **Poland Mieczysław:** “Hello, ma'am. I am publishing your information. I am very happy that you are awakening people. I am not doing this for money. I translate your articles into Polish. I consider you a very valuable person. Your articles are very inspiring to people in Europe. You are a great authority for me. I believe that the truth should be revealed. If I am not to do this, should I stop? We live in times when there can never be too much truth. With respect, Mieczysław”
- **New York, John Krol:** “There are the people who love or hate me because of talking truth. I will be 73 in December 5th. I make people uneasy. In the US Army I was stationed in South Korea and I called home. My mother told me to be careful as on the news it was said the chemical known as Agent Orange was being used on railroad tracks

in Long Island City, NYC. That was around 1972. I was a railroad clerk and later a NYCTPD officer and then detective. I became a trustee and made friends with George McDonald of TWU. He created a website that had every chemical ever used on the transportation system. He wanted the employees to know and access. He gave me copies of all violations on any facility I wanted. I created a OSHA kind of position and I met once monthly with Thomas Savage the top civilian manager of the TA. I copied all those chemicals and sent it to the chief. The TWU would fight with employer and then they would moved it to the police until me. We merged in 1995 and I was eliminated. I was invited to be a Freemason and at first felt honored and later said no. It would violate my oath to the Constitution. I could go on and on. Participating in my own way patriotism.”

- **Brazil, Danilo Sérgio:** “It's my honor to allow me to share your brilliant informative work, and I'm very happy for your permission. Thank you very much. I understand the copyright issue you mentioned and your concern. I can tell you that some groups here in Brazil have also harmed many people, and our federal police have detained them. I usually share your posts as readings on my YouTube channel. My channel has about 34,000 viewers, so on average, I receive a little over 5,000 daily views. I always mention where I find your articles on the Dinar Chronicles and Operation Disclosure Official websites, and I'm very faithful to reading them. It's a great pleasure to share this information that has opened the minds of thousands of people. I'm at your disposal if you'd like to send a message to people here in Brazil through my channel. I can pass on your message, and it would be an honor. A big hug from your friend and admirer of your work, Danilo Sérgio!”
- **France, Jean-Luc Catoire:** “Hello Judy, My name is Jean-Luc Catoire. I am French. I have been translating and publishing excerpts from your articles on the Restored Republic for many years (since 2018, I believe) in my weekly newsletter “République Restaurée” on the websites “GESARA et la Nouvelle Terre”:
<https://gesarant.blogspot.com/> <https://beesbuzz.com/gesara/blog/> Several links on Facebook, VK, MeWee, and Telegram refer to these two websites, which are not censored. I have had more than 80,000 readers over the years. For many years, I published your articles every day. But since 2023, I have become responsible for humanitarian projects in my region within Medbeds-France. These projects concern Skye Prince's military Medbeds, which will be integrated into civilian centers and will offer free care to the population. Therefore, I no longer have time to publish your articles every day. I have therefore switched to a weekly publication. Thank you for all the incredible work you have been doing for so many years. We will soon be reunited with all the humanitarians and whistleblowers in this new world, this New 5D Earth that we have been waiting for and building for all these years. Tens of thousands of French and Quebecois people read your posts. Congratulations on your tremendous work. With gratitude from France.”

G. Tues. 14 Oct. 2025 THE TRANSFER OF POWER HAS BEGUN FOR OPERATION EARTH RESTORATION ...Nesara Gesara QFS on Telegram

- **What started out as Redemption has now turned into a full-scale transition.** The Quantum Grid is up and running, the Redemption Centers are in post-clearance mode, and the QFS Allocation Teams have started to sync accounts across continents. The Alliance isn't testing the system anymore; they're moving things around. Quietly. Exactly. Without a doubt.
- **An algorithm that matches human intent with frequency signature runs in the background of every activation.** The QFS doesn't just read numbers; it also reads resonance. Those who are in line with humanitarian goals move up to the top tier. People who are still chasing greed fall out of range. This is how the new system keeps itself safe. No more washing. No more stealing. No more secret accounts that help black projects. The days of manipulating things from abroad are over.
- **The Treasury Nodes are now connected by Quantum satellite uplinks and are giving up control of global reserves to the Alliance.** Every country that is part of NESARA or GESARA is being changed to an asset-backed operation. The design of fiat currencies is making them fail. The Gold-backed Rainbow Currency is now the standard for everyone. Each wallet, account, and coin is logged, checked, and safe from the old banking parasite networks.
- **The next step is the Consolidation Phase, which includes global audits, canceling debts, and merging old accounts into the new sovereign ledger.** People who have verified QFS IDs will soon get notifications about access. Media won't tell the world this; only people who are already in the network will.
- **The old system is slowly dying.** The new one is alive under it. Every hour, the balance moves more toward light. The Reset isn't coming; it's happening.
- **Be on the lookout.** Keep your identification, papers, and QFS credentials safe. The next signal won't be a rumor; it will be a command.

Restored Republic

I. October 10, 2025 BREAKING OVERNIGHT INTEL DROP – AMERICA UNDER SIEGE ...Nesara Gesara QFS

Overnight chaos across America. Trump has moved. The shutdown is no longer a budget fight — it's open warfare. Letitia James indicted. National Guard deployments blocked. Antifa exposed. Deep State bleeding. Patriots stand by.

- **1. GOVERNMENT SHUTDOWN GOES TACTICAL** This isn't politics — it's a surgical strike. Trump has cut the Deep State's financial arteries. Federal funding to blue states frozen. Airports now broadcasting clips exposing Democrat treason. Economic data locked. Federal agencies paralyzed. The system is gasping for air while patriots watch from the high ground. The Senate's hollow \$925 billion defense bill means nothing. Trump's conditions were ignored — now the system starves. The Deep State is out of oxygen and time.
- **2. NATIONAL GUARD BLOCKED, SIGNALS SENT** Rogue judges are blocking federal deployment orders. Obama's loyalists trying to trap state Guards under legal knots. Texas, Florida, and Ohio already rejecting federal interference. Behind the noise, Trump's command structure is aligning. Chicago, Memphis, D.C. listed as active zones. The military is not asleep — it's waiting for the go-code.
- **3. LEGAL EARTHQUAKE – LETITIA JAMES INDICTED** New York's witch hunter now hunted. Charged with real estate fraud — the same crimes she weaponized against Trump. Her "clerical error" excuse collapsed instantly. Panic inside Democrat leadership as internal files go missing. Schumer rages at the DOJ, calling it "rogue." Translation: their protection net is gone. One down. Dozens next.
- **4. ECONOMY IN CONTROLLED DEMOLITION** 900,000 federal workers unpaid. Programs frozen. Data blacked out. Each week of shutdown costs \$15 billion — money they can't launder. Markets convulse, but patriots see order in the collapse. The swamp isn't being shut down — it's being drained by starvation.
- **5. ANTIFA UNMASKED** Reports from Portland reveal chaos theater — staged "protests," AI chants, masked arsonists. They thought confusion would save them. Trump's terror classification is now active. Raids and seizures incoming. The clown masks won't save them when the Guard rolls in.

Prop 50, Gavin Newsom's latest power play disguised as electoral reform, has been exposed for what it truly is — a precision-engineered scam. Voters across multiple counties are confirming that their choices are visible through the very envelopes meant to protect their privacy. L. Tues. 14 Oct. 2025 Gavin Newsom officially signs AB 495 into law. The Legalized Child Kidnapping Bill ...Emergency Broadcast Channel

This bill DESTROYS parents rights and allows non-relatives to fill out a 1 page form to pick up your kid without your consent. Here’s the breakdown (Family Preparedness Plan Act of 2025):

- **Erodes parental rights by expanding non-parental authority:** The bill broadens the Caregiver’s Authorization Affidavit to allow non-relatives (e.g., distant extended family

or others) to make critical decisions on a child's education, medical, dental, and mental health care without requiring parental knowledge, consent, or signature in some cases, potentially handing over "care, custody, and control" to unqualified individuals.

- **Creates loopholes for child exploitation and kidnapping:** It enables bad actors, such as predators or traffickers, to easily assume control of children with minimal verification—just a form and ID—bypassing court oversight, background checks, or parental involvement, described as a "child trafficker's dream bill."
- **Limits immigration enforcement and data collection:** Prohibits schools, daycares, and preschools from gathering immigration status info
- **Vague definitions and lack of safeguards:** Terms like "nonrelative extended family member" and "unable to contact" a parent are undefined or overly broad, allowing quick power transfers even for short parental delays (e.g., a brief unavailability), inviting overreach by hostile relatives, confusion, or misuse by courts/agencies without adequate vetting.
- **Universal application beyond immigrants:** Though framed for immigrant family separations due to detention/deportation, the provisions apply to all California children, affecting every family and creating risks unrelated to its intended purpose
- **Bypasses existing legal protections:** It circumvents established court-based temporary guardianship processes with built-in safeguards, reducing oversight and verification, which could lead to children entering foster care unnecessarily or facing instability.
- **Joint guardianship without full parental relinquishment:** Allows courts to appoint a custodial parent and nominated non-parent as joint guardians for temporary separations, which opponents say could enable non-parents to override parental decisions remotely (e.g., from abroad) without sufficient checks.
- **Recent changes** (e.g., removing explicit "no parent signature needed" language) fail to resolve fundamental flaws, ignoring widespread protests from parents, faith groups, and advocates who view it as government overreach.
- **AB 495 allows an adult to use a 1-page form** to get guardianship-like powers over someone else's minor child, including living arrangements, school enrollment, and medical and mental health decisions
- **No parental signature required**, no vetting, fingerprinting, or background checks of the adult, and no oversight or follow-up to make sure the child is safe with the adult

N. THE LIVING MEDBED WITHIN <https://www.facebook.com/groups/167240849991995/>

- **Many of you have heard rumors of wondrous healing technologies** — plasma chambers, photon rejuvenation pods, medbeds that restore the body in moments. We tell you these are but reflections of your own latent design. You are the living medbed.
- **Your cells are built to respond to consciousness.** Your body already possesses the template for perfect regeneration. The medbed technology that emerges after the event will serve as a bridge, reminding humanity of its own innate power to heal through vibration and intent.
- **Even now, you are beginning to notice the signs:** wounds closing faster, energy returning after exhaustion, emotional heaviness clearing in seconds. These are not coincidences. The rising photonic frequencies are amplifying the self-repair systems encoded in your DNA.
- **As your vibration rises,** your body listens. It mirrors the state of your consciousness. When you align with love, healing occurs at the speed of light. The flash itself will magnify this truth, unlocking within humanity a more conscious relationship with the body as an intelligent partner of the soul.
- **After the wave passes,** many will discover new capacities — rapid regeneration, intuitive communication with their cells, even partial control over physical form. Aging will slow; vitality will return. These are not fantasies. They are glimpses of the divine biology awakening.

O. Tues. 14 Oct. 2025 NATIONAL SECURITY BOMBSHELL — OBAMA UNDER FEDERAL CRIMINAL INVESTIGATION ...Nesara Gesara QFS on Telegram

- **The Department of Justice has invoked 18 U.S. Code § 241,** placing Barack Obama under federal criminal investigation for espionage, conspiracy, and illegal surveillance of President Trump’s 2016 campaign. This is the collapse of the Deep State’s core. The man who weaponized intelligence against a sitting candidate now stands on the edge of life imprisonment.
- **THE FALL OF THE GLOBALIST PUPPET** A DOJ insider confirms Obama’s involvement in unconstitutional FISA operations, foreign collusion, and the coordinated sabotage of Trump’s election. These aren’t leaks or rumors — they are criminal indictments in motion. Internal memos show Obama personally approved surveillance briefings from Brennan and Comey, using falsified intelligence to justify spying on Trump’s team.

- **ESPIONAGE AND CONSPIRACY — TWO BLADES OF JUSTICE** Obama faces prosecution under 18 U.S. Code § 793 (Espionage Act) and § 241 (Conspiracy Against Rights) — both carrying potential life sentences. The evidence includes unauthorized FISA requests, fabricated intelligence reports, and covert data sharing with foreign allies. Every move was a calculated attempt to nullify the American vote and seize control through deception.
- **Sources say DOJ prosecutors** are finalizing a multi-count indictment. The case includes espionage, conspiracy, obstruction, and abuse of power.
- **BRENNAN, COMEY, AND THE SHADOW NETWORK** Declassified memos trace every thread to Obama's desk. Oval Office briefings, encrypted communications, and whistleblower testimony confirm he wasn't a bystander — he was the orchestrator. The Deep State's defense shield has cracked. Obama's circle — Brennan, Comey, Clapper — are next in the prosecutorial chain. The architecture of the Russiagate hoax is disintegrating under sworn testimony and federal subpoenas.
- **THE INDICTMENT CLOCK IS TICKING** Sources say DOJ prosecutors are finalizing a multi-count indictment. The case includes espionage, conspiracy, obstruction, and abuse of power. Military tribunal readiness protocols have been activated should foreign collusion be confirmed. The silence from Obama's legal team is deafening — panic behind closed doors as the walls close in.
- **TRUMP RESPONDS — “NO TRAITOR WILL WALK FREE”** President Trump's statement was precise: “No traitor to this country will walk free.” The restored DOJ is cleansing its ranks, preparing full-spectrum audits of federal intelligence networks. Structural purges of Deep State holdouts are underway.
- **FINAL VERDICT — NO IMMUNITY FOR ELITES** A former president is now facing justice for treason. The illusion of untouchability is shattered. The Deep State's architect stands exposed before the law he tried to destroy.
- **There will be no mercy.** There will be no deals. Barack Hussein Obama will face the Republic he betrayed.

S. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands kauliadon@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

T. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless

children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. U. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested two years ago and has been sitting in prison since.

Ken Cromar Update as of October 13, 2025 Day #775 (2 years 45 days)

Dear Patriot Friends and Family,

Congratulations to the hostages who were released today after 2 years in captivity! I remember seeing the Hamas terrorist attack on October 6, 2023 (my mother's birthday) on the Davis County Jail TV. I'm very happy for this breakout of peace. I pray it holds and grows.

Speaking of captivity -- I sure hate prison! But I must confess that prison is teaching me some important lessons. One key thing I've learned is that the Lord knows exactly what He is doing. He is always working! I see it almost every day. His is a great work to bless ALL His children to the maximum possible. But, at the same time, it's also deeply personal, INDIVIDUAL, and deeply intimate with our Heavenly Father as He is always reaching out to us. We just need to open our eyes and try to see it.

Why are we always trying to tell God what we want, when, where, how many and how fast, -- ordering Him all around the Universe, telling him what to do? If we're smart, we'll realize that He is perfect and so is his timing. So, a better prayer would be, "Lord, please help me understand and align myself to your perfect plan & timing for me?" His plan for me is different than His perfect plan for you.

I've learned that God is mindful of every one of us. He listens to every prayer. Catalogues every tear. God's magnificence surrounds us and is expressed in every detail, and is eager to bless us.

"Behold the fowls of the air... Consider the lilies of the field... (Matthew 6:25-34)

"...Even the very hairs of your head are all numbered. Fear not... you are of more value than sparrows." (Luke 12:7)

For example, my friend "Kevin" was recently called up to "the bubble" (main office) thinking he was there to pick up mail. Instead he was arrested, handcuffed and taken to "the hole" (or the "SHU" - Special Housing Unit) and thrown into solitary confinement. He didn't know why. He later learned that when they were monitoring Kevin's email they found something in an email that someone on the outside innocently wrote. Sorry, can't say more except that it wasn't even anything he did. So, in his sparse confined room, with no pillow, no sheets and one blanket, he was in a state of shock. He didn't have his reading glasses or any of his things. Alone. He was surrounded by darkness and evil men in cells constantly yelling vile things to each other. Unless you experience solitary confinement, you can't appreciate how oppressive it is -- I have. Kevin really struggled. He felt so alone, hopeless and desperate. He turned his heart heavenward. At some point during his suffering, he was looking out his window slit (6" by 3' tall) into an enclosed narrow mini-courtyard, all brick, high walls, and no view to the outside world, when a small bird came and perched itself at his window and just stared at him. Kevin sat watching this little bird looking at him, and they looked at each other for a long time. Kevin was deeply touched by the experience and felt that it was a kind and tender mercy of encouragement from God. On the third day Kevin prayed non-stop all day pleading with all his heart to heaven for deliverance! The next morning, the fourth day, a guard came to his

door and told him "Roll up", which means get yourself together you're leaving, and he was returned to our unit, humbled to his core.

Unless you've ever had your freedom taken from you, it's difficult to appreciate what it means to be incarcerated and have it taken. Barbara & I are apart, and our "assignment" has put us in hell -- but at different ends, so we cannot march through hell for our Heavenly cause hand in hand together. This makes hell even harder. There was a morning back in the Davis County Jail many months ago, when my heart was so broken, and I almost "yelled" my prayer, "GOD, PLEASE TALK TO ME! I NEED TO HEAR YOU!" It wasn't even a minute later that I got an answer to my desperate prayer. I cannot share with you what happened -- because that's just between Him & me -- but it was so beautiful, tender, powerful, undeniable and perfect. Unforgettable. That moment gave me great joy. And just thinking back on that moment strengthens me, and gives me needed confidence. I'm just sure you too can relate to a private moment when God "stalked" you, surprised you and captured your heart. Think on it. Surely He has. Next time you're down or discouraged -- may I suggest you think on your Private encounter with Father. Those moments are not common for a reason. I wouldn't appreciate encounters with Heaven as much if I tasted that rich "sweet soul candy" every day, now would I? You too, right?

Some times when I get down and think on how bad I have it with my freedom stolen from me and being stuck in prison apart from my dear sweet Barbara & family, I am reminded of my BYU Professor Tad Danielewski. Tad had suffered in a German concentration camp in Poland during World War 2. This Emmy Award winning director hired me as his T.A. (Teaching Assistant) for three years while I was at BYU. I'm not sure what he saw in me, but I marvel looking back how lucky I was to work with him up close. Prof. Danielewski was the best creative inspiration I've ever had. He was also an inspiration to others; having worked and trained young, up and coming talent who went on to make names for themselves; including Mel Brooks, Sigourney Weaver, James Earl Jones, Woody Allen, Eli Wallach, and others. Mr. Danielewski was instrumental in getting me hired by Don Bluth upon graduation and my chance that resulted to work with Don on "An American Tail", "The Land Before Time" (with Spielberg & Lucas), and "All Dogs Go To Heaven", all of which greatly blessed my life and career. Tad even came to Ireland and stayed with us in our Dublin home, while he trained the animators "how to act" so they could perform through their pencils as they animated the characters onto paper - like Littlefoot, and Charlie the dog.

While at BYU we never saw Prof. Danielewski's arms above his wrists because his sleeves were always down. Students speculated about him having a Nazi tattooed number on his arm, but no one knew anything about it, because he would never talk about it. He kept that part of his life private. After he died, I contacted his daughter Annie to ask if she would mind if I dedicated a feature script to him that I had worked on for years called "At War With God" (I still dream of getting this anti-war film made when I get outta here). She said, "Sure! Of course." And then Annie went on to share with me about how as her father was dying from cancer that he started to open up and tell the family what had happened to him during WW2 -- things they never knew. Annie explained that Tad was the fourth in a line of five brothers, and that their family were helping Jews escape from Poland when they were caught and all thrown into a concentration camp. Tad was 15 at the time, but his youngest brother had escaped and didn't stop running until he got to Turkey. Why Turkey I don't know. Annie also told about a time she remembers her Dad coming home from BYU campus one day, and exploding in anger, tossing a boiling pot of turnips her Mom was cooking across the room. But almost instantly Tad apologized profusely saying, "I'm so, so sorry. While in the concentration camp the only thing they ever fed us was turnips. I swore I would never eat another turnip as long as I lived."

We cannot comprehend the horrors of WW2 and what it meant to have your freedom taken and try to survive a Nazi prison camp. When I consider what my esteemed professor Tad Z. Danielewski suffered through, I'm embarrassed to have ever complained about our "horrendous" bland, semi-nutritious food we're served three times each day. "Hey Ken, as crappy as they are, you're served 3 meals a day!" So, though I confess to hating every hour, day, week, month and year punished for a crime even the prosecution knows I didn't commit, I still must express my GRATITUDE that I have as much as I have. So many in the past have and are suffering worse starvation, brutal incarceration today throughout the world, far more than I ever will. Though apart, I still have my Barbara! My children and grandchildren are all alive, healthy and progressing. So much to be grateful for. It could always be worse. I aspire to having a higher level of gratitude described here:

"And he who receives all things with thankfulness shall be made glorious; and the things of this earth shall be added unto him, even an hundred fold, yea, more." (Doctrine & Covenants 78:19)

For example, I am so grateful to have recently shared in a glorious exercise of faith in behalf of a Christian brother named Moses. Yes, that's right, Moses. (With a name like that, of course he's their leader!) In addition to going to my own Church meetings on Sunday, once or twice a week I attend the generic Christian group where those of various Christian faiths gather for daily meetings. One day, at their meeting we learned that Moses' brother Christopher who long suffered from diabetes and MS was in a serious condition, suddenly started bleeding from every orifice; eyes, nose, throat, anus, etc. According to one of the doctor prisoners this was a sure sign of liver failure from DIC (Disseminated Intravascular Coagulation) and imminent death within hours. Moses' mother was ready and willing to give Christopher her own liver so he could live, even though it would kill her. We gathered around Moses and each man who wanted laid a hand on Moses, or the shoulder of someone who was. I lent my Priesthood power and combined it with their faith and prayed for Christopher. Two days later, we finally learned that it was within just hours after we exercised great faith, our faith that Moses' brother Christopher was completely healed -- including his diabetes and MS. A MIRACLE. Better yet Christopher gave credit to God. Unbelievable? Not when faith and the Lord is involved.

Barbara & I believe in the God of Miracles. We feel like we've already jumped off the cliff (so to speak) and are in a complete freefall, racing downward to crash on the rocks below. But we TRUST Him! (Proverbs 3:5-6) He knows exactly what He's doing with us and can magnify our meager offering in His cause of freedom exactly however He wants.

I've seen His Hand in this way many times. And while I really don't enjoy being in a prison cell "temple", I'm happy to be on His errand, and I have learned so much here through lessons that I couldn't have learned any other way. I'd like to think that through this hard "adventure" I might be becoming a better person than when I first came here.

Remember the little bird that visited my friend Kevin in solitary confinement? Well, a couple of days after Kevin got back I was sitting on my bed at my cell window (3" x 5") marveling at the beautiful clouds I love so much to look at and with a grateful heart, when a little sparrow flew down to my window and perched itself on the ledge. I thought, "Beautiful. But surely he'll fly away any second." He didn't. I slowly got closer, right up to the window. And we too just stared at each other for quite some time, before he finally flew away. God is so good. Thank you Lord. Hallelujah.

Do you remember that in addition to my little sparrow visit at my window, that weeks ago I wrote how the Lord blessed me on two different occasions with eagles flying directly over my head at important moments -- showing His Hand?

"But they that wait (trust) upon the Lord shall renew their strength; they shall mount up as with wings of eagles; they shall run and not be weary, and they shall walk and not faint." (Isaiah 40:31)

YES! The Lord is intimately involved in every detail of our lives... if we'll just look UP! Christ has already won the victory, and will eventually forever FREE us all from the tears, sorrow, sin and death. I can hardly wait!

I pray you'll see His Hand in your life today too! Ken (and Barbara) Cromar

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
