The Corrupt US Inc. Has Been Shut Down

SCOTUS Stripped of Power

Activated By Commander In Chief Donald Trump

...Julian Assange on Telegram

Leaked Military briefings indicated that since early Oct. 2025, the United States has no longer been under civilian law - that SCOTUS has been stripped of all power, its funding cut, and the corporate entity known as US Inc. has been quietly dissolved. The real authority in America now rested with Wartime President Donald Trump who has been operating under a military protocol.

togetherness of a family.”***

Judy Note: It's rather surprising what important subjects have not caught the attention of the Mainstream Media ... yet.

No one has reported on the leaked briefings that indicated that since early Oct. 2025, the United States has no longer been under civilian law - and that SCOTUS has been stripped of all power, its funding cut, and the corporate entity known as US Inc. has been quietly dissolved. The real authority in America now rested with Wartime President Donald Trump who has been operating under military protocol.

On Sun. 19 Oct. 2025 the Global Currency Reset of 209 nations detonated. The World was going to a gold/asset-backed currency that was worth a 1:1 to each other. We would no longer be functioning on the fiat currency of the Satan Worshiping, Child Sacrificing Illuminati Cabal, which had stolen our Taxpayer dollars since the late 1800s and put the World in deep debt.

By Wed. 22 Oct. 2025 the Iraqi Gazette confirmed that the those currency investors of the worldwide Internet Group, Tier 4B, were being called in to exchange their foreign currencies and Zim Bonds. The keystone of the GCR, the Iraqi Dinar RV, was live. The Central Bank of Iraq released protocols for exchange centers, investor scheduling, and redemption flow.

With a compromised paid-off Mainstream Media, most had no idea what the Satan Worshiping Child Sacrificing Bankers and Elite of the Illuminati Cabal had done with taxpayer monies in order to pay homage to Satan and keep in control.

Navy Seals and US Marines knew. Back on Wed. 16 Oct. 2019 Navy Seals and US Marines rescued an unbelievable 2,100 children being held in cages in underground tunnels at the California China Lake Military facility as reported by the Pentagon Pedophile Task Force.

Six months later by 3 April 2020 over 35,000 malnourished, caged and tortured children had been reported rescued or found deceased in underground tunnels beneath large US cities including one beneath New York Central Park, "with more coming" according to reporter Timothy Charles Holmseth of the Pentagon Pedophile Task Force.

For months a secret US Military operation had been sweeping a sophisticated network of Deep Underground Military Bases (DUMBS) where tortured, malnourished children and corpses in the tens of thousands were found. The operations centered beneath major cities in New York, California, Florida and Washington in the US and included tunnels buried across Canada, Mexico, Australia, Asia and Europe. All tunnels led to the Child Sex Trafficking Headquarters in Ukraine and Palestine and money laundering headquarters beneath the Vatican and Switzerland.

By 20 Dec. 2020 President Trump was informed of tunnels buried two miles beneath Capitol Hill. Convicted Pedophile Jeffrey Epstein and his sidekick Maxwell had given up maps of the global tunnel system – a major income producer for the Cabal Illuminati. By the next month in January 2021 over a thousand children had been rescued from under the US Capitol

and White House, with even more found deceased. [Congress, Biden Arrested as Military Rescues Tortured Children From Tunnels Beneath Capitol Hill | Politics | Before It's News](#)

By 12-16 April 2021 the Special Op forces were blowing up and using the Potomac River to flood the DUMBS beneath Capitol Hill.

A month prior on Tues. 23 March 2021 an international force called the Alliance took over controls and deliberately ran an Evergreen Corp. ship into a bank of the Suez Canal. US Navy Seals magically appeared to find 1,366 dead children, while rescuing 1,267 still barely alive in the 18,000+ containers of the cargo ship. That next week even more tortured and abused children were discovered in 29 other container ships caught in the Canal.

The Seals also found chemicals to create climate change that would wipe out all mammals on earth, a Nuclear Weapon, plus Weapons of Mass Destruction on the 29 container ships and six story high Evergreen vessel – all of which were believed destined to start a war between Israel and Saudi Arabia. [Trafficked Children, Bodies, Weapons Found on Evergreen Ship Blocking Suez Canal | Politics | Before It's News](#)

Capture of the vessels connected the Clinton Foundation and their international child trafficking ring to the Cabal and Chinese Communist Party, owners of Evergreen Corporation.

More recently, with such a background of the White House hiding abused children, it wasn't surprising to hear President Trump wanted to tear down the ballroom on the West Wing. The official story was he would build a luxurious new Ballroom fit for foreign visitors. But do you want to know why the Clintons and compromised leftist members of Congress were so upset about tearing down the old ballroom?

It's certainly not because of the cost - Trump made sure no taxpayer monies were used - all monies have been donated, much by himself. And, it was not, as Leftists contended, because Trump wanted to ruin traditional architecture - other presidents have added on and changed the White House without a peep of anger from the general public.

According to JFK Jr. (https://t.me/Official_JFK_JR/926) the real reason leftists were so upset the West Wing of the White House was being demolished was because for centuries the White House, built by slaves, has acted as a keystone to their money supply network - the Khazarian Mafia bankers' Vatican-London-DC Triad.

The independently owned-by-foreign-bankers Khazarian's city of Washington DC had been laid out in a Masonic pentagram designed to feed an invisible hierarchy of power. The White House Ballroom was built at a deliberate angle engineered on a ley-line current that linked the Washington Monument, Capitol and IRS. For over two centuries, the geometry itself functioned as a living circuit of control, binding the minds of millions to the frequencies of subservience.

What's happening beneath the White House was not renovation, it was the demolition of a two-hundred-year ritual machine. Trump's new ballroom cut through the southern energy channel of that pentagram, shattering the field that sustained the Freemason lattice.

Space Force engineers and Q-linked military architects designed the foundation of the new ballroom as a quantum firewall, lined with mu-metal, zero-point Tesla arrays, and frequency shields tuned to Earth's natural harmonics. Beneath it, a new command core hums - an independent QFS node disconnected from every known banking overlay.

Since construction began, D.C.'s underground sensors have gone wild. Electromagnetic fluctuations, radar interference, and inexplicable wildlife shifts around the Ellipse confirm the rupture. Masonic lodges have gone dark. Three canceled rituals. The Scottish Rite building closed its doors. The Pentagon's inner lodge stopped logging floor access. The power that once flowed through the city's geometric veins was gone - the grid, silent.

By realigning the White House within the natural magnetic field, the frequency of the entire capital changed. The control lattice that fed off trauma and ritual has been severed. The obelisk no longer transmitted.

What rises in its place was a quantum fortress - a living structure broadcasting sovereignty instead of submission, freedom instead of fear. The Vatican-London-D.C. triad has lost its keystone. Their geometry has collapsed. Their frequencies no longer hold.

The age of ritual control was over and the republic, once enslaved by symbols, has been taking its power back. The President returned, and the spell was broken.

Pray for Kaitlynn Hunter – a 17 year old raped, beaten, starved foster care teen who was handcuffed by a SWAT Team and incarcerated in Ohio Juvenile Detention by Ohio Child Protective Services. There appeared to be no valid reason for Kaitlynn to have served close to seven years of brutalized foster care in the first place, other than to be CIA traumatized and Mind Controlled into a international Sex Trafficking Ring. Apparently her present situation was to keep her from testifying against her and other Ohio Foster Care children and teen's abusers in the CIA run Ohio Foster Care Mind Control Program.

Pray for all Foster Children. Pray for Trump's Global Military Alliance who were right now, rescuing children and teens from the International Child Sex, Organ and Adrenochrome Harvesting Trafficking Ring run by the Vatican, supported by the CIA, funded by US Taxpayer dollars and money laundered through members of our blackmailed US Congress.

I. Wed. 22 Oct. 2025 GCR INTEL DOSSIER | OPERATION SANDMAN IGNITED: Collapse of the US Dollar ... Julian Assange on Telegram

- **100+ nations have activated a coordinated strike to collapse the dollar** and trigger the Global Currency Reset. “Project Sandman” is real — a silent alliance prepared to dump the U.S. dollar simultaneously, ending its reign as the world’s reserve currency overnight. Not gradually. Instant detonation.
- **For 50 years, the U.S. ruled through fiat counterfeiting, oil-backed deception, and military coercion.** That system is dying. Every sign points to the imminent trigger. When it fires, the dollar — and all assets tied to it — plunge to near-zero. Treasury markets freeze. Bonds disintegrate. The Fed loses control. This is economic warfare, not speculation.
- **The Operation:** Over a hundred nations — from BRICS, OPEC+, ASEAN, Africa, and South America — have agreed to abandon the dollar and redirect trade into gold, local currencies, or new quantum frameworks. Their weapon is abandonment. No bombs. No armies. Just withdrawal — and the empire burns from within.
- **The Petrodollar Collapse:** The U.S. dollar’s fake power came from oil trade deals forcing nations to buy crude in USD. That’s over. When oil producers stop demanding dollars, global demand dies instantly. Sandman’s precision strike floods markets with abandoned dollars, unleashing uncontrollable inflation and panic.
- **Within hours of activation:** Retirement funds – gone. Stock markets – wiped. Real estate bubbles – burst. Middle class savings – destroyed.
- **It’s not a crash. It’s a collapse.** A final act of justice after decades of dollar colonialism.
- **Trump’s Counterstrike:** President Donald J. Trump foresaw this storm. He’s preparing the only response capable of saving America: – Reinstating a gold-backed U.S. currency – Launching a sovereign digital dollar – Cutting ties with the IMF, BIS, and WEF – Declaring economic martial law if needed
- **The objective:** destroy the central bank cartel and restore constitutional money. This isn’t about markets — it’s about national survival.

- **The Reset Begins** The media will lie. The Fed will panic. But patriots know what's coming. One decision started it all: the world walked away from the dollar.
- **America's counterfeit empire is collapsing** — not with warheads, but with silence. Brace for the reset. Stand with the man prepared to rebuild from the ashes.

J. Wed. 23 Oct. 2025 RV/GCR IGNITES: Tier 4B Shock – October 20 Breaks the Financial Dam ...Julian Assange on Telegram

- **Tier 4B confirmed active.** Dinar RV live. The Global Currency Reset has detonated — **Sun. 20 Oct. 2025** marks the day the system flipped. Trump's financial counterstrike is no longer theory. It's execution.
- **THE IRAQI GAZETTE DETONATION** Today the Iraqi Gazette printed the Tier 4B redemption sequence — official, irreversible, world-shaking. The Central Bank of Iraq released protocols for exchange centers, investor scheduling, and redemption flow. This is not rumor. This is the public green light — the one patriots waited years to see. Tier 4B means the people, not the elites. The system door has opened.
- **THE DINAR GOES LIVE** The Iraqi Dinar is now visible on Bloomberg terminals and live trading screens worldwide — real bid/ask pricing. Mocked investors are now vindicated. The IQD has crossed from speculation to integration, a fully recognized financial asset watched by institutions and governments alike. This is the foundation stone of the GCR — the signal that the old order is collapsing.
- **MARKET SHOCKWAVES** Major banks are rewriting models, compliance divisions are scrambling, and regulators are activating dormant RV protocols. Overnight, the Deep State lost control of the financial board. Chaos isn't failure — it's the reset mechanism. The people finally have leverage, and the cabal can't hide it.
- **CONTROLLED VOLATILITY** Early trades are unstable — spreads wide, liquidity partial. That's intentional. Volatility hides the hand of institutional accumulation. This chaos is the firewall protecting elite entry while scaring retail holders away. But patriots understand: disorder precedes revelation.
- **THE RESET BEGINS** IQD activation signals a full-scale global shift. Central banks are realigning, USD dependency is crumbling, and the fiat empire is bleeding. Every trade in IQD cracks the foundation of globalist control. Soros's crowd is watching in panic — the dollar wall is fracturing.
- **TRUMP'S COUNTERMOVE** While Biden's handlers stalled, Trump's alliance built the architecture behind the scenes. Starlink, Quantum channels, and sovereign clearing systems are now interlinked. The reset isn't coming — it's operational.
- **This is not about money — it's about power.** For the first time in modern history, that power is shifting back to the people. The lock is broken. The storm is financial. And Trump is holding the switch.

K. Fri. 24 Oct. 2025 THE DIGITAL RESET – THE GOOD KIND THE FUTURE OF WEALTH IS HERE ...Julian Assange on Telegram

- **The U.S. National Debt Clock** was designed to shame the system — now it's becoming the people's weapon. What once measured corruption now exposes the

collapse of fake fiat and the birth of blockchain-backed wealth. The old system is crumbling. The new one is coded, collateralized, and controlled by patriots — not bankers.

- **THE PEOPLE'S DIGITAL REVOLUTION** The Clock is transforming from a symbol of failure into the blueprint for a sovereign economy. Tokenized assets. Transparent ledgers. Real ownership. The fake elites who thrived on debt and inflation are watching their empire burn while a new economy rises — one built by the people, for the people.
- **TOKENIZATION – THE END OF CENTRAL CONTROL** Imagine dividing a house, a farm, or a gold vault into millions of digital tokens. Each token represents real ownership. No middlemen. No corruption. This is fractional freedom — turning real assets into digital power. Every American could hold a stake in the very ground of the nation.
- **BLOCKCHAIN – THE TRUST MACHINE** Blockchain locks every transaction into an incorruptible public record. No hidden books. No erased debts. Every movement is verified across thousands of eyes. The system they used to enslave us becomes the system that sets us free.
- **THE SOVEREIGN WEALTH RESERVE** This is the masterstroke — a citizen-owned digital reserve backed by real U.S. assets: land, gold, real estate, infrastructure. The new currency grows 3% annually, fueled by tangible value, not printed lies. Inflation dies when money is backed by reality.
- **COLLATERALIZED AMERICA** A Variable Asset Leveling Index tracks every physical and digital asset of the United States. Tokenized. Audited. Transparent. Every dollar becomes proof of something real. Gold-backed, land-backed, people-backed — not Fed-backed.
- **THE REVOLUTION FROM DEBT TO OWNERSHIP** The Federal Reserve's empire was built on illusion. This is its end. The Debt Clock now counts down not to collapse — but to liberation. The time when every citizen holds a verifiable share of their nation. No more hidden hands. No more rigged markets. No more secret owners.

L. Sat. 25 Oct. BOMBSHELL INTEL DROP: The QFS–XRP–GESARA Protocol has begun. The world is being flipped on its head. What you are about to read is the financial blueprint of the New Earth, the forbidden map of how the Deep State banking system dies and humanity regains control. ...JohnFKennedy Jr. On Telegram

- Trump's alliance has activated the Quantum Financial System, the gold-backed replacement for the IMF, BIS, and the Central Bank crime grid. Every transaction is now monitored through quantum-encrypted Starlink satellites. The fiat matrix is collapsing. The IRS is gone. The Federal Reserve is a shell. The storm inside global finance has already started.
- XRP is not just a token. It is the bridge between all world currencies, coded to connect commodities like gold, silver, and oil. Hidden military documents confirm that XRP pairs directly with metal-backed assets. Insiders estimate its true value between \$15,000 and \$20,000 per coin once liquidity transfers complete. The elites know it. The public doesn't—yet.

- **GESARA–NESARA marks the liberation phase. Debts erased. Taxes dismantled. Abundance protocols initiated. The unbanked will soon join the digital economy through the Internet of Value. The system is designed so that no one is left behind.**
- **BRICS nations have already aligned. The new reserve standard will not be the dollar but the quantum-secured digital ledger. A total collapse of the old order must precede rebirth. That is why inflation, chaos, and corporate bankruptcies are accelerating. It is not failure. It is controlled demolition.**
- **Flare and Stellar will merge the final phase—obliterating outdated blockchains like Bitcoin and Ethereum. This will form a unified field of smart liquidity controlled by the people, not the banks. The world will never return to the old model.**
- **Remember this truth: The plan is precision. The collapse is intentional. The wealth transfer is biblical.**
- **Study. Prepare. Trust the process. We are entering the Quantum Era. Nothing can stop what's coming.**

M. Thurs. 23 Oct. 2025 GLOBAL SHOCKWAVE – TRUMP'S GESARA PROTOCOL IS LIVE THE GREATEST WEALTH TRANSFER IN HUMAN HISTORY HAS BEGUN ...Julian Assange on Telegram

- **The old world is dying. Banks collapsing.** Markets imploding. Corporate empires falling like dominoes. This is not chaos — it's a calculated demolition led by President Trump to destroy the Deep State's fake financial grid and birth a system that serves humanity.
- **Every dollar, every pension, every stock** — engineered illusions. For decades, the elites printed digital lies, enslaving nations under paper chains. Now their system burns. Trump didn't return to fix the old world. He came to bury it.
- **Behind the headlines of "shutdowns" and "market crashes,"** GESARA is silently activating. The Quantum Financial System is online — gold-backed, encrypted, and incorruptible. The Deep State cannot hack what they no longer control.
- **The Controlled Collapse Has Begun** Central banks are trapped. The Federal Reserve cornered. Nations are shifting to gold. Treasury task forces under Trump's command are executing the largest coordinated financial seizure in human history. Stolen gold, black-budget funds, and offshore assets are being rerouted into sovereign accounts under GESARA law.
- **Hundreds of shell corporations and intelligence fronts** have been dismantled. The Rothschild, Soros, and Clinton networks are being liquidated. Their money trail ends here — and for the first time, it's reversed.
- **The New Dollar The petrodollar is gone.** The QFS-backed digital dollar is rising. Every transaction quantum-verified. Every citizen sovereign. The biometric Quantum Access Card is being tested in secured Redemption Centers. Soon, each person will hold their wealth directly — no banks, no middlemen, no parasites.
- **The Final Phase Expect turmoil.** The media screams "economic collapse" because they're watching their masters fall. Tech giants crumble, elites panic, offshore

accounts vanish. The military alliance shields the new system through StarLink, while tribunals prepare evidence for mass indictments.

- **This isn't the end — it's the turning of the age.** The suffering you see is the birth of freedom. Debt will vanish. Taxes will end. Healing technologies and constitutional law will return. The Deep State's empire of lies is collapsing in silence.
- **October 21, 2025** — The Countdown was over. The Republic is rising. The Quantum Era has begun. Nothing can stop what is coming.

N. Thurs. 23 Oct. 2025 MILITARY INTEL DROP – BRIEFING LEVEL 5 AMERICA UNDER WARTIME COMMAND ...Julian Assange on Telegram

- **Leaked briefings indicate the United States is no longer under civilian law.** SCOTUS has been stripped of all power, its funding cut, and the corporate entity known as US Inc. quietly dissolved. Real authority now rests with a Wartime President operating under military protocol.
- **Since early October 2025,** silent wartime protocols have been active—initiated after deep internal sabotage and foreign infiltration. These continuity measures, meant for nuclear war, were triggered after what insiders called “unrecoverable systemic corruption.”
- **Under these conditions:** The Constitution becomes secondary. The President commands absolute authority. Civilian agencies serve only as advisory shells.
- **SCOTUS: POWERLESS AND DEFUNDED** Internal sources confirm the judiciary “no longer governs under wartime command.” The Court now functions on minimal services with no power to challenge executive or military directives. As of October 1st, all funding tied to the foreign-bank-owned corporate government was cut off. Peacetime law is gone. Military law rules.
- **US INC. TERMINATED** The collapse of the corporate system—unable to repay \$38+ trillion owed to the American people—ended the legitimacy of the old government. Legal frameworks dissolved, replaced by military operational control. No repayment. No legitimacy. No civil authority.
- **TRUMP OPERATING UNDER MILITARY LAW** Sources close to Trump say he now acts as Commander-in-Chief under wartime jurisdiction, while public optics maintain the illusion of normalcy. “SCOTUS cannot overrule a Commander in wartime,” one insider confirmed. We are witnessing not democracy—but the controlled demolition of the old republic.
- **THE FINAL COLLAPSE OF THE OLD GUARD** Federal Reserve functions frozen. DOJ and FBI under military review. Congress reduced to theater. New gold-backed financial instruments already prepared for controlled rollout. Americans will feel it soon—in prices, shortages, and silence.
- **This was never a coup.** It was an execution. The courts are broke. The Fed is cornered. US Inc. is gone. Trump isn't “president.” He's commanding a battlefield.
- **And the final question remains:** When will they tell the people? Or will they ever?

**O. Fri. 24 Oct. 2025 EMERGENCY INTEL – MILITARY MOBILIZATION
UNDERWAY ...Julian Assange on Telegram**

- **Global operations are unfolding in silence.** Alliance forces are purging elite networks across continents. In Europe, servers and vaults in Frankfurt, Vienna, and Zurich are being seized under midnight raids. Data centers once thought untouchable are falling, one by one.
- **In Africa, cobalt and lithium hubs** used for elite funding are being locked down. In the Pacific, black ships carrying contraband and intel caches are intercepted near Guam and Diego Garcia. Submersibles using dark sonar have sunk two vessels in recent days.
- **THE QUANTUM FINANCIAL SYSTEM IS LIVE** Nodes in Singapore and Tokyo are mirroring transactions. Legacy banks are collapsing under “network outages” that hide the transfer of control. The QFS is absorbing their systems. Gold convoys move under guard through silent night routes. Vaults once sealed for decades are being emptied. Debt markets are cracking—soft defaults spreading like fractures in glass.
- **BORDERS AND TRIBUNALS Alliance task forces in Texas and Arizona** are dismantling cartel tunnels using implosive tech that leaves no trace. Sleeper cells are surrounded and removed quietly. GITMO is overflowing, with new Arctic and island facilities ready for processing. Detainees are questioned for global asset trails and digital vault maps feeding the tribunal grid.
- **THE BROADCAST IS COMING** The Emergency Broadcast System is under final synchronization. Short blackouts and radio flickers are live rehearsals. Satellite loops and encrypted relays are cycling every night. The override signal can launch in seconds once nodes align.
- **THE ENEMY IS PANICKING** Deep-State remnants are sabotaging their own networks. Labs and media hubs are burning evidence. The Alliance intercepts every byte, every bank key, every command.
- **THE FINAL ALIGNMENT** Every corridor, every tunnel, every node is being synchronized for one event: total reveal and collapse. When the trigger drops, it will look instant—but it has been years in motion.
- **The stage is set.** The switch is armed. When the lights go out, you’ll know it’s begun.

**P. Fri. 24 Oct. 2025 EMERGENCY INTEL DROP – GLOBAL OPERATIONS
LIVE ...Julian Assange on Telegram**

- **Massive military mobilizations are now underway.** GITMO is overflowing. Secret detentions expanding to Arctic and island sites. Night convoys are moving detainees through sealed corridors. Tribunal grids are being prepared for mass disclosure.
- **Across Europe, coordinated Alliance raids are seizing digital vaults in Frankfurt, Vienna, and Zurich** — servers, routers, crypto ledgers all confiscated. In Africa, mineral hubs used by elites for cobalt and lithium control are being cut off. Pacific fleets have intercepted black ships near the Philippines and Solomon Islands — cargo seized, data extracted, operatives captured.

- **The Quantum Financial System is coming online silently.** Test nodes in Singapore and Tokyo are syncing gold-backed assets and birth-linked reserves. Every “bank outage” or “network reboot” hides a transfer of control. The old debt architecture is collapsing piece by piece. Governments are being told to default quietly — the world’s fiat grid is being drained.
- **Gold vaults are emptying.** Convoys are moving night and day under escort. Old treasuries are being stripped clean as the Alliance retrieves stolen reserves. Parallel quantum nodes are forming the new monetary core — the system of truth replacing the system of lies.
- **At the borders, combat operations are intensifying.** Coalition task forces are sealing tunnels beneath Texas, Arizona, and New Mexico using micro implosions. Cartel cells are surrounded and neutralized. Sleeper units attempting crossings are met with instant counterstrikes.
- **Communications systems are being tested for Emergency Broadcast readiness.** Outages lasting seconds are real dry runs — satellite relays syncing, quantum encryption cycling. Localized blackouts are rehearsals for full global override. Every continent is being aligned for one synchronized transmission.
- **Deep State remnants are retaliating through sabotage and cyberwarfare.** Media networks in South Asia wiped. Biotech labs in Latin America destroyed before evidence extraction. EU procurement offices infiltrated — data switched with false code to collapse their control systems. Their communications are now feeding disinformation back to themselves.
- **Every signal, every node, every vault is converging.** The final synchronization sequence is in progress. Quantum grids are nearly aligned. Tribunal infrastructure is locked. When activation strikes, the entire matrix flips in one flash — old systems down, new systems online.
- **Stay alert. When the broadcast begins, power may cut. Remain calm, remain ready.** The Storm is operational.

S. Sun. 26 Oct. 2025: The Biden-Harris terrorist administration fed a pipeline of children into sex trafficking and slave labor in our country. ...The White House on Telegram

- One of the most shocking investigations ever conducted in the halls of the U.S. Congress: Two separate investigations, just off by only 5%, confirm that 70% of the VETTING DOCUMENTATION turned in by sponsors was falsified by NGOs.
- Rep. Clay Higgins: "This executive branch is building criminal files. So, I hope they're watching, I hope they're frightened, and I hope they're getting their affairs in order — hiring their liberal attorneys to defend them.
- Be advised, we're building criminal case files. We're interviewing these 35,000 kids, and we're finding out exactly what happened and how they ended up into the nightmare where they were.
- "We are going to identify these children, we're locating them, we're rescuing them, and we're building criminal files based on the testimony of these children and the documentation of fraudulent vetting — and many of these NGO employees are going to find themselves wearing orange."
- In other words, the Biden-Harris terrorist administration, which bribed NGOs to facilitate an invasion, was also responsible for vetting pedophiles—all at the expense of American taxpayers.

T. Sun. 26 Oct. 2025 Mamdani admits his goal for NYC is a Muslim takeover of New York! ...Emergency Broadcast System on Telegram

- For those of you who are accusing Zohran Mamdani critics of “Islamophobia”, just take a listen to his own words. He literally says he ran for office so he can increase the number of Muslims in America who are registered to vote so he can make America more Islamic.
- Here he is bragging about how a staggering 1 MILLION MUSLIMS live in New York City post 9/11, and how 200,000 of those Muslims are registered to vote Democrat.
- Noticed how they emphasize the fact that they are Muslim voters, not American voters, because their goal is to have a complete and total Islamic takeover until every single city in America is majority Muslim and the American people are living under Sharia Law.
- Islamophobia is a FAKE word made up to enslave the American people and destroy the West.

U. Sun 26 Oct. 2025 USAID, Democrats, and American taxpayer dollars are funding a global ELECTION FRAUD CARTEL called AWEB — a shadow network using electronic voting machines, fake ballots, and communist propaganda to infiltrate over 100 nations, including South Korea, under the cover of “international development.” ...Emergency Broadcast Channel on Telegram

- This cartel’s blueprint mirrors the election manipulation seen in 2020 — exposed by Kash Patel and multiple U.S. investigations. The same patterns — fake IDs, corrupted ballots, rigged software — are now exported worldwide, financed by American taxpayers through USAID and IFES.
- Their true mission: spreading communism under the mask of “democracy support.” They rig elections, rewrite laws, install puppet governments, and push anti-American ideology while silencing religion and freedom. These are the same operators tied to Smartmatic, Huawei, and South Korean tech firms like K-Miru Systems — all under the AWEB umbrella.
- Korea is ground zero. Machines identical to Smartmatic’s were used in rigged Korean elections from 2020 to 2025. Investigations revealed Huawei Wi-Fi active inside polling stations. U.S.-backed “aid” projects disguised as election assistance funneled equipment to Iraq, Kyrgyzstan, and Congo — all later exposed for massive fraud. When the Congolese delegation protested in Seoul, the South Korean regime covered it up.
- CPAC experts confirmed systematic tampering during Korea’s last election. President Yoon Suk-yeol attempted to declare martial law to stop the fraud but was impeached. The CCP and U.S. Democrats jointly funded these infiltration programs — destroying pro-American leadership in Korea, Brazil, and Australia while taxpayers unknowingly foot the bill.
- This operation began under Obama in 2014, when South Korea’s National Election Commission signed binding agreements with USAID and IFES to

“support democracy.” In reality, these pacts exported America’s compromised election infrastructure worldwide.

- **Former Ambassador Moss Tan confirmed the same pattern of corruption in Canada, Australia, and Brazil. Every nation tied to this network shows identical outcomes — election tampering, religious persecution, and communist expansion.**
- **AWEB is not a harmless NGO. It is a global election control grid, financed by U.S. tax dollars, run through Korea, and directed by CCP-linked operatives. Its goal is simple — to replace free nations with managed regimes.**
- **The question now: How much of America’s money has this cartel laundered — and how many governments has it overthrown in our name?**
- **Until this network is dismantled, no election on Earth is safe.**

W. Sun. 26 Oct. 2025: TRUMP STRIKES BACK! U.S. MILITARY LAUNCHES LAND STRIKES ON CARTEL BASES AS ELITE FINANCIAL NETWORKS BEGIN TO COLLAPSE ...Ezra A. Cohen on Telegram

- The shadow war is now in the open. On October 24, 2025, President Donald J. Trump authorized direct military ground strikes on cartel strongholds across Latin America and U.S. border sectors, the next phase of a classified operation months in the making.
- What began as covert maritime interventions has evolved into full-scale ground action. The message is unmistakable: the era of cartel immunity and elite protection is over.
- Pentagon data confirms cartel sea logistics have already been crippled, maritime narcotics flow has dropped 82% since August following precision drone and missile strikes in the Caribbean and Pacific.
- Now, with smuggling routes forced inland through Venezuela, Colombia, and northern Mexico, the U.S. military is targeting the heart of the system - the hidden infrastructure of money, intelligence, and influence that has kept the cartel empire alive for decades.
- Sources close to military intelligence describe Operation Iron Veil as a global purge - dismantling not only narco-traffickers but also the financial elite who built and protected them.
- Investigators have traced cartel capital through offshore accounts in Luxembourg, Zurich, and Hong Kong, revealing how drug money was recycled into political operations, media networks, and humanitarian fronts that destabilized nations from within.
- The cartels were never just drug runners. They were accountants for the Deep State.
- Trump's reactivated black ops units, dormant since the Obama era - are now deployed across Latin America. Forward bases in Honduras, Guatemala, and a Caribbean island once tied to Epstein's network serve as launch points.
- Hypersonic drones and electronic warfare C-130s are pre-positioned, ready to strike targets ranging from Venezuelan money depots to Sinaloa's financial hubs. Each strike dismantles a link between organized crime and global banking power.
- The financial panic has already begun. Multiple foreign central bank officials have resigned in the last 72 hours. Switzerland's abrupt restrictions on cash transactions above \$5,000 are a defensive maneuver to prevent capital flight as cartel-linked funds are frozen.
- Treasury officials have locked crypto wallets used to mask narcotics transfers under "remittance programs." And in Europe, "green development" funds once laundering cartel profits are collapsing under audit.
- Trump's war on the cartels isn't just about narcotics, it's a precision strike on the arteries of global corruption. By designating these networks as foreign terrorist organizations, the President has legally authorized the dismantling of their entire ecosystem: banks, NGOs, and corporate fronts included.

- **Behind the chaos of headlines, a new order is taking shape, one that reclaims control of global finance from criminal hands.**
- **What's unfolding now is not instability. It's exposure. The empire that thrived on addiction, debt, and deception is being stripped bare under the light of military truth.**
- **Trump's operation isn't a war for territory, it's a war for sovereignty. And for the first time in decades, America is winning it.**

X. Sun. 26 Oct. 2025 THE BLUEPRINT FOR CONTROL

- **INTERNAL FILES FROM A DEFENSE CONTRACTOR KNOWN AS VECTOR-9 HAVE BEEN LEAKED, DETAILING A PROGRAM CALLED "NEURAL BIND." THIS SYSTEM USES LOW-FREQUENCY SIGNALS EMBEDDED IN URBAN WIFI NETWORKS TO SUBCONSCIOUSLY INFLUENCE DECISION-MAKING BEHAVIORS.**
- **EACH MAJOR CITY IS DIVIDED INTO CLUSTERS, WHERE EVERY DEVICE TRANSMITS A MICRO BURST PATTERN. THESE PATTERNS ARE DESIGNED TO ENTRAIN THE HUMAN BRAIN INTO SPECIFIC EMOTIONAL STATES - FEAR, ANGER, COMPLIANCE.**
- **WHAT THEY CALL "SOCIAL HARMONY" IS ACTUALLY CONTROLLED THOUGHT. NEURAL BIND IS CAPABLE OF MODIFYING PERCEPTION WITHOUT ANY DIRECT CONTACT - JUST BY STAYING CONNECTED.**
- **RECENT TESTS WERE CARRIED OUT DURING LARGE PUBLIC EVENTS TO MONITOR CROWD REACTIONS. THE RESULTS SHOWED NEAR-TOTAL SYNCHRONIZATION OF BEHAVIOR. THAT'S NOT SCIENCE - THAT'S PROGRAMMING.**
- **THE SYSTEM HAS ALREADY BEEN SOLD TO PRIVATE GOVERNMENTS UNDER DIFFERENT NAMES. THEY CALL IT "SMART INFRASTRUCTURE." IN REALITY, IT'S THE ARCHITECTURE OF OBEDIENCE.**
- **The walls aren't closing in. They're invisible, and they're inside your signal.**

Y. Sat. 25 Oct. 2025 BREAKING OVERNIGHT INTEL DROP – FULL-SPECTRUM WAR: Trump Battles DOJ, FBI, FED & Supreme Court in Deep State Showdown. ...Julian Assange on Telegram

- **The Republic is under siege.** Trump stands as the last line of defense against a collapsing Deep State unleashing chaos. From Democrat extortion to California's rebellion, the FBI's crackdowns, and the Fed's scramble, this is war—institution by institution. Patriots, this is your red pill. Miss this, and you miss the fight for America's soul.
- **DEMS ADMIT: YOUR PAIN IS THEIR POWER** In a gut-punch revelation, the second-ranking House Democrat confessed: American suffering is their weapon. "People hurting helps us. It gives us leverage," she said, cold as ice. Delayed paychecks, grounded flights, frozen aid—millions suffer, and they call it "leverage."

This isn't negotiation; it's extortion. The Deep State wants you broken, desperate, and begging. The mask is off. They hate you.

- **DOJ TO CALIFORNIA: SURRENDER OR FACE JUSTICE** Deputy AG Todd Blanche dropped a legal nuke on California's elite—Governor Gavin Newsom, AG Rob Bonta, Nancy Pelosi, and SF DA Brooke Jenkins. Their crime? Threatening to arrest federal immigration agents enforcing the law. This is insurrection. Sanctuary-state madness has gone too far, defying the Constitution's Supremacy Clause. Blanche's warning: "Stand down or face prosecution." Trump's DOJ is done playing. America First means law and order—now.
- **PAM BONDI CRUSHES ILLINOIS TRAITORS** Attorney General Pam Bondi is bringing the hammer down on Illinois Governor JB Pritzker and former Chicago Mayor Lori Lightfoot. They're accused of targeting ICE agents, exposing their identities—a felony. Bondi's message: "You CANNOT endanger federal agents." Investigations are live, documents demanded, and the Deep State's collaborators are in her sights. This is justice, unapologetic and fierce.

Zc. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands kauliadon@gmail.com trustakua@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Zd. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
