**“False Flag” Cyber Attack Imminent**

A false flag cyber attack appeared to be in motion on U.S. soil—engineered to collapse the power grid, banking system and digital lifelines. Intelligence insiders have confirmed that it has embedded global networks with direct ties to Israeli cyber infrastructure and media control. The takeover begins with the lights off.

**Judy Note: The below is a summary of my impressions (and I very well could be wrong), of information contained in this update.**

**A false flag cyber attack appeared to be in motion on U.S. soil**—engineered to collapse the power grid, banking system and digital lifelines. According to General Flynn, “A coordinated cyber/ communications assault is underway to grant Israel control over the US. It could cripple America's power grid, banking systems & digital lifelines.”

**Intelligence insiders confirmed** it has embedded global networks with direct ties to Israeli cyber infrastructure and media control. The takeover begins with “lights off.”

**Wed. 8 Oct. 2025** marked the beginning of Phase II of President Trump’s National Restoration Plan in this globalist war against America.

**The Globalists’ channels are collapsing.** The media no longer controls the lens. The military stands ready to enforce constitutional order under direct executive authority. The takedown has begun.

**Trump’s Operation Sovereign Shield** is a military response to a Globalist agenda designed to destabilize Trump’s border operations, reopen trafficking corridors, and keep the black-market pipelines funding insurgency that feeds the Globalist’s wealth inside the United States.

**Evidence of financial trails**, encrypted transfers, and human intelligence have confirmed that Antifa was not an organic protest movement, but a coordinated foreign-funded insurgency.

Even as Trump's peace negotiations expand across the Middle East, his focus at home is Antifa command nodes in Chicago, Portland, and Phoenix that are receiving tactical guidance from foreign-trained operators.

**The Cabal's organized rebellion** against federal law based in Portland, Chicago, and the Southwest, has been financed by drug cartels, protected by corrupt officials, and coordinated through offshore channels tied to global elites.

**Their money flows through European climate foundations**, Balkan banks, and Luxembourg trusts — the same pipelines that financed NGO "relief" fronts now exposed as logistics channels for riots, assassinations, and sabotage. Trump's Quantum Command — the NSA's restored cyber division — has traced money laundering operations back to offshore "climate funds" feeding resistance networks.

**Portland's activist judges**, funded through Soros, have blocked National Guard deployments while allowing mobs to burn and sabotage ICE facilities.

**In Chicago, the mayor's declaration of an "ICE-Free Zone"** has transformed the city into a domestic battlefield — with unmarked federal vehicles bombed, officers hunted, and cartel scouts embedded.

**The chaos has been coordinated** between radical attorneys, UN-connected NGOs, and tech billionaires funneling money through "humanitarian" programs to obstruct Trump's cleanup operations.

**They have targeted ICE agents** with bounties up to \$10,000 per officer paid by foreign operatives in China and Venezuela through shell accounts in Chicago and Mexico City.

**On October 6, Trump froze \$2.4 billion** in federal funding to states obstructing ICE. Police departments in California and Illinois are already buckling. Behind the scenes, classified cyber ops are mapping every foreign dollar tied to the unrest. One source called it "financial warfare — starve the enemy before the storm."

**The National Restoration Plan** involved dismantling the Soros-financed domestic terror network, securing the Quantum Financial System, and taking military jurisdiction over compromised U.S. cities. Federalize National Guard units will make sure local governments that shield foreign assets will face military oversight.

**The same system now used to transfer digital chaos**, will soon be repurposed to deliver digital sovereignty. It's the beginning of economic freedom from the Cabal that financed this war in the first place.

**Private jets have surged out of Chicago**, New York, and San Francisco toward Switzerland and the Caymans. The elites were moving their assets because they knew what comes next.

**What comes next was a planned staged “Black Swan” Nuclear War**, while the Global Military Alliance launched Direct Energy Weapon strikes on 34 Satanic strongholds around the World.

**Such would activate the Emergency Broadcast System** that would in turn, activate the Global Currency Reset and return to Constitutional Common Law.

**What was likely to happen was that after the Black Swan Blackout Event**, Bitcoin and Crypto could fall, exposing Deep State Money Laundering, and setting up the Stock Market to crash.

**To prevent a Stock Market collapse and** a run on banks, they will turn the Nuclear Energy power off, while the Starlink Satellite System and Space X will turn the power back on to Quantum Tesla Free Energy.

**Meanwhile the StarLink Satellites** will be broadcasting Mass Arrests, Tribunals & Global Elite confessions of Treason during ten days of Communication Darkness.

**It’s called Quantum Week, and it was set to begin Monday morning 13 Oct. 2025.**

**Judy Note: Help Bring Kaitlynn Hunter home, along with other Children and Teens Caught in the CIA Mind Control international Sex Trafficking Network:** <https://www.givesendgo.com/GDX1Z>

**Pray for Kaitlynn Hunter** – a 17 year old raped, beaten, starved foster care teen who was handcuffed by a SWAT Team and incarcerated in Ohio Juvenile Detention by Ohio Child Protective Services. There appeared to be no valid reason for Kaitlynn to have served close to seven years of brutalized foster care in the first place, other than to be CIA traumatized and Mind Controlled into a international Sex Trafficking Ring. Apparently her present situation was to keep her from testifying against her and other Ohio Foster Care children and teen’s abusers in the CIA run Ohio Foster Care Mind Control Program.

**Pray for all Foster Children. Pray for Trump’s Global Military Alliance** who were right now, rescuing children and teens from the International Child Sex, Organ and Adrenochrome Harvesting Trafficking Ring run by the Vatican, supported by the CIA, funded by US Taxpayer dollars and money laundered through members of our blackmailed US Congress.

**Be informed about what is happening to Foster Children:** <https://stopcpslegallykidnappingchildren.org/who-we-are/cps-statistics> **CPS Statistics**

**Call your Congress people.** Demand answers. Demand solutions. Help Trump and team bring Kaitlynn and all Sex Trafficked Children and Teens home and out of harms way.

**Call the US Capitol Switch Board in Washington DC** to hook up with and complain to your state representative. Demand that they help take down the international Child Sex Trafficking Ring: 202-224-3121

**A. Beware of Scams:**

**Dear Judy,**

**I was also scammed with the TRB products on Telegram.** They had many people in their videos advertising Trump TRB products. Don jr, Elon, Trump and others. They looked so real and sounded just like themselves. I knew nothing about AI but I think they used that. They scanned me for 11,000. Promises made, then broken. The only reason I even bought their products is because I knew Trump would not say it if it wasn't true. I can't believe I fell for that. Hope I can get my money back, but I learned a good lesson. Those people are all over Telegram. People, beware. Thank you Judy for letting me vent. Marie, **Sun. 12 Oct. 2025**

**Judy Note: If you are a victim of the TRB Trump Products Scam:** I recommend you document and notarize your experience, including your contact information, retain a copy and then send the original by regular mail to: Alan Garten, General Counsel to the Trump Organization, The Trump Organization, 725 Fifth Avenue, 26th Fl., New York NY 10022-2519, United States, (212) 836-3203

## **B. Possible Timing:**

**Judy Note: A hint at the possible date of EBS, GCR activation and restoration of the American Republic and Constitutional Law:**

**The privately owned by foreign bankers US Inc. government closed down on Oct. 1 2025** due to Congress not passing a budget. They have called for a vote every day since, which the Democrats have voted down, refusing to pass a budget so government employees could get paid. It was guessed that Democrats believe that by holding out it will help them get a budget passed which gives billions to their favorite programs – which Trump has cutting out because of a past history of money laundering and waste.

**President Trump has promised the US troops** that they will be paid on **Wed. 15 Oct.** He could easily pay the troops and all government employees by declaring the already-in-place Martial Law, that could instigate the Restored American Republic, along with Constitutional Law by that **Wed. 15 Oct.** deadline. That's just a guess.

- **Please Help Save The Children By Being AWARE:** During the month of October your local Satanic Coven, as Satan Worshipers have for centuries, would be kidnapping, torturing and raping children in preparation for honoring Satan with Child Sacrifices in **30 Thurs, 31 Fri. Oct. All Hallows Eve celebrations.**
- **On Fri. 10 Oct. the Gold-asset-backed Global Financial System went live,** locked in 209 banks around the World, began to erase debt & destroy the IRS & Fed, return America's stolen wealth to The People & deploy the EBS in preparation for Mass Arrests of Global Elites Worldwide.
- **"From Sat. 11 Oct. over the next 24–48 hours,** we should see the final activation steps. Official notifications may arrive at any time, signaling the start of the New Financial Era." ...Nesara Gesara QFS on Telegram

- **Mon. 13 Oct. 2025 Columbus Day (banks closed)** was the beginning of Quantum Week and expected to start with a banking and market crash – to be saved by Quantum Week which also began on **Mon. 13 Oct.** There were 209 country's banks already connected to the new gold/asset-backed Quantum Financial System.
- **Tues. 14 Oct. 2025 has been declared as World Quantum Day:** Nesara Gesara Law would be official throughout the World. Bitcoin gone. Servers and data centers, obliterated; 99.5% of all crypto—vanished. Only ISO20022 coins, backed by gold, would survive. As this fiat system died, the Stock Market would continue to crater – a signal that it was the end of the Cabal's SWIFT Global Banking System.
- **Wed. 15 Oct. 2025** The American Republic was expected to be announced in a Worldwide EBS Broadcast that triggered a three day Communication Blackout; Common Law reinstated; Federal Reserve & IRS abolished and Income Tax eliminated, replaced with a 14% tax on new items only, none on food or medicine.
- **For ten days the EBS will broadcast** courtroom depositions, financial ledgers and video evidence of Globalist crimes while mass arrests are going on worldwide.

***C. What We Think We Know as of Mon. 13 Oct. 2025:***

- **Since the Pacific Palisades fires in California** there has been no rebuilding along Pacific Coast Highway. Democrats wouldn't allow it. Along the Pacific Coast Highway not a single home is being rebuilt. Zero. It was a land grab.
- **Over two years ago the Lahina Maui fires** left over 5,000 homeless. Today over 1,500 native Hawaiians still live on the beach. Building permits are hard to obtain. Democrats won't allow it. In Lahina only a handful of homes are being rebuilt. It was a land grab.
- **Sat. 11 Oct. 2025:** Right after Trump obtained a Peace Agreement with Israel (His 7<sup>th</sup> Peace Deal in nine months, meaning that Trump has saved the World from going to war seven times this year) the Nobel Peace Prize was instead awarded to Maria Corina Machado. Machado, a Venezuelan opposition leader, was awarded the 2025 Nobel Peace Prize for her efforts to promote democratic rights and her struggle for a peaceful transition from dictatorship to democracy in Venezuela. Machado, however, immediately, called President Trump and told him she was dedicating the award to him. When you combine that with the Nobel Peace Prize they gave to Barak Obama – a man who had done nothing for peace and in fact did many things to promote war – right after he was fraudulently elected US President, it sealed the fact that the Nobel Peace Prize was worth nothing.

## Blackout Protocol

### D. Sat. 11 Oct. The Blackout Protocol: Inside the Emergency Broadcast System

- **For decades we have been programmed to believe the EBS was a harmless test** for weather alerts, hurricanes or earthquakes. The truth is that it's a global override. A command chain above presidents, parliaments or corporations.
- **When activated, all civilian communication systems fall silent.** TV screens go black. Phones lose signal. Social Media freezes. Then a single voice speaks.
- **The “This is only a test” you ignored were rehearsals** for the real message for the Shadow Government, the Cabal.
- **You were told it was a US System.** Wrong. It is Planetary. Military Satellites linked into a grid known as Skyshield orbit silently overhead.
- **The Pentagon, Norad and secret NATO command posts** in Belgium, Germany and Greenland hold the keys. Behind them: the White Hats. Generals who swore an oath not to politicians, but to The People.
- **Why now?** Because the stage is set. The banks are crumbling. The Media is collapsing. The puppet governments are running out of strings to pull.
- **The moment the EBS activates, the veil drops.** Classified files, arrest footage, confessions. No one escapes the broadcast.
- **It will begin with silence.** Phones dead. Internet dark. Airwaves empty for minutes that feel like hours. Then – a flash. Your screen turns white. A seal appears: not CNN, not Fox, not BBC: the Seal of the Republic.
- **A General's voice speaks:** “My Fellow Americans. The Storm is Upon us.”
- **Then comes the flood:** names, crimes, evidence, unsealed indictments read aloud. Footage of tribunals.
- **For years they ran Beta Tests.** Hawaii's false missile alert in 2018. Cellular Blackouts in New York and London. Even the sudden “Emergency Tests” that buzzed your phone were calibrations, trial runs because when the real one comes it will be global.
- **Who will fall?** Media Moguls who sold you lies. Bankers who stole your future. Politicians who sold their nations piece by piece. Celebrities who traded fame for blood contracts.
- **What comes after?** The chaos of truth. Markets in freefall. Riots in streets as sleepers awake to a reality they cannot comprehend.

- **Out of the ashes comes order – the order of Light:** the Quantum Financial System. The return of gold-backed sovereignty. The restoration of law, not maritime slavery.
- **Do not fear the silence when the Blackout comes.** When the EBS speaks, it is the voice of Liberation, the hammer that shatters the illusion. The Blackout Protocol is not the end. It is the beginning.
- **Stay calm.** Stay alert. When the screens go black, remember this: The darkness is proof that the Light is about to speak.

**E. Sat. 11 Oct. 2025 OPERATION BLACK CIRCUIT ...Mr. Pool on Telegram**

- **A CLASSIFIED JOINT TASK FORCE HAS BEGUN SEIZING ENERGY GRID SERVERS ACROSS THE COUNTRY. THE OFFICIAL REASON IS “SOFTWARE MAINTENANCE,” BUT INTERNAL LOGS SHOW THAT POWER COMPANIES WERE RUNNING UNREGISTERED SATELLITE LINKS TO PRIVATE CONTRACTORS IN LUXEMBOURG AND JAPAN.**
- **THESE LINKS WERE CARRYING TERABYTES OF RAW BIOMETRIC DATA FROM SMART METERS, HOME CAMERAS, AND ELECTRIC VEHICLE CHARGING STATIONS. EVERY DEVICE WAS A SENSOR. EVERY SENSOR A SPY.**
- **THE SHUTDOWN OF THESE LINKS TRIGGERED BLACKOUTS IN FOUR STATES LAST NIGHT. MEDIA CALLED IT A “GRID FAILURE.” IN REALITY, IT WAS THE CUTTING OF THE CABAL’S ENERGY FEED.**
- **NEW DATA CENTERS UNDER SPACE FORCE OVERSIGHT ARE NOW RECEIVING THE REDIRECTED POWER LOADS. THEY ARE BUILDING A CLEAN GRID, ONE THAT OPERATES ON QUANTUM FREQUENCY RATHER THAN CORPORATE CONTROL.**
- **WHEN THE TRANSITION IS COMPLETE, THE ENTIRE ELECTRIC INFRASTRUCTURE WILL BECOME SELF-STABILIZING AND CENSORSHIP-FREE. THE OLD ENERGY CHAINS WILL NEVER RECONNECT.**

**F. Sat. 11 Oct. 2025 OPERATION BLUE STORM ...Mr. Pool on Telegram**

- **Space Force has moved three new Military Satellites** into position over North America, Europe and the Pacific Rim with a primary task of capturing and overriding legacy Media transponders when the Master Signal is issued.
- **EBS packages were already preloaded on secure servers.** Each contained courtroom depositions, financial ledgers and video evidence of Globalist crimes scheduled for release in a ten day sequence.
- **Air Defense Networks** are reporting clean sky corridors for C17 and KC135 flights marked for extraction operations. These flights are coordinated with sealed arrest windows to prevent data leaks and media interference.

- **Regional Emergency Alert Nodes** have been rewired to Quantum time code. When the clock hits zero, every screen, every radio band and every public signage feed will switch to the Military Broadcast.
- **Once Blue Storm commences** there will be no commercial breaks and no commentary – only evidence, only names, only dates, only the truth.

**G. Sat. 11 Oct. 2025 FAKE WWII NUCLEAR EVENT – THE TRIGGER FOR THE GLOBAL RESET ...Mr. Pool on Telegram**

- **A staged nuclear confrontation is being prepared**—not to start a real war, but to activate the Emergency Broadcast System and the worldwide Global Currency Reset.
- **Ten days of darkness will follow:** a total blackout of TV, radio, and internet. In place of the blackout, the new StarLink satellite network will broadcast non-stop evidence of mass arrests, tribunals, and confessions from global elites. The world will see the system collapse in real time.
- **During the blackout, the Global Military Alliance will launch Directed Energy Weapons strikes against 34 satanic strongholds worldwide.** These are not random targets—they are ritual sites and command centers of the Cabal. Their destruction marks the final blow to centuries of hidden power.
- **Bitcoin and the crypto casino will fall,** exposed as Deep State money-laundering operations. In their place, the QFS rolls out asset-backed ISO20022 coins—currencies tied to gold, silver, and real commodities. Tesla free energy grids and common law systems will be restored as the foundation of a sovereign future.
- **This ends with the return of constitutional government.** Donald J. Trump and John F. Kennedy Jr. stand ready for inauguration ceremonies under the restored American Republic.
- **The fake war is the mask.** The reset is the reality.

**H. Sat. 11 Oct. Over the next 24–48 hours, we should see the final activation steps. Official notifications may arrive at any time, signaling the start of the New Financial Era. ...Nesara Gesara QFS on Telegram**

- **Global Activation:** The reset will go live very soon. Central banks and financial leaders worldwide will jointly confirm the switch, effectively launching the new quantum-secured monetary system.
- **Wallet Rollout:** We will be guided on how to access the QFS wallet. I'll be among the first to log in and see my new digital assets. The process will likely involve encrypted app updates or official messages, but it will be straightforward thanks to all the prep work.
- **Financial Reset:** Expect to see new currency rates posted in your wallet. Old debts may be adjusted or cancelled. All these changes will be enforced by the blockchain for full transparency – every transaction and update will be viewable on the ledger.
- **Smooth Transition:** All prior demonstrations have been successful. In fact, a recent pilot showed a completely offline quantum-safe digital currency transfer working flawlessly. With our security protocols and support teams ready, we anticipate a seamless shift with minimal delays or glitches.

- **I am fully confident in the plan.** Everything is in place for a smooth transition to the QFS. Keep your notifications on – we're just hours away from a revolutionary change in global finance!

## I. Global Currency Reset:

**Judy Note:** It is my personal opinion, and I could easily be wrong, that when we hear the EBS go off with the sound of Seven Trumpets, we can soon expect to receive several messages on our cell phones generated from the new Starlink Satellite System. One of those messages should contain information about how to gain a redemption center appointment. Those who don't have foreign currency to exchange will use their appointment to set themselves up for banking, med bed treatment and voting using personal cell phones linked up to the Starlink Satellite System, while we with currency and bonds will do the same, plus be able to do our exchange.

## Global Financial System:

**J. Sat. 11 Oct. 2025 INTEL REPORT: As of Sept. 8 2025 TIER 4B ACTIVATED – THE GLOBAL RESET BEGINS ...Edward Snowden**

- **Tier 4B is live.** The Iraqi dinar and Vietnamese dong have entered revaluation protocols. What was mocked as conspiracy is now unfolding as global wealth redistribution. The system is armed. The world is shifting.
- **For years, they laughed.** For years, they delayed. Now the switches are flipped. The codes are entered. The long-awaited revaluation is moving from whispers to execution. The people who held on through the storm are about to witness economic justice written in real time.
- **SEPTEMBER 8, 2025 – THE TRIGGER DATE** This isn't a ceremony. It's a synchronized launch across fiscal systems. Every cycle, every ledger, every treasury lock

is converging. This date was not chosen at random. It's mathematically and politically calibrated for maximum stability. The world will never look the same after this.

- **IRAQ AND VIETNAM – REBIRTH OF NATIONS** Both nations have carried the weight of manipulated currencies for decades. Wars, sanctions, global control grids kept them suppressed. Now the balance resets. The revaluation restores what was stolen. Two nations, one mission – economic sovereignty reclaimed.
- **THE BANKS ARE READY** Private exchanges are receiving clearance codes. Systems tested and confirmed. Infrastructure locked. No speculation left. Tier 4B is operational. This is not theory. This is execution.
- **THE CORRECTION OF HISTORY** For too long, elites drained nations through false valuations. This revaluation is not a financial trick – it is retribution. The scales of injustice are being forced level.
- **THE PEOPLE'S TURN** Tier 4B belongs to the believers. Not corporations. Not global funds. Everyday patriots who waited through ridicule. For once, the redistribution flows down, not up. Wealth moves to those who kept faith through the darkness.
- **THE MARKETS KNOW** Forex patterns, commodity volatility, insider chatter – all confirming the same event. Markets aren't reacting to rumors. They're bracing for impact.
- **THE WARNING** With great gain comes great deception. Scammers will flood the moment. Protect your codes, your access, your blessing. Vigilance is survival.
- **THE DAWN OF A NEW ERA** Generational change begins now. Families will rise. Communities will flourish. The chains of poverty snap. This is not just wealth – it's sovereignty.
- **The world has waited.** The clock is set. September 8 will mark the beginning of the end of the old system.
- **Tier 4B = The People's Victory.**

**L. Sat. 11 Oct. 2025 THE WAR ROOM IS ACTIVE — TRUMP'S OCTOBER 8 ROUND TABLE LAUNCHES THE COUNTERSTRIKE** ...Emergency Broadcast System on Telegram

- **What is unfolding inside the White House right now isn't a discussion — it's command and control.** The October 8 Round Table is no public relations event; it's a live operational briefing on the globalist war against America. President Trump sits at the center of the table, surrounded by his most trusted inner circle, directing what sources

describe as Phase II of the national restoration plan: dismantling the Soros-financed domestic terror network, securing the Quantum Financial System, and taking direct military jurisdiction over compromised U.S. cities.

- **The documents circulating inside the room are not theories. They are field evidence — financial trails, encrypted transfers, and human intelligence confirming that Antifa is not an organic protest movement** but a coordinated foreign-funded insurgency. The money flows through European climate foundations, Balkan banks, and Luxembourg trusts — the same pipelines that financed NGO “relief” fronts now exposed as logistics channels for riots, assassinations, and sabotage. These findings are no longer classified rumors; they are printed, verified, and moving through DOJ command as RICO indictments are prepared in real time.
- **Trump’s team — Pam Bondi, Kristi Noem, Kash Patel, Todd Blanche, and Karoline Leavitt** — operate with precision. Independent journalists have been invited inside not as spectators but as witnesses. Andy Ngo, Savannah Hernandez, and Nick Sortor are documenting testimony that will soon be entered into the Domestic Terror Tribunal Project. The President is merging military and media strategy into one unified weapon — truth deployed as counterwarfare. The cameras broadcast patriotism; the files behind the cameras record treason.
- **Even as Trump’s peace negotiations expand across the Middle East**, his focus at home is surgical. Federal intelligence has confirmed that Antifa command nodes in Chicago, Portland, and Phoenix are receiving tactical guidance from foreign-trained operators. City officials ordered to “stand down” are now under federal review for obstruction. The Insurrection Act framework is active, ready to federalize National Guard units in compromised jurisdictions at a moment’s notice. The message is clear: local governments that shield foreign assets will face military oversight.
- **At the same time, the QFS transition continues to accelerate.** Trump’s Quantum Command — the NSA’s restored cyber division — has traced money laundering operations back to offshore “climate funds” feeding resistance networks. The same system now used to transfer digital chaos will soon be repurposed to deliver digital sovereignty. The encrypted gold-backed architecture is operational. Every verified citizen signature now syncs directly into protected Treasury nodes — the beginning of economic freedom from the cabal that financed this war in the first place.
- **Tonight, as America watches replays of the “Antifa Round Table,”** what they are truly seeing is the opening move of a coordinated counterstrike. The globalists’ channels are collapsing. The media no longer controls the lens. The military stands ready to enforce constitutional order under direct executive authority. For the first time since this silent war began, the battlefield is visible — and Trump holds the command seat.
- **This is not a briefing.** This is a declaration. The takedown has begun.

**M. Sat. 11 Oct. 2025 OPERATION SOVEREIGN SHIELD-THE COUNTER STRIKE HAS BEGUN ...Benjamin Fulford**

- **The southern border is no longer a policy debate** — it’s a battlefield. President Trump has activated Operation Sovereign Shield, a full-spectrum federal and military response designed to seal the border, dismantle cartel influence, and break the globalist networks funding insurgency inside the United States. What’s unfolding across Portland, Chicago,

and the Southwest isn't random unrest. It's an organized rebellion against federal law — financed by drug cartels, protected by corrupt officials, and coordinated through offshore channels tied to global elites.

- **Intelligence teams inside DHS and JSOC confirm that ICE agents have been targeted with active bounties** — up to \$10,000 per officer — issued by cartel-backed “nonprofits” laundering money through shell accounts in Chicago and Mexico City. These groups aren't activists. They're paid militants. Cyber units have traced their encrypted communications to servers used by foreign operatives in China and Venezuela. The goal is clear: destabilize Trump's border operations, reopen trafficking corridors, and keep the black-market pipelines that feed globalist wealth alive.
- **Trump's counterstrike has been methodical. On October 5**, tactical units were deployed under federal authority, moving to reclaim ICE installations and reinforce southern checkpoints. Federal funding to sanctuary jurisdictions has been frozen — over \$2.4 billion already withheld — crippling local agencies that once thrived on federal grants while defying federal law. In parallel, classified cyber operations are dismantling the financial arteries of cartel and NGO coordination. Offshore accounts, once hidden behind philanthropic names, are being mapped and frozen in real time. The message to every player in this network is unmistakable: your safe zones are over.
- **Portland and Chicago stand as symbols of the divide.** Portland's activist judges, funded through Soros-linked legal arms, have blocked National Guard deployments while allowing mobs to burn and sabotage ICE facilities. In Chicago, the mayor's declaration of an “ICE-Free Zone” has transformed the city into a domestic battlefield — with unmarked federal vehicles bombed, officers hunted, and cartel scouts embedded in the crowd. Intelligence reveals coordination between radical attorneys, UN-connected NGOs, and tech billionaires funneling money through “humanitarian” programs to obstruct Trump's cleanup operations.
- **Behind the chaos lies a single motive:** protect the global trafficking economy that fuels the elites' financial control. The same offshore foundations funding “migrant rights” groups are connected to corporations profiting from cheap illegal labor, fentanyl logistics, and counterfeit pharmaceutical networks. Every open border, every delayed deportation, and every silenced whistleblower adds billions to their hidden portfolios.
- **But the walls are closing in.** Surveillance flights, data sweeps, and asset seizures have already begun. Sources close to the Pentagon confirm that Operation Sovereign Shield grants temporary military jurisdiction over compromised cities — an emergency authority ready to activate if assassinations or coordinated terror continue. The elite know this. Their private jets are leaving the country. Their digital assets are moving offshore. And the silence of the mainstream media is the final proof that they understand what's coming.
- **This is not politics. It's war — fought in code, cash, and courage.** Trump is cutting off their money, exposing their networks, and reclaiming national sovereignty city by city. October 2025 marks the turning point. Operation Sovereign Shield is no longer preparation. It's execution. The border is locking down, the cartels are cornered, and the globalists are running out of places to hide.

**R. Sat. 11 Oct. 2025** Edward Snowden Has Exposed That HAARP is a Global Weapon engineered to control weather, thoughts and even death itself. ...Mr. Pool on Telegram

- **The atmosphere has been militarized.** The human mind is the battlefield.
- **From his refuge in Moscow, Snowden released a new trove of DARPA-linked documents exposing the true face of the High-Frequency Active Auroral Research Program** in Gakona, Alaska. For years they told the world it was a harmless experiment to study the ionosphere. They built it in the wilderness, far from witnesses. Now the files show its purpose was never research. It was dominance.
- **According to the leaked data, HAARP generates ultra-high-power radio waves** capable of penetrating biological tissue and disrupting neurological patterns. Targets can suffer strokes, cardiac failure, or psychological breakdowns that appear spontaneous. The deaths look natural. The insanity looks organic. Yet both are engineered. NATO and its contractors use this technology to suppress voices, eliminate dissidents, and fracture resistance movements without firing a shot.
- **Snowden's testimony describes** how electromagnetic signatures are mapped to individuals and manipulated remotely. Once calibrated, a single frequency can push the brain into chaos. Rage, fear, confusion — all programmable. Entire populations can be nudged toward compliance or hysteria. The perfect invisible weapon.
- **During his escape from Hong Kong,** Snowden reported that he and WikiLeaks staff experienced bursts of directed energy designed to induce homicidal delusions. He built his current residence as a Faraday cage, sealed against both static and pulsed fields. Every wall lined with copper mesh. Every signal blocked. “It is the only way to think freely,” he said.

- **The leaked documents include correspondence between DARPA,** Air Force research divisions, and private defense contractors operating through the University of Alaska. They discuss synchronization between HAARP transmitters, commercial cell towers, and a surveillance grid known as TrapWire. The network forms a planetary resonance field that can both gather and project data. In the wrong hands, it becomes an instrument of mass psychological conditioning.
- **Independent analysts who reviewed the material confirmed its authenticity.** One intelligence source described it as “the missing link between electronic warfare and social control.” Another called it “the crown jewel of the modern Deep State.” These systems, once connected, could simulate divine phenomena, alter storm patterns, and even neutralize political targets through induced medical failure.
- **Snowden’s evidence also aligns with earlier testimony by Dr. Nick Begich,** who warned in 2009 that HAARP could manipulate emotional states with ease. The combination of electromagnetic pulse and data analytics allows operators to read, influence, and erase emotional signatures across regions. It is not theory anymore. It is functioning infrastructure.
- **HAARP was never about the weather. It was about prediction and influence** — shaping behavior, directing outcomes, steering history itself through frequency. The skies above are a screen, and every transmission is part of a code that decides who awakens and who falls silent.
- **Snowden’s message is clear:** the war for control is not coming. It is already being fought, quietly, inside every signal, every network, every pulse that hums above our heads. The question is not whether HAARP exists. It’s how deep the network runs, and how long the silence can hold before the world begins to listen.

## **S. Sat. 11 Oct. 2025 OPERATION SOVEREIGN SHIELD – IT’S HAPPENING NOW**

...Gesara Nesara QFS on Telegram

- **Trump has launched** the largest domestic counteroffensive since his return to power. Federal forces are locking down the borders. Sanctuary cities are collapsing into chaos. Cartel assassins are being paid in cash to hunt ICE agents — and the Deep State is funding it.
- **Encrypted chatter** intercepted by military cyber units confirms that drug cartels and globalist financiers are working hand in hand. Shell “nonprofits” in Chicago and Mexico are laundering blood money to street-level militias offering \$10,000 bounties for federal kills. It’s not a border crisis anymore — it’s open warfare against U.S. sovereignty.
- **GROUND ZERO: PORTLAND AND CHICAGO** Portland has become a cartel forward base. Radical district attorneys refuse to prosecute, judges with globalist ties block Trump’s National Guard deployments, and mobs attack ICE compounds using encrypted coordinates. Leaked DHS memos expose cartel scouts disguised as “protesters” relaying live intel to attackers.

- **In Chicago**, the mayor has declared an “ICE-Free Zone” — a direct act of rebellion. Two unmarked ICE vehicles were firebombed, and agents’ families are being targeted. Major law firms linked to billionaire donors are quietly protecting the insurgents. The same elites funding global migration pipelines are now using “sanctuary policies” as shields for organized crime.
- **THE MONEY WAR** Federal analysts trace a flood of cartel cash through offshore accounts, disguised as donations to migrant aid groups. Each dollar fuels lawfare operations meant to cripple Trump’s Justice Department. Treasury insiders report cross-border transfers connecting Mexican cartels to elite-run U.S. foundations. The objective: destabilize enforcement, reopen trafficking routes, and keep the slave economy alive.
- **TRUMP STRIKES BACK On October 6**, Trump froze \$2.4 billion in federal funding to states obstructing ICE. It’s cutting deep. Police departments in California and Illinois are already buckling. Behind the scenes, classified cyber ops are mapping every foreign dollar tied to the unrest. One source called it “financial warfare — starve the enemy before the storm.”
- **Private jets have surged out of Chicago**, New York, and San Francisco toward Switzerland and the Caymans. The elites are moving their assets because they know what comes next.
- **THE DECISION POINT** This is no longer about immigration. It’s about control. Either America stands under Trump’s command — or it falls to cartels and global puppeteers. Sanctuary cities are strongholds for trafficking and treason. Progressive judges are their legal shields. Big Tech is their voice suppressor.
- **The next phase of Operation Sovereign Shield** is ready. If assassinations continue and federal authority is defied, military intervention becomes inevitable. The Deep State knows it. That’s why they’re panicking.
- **October 2025 will be remembered** as the month the quiet war went loud — the moment the Republic began its final purge.

**T. Sat. 11 Oct. 2025 RED ALERT.** “Operation Summer Heat” wasn’t an FBI sting. It was a full-scale military purge of elite trafficking systems authorized by President Donald J. Trump.

- **Over 8,000 arrests. 1,000 children rescued.** Tons of fentanyl, weapons, and cash seized. What unfolded this summer was the largest covert takedown in U.S. history — and it’s only Phase One.
- **This was not law enforcement.** It was a coordinated military sweep using the FBI as cover. Targets: cartel runners, CIA-linked handlers, and foreign agents embedded in U.S. cities. Command came directly from Trump’s restored alliance, executing the first wave of “Operation Clean Sweep” — the silent war to dismantle globalist trafficking, money laundering, and child exploitation rings protected by Deep State networks.
- **San Diego, Dallas, Boston, Miami, Baton Rouge, New York** — all hit. All tied to Soros-funded DAs and elite protection zones. In Texas, dark web servers, weapons, and

underground child holding sites were uncovered. In Boston, agents broke a foster-care leak funneling minors through “nonprofits” connected to Clinton Foundation operatives. Across the border, Ukrainian child transfer channels linked to USAID shell companies were severed.

- **What the public saw was only the surface.** Behind the scenes, military intelligence units extracted trafficked children from deep underground facilities. GITMO has expanded to handle sealed trials. Thousands already processed under Trump’s revived tribunals. The evidence recovered — burner phones, digital ledgers, and foreign financial records — proves that the same networks trafficking children were funding global destabilization operations.
- **The Deep State’s fortress is crumbling.** Operation Summer Heat exposed the infrastructure of evil — the banks, the judges, the politicians, and the corporations that fed off the suffering of the innocent. Phase Two is imminent. The next targets are the financiers and puppet masters who thought they were untouchable.
- **Trump is in command.** The military stands with him. GITMO cells are ready. The storm isn’t coming — it’s already here.

#### Y. Native Hawaiian DEW Victims of Maui Hawaii

**On Wed. 29 Jan. 2025 an Open Letter** was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

**There was 170,000 metric tons of Gold** sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

**The request was accompanied** by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

**Z. Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: [Ballard Family Defense Fund on GiveSendGo Here](#)

**Za. "Ken and Barbie vs. Goliath IRS":** Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested two years ago and has been sitting in prison since.

*“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*
