...James Bryce

Judy Note: On Friday 14 Nov. President Trump ordered the Government back to work, signed very important Executive Orders and unleashed even more important Department of Justice and FBI investigations.

One EO obliterated Obamacare and it's Child Trafficking Network and a second "Fostering the Future" EO put corrupted foster care systems, compromised non-government agencies (NGOs) and politically protected child-welfare agencies under direct federal scrutiny.

The unleashed Department of Justice and FBI investigations mainly surrounded Epstein's Elite Sex Trafficking Network that included the Clintons, Hoffman, JPMorgan & Chase Banks —They're All in on It

That same Friday other FBI investigations had already exposed that Vice President Joe Biden had pocketed a \$10 million bribe from Ukrainian, while Obama had lied to Congress, plus doctored intelligence in an attempt to frame Trump, a sitting president. Results of those FBI investigations would likely lead to Treason Charges on both Obama and Biden.

Another almost unbelievable bit of information exposed on Friday concerned Erika Kirk, widow of recently murdered Charlie Kirk. She was accused of running the Angel's Orphanage in Romania, which several survivors of the orphanage claimed was only founded to Sex Traffic children to Congress people in Washington DC.

In the below video the abuse survivor claimed that at age twelve she was trafficked into Erika Kirk's Romanian Angel's Orphanage and personally witnessed Erika Kirk sell children to Washington DC Congress people. **See:** [Erika Kirk Orphanage Survivor Testifies: 'Half of DC Are Pedophiles' \[IS THIS TRUE??\] ~ By The People's Voice 11.12.25](#)

In the video the survivor claimed that there were other survivors of the so-called Romanian "orphanage" who verified her claims and had banded together to expose Child Sex Trafficking by the US Congress.

According to the abuse survivor, Erika Kirk ran the agency. The survivor guessed that half of Congress were pedophiles and those politicians from Washington DC bought children through Kirk for the purpose of trafficking them. The children were drugged, tortured and used for sexual exploitation.

The network was said connected to Ukraine child sex trafficking and Israel's Netanyahu, who funded Mossad and ran the International Child Sex Trafficking Ring. The Romanian Network operated under the cover of Humanitarian Aid from a US Base in Romania.

To be honest, I pray this isn't so. Though, there are so many questions about that Kirk assassination that just don't make sense - on both sides of the Chess Game. I also pray that our leadership will come out with the cold facts. Don't know about you, but I'm pretty tired of the game playing.Judy

Judy Note: Help Bring Kaitlynn Hunter home, along with other Children and Teens Caught in the CIA Mind Control international Sex Trafficking Network: <https://www.givesendgo.com/GDX1Z>

Pray for Kaitlynn Hunter – a 17 year old raped, beaten, starved foster care teen who was handcuffed by a SWAT Team and incarcerated in Ohio Juvenile Detention by Ohio Child Protective Services. There appeared to be no valid reason for Kaitlynn to have served close to seven years of brutalized foster care in the first place, other than to be CIA traumatized and Mind Controlled into a international Sex Trafficking Ring. Apparently her present situation was to keep her from testifying against her and other Ohio Foster Care children and teen's abusers in the CIA run Ohio Foster Care Mind Control Program.

Pray for all Foster Children. Pray for Trump's Global Military Alliance who were right now, rescuing children and teens from the International Child Sex, Organ and Adrenochrome Harvesting Trafficking Ring run by the Vatican, supported by the CIA, funded by US Taxpayer dollars and money laundered through members of our blackmailed US Congress.

Be informed about what is happening to Foster Children: <https://stopcpslegallykidnappingchildren.org/who-we-are/cps-statistics> **CPS Statistics**

Call your Congress people. Demand answers. Demand solutions. Help Trump and team bring Kaitlynn and all Sex Trafficked Children and Teens home and out of harms way.

Call the US Capitol Switch Board in Washington DC to hook up with and complain to your state representative. Demand that they help take down the international Child Sex Trafficking Ring: 202-224-3121

For the first 137 years of America’s history, from 1776 to 1913 — there was no permanent federal income tax. The U.S. government was funded primarily through **tariffs, excise taxes, and other indirect forms of revenue. The Founders had designed the Constitution to protect citizens from direct taxation by a centralized power — believing that income and labor were personal property. That all changed in 1913 with ratification of the 16th Amendment to the Constitution and the passing of the Federal Reserve Act, creating a central banking system.**

On Fri. 14 Nov. 2025 President Trump signed a “Fostering the Future” Executive Order that put corrupted foster care systems, compromised non-government agencies (NGOs) and politically protected child-welfare agencies under direct federal scrutiny. Inside the order was a mandate that forces a nationwide audit of every data system tied to child welfare, now overseen by the Department of Health and Human Services under Robert F. Kennedy Jr. This shift immediately places state agencies, contractors and NGO partners under surveillance for financial diversion, lost children, foreign transfers and ideological filtering.

Judy Note: Perhaps now foster children like Kaitlynn Hunter can be saved from a corrupt system like Ohio Child Protective Services and Juvenile Court that funnels the innocent and unprotected into a Satanic Ritual Abuse (SRA) CIA’s International Child Sex Trafficking Ring - and gets paid to do it through US Taxpayer monies. Please pray for Kaitlynn and all foster children. Please pray for our nation that has allowed this ritual abuse of children to go on.

The 2016 Haitian Reporter: “Where is the money Hillary Clinton raised with the Clinton foundation, Haiti did not get even 2%. The whole world has given billions. Bill Clinton & Hillary Clinton stole it.”

Fri. 14 Nov. 2025 Fox News: A just released FBI investigation showed that Bidens pocketed a \$10 MILLION BRIBE from Ukrainian crooks while Joe was Vice President. Obama and his entire administration lied to Congress and to the American people by doctoring intelligence in order to frame Trump, a sitting president. This is Treason.

FBI Evidence confirms that Obama lead the manufacturing of the Russian intelligence operation coup against President Trump. Obama and his entire administration not only lied to Congress, they lied to the American people, and they got caught. They doctored the intelligence to frame a sitting president. That’s Treason.

Elon Musk has dropped explosive claims about political corruption, NGO fraud, and stolen identities. “It’s a giant money laundering scheme. We’ve uncovered so much fraud it’s hard to even decide what should be prosecuted first. Musk said at least 400,000 stolen Social Security numbers have been identified. These fake NGOs feed into the political machine — mostly run by Democrats — are laundering billions.”

C. Global Currency Reset:

Judy Note: It is my personal opinion, and I could easily be wrong, that when we hear the EBS go off with the sound of Seven Trumpets, we can soon expect to receive several messages on our cell phones generated from the new Starlink Satellite System. One of those messages should contain information about how to gain a redemption center appointment. Those who don't have foreign currency to exchange will use their appointment to set themselves up for banking, med bed treatment and voting using personal cell phones linked up to the Starlink Satellite System, while we with currency and bonds will do the same, plus be able to do our exchange.

I. Fri. 14 Nov. 2025 OPERATION CHILD SHIELD - TRUMP STRIKES AT THE ELITE TRAFFICKING NETWORK - Ezra A. Cohen

President Trump and the First Lady have now executed one of the most decisive blows against the elite networks that fed on America's most vulnerable. With the new executive order signed on November 14, the hidden machinery behind corrupted foster care systems, compromised NGOs and politically protected child-welfare agencies finally comes under direct federal scrutiny.

What was long disguised as social service is now being exposed as a structure built to fracture families, suppress faith and funnel children into institutions designed for control rather than protection. Years of whistleblower testimony and military-intel mapping have culminated in this operation.

Inside the order is a mandate that forces a nationwide audit of every data system tied to child welfare, now overseen by the Department of Health and Human Services under Robert

F. Kennedy Jr. This shift immediately places state agencies, contractors and NGO partners under surveillance for financial diversion, lost children, foreign transfers and ideological filtering.

Networks long tied to globalist foundations and embassy-linked programs are finally being tracked by ODIN systems capable of tracing both financial movements and human pathways. What used to be labeled mismanagement is now being treated as organized misconduct. The era of children vanishing into bureaucratic darkness is ending.

A major pillar of the order restores the rights of faith-based families and institutions to participate fully in child-welfare programs without ideological discrimination. For years, traditional households were sidelined while state-aligned operatives were ushered in as approved caretakers. That model is now dismantled. **Trump's directive restores** moral ground, protecting families who were deliberately pushed out and children who were conditioned into identity-stripping systems.

Melania Trump's long-quiet initiative now steps into the open, building high-security mentor ship pathways for foster youth aimed at transforming their lives rather than breaking them.

Parallel operations are already mobilizing. Treasury Secretary Scott Bessent is creating direct economic routes for former foster youth through Freedom Accounts tied to the emerging Quantum Financial System, bypassing corrupt state programs entirely.

HUD's Scott Turner is initiating safe transitional housing zones on federal land.

Behind the scenes, sealed indictment reviews for former CPS officials are under way in multiple states, with military tribunals authorized for cases involving trafficking, cover-ups or foreign transfers.

These moves confirm that the foster-care overhaul is not administrative reform but a strategic purge of a captured system.

Trump made the intent unmistakable. Protect the children. Restore the families. End the pipelines that fed elite structures for decades. His words were not ceremonial. They were a warning to every network that treated American children as a resource to be harvested rather than a generation to be protected.

With the military alliance aligned, constitutional restoration advancing and national systems returning to rightful oversight, this executive order becomes a foundation stone in a much larger revival. The restoration of America begins where the elites believed no one would ever look again: with the children they thought they owned, now reclaimed by the nation that will never abandon them.

J. Fri. 14 Nov. 2025 CLASSIFIED DOSSIER: ATMOSPHERIC CONTROL

EXPOSED: DARPA'S SKY WEAPONS – THE DEEP STATE'S ULTIMATE POWER GRAB LEAKED ON OCTOBER 26, 2025 – PATRIOTS, THIS IS YOUR WAKE-UP CALL. THE STORM IS BREWING, AND IT'S NOT NATURAL. - Robert F. Kennedy Jr.

Patriots, drop everything. The Deep State isn't just rigging elections or poisoning our kids with Big Pharma jabs. They're hijacking the goddamn sky. DARPA and the DoD – those shadow puppeteers in the Pentagon – have turned our atmosphere into a battlefield. Code Name: Atmospheric Control. This isn't sci-fi. It's patented, weaponized reality. They're engineering storms, steering hurricanes, and freezing entire states to crush us into submission. And they've been at it for decades, laughing while we chase "climate change" fairy tales.

Remember the Texas deep freeze? That wasn't Mother Nature's wrath. It was a HAARP hit job. On January 21, 2025 – just months ago – they unleashed ionospheric heaters to mimic China's rogue freeze tech. Billions in damage, power grids shattered, patriots left in the dark. Snow dumped on New Orleans and Florida's Gold Coast, places that haven't seen a flurry since the dinosaurs. Meanwhile, Alaska's sweating in the tropics. Weather doesn't bend like that. It's engineered. Deliberate. A deep state demo of total control.

Flash back to the real history they buried: Project Popeye, 1967-1972. U.S. military seeding clouds over Vietnam with silver iodide, drowning the Ho Chi Minh Trail in monsoons. Floods. Landslides. Supply lines obliterated. Denied for years until declassified – then slapped with the ENMOD Treaty to pretend they'd play nice. Bullshit. They crossed that line ages ago. Now? Patented tech lets them whip up pressure zones, redirect hurricanes like remote-controlled drones. Florida's latest "natural disasters"? Orchestrated hits to bankrupt red states, force FEMA dependency, and herd us into 15-minute gulags.

Enter HAARP – that Alaskan behemoth pumping 3.6 million watts into the ionosphere. It's no research toy. It's a sky scalpel, superheating the upper atmosphere to trigger global chain reactions. Build on Starfish Prime, those 1960s H-bomb blasts that fried the magnetosphere. Today, it's nanoparticles raining down: 40-60 million tons yearly of coal fly ash, aluminum, magnesium, graphene. Sprayed from commercial jets and DoD birds retrofitted with hidden nozzles. Automated. Undetectable. Lingering like poison fog.

Robert F. Kennedy Jr. cracked it open: "We think DARPA's doing it, spraying out of jet fuel." Dane Wigington, geoengineering warrior, hammered it on the front lines: "The cover-up is collapsing. Full exposure imminent." Whistleblower pilots spilling guts. Suppliers like American Elements Corp. exposed. This is climate reengineering on steroids – toxic soup blocking the sun, frying our lungs, mutating our blood. And for what? Geopolitical chess. COP summits in Cancun, Copenhagen? Deep state shakedowns, freezing host cities to prove: "Join our weather cartel or get iced."

This is the red pill you can't swallow and spit out. The skies are a war zone, and we're the targets. Trump's back – he knows the score. Demand he unleashes the hounds: Federal probes, sworn hearings, full declassification. Shut down HAARP. Ground the spray planes. Expose the DARPA files. Or watch the deep state summon the next "freak storm" to bury 2025's fight for freedom.

Thank you to FBI Kansas City, BISGov Atlanta and New York, and to our partners in France.

-Ji Wang was convicted of multiple counts of economic espionage and theft of trade secrets. Corning, Inc. and DARPA spent MILLIONS of dollars developing sensitive technology, which Wang stole to line his own pockets and help our adversaries undermine U.S. national security. Let me be clear: Protecting American businesses is a top priority for your FBI, and we will continue to work tirelessly to ensure American innovation is not stolen for our enemies. Thank you to FBINY, BISgov, and Homeland Security Investigations for your dedicated work.

-Three research scholars from the People's Republic of China - Xu Bai, Fengfan Zhang, and Zhiyong Zhang – were charged with conspiracy to smuggle biological materials into the United States and for making false statements to U.S. Customs and Border Protection Officers. These are the latest charges in a string of cases stemming from Chinese National students' criminal activities at university research centers. The FBI will NOT tolerate any attempt to exploit American institutions to break the law, and we remain dedicated to protecting our communities and our educational institutions from these threats. Thank you to FBI Detroit, Homeland Security Investigations, and CBP for their partnership on this case.

God bless America, and all those who defend Her.

M. Sun. 26 Oct. 2025 CLASSIFIED DOSSIER: BIDEN BRIBERY EXPOSED – THE DEEP STATE'S FILTHIEST SECRET UNLEASHED

Patriots, this isn't some recycled hoax peddled by the fake news Cabal. This is the raw, unfiltered TRUTH exploding from the shadows of the FBI's vault. Buried files – now ripped open by relentless pressure from WE THE PEOPLE – confirm the Bidens pocketed a \$10 MILLION BRIBE from Ukrainian crooks while Joe played puppet master as Vice President. That's right: \$5 million for Joe, \$5 million for Hunter. Laundered through a web of offshore hellholes, shell companies, and fake trails designed to mock justice for a DECADE.

Imagine it: A Burisma gas baron, knee-deep in corruption, forks over the cash to buy silence and protection. Their goal? Torch the Ukrainian prosecutor sniffing too close to their dirty empire. And who pulls the strings? Joe Biden himself, strong-arming Ukraine with American taxpayer billions: "I'm leaving in six hours. If the prosecutor's not fired, you're not getting the money." He BRAGGED about it on video, laughing like the kingpin he is. This wasn't diplomacy. This was extortion. Treason wrapped in a suit.

The FBI knew. They sat on it like loyal lapdogs to the Deep State. A Burisma insider – our hero in the trenches – spilled everything to federal agents: "Five million for one Biden. Five million for the other." The network? A fortress of deceit: multiple banks, jurisdictions, holding companies – engineered immunity to shield the elite from the pitchforks of patriots like us. Hunter's infamous laptop? It screams the proof: emails naming "the big guy" – that's Joe, the puppet at the top, raking in the lion's share for his "political value."

Flash back to 2019. Trump dares to question this swamp slime in a single phone call to Ukraine. What happens? The Democrat witch hunt impeaches him – for SEEKING THE TRUTH! While Biden swims in foreign filth, they crucify the man fighting to drain the sewer. Double standard? No, it's the deep state's playbook: Protect the thieves, bury the whistleblowers, and gaslight the masses.

But the dam's cracking, warriors. Since January 2025, with Trump steering the ship, these files have clawed their way into the light. The cover-up's collapsing under its own rot. Foreign bribery? Check. Political coercion? Check. National security betrayal? Obstruction of justice? Abuse of power? It's a felony buffet, served up by the man who weaponized the Oval Office against America.

This is your wake-up call, Q family. The Bidens aren't anomalies – they're the face of a cabal that's sold our sovereignty for briefcases of blood money. They've rigged the game, silenced the probes, and laughed while patriots bled for freedom. No more. Congress, you spineless enablers: IMPEACH JOE BIDEN NOW. Drag this traitor into the hearings. Expose every wire transfer, every backroom deal. The storm is here, and it's swallowing the corrupt whole.

Feel that fire in your veins? That's the red pill dissolving the lies. You've infiltrated the dossier. Now arm up, share this intel, and charge the gates. The deep state trembles

because WE SEE THEM. WE KNOW. And we're coming. 1776 redux starts TODAY, October 26, 2025. Lock and load, Patriots. The fight for our Republic rages on.

N. Fri. 14 Nov. 2025 Evidence confirms OBAMA lead the manufacturing of the Russian intelligence operation coup against President Trump. - Fox News

Obama and his entire administration not only lied to Congress, they lied to the American people, and they got caught.

Investigators spent over 2,000 hours tracing 12+ years of documents and the entire origins and planning of the Russian intelligence coup against Trump. They interviewed over 20+ CIA, FBI, and other whistleblowers directly involved.

Obama and his administration doctored the intelligence to frame a sitting president. This was organized, planned, and executed to take down a sitting U.S. president and it was ALL A LIE.

Ladies and gentleman, this is TREASON.

O. Fri. 14 Nov. 2025 ELON MUSK has dropped one of the most explosive claims yet about political corruption, NGO fraud, and stolen identities. "It's a giant money laundering scheme.":

On massive Social Security fraud:

"We've uncovered so much fraud it's hard to even decide what should be prosecuted first. The wheels of justice turn slowly, but surely." Musk said at least 400,000 stolen Social Security numbers have been identified — and that: "The person that stole 400,000 Social Security numbers... will be arrested hopefully this week."

On corrupt NGOs feeding the political machine:

“These fake NGOs — mostly run by Democrats — are laundering billions.

Sometimes they throw Republicans a bone to keep them quiet. It’s where the uniparty starts.” And the line that set the internet on fire: “It’s a giant money-laundering scheme. At this point, the words ‘NGO’ and ‘money laundering’ are almost synonymous.”

Musk says the evidence has already been sent to the DOJ — and now the world is watching what happens next. If even half of this is true... the system is far more compromised than anyone imagined.

P. Fri. 14 Nov. 2025 HOW AMERICA WAS HIJACKED BY THE FEDERAL RESERVE ACT & THE 16TH AMENDMENT IN 1913 - Trump Security Center

Five months before his assassination, President John F. Kennedy issued this executive order that would give the American currency back to the people by printing money based on a silver standard, taking away the power of the Federal Reserve Banking Cartel. Many argue this is the reason that JFK was assassinated.

For the first 137 years of America’s history, from 1776 to 1913 — there was no permanent federal income tax. The U.S. government was funded primarily through tariffs, excise taxes, and other indirect forms of revenue.

There were a few attempts to impose a federal income tax during the Civil War and again in the 1890s, but each time, the Supreme Court ruled it unconstitutional. The Founders had designed the Constitution to protect citizens from direct taxation by a centralized power — believing that income and labor were personal property.

That all changed in 1913. In that single year, two major changes took place that would forever alter the foundation of America’s economy:

1. The 16th Amendment was ratified, giving Congress the power to levy a federal income tax on individuals.

2. The Federal Reserve Act was passed, creating a central banking system — a private entity with the authority to issue and control the U.S. money supply.

Together, these two acts effectively shifted financial power away from the people and the government, placing it instead in the hands of a small group of bankers. The Federal Reserve began printing money out of thin air, lending it to the government at interest. To pay that interest, the government began taxing the people directly through the new federal income tax system.

This cycle created a perpetual debt machine. Every dollar in circulation is borrowed into existence — owed back to the Federal Reserve with interest. Over time, this has led to the devaluation of the dollar, the rise of inflation, and the eroding of the average American's purchasing power.

That's why a home costs more than ever, college debt is crushing an entire generation, and the cost of living continues to rise while wages barely keep up. The system is designed to keep the nation, and its citizens — in debt.

For 137 years, America thrived under a system built on prosperity, productivity, and real value. Since 1913, we've lived under one built on debt, inflation, and control.

So yes — many would say that 1913 was the year America sold its soul.

Q. Fri. 14 Nov. 2025: Texas Governor Greg Abbott never banned Sharia Law in Texas, plans are moving ahead for the rebranded Epic City. This will be a huge Muslim only community in Texas renamed 'The Meadow.'

Shell companies and religious nonprofits (NGOs) are being used to hide and fund the project. “This development shows concerning patterns like large land accusations through shell companies and religious nonprofits, strategic use of municipal, of MUDs to bypass zoning and public oversight, foreign funding through tax-exempt religious institutions, separate governance structures with their schools and legal systems. TCEQ applications should be secure and they haven't done this despite Abbott's directive in April to halt work until permits are, permits are secured. And then the educational content that they're teaching that conflicts with American civic values.”

This isn't standard urban planning. It's establishing parallel communities operating under principles that contradict our constitution”

“EPIC II Community, now deceptively named The Meadow — Governor Abbott signed HB 4711 a couple months ago, which only prevents the forcing of somebody to sell their property back to the mosque. It doesn't stop them from doing it voluntarily. And as we know, the Islamic culture, it's okay to lie if it advances their cause.

This bill did not address that Sharia law and our Constitution are not compatible, and it did not ban Sharia law, despite suggestions otherwise.

Most of you know that EPIC City Development changed its name to RR MUD when electing new board members a couple months ago, and now again to The Meadow, clearly attempting to avoid negative publicity and online searches. But make no mistake, this remains an Islamic-focused community, and Islam is fundamentally incompatible with our constitution.

Under Sharia law, there's no freedom of religion, no freedom of speech, no freedom of thought, no freedom of artistic expression, especially concerning no fr- equal rights for women. Residents of EPIC cannot simultaneously honor both the Constitution and Sharia law.

These systems are incompatible with Islam and Sharia law. There is no difference. They cannot honor the constitution and support Islam.”

The community is asking the county to stop the development.

U. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) **Sir Don Kauli'a**, Sovereign Regent, Kingdom of the Hawaiian Islands kauliadon@gmail.com trustakua@gmail.com

- ☐ **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- ☐ **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- ☐ **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- ☐ **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

V. Tim Ballard has worked undercover in the US and in multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children around the World through his Tim Ballard Foundation. Just as a film about Ballard's work, "***Sound of Freedom***," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. A new movie and book about his work was about to be released called ***Hidden War***.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
