“The Privilege of Freedom”

[Independence Day Special \(June 28, 2020\) | Music & the Spoken Word](#)

“Freedom is as precious as life itself and the opportunity to defend our Freedoms is an honor, and a privilege, even if it means my own sacrifice.”

...Nathan Hale

Judy Note: The Constitution is hanging by a thread, though the Great Reset that will save us is no longer just approaching, it is happening. Stay Alert. Every minute from now on matters:

The Warnings Were Out: Be Prepared; Big Event Coming; Imminent Worldwide Blackout; Systems were Fracturing; Central Banks Were Closing; Government Servers Were Entering Lockdown.

Then There Were Other Warnings Out: The World as You Knew it Was Fading; The World That Was Hidden is Emerging; Quantum Grid Was Taking Command; Starlink Frequencies Were Spiking Across Every Time Zone; Martial Law; Mass Arrests; Global Currency Reset; Freedom From Debt From the Cabal

Debt slavery ends as illegitimate mortgages and taxes vanish under restored 1776 Constitution by end of 2025.

Over 200 nations lock into QFS gold parity, rendering fiat systems obsolete and initiating unbreakable blockchain security.

Starlink frequencies spike as military oversight secures global grids against sabotage during the transition.

Humanitarian vaults expand with seized assets routing to verified accounts, erasing manufactured poverty forever.

Quantum Financial System activation accelerates as blackout protocols engage worldwide, severing Deep State banking control by December 2025.

NESARA/GESARA enforcement triggers the largest wealth redistribution in history, reclaiming trillions from elite vaults for direct citizen credits starting **mid-December 2025**.

Med Beds emerge from underground facilities, initiating public access on January 1, 2026, with priority healing for children and vaccine-injured using Terahertz and Scalar waves.

The Great Awakening surges as hidden technologies release, propelling humanity into an era of abundance and sovereignty.

So, how did we get into this mess in the first place? Answer: Mind Control – perfected by our own CIA using the ancient techniques of Pedophilia, Child Sacrifice and Torture Rites done in honor of Satan; used by our own paid-off Mass Media to mind control the masses; protected by our own blackmailed Congress and paid for out of our own US Taxpayer dollars.

Although Mind Control of the masses has been used by Satan Worshipping minions throughout history, the techniques were brought into the US after World War II from Hitler's Germany by our own George W. Bush, who would soon help organize and head the CIA based on a mind control program called Project MKULTRA.

As JFK Jr. said, "There were multiple layers to Project MKULTRA depending on the application, including MONARCH sex slaves, and ARTICHOKE assassins, even molding you daily living at home from your TV and down to manipulating the Internet and Social Media. There were many layers and methods at play.

"From mind control experiments, propaganda, drugs, sex trafficking, Satanic and occult practices, and now, state of the art technology from agencies like DARPA, literally inducing and control your behaviors and emotions, reading and writing thoughts in real time.

They say MKULTRA was shut down in 1995 by Congress, but it never ended, it just went black.

There were three CIA Satanic Ritually Abused women who went before a 1995 Congressional Hearing on Human Radiation Experiments. They testified about tortuous CIA Mind Control they were subjected to throughout their childhoods – which included the torture and murder of other children. Recordings of their abuse were used to blackmail Congress people. All were now deceased, having died of mysterious causes.

Congress has never acted on these heinous crimes of the CIA that were believed still going on today, or have legislators done anything on Intel given in two formal Congressional Hearings on the subject of CIA Mind Control torture of children used to Blackmail legislators.

No further investigation was ever started, let alone completed, after the 1970s and 1995 Congressional Hearings. All three witnesses later died of mysterious causes, their dramatic information about bribery of Congress people having been covered up. Their testimonies were once available to view on the Internet, but since have been taken down

Judy Note: Help Bring Kaitlynn Hunter home, along with other Children and Teens Caught in the CIA Mind Control international Sex Trafficking Network: <https://www.givesendgo.com/GDX1Z>

Pray for Kaitlynn Hunter – a 17 year old raped, beaten, starved foster care teen who was handcuffed by a SWAT Team and incarcerated in Ohio Juvenile Detention by Ohio Child Protective Services. There appeared to be no valid reason for Kaitlynn to have served close to seven years of brutalized foster care in the first place, other than to be CIA traumatized and Mind Controlled into a international Sex Trafficking Ring. Apparently her present situation was to keep her from testifying against her and other Ohio Foster Care children and teen's abusers in the CIA run Ohio Foster Care Mind Control Program.

Pray for all Foster Children. Pray for Trump's Global Military Alliance who were right now, rescuing children and teens from the International Child Sex, Organ and Adrenochrome Harvesting Trafficking Ring run by the Vatican, supported by the CIA, funded by US Taxpayer dollars and money laundered through members of our blackmailed US Congress.

Be informed about what is happening to Foster Children: <https://stopcpslegallykidnappingchildren.org/who-we-are/cps-statistics> **CPS Statistics**

Call your Congress people. Demand answers. Demand solutions. Help Trump and team bring Kaitlynn and all Sex Trafficked Children and Teens home and out of harms way.

Call the US Capitol Switch Board in Washington DC to hook up with and complain to your state representative. Demand that they help take down the international Child Sex Trafficking Ring: 202-224-3121

C. Global Currency Reset:

Judy Note: It is my personal opinion, and I could easily be wrong, that when we hear the EBS go off with the sound of Seven Trumpets, we can soon expect to receive several messages on our cell phones generated from the new Starlink Satellite System. One of those messages should contain information about how to gain a redemption center appointment. Those who don't have foreign currency to exchange will use their appointment to set themselves up for banking, medical treatment and voting using personal cell phones linked up to the Starlink Satellite System, while we with currency and bonds will do the same, plus be able to do our exchange.

The long-awaited Global Currency Reset and full activation of NESARA/GESARA now stand at the threshold of public manifestation. Multiple bonded sources confirm that Tier 1 and Tier 2 payouts have completed processing, with trillions in prosperity funds unlocked and flowing securely through the Quantum Financial System.

Redemption centers worldwide are on highest alert, with notifications to exchange for Tier 4b (the Internet Group) expected by at least **Tues. 25 Nov.** if not before as in on **Sat. 22 Nov.** when the old SWIFT system officially expires.

On or about November 20, GESARA will begin enforcing universal debt forgiveness, wiping clean mortgages, credit cards, student loans, and medical debt for all citizens under the Restored Republic. Seized Cabal assets are already being redistributed into individual QFS accounts, preparing for the greatest wealth transfer in human history.

The Iraqi Dinar leads the revaluation wave, followed by Zim at 1:1 parity and the Vietnamese Dong under the new BRICS gold-backed structure.

By Thanksgiving, November 27, President Trump is scheduled to formally announce the return to the gold standard and the full launch of our sovereign Restored Republic.

Med Beds, powered by suppressed Tesla scalar and terahertz technology, have begun quiet activation in over 100,000 centers worldwide, with priority given to rescued children and veterans. Portable units are scheduled for distribution as early as **November 20, and by January 1, 2026** these divine healing chambers will be available to the public, eradicating disease and restoring youth, and collapsing the corrupt pharmaceutical empire forever.

This is the promised Biblical jubilee—debts forgiven, captives freed, and abundance restored to God's people.

I. Thurs. 20 Nov. 2025 International Child & Human Trafficking Network Taken Down. – Nesara Gesara QFS

Late Wed. Night 19 Nov. 2025 an international child and human trafficking network was torn apart in a joint alliance operation off the coast of Asia. The target was not a simple safe house – it was an underground train bunker built to move people silently across borders without ever touching the surface.

Over fifty operators, handlers and coordinators were taken down in a single strike. Among them were two individuals identified as the sons of a former American president. Their names are being held under Military seal until the next phase of disclosure.

The facility was equipped with communication lines that reached into Europe and private US Defense Contractor Networks.

Data drives, hardware and live transmission feeds were seized. What was found inside will shake entire governments.

Intel teams confirm that multiple tunnels and subrail systems connecting to this hub are now under Alliance control.

Extractions continued hours after the initial raid, including child survivors who were being prepared for transport.

This was not a small operation. This was a structural pillar of the global trafficking industry – and it has been removed.

More details are coming. And when they break, the world will understand why the silence before this moment was absolutely necessary.

“You can look at sort of broad allergic reactions that take place across an entire society that are linked to the vaccine schedule.”

“In the 1990s, there were a lot of anaphylaxis cases suddenly exploding in Japan. And they traced it to gelatin in the live virus vaccines and the MMR vaccines and some of the other vaccines they had over there. **And by 2000,** they had removed it all and the anaphylaxis dropped dramatically.”

“There's no question about this, there was all kinds of studies done on the Japanese example.”

N. Thurs. 20 Nov. 2025 TRUMP SOUNDS THE SIREN: DEMOCRAT LAWMAKERS ACCUSED OF SEDITION BEHAVIOR ARRESTS DEMANDED AS THE REPUBLIC HANGS BY A THREAD ...Ezra A. Cohen

The message hit the country like a shockwave. Early on November 20, 2025, President Donald J. Trump issued one of the most explosive public warnings of his presidency. He accused several Democrat lawmakers of pushing active-duty service members to disregard military orders. Not criticism. Not debate. A call for defiance. In Trump's words, this is treason from within, the kind that dissolves nations from the inside out.

The lawmakers named are not random figures. They are former military and intelligence personnel. Slotkin. Kelly. Crow. Deluzio. Goodlander. Houlahan. Each of them used rehearsed, coded language about "refusing unlawful orders," never explaining what orders, never defining the threat, only planting the suggestion that the chain of command is optional. In a moment of national tension, that suggestion is not a warning. It is a weapon.

Trump made the stakes impossible to ignore. "Seditious behavior at the highest level. Each one of these traitors should be arrested and put on trial. We won't have a Country anymore." His words cut through every attempt by media groups to soften the story. This is not a misunderstanding. It is an open attempt to fracture military obedience at the precise moment Trump is trying to restore order, authority, and constitutional balance after years of institutional sabotage.

The danger is not abstract. A military that chooses orders based on partisan influence cannot defend a nation. A Congress that tells soldiers when to obey and when to rebel cannot claim loyalty to the Constitution. Trump sees exactly what this is. A final attempt by the remnants of the old structure to

derail the return of accountability, tribunals, and national direction. When he says an example must be set, he is speaking to every American who has watched internal subversion operate without consequence.

Across the country, patriots heard his words and understood the moment. The Republic only survives when its defenders stand united. When elected officials try to break that unity for political gain, the line has already been crossed. Trump did not whisper it. He stated it plainly. The nation is in danger. And if there is no accountability, there will be no country left to defend.

O. On Wed. 19 Nov. 2025 the mask finally dropped. A coordinated group of Democrat operatives released a rehearsed video urging American troops to reject orders from President Trump. ...Gitmo TV

They framed it as caution, but the tone was pure psychological conditioning. This was not political disagreement. It was an attempt to fracture the military chain of command while tribunals close in on the networks that once operated freely.

Since Trump returned to the Oval Office in January, the people who built that old system have tried to sabotage every step toward accountability. This video was their boldest signal yet.

Their panic has a cause. Over the past year Trump dismantled the infrastructures that protected globalist interests. He cut off shadow funding, restored legal authorities, and placed intelligence programs under strict oversight.

Military task forces quietly began rounding up traffickers, corrupt officials and figures linked to black budget operations. Facilities once meant for dissidents now hold the people who designed those plans.

Evidence buried for years is scheduled for military courts, including the unredacted Epstein network, the Moderna contracting files and digital maps recovered from the Hunter Biden investigations. If these hearings proceed, the structure the elite relied on collapses.

That is why these operatives are calling for resistance. They know GITMO has expanded for upcoming tribunals. They know military command centers have shifted under loyal control and that compromised officials were removed months ago.

They also know Trump's lawful military logistics at the border are shutting down trafficking routes that flourished under earlier administrations. These were the channels that kept their machine alive. Now they are being dismantled piece by piece.

This moment is not about party lines. It is about a nation facing the consequences of years of hidden corruption. The operatives pushing military defiance are not defending the Constitution but protecting a system that depended on secrecy and exploitation.

Trump stands in the way of that design, and they know he will not bend. Their call reveals fear, not strength. And despite the noise, the military is not turning. The chain of command holds. The tribunals are coming. The truth is moving forward.

Q. Thurs. 20 Nov. 2025 THE LAND GRAB COLLAPSES AND AMERICA TAKES BACK ITS SOIL – Ezra A. Cohen

On the nineteenth of November a quiet but historic shift took place. EPA Administrator Lee Zeldin moved to dismantle the Obama Biden Waters of the United States rule, a policy that turned ordinary farmland into federally controlled territory. For years the rule was used to pressure farmers, ranchers and landowners with threats of inspections, fines and endless paperwork. It was never about water. It was about authority. A puddle could trigger a federal case, a ditch could bring regulators, and a pond could freeze a family's livelihood. Rural America lived under that shadow until now.

Zeldin's rollback returns power to the people who actually work the land. He called the original rule a weapon designed to assault American landowners, and acted to end nearly a decade of confusion and fear. With the new definition of protected waters, families no longer have to question whether rainwater on their property will bring federal agents to their gate. Farmers can develop, plant, dig and irrigate without needing permission from distant offices in Washington. It is a restoration of common sense and a release from a system that punished productivity under the banner of environmental concern.

The impact reaches far beyond paperwork. For many families, WOTUS forced costly delays, abandoned projects and even the sale of land. Entire communities were held back by rules written by people who never set foot on a farm. The Trump Zeldin reversal clears that choke point. It allows rural America to grow again, to build again, to breathe again. And it shows that clean water and freedom are not enemies. The major rivers, lakes and drinking water systems remain protected. What ends is the federal intrusion into private property that never needed regulating in the first place.

This moment is another reminder that America First means defending the people who feed and sustain the nation. Trump promised to end the bureaucratic war on farmers, and this decision fulfills that promise with unmistakable force. The government steps back. The land returns to its owners. And once again the work, the risk and the reward belong to the families who live on the soil. The fight for freedom is never finished, but today the balance shifts back to the people. This is a turning point, and rural America knows exactly what it means.

U. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) **Sir Don Kauli'a**, Sovereign Regent, Kingdom of the Hawaiian Islands kauliadon@gmail.com
trustakua@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.

- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

V. Tim Ballard has worked undercover in the US and in multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children around the World through his Tim Ballard Foundation. Just as a film about Ballard's work, "*Sound of Freedom*," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. A new movie and book about his work was about to be released called *Hidden War*.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
