**A. Sat 22 Sept. 2025: United States and Global Military Alliances are on high alert,
with sources confirming that the Mass Arrests phase of The Storm has
commenced:**

50,000 elite White Hat forces—bolstered by international contingents from the US, Canada, France, Germany, Russia, and Brazil—have secured deep underground military bases (DUMBs) beneath Colorado’s Denver International Airport, Wyoming’s Cheyenne Mountain, and Utah’s Dugway Proving Ground.

These operations target the heart of the Cabal's child trafficking networks and Adrenochrome harvesting facilities, with Gitmo expansions underway to accommodate tribunals broadcasting unspeakable crimes against humanity.

As the clock strikes toward midday, Emergency Broadcast System (EBS) activations are rolling out in key urban centers including Los Angeles, Chicago, Houston, Phoenix, New York City, Philadelphia, and Seattle, heralding the onset of Ten Days of Darkness commencing at midnight tonight, **November 22, 2025.**

During this blackout, all electronic grids will pause, allowing the full sweep of arrests to conclude without interference—echoing the biblical assurance that light pierces even the deepest shadow.

Child rescue operations intensify as 400,000 unaccompanied minors trafficked under prior regimes are liberated from hidden bunkers at the Getty Museum and Vatican-linked tunnels stretching 1,500 miles to China's Three Gorges Dam, where mass graves of innocence unearthed cry out for heavenly vengeance.

FEMA's exposed role in manufactured crises like Hurricanes Helene and Milton—through cloud seeding atrocities—stands condemned, with militias safeguarding victims and preachers delivering aid in acts of profound Christian charity.

In this hour of trial, General Flynn's warnings of cabal desperation ring true. Northern and Texas militias report neutralizing federal obstructions, while state sovereignty declarations pave the way for unhindered justice.

The Loy Brunson Rule 11 Emergency SCOTUS petition has ignited the Court of Public Opinion as the true highest court in the land, calling upon every patriot to sign and stand witness to this righteous purge—your voice is the instrument of God's will. The Storm is upon us; prepare your spirits in prayer, for by dawn on **December 2, 2025**—the end of these Ten Days—the veil lifts to reveal a Republic reborn in purity and grace.
