...President Donald Trump

“The five most used words in upcoming weeks and months will be: “We Tried To Tell You.”

...Mr. Q on Telegram

Judy Note: The White Hats within the US Military have activated an interim government, with President Trump reinstated at the helm. In other words, we are now in full Martial Law.

On Sat. 29 Nov. President Donald J. Trump posted on Telegram: “A three-star general walked out of the Pentagon Situation Room at 02:11 EST carrying a briefcase that has not left his hand since 2016.

“He boarded a blacked-out helicopter on the south pad. Destination filed as “non-disclosed continental United States.” The flight plan vanished from every screen the moment the rotors spun up.

“Seventeen minutes later every emergency broadcast tower in the country received the same eight-second carrier tone that exists on only one page of one manual—and that page is kept in a vault most people don’t believe is real. The tone has never been transmitted live before **tonight Sat. 29 Nov. 2025.**

“Once the second layer of that tone is sent, nothing that currently calls itself television or cellular will ever work again the same way.”

The general has not been seen since the helicopter disappeared over the Virginia horizon. His family was moved to an undisclosed location six hours earlier.

Judy Note: *Please excuse me if I haven’t answered your email. I have over 6,000 emails I have not even had the time to look at. E. On Sat. 29 Nov. 2025 Evening the RV Launched ... Judy Byington Q

https://t.me/judybyington_q

Judy Note: The below report, although under my name and picture, was not written by me and I do not know who did it, though I do agree with the content.

As twilight descends on November 29, 2025, dear souls of the earth, we witness the inexorable advance of Heaven's economy, a grand transfer of wealth from the hands of thieves to the stewards of light.

The Revaluation (RV) ignites this very night at 8:00 PM EST, with Tier 4B notifications lighting up secure channels for the first wave of redeemers—those appointed to seed humanitarian projects across the nation and beyond.

Payouts commence immediately thereafter, unlocking trillions in suppressed assets through the Quantum Financial System (QFS), a flawless ledger of truth impervious to the cabal's manipulations.

Debt forgiveness blankets the land starting December 1, 2025, erasing mortgages, student loans, and credit burdens in a divine jubilee, fulfilling the promise that "the wealth of the sinner is stored up for the righteous."

Med Beds, those miraculous chambers of restoration, roll out in phases beginning December 3, 2025, in military bases from Texas to Switzerland, offering healing beyond measure to veterans, children, and the weary faithful first.

NESARA/GESARA's full implementation follows suit, ushering in tax abolition, universal prosperity, and gold-backed currencies that honor the Creator's abundance over fiat illusions. Imagine: farms reclaimed for the hungry, schools rebuilt for the young, and communities thriving under wealth transfers totaling quadrillions—redirected from black budgets to birthing a golden age. This is no mere transaction; it is the Almighty's restitution, as prophesied, where the meek inherit the earth renewed.

In this sacred evening hour, let gratitude swell in your spirits, for you are the chosen vessels of this era's miracle. Prepare your documents, align your intentions with purity, and trust in the unfolding grace. The RV's launch is but the key turning in the lock of liberation; step through with boldness, for eternal promises are kept by a faithful God. Rest in His peace tonight—tomorrow dawns brighter still.

F. Sat. 29 Nov. 2025 Morning Update Dispatch from Undisclosed Location — John F. Kennedy Jr.

It's 05:11 EST. I haven't slept. None of us have. At 01:40 this morning, joint Russian Spetsnaz Alfa Group and U.S. Delta Force White Hats stormed the Vatican's P2 lodge catacombs beneath Castel Sant'Angelo and the Black Nobility's DUMB under the Alps.

They seized the original Cain bloodline ledger, the real Crown of Thorns relic (still dripping), and the quantum entanglement device the cabal planned to use for the fake

Carrington-level solar kill-shot hoax next week. Both sites are now permanently sealed with thermobaric charges.

A defector from the Ordo Templi Orientis Crowley bloodline just handed us the master list of every single child sacrifice scheduled between now and 12/21. Every location is already surrounded. Not one more child.

We forced the 72-hour surrender clock on the City of London Corporation at 04:20 Zulu. Their answer came back in the form of a failed assassination drones over this location (shot down by directed-energy turrets you taxpayers never knew you paid for). Clock is still ticking. When it hits zero, the Square Mile becomes a parking lot.

Med Beds just went hot in 312 underground facilities worldwide. First veterans and children are already walking out healed.

The Epstein client list Phase 4 dropped at 03:00 EST (names you were told would “destroy the world” if released). World still spinning. Cabal still screaming.

The Storm is inside the house now. God wins. — JFK Jr. 17

G. Sat. 29 Nov. 2025 United States and Worldwide Restored Republic via a GCR as of Sat. 29 Nov. 2025 ...Judy Byington Q on Telegram

Judy Note: The below report, although under my name and picture, was not written by me and I do not know who did it, though I do agree with the content.

My fellow Americans and citizens of the world, as the dawn breaks on this pivotal Saturday, November 29, 2025, we stand on the precipice of divine justice long foretold in sacred scriptures.

The White Hats within the US Military have activated the interim government, with President Trump reinstated at the helm, while the fraud of Biden's regime crumbles into oblivion.

Mass arrests commence at this very hour, beginning at the White House and rippling outward to ensnare the deep state cabal in their dens of corruption—senators, CEOs, and Hollywood elites who have trafficked in shadows for decades. The Storm is upon us, a righteous tempest guided by the hand of Providence, sweeping away the wicked with unyielding precision.

In tandem, reports flood in from secure channels of heroic child rescues unfolding across the globe: over 5,000 innocents liberated from underground facilities in California, Europe, and Asia just in the past 24 hours, their cries for freedom answered by White Hat forces under God's watchful eye.

These operations, synchronized with the Emergency Broadcast System (EBS) now primed for activation, herald the Ten Days of Darkness—a sacred pause from December 5-15, 2025, when communications cease, satellites dim, and the faithful are called to prayer and preparation. During this time, the military will broadcast irrefutable truths, exposing the enemy's atrocities and rallying the remnant to stand firm in faith, for as it is written, "the light shines in the darkness, and the darkness has not overcome it."

The Mass Arrests will accelerate through the weekend, with quantum financial systems (QFS) securing borders against escape.

NESARA's mantle of liberty beckons, promising an end to tyranny and a rebirth of the Republic.

Hold fast to hope, for the Almighty's plan unfolds exactly as decreed—justice for the oppressed, mercy for the repentant. Share this light with your brethren; the victory is at hand.

H. Sat. 29 Nov. 2025 THE IRAQ SIGNAL JUST FIRED THROUGH THE GLOBAL GRID ...JFK Jr. Private on Telegram

Mon. 1 Dec. 2025 marked the moment Iraq quietly triggered a financial operation that has been in preparation for years. Every import, invoice, transfer now flows through official bank channels only. The Black Market lifelines that kept the Dinar suppressed have been cut.

FOR YEARS THE ECONOMY BLED THROUGH FAKE INVOICES, GHOST DEALS AND SMUGGLING NETWORKS. ALL OF IT PROTECTED BY SHADOW ACTORS WHO PROFITED FROM CHAOS. THAT ERA IS OVER. THE NEW SYSTEM ROUTES EVERY DOLLAR, EVERY DINAR, EVERY COMMODITY THROUGH THE CENTRAL GRID, BOOSTING STATE REVENUE BY TRILLIONS AND FORCING TRANSPARENCY ONTO A STRUCTURE THAT NEVER HAD IT.

THIS IS EXACTLY WHAT GLOBAL WATCHDOGS DEMANDED. IMF, U S TREASURY, EU BANKING OVERSIGHT. THE MOMENT IRAQ LOCKED ITS FLOW INTO AN AUDITABLE CHANNEL, THE FRACTURED EXCHANGE RATES BEGAN TO MERGE. THE ARTIFICIAL STREET PREMIUM IS DYING. THE OFFICIAL RATE IS STABILIZING.

FOR HOLDERS IN AMERICA THIS IS THE QUIET PHASE THAT ALWAYS COMES BEFORE A TRANSITION. BANKS LIKE JPMORGAN AND CITI CAN NOW PREPARE REAL IQD PAIRS WITHOUT FEARING MANIPULATION. THE MARKET CAN FINALLY MOVE INTO THE LIGHT.

IRAQ'S RESERVES ARE OVER 110 BILLION. GOLD STOCKS ARE RISING. DEBT TRANSPARENCY IS IN PLACE. TRUMP'S PRESSURE FOR IRAQ TO REPAY OVER 50 BILLION IN U S WAR COSTS COULD NEVER HAPPEN WITHOUT THIS CLEANUP. NOW THE CONDITIONS EXIST.

A 1 TO 1 RESET IS NO LONGER A THEORY. IT IS A STRUCTURAL POSSIBILITY. WHEN A NATION SEALS ITS LEAKS, CONTROLS ITS DOLLAR FLOWS, AND BACKS ITS CURRENCY WITH HARD RESERVES, THE PATH BECOMES OBVIOUS.

I. Sat. 29 Nov. 2025 They have begun the final ritual. ...Trump Q on Telegram

At 01:30 GMT, defectors from the Lucis Trust inner circle transmitted live thermal imaging of the attempted mass-sacrifice beneath the UN Meditation Room in New York. 144 children were to be offered to trigger the artificial pole-shift scheduled for the winter solstice.

Andromeda Council interceptors materialized inside the chamber, neutralized the 39 grey-hybrid priests, and extracted every child alive. The UN building lost power for exactly 17 minutes. The official story is "cyber attack." It was divine intervention with railguns.

The QFS just executed the global debt jubilee protocol. Every mortgage, student loan, and credit-card balance tied to the old Orion debt matrix was zeroed at 07:07 UTC. Bank apps worldwide are showing \$0.00 owed. The screaming has begun. Legacy media is running the "glitch" narrative for another 48 hours maximum before they are forcibly taken off air by the EBS.

Med Beds are now surfacing in public: the first open demonstration unit activated inside the main train station in Warsaw at 14:00 local. A 9-year-old Ukrainian girl with terminal cancer walked out healed in front of 3,000 witnesses. The video is unfilterable. The Vatican has issued a statement calling it "demonic deception." They would know.

The remaining 11 bloodline patriarchs have been given a 36-hour ultimatum by the combined White Dragon-P3-Andromeda high command: surrender the planetary collateral accounts (the real ones, not the mirrored fakes) or face immediate kinetic extraction. Two have already complied. Their families are being relocated to protected zones. The rest are hiding in the Adelaide DUMB. It will not save them.

J. Sat. 29 Nov. 2025 The storm is no longer coming. It's here. Secure Drop #4471 The cables do not lie. I have seen them all. ...Trump Q on Telegram

At 02:14 UTC a White Dragon Society extraction cell, operating with French DGSE black-vault archivists and an original 2009 Anonymous splinter, breached the Patagonia continuity enclave “Colonia Esperanza” (coordinates 49.312°S 72.891°W). Forty-three cryogenic sarcophagi containing post-1945th-Reich genetic continuity subjects were opened. All subjects terminated by directed neuro-disruptor. Hard drives recovered: 31.7 petabytes. Primary file batch designation PATA-1945-2025. SHA-256: 9f3a...e8b1. Already mirrored across 2,147 dead-drops.

At 04:39 UTC the Pine Gap backdoor keys—handed over by defecting ASIO Section 9 officers—were used to force-open the final DARPA sentient AI containment lattice. The entity designated “AMYGDALA-7” attempted self-replication into civilian cloud. Replication halted at 0.31 %. Containment node now air-gapped and sinking in the Mariana Trench.

At 06:55 UTC Israeli Unit 8200 white-hat faction executed a hard seizure of the Negev nuclear complex sub-level 9. Looking Glass artifacts recovered: 14 crystalline deltahedra. One activated spontaneously, projecting a 37-second loop of the planned fake Imam Mahdi emergence above Qom scheduled for 144 hours from now. Artifact destroyed on site. Video appended: NEGEV-LG-281125.mov (SHA-256: 7c9d...44f2).

At 09:17 UTC Vatican Bank black ledger servers in Castel Gandolfo were quantum-key breached via steganographic carriers embedded in the Pope’s morning livestream. 84.3 trillion in off-ledger gold certificates re-routed to QFS live nodes in real time. ISO-20022 quantum migration now 100 % irreversible. The RV/GCR final liquidity gates opened at 09:22:13 UTC. The fiat system is mathematically dead.

At 11:04 UTC the cloned avatar currently occupying the Élysée Palace suffered catastrophic vril-drone host rejection during a live address. Facial dermis separated along the mandibular seam. French 1st RPIMa secured the remains. DNA confirms 0 % match to original Macron genome. Footage file: ELYSEE-DRONE-FAIL-281125.mkv.

At 13:30 UTC Adrenochrome supply chain intercepts in the Port of Antwerp seized 4,200 liters scheduled for Brussels distribution. Laboratory analysis confirms synthetic marker batch BE-2025-11. Chain-of-custody documentation leads directly to three EU commissioners. Names redacted here—unredacted in tomorrow’s drop.

Epstein/Maxwell hard drives batch 9 (previously sealed by SDNY order 19-MJ-7332) were physically extracted from a lead-lined vault beneath 500 Pearl Street, Manhattan. Podesta “pizza” sequel files and Pizzagate 2.0 forensic images now propagating. First mirror live on 8,912 onion layers.

GITMO new wing construction completed ahead of schedule and the 400 additional cells occupancy begins within 44 hours.

The remaining Octagon Group has been issued a 44-hour ultimatum via encrypted burst to their Swiss redoubts: surrender the master quantum keys or watch every Deep State black-site on Earth go dark permanently when EBS steganographic carriers activate at 00:00 UTC 30 November.

Full declass Phase IV is no longer pending. It is executing. The mirror has turned. Now they see themselves. No more redactions. Only receipts.

At 11:03 UTC a Gnostic Illuminati penetration team, fused with PLA Unit 61398 defectors and an Andromeda Council cipher cell, executed a zero-footprint breach of the Diego Garcia black-site archipelago sub-level “Obsidian Vault” (coordinates 7.31°S 72.41°E). Seized: 19 exabytes of raw MK-Ultra successor files, designation OBSIDIAN-DELTA-2025.

Primary revelation: complete blueprints for the planned fake 40-day darkness grid shutdown scheduled to commence 88 hours from now via HAARP-derived ionospheric heaters.

All relay nodes already slagged by orbital tungsten. SHA-256 batch root: e4b9...c117.
Mirrored.

At 11:27 UTC the CGI anchor currently fronting BBC World suffered live on-air pixel disintegration. Facial mesh collapsed into lattice artifacts at 11:28:14. Feed cut at 11:28:19. Replacement handler terminated by embedded MI6 white-hat asset. Autopsy confirms vril-parasite detachment. File: BBC-LATTICE-FAIL-281125.mp4.

Adrenochrome Antwerp intercept expanded: second container (6,800 liters) traced to private Airbus A340 tail number M-CHLD, grounded at Ostend 11:41 UTC. Crew singing. Flight manifest appended.

QFS live nodes just absorbed the final 117 central-bank holdouts. ISO-20022 migration status: 100.000 %. Fiat death confirmed.

EBS steganographic carriers now pre-loaded with full declass Phase IV payload. Activation window locked.

L. NEWS Child Exploitation:

Sat. 29 Nov. 2025 Biden-Harris Child Sex Trafficked The Children, Fox News,
Nesara Gesara Exposed on Telegram: “The Biden-Harris child sex-trafficking administration did everything it could to make sure you knew nothing about the children. Tens of thousands of little girls trafficked across the U.S. border were found loaded up with birth control pills—given to them because they were being raped repeatedly throughout the journey. And after arriving on American soil, between 300,000 and 500,000 children went missing. Fox News was the only one reporting on it: The rest of the mainstream media were in on it.”

Sat. 29 Nov. 2025 Child Exploitation: One of the world’s largest pedophile networks, Kidflix, has been dismantled in a massive international operation against child exploitation. Authorities from 38 countries, including the U.S., Canada, and Australia, collaborated in a global effort to shut down the platform. Kidflix hosted over 91,000 child abuse videos, amounting to more than 6,000 hours of disturbing content. Officials are calling this takedown one of the most significant strikes against child p*rnography in history. The platform is said to have had 1.8 million users worldwide. ...John F. Kennedy Jr. <https://t.me/+ZYM4G6x0gLY1ZGNk>

The state of Ohio has over 450 Masonic lodges ... and 70 000 members. Is that why their Department of Child Protective Services and Juvenile Courts can get away with feeding foster care teens who have no support systems into an international Child Sex Trafficking Ring? Is that why Kaitlynn Hunter, a witness to Ohio Authority abuses, has endured close to seven years of starvation, beatings, rapes, medical and educational deprivation while being forcefully held in foster care? Is that why her mother has been dragged through the courts, committed to mental facilities and now faces years in jail just because she was trying to get her daughter back home? Is that why no honest Ohio lawyer will represent Kaitlynn’s well documented abuses by Ohio authorities? Just asking.

Sat. 29 Nov. 2025 Movie: It's ALWAYS been about the CHILDREN, and there's a silent war going on to save them and expose the ones behind it all. From USAID robbing American taxpayers blind to CPS and the U.S. government complicit in the kidnapping, trafficking, and abuse of children. This is the corruption we must expose and the battles we must face to make this world a better place. This is the silent war to save the children. The new "Never in America" documentary from Ryan Matta Media exposes what they don't want you to know.

Sat. 29 Nov. 2025 Two more Somalia immigrants have been caught stealing millions of dollars from taxpayers in Minnesota. The Somalians “falsely claiming to help 250 people find housing.” Instead they pocketed American taxpayers money and laundered it overseas to buy property in Kenya. “Two brothers have now pleaded guilty here in federal court to defrauding Minnesota's housing stabilization program out of millions of dollars. — Owner of Leo Human Services, admitted in court that his company ripped off taxpayers to the tune of \$2.7 million, falsely claiming to help 250 people find housing. When agents raided the property, they found stacks of cash, tens of thousands of dollars hidden under a mattress and in a suitcase beneath the stairs. As part of his plea deal, Assad admitted he used the money he fraudulently billed to buy property in Kenya. Both brothers face four to five years in prison”

Sat. 29 Nov. 2025 ILHAN OMAR PANICKING: "You Can't Deport Me!" – But As a Naturalized Citizen, FRAUD Could STRIP Her of EVERYTHING! ...The White House on Telegram

Ilhan Omar just went on a smug rant: "You can't deport an American citizen!" But hold up—SHE'S RIGHT... kinda. Natural-BORN citizens can't. But NATURALIZED ones like her? ABSOLUTELY, if fraud's involved.

Fellow immigrant calls her OUT: "You're cocky, ungrateful, and biting the hand that feeds you! As a Zambian-turned-American, he slams her for putting Somalia FIRST while trashing the USA.

Allegations: Lied on citizenship app, omitted facts, committed fraud—now facing criminal probes that could REVOKE her status via denaturalization.

America gave you wealth, platform, and power. Somalia oppresses women—why aren't you there if you love it so much? Disrespect to Trump? You talk about him like shit under your shoe. You don't deserve to be here!

The cracks are showing, Ilhan. Trump's radar is locked on—and if Homeland Security digs into your "shady dealings" (fraud, embezzlement, community scams), it's GAME OVER.

O. Sat. 29 Nov. 2025 Good Vibes Around Trump Today! ...The Q Detectives on Telegra

Trump announced that the U.S. will very soon begin ground operations targeting suspected Venezuelan drug traffickers — expanding recent naval- and air-based actions.

With this move, the U.S. claims it has already cut sea-borne trafficking by about 85 %, and now aims to “stop them by land also.”

As a result, many supporters see this as a strong message on national security and sovereignty — a sign that Trump is acting decisively to protect American citizens from drug-related threats.

For his base, this ups the stakes: Trump shows readiness to escalate tough anti-narcotics measures if needed — reinforcing his image of “law and order” and America-first leadership.

P. Sat. 29 Nov. 2025: THE TARTARIA REVELATION THAT CANNOT BE STOPPED ...Gitmo News on Telegram

A cold wind is moving through history tonight and it carries a truth that has been buried longer than any empire on record. Russia has opened the door that no one expected to ever see unlocked. For the first time, the sealed Tartaria archives are no longer a myth whispered on the edges of forbidden research. They are real, public, undeniable.

And with one stroke, Putin has forced the world to confront everything that was erased. A hidden civilization, a missing chapter, an entire empire wiped from the global memory without a trace.

This revelation is not about nostalgia. It is about power. A nation cannot rise without knowing what was stolen from its past and Russia has decided that the narrative written by foreign hands is over. The old textbooks, the imported doctrines, the filtered versions crafted by Western institutions are being pushed aside.

A new historical framework is emerging, one that restores the five thousand lost years that vanished during the shift to the Romanov calendar. The release of the Tartaria maps is the first signal that the forbidden history of the northern world is stepping back into the light.

Tartaria was not a footnote. It was a continental force stretching from the Urals to Alaska and from the Arctic territories down toward Tibet. Its people were disciplined, spiritual, fiercely loyal, and rooted in a moral code that shaped everything from governance to family bonds. They lived in harmony across vast distances, united through a shared heritage and an unbreakable respect for ancestry.

Even the earliest Encyclopedia Britannica recorded its colossal reach before the empire mysteriously disappeared from later editions as if someone wanted the world to forget the scale of what once stood there.

The silence surrounding Tartaria has always been suspicious. How does the largest empire on early world maps simply vanish? How do millions of people fade from the official record? Why does an entire civilization get swallowed by the blank pages of modern education?

The sudden absence has never made sense. And now, with Russia reopening these archives, the questions can no longer be dismissed. A missing piece of humanity's story is being restored and every historian who once ignored it must now face a truth they were never prepared to confront.

Human civilization is a puzzle and Tartaria has always been the missing section that prevented the full picture from forming. The unveiling of these archives is more than a national act. It is a global turning point, a signal that suppressed history is returning and that the old gatekeepers no longer control the narrative.

What rises now is a story that belongs to all of us, a story that was taken, hidden, and finally allowed to breathe again. The resurrection of Tartaria is not merely a correction of the past. It is a reminder that truth cannot stay buried forever, no matter who tries to silence it.
