...[Thomas Jefferson](#)

Judy Note: Speaking of Liberty, now that we were a couple of days away from another election, pieces of truth about voter fraud to maintain that liberty were beginning to show up - that had yet to make the Mainstream Media. Why?

All the MSM bragged about was how Democrats swept states like New York and shocker of all shocks, elected a socialist as mayor of New York.

But, maybe not. Today Director of National Intelligence Tulsi Gabbard exposed a massive Chinese Communist Party plot that rigged the New York City Mayoral race.

Medeea Gear of the America Media Group put it this way:

“Director of National Intelligence Tulsi Gabbard announced the discovery of a sophisticated Chinese Communist operation designed to rig the New York City Mayoral election. Gabbard, appointed by Trump for her fierce independence and anti-establishment stance, detailed how the Chinese government infiltrated the DS200 Ballot Scanner systems manufactured by Election Systems & Software (ES&S). These scanners, deployed across NYC polling sites, were compromised with a malicious virus installed prior to the election, which was remotely triggered this morning to alter ballot scans. Votes cast for other candidates were systematically flipped to favor Zohran Mamdani, a far-left contender, in a blatant attempt to subvert the will of the people and install a puppet sympathetic to Beijing’s interests.”

Then there’s good old California, where Fox News DID report that Trump’s press secretary confirmed that the President knew about the corruption in California. Trump said, “There is blatant fraud with their mail-in voting system. Fraudulent ballots are being mailed in under the names of other people and illegal aliens! There are countless examples. It’s huge!”

Trump also weighed in on the redistricting vote in California, “The Unconstitutional Redistricting Vote in California is a GIANT SCAM in that the entire process, in particular the Voting itself, is RIGGED. All “Mail-In” Ballots, where the Republicans in that State are “Shut Out,” is under very serious legal and criminal review. STAY TUNED!”

A few other tidbits are surfacing, like in Chester County, Pennsylvania that has been accused of blatant election MALFEASANCE after "accidentally" not including 75,000 VOTERS on their polling books, resulting in voters actually being TURNED AWAY.

Voter Fraud in the US has been rampant for at least the last decade, although because of the complacency of the Fake News, no one knew it. The fall of our so-called free system was especially blatant in the 2020 Election.

The below article was written five years ago. Some said I was nuts. I don't think I am. Maybe these below events actually did happen. Just maybe. Tues. 1 Dec. 2020: [Obama, Biden, CIA Director Gina Haspel Evidently Arrested for Espionage, Voter Fraud | Politics | Before It's News](#)

Evidently Barak Obama has been arrested in Hawaii and charged with Espionage according to an announcement by Assistant Attorney General for National Security, John C. Demers on Saturday 28 Nov.

That same day Obama's former VP Joe Biden began wearing a boot that could hide an ankle bracelet, although he claimed the boot was due to an ankle injury. Two weeks ago CIA Director Gina Haspel was captured and detained on charges of Election Fraud – and said to be spilling the beans on Obama and Biden.

Obama, Biden and Haspel were suspected of colluding with foreign powers including the Chinese Communist Party, plus promoting the use of Election Fraud, to put the socialist leaning and compromised Biden/ Harris ticket in power, overtake the US government and establish a New World Order.

Obama's complaint alleged that the former US President compromised US security by conspiring with a business partner and former CIA agent to give US government classified information to high up Chinese intelligence officials in the People's Republic of China (PRC).

Biden was reported to be under house arrest for compromising US security by conspiring with a foreign power to interfere with a US Election. Although, Biden was quite upfront about his Voter Fraud on national TV, saying right before the election that he had "compiled the most extensive Voter Fraud organization in the history of politics." <https://www.youtube.com/watch?v=WGRnhBmHYN0>

Biden's son Hunter's laptop was said to contain evidence that Biden was compromised, having accepted millions of dollars from China, the Ukraine and other countries during his years in public office, including his eight years of serving as Vice President of the US.

A Sun. 22 Nov. report showed Joe Biden stole \$140 million from US Treasury and transferred it to his personal account in the Cayman

Islands: <https://twitter.com/MzMugzzi> “Report Shows Joe Biden Stole \$140 Million From US Federal Treasury & Transferred the \$\$ to Rosemont Seneca, Purportedly For Bank Bailouts & Then to His Personal Account in the Cayman Islands.”

Months before the Election, the Ukraine had issued a warrant on Biden for his dealings there – news which like everything else connected to the Democrat Cabal, never made it to the Left Wing Mass Media headlines.

Haspel’s, Obama’s and Biden’s alleged arrests were said connected to an extensive investigation of massive Voter Fraud issues centering around Dominion Company servers and the 2020 Presidential Election that Biden claimed to have won.

On 7 Nov, 2020 the Saturday after Elections, CIA Director Gina Haspel was captured and detained for Election Fraud. She was injured by US Spec OP’s forces that raided a Frankfurt Germany CIA server farm site. Unfortunately five US soldiers and one of the CIA mercenaries were killed in the firefight.

Haspel, evidently in Frankfurt to protect server data that would incriminate Deep State leaders such as Obama and Biden, was said to be cooperating to lessen her own sentence and revealing information about an extensive Voter Fraud scam perpetrated by Democrats in the 2020 Election.

The Military raid captured Dominion Voting servers, which were found to have swung votes from Trump to Biden from their locations in Germany, Canada and Spain. Simultaneous raids took place in Toronto (Dominion Voting System headquarters) and Barcelona Spain (another CIA Scytl server farm used in the election vote switching fraud).

Although you would never hear about it in today’s Mass Media, the connections were obviously there. George Soros was head of the Board of Directors for Dominion. Since the Nov. 3 election, a boatload of evidence has come forth around George Soros-owned, CIA-developed Dominion Voting Machines that tabulated the US Election results. The tabulation was done on easily compromised servers in Germany, Canada and Spain which were hooked up to the Internet. The Dominion programs were said to be designed to throw millions of Trump votes to Biden.

In 2002-2004 a Hammer Supercomputer Scorecard app vote switching algorithm software on Dominion machines was borrowed from the CIA to be used in Venezuelan-developed Smartmatic vote switching software by dictator Hugo Chavez and Venezuelan military officers in order to rig elections.

On Sat. morning 28 Nov. Obama's [Criminal Complaint](#) was unsealed by Demers, U.S. Attorney for the District of Hawaii Kenji M. Price, Assistant Director of the FBI's Counterintelligence Division Alan E. Kohler Jr., and Special Agent in Charge of the FBI's Honolulu Field Office Eli S. Miranda.

A judge has imposed a “media blackout” in the US on news about the arrest, but Canadian outlets like Conservative Beaver and a couple of Spanish speaking newspapers were not subject to those rules and have reported on the high profile arrest.

Under direction of General Michael Flynn Mass Arrests were continuing on over 209,000 sealed indictments filed in federal courts across the nation since President Trump took office. On Wed. 25 Nov. Flynn began executing high level arrests overseas and was presently after pedophiles in the Netherlands – the New World Order and Council of Foreign Relations headquarters – where recently, a lot of planes have mysteriously crashed. Henry Kissinger and others have been ousted from the Council of Foreign Relations.

Military rendition flights were all over the US. It was said that hundreds of treasonous actors were being extracted, put onto flights and interrogated until they turned, with an emphasis on finding evidence of voter fraud. These Military flights were increasing in preparation for potential Antifa violence and RV release security.

For years Democratic Party and some Republican political elites apparently have been working in cooperation with the Chinese and other Communist Parties to overthrow the US government and set up a New World Order. Trump and the White Hats of the Alliance set up the 2020 Presidential Election as a Sting to catch these bad guys in treason – with intelligence gathered by “The Kraken.”

The Kraken was the nickname of the 305th Battalion Military Intelligence corps located at Fort Huachuca, AZ. It provided electronic warfare and signals intelligence (SIGINT). The 305th consisting of six companies, HHC, Alpha, Bravo, Charlie, Delta and Echo.

On Wed. morning 4 Nov. right after the Election, the Department of Defense, 305th Battalion and NSA began recording real time fraud evidence of vote switching from all six Battleground states (GA, PA, MI, WI, AZ, NV) in a blockchain tech ledger that was un-hackable and undelete-able. This real time digital evidence would now be used to prosecute all Deep Staters involved in Election and Voter Fraud – including Obama, Biden and Haspel.

Page 9 of Sydney Powell's Federal Lawsuits filed in Georgia and Michigan midnight Wed. 25 Nov. 2020: “The Dominion software was accessed by agents acting on behalf of China and Iran in order to monitor and manipulate elections, including the most recent US general election in 2020.”

On Tues. 1 Nov. Lt. General McInerney Tweeted: “It is TREASON. They are trying to overturn this government.”

Judy Note: Help Bring Kaitlynn Hunter home, along with other Children and Teens Caught in the CIA Mind Control international Sex Trafficking Network: <https://www.givesendgo.com/GDX1Z>

Pray for Kaitlynn Hunter – a 17 year old raped, beaten, starved foster care teen who was handcuffed by a SWAT Team and incarcerated in Ohio Juvenile Detention by Ohio Child Protective Services. There appeared to be no valid reason for Kaitlynn to have served close to seven years of brutalized foster care in the first place, other than to be CIA traumatized and Mind Controlled into a international Sex Trafficking Ring. Apparently her present situation was to keep her from testifying against her and other Ohio Foster Care children and teen’s abusers in the CIA run Ohio Foster Care Mind Control Program.

Pray for all Foster Children. Pray for Trump’s Global Military Alliance who were right now, rescuing children and teens from the International Child Sex, Organ and Adrenochrome Harvesting Trafficking Ring run by the Vatican, supported by the CIA, funded by US Taxpayer dollars and money laundered through members of our blackmailed US Congress.

A. Possible Timing: THE GOLDEN AGE IGNITION: STAND BY FOR TRANSMISSION ...Julian Assange

The countdown to Fri. 7 Nov. 2025 has begun. The blackout will not bring fear, it will bring freedom. The Golden Age starts the moment the lights go out.

The detonation sequence from November 3 has triggered the global ignition phase. QFS nodes are stabilizing under gold-backed parity while Starlink begins aligning communication grids for full system override. The old world is running on borrowed seconds.

Classified military bulletins confirm that the Ten Days of Darkness protocol will officially activate on November 7. During that window, all media frequencies will be seized and rerouted through the Emergency Broadcast System. Traditional television, radio, and online platforms will fall silent as Starlink takes command.

The purpose is not suppression. It is revelation. For the first time in modern history, humanity will witness uncensored truth broadcasts: evidence of corruption, hidden tribunals, secret programs, and the full collapse of the fiat empire.

Banking networks have already begun limited shutdowns in Europe and the United States. Central servers are being mirrored onto the quantum grid. Every hidden fund and false reserve is being indexed for public audit once the blackout ends.

Behind the curtain, governments are surrendering. Negotiations for peaceful transition are underway in over fifty nations as QFS command assumes control of state liquidity. The era of debt-based governance is finished.

During the Ten Days, expect silence — then light. The documentaries prepared under military supervision will expose everything the cabal built in darkness. Names, operations, financial trails, all revealed through quantum evidence stored since 2020.

The event will be global and irreversible. When the blackout lifts, humanity will awaken to a system cleansed of manipulation, powered by truth, and guided by divine law.

On Thurs. 13 Nov. 2025 \$XRP ETF 100% going live according to Ripple Bull Winkle XRP Researcher.

On Sat. 15 Nov 2025, Med Beds will begin activation in phases. Clinics will prioritize children with long-term illnesses, the critically ill, and veterans, in alignment with QFS-mandated biometric verification protocols.

On Tue. 18 Nov 2025, Healing Centers equipped with Med Beds will open in strategic regions. Training sessions for Med Bed specialists will begin as part of the global shift to restorative quantum health technologies championed by President Trump since 2016.

On Fri. 21 Nov 2025, global Med Bed demonstrations will be streamed via Starlink broadcasts, revealing their capabilities in reversing aging, curing chronic disease, and restoring full-body function - a total revolution in healthcare.

On Mon. 24 Nov 2025, the International Med Bed Access Program will be launched, ensuring fair access across all continents. No individual will be denied healing based on wealth or geography. Every citizen will have the right to restoration.

On Thu. 27 Nov 2025, President Trump will host a monumental Thanksgiving address marking the rebirth of the free republic under GESARA law. Global QFS announcements and unveiling of new sovereign infrastructures will accompany the celebration, symbolizing the dawn of a new era for humanity.

On Thurs. 1 Jan. 2026 and as verified by Scott Bessent, the U.S. will integrate gold-backed reserves into a new US Note, ending America's reliance on fiat currency.

In January 2026: Mobile Med Bed units via Tesla trucks. Rural patriots serviced. Home Med Bed pods for \$500 — GESARA credits. Every garage a healing station.

C. Global Currency Reset:

Judy Note on the Bottom Line: Nothing new.

Judy Note: It is my personal opinion, and I could easily be wrong, that when we hear the EBS go off with the sound of Seven Trumpets, we can soon expect to receive several messages on our cell phones generated from the new Starlink Satellite System. One of those messages should contain information about how to gain a redemption center appointment. Those who don't have foreign currency to exchange will use their appointment to set themselves up for banking, med bed treatment and voting using personal cell phones linked up to the Starlink Satellite System, while we with currency and bonds will do the same, plus be able to do our exchange.

F. Wed. 5 Nov. 2025 GLOBAL MILITARY ESCALATION: GITMO AT FULL CAPACITY AS TRUMP PREPARES EMERGENCY BROADCAST AND ACTIVATES THE QUANTUM COMMAND NETWORK - The White House on Telegram

Across continents, covert military and intelligence cells are dismantling the last pillars of global control. In Europe, joint raids have struck data centers in Frankfurt, Vienna, and Zurich—sites long used to store elite digital vaults and off-ledger accounts. Servers, routers, and cryptographic keys are being seized in silence. No headlines, no photos, just empty rooms by morning.

In Africa, Alliance-backed proxy units are isolating mineral network hubs in Cameroon and the DRC. Cobalt, lithium, and rare-earth routes once controlled by globalist financiers are being cut and redirected to sovereign oversight. In the Pacific, marine task forces are intercepting deep-sea corridors once used by black ships carrying contraband and intelligence cargo. Two vessels near the Philippines were neutralized in recent nights and redirected to secure bays in Guam and Diego Garcia.

Meanwhile, the Quantum Financial System is advancing in stealth. In Singapore and Tokyo, hidden banking nodes are now live, mirroring transactional flows through encrypted micro-tests. Each “network interruption” on legacy systems signals another handover to QFS control. Gold reserves are being relocated under armed escort through remote routes, while dormant vaults tied to the old monetary cabal are being drained. The slow “technical outages” seen in central banks are not errors—they are controlled disconnections.

At the borders, tactical operations continue. In Texas, Arizona, and New Mexico, mixed units of federal and military agents are neutralizing infiltration corridors. Ground radar exposes ancient tunnels once used for trafficking and covert transfers. Micro-implosive charges collapse them internally, concealing the mission from public view. Cartel remnants are being encircled; some captured alive, others eliminated. It isn’t open war, but a silent one fought in the shadows.

GITMO is overflowing. New high-security facilities in northern Canada, Greenland, and remote island zones are being outfitted with electromagnetic shielding and drone exclusion perimeters. Many detainees are now held in underground transit hubs beneath major bases, where they undergo financial and intelligence debriefs. The data from these interrogations—banking trails, asset maps, global networks—is being compiled by quantum forensic systems to feed upcoming tribunal sessions.

The Emergency Broadcast System is in continuous rehearsal. Satellite relays, ground loops, and encrypted handshake protocols are tested daily. Brief “blackouts” and flickers across local grids are not random—they’re dry runs. These tests ensure signal synchronization across continents when the activation order arrives. Mesh networks and backup satellites are being aligned for communication redundancy, with encrypted off-grid channels already active.

Deep-State remnants are fighting back through sabotage and cyber warfare. In South Asia, a major media conglomerate’s servers were wiped clean after decades of political blackmail. In Latin America, a biotech lab linked to epigenetic manipulation burned after drone intervention—its data already seized. Across Europe, procurement offices tied to surveillance contracts have been infiltrated and fed false directives to collapse their coordination.

What’s delaying the full reveal is precision. EBS synchronization must reach perfect alignment; cartel pockets in Central Asia and South America must be sealed; and tribunal infrastructure—legal, technical, and digital—must be verified for public broadcast. The Alliance cannot afford leaks or timing errors.

Everything is in motion. Financial grids, border control, detainee logistics, and global communications have reached final convergence. The public still sees calm, but behind that calm is the largest coordinated operation in modern history.

G. Tues. 4 Nov. 2025 Classified Dossier: GITMO expansion. Two new underground wings live. Elite Tribunals accelerate. Executions underway. Deep State panic as White Hats seize the night. - Gitmo TV on Telegram

Patriots, the storm is here. GITMO isn't a vacation spot—it's the blade dropping on the cabal's neck. Two massive underground wings opened October 28, 2025, straight from Trump's iron command. High-security vaults, quantum-locked cells, zero-point interrogation grids. No escapes. No mercy. Thousands of new "guests" inbound: CEOs, senators, Hollywood puppets, Vatican money launderers. Their clones? Already glitching on your screens.

Military tribunals aren't rumors—they're raging. Law of War Manual in full force. Continuity of Government overrides the swamp courts. Over 1,700 private jets seized since July. Flight logs spill the poison: child trafficking routes from Caribbean hellholes to Antarctic labs. DARPA black ops, organ harvests, biotech horrors. Airlines flipping for immunity, but the big fish? They're swimming in orange jumpsuits.

Quantum Financial System logs it all—encrypted, unbreakable.

Testimonies from airline execs confirm the networks: Rothschild gold washes, British Crown slush funds, Jesuit debt traps. DNA kits recovered from Qatar bunkers. Subterranean labs in Ukraine exposed—Silicon Valley vampires drained kids for "research." Every witness branded in the QFS ledger. Help the white hats? Walk free. Betray America? Hemp necktie.

Hurricane lockdown? Cover for the rush. Camp Delta reinforced October 26—ships outbound, cells humming. EBS tests green lit. One pull of the trigger: Full exposure. Financial ledgers dumped. Biological warfare docs. Elite perp walks in 8K.

November surge: - 300+ indictments unsealed under seal. Treason, sedition, crimes against humanity. Nuremberg 2.0. - Executions silent but stacking—insiders whisper 47 since September. No appeals. No media leaks. - GESARA backbone locked: 85% global QFS tie-in. Banks crumbling—Australia, Switzerland folding. Debt erasure algorithms firing. Your stolen wealth? Quantum cards testing now.

Trump's the only Commander. Biden's ghost regime? Nullified. 2021-2024 EOs shredded. White House ballroom counter-sigil pulses—D.C. grid dead. Vatican banks choked. Brussels backups raided. London triad fracturing.

Feel the quake? Wildlife fleeing GITMO perimeter. Frequencies spiking. Remote viewers confirm: Aura shift massive. Cabal spells shattered. Their 2030 cage—digital IDs, 5G mind traps, graphene poison—obliterated.

Schiff, Pelosi doubles, Obama serpents: Tagged for transport. Mayorkas treason flood? Next docket. James election witch hunt? Disbarment's too soft—GITMO gallows. Besigye's Uganda echo? Global sync—political prisoners worldwide rising.

The fertilizer machines hum. Wings fill with screams. The President commands. Justice drops like thunder.

THIS IS THE GREAT AWAKENING. MISS IT? STAY CHAINED. RED PILL OR PERISH—TRUTH BOMBS DETONATING NOW!

H. Wed. 5 Nov. 2025 ALERT: Systems Reawakening Under Quantum Control. - Nesara Gesara QFS, Julian Assange

The silence that began days ago is breaking, but not with noise, with precision. Networks are flickering back online, yet the architecture beneath them is no longer the same. The QFS grid has completed its synchronization, and the global system is now running on quantum oversight.

Banking access remains unstable in key regions. Several major institutions report “temporary database realignment,” but the truth is clear. The legacy fiat servers have been absorbed. Every transaction now passes through gold-backed quantum nodes monitored by military-grade encryption. The illusion of control is gone.

Reports from internal sources confirm that off-ledger accounts, shell corporations, and dormant cabal assets are being purged automatically. Each line of corrupted code is being deleted as the new system recalibrates in real time. The wealth of the world is being reweighted toward transparency.

Satellite activity has intensified. Starlink grids are transmitting encrypted data bursts every fifteen minutes, rerouting global communication through the quantum

backbone. These are not tests - they are confirmations that the next phase, the Ten Days of Darkness, is imminent.

Government servers across multiple continents have entered silent standby. Ministries, treasuries, and financial departments are offline under classified directives. The old world's command systems are frozen while the new operating core comes online quietly, flawlessly, and beyond their reach.

Stay calm. Watch closely. Every flicker, every delay, every reset is evidence that the control grid has changed hands.

The silence has served its purpose. The network is awake. The Quantum Order is now in command.

Wed. 5 Nov. 2025: [BREAKING: DNI Tulsi Gabbard Exposes Massive Chinese Communist Plot to Rig the NYC Mayoral Election in Favor of Mamdani - amg-news.com - American Media Group](#) Director of National Intelligence Tulsi Gabbard has exposed a sophisticated massive Chinese Communist plot that rigged the NYC Mayoral Election in favor of Socialist Mamdani. The Chinese Communist Government infiltrated the DS200 Ballot Scanner systems manufactured by Election Systems & Software (ES&S). These scanners, deployed across NYC polling sites, were compromised with a malicious virus installed prior to the election, which was remotely triggered to alter ballot scans. Votes cast for other candidates were systematically flipped to favor Zohran Mamdani, a far-left contender, in a blatant attempt to subvert the will of the people and install a puppet sympathetic to Beijing’s interests.

Wed. 5 Nov. 2025 President Trump, Fox News: “Remember when the blood-sucking Democrats hired 87,000 IRS agents to hunt down the American taxpayer? It’s official:

Internal Revenue Service agents are now detailed to the Department of Homeland Security under an agreement between DHS Secretary Kristi Noem and Treasury Secretary Scott Bessent. The purpose is to provide additional immigration enforcement manpower. These agents have been authorized under Title 8 of the U.S. Code to hunt down and apprehend criminal illegal aliens for civil violations of immigration law.”

Secretary of Homeland Security Kristi Noem: “Instead of using Biden’s 87,000 IRS agents to take more money from Americans, I’ve directed them to help taxpayers save money — by assisting ICE in rounding up criminal illegal aliens for deportation.”

Wed. 5 Nov. 2025 Speaker Johnson is LIVID after discovering Democrats have filed a lawsuit against the USDA for trying to find out how many illegal immigrants are receiving welfare benefits. “They actually sued the Department of Agriculture for simply asking how many illegals are enrolled in welfare programs across states like California and New York! They sued them can you believe that?! We’re working to make government more transparent and efficient for the American people, yet Democrats keep blocking us with political stunts. No wonder Americans are frustrated!”

**Records are requested from California Democrats on where the money went. You'll
never guess what happens next. They refuse.**

**"Hundreds of millions of dollars of our public pensions have gone missing — The
state took \$468 million from California cops, firefighters, teachers, and handed it to a
secret green energy fund.**

**On March 31st of this year, it was found that this fund is now worth \$138 million.
Play that back. \$468 million now worth \$138 million. 71% of that money is gone — When
reporters asked CalPERS which companies failed, CalPERS said, "That's a trade secret."
Translation is, "We lost your money and you're not allowed to know how."**

**Meanwhile, Wall Street walked away with \$22 million in fees. Every dollar missing
from that fund we are now going to have to cover in higher taxes"**

“Bottom line: Your taxes aren't helping pensions. Your taxes are funding all of the money CalPERS has gambled away. And you know who has gone questionably silent? Oh, yeah, our governor, Gavin Newsom. This is the person that you trust with this whole redistricting scheme that's going to cut counties like Fresno County into six different districts? That is nothing but a partisan power grab, where small cities are split up into three districts for why? This is nothing but a microcosm of the corruption that is rife within our Democratic-led government.”

O. Wed. 5 Nov. 2025: Hillary CLINTON, John PODESTA, the Clinton Foundation & Uranium One. Is Hillary Clinton the most corrupt politician in U.S. history since Lyndon B. Johnson?

20% of U.S. uranium went to the Russians, \$145 MILLION dollars to the Clinton Foundation, and \$35 MILLION to John Podesta.

A U.S. interagency committee including the State Department, in which Hillary Clinton was the head of, approved Rosatom's 2010 acquisition of Uranium One, a Canadian firm with U.S. mining rights.

John Podesta was on the board of a company called Joule Unlimited who held some of the rights, in which he received a total of \$33 MILLION from the deal.

The Clinton Foundation received \$145 MILLION dollars from Uranium One investors like Frank Giustra who also just happens to sit on the board of the Clinton Foundation and runs the Radcliffe Foundation which donates large amounts to the Clinton Initiative and other "charities."

Frank Giustra is also the founder of Lionsgate Entertainment, a major film production studio in Hollywood and has extensive ties to 3rd world countries, Haiti etc., through not only the Radcliffe Foundation and the Clinton Foundation, but an organization called the Elpida Project.

The Elpida Project, which funds and facilitates mass migration in Europe, also has connections to foster children from all over the world and just happens to use an almost EXACT match to an FBI confirmed pedo symbol for their organizations official logo.

Bill Clinton and Frank Giustra are known to be good friends and not only working together in each others projects and foundations, but flying all over the world while Hillary was in office selling access to the administration through pay to play politics and the Clinton Foundation.

This is how the money was moved. You want ACCESS, you make a "CHARITABLE DONATION." This is just ONE way and layer to how they make and move their money.

These people are all connected and they all benefit from their dealings. Not YOU, not AMERICA, THEMSELVES.

A massive network of dark money through money laundering, pay to play politics, child trafficking, drug trafficking, fraud, embezzlement, blackmail, murder.

It's one big club and you ain't in it. You don't want to be either. Do the Clintons, especially Hillary Clinton, take the title of being the most corrupt politicians in history?

P. Mon. 27 Oct. 2025 Fox News: Speaker Mike Johnson just confirmed what every American already felt in their gut: the government shutdown wasn't chaos. It was strategy.

Democrats met behind closed doors and chose pain. They weaponized suffering to empower Marxist extremists and cripple the nation from within.

Behind the speeches and soundbites, a deal was struck in silence. Schumer and his operatives decided that hurting Americans was the most effective political weapon they had left. They didn't miscalculate. They planned it. Johnson revealed the words that echo like confession: "They sat in a backroom and made the calculation they'd rather shut the government down and impose pain on the American people." That is not leadership. That is treason masked as politics.

According to Johnson, this entire operation was built on a simple lie — that the radicals matter more than the workers who built this country. "The Marxists, the far-left in the base are more active than hardworking Americans." That single admission reveals everything. The Democratic Party no longer serves the people. It serves a revolution. One

that thrives on crisis and grows through destruction. Leverage through suffering — the core of the Marxist playbook. A leaked quote from their own operatives says it all: “Every day gets better for us. We’ll use the pain for leverage.” This is not governance. It is psychological warfare.

And the lie goes deeper. The funding resolution Democrats blocked was a clean CR — the same budget they already voted for months ago. Nothing changed except their agenda. If it wasn’t about money, then what was it about? Control. The chaos is deliberate. The suffering is tactical. While they pretend to fight for the poor, they are crushing the system to force obedience. A nation exhausted, divided, and broke is easier to control than a free one.

The fallout is real. Hundreds of thousands of federal workers are going unpaid. SNAP benefits are frozen for one in eight Americans. Air traffic systems are collapsing under staffing shortages. Morale across the country is sinking as inflation rises and security fades. This isn’t mismanagement. It’s method. A government held hostage from within. The kind of internal sabotage that precedes collapse.

And yet through all the noise, one figure still stands between the people and the abyss. Donald J. Trump. No backroom betrayal. No deals with radicals. Just direction, clarity, and resolve. While others sell the country for political gain, he holds the line for those who still believe in law, order, and America itself.

This is not a partisan fight anymore. It’s a survival test. The enemy is not across the ocean. It is inside the chamber. These are not mistakes of policy. They are acts of intent. The suffering of a nation turned into currency for a political cult that feeds on division.

We are under attack from within. They are not incompetent. They are malicious. And the hour is late. The patriots, the workers, the defenders of truth — all must stand. Because the ballot box may be our last weapon before the storm moves beyond control.

This is not about left or right anymore. It’s about light and dark. And now the mask has fallen.

T. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

U. Tim Ballard has worked undercover in the US and in multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children around the World through his Tim Ballard Foundation. Just as a film about Ballard's work, "***Sound of Freedom***," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
