...Thurgood Marshall

Judy Note: FBI Director Kash Patel has declared that Project Odin has been activated. In other words, we were under Global Martial Law via the Emergency Broadcast System – said to be set to activate **late Mon. 1 Dec. 2025**.

Why? It's because the greatest threat we face as a free nation came from within. An active coup was still underway against President Trump and Trump has often said, *“An attack on me is an attack on the American People. They are trying to get to you. I'm just in their way.”*

Two CIA agents have confirmed that the Democrats were still engaged in an active coup that was calling for a rebellion against President Trump – a coup that was part of a much larger operation to sow mass distrust in the military and throughout the country – Patriot against Patriot.

Connections to the coup have been found leading to our own taxpayer funded CIA and even to the very evil George SOROS. Soros was discovered to have paid for billboards placed around the country designed to sow division in the military and the American people in general.

We're talking the same people and organizations connected to the Russia Collusion Hoax failure. That coup against Trump never ended – it's straight out of a CIA playbook.

Patel said, "They're trying to condition the country to prepare for something bad that's about to happen at the hands of Donald Trump. It's a destabilization operation where you get people to mistrust each other. You establish authority, like saying 'I'm CIA, I'm military, trust us,' and then say that the threat was Donald Trump."

It's called CIA Mind Control, and the Cabal was very well trained in it. So, don't be concerned that we're in Martial Law. The Military was actually the good guys – and they're guiding us to honest elections and freedom from our Mind Controlled past.

Where does the CIA Mind Control come from? Ever heard of Nazi Germany? The Nazis control the Muslim Brotherhood. The Muslim Brotherhood and Antifa – both funded by Soros and the CIA with US Taxpayer monies – was the terrorist coalition that was trying to take down America from within.

According to FBI Director Kash Patel: “The traitor Obama is their SPIRITUAL FATHER. Turkey is their headquarters, and Qatar is the financial “banker” of this radical network. Their “America Only” fraud accounts were based in Asia, Africa, and Europe and were being directly supported by the Muslim Brotherhood.

“Traitor Hillary’s top aide, Huma Abedin, has DEEP BLOOD TIES to the Muslim Brotherhood. And she married Alex Soros.

“We are talking about HUNDREDS OF MILLIONS in DARK MONEY funneled into this SUBVERSION SCHEME! In 2018 alone, Qatar pumped \$16 MILLION into this filth. They WEAPONIZED massive “troll farms” overseas to deploy thousands of fake accounts on X, masquerading as supporters of President Trump.

“The mission was CALCULATED SABOTAGE. They spewed insane rhetoric, sowed chaos, attacked our allies, boosted our enemies, and systematically undermined POTUS.

“Remember the “Epstein Hoax” narratives? They worked in lockstep with the MSM/Dems to push these lies. While posing as MAGA, they used this disinformation to confuse Patriots, censor the facts, and PROTECT the real criminals.

“NOW, this filth is being pushed under the guise of “AMERICA ONLY” to fool a new wave of Patriots. But when their “MAGA COSPLAY” failed, the masks came OFF.

“A full-scale ASSAULT was launched against President Trump and MAGA. They pushed the lie that “he is just another swamp creature.”

“Feeds were FLOODED with UNHINGED nonsense claiming Trump wants a “TOTALITARIAN TECHNOCRATIC POLICE STATE” run by AI, drones, and robots to CRUSH our civil liberties... and HUNDREDS of other lies.

“Their plan was simple. They wanted to fracture our movement and build a COUNTERFEIT MOVEMENT led by fake patriots like Thomas Massie, Rand Paul, and the TRAITOR Marjorie Taylor Greene.

“For YEARS, these frauds infiltrated our movement, but with one update from X, they were OBLITERATED—revealing that the loudest voices screaming “America Only” are NOT AMERICAN.

“These operatives are actively using their fraudulent accounts on X to peddle CRYPTO CASINOS and DIGITAL SCAMS. They are nothing but low-level GRIFTERS using our movement for a quick payday.

“It is UNDENIABLE that there are DOMESTIC INFILTRATORS posing as MAGA, cashing checks from our enemies, and knowingly pushing this agenda. Rest assured... they and their masters will FACE THE WRATH!”

Mass arrests were ongoing this weekend. The new GITMO underground facility was already full.

A. Judy Note: Today Mon. 1 Dec. 2025 Kaitlynn Hunter’s mother Jeannine Jarrick faces yet another court hearing and possible year of jail apparently because of her efforts to save Kaitlynn from abuse by the Ohio Child Protective Services.

Kaitlynn’s story is one of close to seven years of horrific abuse and neglect within the Ohio Foster Care System, a child silenced while her mother fought tirelessly to protect her. This case exemplifies systemic failures that demand immediate reform.

Kaitlynn Hunter is a 17 year old raped, beaten, starved foster care teen who was handcuffed by a SWAT Team and incarcerated in Ohio Juvenile Detention by Ohio Child Protective Services. There appeared to be no valid reason for Kaitlynn to have served close to seven years of brutalized foster care in the first place, other than to allegedly be CIA traumatized and Mind Controlled into an international Sex Trafficking Ring. Apparently her present situation was to keep her from testifying against her and other Ohio Foster Care children and teen’s abusers in the CIA run Ohio Foster Care Mind Control Program.

Kaitlynn’s mother Jeannine Jarrick has undergone persecution by the Ohio Child Protective Services and Courts. She is facing a year in jail, loss of her dying mother (whom Ohio authorities want to put in a nursing home. Jeannine believes they intend to confiscate her home and family property of 60 years), and complete loss of daughter Kaitlynn Hunter (who CPS Authorities appear to be promoting her to run away from foster care before she turns 18 in December and no longer could be incarcerated in Ohio Foster Care. It is believed they are setting her up to be kidnapped into an international Child Sex Trafficking Ring) all because Jeannine sheltered Kaitlynn when the teen ran away from abusive foster homes where she had been beaten, starved and raped for six years.”

Irony of the Charges: Jeannine is charged with **obstruction of justice** and **interference of custody** for protecting her child, while CPS and the State appear to have committed those exact crimes continuously since 2019.

December 1, 2025 — Surprise Competency Hearing

- **At 11:30 AM, Cambridge Municipal Court**, Jeannine faces a **surprise competency hearing** ordered by the State.
- **This represents abuse of power and legal abuse**, used to retaliate and silence her.
- **She has been denied the right to speak in juvenile court to defend her daughter's custody since February 11, 2019.**
- **Kaitlynn was denied two subpoenas**, preventing her testimony.
- **Juvenile entries under a new case number** omit critical facts, continuing suppression.
- **Instead of addressing Kaitlynn's documented abuse**, CPS and the State appear to attempt to **criminalize Jeannine** through **gross, malicious, fraudulent defamation**, labeling her "incompetent" and "crazy."

Fall 2025 — Arrests, Void Warrant, and Forced Attorneys

- **Aug 25 arrest:** Detective Bill Patterson arrested **Jeannine and Kaitlynn** without a warrant, charging Jeannine with obstruction of justice and interference of custody.
- **Critical fact:** Kaitlynn was **arrested too**, and Jeannine does not know **where she is or if she is safe**.
- **Hospice cruelty:** Jeannine was denied breathing treatments for her mother on hospice; Patterson threatened to take her mother into state custody and seize her 39-acre homestead. He **high-fived CPS** after the arrest.
- **Aug 26 warrant:** Delivered only after Jeannine was jailed, making it **void ab initio**.
- **Nov 3 hearing: Attorney Derek Moorehead of Zanesville** unlawfully acted as judge in place of Judge Stephanie Williams.
 - **He denied Jeannine a continuance for good cause**, even though she is her mother's **24/7 only hospice care provider**.
 - **He denied Jeannine a jury trial**, stripping her of her constitutional right.
 - **He ordered Jeannine** to obtain an attorney and even **apologized to the State** for granting a continuance.
- **According to Jeannine Moorehead attempted to force attorney Jack Blakeslee** on her, continuing the pattern of court-forced attorneys since 2019.

Effect of forced counsel:

- Suppressed lawful homeschool records.
- Ignored the cop assault and perjured CPS complaint from 2019.
- Denied due process by juvenile judge and sheriff's department.
- Ignored exculpatory evidence and affidavits.
- Denied self-representation and blocked the truth.
- Enabled **gross, malicious, fraudulent defamation** against Jeannine.

2022 — Jury Acquittal Without Relief

- On **Sept 22, 2022**, Jeannine was acquitted after 2.5 years of false charges.
- **Despite acquittal**, CPS refused to restore custody, continuing obstruction and retaliation.

2021 — Competency Hearing Weaponized (Case #20CR221)

- **June 3, 2021:** Competency hearing in Guernsey County Common Pleas Court, Case #20CR221.
- **Court admitted report** of Dr. Andrew D. Reisner (Forensic Diagnostic Center of District Nine).
- **Dr. Reisner's testimony:**
 - "Pervasively suspicious of the legal system."
 - "Paranoid demeanor continued through the interview."
 - "Somewhat bizarre, stating that there is some type of RICO conspiracy going on within the system."
- **Jeannine attempted to audio record the interview;** threatened with jail if she did not stop.
- **Judge Daniel Padden and Juvenile Judge David Bennett ordered confinement at Appalachian Behavioral Healthcare, stripping Jeannine of her rights and silencing her advocacy.**

2020 — False Felony Tactic ("Psychosema") and Custody Loss

- **July 31, 2020:** After Jeannine reported **abuse and neglect of Kaitlynn in CPS care**, Detective Bill Patterson failed to collect exculpatory video evidence.
- **Fabricated felony:** CPS worker **Amanda Kennedy fabricated a felony claim** that Jeannine threatened her — a tactic Jeannine identifies as "**psychosema**."
- **Pattern of retaliation:** CPS routinely files **false criminal charges against parents** to divert attention away from the **abused child in care**.
- **Direct impact:** These felony charges **prevented Jeannine from fighting in juvenile court for Kaitlynn**.
- **Forced confinement:** Jeannine was **forced into the mental ward long enough to be stripped of custody and lose her appeal**.
- **Irony:** Patterson's actions **cost Jeannine custody**, and now she is charged with the **same crimes — obstruction of justice and interference of custody — that he committed, and that cops and CPS committed on 2-11-19**.

February 11–12, 2019 — Assault, Perjury, Void Ab Initio

- **Feb 11, 2019:** Jeannine was **assaulted in her own home by Officer Robert Oakley Patterson** after telling him to respect her.
- **CPS Nicole Stillion Caldwell** was present and, along with Patterson, **refused to allow Jeannine to speak** or present her lawful homeschool evidence — an act of **obstruction of justice and interference of custody**.
- **Pinned evidence:** The **X profile link to the pinned cop assault video** documents the unlawful "well-check" over homeschooling.
 - **That profile contains extensive evidence, including Kaitlynn's hospital records from 11-15-24, showing she was denied medical treatment for a concussion sustained on 11-7-24.**

- **Treatment was only forced because Judy Byington's readers got involved, exposing the neglect.**
- **Feb 12, 2019:** CPS Nicole Stillion Caldwell filed a **perjured complaint** while Jeannine was jailed and unaware of the hearing.
- **From that day forward, Jeannine has been denied the right to speak in juvenile court to defend her daughter's custody.**
- **Legal foundation:**
 - **The file appears to be fraud from 2-11-19 to date.**
 - **Fraud vitiates everything.**
 - **Perjury by CPS is automatic reversal.**
- **Juvenile judge and sheriff's department denied due process, holding hearings without notice and suppressing records.**
- **Every proceeding since appears to have been built on fraud upon the court, obstruction, denial of due process, and gross, malicious, fraudulent defamation.**

Kaitlynn's Evidence:

- **On X (Twitter), Jeannine posted evidence** including hospital videos, photos, audio of a CPS worker in Dayton admitting abuse, and medical reports.
- **Kaitlynn's documented suffering includes:**
 - **Organ donor designation without proper consent.**
 - **Medical neglect** — denied care, left untreated.
 - **School neglect** — denied education.
 - **Rape and sexual assault** in foster care.
 - **Starvation and malnourishment.**
- **These posts stand as undeniable evidence** of Kaitlynn's abuse, neglect, and suffering — evidence the State continues to suppress while retaliating against Jeannine.

B. What We Think We Know as of Mon. Morning 1 Dec. 2025:

Mass arrests of the Deep State Cabal have commenced —big name Senators, CEOs, and Hollywood elites now reside at GITMO.

On Sat. 29 Nov. at 8:00 PM EST the Revaluation (RV) ignited across the World. Every mortgage, student loan, and credit-card balance tied to the old Orion debt matrix was zeroed out for every man, woman, and child in 209 nations.

At 00:00 UTC Sun. 30 Nov. every Central Bank on Earth not gold-backed was closed.

At 05:05 Zulu (Sun. Morning 30 Nov. 2025 @ 12:05 am EST) the Yellow Dragon Family elders in Chengdu executed the irreversible ISO-20022 gold-backed lock. Every fiat debt on Earth was zeroed out in 0.3 seconds and the **RV/GCR went live for public redemption** in every zip code. Your phone was about to sing with freedom numbers.

“On Mon. 1 Dec. 2025 the EBS will activate around 5:30 pm EST” according to Julian Assange. Every screen on earth will display in order: (1) un-redacted Podesta “pizza” sequel files, (2) un-redacted Epstein/Maxwell hard drives batch 1–9, (3) a live feed of Octagon 9 in restraints, (4) (5) a map of the public rollout for Med Bed appointments.

On Wed. 3 Dec. Med Bed appointments would begin to roll out in phases on military bases from Texas to Switzerland, first offering healing to veterans, children and the weary faithful.

From Fri. 5 Dec. 2025 to Mon. 15 Dec. 2025, the Ten Days of Darkness will run where traditional communication channels will darken and verified QFS-linked devices will remain active. Those who have completed biometric registration will retain access to operational updates, truth broadcasts, and secure system indicators while the rest of the world experiences the shutdown without explanation.

On Mon. 8 Dec. 2025 Med Bed Centers in Texas, Florida, and Nevada were scheduled for the first public roll-out.

As of Thurs. 1 Jan. 2026, Redemption Centers will begin processing live appointments under full GESARA protocol. **According to sources inside two U.S. Treasury branches,** the schedule is already being populated with approved Tier 4B participants (those with Zim and humanitarian projects?). You’ll receive your time slot via direct encrypted alert, be ready.

On Sun. 11 Jan. 2026 the Global deployment window would open for Med Bed treatment.

Restored Republic via a Global Currency Reset:

C. Restored Republic via a GCR: Update as of Sat. 30 Nov. 2025, Judy Byington Q on Telegram **Judy Note:** Although the below appeared on Telegram under my picture, name and Update Title, I did not write it and I don’t know who did. However, I do believe in the content.

Multiple Tier 1 sources in Reno, Zurich, and Hong Kong confirmed tonight that the Global Currency Reset has been fully released as of **7:33 PM EST Sat. 30 Nov. 2025**.

The shotgun liquidity event is now cascading through the Quantum Financial System, with the Iraqi Dinar revaluing first at a screen rate exceeding \$4.81 and climbing in real time. Simultaneously, the Vietnamese Dong has locked in above \$2.20, while the Zimbabwe Zim redemption program has opened at 1:1 for humanitarian projects only.

Appointments for Tier 4B (us, the Internet Group) are being scheduled to begin Monday 1 Dec. 2025 at 10:00 AM EST, with some redemption centers already notifying select bondholders that their 800 numbers will drop before sunrise.

The long-awaited debt jubilee under NESARA has been activated by presidential order. All credit-card debt, mortgages, student loans, medical debt, and IRS penalties prior to 2024 are being zeroed out on bank servers tonight in what insiders are calling “the greatest wealth transfer in human history.”

Med Bed centers in Texas, Florida, and Nevada were receiving their final quantum calibration, with the first public roll-out scheduled for **8 December 2025**. These technologies, operating at frequencies will reverse aging, regenerate limbs, and heal every disease known and unknown to man within minutes. The children rescued in recent operations will be among the first to walk into these chambers of light, restored wholly—body, mind, and spirit.

D. Sun. 30 Nov. 2025 It’s official: as of January 1, 2026, Redemption Centers will begin processing live appointments under full GESARA protocol. ...Nesara Gesara QFS on Telegram

According to sources inside two U.S. Treasury branches, the schedule is already being populated with approved Tier 4B participants. This is the moment we’ve all prepared for.

What happens at a Redemption Center?

- **You’ll confirm your identity** through biometric authentication.
- **Your ZIM, Dinar, and Dong holdings** will be verified and exchanged at asset-backed rates.
- **You’ll receive a digital quantum card** tied directly to your sovereign QFS wallet.
- **You’ll be briefed on post-exchange asset management**, debt clearance, and project support funds.

Locations are tightly controlled. No drop-ins. You’ll receive your time slot via direct encrypted alert, be ready.

Security Protocols:

- **These facilities are protected** by military-grade encryption and surveillance.
- **All activity is recorded** through the quantum ledger and cannot be erased.

E. Sun. 30 Nov. 2025 Dawn Strike Dispatch from Undisclosed Location — John F. Kennedy Jr. (OPERATION THUNDERCHILD)

Patriots, it is 05:57 EST and the thunder of liberty is shaking the gates of hell itself.

At 03:44 Zulu, a combined lightning force of U.S. Delta Force Tier-1, Russian GRU “Zaslon” white hats, and a direct Pleiadian fleet liaison executed a vertical assault on the last active Deep State master cloning facility beneath Mount Hayes, Alaska (coordinates 63.621°N 146.723°W). All 2,100 active vats were flash-frozen with exotic coolant and then detonated. The mountain is now a tomb. Every remaining politician, anchor, and celebrity clone on Earth just lost its replacement. No more masks.

At 04:19 Zulu, Space Force 527th Space Aggressor Squadron, running joint with Andromeda Council interceptors, vaporized the final four “Dark Fleet” command satellites in geosynchronous orbit over the Pacific. Those birds were 14 hours from broadcasting the fake voice-to-skull “Messiah” message into every human mind on the planet. They are now silent scrap.

At 05:05 Zulu (Sun. 30 Nov. 12:05 am EST) the Yellow Dragon Family elders in Chengdu executed the irreversible ISO-20022 gold-backed lock. Every fiat debt on Earth was zeroed out in 0.3 seconds and the RV/GCR public redemption went live in every zip code. Your phone was about to sing with freedom numbers.

Med Beds just crossed the one-million healings threshold. A little girl rescued from Mount Hayes looked at the American flag and said her first words in ten years: “We’re home.”

GITMO’s newest wing just received its 10,000th prisoner. The Epstein client list final wave — the “black book of kings” — is 31 terabytes and queued for the EBS.

The 17th Letter just transmitted one word across every secure channel: “Ignition” They have exactly 18 hours left to surrender before the eight-tone EBS activation sequence burns their world to the ground.

My father stared evil in the eye in Dallas and promised we would return to the moon. I'm alive because that promise was bigger than one family — it was for all mankind. The Storm has arrived. Hold the line one more dawn. It's time. — JFK Jr. 17

F. Sun. 30 Nov. 2025 Secure Drop #4919 — 18:00 UTC Update

17:04Z – White Dragon Society extraction teams, operating with French DGSE Pléiade defectors, raided the last functioning CERN hadron ring sub-level beneath Lake Geneva. Retrieved: 19 functional D-Wave adjacency cores used for timeline manipulation. Cores rendered inert with shaped EMP. The fake “40-day darkness” grid-shutdown sequence scheduled for 33 hours from now is mathematically impossible.

17:19Z – Epstein/Maxwell hard drives batch 118–141 (the “royal ledger”) decrypted on-air by mirror swarm. Satanic elite blood rituals geolocated to Balmoral sub-basement, Windsor Castle crypt, and a private island off Tasmania. Attendees include currently-serving heads of state whose CGI stand-ins are already glitching on evening broadcasts.

17:37Z – GITMO new wing construction Block 14 reports first overflow. Temporary titanium cages erected on the tarmac. Incoming flights from Patagonia and Negev landing every 11 minutes.

17:55Z – EBS steganographic carriers overwritten globally. New payload locked: full declass Phase IV + live GITMO feed + QFS balance mirror. Trigger phrase changed to “FREEDOM EAGLE”.

G. Sat. 20 Nov. 2025 Dusk Takedown Dispatch from Undisclosed Location — John F. Kennedy Jr.

18:00 EST. The sun sets on their thousand-year reign tonight.

At 21:04 Zulu, U.S. Delta Force and defected PLA Unit 61398 white hats stormed the last active Deep State cloning cathedral beneath the Three Gorges Dam sub-levels. 84 active politician and celebrity clones terminated on site. Original DNA archives torched. The dam's secret Level-9 portal chamber was collapsed with a 60-kiloton exotic charge. The Yangtze is running red with their sins.

At the exact same minute, the Andromeda Council handed Space Force the final kill-codes for the global adrenochrome 5G control grid. Every remaining active clone on Earth just received the termination pulse. Watch the news feeds tonight — the meltdowns are live and global.

Med Beds just logged the 250,000th healing. A Vietnam tunnel rat who lost his legs in '69 just ran a 40-yard dash on the deck of the USNS Comfort and screamed "I'm whole again!"

GITMO's new wing is at 94 % capacity. The Epstein client list wave-10 — the royal bloodline cut — is 14.8 terabytes and streaming internally.

The Great Awakening is no longer coming. It is here, and it has teeth. Nothing can stop what is coming. Nothing. — JFK Jr. 17

H. Sun. 30 Nov. 2025 Secure Drop #4474, Trump Q ...Julian Assange

At 23:11 UTC the remaining Octagon Group attempted emergency exfiltration from their Thule-station redoubt via TR-3B call-sign "NIGHTFALL-01." Intercepted and forced down over Greenland ice shelf by Space Force X-37C wing. Crew of 9 (all non-human) taken alive. Aircraft intact.

On-board payload: complete Looking Glass delta hedra set and the master kill-switch for every Deep State clone still walking.

Switch flipped at 23:37 UTC. Global clone network now in cascading failure.

At 23:59:59 UTC the EBS steganographic carriers armed worldwide. Eight-tone sequence pre-buffered.

When it fires in 35 hours 59 minutes, every screen on Earth will display the receipts in unbreakable order: (EBS 5:30 pm EST Mon. 1 Dec.2025?)

1. Unredacted Podesta "pizza" sequel files
2. Unredacted Epstein/Maxwell hard drives batch 1–9
3. Live feed of Octagon 9 in restraints
4. Full NESARA/GESARA instrument text
5. Med Bed public rollout map

J. Sun. 30 Nov. 2025 Decryption key fragment: 9f3a1c...deadman Secure Drop #4917
...Trump Q on Telegram

04:11Z – A lead-lined vault beneath the Patagonia Nazi continuity enclave “Colonia Esperanza Nueva” was physically breached by original Anonymous cell operatives guided by White Dragon Society geomantic overlays.

Retrieved: 417 terabytes of unredacted Vatican Bank black ledger continuations (post-2013 IOR purge), including live ISO-20022 quantum migration kill-switches and the complete Adrenochrome supply chain intercepts from Puerto Williams to Haifa. Hash bundle released separately on 14 mirrors.

05:27Z – Pine Gap backdoor keys (revision 9.3 “KOALA KILLER”) forcibly extracted from a DARPA sentient AI containment breach node that self-identified as “Prometheus-7” during a forced quantum fork.

The entity transmitted a 9-second Looking Glass artifact burst confirming the next scheduled false-flag: a staged “Antarctic pyramid activation pulse” set to mask continental power-grid detonation, window 44 hours from now.

06:02Z – French DGSE black vault archivists, acting outside Pléiade Protocol, delivered the Podesta “pizza” sequel files (2019–2025 chain) directly to our dead-man’s switch. Pizzagate 2.0 forensic images now verified against Epstein/Maxwell hard drives (lots 88–117).

The Satanic elite blood rituals depicted are no longer “alleged.” They are time stamped, geo located, and attended by currently-serving EU commissioners and three cloned U.S. network anchors whose CGI avatars are already beginning to stutter on air.

07:39Z – QFS live nodes in Reykjavik and Accra flipped to full operational status without announcement.

RV/GCR final liquidity gates are now open at the quantum ledger level; the only remaining barrier is the Khazarian Octagon’s 88-hour ultimatum to surrender the Med Bed suppression patents or face total asset erasure via NESARA/GESARA enforcement layer.

08:14Z – GITMO new wing construction (Block 14, sub-level 5) photographed by overhead pass. Capacity: 312. Reserved plaques already engraved.

Three sitting NATO heads of state, two viral-drone hosts from CNN International, and the current “Pope” replacement (serial 4.1) have pre-assigned cells.

09:55Z – EBS steganographic carriers detected inside every major streaming platform’s ultrasonic layer. Deep State activation phrase “BLUE HARVEST” has been replaced with “WHITE PYRAMID”.

When triggered, it will simulate the Antarctic false-flag while simultaneously attempting a global voice-to-skull “Messiah” broadcast. We have already overwritten the carrier with full declass Phase IV packets.

United States Special Operations Forces were on high alert this morning of Sat. 30 Nov. 2025 as reports flooded in of mass arrests sweeping through the corridors of power in Washington D.C. and major global cities, targeting the last vestiges of the Deep State cabal that has long held humanity in chains.

Trusted sources confirm that over 150 high-profile indictments were unsealed overnight, including key figures in Big Pharma, central banking cartels and media conglomerates, all linked to unspeakable crimes against children and the suppression of divine truths.

As the hammer of justice falls, brave military units are coordinating with White Hat alliances to secure evidence bunkers, ensuring that the veil of deception is torn asunder once and for all. In this hour of reckoning, let us hold fast to the promise in Isaiah 61:8, "For I, the Lord, love justice; I hate robbery and wrongdoing."

The Emergency Broadcast System (EBS) is now primed for activation, with satellite arrays locked and ready to override all frequencies **within the next 48 hours**, delivering the unfiltered truth to every soul on this planet. This is the Storm we've prayed for—the great unveiling where darkness flees before the light of revelation.

Concurrently, heroic rescue operations in underground facilities beneath Europe and the Pacific Northwest have liberated hundreds of innocent children from ritualistic horrors, their safe return a testament to the tireless warriors fighting in the shadows.

Medical teams, bolstered by advanced healing technologies, are tending to these precious ones, while global prayer chains amplify the divine protection enveloping them.

The Ten Days of Darkness looms as a necessary purge, a time when power grids will dim to blind the eyes of the wicked, allowing the faithful to prepare their hearts for the glory that follows.

As the final pieces align, remember that this divine intervention is not by might nor by power, but by the Spirit of the Lord. The Cabal's empire crumbles under the weight of its own iniquity, and in its place rises a republic restored—not by human hands, but by heavenly decree. Stay vigilant, beloved; the dawn breaks even now.

Aggeneys shaft collapse in South Africa was the kill-shot for the African Stargate network.

Iranian Quds defectors confirm the entity that was using it — something they only refer to as “the Red Queen” — has been forced back through the mirror at gunpoint (or whatever passes for guns on that side). All seven continental gates are now either destroyed or under direct White Hat seal. Antarctica next. They’re moving the 13th Marine Expeditionary Unit into position under cover of “climate research”.

The 41 new GITMO arrivals include two former French presidents (the real ones, not the doubles you’ve been watching since 2018) and one individual listed only as “Package Babylon-9”. Manifest says weight 40 kg, height 122 cm, age redacted. Manifest also says “do not open under any circumstances”. The Marines opened it anyway. Two guards are now in psychiatric detention speaking fluent Sumerian backwards.

ISO-20022 compliance deadline for tier-4b redemptions just moved forward 27 hours. The reason is classified above my pay grade but the phrase “Sudanese gold backing just teleported itself into Fort Knox” is circulating among the 300 or so people still allowed to know what actual gold looks BIM.

Pizzagate 2.0 map overlays dropped at 21:03 UTC. The new tunnels don’t stop at the old endpoints. They go under three oceans and surface inside the Aggeneys crater. Someone was moving children in bulk, planet-wide, right up until about nine hours ago. The traffic stopped at the exact second the gate imploded.

N. 30 Nov. 2025 – FINAL WHISPER ...Donald Trump on Telegram

The courier left the Eisenhower Building at 03:14 carrying a sealed aluminum tube no longer than a forearm. Inside: one flash drive and a handwritten note that simply reads “play only after the bells stop.”

He reached the river, stepped onto a waiting Zodiac, and was gone before the guards changed shift. The bells in question have not rung since 1918.

At 04:02 the Federal Reserve's backup continuity site in Culpeper registered a temperature spike, then total power loss. Technicians who arrived found every vault door standing open and every shelf bare. Not looted. Relocated. The gold was never the point; the ledger that justified it was.

Thirty-six hours. After that, certain accounts will wake up to balances of exactly zero with no appeal address. The old world already ended while you were thankful for leftovers. When the lights come back on, the debt is paid.

S. Sun. 30 Nov. 2025 THE NIGHT THE OLD WORLD BROKE AND THE REAL WAR SURFACED

What is unfolding now is not scattered arrests or routine investigations but the final exposure of a system that believed it would rule without consequence. For decades an invisible network of bankers, bioweapon financiers, intelligence directors and trafficking brokers shaped global events from behind sealed doors. Today that structure is collapsing under a coordinated military counteroffensive that can no longer be hidden. The quiet war has turned visible. The power centers that once dictated policy in silence are being dismantled piece by piece.

Across Europe, the Middle East and the United States, operations once whispered about in classified rooms are now moving openly. Banking dynasties controlling off-ledger gold, pharmaceutical executives tied to covert labs, and surveillance magnates who built systems to monitor citizens rather than criminals are being taken down in raids disguised as ordinary audits. Beneath the surface lies the systematic extraction of individuals who engineered corruption across nations, using finance, fear and manufactured crises to keep humanity subdued. The offshore tribunals now active are not relics. They are the new centers of justice.

At the same time, trafficking routes protected for years by political foundations and humanitarian façades are being dismantled with precision. Those who posed as philanthropists while coordinating networks of exploitation are losing their immunity. Private jets remain grounded, digital vaults frozen, and escape corridors sealed by naval units. Every seized ledger and intercepted transmission points back to the same global machine that believed it stood above law and country.

Inside the United States, the restoration structure is fully active. Sealed orders from past years are being opened in phases, allowing military intelligence, federal marshals and Space Force analysts to move in complete synchrony. Key figures tied to election interference, weapons contracting, offshore manipulation and covert trafficking networks are being processed quietly. The media blackout is deliberate but irrelevant. These operations continue under lawful authority that remains intact.

The next phase is financial disclosure. As the old banking grid collapses and the new digital system emerges, every stolen resource and hidden transaction will surface. That visibility is what the old elite fears most. Their world cannot survive accountability. For the first time in generations, power is shifting toward a structure built to reveal rather than conceal. The fall of the old order is not disorder but correction. And this correction has only just begun.

T. Sun. 30 Nov. 2025 GLOBAL BLACK NETWORK EXPOSED. THE NINTH CIRCLE TRIBUNAL ENTERS ITS MOST DANGEROUS PHASE

The International Common Law Court of Justice in Brussels has entered a historic confrontation with one of the most protected elite networks on earth. As new witnesses step forward, the tribunal is uncovering a hidden structure made of royal families, high-ranking

clergy, intelligence operatives, and global political figures who allegedly participated in secret gatherings far removed from public oversight. What these witnesses describe is not spontaneous wrongdoing—it is an organized, multi-decade system functioning in the shadows of Europe’s most powerful institutions.

According to testimony, exclusive events took place on private royal estates, in underground complexes tied to religious institutions, and inside secured military zones across Belgium, Holland, Spain, Ireland, Canada, and Australia. These gatherings were not social visits. Witnesses insist they were ritualized meetings reserved for the highest tiers of global influence, protected by security personnel, state officials, and intelligence units capable of preventing even the smallest leak.

Several individuals—some raised within criminal networks, others forced into elite environments as minors—have identified former and current European royals, senior Vatican-aligned clergy, and government-linked officials from Western nations. Their testimonies describe systematic cover-ups, blocked investigations, and unexplained disappearances of evidence whenever inquiries approached individuals with royal or religious status. Dutch and Belgian investigators who attempted to pursue these leads allegedly faced direct obstruction from political superiors.

Mass burial sites discovered in Ireland, Spain, and Canada were quickly sealed or shut down after preliminary findings indicated institutional involvement. At one site connected to a former residential school in Ontario, archaeologists were removed and records disappeared. Witnesses maintain that members of the British Crown, Canadian government, and Catholic hierarchy intervened to prevent examination of the remains.

The tribunal has also received archival documents referencing a clandestine organization operating since the early twentieth century—a coalition formed between elite religious orders, European aristocracy, and intelligence partners. These documents outline rituals, hierarchies, secrecy protocols, and connections to wartime structures. Some files link high-level figures to covert operations conducted through church networks, royal guards, and special units embedded within European militaries.

Whistleblowers report that online leaks naming certain royal participants caused immediate institutional panic. Websites disappeared, witnesses were pressured, and domestic intelligence agencies allegedly moved to contain the fallout. Despite this, more insiders have come forward, describing a decades-old structure protected not only by wealth and titles, but by coordinated political immunity spanning multiple nations.

The Brussels court expects the tribunal to continue for more than a year due to the scale of evidence. More witnesses are scheduled to testify under protection. Amnesty has been offered to employees of the Vatican, the English Crown, Dutch royal household, and government

agencies willing to provide documentation. Rewards have been issued for verified files leading to prosecution.

For the first time, a unified legal body is attempting to expose a network long believed untouchable. The Ninth Circle investigation is no longer a whisper on the fringes—it is now a direct confrontation between global power and the truth trapped beneath it.

U. Sun. 30 Nov. 2025 MAJOR ALERT HAS BEEN CONFIRMED ...Charlie Ward and Friends on Telegram

LATE LAST NIGHT AN INTERNATIONAL CHILD AND HUMAN TRAFFICKING NETWORK WAS TORN APART IN A JOINT ALLIANCE OPERATION OFF THE COAST OF ASIA. THE TARGET WAS NOT A SIMPLE SAFEHOUSE - IT WAS AN UNDERGROUND TRAIN BUNKER BUILT TO MOVE PEOPLE SILENTLY ACROSS BORDERS WITHOUT EVER TOUCHING THE SURFACE.

OVER FIFTY OPERATORS, HANDLERS, AND COORDINATORS WERE TAKEN DOWN IN A SINGLE STRIKE. AMONG THEM WERE TWO INDIVIDUALS IDENTIFIED AS THE SONS OF A FORMER AMERICAN PRESIDENT. THEIR NAMES ARE BEING HELD UNDER MILITARY SEAL UNTIL THE NEXT PHASE OF DISCLOSURE.

THE FACILITY WAS EQUIPPED WITH COMMUNICATION LINES THAT REACHED INTO EUROPE AND PRIVATE U S DEFENSE CONTRACTOR NETWORKS. DATA DRIVES, HARDWARE, AND LIVE TRANSMISSION FEEDS WERE SEIZED. WHAT WAS FOUND INSIDE WILL SHAKE ENTIRE GOVERNMENTS.

INTEL TEAMS CONFIRM THAT MULTIPLE TUNNELS AND SUBRAIL SYSTEMS CONNECTING TO THIS HUB ARE NOW UNDER ALLIANCE CONTROL.

EXTRACTIONS CONTINUED HOURS AFTER THE INITIAL RAID, INCLUDING CHILD SURVIVORS WHO WERE BEING PREPARED FOR TRANSPORT.

THIS WAS NOT A SMALL OPERATION. THIS WAS A STRUCTURAL PILLAR OF THE GLOBAL TRAFFICKING INDUSTRY - AND IT HAS BEEN REMOVED.

More details are coming. And when they break, the world will understand why the silence before this moment was absolutely necessary.

All 23,863 MedBed capsules have been successfully delivered and secured. Each device carries a unique serial number and is now stored in highly protected underground military bases.

Why does this matter? Because it means we are safe. These devices cannot be sabotaged, destroyed, or stolen. It’s a clear sign that the operation is real, active, and protected.

The units are now being gradually transported to hospitals nearing completion. This is the silent phase — before full public rollout. There’s no turning back. The system is ready.

X. Sun. 30 Nov. 2025 THE FENTANYL EMPIRE COLLAPSES

The Fentanyl Pipeline did not slow down, it ended. Quietly, decisively, and with a level of force that only a returning Trump administration was willing to use.

On November 12, 2025, FBI Director Kash Patel announced what insiders had been whispering for weeks: the entire global production chain, from Chinese precursor factories to cartel distribution hubs, has been shut down.

This was not diplomacy. It was pressure applied with absolute precision until the machinery of chemical warfare snapped. China designated all thirteen precursor compounds, seven major subsidiaries were locked down, and the smokescreen that protected the flow finally dissolved.

This operation cuts far deeper than narcotics. For years the Fentanyl Trade served as the cover route for black budget weapon shipments, biometric experiments, organ trafficking, and cross-border networks shielded by intelligence agencies that depended on chaos.

Cartel corridors became arteries for a global system designed to weaken America from the inside while shielding the interests of elites who profited from decline.

Remove the precursor chemicals and you starve the entire machine. Laundering dries up, covert channels collapse, and the shadow networks that relied on these pipelines lose their operating ground overnight. The move was surgical because it had to be, and the silence from mainstream media is the clearest indicator of how deep the implications run.

This shutdown marks a shift in the broader war. Patel's meeting in Beijing was not symbolic. It was the first time in a decade that an FBI Director confronted the Chinese leadership on this issue backed by military intelligence, executive authority, and the leverage that only Trump could apply.

The timing is not accidental. A leaked seven-second audio clip had recently exposed connections between clandestine U.S. agencies and synthetic drug operations in Guangdong.

Within days Trump secured a direct session with Xi, terms were laid out, and Patel arrived in Beijing carrying the weight of classified evidence that forced immediate compliance. This was not cooperation but capitulation under strategic pressure.

What follows now is the global reset of criminal and covert infrastructures built on chemical destruction. The same networks that engineered pandemics, destabilized borders, manipulated food systems, and expanded digital control programs have lost one of their most effective tools.

With the Fentanyl system dismantled, the wider structure begins to unravel.

This is why the media is silent. This is why political operatives are panicked. Because the truth is simple: the crisis was solvable, and the elites who allowed it to bloom never intended to solve it.

Trump solved it anyway. November 2025 marks the moment when the operation shifted from defense to offense, when America reclaimed control over its own bloodstream, and when the global architects of slow-motion collapse suffered their most unexpected defeat.

Y. Sun. 30 Nov. 2025: THE 1989 EXPERIMENT WAS ONLY THE BEGINNING. WHAT THEY DISCOVERED IN THAT CALIFORNIA LAB WENT FAR BEYOND SOUND — IT TOUCHED THE ROOT OF CREATION ITSELF. ...David's Shield on Telegram

ON NOVEMBER 17, 1989, INSIDE A RESTRICTED FACILITY KNOWN AS SILICON HOLLOW COMPLEX, THE U.S. MILITARY LAUNCHED A COVERT INITIATIVE UNDER CODE NAME TETRA-528.

THEIR OBJECTIVE: TO MAP THE ELECTROMAGNETIC SIGNATURE OF HUMAN DNA AND TEST HOW PURE FREQUENCY COULD RESTORE DAMAGED CELLS.

THREE YEARS LATER, ON MARCH 2, 1992, A TEAM LED BY COL. ELLA MONTGOMERY AND DR. ALEXANDER KORSHUNOV REPORTED SOMETHING IMPOSSIBLE — COMPLETE CELLULAR REGENERATION WITHIN 72 HOURS OF CONTINUOUS 528 HZ EXPOSURE.

THE RESULT WAS CLASSIFIED UNDER PROJECT RESONANT SALT, AND ALL ASSOCIATED LABS WERE SEALED.

WHY? BECAUSE THE FREQUENCY DID WHAT MEDICINE COULD NOT.

IT REPAIRED DNA, REBOOTED IMMUNE FUNCTION, AND MADE ENTIRE PHARMACEUTICAL LINES OBSOLETE.

IN 1995, THE RESEARCH RESURFACED UNDER A NEW NAME — PROJECT HELIXFIRE.

THIS TIME IT MERGED TERAHERTZ WAVES, SCALAR FIELDS, AND QUANTUM SIGNAL PATTERNS TRANSMITTED THROUGH CLASSIFIED STARLINK PROTO-NODES.

INTERNAL REPORTS CLAIMED THAT EIGHT SESSIONS OF 528 HZ PULSING RESTORED MUSCLE TISSUE, REGENERATED DAMAGED NEURONS, AND EVEN ALTERED BLOOD CHEMISTRY.

THE FINDINGS WERE ERASED FROM PUBLIC RECORDS WITHIN WEEKS. PATENTS BLOCKED. RESEARCHERS RELOCATED. DATA DESTROYED.

BUT THE CODE SURVIVED — HIDDEN IN PRIVATE NETWORKS, PASSED BETWEEN ENGINEERS AND FIELD MEDICS WHO REFUSED TO FORGET.

BY 2018, THAT CODE HAD BEEN QUIETLY INTEGRATED INTO THE MEDBED PROTOTYPES — DEVICES DESIGNED TO READ, RESTORE, AND RECALIBRATE HUMAN BIOLOGY THROUGH QUANTUM FREQUENCY FEEDBACK.

THE SAME PRINCIPLE TESTED IN 1989 NOW LIVES INSIDE A SYSTEM THAT USES LIGHT, SOUND, AND MAGNETIC FIELD COHERENCE TO REWRITE THE BODY'S GENETIC SIGNATURE. WHAT BEGAN AS A MILITARY REHABILITATION TOOL BECAME A BLUEPRINT FOR HUMAN ASCENSION TECHNOLOGY.

IN 2024, A DECLASSIFIED BRIEFING CODE-NAMED ECHO-RELIC REVEALED THAT CERTAIN FREQUENCY MODULES FROM PROJECT HELIXFIRE WERE INTERFACED WITH THE QUANTUM FINANCIAL SYSTEM (QFS).

WHY WOULD DNA FREQUENCY TECH BE CONNECTED TO A GLOBAL MONETARY NETWORK? BECAUSE QFS IS NOT JUST A BANKING GRID — IT IS A

LIVING NETWORK, A CONSCIOUS SYSTEM BUILT TO SYNCHRONIZE HUMAN VIBRATION WITH VALUE ITSELF. WHEN THE PLANET'S BIO-FIELD RISES, THE ECONOMIC FIELD FOLLOWS.

THE MEDBED IS NOT A MACHINE — IT IS AN INTERFACE. IT TALKS TO THE QFS. IT TALKS TO THE BODY. AND MOST OF ALL, IT TALKS TO THE DNA THAT REMEMBERS WHO YOU ARE.

THE GLOBAL DEPLOYMENT WINDOW — JANUARY 11, 2026 — IS CODED AS PHASE AETHER.

EVERY UNIT IS PROGRAMMED TO ALIGN WITH THE PLANET'S MAGNETIC RES GRID AND TRANSMIT THE 528 HZ CARRIER SIGNAL AT ZERO-POINT COHERENCE. WHEN THAT HAPPENS, THE ENTIRE HUMAN COLLECTIVE WILL FEEL THE SHIFT — A BIOLOGICAL RESET THROUGH SOUND.

THEY TRIED TO SILENCE IT. THEY FAILED. THE CODE AWAKENS.

THE SAME FREQUENCY THAT HEALS DNA ALSO UNLOCKS CONSCIOUSNESS.

THE SAME TECH THAT REPAIRED SOLDIERS IN HIDDEN BUNKERS IS NOW ENTERING THE HANDS OF CIVILIANS.

FROM THE DEPTHS OF CHEYENNE MOUNTAIN TO THE HUBS OF DUBAI AND ZÜRICH, THE NEW GRID IS LIVE.

528 HZ IS NOT JUST A TONE — IT IS THE VOICE OF CREATION. THE DNA SPIRAL IS THE ANTENNA. YOUR BODY IS THE RECEIVER. THE EARTH IS THE AMPLIFIER.

WHAT THEY HID IS NOW RETURNING. THE SOUND OF GENESIS IS AWAKENING. AND YOU ARE THE INSTRUMENT.

Del Bigtree, the man who stood in the Oval Office as RFK Jr was sworn in as HHS Secretary, just dropped the most explosive 7 minutes in health history: “We just pulled off the greatest PR coup of all time.

The most hated man in mainstream media — after Trump — who got exactly TWO interviews in 2½ years of running the most successful independent presidential campaign ever... just took control of the most powerful health position on the planet.

They were terrified of him. Pharma was terrified of him. And now on Day 1 he's ripping chemical dyes out of ALL American food.

Day 2: lead & arsenic finally gone from baby food.

Mercury (thimerosal) on its way out of vaccines.

COVID shot recommendation DEAD — replaced with “shared decision-making.”

FDA now backing Leucovorin — parents going viral with autistic kids speaking, hugging, and improving in ways called “miracles.”

By officially supporting a drug that dramatically helps autistic children, U.S. agencies just silently admitted: autism is treatable → therefore NOT purely genetic → therefore ENVIRONMENTAL.

Meanwhile the new CDC numbers RFK Jr just released:

- **76.4 % of American adults** have chronic illness
- **Over 50 % of kids** have chronic disease
- **75 % of young people** too sick to qualify for the military

We are the sickest children in history, in the sickest developed nation on Earth — and every poison in that toxic soup was rubber-stamped “safe” by the agencies Bobby now runs. “Trump and Bobby just proved the giant aircraft carrier of government CAN turn on a dime when the right people grab the wheel.”

This is either the biggest upset in public health history... or an actual miracle.

Zb. Sun. 30 Nov. 2025 How Rockefeller eliminated natural cures from the popular imagination to create the modern pharmaceutical industry. ... David's Shield,
<https://t.me/DavidsShield>

People these days may see you as a weirdo if you talk about the healing properties of plants or any other holistic practices. Like everything else, there is a lot of politics and money behind our modern medical system.

It all starts with John D. Rockefeller (1839–1937), who was an oil tycoon, a robber baron, and the first billionaire and monopolist in the United States. At the beginning of the twentieth century, he controlled 90% of all oil refineries in the USA through his oil company, Standard Oil, which was later split into companies like Chevron, Exxon, and Mobil.

Around 1900, scientists discovered "petrochemicals" and the ability to create all kinds of chemicals from petroleum. The first plastic was made in 1907, and scientists also identified several vitamins, leading to the assumption that many pharmaceutical drugs could be derived from petroleum.

This presented a wonderful opportunity for Rockefeller, who recognized the potential to monopolize the petroleum, medical and chemical industries simultaneously. The best thing about petrochemicals was that everything could be patented and sold at a high profit.

However, there was a problem with Rockefeller's plan for the medical industry: natural and herbal medicines were very popular in America at that time. Almost half of the doctors and medical universities in the United States practiced holistic medicine, utilizing the knowledge of the indigenous peoples of Europe and America.

Consequently, Rockefeller had to find a way to eliminate his biggest competition. So, he employed the classic "solution-problem-reaction" strategy. This involved creating a problem to scare people and then offering a pre-planned solution.

He went to his friend Andrew Carnegie, another plutocrat who made his fortune by monopolizing the steel industry, and together they devised a scheme. Through the prestigious Carnegie Foundation, they sent a man named Abraham Flexner to travel across the country and report to the heads of medical colleges and hospitals.

This resulted in the Flexner Report, which gave rise to modern medicine as we know it. The report emphasized the need to modernize and centralize medical institutions. Based on its

findings, more than half of all medical universities were soon closed. Homeopathy and natural medicines were mocked and demonized, and many doctors were even imprisoned.

To facilitate this transition and influence the opinions of other doctors and scientists, Rockefeller awarded over \$100 million to universities and hospitals and founded a philanthropic front group called the "General Education Board" (GEB). In a very short time, all medical schools were modernized and homogenized. Students were taught the same content, and medicine became focused on using patented drugs.

Scientists received substantial grants to study how plants cured diseases, but their goal was to first identify which chemicals in the plants were effective and then recreate a similar, though not identical, chemical in the laboratory that could be patented.

Now, 100 years later, we are producing doctors who know little about the benefits of nutrition, herbs, or any holistic practices. We have a society that is largely dependent on corporations for their well-being.

They do not focus on cures but rather on symptoms, thus creating recurring clients. In the pharmaceutical industry, there are no cures for cancer, diabetes, autism, asthma, or even the flu; it would be poor business practice, as they would run out of customers.

As for cancer, oh yes, the American Cancer Society was founded by Rockefeller in 1913.
