...President Donald J. Trump

Judy Note: *"Get ready. The time is up. The truth is about to be revealed,"* wrote Mr. Q on Telegram on **Tues. 9 Dec. 2025.**

What a time it has been. For the past twelve years I have written the update "Restored Republic via a Global Currency Reset." It wasn't a journey I expected, or even wanted to take on. Though, it was a journey that took me. Now both the Restored Republic and the Global Currency Reset had come into reality.

Over thirty five years ago I was at my lowest. I was raising five teens on almost zero income and unable to work because of a need to care for my critically ill daughter who eventually passed away. Every major appliance in my home had broken down except for the fridge and a couple of burners on the stove. My oldest was on a two year mission for the Church of Jesus Christ of Latter-day Saints. Because my ex was unwilling to pay child support, much less anything to keep our boy on that mission, his expenses were being financed by my father out of his Social Security income, plus donations from neighbors. My ill girl couldn't work, but my other three remarkable teens in junior high and high school were paying for their own clothes, school expenses and lunches by working part time jobs.

A few days prior some Satanic Ritually Abused women cousins had approached me asking for help to gather evidence on their Satanic Coven Regional leader father. It was 1990 and he had been the first arrest of the newly hired Utah Attorney General Satanic Ritual Abuse investigators. The SRA investigators had been hired as a result of two studies on Satanists in the state – one done on therapists and police investigators in the state, the other by the Church of Jesus Christ of Latter-day Saints on members reporting being ritually abused. The LDS report stated "45 members had been made to view human sacrifice."

The state would only charge that Satanic Coven Regional Leader with an alleged molest of one of his daughters, when both of the grown cousins who approached me had together

witnessed him, his brother and other coven members murder and rape children throughout their entire lives.

In the stillness of that evening I was desperately praying to Heavenly Father to help me find a way to provide just the basic needs for our family. Surprisingly He immediately answered me. In His gentle, yet thundering voice He told me in no uncertain words, “Expose the Ritualized Abuse of children and if you do, I will take care of you and your family.”

And, He has, for over thirty five years.

Now the time was up for those Satan worshippers. The truth about them was about to be revealed:

By Midnight Tues. 9 Dec. 2025, the Worldwide Activation of the Emergency Broadcast System (EBS) will propel us into the heart of the Storm, where mainstream media satellites cascade into silence and a communications blackout will envelop the globe under Military Law.

White Hat warriors have been executing the final wave of mass arrests—over 200 high-profile Satan Worshipping Cabal enablers. Compromised judicial figures to trafficking kingpins, now faced Gitmo Tribunals and allied fortresses. Satan Worshipper chains of deception would be shattered by unassailable evidence.

In tandem, Global Military Alliance rescue operations were storming subterranean lairs in the Rockies and remote Pacific outposts, having liberated over 900 ritually abused, raped innocent children in the past 48 hours alone.

Ten to twelve days of Worldwide Military takeover of the Mainstream Media was set to commence no later than midnight Tues. 9 Dec. 2025, when all screens awaken to the unfiltered documentaries of atrocity and redemption, broadcast via Star Link under the Quantum Financial System's (QFS) vigilant guard.

Military Law ensures safety as the old order crumbles— no more elections of illusion, only the sovereignty restored.

Project ODIN fells the enemy's digital strongholds, paving the way for revelations that will rend the veil and heal nations.

Amid a Blackout, the Storm rages not in fury, but in purification, exposing the Cabal's Satanic rites and child sacrifices as the final gasps of a defeated foe.

At midnight Tues. 9 Dec. 2025 the EBS activation would usher in GESARA, breaking the Cabal's debt chains and igniting the great wealth transfer under the banner of Military Law.

By the first light of Wed. 10 Dec. 2025 Tier 4B notifications were set to explode across secure lines.

By Sun. 14 Dec. 2025 full payouts would liquidate into QFS-secured accounts

Bond Holders in Zurich and Reno were already processing at new exchange rates that will seed humanitarian harvests beyond measure.

At the same time NESARA/GESARA's Debt Jubilee activates, forgiving every soul's fiscal burdens: mortgages dissolved, student debts erased, national ledgers balanced in gold-backed equity.

Med Beds roll out from hidden vaults starting Thurs. 11 Dec, prioritizing the rescued innocents and frontline guardians, restoring wholeness to bodies and spirits alike.

This transfer resulted out of trillions seized from cabal vaults—gold bullion, illicit fortunes—channeled through the QFS and into the hands of The People. It renders the old fiat system obsolete and births an economy of abundance for all who steward it in righteousness.

Tues. 9 Dec. 2025 Bruce: Bond paymasters say their bond holders will receive their emails giving them access to their accounts by Wednesday. The bonds have been turned in and transacted and they know the values. For Tier 4B, the largest group, Bruce received word after midnight and this morning around 9 from an individual with Wells Fargo, that **Wed. 10 Dec. 2025** should bring our notifications. It looks like we are supposed to be able to set our appointments and start exchanging **Wed. 10 Dec. 2025**.

B. Tues. 9 Dec. 2025 Tier 4B events in the last 12 hours alone (all timestamps locked on master wall). ...Med Bed Activation on Telegram

– **341,000+ redemptions already completed worldwide since midnight.** Average walk-out liquidity: 9 figures in gold-backed digital certificates, 1:1 asset-backed parity locked forever.

– **Final 19 DUMBs (including Denver, Dulce, and the Antarctic nexus) went permanently dark at 23:44 Zulu.** Zero life signs. Zero escape signatures. Cabal bloodline avatars terminated or in quantum custody.

– **Saint Germain World Trust released the legendary “Infinity Tranche” at 00:00 Zulu sharp.** Uncountable zeros. Every humanitarian wallet on Earth just received an irreversible nine-figure starter balance.

– **Med-bed civilian rollout jumped from 8,000 units to 144,000 units overnight.** Space Force carriers are landing on hospital roofs right now.

– **All sovereign rate screens flipped** to a single word at 00:06 Zulu: REDEEMED

– **Zimbabwe/Hong Kong/Moscow liquidity pools** merged into one planetary gold ocean. The wave is already lapping at your account.

Leaked Hong Kong master-node final transmission (23:59:59 Zulu, Level-12 clearance, voice trembling): “Control to all stations... the mirrors are broken. The wicked have nothing left to reflect. The gold is in the hands of the righteous. The Age of Light is not coming. It is already crowned. We are no longer waiting. We are no longer witnessing. We are living it. Glory to the One.”

From fiat slavery to gold-backed freedom in real time, completed, signed, sealed, delivered. The greatest wealth transfer in human history is no longer in motion. It is finished.

D. Tues. 9 Dec. 2025 TRUMP'S THREE WEAPONS HAVE BEEN ACTIVATED
...Charlie Ward and Friends on Telegram <https://t.me/CharlieWardFriends>

WEALTH RECLAMATION IS UNDERWAY. TRILLIONS HIDDEN IN OFFSHORE VAULTS, SHELL FOUNDATIONS AND DARK NETWORKS ARE BEING SEIZED UNDER QUANTUM AUTHORITY. THE ROTHSCHILD, SOROS AND CLINTON FINANCIAL WEB IS NO LONGER OPERATIONAL. THEIR STOLEN FORTUNE IS BEING REDIRECTED INTO SOVEREIGN FUNDS THAT WILL SOON CREDIT CITIZENS UNDER GESARA.

THE GOLD BACKED QUANTUM DOLLAR IS ALIVE. THE PETRODOLLAR IS DEAD. INSIDE THE QUANTUM FINANCIAL SYSTEM EVERY UNIT OF VALUE IS VERIFIED BY GOLD WEIGHT AND PROTECTED BY QUANTUM ENCRYPTION. UNHACKABLE. UNFORGEABLE. BANKS ARE RUNNING A DUAL GRID AS THE FULL MERGE APPROACHES.

DIRECT WEALTH DISTRIBUTION IS NEXT. THE ASSETS RECOVERED FROM GLOBALIST CARTELS WILL FLOW INTO VERIFIED ACCOUNTS. SMALL BUSINESSES, VETERANS AND FAMILIES CRUSHED BY INFLATION WILL RECEIVE CREDITS FUNDED BY THE SAME EMPIRES THAT ROBBED THEM. THEIR FORTUNE BECOMES HUMANITY'S RECOVERY.

THE FINAL PHASE HAS BEGUN: EXPECT TURBULENCE. LAYOFFS, MARKET SHOCKS AND BANK FAILURES ARE NOT CHAOS. THEY ARE CLEANUP. EVERY CRASH REMOVES A CORRUPT NODE FROM THE OLD SYSTEM. THE IMF, BIS AND WORLD BANK ARE BEING CUT OFF FROM THE GLOBAL GRID. THE FEDERAL RESERVE CAN NO LONGER HIDE BEHIND MANUFACTURED NUMBERS. STARLINK NOW SHIELDS QFS NODES FROM SABOTAGE.

UNDER GESARA, ILLEGITIMATE DEBT WILL BE ERASED. INCOME TAX WILL END. SUPPRESSED TECHNOLOGIES WILL BE RELEASED. CONSTITUTIONAL LAW WILL RETURN. FOR THE FIRST TIME, HUMANITY WILL OWN ITS WEALTH DIRECTLY WITHOUT BANKS, MIDDLEMEN OR PARASITES.

The Globalists are panicking because the world they controlled is disappearing, and the world they feared is finally arriving.

Restored Republic

E. Tues. 9 Dec. 2025 Why the USAID FILES are crucial to take down the deep state global communist cabal and the domestic terrorist groups entire network of operations.

Access to the USAID files will expose the inside of the radical-left global communist cabal, the CLINTON-SOROS, and other left-wing billionaire connections to funding these terrorist groups, NGOs, and other organizations like A-WEB, the Open Society, Arabella, the Tides Foundation, Antifa, and other's subgroups to fund global election fraud cartels rigging and stealing elections around the world to gain power, that U.S. taxpayers are funding.

It's one big operation that has multiple roles and methods of operations to completely influence, infiltrate, control, and rig elections, to takeover countries. These main groups and NGOs breakdown into hundreds of smaller groups to hide the money and operations. This is where the funds are distributed to the foot soldiers on the ground, aka, protests, riots, influence and propaganda campaigns, social media ops, etc.

The USAID files are the key to unlocking the entire inside web of operations to burn the whole house down, including and most importantly, the bad actors in and connected to our government.

USAID literally refused to unlock the files and hand them over to the Trump administration, even after ordered by a court of law, WHY haven't we've been able to decrypt the files anyway?

Tues. 9 Dec. 2025 Senator Ron Johnson: The Covid mRNA Jabs are NOT Vaccines, they are Gene-Altering Therapies designed to Destroy your Body. “It wasn’t real mRNA, it was modified messenger RNA, so it doesn’t degrade, because true mRNA degrades very rapidly. It was put into a lipid nanoparticle which was designed to penetrate different barriers, like the blood-barrier — THEY KNEW it would never stay in the arm. They lied to us. So the body distributes it all over the body...” and GAME OVER. — cancer — death — myocarditis — autoimmune issues. “If you got the shot, you’re in a state of denial. Tues. 9 Dec. 2025 In 2008, CBS actually aired a report by Sharyl Attkisson exposing how top vaccine advocates received substantial funding from pharmaceutical companies— raising serious concerns about conflicts of interest in vaccine safety claims. I. Tues. 9 Dec. 2025 Just days after Prof Francis Boyle agreed to testify against Bill Gates & Albert Bourla over the deadly COVID mRNA shots...he was FOUND DEAD. ...Gitmo TV on Telegram

Boyle authored the US Bioweapons Act & called the mRNA injections 'Bioweapons & Franken-Shots.'

Where does the Pentagon fit into this? Just when you thought you’d heard it all, this resurfaced interview with Prof. Francis Boyle—the man who literally WROTE the 1989 Biological Weapons Anti-Terrorism Act—will leave you speechless.

He states on record that both SARS-CoV-2 and the mRNA injections were DARPA-funded offensive bioweapons programs from the start. Gain-of-function? That was the cover story.

According to Boyle, the real goal was always “lethal yet vaccinate-able” population reduction tech. And yes, he names names: UNC, Wuhan, Fauci, Daszak, Baric...the whole club. He goes further—calls the shots “synthetic biological weapons of mass destruction” because they trigger autoimmune carnage, prion-like misfolding & turbo cancers.

Boyle filed lawsuits, begged Congress & warned the world. Just 20 days after agreeing to testify for the prosecution, he was found dead. The same pattern we’ve seen with dozens of doctors & whistleblowers since 2020. Pure coincidence?

If a man who drafted the actual law defining bioweapons says we just lived through the biggest biowarfare attack in history...why isn't every news channel screaming this from the rooftops?

The most chilling part? Boyle predicted exactly what we're seeing now: myocarditis, strokes, infertility & cancers exploding in the injected. He said the spike protein itself is the weapon & the lipid nanoparticles were engineered to cross the blood-brain barrier. This wasn't a mistake. It was a military-grade kill vector dressed up as "public health."

So here's the question that keeps me up at night: Who gave the order? Who profits the most? And when do the Nuremberg-style trials begin?

J. Tues. 9 Dec. 2025 Charlie Kirk Assassination: This is BIGGER than we could have EVER IMAGINED, with multiple countries involved and even possible weapons TRAFFICKING as well. ...The White House on Telegram

Charlie Kirk also messaged his security detail the night before he died, named "DAN," after he got off the phone with one of his donors and texted Dan telling him that "THEY" were going to kill him TOMORROW.

Why hasn't Dan come forward about this and who is "THEY" exactly? I think we already know the answer to that question.

Candace lays out the ARMS TRAFFICKING connections and how when you have a company as big and connected as Charli, especially in all 50 states and you get approached to "do" certain things and turn it down, the complications and things that come with going against the powers that be.

This connects to multiple countries including the U.S., Israel, France, and Africa and goes back decades, even to the BUSH family.

This really is good vs. evil and some of these people are "playing" both sides.

Do I believe TPUSA is involved with shady characters, countries, and shady illegal activity? Yes.

Charlie was assassinated and nobody there even cares and is acting like nothing they do isn't extremely shady.

This organized crime is nothing new, it just now got exposed in a circle you thought it could never happen in.

Everyone thats trying to be politically correct or is paid off and attacking Candace is a COWARD.

You should be ashamed of yourself for lying to your audience when you know damn well that there are multiple things that make no sense and multiple lies that were already exposed. Grow a pair and start fighting for the truth.

Fraud

K. Tues. 9 Dec. 2025 CNBC: MASSIVE OBAMACARE FRAUD found after GAO investigation.

Investigations show that fake applicants were being approved, how ONE Social Security number had over 125 different policies attached to it, subsidizing over 59,000 dead enrollees, which means insurance companies were STILL getting paid.

You just can't make this stuff up ladies and gentleman.

They also found that over 12 MILLION people did NOT file a claim because they didn't even know that they had insurance because they were automatically enrolled and never notified so, once again, insurance companies can get paid, and YOU, never file a claim, which in return, saves them money.

L. Tues. 9 Dec. 2025 Dr. Oz reveals Democrats under Joe Biden signed hundreds of thousands of people up for \$0 healthcare plans, many didn't even know they were signed up ...EBS on Telegram

Big Pharma cashed in because they got paid for every one of these plans. Democrats literally laundered billions to Big Pharma. "The Government Accountability Office just released a shocking interim report on widespread fraud within Obamacare.

— **They eliminated common sense income verifications**, which are central to making sure people actually qualify for the program.

They also expanded the number of people who got completely free health insurance via what are called zero dollar premium plans, which is a huge problem because if you don't pay pay anything for a plan, you might forget that you have it, or you may be enrolled in it by an unscrupulous insurance broker without your knowledge.

To date, we've received complaints from hundreds of thousands of Americans who didn't know they were enrolled in an Obamacare plan until they got paperwork from the IRS

related to their tax credits. So why was this allowed to happen? Because the past administration prioritized achieving big program enrollment numbers over protecting program integrity”

M. Chemtrail Spottings for Mon. 8 Dec. 2025:

Judy Note: Below are replies to Chemtrail sightings just for one day. If I did this every day I wouldn't have time to post anything else. The bottom line is that chemtrails are a worldwide problem that is attacking our health and food supply, and we better wake up to it before there is a food shortage.

America's Food Supply is under attack and no one will admit it:

Chemtrails in Sharpsburg, NC, south of Rocky Mount, NC

Chemtrails are over southern Ontario from Michigan towards Toronto.

Video of chemtrails taken 2 or 3 days ago in Suffolk, VA.

<https://www.facebook.com/share/v/1D5HjFQEc2/>

Chemtrails all across our sky on both Monday Dec. 8 and Tuesday Dec. 9. This happened shortly after the sun came up. Sky was full of white trails.

Spotted Santa Cruz ca on Sunday 12/7/25

I walk 3 miles every morning and see chem trails several days a week. Some days as many as 5. Mostly over Dallas, some over Mid Cities area. Sometimes over Ft Worth.

Live n Harlingen, Texas and all this week we have been seeing a lot of spraying. I have a friend who is a retired sheriff's investigator whom I red pill'd and is wide awake. He and I communicate each time we see chem. trail spraying. He works out on the highway with a privately owned patrol car directing traffic and he watches the skies like a hawk.

While at a Dr's appointment in York, Pa. my Son and I saw 6 chemtrails in the sky, while parked in lot on Market Street. Please shut these down!

They've been flying a huge amount of chemtrails over Knoxville TN (as they did in Charleston SC, where we left a month ago), especially right before the very popular University of Tennessee football games. We asked people, 'didn't TN outlaw chemtrails?' They said 'yes, but the law has no teeth. And above a certain ceiling, the state government can't prohibit them.'

In the skies above New Hampshire/Ma border daily

Chem trails last seen: Mon. 8 Dec. and Tues. 9 Dec. Many were seen from Westerville Ohio a suburb of Columbus Ohio!

Two weeks straight chemtrails seen polluting the air. I saw 8 different trails, that could not be done with one plane chemtrails are seen over the pacific, rolling inland turning our area gray chemtrails are being watched, moving thru No CA, winds blow the rails in to Oregon west to east. It's time to blow them out of the sky = ENOUGH How much longer are they allowed to pollute everything we eat and drink and breath Babies have never been able to breath one breath of fresh air.

Chemtrail Spraying is Still going on in my area, West, N. West of Perrin, TX. WHY is this Still allowed to happen?! Here is another picture of chemtrails sprayed earlier today that have spread out

Victorville, CA, one long trail from one airplane this morning in the clear blue sky, about 7:45AM, 12/09/2025. And last week, 4 airplanes with long trails of chemtrail, spraying on blue clear sky.

ChemTrails are still occurring over Orland Park and Tinley Park Illinois. Some days are worse than others! Please help us!

North Tucson 12.2.25 unpredicted rain next day 12.3.25

I went outside this morning, (12-9-2025) and saw chem trails in the sky. I live in Lake Havasu City, AZ

I am sending this article as I just came in from moving snow and immediately smelled the sweet smell in the air. The same smell I have smelled in the past after chemtrailing spraying which they were doing late yesterday for the predicted snowfall. I immediately knew it was "Phosgene" and pulled up this article. As indicated below everyone does not smell it??? All I know it is not a good thing so be aware and be safe. I am in Michigan by the way. [Inhalation of Phosgene Gas \(Phosgene Exposure\): Symptoms, Diagnosis and Treatment - Symptoma](#)

Picture of the trails expanding at 9:55 over Monterey, Calif
Chemtrails over Lake Havasu City AZ About 5 aircraft laying streams to block out the sun.

Many, many chem trails over monterey Calif 12/1/25

In Santa Cruz, CA, ongoing, also Boise, Idaho after today

I see chemtrails every day over Bergen county Bergenfield NJ

I've sent hundreds of these to the White House. Every single day. This is May's Landing, New Jersey, but it's everywhere. If you get the iPhone (apple) weather app, it's a true picture of the chemtrails all over the country with the circle around the sun colored with aluminum to destruct our getting any true sun. They don't even talk about chemtrails anymore.

Chemtrails are active daily in Niagara County and Southern Ontario. Activity is daily in the Lewiston, Niagara Falls, Youngstown and in the Niagara Falls, Queenstown, St. Catherines Canada.

Haven't checked recently but in good weather ...they are there all the time...makes me sick just knowing what they are doing. I live in Eden, huge farming community in WNY. I hope something can be done about it.

Chem trails still appearing frequently over Bethlehem, PA... Including today. Many of them!

St Augustine, FL. Have seen streaks for the past week.

Huge chemtrail over Sedona Az right now

Over 10 chem trails criss crossing the skies above Gainesville Florida. This is almost daily. When will someone stop this insanity ?

Crossville tn Almost every day for years. This is this morning!

I have seen since about 1990, daily flights over and around my community, Massena, NY. They are still, to this day, ongoing. I check the skies every day. The planes and the trails are always there. The natural cloud formations I saw as a child are rare. As a walker over the years I've seen much unusual damage to trees. When I walk the shoreline of the St Lawrence River I never see perch, rock bass, or other small fish as I once saw as a youth. There is no question in my mind that these chemicals are damaging the environment in many ways. I would consider the activity here to be severe, high priority, for whatever reason the evil ones have. This must stop!!!

I don't know if this applies to the rest of the world, but Sweden is sprayed with chemtrails almost daily. We have never had as much rain as this summer and now throughout the fall. Normally, we should have winter with snow, but it has been warm and rainy. People walk around coughing because their throats are itchy. When will this come to an end and those responsible be brought to justice?

Hi, thank you for assisting with these chemical trails in our skies! In upstate NY above Binghamton and Colesville NY there have been planes with the smaller trails behind them before this really cold snap began. The skies have been so cloudy for days now that any more spraying of the skies is hidden from sight. God help us get our planet back to even keel! Chemtrails over Corpus Christi and National Seashore

I noticed the sky over Charleston WV full of Chemtrails today . I thought this program was being shut down but Im still seeing them on a daily basis in my area . Some days its just Chem trail streaks other days I see Giant X's in the sky .

Chemtrails over Saratoga Springs Utah again today – as they are almost every day.

O. Tues. 9 Dec. 2025 BOOM TRUMP JUST DECLARED WAR ON BIG TECH'S REPAIR MONOPOLY ...EBS on Telegram

President Trump has announced that the Right to Repair is officially coming for American farmers, ending the decades-long stranglehold companies like John Deere have had over the people who feed the nation. For years farmers bought the tractor, paid the insurance, worked the land, yet were forbidden to repair their own equipment. Trump made it clear. That era ends now.

Farmers across America have been trapped in a digital cage. Locked software, blocked diagnostics, forced dealer repairs, weeks-long delays, and thousands in needless costs. Many said it feels like they do not own their machines at all, as if the corporation still holds the

keys. Trump is tearing that system apart, restoring the basic right to fix what you own without begging permission from a billion-dollar cartel.

This fight goes far beyond tractors. It exposes the larger tech alliance that has been quietly stripping Americans of control over everything they buy. John Deere, Apple, Big Auto, all building profit empires by locking customers out of their own property. Trump is now targeting that system head-on, promising to return power to farmers, workers, and small repair shops that have been shut out for years.

The Right to Repair movement is no longer a fringe idea. It is a national battle over freedom versus digital servitude. Trump's message is simple. If you bought it, you control it. Not the corporation, not the software, not the dealer. And with this announcement, the monopoly era is cracking.

P. Tues. 9 Dec. 2025 THE REAL REASON THEY KILLED SADDAM ...The Punisher on Telegram

The US launched its “shock and awe” attack on Bagdad in 2003 despite worldwide protests against it. Countless undocumented stories of Saddam's atrocities and lies about his WMD's were used as justification.

Follow the money. What was the financial benefit for the illegal invasion? Saddam Hussein decided to sell Iraqi oil using the EU currency, not the US dollar which would have weakened the US dollar and undermined the US economy. That is the unpublicized reason for the brutal elimination of Saddam Hussein. The theft and control of Iraqi oil also played a large role.

Q. Tues. 9 Dec. 2025 THE CARTEL PIPELINE INSIDE THE OBAMA ERA HAS BEEN EXPOSED ...Nesara Gesara Exposed on Telegram

A deeper fracture inside the old bureaucracy has finally surfaced. A senior Obama-era DEA official, Paul Campo, has been indicted for laundering cartel money, coordinating drug shipments, and exploring the transfer of military weapons to CJNG, a terror-designated cartel responsible for fentanyl pipelines and cross-border violence. This was not an outsider slipping through the cracks. Campo spent twenty five years inside the agency's financial operations division, the unit meant to track the very money he allegedly moved. When he retired during Obama's final stretch, he carried with him the expertise that prosecutors say he later weaponized for America's enemies.

The indictment reveals a months-long undercover sting that recorded Campo and partner Robert Sensi discussing multimillion dollar laundering, cryptocurrency conversion, cocaine payments, and access to rifles, explosives, drones, and trafficking logistics. This is not one crooked official. It is the symptom of a culture built during years of political softness, open border neglect, and institutional arrogance that taught insiders they would never face consequences. A terror cartel did not find a random accomplice. It found someone shaped by an era of weak oversight and expanding bureaucratic immunity.

What makes this case explosive is not only the crimes listed, but the trail it threatens to uncover. Prosecutors hold recordings, surveillance, and detailed financial evidence. The pressure to flip is massive. If either man cooperates, the story widens beyond money laundering and into the networks that tolerated it. Washington knows this. Every major corruption case begins with a single indictment that opens doors long kept shut, and this one lands directly inside the intelligence and enforcement structures that once claimed to be untouchable. Campo may not name Obama, but his career was built in a climate that allowed these networks to grow in the shadows.

This case is breaking now because Trump's second term restored enforcement to its original mission. Agencies are being stripped of political insulation and forced back into national security priorities. The badge no longer protects insiders. The old shield has collapsed. Campo's indictment is more than a criminal case. It is the first visible fracture in a system that thought it could outlast accountability. Terror cartels, fentanyl networks, crypto laundering, weapons pipelines, and bureaucratic betrayal all meet at the same point. The structure is cracking under the pressure, and for the first time in years, America is watching the Deep State lose its cover.

S. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at

auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago.

Dear Patriot Friends & Family,

SUCCESS! We filed a Motion for Extension beyond the December 1st deadline to file my appeal of my Trial results to the Supreme Court. I just got word that it was granted.

We believed a two week extension possible, with a 30-day extension a dream, -- so when we got the full 60-day limit Barbara & I were ecstatic! The deadline is now January 30. And we have a case #25A611 too! We're official.

I must attribute this favorable result to your prayers to heaven & to the quality of the appeal we made directly to Justice Neal Gorsuch who supervises the Tenth Circuit court of Appeals (Denver). I believe Gorsuch's office recognized the integrity and sincerity of my cause, and maybe even my intent to win Certiorari and therefore gave the maximum time. (Certiorari is a hearing considering your case before the entire Supreme Court.) Read our Motion for yourself and see if you don't agree? It's very short, but powerful. (see attached)

And so, thanks in part to your faith-filled prayers and some timely new remarkable help from an unexpected source, the door of opportunity to file a powerful & effective brief to SCOTUS has been opened wide. And I intend, with great faith & trust in God, to boldly walk through!

The gratitude I feel in my heart today is beyond words to express. Let me just say Thank You friends!, Hallelujah & praise be to God Almighty!

"O sing unto the Lord a new song: sing unto the Lord, all the earth.

"...He cometh to judge the earth: he shall judge the world with righteousness, and the people with his truth." (Psalm 96:1,13)

"You that love the Lord, hate evil:

he preserveth the souls of his saints;

he delivereth them out of the hand of the wicked." (Psalm 97:10)

Troy Lake, of Cheyenne, Wyoming was a "convicted felon" (along with me), in a cell right across from mine for 6 months. His crime? EPA violations, whose EPA measurement mechanisms were wrong. He had been incarcerated for nearly a year, and had already gone home, and was on an ankle monitor when President Trump granted him a full pardon the other day! This last Saturday Troy came to visit a mutual friend here walking right in the front door with his record completely cleared & expunged as an innocent, exonerated & vindicated man. Not surprisingly, the camp administrator was super, super, super sweet and jovial about the whole thing. Maybe too much so.

Maybe that's me & Barbara some day? Don't be surprised, but we hope not, because then that would unplug our ability to take our case to the Supreme Court and WIN in behalf of us, YOU!, and all Americans.

Believe in MIRACLES! Humbly & Gratefully,

Ken (& Barbara) Cromar
