**Judy Note: At 7:07 am EST on Thurs. 11 Dec. 2025** Trump signed off on the Global Restoration Accord and the final QFS Key Sequence was issued to Military Commands in 27 countries. Sovereign councils were being formed in every territory, backed by gold, enforced by truth, guided by consciousness. The Global Currency Revaluation had ignited the greatest wealth transfer in history.

**Tier 4B notifications have commenced** under the Quantum Financial System's unbreachable shield, with redemption appointments slotted for **December 11 through 13**, ensuring the stewards of humanitarian projects receive their allotments without delay.

**Iraq's dinar has locked in at \$4.17**, while global currencies align in the BRICS ledger, heralding payouts that will start at **midnight tonight Thurs. 11 Dec. 2025 for select tiers**.

**Debt forgiveness sweeps across the world**, extinguishing the \$35 trillion illusion foisted upon nations by the Cabal's greed.

**NESARA/GESARA's decrees activate fully by dawn Fri. 12 Dec**, wiping slates clean for every soul—mortgages dissolved, student burdens lifted, and social security tripled to sustain the widow and orphan as promised in scripture.

**Med Beds roll out in secure facilities nationwide beginning Fri. 12 Dec**, mending the broken and rejuvenating the weary.

**Wealth flows not to hoarders, but to builders of light**, with 800 numbers dialing blessings that turn scarcity into abundance overnight.

**The Alliance confirms first-week exchanges at 1955-equivalent pricing**, a return to equity where every family thrives. The hour is upon us; receive it with open hearts.

**Emergency Broadcast System sirens will soon pierce the silence**, heralding the Storm—a unified operation by the White Hats to dismantle the Cabal's iron grip.

**EBS activation was imminent—within the next 48 hours**—delivering eight hours of truth per cycle, three times daily, until the swamp was drained and the Republic, restored.

**Military tribunals have accelerated. In the dead of night** indictments were unsealed against over 200 Deep State Operatives, their arrests commencing at dawn across D.C., London, and Vatican corridors.

**The Ten Days of Darkness** would soon descend, a biblical shroud where communications black out, preparing for revelations bound to shake the Cabal.

**This was not a drill;** it was the fulfillment of prophecies. The Storm rages not with chaos, but with celestial order, rescuing vulnerable and binding evil. Open your eyes, stand vigilant and trust in the Almighty's plan unfolding before us.

**Official Reports confirmed that just hours ago,** over 500 children were liberated from underground facilities in California and Texas. Their cries for freedom, answered by Alliance forces storming the gates of hellish dens run by the CIA and elite predators.

**Epstein's legacy of horror ended on Thurs. 11 2025,** with Zorro Ranch razed and its records exposing the Adrenochrome trade that has stolen so many souls. Eight million little ones who vanished yearly was no more.

#### **A. Thurs. 11 Dec. 2025 Bruce's Big Call, Notes by Ginger Doucet**

**There is a new set of bondholders** who came in at the last minute, received travel funds to go to Reno; that started today at 11:00 Pacific. These are people who traveled commercially, not privately. They are working on these now and we have heard it's busy. Bruce thinks it's a smaller group and they have been pre-vetted. Will they finish up in the next day or so? They could.

**Re Reno, Tier 4A, the Admirals' Groups,** Wells Fargo doesn't see the difference between 4A and 4B. Today, Bruce heard from an Uber Paymaster that they will begin paying out the Admirals' groups tomorrow Fri. 12 Dec, money in their accounts and then they will be notified when they can receive access to it, which may be in a day or two. Bruce was very encouraged to hear this.

**The last-minute Tier 3 bondholders were supposed to get emails today** and now Bruce is hearing they will receive them Friday or Saturday.

**Bruce is hearing we will receive our notifications over the weekend.** It could also be Friday. The latest information from a top source is "a weekend launch" for us.

**Admirals' groups** get access to their funds possibly on the weekend. Theoretically, we could exchange **Saturday afternoon or Sunday.**

**The DOGE payments and Tariff Dividends should come out after January 2 or 3.**  
Look for an announcement Jan 1 to 3.

**NESARA** should be part of that, with the new US currency.

**We could get a discussion** of no more income taxes. NESARA has a provision for a consumption tax of about 15% on new goods.

**DOGE also in the new year**, about the 3rd to the 5th, which should go directly into bank accounts.

**The R&R money** should be in our accounts when we go for our appointments.

## **B. Timing**

**As the Emergency Broadcast System (EBS) alert is unleashed,** military forces worldwide are mobilizing. The Earth Alliance—comprised of white hat military forces from various nations—has been coordinating this operation for years. In the United States, patriot militias and other groups have already been activated and stand ready to confront Deep State operatives who dare to disrupt the plan.

**The military will uphold order, but don’t be deceived**—the elites will fight back. Expect false flags designed to sow chaos and confusion. The globalists know their time is over, and they will stop at nothing to thwart the Alliance. But their desperate attempts will fail.

**In this pivotal moment, Martial Law is almost inevitable.** Military tribunals will be broadcast through the EBS, and the world will witness the downfall of corrupt politicians, bankers, and corporate elites who have enslaved humanity for generations. You will see arrests, shocking confessions, and the complete dismantling of the globalist networks that have oppressed us.

**The Deep State’s financial empire will crumble.** The Quantum Financial System (QFS) is set to officially take over, ushering in the greatest transfer of wealth in human history. The

elite-controlled banks, stock markets, and fiat currencies will be obliterated and replaced with a fair, transparent financial system designed to serve the people, not the oppressors.

**Prepare yourselves**—this is the storm you’ve been waiting for. Nothing can stop what is coming.

Public reporting, not to mention early indications from federal inquiries, suggests that we have a “Somalia First Operation” here as well. It appears to be Democrat-funded, with groups registering voters while literally

skimming hundreds of thousands, maybe millions off our MaineCare system. As you may know, MaineCare is our version of Medicaid. This is a complete outrage because they are taking monies from taxpayers in the state of Maine and using them to place Somali operators. #### **Corrupt Legal System**

**I. Thurs. 11 Nov. 2025 NATIONAL EMERGENCY INSIDE THE COURTS. A JUDGE MOVES TO BLOCK TRUMP'S SECURITY DEPLOYMENT AS MILITARY UNITS DISRUPT CRIMINAL NETWORKS IN MAJOR CITIES**

**A major clash between federal authority and the courts has erupted.** A federal judge has moved to restrict President Trump's expanded National Guard deployment in Los Angeles - just as those units reportedly began making significant breakthroughs against deeply embedded criminal networks.

**Supporters of Trump's operation say the timing is no coincidence.** Since early 2025, federal teams have been uncovering hidden routes, illicit cash flows, and organized groups using political unrest as cover. What began as crowd control evolved into a broad security sweep exposing infrastructure and funding channels far beyond ordinary street activity.

**The judge's ruling argues Trump didn't meet the legal threshold for prolonged military involvement.** But Trump's team insists the threat level was far greater than the public understood, pointing to encrypted communications, foreign-linked logistics, and criminal networks that flourished in zones where local enforcement was overwhelmed or unwilling to intervene.

**Tensions with state officials have been rising for months.** Some governors and city leaders pushed back against federal intervention, while Trump's administration argued that

certain urban centers had allowed instability to take root and were obstructing federal investigations.

**The ruling pauses the deployment until the Department of Justice files its appeal.**

But the deeper message is clear: America's legal system is becoming the battleground for control over national security strategy.

**Trump officials maintain the deployments** were lawful and necessary to protect federal assets and civilians. Analysts warn that America's largest cities are now testing grounds for emerging governance models, digital infrastructure, and new security frameworks and that each legal battle will shape what comes next.

**The courts can delay operations,** but they cannot stop the larger struggle unfolding between rising instability and the push for decisive federal action.

**Los Angeles is only the opening front.** The broader contest over sovereignty, security, and who steers America's future has already begun.

## **J. Med Beds Technology on Telegram**

**INSIDE THE QUANTUM CORE — POV EXPERIENCE** You lie down inside the **Med Bed**... and instantly the world shifts. The chamber seals. Light bends. And you're pulled straight into the Quantum Core. **Holographic symbols** rise over your body, mapping every nerve, every cell, every fracture in your energy field. Nanolight filaments sweep through you like a silent storm — scanning, decoding, revealing what ordinary medicine could never see. **You watch your own organs appear as glowing holograms.** You see the system syncing with your heartbeat. You feel the chamber reading your body like a quantum blueprint. **Then a vertical beam drops through your entire field** — restructuring, recalibrating, rebuilding. For a moment, it feels like you're witnessing your own healing... in first person. **This is the Med Bed from the inside.** This is how the future looks — when you see it through your own eyes.

**BEFORE & AFTER A QUANTUM CELL REBOOT** Before the reboot, you're looking at a human shell — a body pretending it's fine while every cell is quietly shutting down. The frequency scan exposes everything: the fatigue you hide, the inflammation you ignore, the cellular chaos you don't even feel anymore. Then the Quantum Cell Reboot hits. The Med Bed erases the scrambled signals, reboots the cellular network, and forces each cell to reconnect to its original frequency — the one you had before damage, stress, aging, and trauma rewrote you. And the result? Two versions of the same person that should never look this different: **BEFORE:** fragmented, dim, collapsing from the inside. **AFTER:** coherent, electrically charged, operating at a frequency that doesn't belong to the old you anymore. This is replacement — the upgraded

version of your own biology. One moment separates who you were... from who you were supposed to be.

**About the D \_ MN \_D income tax:** I have been hearing this since almost the start of your Restored Republic broadcasts that it will be abolished and gone, BS. My wife and I fought these lying B \_ S \_ A \_ D \_ for almost 15 years. They garnished my checks from work from \$2,000 every 2 weeks to \$335 every 2 weeks for 2 years. The banks and the states work with them all the time, as well as the Senators and Congressmen/women. Senator Durbin has been one of the most horrific senators for income tax enforcement, has anyone checked him for Treason, look at all the organizations he has been a member of for HOW LONG?, who represent the RICH GLOBALISTS for years.

**I spent a fortune of my savings, which was silver and gold mostly,** to help get some of our local people elected into office in our little town of South Roxana. I was notified by regular mail that I had been elected, nothing was published in the local news about the results of the election. Our Police Chief and the elected board have turned this into a NAZI organization of B \_ T T kissers and rats on South Roxana page of Facebook, it feels like the 20's and 30's mobsters all over. Illinois and our wonderful governor, !@#% ^&\* (+), J.B. Pritzker, all the Democratixc machine, do everything they can to destroy the state and its people.  
Thank you for listening. Sincerely, Ward S. Wood

**M. Thurs. 11 Dec. 2025 A Fictional Bombshell Report: HAARP NETWORKS AND SECRET MILITARY BASES REVEALED IN A SNOWDEN-STYLE LEAK ...Anon**

**A newly surfaced speculative intelligence brief imagines a world where whistleblower Edward Snowden uncovers hidden HAARP facilities** and covert military installations operating far beyond public oversight. In this high-intensity scenario, HAARP is no

longer a harmless research station - but a powerful atmospheric technology capable of large-scale influence, communications disruption, and psychological operations.

**According to the fictional documents, the Alaskan HAARP site in Gakona** is the center of a global network stretching into Sweden, Russia, and other remote regions. These facilities form a classified grid of advanced ionospheric systems with the potential to impact environments, interfere with hostile communications, and shape conflict zones in ways the public has never been told.

**A former insider - in this imagined universe,** claims the technology was designed not for peaceful research, but for covert strategic use. Meanwhile, the fictionalized Snowden reinforces his living quarters with a Faraday-style shield, symbolizing the danger of confronting powerful, hidden programs.

**The report goes further, linking HAARP-like installations,** cell towers, and early-warning surveillance systems into a single global architecture, suggesting a future where atmospheric and electronic warfare merge into one invisible battlefield.

**This is not a factual account. It is a techno-thriller scenario,** a fictional exposé, crafted to explore how secrecy, power, and emerging technologies might collide in an alternate world.

## **N. Thurs. 11 Dec. 2025 NESARA GESARA QFS Benefits**

**The world is standing at the edge of an economic shift** unlike anything humanity has ever seen. For generations we lived under a financial order built on engineered debt, silent extraction, and psychological control. But that architecture is collapsing. NESARA and GESARA, once mocked as myth, are now emerging into public view as the final pieces of a global transition. Quietly advanced under President Trump and recognized by 209 sovereign nations, these acts mark the end of the corrupt central-bank system and the rise of a just and transparent world.

**At the center of this transition stands the Quantum Financial System.** QFS is not a software upgrade. It is a total replacement of the banking matrix: satellite-secured, incorruptible, and immune to manipulation. Fiat currency and fractional-reserve lending are finished. The vanishing banks, the disappearing ATMs, the silent shifts inside global payment rails are not coincidences. They are controlled dismantling procedures as the reset unfolds.

**QFS reaches far beyond money.** Voting integrity, education records, legal archives, identity management, taxation, and welfare systems will all move into a transparent quantum ledger. The era of forged data, rigged elections, and hidden laws is ending. For the first time in modern history, power shifts back to individuals, not institutions.

**And with this shift comes restitution.** Citizens over 21 will receive structured monthly payments that restore what was taken from them under the old system. These funds are not charity. They are repayment for decades of unlawful financial harvesting through birth certificates, bond trading, and trust instruments tied to churches, courts, and the obsolete City of London network. For years, Baptism, Marriage, and civil documents were quietly monetized behind the scenes. That mechanism is gone. The old trinity of control, centered in the Vatican, Buckingham Palace, and Washington, has already fractured. The Queen is gone. The Vatican's influence is fading. And the former puppet government in D.C. no longer controls the levers it once held.

**NESARA and GESARA also deliver justice on a national scale.** Illegally collected income taxes will be refunded with interest. Mortgages, credit cards, and compounding loan structures created through fraudulent banking practices will be forgiven, and interest charges returned. Social Security payments will rise dramatically, lifting the elderly and disabled out of manufactured scarcity. The IRS system of extraction ends and is replaced with a transparent, consumption-based structure that cannot be weaponized.

**This is not political theater.** It is the destruction of a parasitic architecture that has fed on humanity for over a century. The stolen wealth of nations, hidden in off-ledger repositories, satellite accounts, and secret vaults, is being reclaimed and reassigned to the people. Gold- and silver-backed currencies will replace fiat notes. Quantum encryption will protect every transaction. Inflation, manipulation, and engineered poverty will not survive inside this system.

**You are not witnessing speculation.** You are living inside the transition. The collapse of the old world is accelerating, and the rise of the new is unfolding in real time. Those who understand the signs already feel the shift. Those who doubt will soon see undeniable proof.

**Your worth is being restored.** Your rights are being reinstated. Your future is being rebuilt on foundations of transparency and abundance.

**P. THE FORBIDDEN HISTORY OF THE KHAZARIAN MAFIA and the City of London = Banking Capitol of World, Short Version: The Khazarian Mafia, City of London and Child Sacrifice:...** Professor Ellis Washington

**The Jewish nationalist movement of Zionism originated in eastern and central Europe in the latter part of the 19th century** was in reality organized by the Globalist Cartel and Khazarian Mafia. Zionism had as its goal the creation and support of a Jewish national state in Palestine. In reality the Globalist Cartel formed the Zionist movement in Israel in order to create continual wars and take over the Israeli people. They falsely convinced the Jewish people that they had a right to claim Israel for themselves.

**About 1,200 AD an incredibly evil society emerged in Khazaria.** The Khazarian Mafia king and his inner circle of oligarchs practiced ancient Babylonian black-magic Baal Worship. In return their God Satan was said to promise them power over the world and all its riches.

**(Judy Note: Members of the Khazarian Mafia were said to kidnap children and practice Child Sacrifice rites** in homage to Satan. They were said to be descendants of the ancient Pagan Quentis Tribe. According to First Century historian Flavious Josephus, the Quentis Tribe claimed to be the descendants of Cain and wore the Mark of Cain. The Mark of Cain was said to be an equal sided Red Cross tattooed on their forehead or back of the hand as a symbol that they could not be held responsible for their crimes.)

**This Secret Satanism was based on torturing and raping children** (the younger and more innocent, the better), drinking their Adrenochromed blood and then sacrificing them in honor of their God Lucifer.

**The leaders of the surrounding nations**, especially Russia, were disturbed by Khazarian crimes against their people, which included kidnapping of their young children and infants for their blood sacrifice ceremonies.

**By 800 AD the Russians** led a group of nations surrounding Khazaria, invaded and conquered it. They then delivered an ultimatum to the Khazarian king that he must choose one of the three Abrahamic religions for his people: Islam, Christianity, or Judaism.

**The Khazarian king chose Judaism**, but only pretended to practice it while continuing to sacrifice children to Satan so the Khazarian Mafia could rule the World.

**The Khazarian Mafia then invaded England**, murdered King Charles 1 and began the English Civil Wars. The wars raged for nearly a decade and resulted in launching the British Empire and setting up the City of London as the banking capital of Europe.

**By 1913 the Globalist Cartel run by the Rothschilds and Khazarian Mafia** (who posed as following the Jewish faith, but in reality worshipped Satan) owned the Federal Reserve, IRS and Central Banking system.

**Thurs. 11 Dec. 2025** Mike Huckabee commands a hand-picked group of 1,000 Christian Zionist pastors in Israel to prepare for an information war in America focused on spreading the “truth about Israel.”

**Judy Note:** That truth includes the fact that the Globalist Cartel run by the Rothschilds and Khazarian Mafia are not of the true Jewish religion, but do child sacrifice in their worship of Satan.

**R. Thurs. 11 Dec. 2025 The U.S. State Department and its 50 years of shadowy ties to GEORGE SOROS.** ...We The People on Telegram

**George Soros's Open Society Foundations** orchestrated a covert operation in Mongolia, partnering with the US State Department to sabotage a mining deal.

**Using WikiLeaks cables**, Mike Benz reveals OSF funded "civil society" groups and protests to pressure the Mongolian government into renegotiating terms—ultimately benefiting mining giant Rio Tinto, where Soros's hedge fund held massive stakes.

**This wasn't philanthropy;** it was a hedge fund play disguised as NGO activism, stripping Mongolia of fair profits while enriching Soros.

**But this Mongolian scheme** is just one thread in OSF's global web. In the United States, critics argue OSF's activities go far beyond "promoting democracy"—they're systematically undermining American sovereignty, rule of law, and cultural cohesion through billions in funding to progressive causes.

**This is the breakdown of how OSF** is accused of "destroying" the U.S., based on documented patterns.

**Weaponizing the Justice System via "Progressive" Prosecutors,** OSF has poured over \$140 million into electing district attorneys who prioritize "criminal justice reform" over enforcement.

**These Soros-backed DAs,** like those in major cities, often decline to prosecute crimes, leading to spikes in urban chaos, repeat offenders, and eroded public safety. This isn't reform—it's intentional destabilization, creating a two-tiered justice system that weakens law and order while advancing a radical agenda.

**Fueling Mass Migration and Open Borders,** OSF funds NGOs that advocate for unchecked immigration, sanctuary cities, and the dismantling of border enforcement.

**This includes groups pushing for policies** that overwhelm social services, alter demographics, and strain resources—critics call it a "Great Replacement" strategy to shift electoral power and erode national identity.

**By partnering with entities like the Tides Foundation,** OSF creates "astroturf" movements that make illegal migration seem like a humanitarian imperative, all while bypassing voter will.

**Controlling Narratives Through Media and "Fact-Checkers,"** with investments in journalism training and outlets, OSF shapes public discourse to vilify nationalism and promote globalism.

**This includes funding "watchdog" groups** that censor dissent and amplify progressive ideologies, turning media into a tool for social engineering.

**In the U.S., this manifests as biased coverage** on issues like crime, borders, and elections, eroding trust in institutions and polarizing society.

**Subverting Elections and Institutions,** OSF's opaque, offshore funding structures channel money into voter mobilization, legal challenges, and activist networks that challenge election integrity and push for systemic changes.

**This mirrors the Mongolian playbook, using "civil society"** as a front to influence outcomes for elite gain. In America, it's accused of fostering division through identity politics, DEI initiatives, and cultural subversion, aiming for a "color revolution" that replaces constitutional governance with technocratic control.

**Partnering with Government for Insider Influence,** just like in Mongolia with the State Department, OSF collaborates with U.S. agencies and officials to advance its goals.

**This includes embedding allies in policy roles,** funding "democracy promotion" that aligns with globalist interests, and using taxpayer dollars via grants to NGOs—turning philanthropy into a profit-driven political machine.

**Under Hillary, the U.S. approved** record arms deals to those same governments — over \$80 billion to Saudi Arabia alone — while total U.S. arms exports doubled.

**Her leaked email to John Podesta** even states that Qatar and Saudi Arabia were providing clandestine support to ISIL and other radical Sunni groups. Later investigations showed U.S.-supplied weapons ended up in ISIS hands across Syria and Iraq.

**The donations, the arms deals, and the rise of ISIS** all happened simultaneously — involving the same players. The documents are public. Read them and decide for yourself
