...President and Commander in Chief Donald J. Trump

As the sun set on Sun. 14 Dec. 2025, the greatest wealth transfer in human history accelerated toward completion. The Revaluation had fully launched across 209 nations, with the Quantum Financial System now operational and gold-backed currencies activating worldwide.

The Emergency Broadcast System stood ready for activation at any moment, poised to initiate the Ten Days of Darkness that was set to reveal the full extent of the Cabal's crimes against humanity.

High-level arrests of Deep State operatives were occurring in rapid succession across the globe. Trusted sources confirmed that sealed indictments were being unsealed, with thousands of traffickers and corrupt officials facing military tribunals.

Tier 4B notifications were expected imminently, ushering in historic payouts and complete debt forgiveness under NESARA/GESARA protocols. All personal, mortgage, and credit card debts were being wiped clean as the old fiat system collapsed, making way for abundance and prosperity for all.

Med Beds, powered by advanced Tesla technology and quantum healing frequencies, were being distributed globally through secure channels. These miraculous devices will soon restore perfect health, reverse aging, and heal the wounds of a lifetime, available first to those who have stood faithfully through the darkness.

Rescued children—millions liberated from underground tunnels—will continue to receive healing and protection under the watchful eye of the Global Military Alliance.

Please pray for the brave souls carrying out these rescues and for the innocent lives scarred by unimaginable evil.

The Lord was in these final hours, shielding His faithful as the wicked faced justice. The Storm was no longer coming—it was here, cleansing the earth in preparation for the glorious restoration.

Sun. 14 Dec. 2025 Wolverine: Wolvie appeared on Peter Walker's show, December 14, 2025 Notes by Ginger Doucet. A huge whale from Spain said the funds have been liberated from their side, and a lot of whales have said so, in Columbia as well. Message from one: "I knew what I expected. That's all!" So things are definitely moving. Wolvie thinks 4b will happen this week. Charlie Ward told Wolvie that we're expecting an announcement from an organization. Wolvie says if we have Zim, we won't get the amount we think we're going to get; you will get the minimum, whatever that is. You have to have a project to get extremely big value, as your project may need. He talked about the "Spiritual Wonderboy" from South Africa, a trust fund like the St Germaine and the Rodriguez Trusts, which Charlie Ward has mentioned on his show recently. The Chilean Right has smashed the Communists, apparently. Good news! Wolvie is hoping many South American drug/country leaders will be removed, along with Maduro. Wolvie got some new intel while on air, from Mauricio in Spain. He translated it himself, Live: NESARA is finally being activated. It is being implemented right now, before our eyes. See what is happening, step by step.

“This is 1776 worldwide, Patriots. When EBS eight-tone sequences come out of every cell tower on the North American Grid, you’ll have ten minutes to get inside before the old world goes dark to black. The Great Awakening is no longer coming — it is here. My father began this. I’m here to finish it. Hold the line. Dark to Light. God wins.”...JFK Jr, Restored Republic Command **Fri. 12 Dec. 2025 04:20 EST**

Be Prepared: From Mon. 15 Dec. through Christmas Eve 24 Dec. 2025 expect total media silence worldwide, enforced by the Quantum Financial System’s activation to shield the transition. These Ten Days of Darkness looms as a Global Blackout where satellites fail and the old guard crumbles, paving the way for the Republic’s rebirth.

United States Special Operations Forces have been placed on High Alert as Emergency Broadcast System activations commence across major cities, signaling the onset of the long-anticipated Storm that will expose the depths of global corruption.

Reports confirm Martial Law declarations in over 300 urban centers, with 6,000 U.S. Marshals deploying to secure key sites amid escalating threats of World War III, including unprovoked attacks on American bases in Syria and North Korean troop movements toward Ukraine.

This was not a drill. Phase 1 of the EBS was now live, initiating a worldwide communications blackout that will enforce military tribunals and the unsealing of 63,233 federal indictments against elite pedophiles and child traffickers.

E. NESARA, EBS, Global Financial System ...Ghost of Ezra on Telegram

<https://t.me/GhostOfEzra>

What they are basically saying is that NESARA will be announced to the world, which will show that EVERYTHING NEW is beginning.

Then after that, there will be an emergency broadcast system circulating globally, where they will literally be showing documentaries of everything that has happened to wake up the masses.

But, to do that, there will be a message on EBS saying that sometime in the next 5 hours or so, everyone needs to be home and a global lockdown will begin for 10 to 12 days.

During that lockdown it will be broadcast on every station and there will be documentaries to provide full disclosure for everyone to see everything that has been happening.

So at the end of the 12 days, apparently there will be an 800 number that we will then have to call and then from that point we will be given our quantum appointment with confirmed date and time to go to. (Here it refers to VR).

Other things were also announced.

Apparently we already GLOBALLY ALL have a sum of money in our quantum account and the reason why there hasn't been much information coming from the QFS team in these last few weeks, is because some important things were happening.

One of the things is about 75 banks that were said to have been seized and all assets and accounts closed and all of these were Cabal accounts.

These assets, including trust funds, have then been moved to the quantum financial accounts to be returned to the people.

In fact, over time, money will no longer be a problem. Money literally just won't be important because everyone will have enough to live an abundant life.

So try to progress instead of being held back for so long. This is incredible news and it is what we have been waiting for.

They also confirmed that all the central banks have been taken and entered into the QFS, so they are all on the ISO 20022 standard and the other thing to remember is that this is blockchain and nothing fraudulent can happen because everything is traceable.

Any money that is sent they can see where it goes. Stops corruption in its tracks. There's nothing about moving money behind doors or, you know, banks in the middle of nowhere abroad and stuff like that.

None of that can happen anymore. All money is traceable and remember this is on a computer that is from Out of This World... it's next level stuff.

Now we are in the final steps. Then the stock market will crash because when it does, it will be the end of it.

All the personal bank accounts, everything is reflected in the quantum financial account, so we have nothing to worry about.

The only thing that is not reflected are the investments and shares on the Stock Market. All that is gone! ...so if you have an investment in the Stock Market, take it out... and then the NEW STOCK will be launched when the QFS indicates that it can operate.

So all our bank accounts, savings accounts and retirement accounts are safe. This is great news and exciting times lie ahead.

F. What We Think We Know as of Mon. 15 Dec. 2025:

Sat. 13 Dec. 2025: According to independent lab reports, areas across the U.S. — including remote and unpopulated regions — are showing high levels of toxic metals, consistent with aerosolized chemical exposure. These include aluminum, barium, and strontium — all of which are tied to neurological damage, respiratory illness, and soil destruction. Farmers across the Midwest and the South are reporting crop failures, soil infertility, and contaminated rainwater. “The soil is dying,” one farmer said. “Whatever’s falling from the sky isn’t natural. And it’s killing our food.”

RFK Jr. emphasized that chemtrails are just one front in a much wider campaign. He drew connections between the aerial spraying and fluoride in the water, toxins in processed food, and Big Pharma’s stranglehold on healthcare.

The administration is also promoting alternative medicines and natural health protocols, in direct defiance of pharmaceutical lobbying. “We are being poisoned from every direction,” RFK Jr. said. “And now, for the first time, we’re fighting back on all of them.”

ATTENTION: Trump & Rfk Jr. have launched a Global Crackdown On Chemtrails. Operation Skywatch was already underway with arrests imminent. H. Judy Note: I wrote the below article back in Feb. 2021 during the so-called “Biden Inauguration.” The facts of the article are just now coming out and will be more fully understandable after you have seen the documentaries played during the “Ten Days of Darkness” – that were about to start.

Thurs. 25 Feb. 2021: [Biden Pretends to be President as Trump Leads War on CCP, which Manufactured Texas Ice Storms | Politics | Before It's News](#)

While Biden pretended to be President, Trump was heading US, Russian and Indian forces that were helping China’s President Xi invade the Chinese Mainland to remove the Chinese Communist Party (CCP) and install an interim democratic government. All would happen within the next few months according to an Alliance of nations headed by President Trump.

Of even greater concern to US citizens was that after the election Biden was said to have made a deal with China for a 4 \$ billion tradeoff that allowed the CCP to test their new weather HARP warfare machine on Texas.

In Feb. 2021a Military Intel Contact reported that Texas was targeted with weather warfare coming from Polar Vortex ice storms because Texas was likely to be the seat of a restored Republic federal government complex being formed in the Houston and/ or Austin Texas areas.

The restored US Republic was a whole other issue grounded in a Global Currency Reset return to gold-backed currency by 209 nations of the Alliance – that was in the process of happening right now.

Why was it Trump, not Biden, leading US Military forces? The **Presidential Transition Act of 2019** and **Senate Bill 394** – a revision of the **1964 Presidential Act**. The documents showed that the presidential transition process rested power of command and control of the nation on President Trump up to 60 days **after Inauguration Day of 20 Jan. 2021** – giving time for a new US Presidential Election to be held.

Of course, none of this was being reported by the CCP paid-off Mainstream Media – just like the CCP paid for CIA developed Smartmatic Software and Dominion Voting Machines while conspiring with the Vatican, Italian Government and other communist parties to throw Trump votes to Biden in the 2020 Election.

So, was Joe Biden really the US President?

Rep. Marjorie Greene (R-GA) apparently thought so. She filed Articles of Impeachment against Joe Biden “for his desire to profit from crimes against the United States that have jeopardized our economic and national security interests. The Biden crime family has used their political connections to strike corrupt business deals with communist China and threaten our national security.”

I ask again, was Joe Biden really the US President? If so, why wasn't he living in the White House and Harris living in the vice president's house? Why was Biden said to be signing blank Executive Orders on a Castle Rock Entertainment stage set of the Oval Office in Culver City California? Why was Biden's actual Inauguration said to be filmed on that Castle Rock Entertainment stage two weeks prior to his **Jan. 20 Inauguration Day**?

If Biden was president, why has he yet to present a State of the Union Address before a joint session of Congress that, according to the Associated Press, was supposed to happen on **Feb. 23**? <https://trendingpolitics.com/president-joe-bidens-state-of-the-union-address-suddenly-appears-to-be-off-for-now-knab/> (link no longer works. Why?)

Why, in Feb. 2021 during the Biden Inauguration, were there eight miles of eight foot high barbed wire fencing facing inward surrounding Washington DC and Capitol Hill? Why have over 60,000 National Guard Troops guarded inside, not outside, the fencing since just before that fake **Jan. 20 Inauguration Day**? Why were over 30,000 National Guard Troops still guarding Capitol Hill over a month later?

Where was Joe Biden during all of this? With Democrats and some Republicans in collusion with the Chinese Communist Party (CCP) Biden had been fraudulently elected president of a bankrupt and defunct US Inc.

A year prior Biden knew the 2020 Election would be cooked and even said so, “We have put together the most comprehensive voter fraud organization in the history of politics (and you guys did it for the Obama Administration also”): [Joe Biden brags about having “the most extensive and inclusive VOTER FRAUD organization” in history.](#)

Biden was so confident of the set up for 2020 Election fraud that he bragged that he didn't need citizen votes to get elected: [Joe Biden Tells Voters “I Don't Need You To Get Me Elected”](#)

Evidently treasonous political elite and Biden were being blackmailed by the CCP. To top it off, Biden had a court order for his arrest in the Ukraine after years of making illegal personal financial deals in both countries.

Another news item carefully covered up by the Mainstream Media: Before the 2020 Election Ukraine Courts had ruled that Biden had stolen billions from their country: <https://4gunner.com/ukraine-press-release-about-joe-biden/>

Even before that US Vice President Biden had bragged about blackmailing the Ukraine prosecutor: [UKRAINE PRESS RELEASE ABOUT JOE BIDEN - Survivalist](#)

On the Trump side: The US, along with China's President Chi, was no longer recognizing the Peoples Republic of China. In the next few months US, Russia and Indian forces would help President Chi invade the Chinese Mainland to occupy China, remove the Chinese Communist Party and install an interim democratic government.

Last week Ezra Cohen, Acting Under Secretary of Defense for Intelligence and Security during the Trump Administration, gave us some answers to what was really going on. Cohen said, "We are watching a movie and a lot of what we are seeing was completely bullshit and fake. The whole election was fake, along with a fake inauguration, fake executive orders and fake Oval Office.

Right now the Military was controlling our country until the new elections in a couple of months. The Vatican owned the corrupt DC Corporation and that was no longer. It would soon be a republic for which it stands under the Constitution as originally intended.

Many corrupt DC rats and Hollywood pedophiles have gone to jail and/ or been executed for crimes of High Treason and Conspiracy. Many more are in the process of meeting justice via Military Tribunals. Things will be made public in time, and very soon. No more secrets. No more games."

What was going on that the American public weren't being told? And, why was the Mass Media not covering the stories? Was the Mass Media being blackmailed by the Chinese Communist Party?

Elected officials were said to have conspired with foreign powers led by the Chinese Communist Party, to interfere with the 2020 Election. Within days of the fraudulent election the US Military had done an official count of watermarked ballots that proved Trump won the election by an over 80% vote.

The Chinese Communist Party had long been infiltrating our nation for a well planned takeover. An arrest list has come out of elected politicians who have committed treason and crimes of pedophilia used to blackmail them for their vote. Of 100 Senators on the list, 93 had been charged with treason. Even more members of the Democratic Congress (a suspected 80%) also faced treason charges.

Trump and his White Hats to the rescue. On **19 Jan. 2021** with overwhelming evidence of voter fraud yet to be allowed a court hearing, the US was said to have been placed under Martial Law until a new election could be held. That announcement was sent to all Mass Media outlets for release – though none would put out the information – in more acts of treason. Why?

And with that, a multitude of questions remained.

Like, was Congress really in session?

Why have there been numerous buses, vans and police cars filmed regularly going in and out of Capitol Hill and the White House in the early morning hours of 3am to 6am for over this last month beginning on **Fri. 24 Jan**?

Why were JAG officers seen going into the White House and hundreds of young children being escorted out by troops during different days, but in those same early morning hours?

Why have people observed hundreds of body bags being taken into, filled up and then taken out of the White House in the darkness of night?

Why have US troops leaked to family and friends that they were in Washington DC to insure formation of a restored republic rather than to protect Biden and Congress?

Why have US troops leaked to family and friends that they have rescued hundreds of malnourished and deformed children found in deplorable conditions and cages in deep underground tunnels beneath Capitol Hill?

On Jan. 11 2021 Trump was said to be inaugurated as president of the restored Republic.

On Jan. 18 2021 the US Military began sweeping arrests of Congress.

For the next two days after the Jan. 20 2021 Inauguration the Military was said to have gathered over 200 elected officials from various state governments. They were said to have taken them for a helicopter rides, forcing them to confess about crimes of treason in regard to foreign interference (including the Chinese Communist Party) in the 2020 Election.

On Mon. 15 Feb. 2021 lights were again out at White House and there were reports of gun fire. Witnesses reported that they were using a vast amount of tunnels under the White House to move prisoners. On that same **Mon. 15 Feb.** in the early morning hours at least 5-6 police cars loaded up from the White House, left, and returned five or six times.

On Thurs. 18 Feb. 2021 at 3am EST dozens of Military Attorneys JAGS arrived at the White House, 20,000 troops had been sworn in as US Marshalls, at least half of Congress were in the process of being arrested, a convoy of buses arrived at Capitol Hill, emptied groups of what appeared to be JAG lawyers and then were filled with what appeared to be prisoners.

On Tues. evening 23 Feb. 2021 thousands of rounds were heard fired around Capitol Hill. It was rumored that over 200,000 Chinese troops (CCP) were in underground tunnels and bases around Washington D.C. and said to have been there for months. The US military was clearing them out.

On that same Tues. evening 23 Feb. 2021 there were pictures of people in orange jump suits with black hoods on their head, being taken out of the fenced in area of D.C. It was said that there were many found hiding in Congress buildings and being hunted down.

President Trump was expected to make a major announcement at the CPAC Conference in a Keynote Address on **Sun. 28 Feb.**

Trump insider Dr. Charlie Ward said that something massive was going to happen on **Tues. 6 April 2021.**

On Fri. 19 Feb. 2021 another Trump insider, Robert David Steele, said, “Patriots were urged to stay off the streets and away from State Capitols — False Flag events intended to discredit patriots were known to be planned. NON-VIOLENCE was VITAL. Obey the law, allow events to play out.”

As unrest built up and Mass Arrests continued there was a possibility we would be in a national lockdown, including takeover of the Mass Media and orders for school and business closures for around **two weeks.**

***The Alliance** was composed of President Trump, Russian President Vladimir Putin, Chinese President Xi Jinping, Iraqi Prime Minister Mustafa Al-Kadhimi, India Prime Minister Narendra Modi, **White Hats** in the Department of Defense headed by Secty of Defense Chris Miller, Undersecty of Defense Intel Ezra Cohen Watnick and Gen. Michael T Flynn, Q (composed of around 800 special ops who advise President Trump including Pentagon Generals Chairman Joint Chief Mark Milley, Vice Chief John Hyten, Gen. James McConville, Adm. Michael Gilday, Gen. C.Q. Brown, Gen. Paul Nakasone and Gen. Jay Raymond), QAnons (volunteer Patriots headed by JF Kennedy Jr.), the National Security Agency and various militaries across the globe, including the international force authorized to make arrests in any country, Interpol.

I. Sun. 14 Dec. 2025 BREAKING. SOUTHERN FRONT EXPOSED. THE WAR MOVES INTO THE OPEN ...Ezra A. Cohen on Telegram

What is unfolding at the southern border is not a routine security operation and it was never just about drugs. A long ignored battlefield is being dragged into the light as President Trump authorizes direct action against the cartel infrastructure that has functioned for years as a hidden supply chain for global power networks. What the public was told were criminal gangs were in reality organized, militarized systems used to move money, chemicals, people, and influence across borders while institutions looked the other way.

For decades, these cartels were shielded because they served a larger purpose. Fentanyl was not simply a drug epidemic but a precision weapon that hollowed out communities and weakened the country from within. Trafficking routes doubled as intelligence corridors.

Smuggling networks moved far more than narcotics, protecting child exploitation pipelines, off ledger cash flows, and covert biological operations tied to offshore interests. This structure thrived because it was useful to those who profit from chaos.

That era is ending. With full access to military intelligence in his second term, Trump has shifted from containment to dismantling. Intelligence assets, satellite surveillance, and insider testimony have mapped the entire system. Cartel compounds, logistics hubs, laundering channels, and protected safe zones are no longer invisible. Cooperation is being demanded, not negotiated, and any structure that refuses to break ties with criminal control is being reclassified as hostile.

This is not political theater. It is a wartime posture. Quiet preparations are already underway along the southern states as special units mobilize and strategic assets are positioned. The silence from mainstream media is not confusion but fear. Exposure of cartel operations inevitably leads back to donors, foundations, NGOs, and officials who enabled them. That trail is now being followed without regard for status or immunity.

What comes next will not be announced in advance. This phase is about severing supply lines that fueled global corruption for decades. Cash networks are being cut. Trafficking corridors are being closed. Legal shields are being stripped away. The board is no longer being played piece by piece. It is being overturned. And those who built their power in the shadows understand exactly why they are running.

J. Sun. 14 Dec. 2025 Fox News: The CIA and USAID colluded together on Trump's impeachment and in regime change operations abroad and at home in the U.S.

This is TREASON or SEDITION at the least, and once again, OBAMA and his administration was behind it all pulling the strings.

This was set up by by a CIA analyst working in connection with the state department in conjunction with a USAID-funded organization from the Obama administration who slapped together a memo for a fraudulent case which was the basis for Trump's impeachment.

Trump was not only exposing the blob, but taking down the established power structure. They knew they were caught and they knew they were cornered.

Ladies and gentleman, this is just another example that the greatest enemy we face is from within. The military is the only way. It's time to take down this cabal.

Fourteen children died in Gaza from cold in one day of rain and more cold fronts are coming as some 2 million people live in ragged tents or in the open. And the genocide continues.

Meanwhile, tourists are trickling into Bethlehem, here to visit the Church of Nativity and some to visit our garden and museum (do visit us palestinenature.org/visit). I come from a Palestinian Christian family - descendants of those Shepherds that spread the word about the birth of Jesus. It seems fitting at this season (end of the year & Christmas) to recall this heritage which is a human heritage (i.e. regardless of our religious beliefs we honor it).

Jesus gave a sermon whose essence is reflected in both the Gospel of Matthew (5-7) and Gospel of Luke (6). Matthew's version is longer and they differ on location of sermon. But the message is similar and since 2.4 billion Christians and 2 billion Muslim (i.e. more than half of humanity) believe in Jesus as a messenger and "word made into flesh" to speak to us, it is highly important to remember those words which can directly relate to our equally troubled times.

N. Sun. 14 Dec. 2025 BOMBHELL: SENATOR JOHNSON JUST REVEALED THE DATA THEY HID ...Steve Bannon on Telegram

Senator Ron Johnson has now stated—on record—that federal health officials knowingly concealed vaccine risk signals instead of warning the public. His words were unambiguous: "They admitted there was a signal on myocarditis, and they hid it. They didn't warn the public, they didn't warn doctors."

Then he laid out the data straight from VAERS: "The VAERS system shows 38,742 deaths reported... and 9,252 of those deaths occurred on the day of vaccination, or within one or two days." He added that federal agencies initially promoted VAERS as a trusted safety surveillance system, until the results showed what they "didn't like."

Johnson further stated: "It's been thoroughly corrupted."

This is no longer a question of opinion, interpretation, or speculation. A sitting U.S. Senator—armed with millions of pages of internal agency records—is openly accusing officials of: hiding known safety signals, failing to alert doctors and withholding warnings from the public

That is not a debate. That is testimony. And accountability now becomes inevitable.

P. Fri. 12 Dec. 2025 Kaitlynn Hunter Update by her mother Jeannine:

Kaitlynn's 18th birthday is today 12-12-25 born Myrtle Beach, SC. I wanted to name her Heaven Leigh Hunter.

It should be a happy day, but it's very depressing. I have waited seven long years for this day. I know she has too. Being 18, she should be aged out of Foster Care, but there is no sign that she will be released.

She told me in August kids who age out are in jeopardy of jail over unpaid fines. She now has \$900 Unwarranted court fees because of this 7-years unconstitutional captivity! She has all these unwarranted juvenile charges. She even has a felony for punching a cop who grabbed her "Rocky" from behind, startling her.

She has had years of being on her own in constant fight or flight mode since she was 11 years old. She was put on house arrest with an ankle monitor, neglected and malnourished. She lost 60 lbs. while in Foster Care on year because they deliberately refused to feed her.

When she was arrested for running away from abusive situations in Foster Care including bleeding head concussions of which they refused to get her medical care, they walked her out barefoot in shorts and t-shirt. Everything you bought her is here.

It's killing me she's in danger of being abused, neglected, mentally neglected and denied her rights going on 7 years of unwarranted foster care prison.

I am on probation for hiding her out while we worked on her case. Because I am on probation, if I would be caught (my phone is wiretapped) I will go to jail.

A cop assaulting me for telling him to respect me in my home on a well check over homeschooling. I was doing home schooling in the best interest of Kaitlynn who had separation anxiety.

The CPS and cops have refused to let me speak in court, or show my lawful home school records. Those records were in my hand and was recorded on a copcam when they first took her at age 11. Kaitlynn and I have been retaliated witnesses to abusive foster care situations ever since.

- **Days:** 2,497

- **Hours:** 59,928
- **Minutes:** 3,595,680

I never stopped fighting for her! Every ounce of evidence and laws I ever put on the record was ignored!!!!!! Since 2020 she has reports of abuse and neglect in cps care but ignored.

And I get arrested for protecting her from the abuse, I can't rescue her???? I can't talk to her?? Send her money??

I filed 48 pages into all the courts yesterday 11-11-25, confirmed.
They need to drop the fraudulent warrant dated 8-26-25 given to me in jail room 47 the next day after I was arrested 8-25-25 no warrant, and let my daughter finally come home to peace, safety and comfort.

We need to get her the hell out of there and home where she belongs.

I know any blessings would make her day! This is her cashapp, she will get the money directly: \$KATHUNTER3

Q. Remembering Lahaina Maui

The Deep State Cabal wanted to make the very valuable Native Hawaiian Capitol of Lahaina land into a SMART city, but the natives refused to sell this land of their forefathers. So on **August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina and Kula Maui to the ground.

The resulting fires were the most devastating mass casualty events in the Hawaii State history: 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 5,000+ people originally dislocated, 3,100 still displaced over two years later.

The Deep State Cabal Red Cross quit helping those victims over a year ago. The Democrat leadership of Hawaii has made it almost impossible for the native Hawaiians to rebuild on their own land.

Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers have been supplying three meals a day and support to their now over 3,100 still-displaced fellow victims.

R. Tim Ballard has worked undercover in the US and in multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children around the World through his Tim Ballard Foundation. Just as a film about Ballard's work, "*Sound of Freedom*," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. A new movie and book about his work was about to be released called *Hidden War*.

Please support the rescue of children from sex slavery around the World through the Tim Ballard Foundation at: <https://tbfrescue.org/donate-today>

T. *Santa's Tales of Jail* is now available for your Christmas Shopping. This is not your typical Christmas story. "*Bad Santa*" is candid and defiant as he delivers a scathing indictment on our weaponized system of justice. Unfortunately, this isn't just "*Santa's*" story, it is a warning to every American: If they can do this to "*Santa*" and a sitting President of the United States, they can, and will, do it to you. <https://beforeitsnews.com/press-releases/2025/11/santas-tales-of-jail-is-available-for-christmas-3837125.html> or <https://www.amazon.com/dp/B0G43BFN1Q>
