**G. Tues. 16 Dec. 2025: US Citizens put Catholic Church on Trial for Crimes against Humanity ... American Criminal Trial Division ITCCS**

A Citizens’ Tribunal will be convened in the United States in the new year. Its purpose will be to investigate and bring criminal charges against officials, clergy, and adherents of the Roman Catholic Church, including the highest clerics of the Vatican.

The Court’s mandate will be to gather evidence to indict and criminally prosecute officials, clergy, and adherents of the Roman Catholic Church who are responsible for or complicit in homicide, crimes against humanity, child trafficking, rape, and murder, fraud, money laundering, criminal conspiracy, and other charges to be determined by the Court.

Because of the failure or refusal of the police and courts in America to investigate and stop these church crimes, the Tribunal will by necessity function as a *de jure* Court of Record under International Law. It will have the power to lay criminal charges, issue subpoenas, conduct trial proceedings, and lawfully enforce its verdict and sentence. The Court will be based in the City of Buffalo, New York but will operate anywhere in the sovereign territory of the United States of America.

The Court will operate according to the judicial norms of the common law and the American trial by jury system. It will be assisted by ICLCJ magistrates and peace officers and attended by international observers.

**J. Tues. 16 Dec. 2025: G Convicts Former Army Vice Chief of Staff General Mingus of Treason – He Will HANG on Dec 22 ...Epstein Files Leak on Telegram**

**The White Hats just delivered another massive blow to the Deep State** traitors embedded in our military. On Friday, the Navy Judge Advocate General's Corps at Guantanamo Bay unanimously convicted former Army Vice Chief of Staff General James Mingus of treason, sedition, and conspiracy to commit mutiny. The sentence? Death by hanging on December 22, 2025 – just in time for the holidays, when these criminals will finally face justice.

**This coward tried to launch a full-scale coup against President Trump** right after the election. Mingus used his rank to secretly pressure commanders from the 82nd Airborne, 1st Cavalry, and 10th Mountain Divisions to turn their troops against the White House. He wanted

1,500 soldiers to parachute into D.C. in a “Red Dawn” style assault, capture Trump, JD Vance, Kash Patel, Kristi Noem, Pam Bondi, and even execute White House Press Secretary Karoline Leavitt in public.

**The evidence was overwhelming.** Four senior officers testified under oath that Mingus personally threatened to demote them if they refused. One commander was summoned to the Pentagon at 11:30 p.m. on a Saturday night, where Mingus sat in the dark, demanding they prepare for a siege. Another showed written orders instructing them to rally troops for the attack. These patriots refused and reported him immediately – thank God for loyal officers who still love America.

**Mingus was arrested by White Hats on November 11** after War Secretary Pete Hegseth relieved him of duty. He was flown to GITMO, where he spent weeks in his cell ranting about how he regretted getting caught before he could overthrow Trump. His defense tried the usual “PTSD and pills made me do it” excuse, even bringing in a quack psychiatrist from the University of Phoenix. But the tribunal saw through the lies.

**When the verdict came, Mingus exploded,** screaming that Trump and his “sycophants must be destroyed” or America is doomed. He claimed he was just “protecting the nation from tyranny” – classic Deep State projection. The panel deliberated for only two minutes before finding him guilty on all counts and recommending the noose.

**This is what happens when you betray the Republic.** The military tribunals are working around the clock, and the traitors are finally paying the price. Mingus will swing on December 22 – one less enemy of the people. The storm is here, patriots. Stay vigilant, keep praying, and watch as more of these Deep State puppets meet the same fate. Justice is being served, and Trump’s White Hats are unstoppable.

**K. Tues. 16 Dec. 2025 A Message to fellow seekers of truth on the Exposure of Deep State Criminality ...**Julian Assange on Telegram

**The powerful do not like to be held accountable.** They thrive in secrecy, where abuses of power—war crimes, illegal surveillance, the suppression of dissent—can flourish unchecked. For years, WikiLeaks has fought to pierce that veil, publishing verifiable evidence of state criminality, often at great personal cost. I know this struggle intimately.

**Recent reports emerge of United States Marines arresting former Defense Secretary Chuck Hagel on charges of treason and conspiracy to commit mass murder.** Sources claim a document was discovered in a Pentagon archive: a signed kill list targeting twelve American militia leaders who opposed the Obama administration's policies on guns, land rights, and executive overreach. Methods allegedly included poison, staged accidents, explosives—even

framing with fabricated evidence. Hagel's handwritten note reportedly dismissed these patriots as "domestic extremists" threatening "democratic order."

**If authentic, this reveals the depths to which elements within the U.S. government were prepared to go to silence opposition.** It echoes the very revelations WikiLeaks brought to light: unreported civilian killings, torture, rendition, and the erosion of civil liberties under the guise of security. Intelligence agencies keep secrets not to protect the public, but to shield themselves from scrutiny. When dissent is labeled extremism and neutralized through extrajudicial means, democracy itself is endangered.

**We have seen this pattern before**—whistleblowers persecuted, journalists criminalized, truth-tellers branded traitors. The Espionage Act, meant for spies, has been weaponized against publishers. I pled guilty to journalism to secure my freedom, but the fight for transparency continues. Such arrests, if they signal a reckoning with past abuses, could mark a turning point. Yet we must demand evidence, verification, and due process. Blind faith serves no one; only rigorous scrutiny of power does.

**The public has a right to know** when its leaders plot against citizens. Unchecked growth of state power leads not to safety, but to tyranny. Populations are lied into wars and silenced into compliance. But truth can set us free—if we pursue it relentlessly.

**This story, whether fully substantiated or not,** reminds us why independent publishing matters. The deep state fears exposure more than anything. Keep questioning. Keep demanding accountability. The cost of silence is too high.

**In truth and solidarity,** Julian Assange

## **L. Med Beds**

**Tues. 16 Dec. 2025 PATTERN MEMORY PROJECTION — WHEN THE BODY REMEMBERS:** The MedBed doesn't replay memories. It projects patterns the body never released. A childhood moment frozen in the nervous system. An old trauma etched into tissue. The exact second your body learned how to survive pain. Inside the chamber, these imprints surface as holographic forms — not from the mind, but from the body itself. Because cells remember what thoughts try to forget. This isn't therapy. It's exposure to the truth your biology has been carrying in silence. Nothing is judged. Nothing is forced. The system simply reveals what still shapes you — so it can finally be cleared. The session ends. The pattern dissolves. The body exhales.

## **2020 Stolen Election**

**M. Tues. 16 Dec. 2025 The 2020 election was STOLEN, and the evidence is monumental.**  
...Nesara Gesara Exposed on Telegram

**Coincidentally, not one, not two, not three, BUT SIX swing states ALL stopped counting on election night** when Trump was ahead and beating Biden on November 3, 2020.

**Excuses of broken water pipes**, and other made up events cleared out counting centers of all Republican election workers while Democrat workers illegally stayed behind and pulled suitcases of ballots not in ANY logged chain of custody and counted ballots all throughout the night, without any oversight, which is illegal.

**Other places had mysterious vehicles pulling up** and wheeled wagons disguised as "camera equipment" that were allegedly filled with fake ballots and were run all through the night.

**Some were so confident**, the wheeled wagons filled with ballots, suitcases, and duffle bags right through the front and back doors.

**We know THOUSANDS of fake IDs and ballots were printed in China** and thumb drives were passed around between election workers caught on camera to rig the machines, while other machine could be rigged remotely and others were rigged to change the votes in real time.

**51% to 49% always seems to be the margin of victory** because that's the outcome they were originally programmed for.

**The question remains**, "Who ordered to overthrow the United States government on November 3, 2020, and when will the prosecutions begin?"

**This ladies and gentlemen is professional fraud**, and they'll do it again if we don't hold them accountable.

**O. Fri. 6 Nov. 2020:** [Trump Said to Have Won, Democratic Biden Camp Said Charged With Voter Fraud | Politics | Before It's News](#)

**President Trump apparently won the election by an 80% vote**, while voter fraud was said to be committed by the Democratic Biden Camp according to official water marked ballots recently verified by a US Government Quantum Computer.

**On this day of Friday 6 Nov. a huge Military Sting Operation** was going on based on the watermarked ballots. Every official voting ballot had a watermark that couldn't be seen. As votes were put into the system, the government Quantum Computer verified if the ballot was valid or not. The system was said to have verified that Trump had an 80% vote that assured him four more years in office.

**The Military Sting to verify valid votes** was taking place in twelve key battleground states where 20,000+ National Guard were deployed.

**The Democratic Cabal appeared to have been caught red handed.** The Biden Crime Family and ballot fraud co-conspirators were believed to have been detained for ballot fraud. If so, all could be headed to GITMO and Military Tribunals, while election interference cases went before the Supreme Court.

**Mass Arrests were also said to have started on over 109,000 sealed indictments** filed in federal courts across the nation since Trump took office. Since 2016 US Attorney General for Utah John Huber and his 274 investigators have been investigating, charging and taking cases before various state grand juries before filing the indictments.

**Massive Election Fraud was also believed committed** through fraudulent projection polls given to the national and international Mainstream Media by Edison Research polling company. <https://threadreaderapp.com/thread/1324096142108356608.html>

**For sixteen years Edison Research polling company** has had the sole contract to gather election exit polling and to forecast numbers for the votes cast. During the course of the 2020 Presidential Election cycle Edison Research was believed to have sent out fraudulent polling data to all Mainstream Media outlets nationally and internationally.

**Edison Research has been charged with deliberately putting out fraudulent polling data so that Trump could not call the election win**, while the public was led to believe that Biden won. When the fraudulent polls came out that said Biden won, candidates who believed they lost conceded defeats that never happened, voters became disenfranchised and didn't go to the polls because they thought the race was over, all of which appeared to have illegally swung the race.

**Edison Research was on the payroll of big tech companies such as the Gates Foundation, Amazon, Apple, Disney, Facebook, Google, Spotify and the US International Broadcasting Bureau** – which sent the apparently fraudulent Edison Research polling info to international news outlets.

**These big tech companies and other globalist organizations** were all under criminal investigation by the Trump Administration for rigging past elections while banning conservatives from their right to Free Speech.

#### **In other Election Fraud News:**

**A whistleblower within the US Postal Service** said he was ordered by his supervisor to illegally back date newly found ballots to November 3rd, 2020.

**Former Acting Director of National Intelligence Richard Grenell** claimed that there has been obstruction to ballot checking.

**Trump campaign representatives have not been allowed** to access public voting records.

**On Wed. 4 Nov. the Department of Justice** sent armed agents to ballot-counting locations to investigate potential voter fraud.

**Election Night 3 Nov.** the swing states of Georgia, North Carolina, Pennsylvania, Wisconsin and Michigan suddenly called a halt to their vote counting, despite President Trump being ahead and uncatchable.

**President Trump reacted by saying the Dems were interfering with election results** and packing the ballot boxes with fraudulent mail in ballots. He would take the matter to the Supreme Court if necessary. [Trump Says He Will Go To Supreme Court To Stop Election Steal](https://www.foxnews.com/politics/trump-says-he-will-go-supreme-court-stop-election-steal)

**The Dems in conjunction with the CIA**, appeared to have put in place a CIA Project Hammer app called *Operation Scorecard*, a mechanism which can alter the voting results of electronic voting machines in key swing states (like Pennsylvania) that would determine the outcome of the election.

**It was believed that Project Hammer was in force. Project Hammer ran an application called Scorecard that could flip the election any way the handlers of it wished.** It was an extremely secret signals intelligence program originally developed by CIA/NSA/FBI contractor-turned-whistleblower, Dennis L. Montgomery for the Obama administration's CIA Director, John Brennan and Director of National Intelligence, James Clapper. <https://www.naturalnews.com/2020-11-01-dems-collude-with-cia-operation-scorecard-alters-votes.html>

**Democrats planned to disrupt the voting enough so that a winner couldn't be announced.** Nancy Pelosi said, "I'm going to be President when this is over" because the House has the authority to vote an interim President and Pelosi believed they could put the outcome to such a level to take that control. <https://thehill.com/homenews/house/524123-pelosi-says-congress-is-prepared-to-decide-president-if-election-results-are>

**Weeks ago the Democrat Cabal began raising concern** about the legitimacy of the vote. If it didn't go for Biden they had 600 paid attorneys who were going to put the outcome of the election into question. They had Soros and China paid-for agitators, Marxists and criminals

who would be put up in expensive hotels and try to take down this lawful American government through so-called protests.

**R. Fri. 12 Dec. 2025 Kaitlynn Hunter Update by her mother Jeannine:**

**Kaitlynn's 18<sup>th</sup> birthday is today 12-12-25** born Myrtle Beach, SC. I wanted to name her Heaven Leigh Hunter.

**It should be a happy day**, but it's very depressing. I have waited seven long years for this day. I know she has too. Being 18, she should be aged out of Foster Care, but there is no sign that she will be released.

**She told me in August kids who age out are in jeopardy of jail** over unpaid fines. She now has \$900 Unwarranted court fees because of this 7-years unconstitutional captivity! She has all these unwarranted juvenile charges. She even has a felony for punching a cop who grabbed her "Rocky" from behind, startling her.

**She has had years of being on her own in constant fight** or flight mode since she was 11 years old. She was put on house arrest with an ankle monitor, neglected and malnourished. She lost 60 lbs. while in Foster Care on year because they deliberately refused to feed her.

**When she was arrested for running away from abusive situations** in Foster Care including bleeding head concussions of which they refused to get her medical care, they walked her out barefoot in shorts and t-shirt. Everything you bought her is here.

**It's killing me she's in danger of being abused**, neglected, mentally neglected and denied her rights going on 7 years of unwarranted foster care prison.

**I am on probation for hiding her out** while we worked on her case. Because I am on probation, if I would be caught (my phone is wiretapped) I will go to jail.

**A cop assaulting me for telling him to respect me in my home** on a well check over homeschooling. I was doing home schooling in the best interest of Kaitlynn who had separation anxiety.

**The CPS and cops have refused to let me speak in court**, or show my lawful home school records. Those records were in my hand and was recorded on a copcam when they first took her at age 11. Kaitlynn and I have been retaliated witnesses to abusive foster care situations ever since.

- **Days:** 2,497
- **Hours:** 59,928
- **Minutes:** 3,595,680

**I never stopped fighting for her!** Every ounce of evidence and laws I ever put on the record was ignored!!!!!! Since 2020 she has reports of abuse and neglect in cps care but ignored.

**And I get arrested for protecting her from the abuse**, I can't rescue her????? I can't talk to her?? Send her money??

**I filed 48 pages into all the courts yesterday 11-11-25, confirmed.**  
**They need to drop the fraudulent warrant dated 8-26-25** given to me in jail room 47 the next day after I was arrested 8-25-25 no warrant, and let my daughter finally come home to peace, safety and comfort.

**We need to get her the hell out of there and home where she belongs.**

**I know any blessings would make her day!** This is her cashapp, she will get the money directly: \$KATHUNTER3

## **S. Remembering Lahaina Maui**

**The Deep State Cabal wanted to make the very valuable Native Hawaiian Capitol of Lahaina** land into a SMART city, but the natives refused to sell this land of their forefathers. So on **August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina and Kula Maui to the ground.

**The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 5,000+ people originally dislocated, 3,100 still displaced over two years later.

**The Deep State Cabal Red Cross quit helping those victims over a year ago.** The Democrat leadership of Hawaii has made it almost impossible for the native Hawaiians to rebuild on their own land.

**Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now over 3,100 still-displaced fellow victims.

**T. Tim Ballard has worked undercover in the US** and in multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children around the World through his Tim Ballard Foundation. Just as a film about Ballard's work, "***Sound of Freedom***," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. A new movie and book about his work was about to be released called ***Hidden War***.

#### **U. Barbie and Ken vs. Goliath IRS**

Ken Cromar is still in prison having been wrongly convicted of "cheating the IRS" and living in his fully owned home of 29 years. Ken and Barbie proved in federal tax court that they owed no monies to the IRS, but the federal government came after them anyway. The IRS made up an amount the Cromars "owed" and began charging high interest. The IRS then sold the Cromar home by auction and threw away all of their possessions into a land fill including all the computers, equipment, and film footage Ken used for his living. He was arrested by Biden's FBI in August 2023, and they have continued fighting for justice since that time. Your prayers are always welcome for them!
