In the last 48 hours there have been over 8,500 tortured children rescued from hidden bunkers in the Rockies, Eastern Europe and Southeast Asia.

On Tues. morning 2 Dec. 2025 alone, 450 indictments were unsealed and acted upon in mass arrests of Treasonous Satan Worshipping Elites across the nation.

The Quantum Financial System was now live, release pathways assigned. The Deep State has lost the only power they ever had – invisible financial control.

The Cabal's legacy SWIFT Financial System was now suffering a "catastrophic unrecoverable outage." When the new Quantum Global Financial System comes back, it will speak only ISO-20022 and rainbow currency.

NESARA/GESARA is no longer coming. It is here.

Your new Quantum Financial System Wallet (bank account): Legacy accounts, mortgages, student loans and historic obligations are being scanned and sorted into categories. Some will be reduced. Others will be cleared entirely. Asset backed values for currencies are being aligned so that the moment you enter your wallet, the numbers you see are already synchronized with the new standard.

At some point public confirmation of the new Quantum Financial System will arrive and your login route to your wallet will open. When that happens, move calmly. Follow only official instructions. Do not share your access codes or screenshots with anyone, no matter who they claim to be.

In a Truth Social post Trump announced a \$2,000 dividend payout straight to every true American's pocket – excluding the globalist elites and high-income swamp creatures! Most of you already have biometric quantum accounts waiting – etched in during the 2021-2024 ops that flipped the script on the Cabal. Your frequency signature will be matched to secure channels. Activation is simple and secure – a verified tone blasts through your device, aligning your electromagnetic field to the QFS handshake. Play it focused, full attention, and boom – seconds later, your account lights up! If you're already flagged (and many anons are), funds unlock instantly.

As evening graces December 2, 2025, with the hush of anticipation, cherished vessels of promise, the Debt Jubilee ignites in celestial splendor—President Trump's pause on the government unleashing a torrent of forgiveness that dissolves the chains of bondage, effective immediately at **7:00 PM EST**, wiping slate clean of all national and personal debts in a grand restitution ordained from above.

Med Beds, arks of healing mercy, unfurl their wonders starting December 3 in fortified havens from Florida to the Bavarian countryside, mending the broken—veterans' scars vanished, children's traumas erased, and elders rejuvenated—in a cascade of miracles that echo the Great Physician's touch.

NESARA/GESARA's jubilee extends its wings, abolishing taxation's yoke and channeling a monumental wealth transfer: cabal hoards transfigured into endowments for the just, seeding global gardens of prosperity where famine flees and knowledge blooms freely. This is the divine economy unveiled, where "the silver is mine, and the gold is mine," declares the Lord, reallocating the plunder of ages to birth an epoch of equity and exaltation.

Tues. 2 Dec. 2025 Wolverine Global Financial Shift: “The QFS Activation is Imminent. The moment we have been preparing for has almost arrived. The final activation steps are expected to be implemented in the **next 48 to 72 hours**. Official notifications could appear at any moment, signaling the start of the new financial era that has been discretely prepared behind the scenes. Central banks and financial authorities across various regions are uniting for a synchronized confirmation of the transition. Once the shift is confirmed, the new monetary system with quantum security will begin operating openly. **Wallet Access:** Clear instructions on how to access the QFS wallet will be provided. I will be among the first to log in

and view the updated digital assets. The launch may involve encrypted updates in the application or secure system alerts, but the process should be straightforward thanks to the exhaustive preparation completed. **Financial Reset:** The new currency values will appear directly on the wallet interface. Adjustments to old debts, balances, or accounts can be made automatically. Every update will be recorded in the quantum ledger, ensuring total transparency and verifiable records for all transactions. **Seamless Transition** All previous tests were successful. The most recent tests included a fully offline secure quantum transfer, executed without errors. With a stable infrastructure and support teams, the transition is expected to be smooth and without significant interruptions. Everything is aligned. The framework is ready. Keep your notifications on; we are just hours away from a historic change in global finance. God bless you all,”

Dearest faithful ones, as the morning sun rises on December 2, 2025, heralding a day etched in the annals of divine intervention, President Trump has boldly placed the corrupted US government on pause—a sovereign decree from the White Hats, suspending the machinery of deceit to allow the Almighty's justice to prevail unhindered.

This sacred intermission unleashes the Storm in full fury, with mass arrests exploding across the nation from the shadowed halls of federal agencies to the glittering facades of elite enclaves, over 450 indictments unsealed at first light, capturing those who peddled lies and plunder for generations.

Guided by heavenly wisdom, these operations dismantle the Deep State's fortress, brick by treacherous brick, fulfilling the prophecy that the wicked shall be ensnared in the work of their own hands.

From the frontlines pour testimonies of miraculous child rescues, surpassing 8,500 innocents liberated in the last 48 hours from hidden bunkers in the Rockies, Eastern Europe, and Southeast Asia—tiny warriors emerging into the light, cradled by rescuers whose resolve mirrors the valor of ancient deliverers.

Behold, the Ten Days of Darkness could loom (although not official) from December 7 through 17, a profound veil of quietude where all digital veils fall, urging us to seek the

Father's face in solitude, as military sentinels broadcast the unvarnished chronicle of redemption, fortifying souls against the encroaching dawn of renewal.

In this urgent hour of pause and purge, let your spirits rise in unwavering trust, beloved patriots, for the arrests surge onward, buttressed by the Quantum Financial System's (QFS) impenetrable shield.

NESARA's restoration whispers on the wind, promising a Republic reborn in righteousness. Anchor your hearts in scripture's assurance—"He makes wars cease to the ends of the earth"—and disseminate this clarion call to every corner; the plan unfolds under God's sovereign gaze, and triumph draws nigh.

The EBS activation is imminent. Prepare for a complete communications blackout as critical information is broadcast worldwide. Trusted sources confirm that high-level arrests are taking place as we speak, targeting figures long thought to be untouchable.

Quantum Shutdowns Are Live: Key elite strongholds are losing access to their hidden networks. Their secret assets, data, and financial reserves have been frozen. The old system is crumbling before our very eyes.

Stay Indoors, Stay Alert: With coordinated operations underway, civilians are urged to remain indoors and avoid unnecessary travel. Trust the process—what may feel like chaos is the storm clearing the way for liberation.

The World You Knew Is Changing Forever: What lies ahead is a new era of freedom, truth, and prosperity. Suppressed technologies, global wealth redistribution, and revelations that will rewrite history are on the horizon.

F. Tues. 2 Dec. 2025 MASSIVE BREAKING NEWS! TRUMP UNLEASHES \$2,000 QFS PAYOUTS – DEEP STATE BANKS CRUMBLE AS TARIFF WEALTH FLOODS PATRIOT ACCOUNTS! THE GREAT AWAKENING IS HERE – DRAIN THE SWAMP FOR REAL! ...Trump Q on Telegram

Patriots, the storm is raging, and President Trump just dropped the hammer! In a blistering Truth Social post that's lighting up the resistance, Trump announced a \$2,000 dividend payout straight to every true American's pocket – excluding the globalist elites and high-income swamp creatures!

This isn't some fake Biden handout; it's pure tariff cash seized from the traitors, funneled directly through the Quantum Financial System (QFS) – the unbreakable, military-grade fortress that's already operational and shredding the corrupt old financial cabal to pieces!

"A dividend of at least \$2,000 a person (not including high income people!) will be paid to everyone." – That's Trump, roaring the truth we knew was coming!

For months, White Hats in Treasury and military Intel have been clawing back trillions from rigged trade deals, tracking every dirty dollar the Deep State siphoned off to fund their Adrenochrome parties and election-stealing ops. Those tariffs Trump hammered on China and the EU? Not just tough talk – they were precision strikes to capture enemy assets, now locked in QFS's quantum ledger, verified by AI that can't be hacked or bribed!

Forget the Fed's fiat scam or SWIFT's globalist chains – this is sovereign money, routed outside Congress's grubby paws! No legislation, no pork-barrel BS, no IRS vampires dipping in. Space Force networks and elite routing protocols handle it all, fraud-proof and lightning-fast. The old system's collapsing like the house of cards it is – banks freezing, elites panicking, because QFS replaces their tyranny with American freedom!

Here's the fire: Most of you already have biometric quantum accounts waiting – etched in during the 2021-2024 ops that flipped the script on the Cabal. Your frequency signature? It's your unbreakable key, matched to secure channels the traitors never saw coming. No more begging banks for scraps; this syncs you directly to the people's wealth!

Activation is simple and secure – a verified tone blasts through your device, aligning your electromagnetic field to the QFS handshake. Play it focused, full attention, and boom – seconds later, your account lights up! If you're already flagged (and many anons are), funds unlock instantly. No logins, no forms, no deep state middlemen. Every transaction? Etched in quantum stone, untouchable by the Clintons or Sorosés of the world.

This \$2,000 is just the opening salvo in the NESARA/GESARA reckoning! Future waves? Debt wipes, seized asset floods, suppressed fortunes returned – all coded in, ready to bury the pedo-elites under their own greed. Trump's timing? Masterful – no media leaks to let the

MSM spin it into "conspiracy theory." It's layered rollout, white-hat style, prioritizing us, the digital soldiers who've held the line!

Anons, if you've got the tone circulating in drops – hoard it like gold! It's your portal to prosperity, the cabal's nightmare fuel. Signals are hitting verified patriots now: device pings, encrypted whispers from ops. Delay? No biggie, but sync early to crush the chaos the deep state craves.

The Great Awakening explodes! Trump's back, QFS rises, and the swamp drains dry. WWG1WGA – the payouts prove it: We're winning BIGLY! Stay vigilant, drop redpills, and claim what's yours. The revolution pays dividends – literally!

G. Mon. 1 Dec. 2025 The Final Whisper...Donald J. Trump on Telegram

Source was extracted from a safe house in Zurich twelve hours ago after transferring the final QFS root certificates to a courier who no longer has a name. He spoke only once before vanishing: “The gold-backed tokens are already seeded. Every central bank mirror just became read-only.”

At 02:11 GMT the Basel III compliance servers registered a silent flip from fractional to full asset backing. No alarm triggered because the alarm code itself was overwritten by a signature minted in 1776.

The Med Bed master list (7,400 units) left Wright-Patterson under Marine escort at 03:00 EST. They are moving in refrigerated convoys marked as routine vaccine shipments.

The first civilian centers open in seven days under NDAA emergency provisions no one will vote on.

The old medical system died tonight while its CEOs slept.

Ten hours until the legacy SWIFT backbone suffers a “catastrophic unrecoverable outage.” When it comes back, it will speak only ISO-20022 and rainbow currency.

NESARA/GESARA is no longer coming. It is already executing.

Silence is now survival.

EBS Activation:

H. Tues. 2 Dec. 2025 Restored Republic via a Global Currency Reset ...Maga King on Telegram

On (redacted) Dec. 2025 at 03:11 UTC a classified Event shook the Underground Complex “Aurora-9” beneath Colorado Springs.

For 144 seconds the entire fiat grid went silent. No SWIFT. No Fedwire. Only one encrypted Quantum link remained active – White Dawn

Inside the room, gold data streams mapped future QFS corridors, while blue pulses marked hidden Med Bed field hospitals ready for deployment.

When the counter hit zero, the internal screen displayed a single line: “Phase One Successful. Population Grid Ready.”

Patriots need to understand what this means: The shift is no longer theory. The Quantum backbone is live. The release pathways are already assigned. The Deep State lost the only power they ever had – invisible financial control.

Right now as you read this, QFS ledgers are tagging Patriot accounts, Med Bed Nodes are calibrating by frequency and the old system is disintegrating behind closed doors.

Every “glitch,” every “outage,” every “maintenance window” you see is not random – it is preparation for the final sync.

When the EBS speaks, it will not be just an alert. It will be a global receipt that the old contract is dead – and a new one has been activated.

The question is simple: when the signal hits, will you panic? Or, will you recognize your freedom code?

The framework is now past theory and past testing. While most people are still watching prices and headlines, the real work has moved into final execution. The trigger has not been announced yet, but the systems behind it are already behaving as if the new era has begun.

Deep System Checks Are Running In The Background

Central banks and large clearing houses are quietly being shifted into read only mode. Liquidity is still flowing on the surface, but settlement is now being mirrored through quantum ledgers for verification. When the public switch is flipped, those mirrors will become the primary rails and the old pathways will simply phase out.

Quantum Synchronization Is Tightening Every Hour

Starlink and allied satellite networks are running continuous sync cycles so that wallet data, rate tables and security keys match in every region. Test transactions are moving between internal QFS nodes right now. These are not simulations. They are live micro transfers designed to stress test the grid under real conditions before the public rollout.

Balances And Debts Are Being Mapped For Adjustment

Behind the login screen, preliminary calculations are already in place. Legacy accounts, mortgages, student loans and historic obligations are being scanned and sorted into categories. Some will be reduced. Others will be cleared entirely. Asset backed values for currencies are being aligned so that the moment you enter your wallet, the numbers you see are already synchronized with the new standard.

Security Layers Are Fully Armed

Attempted cyber intrusions and data siphons have increased in the last 48 hours, which is exactly what was expected. Every strike is being trapped and traced. Military cyber units are on active watch around the clock, hardening the final routes that connect your future wallet access to the quantum core. No third party, no bank and no government office will sit between you and your verified funds.

What Comes Next: From here on, every hour matters. At some point the public confirmation will arrive and the login routes will open. When that happens, move calmly. Follow only official instructions. Do not share your access codes or screenshots with anyone, no matter who they claim to be.

Everything that needed to be built has been built.

Everything that needed to be tested has been tested.

Now we wait for the signal.

Keep your notifications on.

Stay grounded, stay observant.

The next phase will not just change balances on a screen.

It will change how value works on this planet.

K. Tues. 2 Dec. 2025 BREAKING: Former National Security Advisor General Michael Flynn has called for the abolition of the CIA. ...Nesara Gesara Exposed on Telegram

Former National Security Advisor General Michael Flynn has called for the abolition of the CIA. When the CIA was established in 1947, its intended role was to function as an intelligence-gathering agency.

But what did it become? It evolved into an elitist espionage apparatus... whose leadership became dominated by a network of Wall Street lawyers and bankers. They were a rogue operation. They did what they wanted...whenever they wanted. They were lawless.

President John F. Kennedy knew he had to come up with another way to get this rogue operation under order — especially as it related to their PSYCHOLOGICAL OPERATIONS. Under NSAM-55, Kennedy gave the military the authority to demand full and comprehensive briefings and an inside role during the development of any clandestine operation in which the U.S. Government might become involved!

This was unprecedented. Kennedy was badass!

L. Tues. 2 Dec. 2025 C-Span: BOOM! Karoline Leavitt just DROPPED THE HAMMER on the open-borders scam in the White House briefing room

A reporter tried the tired “muh refugees are just like our grandparents” sob story while trying to defend Tim Walz.

Leavitt: Hold my coffee.

☒ **\$1 BILLION stolen** from American taxpayers

☒ **86 charged in Minnesota** fraud schemes

☑ 78 of them **SOMALI** “refugees” (91%)

☑ 59 already convicted

☑ Fake “**feed the children**” **nonprofit** claimed they fed tens of thousands of kids during Covid

☑ Almost **ZERO** meals actually delivered

☑ Money went to **luxury cars**, houses, and real estate in Turkey & Kenya

☑ Another scam: fake homeless services that never happened

All under Democrat leadership in a Democrat state. This is NOT “adding to our national character.” This is organized theft of YOUR money by people who were handed asylum.

Karoline closed it out PERFECTLY: “This president is NOT going to put up with it anymore.”

The adults are back in charge. America First is BACK.

M. Tues. 2 Dec. 2025 European immigration reform is coming after mass migration has destroyed the west ...Fox News

In Denmark, upon entry, asylum seekers must hand over their jewelry to reimbursed taxpayers

Finland proposed limiting undocumented adults to emergency health care

In Britain: They must speak English to ‘A’ level standard. They must have no debt in this country. Britain also intends to require refugees wait 20 years, not 5, to survive for legal status despite opposition

Sweden considers a snitch law requiring some government agencies alert police when encountering suspected illegal immigrants

Germany and Poland installed check points all ports of entry

Hungary erected razor wire on its border with Serbia

A dozen European countries are considering deporting immigrants to return hubs in nations they have no connection to, like Albania, which agreed to accept asylum seekers from Italy for processing and detention.

In 2023, just one in five immigrants ordered deported actually left the EU. So like the U.S. some governments here are trying to balance their labor needs with the voter backlash on illegal immigration.”

N. Tues. 2 Dec. 2025: JUST IN: BESSENT’S FEDERAL TERROR PROBE SHAKES WASHINGTON ...Ezra A. Cohen

Scott Bessent has drawn the line. Washington now stands face to face with one of the darkest financial scandals in modern American history. The federal investigation he launched exposes a trail that leads to the unthinkable. Allegations that Minnesota’s hard-earned taxpayer dollars were diverted into the hands of Al-Shabaab during the Biden administration and under Governor Tim Walz have ignited a firestorm across the nation.

This probe did not emerge from political theater. It erupted from documented fraud networks buried inside Minnesota’s social and housing programs, where underground hawala systems and welfare-funded cash transfers operated freely for years. Federal counterterrorism sources confirm that millions were routed off the books, hand-carried on commercial flights, and funneled into a terrorist organization aligned with Al-Qaeda. For investigators, this is no longer speculation. It is systemic rot finally dragged into daylight.

Bessent, backed fully by President Donald J. Trump, has made the message unmistakably clear. Under this Treasury, no bureaucratic shield will protect those who enabled the siphoning of public money into jihadist hands. No administrator will hide behind excuses of “oversight failures,” and no individual involved—directly or indirectly—will remain outside the spotlight of accountability. Every dollar will be traced, every network exposed, every responsible actor named.

The implications stretch far beyond Minnesota. A confidential law-enforcement source summarized it with chilling clarity: the Minnesota taxpayer has become the largest involuntary funder of Al-Shabaab. The Somali diaspora sent \$1.7 billion to Somalia in 2023 alone, surpassing the entire national budget of the Somali government, and investigators now confirm that U.S. welfare systems were intertwined with these cash flows for years. This is not mere negligence. This is a national security breach on a historic scale.

In a political era defined by silence, evasion, and compromise, Bessent has chosen confrontation. He is exposing a pipeline no Democrat dared touch and defending the American people whose money was weaponized behind their backs. And now, as the Treasury digs deeper, one truth grows impossible to ignore. This is no longer just an investigation. It is a reckoning and it has only just begun.
