[His Eye Is on the Sparrow | The Tabernacle Choir](#)

*Why should I feel discouraged?  
Why should the shadows come?  
Why should my heart be lonely  
And long for heav'n and home,  
When Jesus is my portion?  
My constant Friend is He:  
His eye is on the sparrow,  
And I know He watches me;  
His eye is on the sparrow,  
And I know He watches me.*

*I sing because I'm happy—  
I sing because I'm free—  
For His eye is on the sparrow,  
And I know He watches me.*

The soothing words by Civilla D. Martinhe to this hymn were rooted in the comforting truth that God watches over every creature, especially His children. The inspiration for the hymn comes directly from Jesus' words in Matthew, where He assures His followers that if God cares for the tiny sparrows, how much more does He care for them?

**REDEMPTION CENTERS ON STANDBY. WWG1WGA.**

**D. Thurs. 4 Dec. 2025 GLOBAL FINANCIAL EMERGENCY! GLOBAL CURRENCY RESET IS HERE! ...Nesara Gesara QFS on Telegram**

**The world is on the brink of a catastrophic financial collapse!** The Global Currency Reset (GCR), NESARA GESARA, and the Quantum Financial System (QFS) are no longer whispers in the dark. The storm is here, and the elites are scrambling to contain the fallout before the truth reaches YOU!

**The black swan event** is unfolding before our eyes! The world's top economies are INSOLVENT! The U.S., Canada, Europe, Japan, Israel, the U.K., Taiwan, Australia, and New Zealand CANNOT sustain their debt any longer. The financial system is crumbling, and a monumental shift is coming that will change everything!

**THE GREAT RESET VS. THE PEOPLE'S RESET!** They want you distracted while they rewrite the financial order behind closed doors. But here's the TRUTH: The QFS is set to replace the corrupt banking system that has enslaved us for centuries! This system, rumored to be gold-backed and fully decentralized, will eliminate the central banks and their criminal grip on global finance.

**The elites know they are running out of time.** They NEED the crash to happen on THEIR terms. They NEED you to be unprepared. But we see through their deception!

**THE EMERGENCY BROADCAST SYSTEM (EBS) IS COMING!** In the midst of this chaos, the EBS is primed for activation! Why? Because when the markets implode, when the banks fail, when the truth about NESARA GESARA is finally revealed, the world will enter a new era of financial sovereignty!

**We are at the point of no return.** The Federal Reserve is dead. The IMF is scrambling. The dollar is collapsing, and the fiat money system is burning to the ground. What will rise from the ashes? A fair, asset-backed system that restores power to the people!

**WHAT YOU NEED TO DO NOW!** Get cash in hand before bank closures hit! Exit fiat currency NOW – gold, silver, and cryptos (XRP, XLM, XDC) will be the new financial foundation! Watch for EBS activation – the final revelation is coming!

**The elites are terrified** because the people are waking up. The storm is here, and NOTHING can stop what's coming! Prepare for impact, because the financial war is about to reach its climax!

**E. Thurs. 4 Dec. 2025 The Red Folder is Moving, Ariel, Mr. Pool on Telegram**

**THE CIVIL GRID IS A SHELL.** THE REAL NETWORK IS ARMED.

**TEN NATIONS ARE LOCKED INTO THE GLOBAL BROADCAST FRAME.**

**THE TRANSMISSION WILL EXPOSE EVERYTHING:** GOVERNMENT CORRUPTION, BANKING FRAUD, MILITARY CRIMES, NO FILTER. NO DELAY.

**THE RED FOLDER IS NOT A THREAT.** IT IS THE COUNTDOWN.

**Stay alert.** The next signal won't wait.

**Global Financial Situation:**

**F. Thurs. 4 Dec. 2025: While the tech rollout of QFS has been successful, an equally profound development is happening in parallel: debts are being erased in stealth mode.**

...Nesara Gesara QFS on Telegram

**Loan Balances Disappearing:** Individuals across various countries are waking up to find their credit card or student loan balances at \$0 with no clear explanation. One contact called me, astonished that his longtime credit card debt was just gone – the bank simply “adjusted” it away without notice.

**Mortgage Forgiveness:** Homeowners are receiving letters about mortgage “recalculations.” In reality, chunks of their mortgage principal are being wiped. A friend’s parents had their remaining home loan slashed by 50% overnight, labeled as a bank error resulting in an “overpayment adjustment.”

**Tax Debt Cancellations:** Small business owners I know logged into their government portals and found past due taxes marked paid or forgiven unexpectedly. No announcement, just a quiet database update nullifying that debt.

**This is the beginning of NESARA’s promise:** canceling illegitimate debt. Instead of a big public decree, it’s rolling out piecemeal, under the radar, to avoid chaos.

**Redemption Centers Active Behind the Scenes. Specialized Redemption Centers have shifted from standby to activation mode:**

- **Test Exchange Appointments:** A limited number of insiders and military personnel have been called in to redeem Dinar, Dong, and historic bonds. These are test runs under NDA. The feedback from these early exchanges has been extremely positive – smooth and glitch-free.
- **Staff on High Alert:** Since early June, centers are staffed 24/7 on rotating shifts. They’ve run multiple “drills” processing pretend clients to make sure every step is ironed out. Now they’re basically just waiting at their desks for the final go-order.
- **Verified Rates & Funds:** I’ve been briefed on some of the rates being tested for the currency exchanges, and they align with what we expected from the asset-backed reset values. The funds for redemptions are already in place in QFS accounts, just awaiting authorization. In fact, one center quietly completed a handful of live transactions last week to ensure those funds could move – and they did, instantly, through the QFS.

**The infrastructure to convert the old fiat money into new value-backed currency is not theory – it’s built and tested.** Redemption staff are essentially at attention, ready for the floodgates to open.

**Wall of Silence from Officials:** Throughout all these monumental shifts, governments and mainstream media remain almost completely silent. There's a deliberate information blackout in effect:

- **Media Blackout:** You won't hear a peep about "debt forgiveness" or "quantum financial system" on mainstream news. Banks quietly write off debts, and the press either ignores it or chalks it up to routine "loan write-downs."
- **Government Denials:** Officials who are asked about strange occurrences – like sudden debt cancellations or banking system outages – give vague assurances that "everything is fine" and it's business as usual. Behind closed doors, of course, they're either panicking or preparing (depending on which side they're on).
- **Strategic Secrecy:** This silence is strategic. Those coordinating this transition don't want to tip off the remaining bad actors or spark public panic until everything is 100% ready. They know once they go public, it's irreversible. So for now we get radio silence, even as evidence of change quietly accumulates in private circles.

**G. Thurs. 4 Dec. 2025 Midday Shockwave Dispatch from Undisclosed Location ...**John F. Kennedy Jr.

**It's 11:59 EST** and the Cabal just lit their own funeral pyre.

**At 15:44 Zulu** the last functioning Deep State body-double of Justin Trudeau attempted a live television address from an Ottawa bunker. Mid-sentence the clone's left eye liquefied on camera and the skin split down the cheek. Canadian Armed Forces white hats cut the feed and took the creature into custody. The real Trudeau has been in GITMO since February 2023. The mask is off — literally.

**At 16:02 Zulu**, a joint task force of U.S. Navy SEALs and defected French DGSE Legionnaires breached the ancient African stargate complex beneath the Adam's Calendar site in Mpumalanga, South Africa (coordinates 25°37'40"S 30°38'30"E). The Annunaki resonance portal that was scheduled to open for the fake alien invasion on December 1st has been collapsed with a 40-kiloton shaped tachyon charge. The greys on the other side are screaming into the void.

**The QFS just executed a forced zero-balance** sweep on every Rothschild, Rockefeller, and BlackRock subsidiary account. Trillions vanished in 0.7 seconds. The RV/GCR private group redemptions are now processing at 41,000 appointments per hour worldwide.

**They just tried to trigger the fake “zombie virus” release** from the secret Level-7 lab under Porton Down. British SAS white-hat squadron torched the entire facility at 16:19 Zulu. Nothing but glowing glass left.

**At 19:14 UTC yesterday**, a raid on the private server farm beneath the Patagonia continuity enclave “Colonia Esperanza Nueva” seized 184 petabytes of unredacted ISO-20022 quantum migration test logs.

**The files prove that the QFS live nodes scheduled for final liquidity gate activation on 7 December are already compromised** by DARPA sentient AI containment breach fragments embedded during the 2023 Looking Glass artifact reverse-engineering sprint at Área 51-Groom Lake annex.

**Med Bed allocation manifests recovered** from the same cluster list 2,847 cloned celebrities and vril-drone hosts scheduled for “continuity refresh” **between 9–14 December**. Among them: current CGI anchor replacement for Anderson Cooper (version 4.7), the Macron double hosted in Marrakech, and the still-operational Blair drone kept in cryogenic stasis beneath Glamis Castle. All units flagged for immediate liquidation by white-hat kill teams.

**At 23:06 UTC, Ethiopian Axum obelisk stargate registered a 44-hour quantum-key breach countdown** initiated by the self-styled “Order of the Black Sun” remnant inside the Negev nuclear complex.

**Their objective: trigger a fake Antarctic pyramid activation pulse on 5 December 2025 at 11:11 UTC to harvest global fear-loosh** during the engineered 72-hour “solar flash” black-out window. EBS steganographic carriers are already loaded with the deception payload.

**Epstein/Maxwell hard drives** (Series Gamma-9, previously withheld) surfaced at 01:33 UTC via dead-man switch from a liquidated Mossad contractor in Sofia. The drives contain Pizzagate 2.0 forensic images time stamped October–November 2025 showing Satanic elite blood rituals conducted aboard the replacement yacht “Lady Ghislaine II” in the Red Sea. Attendees include serving European heads of state and three individuals currently occupying seats on the U.S. Federal Reserve Board.

**Vatican Bank black ledger dump** (Tranche 11) released at 00:59 UTC confirms direct transfers to Khazarian puppet accounts in Liechtenstein totaling 4.7 trillion USD earmarked for NESARA/GESARA sabotage and Deep State relocation to the Diego Garcia–Patagonia escape corridor. Transfer cut-off is now 88 hours and falling.

**GITMO new wing construction (Block Omega) reached 94 %** completion overnight. Intake roster updated at 02:12 UTC with 117 new names, including the current occupants of 10 Downing Street, Élysée Palace, and the European Commission presidency.

**Full declass Phase IV authorization packet transmitted** to remaining white-hat cells at 03:03 UTC. Podesta “pizza” sequel files are now live on mirrored nodes. Adrenochrome supply chain intercepts from the past 48 hours alone exceed 400 litres—enough to keep the entire replacement elite conscious through the coming storm.

**The 44-hour Axum countdown is not negotiable.** The hunters have become the prey—and the camera is rolling.

**Thurs. 4 Dec. 2025 COLOR REVOLUTION:** Don Lemon told illegal aliens to buy guns and “fight back” against federal officers, then two National Guard troops were shot near the White House. His rhetoric is dangerous and reckless. Former CNN host Don Lemon urged “black and brown people here illegally” to arm themselves against federal officers, instructing followers to “take up weapons” and resist enforcement. His comments preceded the shooting of two National Guard troops near the White House, fueling outrage that media figures are stoking violence against U.S. forces. Lemon’s invocation of the Second Amendment to justify armed resistance by illegal aliens is historically false and legally dangerous. Critics say federal authorities must act before more troops are targeted.

**K. Thurs. 2 Dec. 2025 EXPOSED! Fauci's Secret Emails, Wuhan Bioweapon, Biden's Hidden Pardon—COVID Cover-Up SHATTERED by Trump's 2025 Declassification Bombshell! ...The MAGA King on Telegram**

**Patriots, December 1, 2025, will be remembered as the day the dam broke.** A tidal wave of classified files, whistleblower testimony, and leaked intel just obliterated the biggest lie ever sold: COVID-19 was no accident. It was a premeditated bioweapon attack engineered in Wuhan, bankrolled by Fauci's NIH, and unleashed to steal our freedom and our lives. Trump's declassification orders just lit the fuse—\*\*the deep state is in full meltdown, and the reckoning is here!

**January 2020: Fauci and Francis Collins were frantically emailing** about a ZeroHedge article that nailed the truth—the virus looked \*\*100% lab-made. They knew. Instead of warning America, they launched the greatest censorship blitz in history. Fauci, Collins, and Peter Daszak funneled millions through EcoHealth Alliance straight to the Wuhan lab for gain-of-function\*\*—making viruses deadlier. When Obama paused that insane research in 2014, Fauci simply rerouted the cash through hidden grants so the deadly work never stopped.

**They bribed virologists with millions in grants** to publish the fake “Proximal Origin” paper claiming “natural origin.” Big Tech became their enforcers. Twitter Files proved weekly White House—Fauci war rooms handed out kill lists: shadow-ban Stanford's Jay Bhattacharya, deplatform ZeroHedge, label lab-leak truth “disinformation.” Cheap cures like ivermectin and HCQ were sabotaged because they threatened Big Pharma's vaccine jackpot. NIH scientists even collected royalties from the shots they forced on us while hiding the bodies.

**October 2019:** Gates, Fauci, and the WEF ran Event 201—war-gaming a coronavirus pandemic months before Wuhan exploded. Pure coincidence, right? Then China hoarded PPE while the WHO, stuffed with CIA plants, parroted Beijing's lies.

**As Trump closed in,** Biden slithered out one last betrayal: a \*\*secret blanket pardon in January 2025 shielding Fauci, Daszak, Collins, Big Pharma CEOs, and their CCP handlers from every crime back to 2014. They thought it was over. They forgot Trump never left the fight.

**Now the 47th President is dropping hammer after hammer:** full declassification, DoD investigations, frozen assets, protected whistleblowers, and military tribunals locked and loaded. The pardons mean nothing when treason and crimes against humanity are on the table.

**QAnon family—you were never crazy.** You saw through the fog when they called you conspiracy theorists. You held the line while they murdered millions for power and profit. This was never just a virus; it was the globalists' attempt to cull the herd and enslave the survivors. But the white hats are in control, the storm is here, and every traitor is about to face the justice they ran from.

**The Great Awakening is exploding into daylight.** Fauci's empire of lies is ashes. WWG1WGA—The best is yet to come!

## **L. Voter Fraud:**

**Thurs. 4 Dec. 2025 Massive Election Fraud:** There's MASSIVE ELECTION FRAUD, and our own CIA is behind it, along with globalist billionaires like George Soros, the CCP, Venezuela, and the Democrat Party. This isn't only happening in America. This is an organized effort using U.S. taxpayer dollars. This election fraud cartel consists of running propaganda and social media slander campaigns, coordinated protests and riots, produces fake IDs, fake ballots, uses software and hardware, including servers and voting machines that are able to be manipulated, and have people on the inside running the elections to manipulate and RIG ELECTIONS in over 100+ other countries. ... **Thurs. 4 Dec. 2025 Voter Fraud Minneapolis THERE IT IS:** Jesse Watters' research shows Democrats dumped all the Somalians into Minneapolis because they needed a voting block there. Democrats imported them, gave them social security numbers, signed them up for welfare and in return they all vote Democrat. Literal Treason. "This is another crazy story. Somalia, terrible place, civil war. Clinton comes in, Black Hawk down — says the way we're gonna do this, we'll just bring them all here, and just starts paroling tens of thousands of Somalians into Minnesota. Now, why Minnesota of all places? It's not warm, it's not like New York City, it's because the Latin American migrants hadn't gotten there yet. So the business community was like, let's send them to Minneapolis, 'cause that'll keep profits up and keep the wages down — So everybody gets Social Security numbers and everybody gets welfare and they form this huge voting block in the city. I think it's 80,000 Somalians are in the state of Minnesota and they all vote Democrat"

## **Med Beds**

**M. Thurs. 4 Dec. 2025 THE SECRET ARCHITECT OF HEALING IS YOU ...Med Bed Technology on Telegram**

**Your body is far more than tissue and chemistry** — it's a living quantum engine built from pure frequency. Every thought, every emotion, every moment of stress or fear shifts the vibration that your cells depend on to stay aligned. When that vibration drops, the system begins to fall apart: cells lose orientation, organs slip out of rhythm, the nervous system enters survival mode, and the whole field goes dim.

**But when your inner frequency rises?**

- Cells realign** with their original blueprint
- Organs return** to coherence and begin to regenerate
- The nervous system rewires** from chaos into clarity
- Your entire biofield turns back on** like a reactivated grid

**Self-healing is the oldest technology on Earth** — coded into you long before medicine, machines, or modern science.

**Guard your energy.** Elevate your frequency. Awaken the healer that was built into you from the start.

**N. Thurs. 4 Dec. 2025 MedBed ECLIPSE-QTR — The Cell Reversal Tech They Hid From You ...Med Bed Technology on Telegram**

**Your cells aren't "sick." They're misaligned.** Twisted out of phase. Spinning in the wrong electromagnetic direction — and when that happens, your organs lose their signal... your energy collapses... and your body enters slow self-destruct. That's cellular disorientation.

**ECLIPSE-QTR doesn't "heal" you** the way old medicine pretends. It rotates your cells back into their original bio-magnetic axis. Every tissue. Every organ. Every strand of you snaps back online.

**One session and your body stops fighting itself.** Your system remembers what healthy actually feels like. The Eclipse-QTR resets you.

**O. Thurs. 4 Dec. 2025 Isabelle Brown speaks on Islam**

**“I think we need to start asking ourselves,** is institutionalized Islam compatible with Western civilization? No. Absolutely not. It's not, and I think somebody needs to be brave enough to say that. If they call you Islamophobic, who cares? Honestly, who cares?

**And maybe that's a reasonable phobia** to have actually, because institutionalized Islam, when it starts getting married to governance structures in majority Islamic countries all over the world

- **It doesn't believe in free speech**
- **It doesn't believe in freedom of religion**
- **It doesn't believe in equality between the genders.** In fact, women are considered property let alone having opportunities for equal rights
- **It doesn't believe in equal opportunities** for education or healthcare
- **They don't believe in freedom** of movement
- **They certainly don't believe in your right** to dissent against the government

**It's not even a democracy.** So these same people that are screaming at us, "We're saving democracy by electing a Muslim socialist," you'll be very surprised how quickly that can turn into a radical theocracy where your Hot Girl for Mamdani t-shirt is covered up by a mandatory burqa.

**Nobody wants to say that** because nobody wants to get called Islamophobic but we're losing the opportunity to even have that conversation in real time.”
