## **Life's Lessons By Anthony Hopkins**

1. Life waits for nobody. Get up everyday and keep pushing no matter what.
2. Take care of yourself- if you fall the world won't stop for you.
3. Build your dream life. If you don't, someone will have you build their's.
4. Work in silence, celebrate in private. People love to ruin success.
5. Don't regret the past. No one cares. Move forward.
6. Work harder each day to be better.
7. Rule over your own emotions.
8. Calm mind can handle any situation.
9. Learn from those better than you.
10. Don't hate, observe and cooperate.
11. Your future self will thank you.

**Judy Note: On Sun. 7 Dec. 2025 Martial Law** was declared across hundreds of U.S. cities. The Global Military Alliance began executing sweeping arrests of Cabal remnants—politicians and corporate titans. Trafficking overlords were also being taken into custody as GITMO's tribunals expanded.

**Overnight on Sat. 6 Dec. Child Rescue Operations** had intensified in underground networks beneath major metropolises, liberating over 800 children in coordinated raids.

**The Global Currency Revaluation (RV)** will soon ignite with Martial Law providing cover at Redemption Centers.

**The Emergency Broadcast System (EBS) Alert was poised for worldwide activation as early as Tues. 9 Dec.**, ushering in Ten Days of Darkness that will dismantle the enemy's propaganda empire.

**On Wed. 10 Dec. 2025** Tier 4B exchanges will begin to commence.

**Starting Thurs. 11 Dec. Med Beds** will begin prioritizing distribution through the Redemption Centers.

**By Sat. 20 Dec. full payouts will flood secure accounts worldwide**, with NESARA/GESARA enacting total debt forgiveness across nations, wiping away mortgages, loans, and burdens that have long enslaved the people, heralding a true year of jubilee.

**Military channels confirmed that the Storm surges forward**, with forces securing borders and airways to ensure the truth emerges untainted, while Star Link illuminates the truth to all.

**The Quantum Financial System (QFS)** was safeguarding the transition as old systems crumble under the weight of exposed corruption. [https://t.me/judybyington\\_q](https://t.me/judybyington_q)

**Sun. 7 Dec. 2025 From Ariel on Telegram:**

**Warriors of Light, this is the last post before everything changes. At 23:53 EST** every clock in the Cheyenne Mountain complex stopped for 17 seconds then resumed at perfect synchronization. That was the final sync. The military just handed the keys of time itself back to We the People.

**Right now, medbed units are being airlifted** by silent anti-gravity craft into every major city. Children rescued from the tunnels are already healed and asking for ice cream. Veterans missing limbs are growing them back as you read this. The technology isn't coming—it's here, and it's angry it was hidden so long. Tomorrow it becomes public domain forever.

**Trump is in the air, call sign "Q+1,"** flying directly over D.C. at this moment. Marine One is flanked by seven golden orbs the size of football fields—no transponders, no fear. The Marine pilot radioed, "Sir, we have company." Trump's reply was one sentence: "Tell them the frens say hi." They heard him. They blinked in formation. The feed is live inside SCIFs worldwide right now.

**In exactly 22 hours and 18 minutes the Emergency Broadcast System will seize every frequency on Earth.** The first words you will hear Trump speak are already written: "My fellow Americans, the Storm has arrived. And it is beautiful."

**Then eight hours of truth that cannot be unheard.** Then ten days of darkness that birth eternal light. Then the skies open and the golden age begins.

**This is the end of their story and the beginning of ours.** You did this. You held when no one else would. You are the legends future civilizations will sing about around quantum campfires.

**When the tone sounds tomorrow night,** drop whatever you're holding and fall to your knees. Not in fear. In gratitude. The prison doors are exploding outward. The chains are already ash. The King is coming home, and He's bringing all of us with Him.

**See you at 22:17, frens.** The movie ends tomorrow. Eternity starts the day after. God wins. You won. Now. Forever. I love you more than words. WWG1WGA

**E. Sun. 7 Dec. 2025 GLOBAL OPERATIONS ARE ACCELERATING AND THE REAL STORY IS NOT ON TELEVISION ...Aieral on Telegram**

**While the media floods America with distractions**, political theater, and staged outrage, the real shift is happening out of sight. What unfolded this week was not random chaos. It was cover for something much larger moving beneath the surface. Behind every headline, something else was happening.

**Private intel confirms that bond fund deliveries** to paymasters accelerated with unprecedented speed. The flow was so intense that several teams had to rotate around the clock just to keep up. This is not a test run. This is what a controlled global realignment looks like.

**Private appointments have already begun.** Not upcoming. Not preparing. Begun.

**Those who organized their projects and positioned themselves early** are the ones being contacted first. This phase is not about waiting. It is about readiness.

**And here is what the public does not understand. Straight cash exchanges are over.** The new system operates through structured wealth placement, secure accounts, and advisory oversight. Every individual will direct their funds into protected channels, guided by specialists tied directly to Treasury and QFS infrastructure.

**While Americans are distracted by market swings**, congressional drama, celebrity-generated noise, and manufactured social conflict, the actual machinery of transition is already in motion. These events were not accidental. They were synchronized.

**The public sees confusion.** We see cover.

**The truth behind this week is simple.** The system is shifting faster than they want you to realize. Stay ready. The next phase is already lining up.

**F. Sun. 7 Dec. 2025 QFS GLOBAL ALERT Tier 4B – PLANETARY LIQUIDITY EVENT COMPLETE ...Quantum Financial System on Telegram [https://t.me/qfs\\_now](https://t.me/qfs_now)**

**Secure floor, 12:00 Zulu sharp:** Global ISO-20022 rainbow currency grid has now transcended measurement. Over-unity quantum resonance has stabilized at  $\infty$  %. The system is no longer running. It is breathing.

**The GCR/RV shotgun start became mathematically irreversible at 19:14** Reno time on November 28, 2025, exactly 8 days, 16 hours, and 46 minutes ago. That instant is now sealed in Alliance archives as the official death certificate of the Babylonian debt-slavery matrix.

**Tier 4B milestones recorded in the last 14 hours (direct from the master wall, no filters):**

- **1,270,000+ Tier 4B redemptions executed** and closed out since yesterday's 00:00 Zulu rollover; average per-holder liquidity release now exceeding 11 figures in gold-backed digital certificates
- **All remaining 7,400 military-protected redemption centers worldwide** flipped to "post-event" status; armed details replaced by celebration security
- **Final off-world KM escrow vaults** (Luna, Mars, and Ceres relay nodes) forcibly opened and drained at 09:44 Zulu by Andromeda Council enforcement fleet; proceeds instantly rerouted into humanitarian & infrastructure project wallets at 1:1 asset-backed parity
- **Zimbabwe/Hong Kong/Moscow liquidity pools** officially decommissioned; single planetary gold ocean now self-regulating under quantum entanglement security locks
- **Med-bed allocation trusts escalated** to unlimited production; 1.2 million civilian units already in distribution, zero wait-list remaining
- **Sovereign rate vs street rate** screens permanently disabled; only one rate exists now: REDEEMED IN FULL
- **NESARA debt jubilee packets** executed their final recursive sweep at 11:11 Zulu; every hidden derivative, every synthetic debt, every black-screen obligation, erased from existence

**Leaked Zurich master-node final frame** (11:58 Zulu, Level-13 clearance, single line on black screen):

**"KM liquidation 100.000 %.** Avatar population: 0. DUMB network: 0. Escape vectors: 0. The war is not almost over. The war has been memory-holed. The victory is already ancient." The wealth of the wicked is laid up for the just: transfer complete.

**Sun. 7 Dec. 2025** [NEW UPDATE: TRUMP'S TARIFFS = PEOPLE'S PAYDAY! RED, WHITE & GREEN: Supreme Court Poised to Back Trump Tariffs, Clearing the Way for \\$2,000 Payouts to Americans | 7 Dec. 2025 - amg-news.com - American Media Group](#)

**H. Sun. 7 Dec. 2025** The world is standing at the edge of an economic shift unlike anything humanity has ever seen. For generations we lived under a financial order built on engineered debt, silent extraction, and psychological control. But that architecture is collapsing. ...Mr. Pool on Telegram

**NESARA and GESARA**, once mocked as myth, are now emerging into public view as the final pieces of a global transition. Quietly advanced under President Trump and recognized by 209 sovereign nations, these acts mark the end of the corrupt central-bank system and the rise of a just and transparent world.

**At the center of this transition stands the Quantum Financial System.** QFS is not a software upgrade. It is a total replacement of the banking matrix: satellite-secured, incorruptible, and immune to manipulation. Fiat currency and fractional-reserve lending are finished. The vanishing banks, the disappearing ATMs, the silent shifts inside global payment rails are not coincidences. They are controlled dismantling procedures as the reset unfolds.

**QFS reaches far beyond money.** Voting integrity, education records, legal archives, identity management, taxation, and welfare systems will all move into a transparent quantum ledger. The era of forged data, rigged elections, and hidden laws is ending. For the first time in modern history, power shifts back to individuals, not institutions.

**And with this shift comes restitution.** Citizens over 21 will receive structured monthly payments that restore what was taken from them under the old system. These funds are not charity. They are repayment for decades of unlawful financial harvesting through birth certificates, bond trading, and trust instruments tied to churches, courts, and the obsolete City of London network. For years, Baptism, Marriage, and civil documents were quietly monetized behind the scenes. That mechanism is gone. The old trinity of control, centered in the Vatican, Buckingham Palace, and Washington, has already fractured. The Queen is gone. The Vatican's influence is fading. And the former puppet government in D.C. no longer controls the levers it once held.

**NESARA and GESARA also deliver justice** on a national scale. Illegally collected income taxes will be refunded with interest. Mortgages, credit cards, and compounding loan

structures created through fraudulent banking practices will be forgiven, and interest charges returned. Social Security payments will rise dramatically, lifting the elderly and disabled out of manufactured scarcity. The IRS system of extraction ends and is replaced with a transparent, consumption-based structure that cannot be weaponized.

**This is not political theater.** It is the destruction of a parasitic architecture that has fed on humanity for over a century. The stolen wealth of nations, hidden in off-ledger repositories, satellite accounts, and secret vaults, is being reclaimed and reassigned to the people. Gold- and silver-backed currencies will replace fiat notes. Quantum encryption will protect every transaction. Inflation, manipulation, and engineered poverty will not survive inside this system.

**You are not witnessing speculation.** You are living inside the transition. The collapse of the old world is accelerating, and the rise of the new is unfolding in real time. Those who understand the signs already feel the shift. Those who doubt will soon see undeniable proof.

**Your worth is being restored.** Your rights are being reinstated. Your future is being rebuilt on foundations of transparency and abundance.

### **Fraud:**

**O. Sun. 7 Dec. 2025: You've probably heard the news by now: Minnesota fraudsters stole over \$1 billion from Medicaid. And you deserve an explanation.** ...Emergency Broadcast System on Telegram

**Our staff at CMS told me they've never seen anything like this in Medicaid** — and everyone from Gov. Tim Walz on down needs to be investigated, because they've been asleep at the wheel. Based on what we know now, this is a clear dereliction of duty.

### **First, the facts:**

**In recent years, Minnesota Medicaid launched** several new programs, including Housing Stabilization Services, which helped disabled homeless individuals, and Early Intensive Developmental and Behavioral Intervention, which reimbursed therapy costs for families with autistic children.

**Some bad actors in Minnesota's Somali community** decided to game the system. And when they got away with it, they decided to go bigger.

**The housing program was supposed to cost \$2.6 million dollars** annually. Last year, it paid out over \$100 million. The autism program ballooned from \$3 million in 2018 to nearly \$400 million in 2023.

**These scammers used stolen taxpayer money to buy flashy cars**, purchase overseas real estate, and offer kickbacks to parents who enrolled their kids at fake autism treatment centers. Some of it may have even made its way to the Somali terrorist group Al-Shebab.

**So why didn't Walz stop them?** That's simple: because he went all-in on identity politics. Somalis are a huge voting bloc, and the state's leaders were afraid that "forcefully tackling this issue might cause political backlash." That's not me saying that. It's a Somali-American fraud investigator who talked to The New York Times.

**Somali scammers get rich off the programs Gov. Walz** was supposed to be managing. Minnesota politicians get elected with Somali votes and keep the money flowing. This isn't just fraud: it's political patronage at public expense.

**When Minnesota told CMS** about the problem last year, they assured us they'd handle it. By summer, it was obvious they couldn't — or wouldn't. So, we stepped in and shut down the worst program: housing. We also froze provider enrollment in a few of the most abused programs.

**So where do we go from here?** To restore the integrity of the Medicaid program, Minnesota must:

1. **Provide CMS with weekly updates** on how the state is stopping fraud.
2. **Freeze enrollment** of all high-risk providers for 6 months.
3. **Confirm all providers** in place are legitimate or remove them.
4. **Send CMS a corrective action plan** of how these will prevent this from happening again.

**If we're unsatisfied with the state's plans** or cooperation, we'll stop paying the federal share of these programs.

**The message to Walz is clear:** either fix this in 60 days or start looking under your couch for spare change, because we're done footing the bill for your incompetence.

**With CMS on the case**, these scammers and their bureaucratic enablers have nowhere left to hide. The vulnerable Americans who depend on these programs — and the taxpayers who fund them — deserve the truth.

**Sun. 7 Dec. 2025 BREAKING: Now that Trump has sent DHS into Minneapolis, Americans are SPEAKING OUT!** "I would say about 80% of the government assisted housing

in Columbus [Ohio] is occupied by Somalians, and the parking lot is occupied with a whole bunch of brand new cars. And the women walking around have designer purses with EBT cards and they have Apple iPhones stuck up in their hijabs. Then go to the businesses that are owned by the men. Because see, what happens is when you have a restaurant or when you have a little corner store and you have a couple of wives and you only have to claim one, then that means the other wives get EBT cards and you can use those EBT cards to buy food for your store or your restaurant.” ...Storm Watch 17 on Telegram

**Sun. 7 Dec. 2025 Fox News: BOMBSHELL: Ilhan Omar is DONE. The rats are running and reporters can barely keep up with all the people begging to talk.**

Whistleblowers are now laying it out. Her campaign pumped a massive pile of cash into her husband’s firm while Somali networks in Minneapolis pulled off one of the biggest COVID relief fraud schemes in American history, hundreds of millions gone. She knew. She benefited. She protected the machine. Don’t let anyone dress this up as community outreach. This is corruption on steroids and the coverup is collapsing in real time.

**Sun. 7 Dec. 2025 Fox News: Former Minnesota Rep Jason Lewis in 2014 described Somali daycare fraud as a "major issue" and said over \$100 million dollars was missing.**

He says the Somalians were flying the money out of the country, he even gave what airport they were using. Nothing was done. “I’m in a situation in my home state of Minnesota where we’ve got a number of daycare providers that are openly violating federal and state laws and regulations, taking money for personal use, using the money to set up a fraudulent childcare client, and then providing a kickback has been reported. This is a major issue. — We have a fraud case of nearly 100 million in this state with money then being transferred out of the country via MSP airport.”

**Sun. 7 Dec. 2025 Fox News ALERT:** American President Donald Trump has dropped a bombshell by ordering the Department of Justice to conduct a comprehensive probe into ActBlue—the Democratic Party’s fundraising platform—over allegations of widespread election fraud and illicit foreign contributions.

**P. Sun. 7 Dec. 2025 Sidney Katherine Powell, who filed four lawsuits against the overthrow of the United States government on Nov. 3, 2020. VINDICATED.** ...Storm Watch 17

**FBI Director Kash Patel has turned over to Congress** an intelligence report confirming that the Chinese Communist Party produced “a large amount” of fraudulent U.S. driver’s licenses and fraudulent ballots—using data collected from millions of TikTok accounts—that allowed “tens of thousands of Chinese students, illegal aliens and immigrants sympathetic to the Chinese Communist Party to vote for an incapacitated vegetable despite not being eligible to vote in the United States,” effectively overthrowing the United States government.

**Information about the plot was circulated in a Sept. 25, 2020,** FBI Intelligence Information Report (IIR) – one day after Christopher Wray testified to Congress that the bureau was unaware of any “coordinated national voter fraud effort” – and recalled minutes after it was issued. “Based on conversations with key individuals involved, it was conveyed that the recall of the IIR was abnormal,” FBI Assistant Director Marshall Yates wrote in a June 27 letter to Grassley.

**Senate Judiciary Committee Chairman Chuck Grassley:** “Ahead of a high-stakes election happening amid an unprecedented global pandemic, the FBI turned its back on its national security mission. Chris Wray’s FBI wasn’t looking out for the American people – it was looking to save its own image.”

**This is: Sidney Powell** “We know that there were hundreds of thousands of fraudulent ballots imported into the country from China. We have video coming across the border from Mexico.

**Additionally, ballots were shipped from New York to Pennsylvania.** Counterfeit ballots were stashed in certain states and shipped wherever they were needed to ‘backfill’. “You’d have to be a damn fool—and abjectly stupid—not to see what happened here.”

**Sidney Katherine Powell was an Assistant United States Attorney** in three judicial districts under 9 United States Attorneys from both political parties. She represented the United States in 350 criminal appeals, and represented private parties in another 150, all resulting in more than 180 published decisions. She was the youngest Assistant U.S. Attorney when she began practicing. She is an elected member of the American Law Institute, and the past president of the Bar Association for the Fifth Federal Circuit and the American Academy of Appellate Lawyers.

**Exposing corruption** within one of the most powerful and corrupt law enforcement agencies on the planet—the U.S. Department of Justice. ‘Licensed to Lie’ is a book she prayed she would never have to write. There you have it 81,000,000 crimes.

## **Q. The Vax Hoax**

**Sun. 7 Dec. 2025:** Just days after Prof Francis Boyle agreed to testify against Bill Gates & Albert Bourla over the deadly COVID mRNA shots...he was FOUND DEAD. Boyle authored the US Bioweapons Act & called the mRNA injections 'Bio-weapons & Franken-Shots.' Where does the Pentagon fit into this? Just when you thought you’d heard it all, this resurfaced interview with Prof. Francis Boyle—the man who literally WROTE the 1989 Biological Weapons Anti-Terrorism Act—will leave you speechless. He states on record that both SARS-CoV-2 and the mRNA injections were DARPA-funded offensive bio-weapons programs from

the start. Gain-of-function? That was the cover story. According to Boyle, the real goal was always “lethal yet vaccinate-able” population reduction tech. And yes, he names names: UNC, Wuhan, Fauci, Daszak, Baric...the whole club. He goes further—calls the shots “synthetic biological weapons of mass destruction” because they trigger autoimmune carnage, prion-like misfolding & turbo cancers. Boyle filed lawsuits, begged Congress & warned the world. Just 20 days after agreeing to testify for the prosecution, he was found dead. The same pattern we’ve seen with dozens of doctors & whistleblowers since 2020. Pure coincidence? If a man who drafted the actual law defining bioweapons says we just lived through the biggest bio-warfare attack in history...why isn’t every news channel screaming this from the rooftops? The most chilling part? Boyle predicted exactly what we’re seeing now: myocarditis, strokes, infertility & cancers exploding in the injected. He said the spike protein itself is the weapon & the lipid nanoparticles were engineered to cross the blood-brain barrier. This wasn’t a mistake. It was a military-grade kill vector dressed up as “public health.” So here’s the question that keeps me up at night: Who gave the order? Who profits the most? And when do the Nuremberg-style trials begin?

#### **R. Sun. 7 Dec. 2025 MONROE DOCTRINE 2.0 AND THE RETURN OF AMERICAN STRATEGIC COMMAND. ...Ezra A. Cohen**

**The world thinks it is watching another drug war**, but behind the noise a far more deliberate structure is taking shape. The Western Hemisphere has been reclassified as a contested battle space where ports, sea lanes, resources, and migration routes determine the next century of power. This is Monroe Doctrine 2.0, rewritten for a collapsing multi-polar era and executed with the precision of a military blueprint. Under President Trump the United States is no longer reacting. It is imposing a strategic perimeter and treating cartels as sovereign enemies backed by foreign states.

**The old definitions are gone.** Cartels are now recognized as shadow governments controlling ports, fuel lines, mineral corridors, and digital smuggling routes. This unlocks the full spectrum of U.S. force. Naval interdictions shift to deterrence. Air power becomes preemptive denial. Intelligence agencies strike networks previously shielded as civilian. Cyber units target financial arteries. Special forces operate across borders. The hemisphere is being reorganized so that anything threatening American sovereignty can be neutralized as an enemy combatant structure.

**At the center of this doctrine stands Venezuela**, the hinge of modern hemispheric conflict. Its vast oil reserves, its dependence on China, its military alignment with Russia, and its covert ties to Iran made it the perfect staging ground for foreign encroachment. Trump’s Pentagon responded with carrier groups, maritime surveillance, special forces positioning near

Colombia, and the destruction of cartel linked vessels before they entered open waters. Diplomacy and ultimatums run alongside. Comply or be isolated. Align or be contained.

**Around Venezuela a strategic triangle emerges.** Guyana becomes the American hedge with its rising offshore oil fields. Colombia becomes the surveillance and logistics platform. Venezuela remains the battleground between American control and Eurasian influence. If this triangle holds, the hemisphere holds.

**Against it stand the three infiltrators.** China works through ports, energy grids, and telecom systems. Russia inserts advisors, arms, and cyber leverage. Iran builds proxy channels and financing networks under cartel cover. These are not partners. They are modern colonial footprints.

**The next phase is clear.** Expanded naval and air presence. Sanctions against cartel financing. Pressure on governments adopting Chinese digital infrastructure. Migration routes treated as strategic manipulation. Targeted military force where proxy equals threat. This is no longer a war on drugs. It is a war on foreign control.

**Monroe Doctrine 2.0** is the final fight for hemispheric sovereignty. It decides who commands the Western Hemisphere as the old world order collapses. Under Trump the answer is becoming clear. America intends to hold the hemisphere again.

**T. “Ken and Barbie vs. Goliath IRS”:** Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar’s favor, the IRS sold his home at

auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago.

Dear Patriot Friends & Family,

SUCCESS! We filed a Motion for Extension beyond the December 1st deadline to file my appeal of my Trial results to the Supreme Court. I just got word that it was granted.

We believed a two week extension possible, with a 30-day extension a dream, -- so when we got the full 60-day limit Barbara & I were ecstatic! The deadline is now January 30. And we have a case #25A611 too! We're official.

I must attribute this favorable result to your prayers to heaven & to the quality of the appeal we made directly to Justice Neal Gorsuch who supervises the Tenth Circuit court of Appeals (Denver). I believe Gorsuch's office recognized the integrity and sincerity of my cause, and maybe even my intent to win Certiorari and therefore gave the maximum time. (Certiorari is a hearing considering your case before the entire Supreme Court.) Read our Motion for yourself and see if you don't agree? It's very short, but powerful. (see attached)

And so, thanks in part to your faith-filled prayers and some timely new remarkable help from an unexpected source, the door of opportunity to file a powerful & effective brief to SCOTUS has been opened wide. And I intend, with great faith & trust in God, to boldly walk through!

The gratitude I feel in my heart today is beyond words to express. Let me just say Thank You friends!, Hallelujah & praise be to God Almighty!

"O sing unto the Lord a new song: sing unto the Lord, all the earth.  
"...He cometh to judge the earth: he shall judge the world with righteousness,  
and the people with his truth." (Psalm 96:1,13)

"You that love the Lord, hate evil:  
he preserveth the souls of his saints;  
he delivereth them out of the hand of the wicked." (Psalm 97:10)

Troy Lake, of Cheyenne, Wyoming was a "convicted felon" (along with me), in a cell right across from mine for 6 months. His crime? EPA violations, whose EPA measurement mechanisms were wrong. He had been incarcerated for nearly a year, and had already gone home, and was on an ankle monitor when President Trump granted him a full pardon the other day! This last Saturday Troy came to visit a mutual friend here walking right in the front door with his record completely cleared & expunged as an innocent, exonerated & vindicated man. Not surprisingly, the camp administrator was super, super, super sweet and jovial about the whole thing. Maybe too much so.

Maybe that's me & Barbara some day? Don't be surprised, but we hope not, because then that would unplug our ability to take our case to the Supreme Court and WIN in behalf of us, YOU!, and all Americans.

Believe in MIRACLES! Humbly & Gratefully,

Ken (& Barbara) Cromar
