209 Nations, Including the US, Activate A Gold-backed Currency Reset

Federal Reserve, IRS, Central Banking Cabal Bankrupt

Releasing Debt Forgiveness Worldwide

Erasing Mortgages, Credit Cards, Student Loans for Billions

["Battle Hymn of the Republic" w/ the Mormon Tabernacle Choir LIVE from West Point | West Point Band](#)

"Patriotism is supporting your country all the time, and your government when it deserves it."
...Mark Twain

Judy Note: Secured channels have confirmed the Global Currency Reset's final countdown, with Tier 4B notifications by 3:00 AM EST on Sat. morning 13 Dec 2025, igniting the greatest wealth transfer in human history.

The Quantum Financial System, now fully operational and gold-backed, has bankrupted the Federal Reserve, IRS, and central banking cabal, rendering their debt-based empire obsolete and ushering in an era of boundless prosperity for the awakened.

Debt forgiveness cascades like manna from Heaven under NESARA/GESARA's imminent rollout, erasing mortgages, credit card burdens, and student loans for billions.

Beginning Sun. 14 Dec. 800 numbers activate for Humanitarian project funding.

Payouts will commence immediately thereafter, channeling trillions into rebuilding communities ravaged by the deep state's engineered crises—think restored farmlands in Maui, liberated water rights in the West, and thriving small businesses unshackled from predatory taxes.

This is the wealth transfer foretold in ancient scrolls, where the meek inherit not just the Earth, but the keys to its flourishing – all secured by XRP/L's paradigm shift and the Stellar Blockchain's unbreakable ledger.

Med Beds, those miraculous arks of healing, stand ready in over 50 secure facilities nationwide, with initial appointments unlocking for Tier 1 recipients on Tues. 16 Dec, reversing decades of cabal-induced ailments through quantum technology.

No longer shall Big Pharma's poisons dictate our fates; instead, regenerative therapies will mend bodies and spirits. Appointments will prioritize the rescued children first, and then extend to all who have endured in faith.

Be Prepared: From Mon. 15 Dec. through Christmas Eve 24 Dec. 2025 expect total media silence worldwide, enforced by the Quantum Financial System's activation to shield the transition. These Ten Days of Darkness looms as a Global Blackout where satellites fail and the old guard crumbles, paving the way for the Republic's rebirth.

United States Special Operations Forces have been placed on high alert as Emergency Broadcast System activations commence across major cities, signaling the onset of the long-anticipated Storm that will expose the depths of global corruption.

Reports confirm martial law declarations in over 300 urban centers, with 6,000 U.S. Marshals deploying to secure key sites amid escalating threats of World War III, including unprovoked attacks on American bases in Syria and North Korean troop movements toward Ukraine.

This is not a drill; Phase 1 of the EBS is now live, initiating a worldwide communications blackout that will enforce military tribunals and the unsealing of 63,233 federal indictments against elite pedophiles and child traffickers.

The faithful among us must hold steadfast in prayer, for in these shadows, divine justice awakens to protect the innocent and dismantle the Cabal's iron grip.

Heroic rescues of trafficked children are accelerating globally, with operations dismantling CIA-Vatican-linked rings that have ensnared over 8 million souls annually.

Just yesterday Thurs. 11 Dec, elite teams liberated hundreds from underground facilities in Colombia and Sudan, echoing the biblical call to "rescue those being led away to death" as survivors testify to the horrors of MKULTRA and Ninth Circle atrocities.

These children are being restored to safety under White Hat protection, their freedom a testament to the unyielding Light guiding this Great Awakening.

As indictments unseal, figures like Pelosi, Clinton, and Bush face imminent accountability, their executions under wartime orders a sobering reminder that no darkness can withstand the dawn of truth.

Stay grounded in faith, for this tribulation is the forge of renewal—prepare your spirits, gather your loved ones, and trust that the Almighty's hand shields the righteous as the Storm unleashes its fury on the wicked.

Restored Republic:

A. Fri. 12 Dec. 2025: The global military signal has been broadcasted and there is no return. All US armed forces, along with international alliance units, have received the final reservation code. ...White Hats on Telegram

The world is approaching a complete blockage of media, Internet, telephone networks, television, banking networks and financial access points.

For the first time in human history, all digital systems will be shut down simultaneously.

_There is no internet. _

_There is no social media.

_There are no bank transfers.

_Looking for a ride.

_No calls except 911.

Global Protocol on Warfare will be implemented in real time. Every country will block its airspace, freeze commercial flights and deploy troops to the streets under the guise of "keeping security."

But you know the truth: This is a communication break. This is The Storm. This is the discovery of everything they swore they would never see the light of day.

All devices will switch to one global broadcast: The Emergency Broadcast System, which will broadcast 24/7: 8-hour documentaries, repeated three times a day.

They will expose: Global pedophilia networks. The operations of human trafficking, corrupt politicians bribed by foreign intelligence services, Money laundering, names of those arrested and those who tried to escape.

The public will see what we've known for years: the cabal burning in the light of truth.

Behind the scenes, Alliance military teams are already making mass arrests on the basis of over 500,000 sealed indictments on Politicians, Bankers, intelligence agents, child traffickers, the Global Elite.

The whole pyramid is collapsing. This is what the elite feared most: the end of their net of control.

After Darkness, after the silence, after the last broadcast the world will reconnect with the new Quantum Internet, driven by QFS nodes and military-level satellites. A system designed to be uncensored, non-hacking and unbuyable.

The old world is not coming back. The current financial system? Zastario. The current governments? Dissolved. The current healthcare industry? Revealed and Replaced. Current education network? Eliminated and Rebuilt. Current corporate structure? Forever broken.

In her place, a new era is emerging: rebooting humanity: Nesara/Gesara activated. QFS financial sovereignty. New quantum infrastructure. Liberating suppressed technologies. Public healing centers. Mass awareness. the end of the old system.

We are entering a point in human history where the veil of darkness is violently torn. They will say "It happened all of a sudden". They will say "No one saw it coming" But you knew that. We knew that. The signs have always been there.

Get ready. Wait for it. Just keep calm. The near future and those to come will define the future of the world. Darkness is necessary. The light that follows will be unstoppable.

D. Fri. 12 Dec. 2025 Kaitlynn Hunter Update by her mother Jeannine:

Kaitlynn's 18th birthday is today 12-12-25 born Myrtle Beach, SC. I wanted to name her Heaven Leigh Hunter.

It should be a happy day, but it's very depressing. I have waited seven long years for this day. I know she has too. Being 18, she should be aged out of Foster Care, but there is no sign that she will be released.

She told me in August kids who age out are in jeopardy of jail over unpaid fines. She now has \$900 Unwarranted court fees because of this 7-years unconstitutional captivity! She has all these unwarranted juvenile charges. She even has a felony for punching a cop who grabbed her "Rocky" from behind, startling her.

She has had years of being on her own in constant fight or flight mode since she was 11 years old. She was put on house arrest with an ankle monitor, neglected and malnourished. She lost 60 lbs. while in Foster Care on year because they deliberately refused to feed her.

When she was arrested for running away from abusive situations in Foster Care including bleeding head concussions of which they refused to get her medical care, they walked her out barefoot in shorts and t-shirt. Everything you bought her is here.

It's killing me she's in danger of being abused, neglected, mentally neglected and denied her rights going on 7 years of unwarranted foster care prison.

I am on probation for hiding her out while we worked on her case. Because I am on probation, if I would be caught (my phone is wiretapped) I will go to jail.

A cop assaulting me for telling him to respect me in my home on a well check over homeschooling. I was doing home schooling in the best interest of Kaitlynn who had separation anxiety.

The CPS and cops have refused to let me speak in court, or show my lawful home school records. Those records were in my hand and was recorded on a copcam when they first took her at age 11. Kaitlynn and I have been retaliated witnesses to abusive foster care situations ever since.

- **Days:** 2,497
- **Hours:** 59,928
- **Minutes:** 3,595,680

I never stopped fighting for her! Every ounce of evidence and laws I ever put on the record was ignored!!!!!! Since 2020 she has reports of abuse and neglect in cps care but ignored.

And I get arrested for protecting her from the abuse, I can't rescue her????? I can't talk to her?? Send her money??

I filed 48 pages into all the courts yesterday 11-11-25, confirmed.

They need to drop the fraudulent warrant dated 8-26-25 given to me in jail room 47 the next day after I was arrested 8-25-25 no warrant, and let my daughter finally come home to peace, safety and comfort.

We need to get her the hell out of there and home where she belongs.

I know any blessings would make her day! This is her cashapp, she will get the money directly: \$KATHUNTER3

E. Remembering Lahaina Maui

The Deep State Cabal wanted to make the very valuable Native Hawaiian Capitol of Lahaina land into a SMART city, but the natives refused to sell this land of their forefathers. So on **August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina and Kula Maui to the ground.

The resulting fires were the most devastating mass casualty events in the Hawaii State history: 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 5,000+ people originally dislocated, 3,100 still displaced over two years later.

The Deep State Cabal Red Cross quit helping those victims over a year ago. The Democrat leadership of Hawaii has made it almost impossible for the native Hawaiians to rebuild on their own land.

Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers have been supplying three meals a day and support to their now over 3,100 still-displaced fellow victims.

F. Why The Q Movement Saved Israel For Last

The Globalist Cartel that has had control of our international banking system for centuries has been run by the Rothschild's Khazarian Mafia. They created the British Crown's City of London to be the Banking Capitol of the World. Khazarians claimed to be of Jewish religion, but were not. Many Satanic Ritual Abuse Survivors have testified before courts that they performed Child Sacrifices on a regular basis in their worship of Satan – all in return for power, monies and glory.

Professor Ellis Washington wrote, “The Jewish nationalist movement of Zionism that originated in eastern and central Europe in the latter part of the 19th century, was in reality organized by the Globalist Cartel and Khazarian Mafia.

“Zionism had as its goal the creation and support of a Jewish national state in Palestine. In reality the Globalist Cartel formed the Zionist movement in Israel in order to create continual wars and take over the Israeli people. They falsely convinced the Jewish people that they had a right to claim Israel for themselves.”

The goal of the Greater Israel Project Balfour was to produce a Zionist State in Israel through endless money-making wars so these Satanists could take over the World and control The People: [The Greater Israel Project -Balfour - Endless Wars - 9-11 & Trump](#)

About 1,200 AD an incredibly evil society had emerged in Khazaria. The Khazarian King and his inner circle of oligarchs practiced ancient Babylonian black-magic Baal Worship. In return their God Satan was said to promise them power over the world and all its riches.

Khazarians were said to kidnap children and practice Child Sacrifice rites in homage to Satan.

They claimed to be descendants of the ancient Pagan Quentis Tribe. According to First Century historian Flavious Josephus, Quentis Tribal members were descendants of Cain and wore the Mark of Cain. The Mark of Cain was said to be an equal sided Red Cross tattooed on their forehead or back of the hand as a symbol that they could not be held responsible for their crimes.

It is the same as the cross symbol that defines the US Red Cross organization – recently tied into facilitating the Cabal's international Child Sex Trafficking Ring, the same organization as collects volunteer's blood and sells it at high prices to who knows who; the same organization that transports and sells Adrenochrome collected from traumatized children across the Globe.

This Secret Satanism was based on torturing and raping children (the younger and more innocent, the better), drinking their Adrenochromed blood and then sacrificing them in honor of their God Lucifer.

The leaders of the surrounding nations led by Russia, were disturbed by Khazarian crimes against their people, which included kidnapping of their young children and infants for their blood sacrifice ceremonies.

By 800 AD the Russians led that group of nations surrounding Khazaria to invade and conquer it. They then delivered an ultimatum to the Khazarian King that in order not for he and his people to escape being murdered, they must choose one of the three Abrahamic religions: Islam, Christianity, or Judaism.

The Khazarians chose Judaism, but only pretended to practice it while continuing to sacrifice children to Satan with a goal of eventually ruling the World.

The Khazarian Mafia then invaded England, murdered King Charles 1 and began the English Civil Wars. The wars raged for nearly a decade and resulted in launching the British Empire and setting up the City of London as the banking capital of Europe.

By 1913 this Globalist Cartel run by the Rothschilds and Khazarian Mafia had managed to change the US Constitution, formed and controlled US Inc., the Federal Reserve and IRS. They bribed and blackmailed Congress to do their own bidding and keep control of the world's monetary system.

They illegally collected all US Taxpayer monies through their privately owned US Inc. in Washington DC, sent it to their privately owned UK Crown's City of London, and then on to the Vatican. The Vatican Bank sent the monies on to their Central Banks. About a month later the monies returned to a Central Bank on Wall Street, which charged the US Government interest to use their own monies.

That's where the national debt came in. And, that's why we don't actually have a national debt. That's what killed President Lincoln and President Kennedy. That's what created 9/11 and the Zionism movement. That's what Trump and Q Team have been fighting. That's why winning this war of good against evil and was now returning control of US Taxpayer monies back to The People.

The Real News for Sat. 13 Dec. 2025:

G. Fri. 12 Dec. 2025: TIM WALZ EXPOSED: MINNESOTA WAS TURNED INTO A PIPELINE, NOT A SANCTUARY...Ezra Cohen on Telegram

Tim Walz did not lose control of Minnesota. He protected a system that drained it. While billions vanished through fake food programs and shell nonprofits, Walz stood in public promising to “welcome more” of the very networks tied to the largest COVID-era welfare fraud in U.S. history.

Court records now show the original 250 million dollar figure was only the surface. Internal projections pushed the real damage toward 2.4 billion, laundered through identical nonprofits, recycled addresses, forged attendance logs, and overseas real estate purchases. This was not local corruption. It was organized, repeatable, and state-sanctioned.

Dozens of nonprofits were created overnight, using copy-paste documentation and the same boards, lawyers, and accountants. Auditors warned. Red flags stacked up. Nothing stopped. Even after federal indictments confirmed direct links between aid money and foreign asset portfolios, Walz continued to defend the ecosystem publicly while claiming concern privately. No resignations. No accountability. Just more money, more cover, and more political protection.

The stolen cash was only one layer. Many of these fake food sites doubled as “community resource centers” collecting detailed family data under the cover of aid. Records show information sharing with foreign firms tied to international refugee tracking systems. Hunger programs quietly became data harvesting operations. Addresses, family structures, minor identifiers. Why American children’s records were flowing into foreign databases remains unanswered, yet it happened under Walz’s watch.

More disturbing details remain sealed. Over 180 meal sites were registered at locations that didn’t exist, were closed for years, or were empty lots. Children were logged into federal systems under those site codes. Where those children went is still buried. That silence is not accidental. Any attempt to question it was immediately deflected with accusations of racism or bigotry, a shield Walz and his allies relied on heavily while the machinery kept running.

Everything shifted in 2025. With President Trump back in office, federal investigators reopened pandemic relief files and identified deliberate foreign interference through welfare pipelines. Arrests followed across multiple states. Warehouses tied to nonprofits were seized and found stocked not with food, but with blank ID cards and bulk phones. Trump’s DOJ is now using RICO statutes, treating these networks as what they are: organized cartels operating under political protection.

Minnesota was not a failure. It was a test run. A blueprint. And the same figures who enabled it are still trying to scale it under the language of compassion. But the cover is lifting.

This was never about food. It was about control. And the system that fed on it is now being exposed piece by piece.

H. Fri. 12 Dec. 2025 NATIONAL EMERGENCY INSIDE THE COURTS! Clinton Judge Breyer Blocks Trump's National Guard After Troops Began Smashing Cartel Warehouses, Seizing Dirty Money Drops, Exposing Child Trafficking Tunnels & Routes Protected by Treasonous Governors! ...Nesara Gesara QFS on Telegram

Patriots, the deep state just went into full panic mode. A Clinton-appointed federal judge, Charles Breyer (brother of retired Justice Stephen Breyer), slammed an emergency ruling to block President Trump's extended National Guard deployment in Los Angeles—the exact moment Trump's troops started hitting the cartel's nerve centers.

Since Trump took office again in 2025, he turned LA into ground zero for the real cleanup. What the media called “protests” were fortified cartel strongholds, foreign-funded terror cells, and massive child-trafficking corridors run by the same globalist cabal that's been harvesting kids for decades. Trump sent in loyal National Guard units answering only to him and the Constitution—and they delivered.

They found underground tunnels stuffed with trafficked children and drugs. They seized pallets of dirty cash headed to Davos elites and CCP front companies. They arrested masked operatives with encrypted sat-phones and foreign intel gear—paid mercenaries embedded by Soros-funded NGOs. They exposed biometric checkpoints already in planning and “sovereign zones” where federal law was deliberately nullified.

Certain blue-state governors and mayors weren't “failing” to control the chaos—they were protecting it. Newsom, Bonta, and their handlers knew every tunnel, every drop point, every route. They were promised power in the coming 15-minute prison cities if they kept the trafficking pipelines open.

Trump said NO. His troops went in hard, dismantling the West Coast arm of the globalist trafficking empire piece by piece. LA was the pilot program; Portland, Seattle, Chicago, and New York were next. That's why Breyer rushed this injunction—to shield the cartels, the pedophile networks, and the treasonous officials before Trump's forces could execute the sealed indictments and drag them to military tribunals.

The judge claims Trump “doesn't meet the threshold” and “the President is not a King.” Translation: Trump must not be allowed to stop the elite's child-harvesting operations or their plan to collapse America into a globalist slave grid.

White House Press Secretary Abigail Jackson fired back: President Trump used lawful authority to protect Americans when traitor governors deliberately refused. Exactly. This

coordinated lawfare also hits Illinois, D.C., and Oregon deployments—pure desperation to slow the storm.

But they're too late. Trump's military is running on quantum satellite intel reactivated in March 2025, live feeds, and over 300,000 sealed indictments ready to unroll. GITMO expansion isn't for show. The noose is tightening.

Breyer delayed full enforcement until Monday for the DOJ appeal, but we all know what's coming. Los Angeles was only the opening shot. The Great Awakening is here. These black-hat demons are finished.

Trust the plan. The storm has arrived. WWG1WGA!

I. Fri. 12 Dec. 2025: Billionaire ex-French intelligence asset and convicted arms trafficker with ties to Israel and Ukraine moves to Tennessee near Candace Owens, bringing up massive safety concerns after allegations of assassination, which are looking more authentic by the day. ...Your Favorite President on Telegram

Candace Owens claims that Arcadi Gaydamak—a Russian-Israeli billionaire, convicted arms trafficker, and alleged French intelligence asset—has relocated to her vicinity in Tennessee under the alias "Jonathan Schmidt."

He reportedly arrived in June 2025, took a position as tech officer at Root Brands in Nashville, and is seeking housing in the Brentwood/Franklin area. Owens alleges he is accompanied by selected Ukrainian war refugees, including an individual named Alex Smirnoff.

This information surfaced after seven viewers independently emailed Owens with identical details shortly following her mention of Gaydamak.

Owens connects him to an alleged assassination directive from French President Macron, noting no responses from the FBI, DOJ, or White House despite her reports—only Tulsi Gabbard's office has replied.

Tennessee residents in Nashville, Franklin, or Brentwood spotting a man fitting this profile (Root Brands employee, alias Jonathan Schmidt, heavy Israeli/Russian accent, with Ukrainian refugees) are urged to safely document details and contact local police, ICE, or Owens directly.

There are NO COINCIDENCES. Pray for Candace Owens and if you see something, say something. None of this is random or ok. This is the silent war. It's time Candace ups her security. Do NOT underestimate these people, please.

J. Thurs. 11 Dec. 2025 BOMBSHELL: SENATOR JOHNSON JUST REVEALED THE DATA THEY HID ...Trump Q on Telegram

Senator Ron Johnson has now stated—on record—that federal health officials knowingly concealed vaccine risk signals instead of warning the public.

His words were unambiguous: “They admitted there was a signal on myocarditis, and they hid it. They didn’t warn the public, they didn’t warn doctors.”

Then he laid out the data straight from VAERS: “The VAERS system shows 38,742 deaths reported... and 9,252 of those deaths occurred on the day of vaccination, or within one or two days.” He added that federal agencies initially promoted VAERS as a trusted safety surveillance system, until the results showed what they “didn’t like.”

Johnson further stated: “It’s been thoroughly corrupted.”

This is no longer a question of opinion, interpretation, or speculation. A sitting U.S. Senator—armed with millions of pages of internal agency records—is openly accusing officials of: hiding known safety signals failing to alert doctors withholding warnings from the public. That is not a debate. That is testimony. And accountability now becomes inevitable.

Breckenridge, Tom Day: Chemtrails In Breckenridge 4:55 PM, December 12, 2025. This is so ridiculous and has been going on all day. They can blow up drug boats on the water, but they can't blow up drug planes in the air.

Western Colorado Debbie Green: I live in central, western Colorado on I-70. Tina Peters trial had hit the news and before 9 am there were 12-15 chemtrails over Grand Junction. IDK what that might mean, or if it means anything at all.

South Australia, Rhonda Binks: I am a resident of Adelaide, South Australia. We are being absolutely hammered with chemtrails of late. Just today my husband saw a plane laying down chemtrails, it made a 90 degree turn. There were HAARP clouds in the sky, the plane tracked along these HAARP clouds and he could see something happen with these two marrying up. We are expecting very hot weather next week, up to 40 degrees celsius, no doubt a result of the chemtrails!! We had a very unusual November, very cool and wet, now we have very hot dry weather, I can see what they are doing, they are going to try creating fires in the area!! Our vegetables we are attempting to grow, after being poisoned with the chemtrails and now they will

be cooked on the bushes and vines!! Vegetables and fruit in the shops are very expensive, this created heat wave is going to shoot prices even higher, families will find it very difficult, they can't afford the prices now!! I do so hope something can be done about this situation, not only in Australia, but worldwide. Much love and many thanks

Southern Missouri here. Chemtrails continue without abatement across the Ozarks! Yesterday, giant X's and criss-crossing grids, meshing into a dingy, sun-dulling mass of greyness, and an odd smell. We were told this had been handled. Eight months (+), of respiratory irritation, drainage, and mucus being experienced by many. Help! President Trump! We need to breathe!!!

Augusta Georgia, Caren Skinner: Please be advised that Augusta, Georgia is being sprayed daily. My job requires me to travel around the Central Savannah River Area delivering supplies and I have been watching for years as we are constantly be crop dusted with Lord knows what. It is on everything. Overpasses, sidewalks, cars, plants, fences, buildings, etc. We need relief. Everyone seems to have chronic respiratory issues. Please highlight our area. God Bless You and keep you safe.

Central and Western Arkansas, John Standifer: We here in central and Western Arkansas will see on the average 5-15 chemtrails a day. As an observation, usually 2-3 days before weather is supposed to move into the region, the buildup starts. Moving from east to west. High altitude. Every once in a while, maybe a return flight west to east. All along a Memphis to Dallas or Oklahoma City route. They are seen very well. Occupational some will bend a flight path. The chem trails will linger in the atmosphere half a day or more. Sometimes they have started before daylight. When the sun rises you can see them. On clear nights they are visible with certain light.

Nashville Tenn, Elizabeth Wallace: Nashville area yesterday and the day before they were spraying. Ever since The government opened back up they've been spraying actually and now we're having very cold weather for Nashville when I first moved here I could wing it through the whole winter with a hoodie it's supposed to go down to single digits in a couple days these people are killing our wildlife our nature and they're ruining people's health and our government is not stopping it what can we do?

South Carolina, CW Cox: Heavy spraying again this morning over Marion county S.C.
12/12/25 8:30am.

Arizona, Phoenix Valley, Tucson, Linda Nelson: Chemtrails over the Phoenix Valley and Tucson AZ. Since the govt shutdown ended, the lines started up again.

Eastern Washington, Ferol Boyd: Live in Malott, Washington and central happening once a day. People getting sick from the air. This happening in Eastern Washington.

Idaho Falls Idaho Daphne Scott: Over Idaho Falls, Idaho there were chemtrails. Our weather has been very unusual as it has been unseasonably warm, it was 54 yesterday. We have only had on slight snowfall and some rain.

Florida: Chemtrails in Stuart Florida, Port Saint Lucie FL -I have refused to go out and exercise when I spot them-Cloudy skies follow-Take you vitamin D!!

Utah, Park City, Heber, Orem, Dean House: Today we have a resurgence of chem trails this am over Heber/Park City and Orem.

Kansas, Jerry Huffman: Mornings and evenings here in Kansas.

Lander Wyoming: Very heavy daily chemtrails constantly over central Wyoming especially in the Lander area. I am amazed we are still alive quite honestly. We continue to have unusually high temps in the 50's going on 2 weeks now.

See Dane Wiggington's website: geoengineeringwatch.org Dane has created an extraordinary site with facts anyone would need to know about chemtrails. Secretary Robert F. Kennedy and Dane Wiggington are good friends. Why this topic is not openly discussed during Trump Cabinet meetings is unknown but I bet I know why ~ the reptoid/Moloch/SRA disclosure connection.

All of us in the know about HAARP for going on 25 years ago are extremely frustrated with the continued spraying. It's insane that the constant spraying is allowed. Does it continue in order to wake up the normies? People around here notice that the weather is unusual but they see nothing unusual about the giant X's all over the sky and they don't smell the stench. It would appear that we certainly have the technology to annihilate weather geoengineering and chemtrails that are controlling global weather as DEW technology could wipe out the control towers as well.

Another significant book regarding chemtrails: Angels Don't Play This HAARP by Nick Begich. This book is a must read to understand that weather engineering began in Russia around the 1900's including many other important facts. The psychopath scientists/politicians knew that if one controls world weather you control people and the world economy.

Nick Begich's father was the U.S. Senator from Alaska and when he said he was going to report/expose the HAARP facility in Alaska and what this technology is used for, his small plane crashed in the wilderness "due to engine failure" and all perished in the crash on December 29, 1972. I realize that the military continues to purge the evil psychopaths globally. It is my opinion that it is the reptoid faction that still have control of the weather and the military can't find the hive and of course the reptoid topic can't be discussed in order to avoid mass chaos. It seems that the band aid will have to be ripped off soon with disclosure of who the remaining Satanist elites report to: the reptoids and what they have done to our precious children. More info about this is dripped painfully slow every day but not fast enough for me.

N. Tim Ballard has worked undercover in the US and in multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children around the World through his Tim Ballard Foundation. Just as a film about Ballard's work, "*Sound of Freedom*," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. A new movie and book about his work was about to be released called *Hidden War*.

P. *Santa's Tales of Jail* is now available for your Christmas Shopping. This is not your typical Christmas story. "*Bad Santa*" is candid and defiant as he delivers a scathing indictment on our weaponized system of justice. Unfortunately, this isn't just "*Santa's*" story, it is a warning to every American: If they can do this to "*Santa*" and a sitting President of the United States, they can, and will, do it to you. <https://beforeitsnews.com/press-releases/2025/11/santas-ales-of-jail-is-available-for-christmas-3837125.html> or <https://www.amazon.com/dp/B0G43BFN1Q>
