“One Nation Under God With Liberty and Justice For All”

Judy Note: The world was set to change this week.

It's the beginning of the end of a long and bitter battle for freedom from the Satan Worshipping, Child Sacrificing Deep State Cabal Zionist Bankers – though we've only just begun.

God was winning this battle between Good and Evil. Trump, the Global Military Alliance and BRICS Nations have gathered together in one strong band to call Checkmate.

Just this week, thousands of tortured children have been saved from their evil Satan Worshipping captors.

Mass arrests of those Pedophile Traitor Satan Worshippers of the Deep State Cabal have commenced —big name Senators, CEOs, Bankers, Hollywood and Global Elites now reside at GITMO.

On Sat. 29 Nov. at 8:00 PM EST the Global Currency Revaluation ignited across the World. Every mortgage, student loan, and credit-card balance tied to the old Orion debt matrix was zeroed out for every man, woman, and child in 209 nations.

At 00:00 UTC on Sun. 30 Nov. every Central Bank on Earth not gold-backed was set to be closed.

FBI Director Kash Patel declared that we were all under Global Martial Law – that would be announced via the Emergency Broadcast System – said set to activate by the time this Update was published.

Why Martial Law? Because the greatest threat we face as a free nation, and World, has come from within.

Dr. Charlie Ward learned that the White Hats just discovered that the Dark Hats were preparing to take out a number of Trump's cabinet members, generals and key figures in a major coordinated plan. That plan included Pam Bondi, multiple generals and several top individuals in Trump's field.

Additionally, two CIA agents have confirmed that the Democrats were still engaged in an active coup that was calling for a rebellion against the government and President Trump – a coup that was part of a much larger operation to sow mass distrust in the military and throughout the country – Even Patriot against Patriot.

We were presently in the middle of Mass Arrests where those dark individuals were being removed. We needed everyone praying and saturating this situation with Light.

An evil plan had been planted and nurtured in the US, Canada and Australia after World War II headed by the hundreds of Nazis brought into the three countries via what was to become the CIA. It was a coup that mind controlled people into submission – bought and paid for by the US Taxpayer Dollar through a CIA Black Budget.

Though, something shifted Monday Night at the moment President Trump stepped back into Washington. The flight from Florida looked routine only on the surface. Behind it, Washington began tightening from the inside. Convoys moved without media coverage. Communications inside several DHS buildings went dark. Emergency reassignments were issued overnight. Trump was preparing directives designed to expose the infiltration pipelines.

Inside the White House, preparations were underway for a broadcast known internally as “SOVEREIGN REVEAL.” This briefing outlined the foreign influence networks inside U.S. institutions; the continuation of psychological operations through mainstream newsrooms and a very coordinated effort to map, predict and manipulate American behavior through synced devices and cloud infrastructures.

Cyber-forensic teams have already pulled the internal communications from major media outlets, device manufacturers and data-analytics partners. The silence of the Mainstream Media was not confusion. It was fear.

Trump’s team was entering high-level diplomatic exchanges intended to unravel the real machinery behind the Ukraine conflict — the laundering channels, the digital asset transitions, the covert labs and intelligence pipelines masked as foreign aid.

Satellite data, decrypted transmissions and banking records now pointed to a multinational structure that used the war as a smokescreen to shift assets, people and technologies. Those channels were being exposed and dismantled.

This was why Trump was back in Washington. Not for ceremony, but for a controlled ignition of a multi-front operation that has been built quietly, precisely and legally for years. Every file has been duplicated. Every path has been traced. Every safeguard was in place. And this week, The Plan would surface. Prepare accordingly.

The last watch stander at Mount Weather turned the lights off manually at 02:04. He then walked to the helipad, climbed into a waiting Sikorsky with no tail markings, and lifted into black sky.

The facility’s entire power plant went cold five minutes later; not a failure, a deliberate shutdown from a switch that was supposed to have been removed in 1974.

Every screen inside now displays only a slow-moving American flag and the words STAND BY.

At 02:33 the Federal Register’s printing facility in Laurel executed an unscheduled run of exactly 144 pages. The pallets were loaded onto two unmarked trucks that left without signing

the manifest. Those pages contain the notices that will replace every current agency head with acting replacements whose names have never appeared in any confirmation hearing.

Distribution begins at dawn. The republic you woke up in will already be archived. The end of their world has already happened. We are only waiting for the rest of us to notice.

EBS

B. The Restored Republic Command Authority issued a final order: The global EBS eight-tone activation sequence will fire. When those tones hit, every screen on Earth will see, in this order:

1. **Raw Dallas 1963** in 8K
2. **Raw 2020 election theft** in real time
3. **Live GITMO executions** of the worst
4. **Full NESARA/GESARA** proclamation
5. **Your personal Med Bed appointment and QFS balance**

Continuity of government is now 100 % under 1776 law. Cheyenne Mountain is the new heart of the free world.

Every fake event ever planned is dead. Every clone is ash. Every chain is broken.

My father began this war with a dream and a bullet took him. I'm finishing it with fire, truth, and the roar of a free people. Lock arms with your families. Charge every device. Look evil in the eye and smile. The best is yet to come. Enjoy the show, patriots. God wins. ...US Debt Clock on Telegram

C. Estimated Timeline

The Global Currency Revaluation (RV) ignited Sat. Evening 29 Nov. 2025 at 8:00 PM EST, with Tier 4B notifications lighting up secure channels for the first wave of redeemers—those appointed to seed humanitarian projects across the nation and beyond.

Payouts commenced immediately thereafter, unlocking trillions in suppressed assets through the Quantum Financial System (QFS), a flawless ledger of truth impervious to the Cabal's manipulations.

On Mon. 1 Dec. 2025 at 1:30 pm EST the QFS went live and opened a 48 hour window (to **11:30 EST Wed. 3 Dec. 2025**). Banks were hiding it.

The actual Revaluation (RV) launched at precisely 6:00 PM EST Mon. 1 Dec. evening, with Tier 4B codes disseminating to the vanguard of lightworkers, unlocking vaults of prosperity through the impeccable Quantum Financial System (QFS)—a divine algorithm that tallies every stolen cent and redirects it to the righteous.

Also on Mon. 1 Dec. at 17:55 UTC RV/GCR final Liquidity Gates widened to public tier-5. First confirmed 800-number release recorded in Reno mirror at 17:57:02. **Tier 4B redemptions began at 11:11 local time in 41 protected centers worldwide.**

Simultaneously on Mon. 1 Dec. 2025 the first wave of humanitarian fund releases hit Zimbabwe, Mongolia, and rural Indonesia.

Payouts cascade forthwith, infusing quadrillions into global humanitarian endeavors, from famine relief in Africa to rebuilding shattered cities in the heartland, all secured against the fraud that once ensnared the world.

Debt forgiveness activates nationwide at midnight, dissolving chains of indenture—homes reclaimed without lien, educations unburdened, and ledgers wiped clean, erasing mortgages, student loans, and credit burdens in a Debt Jubilee.

NESARA/GESARA's embrace extends further, abolishing usury and igniting a wealth transfer of historic magnitude: black budgets transmuted into bountiful trusts for the faithful, birthing an era where scarcity yields to superabundance under gold-anchored sovereignty.

Serious Military Mass Arrest Operations have been in motion around the Globe since Fri. 28 Nov. 2025. Special units from Russia, Brazil, Europe, France and Germany were placed in Texas, Florida, New York City and Washington DC for high profile arrests of Elite Cabal members, Bankers, Politicians and Media Moguls.

At dawn on Mon. 1 Dec. 2025 President Trump unleashed the White Hats on Washington DC via Mass Arrests of Deep State operatives. Over 300 high-profile figures were detained in the initial hours, from Capitol Hill to Silicon Valley boardrooms.

These Mass Arrests were expected to continue throughout the **Mon. 1 Dec. week.**

That same Mon. 1 Dec. morning, just past midnight, jubilant dispatches came in about child rescues on an unprecedented scale. More than 7,000 precious souls had been freed from subterranean lairs in Ukraine, the Southwest deserts and Pacific islands.

These extractions, executed with precision under the Quantum Financial System's (QFS) oversight, paved the way for Emergency Broadcast System (EBS) activation **on that same Mon. 1 Dec.**

Med Beds deploy in earnest from December 3 onward, commencing in secure enclaves from Nevada to the Alps, granting wholeness to the war-torn, the aged, and the young survivors first—bodies mended, spirits revived, in fulfillment of ancient covenants.

Over the next 24 to 48 hours, the final activation steps are expected to move into position. Official notifications could appear at any time, signaling the beginning of the new financial era that has been quietly building behind the scenes.

Global Activation The reset is now approaching its live phase. Central banks and financial authorities across multiple regions are aligning for a synchronized confirmation of the transition. Once the switch is acknowledged, the new quantum-secured monetary system will begin operating openly.

Wallet Access Clear instructions will follow on how to access the QFS wallet. I'll be among the first to log in and view the updated digital assets. The rollout may involve encrypted app updates or secure system alerts, but the process is expected to be simple due to the extensive preparation already completed.

Financial Reset New currency values will appear directly inside the wallet interface. Adjustments to debts, balances, or legacy accounts may follow automatically. Every update will be logged through the quantum ledger, ensuring complete transparency and verifiable records of each transaction.

Smooth Transition All prior trials have been successful. Recent test operations included a fully offline quantum-safe transfer that executed without errors. With the infrastructure stable and support teams positioned, the transition is expected to unfold cleanly and without significant disruption.

Everything is aligned. The framework is ready. Keep your notifications enabled, we are only hours away from a historic shift in global finance.

H. Mon. 1 Dec 2025 BREAKING: Trump and Military Alliance Launch Global Raids—Thousands of Children Rescued as Elite Trafficking Networks Face Total Destruction!

...Nesara Gesara Activation Spot

With Donald Trump now firmly back as the 47th President, the Military Alliance has unleashed its full power, dismantling the deep state's darkest operations. The recent Iceland raid—where missing children from Canton, Ohio, were rescued—was not an isolated event. It's part of an unstoppable global mission to obliterate elite trafficking networks.

Routine for the Military Alliance For the Military Alliance, these operations are now standard. Hundreds of missions have been executed worldwide since Trump's return, liberating thousands of children from elite trafficking rings. Underground bunkers, elite compounds, and isolated islands are being raided and dismantled with surgical precision.

The Iceland mission, a critical strike against trafficking hubs, revealed an elite-run logistics network spanning Denver, London, and the Island of Jersey. Advanced surveillance and biometric tracking enabled the Alliance to neutralize these operations in record time.

Trump's Leadership: A New Era of Justice Under Trump, the Military Alliance has erased the barriers that once protected the elite. Corrupt governments, compromised institutions, and the mainstream media can no longer shield the guilty. With Trump as Commander-in-Chief, the Alliance operates with total global authority, dismantling the infrastructure that sustained these atrocities.

This isn't just about rescuing children. It's about exposing and destroying the systems that allowed these crimes to exist. Banks laundering money, tech companies enabling trafficking, and global organizations providing cover are all being taken down.

Hundreds of Thousands of Children Rescued Since the Alliance's operations began, hundreds of thousands of children have been liberated. Hidden facilities equipped with advanced security systems and medical labs have been exposed. Evidence implicating elites in politics, entertainment, and finance is being collected for public trials and tribunals.

The Elites Are Cornered The elite's desperation is palpable. Their assets are frozen, communications intercepted, and escape routes severed. Recent attempts to flee to remote bunkers have been thwarted, with key figures taken into custody. The Alliance anticipates every move, ensuring no place is safe for them.

Total Exposure Is Coming The Military Alliance is preparing for a moment of global reckoning, where the full extent of the elite's crimes will be revealed. Public tribunals, arrests, and undeniable evidence will shatter any remaining illusions.

A Future Without Elite Control The ultimate goal is to dismantle the system that enabled these horrors, ensuring a future of freedom and justice. With Trump and the Military Alliance leading the charge, the grip of the elites is being destroyed.

The storm is here. The world will never be the same. Stay vigilant—truth and liberation are at hand.

J. Mon. 1 Dec. 2025 2025'S BIGGEST BOMBHELL: THE EVIDENCE WAR BEGINS — TRUMP UNLEASHES DOJ & FBI ON EPSTEIN'S ELITE NETWORK: Clinton, Summers, Hoffman, JPMorgan, Chase — They're All in It

The Deep State trembles. Trump detonates the mother of all bombshells in 2025. No mercy. No retreat. The evidence war erupts like a thermonuclear strike.

Democrats' Epstein hoax explodes in their faces. Their shutdown fiasco crumbles under the weight of their own filth. They flung the pedophile distraction like desperate rats. Trump catches it. Crushes it. Hurls it back laced with hellfire.

Nuclear order drops. Full federal assault on Epstein's child-trafficking empire. Bill Clinton. Larry Summers. Reid Hoffman. JPMorgan. Chase. Every slimy tentacle named and targeted. These predators feasted on innocence for decades. Their island fortress of depravity now a kill zone.

Trump roars the command. AG Pam Bondi unleashes the DOJ hounds. FBI patriots—purged of traitor rot—storm the gates. This ain't paperwork. It's counterintelligence Armageddon. Deep financial rot. Political cesspools. All exposed. All incinerated.

Clinton's repeated island romps. "Large portions of their lives" drowning in Epstein's venom. Not one flight. Not a slip. Lifelong immersion in the elite's child-rape playground. Logs don't lie. Money trails scream. They built the trap. They sprang it on kids. They blackmailed nations from blood-soaked thrones.

Summers, the globalist puppeteer, wired the cash rivers. Hoffman, tech overlord, funneled the shadows. JPMorgan and Chase? Laundering machines for monster funds. Covering

tracks slick as snake oil. Billions in dirty Epstein grease. They thought untouchable. Trump proves them extinct.

Democrat playbook shreds. Russia scam. Racism lie. Recession bluff. January 6 fiction. Epstein deflection. Every card played. Every hand folded. Panic breeds exposure. Their shutdown corpse rots while Trump carves out their hearts.

War council forms. Bondi's blade sharpens. DOJ restructures for the hunt. FBI deploys as shock troops. No shields for the cabal. Only chains. Raids incoming. Servers seized. Black books cracked wide. Flight manifests bleed names like open veins.

The island's secrets detonate. Hub of corruption. Leverage factory. Predator sanctuary. Filthiest elite playground ever carved from hell. Kids vanished into that maw. Blackmail tapes rolling. Power deals sealed in screams. Trump throws the gates wide. Floodgates of truth drown the liars.

Untouchables shatter. Global order fractures. Flight logs surface like ghosts. Communications leak poison. Financial empires collapse in rubble. Names burn eternal. Clinton's smirk melts. Summers' empire crumbles. Hoffman's billions ignite. Banks bleed dry.

This is the endgame. Cover-up crumbles to ash. Democrats triggered their doom. Pointed at shadows. Illuminated their own gore. Trump executes the kill shot. Modern history's deadliest counterstrike. No survivors in the blast radius.

The great awakening accelerates. Epstein's ghosts rise. Elite networks vaporize. Justice hammers down. Trump's vengeance is biblical. The storm breaks. Predators flee. But nowhere to hide.

At 04:44 GMT, Russian Spetsnaz GRU Unit 29155, acting under direct orders from the real Vladimir Putin (the one not replaced in the 2022 Sochi operation), detonated scalar charges inside the CERN-adjacent Many Worlds portal ring 400 metres beneath the French-Swiss border. The artificial micro-black hole that the Negative Greys were using to siphon human loosh directly into the lower astral was collapsed into a null-point singularity. The blast registered as a “proton beam malfunction.” 1,900 CERN personnel who were actually non-human entities in borrowed skin-suits were disincorporated instantly. Geneva earthquake monitors logged a 4.9. They always lie.

In the same minute, White Dragon Society enforcement teams seized the City of London's physical gold vault beneath the Rothschild banking house in St Swithin's Lane. 8,400

tonnes of off-world tungsten-filled bars were teleported out by Sirian platform and replaced with live demolition charges.

The countdown is public: 72 hours until the financial square mile becomes a crater unless the remaining Crown Templar factions relinquish the 400-year debt note on humanity. Black Sun acolytes in the Square Mile are already evacuating to the Denver continuity bunker. Too late.

On Mon. 1 Dec. early morning White Dragon Society extraction teams, operating with French defectors, raided the last functioning CERN Hadron Ring beneath Lake Geneva. They retrieved 19 cores used for timeline manipulation – that were then rendered inoperable. A planned “40-day darkness” grid-shutdown scheduled for 33 hours from now was mathematically impossible.

The fake “global debt-jubilee virus” on schedule in 33 hours to erase every fiat ledger and blame “white-hat hackers” was neutralized when White Dragon Society archivists delivered directly to QFS live nodes. RV/GCR final liquidity gates were open and bleeding gold into civilian accounts as this line is written.

Coerced P2 remnant Vatican Cardinals forced entry into the Monte Cassino sub-crypt vault where they retrieved 3.8 petabytes of post-1944 Vatican Bank black ledger and the control keys for a global voice-to-skull “Messiah” broadcast. The fake voice you were scheduled to hear in your skull in 27 hours was now a flatline.

Gnostic Illuminati demolition cell and Russian GRU Zaslon operators collapsed the last active Deep State DUMB beneath the Denver International Airport New World Airport sub-level 14. 1,900 trafficked children extracted alive. Med Beds already on site. The fake “rapture beam” projectors scheduled to fire upward from the Great Hall ceiling in 19 hours were vaporized in place.

M. Mon. 1 Dec. 2025 WHY did Q tell you that Israel was saved for last? ...Donald J. Trump on Telegram

Israel was saved for last because it was the key to bringing down the Global Deep State.

Mon. 1 Dec. 2025: [ZIONISM UNMASKED IN 10 MINUTES](#)

This isn't anti-Semitism. I'm referring to the Kazarian Jews – the fake northern European Kazars who stole the identity of real Jewish people and created the Rothschilds/Rockefellers. They all came from South Germany where they created the Illuminati in 1776. There they took control of the local governments, financed the trains and public roads.

They created the ROTHSCILD'S banking systems throughout Europe and helped JP Morgan take over the U.S. banking system. This was after the Titanic killed the biggest U.S. Bankers and richest tycoons who were against creating a federal reserve controlled by the ELITES.

The Khazarians were fake Ashken Nazi Jews who made a deal with the Roman Empire and bought off Jewish Leaders to come into Judaism, where they named themselves Jews.

To this day Elite families of Khazarian descendants control Israel. It was Khazarians who created Rothchilds banking. They then created WORLD WARS to install governments and loan money for wars and created 70% European laws through war and propaganda.

To this day the GLOBALIST/Kazariams run Israel and created the United Nations and took over countries and governments.....

Most people are unaware that the U.S. government and most Democrats and Republicans are run by the Kazarians Fake Jews.

This is why Q told you Israel is saved for last. The Global Military Alliance was taking down fake Jewish sector that intertwined with the real Jews. Real Jews were also fighting against the fake Jews Zionist Khazarians.

You were watching the EXPOSURE of how a Captured U.S. government by outside foreign entities created a MILITARY COUP using the CIA and other three letter agencies.

TRUMP was PLACED to EXPOSE the CAPTURED U.S. GOVERNMENT. This is all happening and being recorded into Congressional records, the United States Archives and Military sectors.

The world will change on a massive level as the CIA Globalist Western funds and fiat currency comes near extinction level.

Right now in Congress a huge topic is taking place on Globalist powers and their reach into the U.S. system that is connected to an OPEN MILITARY COUP.

World courts are looking to documents, files and servers that prove Netanyahu could be held accountable for crimes against humanity and mass murder and corruption.

If this fails WHITE HATS from other several united countries are going to keep pushing for his arrest. (Later after the near Death civilization EVENTS come to a close military courts will go after Netanyahu)

Right now in Israel a near CIVIL War is brewing and white HATS inside the Israeli government are initiating a military COUP to unseat the puppet masters of Israel.

The real story of the Illuminati reaches far back into the Knights Templar who created the earliest banking systems through Europe The story of the Knights Templar goes back to the middle East where they found Kings Solomons gold and the real Ark of the Covenant.

Hugh De Payens was one of the leaders of the Knights Templar. De Payens had family that was of the Islamic faith and they had deep connections to the secret society of the Brothers of the East. The secret society met with the Templar's Knights and De Payen and gave them the secrets of the ATLANTIS.

The real story connected to the original hidden Bible, Angels, aliens and different deities who were connected to old Sumer Gods Mesopotamia, the civilization before Christ and several other civilization hundreds of thousands years older – much like ATLANTIS and their connections to the Anunnaki.

O. Mon. 1 Dec. 2025 TRUMP ANNOUNCES: NO INCOME TAX, NO IRS! NESARA GESARA IS HERE! ...Nesara Gesara Activation Spot on Telegram

KABOOM! It’s January 26, 2025, and President-elect Donald J. Trump just dropped the biggest bombshell in American history! Standing before a roaring crowd, he declared: “How about no tax? We could do that. If the tariffs work out, a thing like that could happen!”

This is more than a promise—it’s the beginning of the NESARA GESARA era, a golden age where financial slavery ends, and freedom reigns!

GOODBYE INCOME TAX, HELLO FREEDOM! For over a century, the IRS has drained the lifeblood of the American people. Trump’s vision? No more income tax. No more property tax. NO IRS. This isn’t just talk. Trump’s plan is rooted in history—America thrived

without income taxes before 1913. What changed? The Federal Reserve and the IRS were created, enslaving Americans under a corrupt system.

Now, Trump is ready to tear it all down and replace it with a fair, simple system: A 14% flat tax on non-essential goods—no taxes on food, medicine, or housing. A gold-backed currency that ends the Federal Reserve’s stranglehold.

NESARA GESARA: THE PEOPLE’S RESET This isn’t just an idea; it’s a revolution! Under NESARA GESARA:

Debt erased—mortgages, loans, and credit card debt wiped out!

IRS abolished—no audits, no harassment.

Financial privacy restored—Big Brother is out of your wallet.

6,000 suppressed technologies released—free energy, miracle cures, and more!

TARIFFS: TRUMP’S MASTERPLAN How will this work? Trump’s strategy is simple: tariffs on foreign imports. By taxing global elites and foreign competitors, he protects American workers while funding the government without stealing from your paycheck.

1871 AND THE DEEP STATE Trump’s plan goes deeper than taxes. He’s targeting the corrupt system born from the Organic Act of 1871, which turned America into a corporate entity controlled by elites. By dismantling the Federal Reserve and the IRS, Trump is restoring the republic and bankrupting the deep state.

THIS IS IT—THE GOLDEN AGE HAS ARRIVED! Trump isn’t just changing policy; he’s changing lives. The NESARA GESARA framework ensures: True ownership—no property taxes. Unhackable elections with the new QFS voting system. Global prosperity through humanitarian projects.

IT’S TIME TO RISE! The storm is here, and Trump is leading the charge. The old system is crumbling. Are you ready to embrace the future? Freedom is calling.

P. Mon. 1 Dec. 2025 THE HIDDEN WAR SURFACES ...Ezra A. Cohen on Telegram

For years the southern border was treated like a political talking point, but the truth beneath it was far darker. The cartels were never simple drug gangs - they were weaponized extensions of global networks that fed money, chaos, and human suffering into the veins of the deep-state machinery. Now that machinery is being cut apart. President Trump has authorized direct military action to dismantle the southern arm of the elite system, targeting the compounds,

airstrips, laundering hubs, and hidden safehouses that kept their operations alive. This is not policy. This is wartime command, long prepared and finally unleashed.

Inside NORTHCOM, target lists have been refined through military satellites, signal intercepts, and flipped cartel insiders who chose cooperation over GITMO transport. Special Operations Command North has spent months building operational packages, aware that the Sinaloa and Jalisco networks were far more than narcotics syndicates. They protected trafficking corridors, off-grid biolab routes, experimental agents, and covert financial channels tied to high-level actors across governments and intelligence circles. The quiet war councils held this summer, involving military leadership and insiders who broke ranks from compromised agencies, marked the shift from intelligence to action.

What no one in the mainstream will acknowledge is that cartel influence reached deep into political, military, and NGO structures on both sides of the border. They moved drugs, yes, but they also moved people - high-value trafficking victims, children taken for elite networks, and individuals marked for organ extraction and classified experimentation. Entire sectors of Mexico's government were compromised. Elections, ports, transport systems, and local units were controlled by cartel command. And when military surveillance traced encrypted communications from cartel leaders to European servers tied to old intelligence black archives, the final proof arrived: these groups were pillars of a global shadow economy.

Now the curtain is lifting. In the Southwest, special forces units are already in motion. Airfields are being monitored by drones running silent. C-130s have touched down in remote bases, and unmarked convoys equipped with jammers and next-generation kinetic tools are deploying at night. No press. No leaks. Just quiet mobilization for an operation that has a December readiness deadline built into its structure. If cooperation from Mexico collapses, extraterritorial engagements have already been authorized. Targets will be hit, neutralized, and left behind without negotiation.

This strike is not about borders. It is about severing the lifeline that kept elite networks funded and protected, the cash channels, the chemical streams, the trafficking corridors, and the hidden assets that fueled a global system of control. The expansion of GITMO, the sudden flights with sealed manifests, the elites fleeing to non-extradition zones - all of it signals a single reality: the system that hid in the shadows for decades is finally being hunted. This is the moment it feared. And this time, Trump is not adjusting the playing field. He is breaking it.

Q. Mon. 1 Dec. 2025 JOHN BRENNAN was never for the American people, especially with his shady communist background, and traitorous actions while Director of the CIA that speak for themselves. ...Nesara Gesara Exposed on Telegram

From being labeled the assassination czar for Obama's secret drone strike program, to running a weekly Tuesday morning kill list with Obama, and openly claiming to be Muslim, John Brennan is not someone you can trust, and his actions confirm it.

Leading torture programs that could be considered a war crime, and going after whistleblowers like John Kiriakou, to illegal wiretapping operations, Brennan had his hand in all of it being Obama's right hand man and still does to this day

He lied about the amount of civilians being targeted and killed in our drone strike operations, even targeting teenagers under Obama, illegally tortured to many to count, and also approved visas for the hijackers who "allegedly" were involved in 9/11 that was NEVER even investigated to this day.

To top it all off and to show the roots of who these people really are and without even getting into the entire Russia Collusion Hoax that was an extremely sloppy op with Brennan's name all over it, Brennan was also voting for self admitted communist in American elections and still somehow managed to become an agent of the CIA and then director.

That should tell you everything you need to know about the type of factions within our own government that are running our intelligence agencies.

Brennan was openly supporting and voted for Gus Hall and Angela Davis in the early 1980s election, who were both open communists. Angela Davis alone was also an activist, member of the Black Panthers, and was even on the FBI's Most Wanted list. You just can't make this stuff up.

It's time every single traitor to this country and the American people get what they have coming to them, and John Brennan is one of them.

S. Mon. 1 Dec. 2025: TRUMP'S RETURN TO WASHINGTON MARKS THE POINT OF NO RETURN

Something shifted the moment President Trump stepped back into Washington.

This was not a routine visit. It was a signal. A quiet confirmation that the phase built in the shadows since 2021 is finally moving into open execution. The flight from Florida looked routine only on the surface. Behind it, Washington began tightening from the inside. Convoys moved without media coverage. Communications inside several DHS buildings went dark. Emergency reassignments were issued overnight. These were not coincidences, but coordinated markers from the inner command structure.

What happens this week is not political theater. Trump is preparing directives designed to expose the infiltration pipelines built between 2008 and 2024, from migration systems to digital-ID frameworks and federal contracting networks. The asylum programs fast-tracked under humanitarian branding are now confirmed as operational routes, and the biometric card systems issued between 2021 and 2023 are under full federal review. Embedded scripts, foreign-linked access points, and behavioral-tracking firmware have already been traced. Those cards weren't identification tools. They were compliance tags. And the contracts behind them lead back to European intelligence fronts, NGO networks, and private banking hubs that believed they were untouchable.

Inside the White House, preparations are underway for a broadcast that will bypass traditional media entirely. The operation known internally as "SOVEREIGN REVEAL" is set to begin. This briefing will outline the foreign influence networks inside U.S. institutions, the continuation of psychological operations through mainstream newsrooms, and the coordinated effort to map, predict, and manipulate American behavior through synced devices and cloud infrastructures. Cyber-forensic teams have already pulled the internal communications from major media outlets, device manufacturers, and data-analytics partners. The silence of the press corp is not confusion. It is fear.

At the same time, Trump's team is entering high-level diplomatic exchanges intended to unravel the real machinery behind the Ukraine conflict — the laundering channels, the digital asset transitions, the covert labs, and the intelligence pipelines masked as foreign aid. Satellite data, decrypted transmissions, and banking records now point to a multinational structure that used the war as a smokescreen to shift assets, people, and technologies. Those channels are being exposed. And once exposed, they will be dismantled.

This is why Trump is back in Washington now. Not for ceremony, but for a controlled ignition of a multi-front operation that has been built quietly, precisely, and legally for years. Every file has been duplicated. Every path has been traced. Every safeguard is in place. And this week, parts of the map begin to surface. Prepare accordingly.

The Vaccination Hoax: Mon. 1 Dec. 2025: In 2008, CBS actually aired a report by Sharyl Attkisson exposing how top vaccine advocates received substantial funding from pharmaceutical companies—raising serious concerns about conflicts of interest in vaccine safety claims. Can you imagine the MSM airing such a report today?
