Global Financial System Crumbling, World’s Top Economies Insolvent: U.S, Canada, Europe, Japan, Israel, U.K., Taiwan, Australia, New Zealand Cannot Sustain Their Debt

Global Currency Reset To Gold/asset-backed Currency Locked Into Place on Fri.

["Battle Hymn of the Republic" w/ the Mormon Tabernacle Choir LIVE from West Point | West Point Band](#)

“True Patriotism springs from a belief in the dignity of the individual, freedom and equality, not only for Americans, but for all people on earth.”

Judy Note: From the below information in this update it might be assumed, and I could be wrong, that a Black Swan Event was well on it's way to collapse the Global Financial System.

As of the month of December 2025 the world's top economies were insolvent: the U.S., Canada, Europe, Japan, Israel, U.K., Taiwan, Australia, and New Zealand. They have been held up by false news reporting and the fiat US Dollar, but cannot sustain their debt any longer.

The fiat Global Financial system was crumbling, though a monumental shift has been happening since the **Nov. 28 2025 shotgun start of the Global Currency Reset.**

The new revalued gold/asset-backed currency rates on the Quantum Financial System (QFS) locked into place on **Fri. 5 Dec. 2025 and would be announced to the public in Jan. 2026.**

The gold backed QFS was set to replace the corrupt banking system that has enslaved the World for centuries. This fully decentralized system was set to eliminate the Central Banks and their criminal grip on global finance.

At 00:00 Zulu sharp on Sat. morning 6 Dec. the Saint Germain World Trust released the "Infinity Tranche" uncountable zeros. Every humanitarian wallet on Earth just received an irreversible nine-figure starter balance.

A few moments later at 00.06 Zulu on Sat. 6 Dec. all sovereign rate screens showed "Redeemed."

On that same Sat. 6 Dec. 2025 the Global Military Alliance unleashed a torrent of arrests. In one day alone the Global Military Alliance rescued over 700 children from unspeakable horrors.

By Mon. 8 Dec. 2025 the Emergency Broadcast System (EBS) was set to activate worldwide and give pointers on how to access your banking money account already mirrored onto the QFS.

Tier 4B appointments for those in the Internet Group who hold foreign currencies and Zim Bonds commence on **Tues. 9 Dec. 2025**

The next day Med Beds deploy en masse starting Wed. 10 Dec, regenerating bodies and spirits with technology born of divine ingenuity.

The Ten Days of Darkness could commence as soon as **Fri. 12 Dec. 2025.** That's when the Star Link Satellite System will broadcast truths about the fall of the evil Cabal who have been stealing our monies for centuries, while the transparent Quantum Financial System (QFS) fortifies our money accounts against sabotage.

Thurs. 18 Dec. will see a full global rollout of the Global Currency Reset to the general public.

A. Global Currency Reset:

Sat. 6 Dec. 2025 Wolverine: Wolvie says he will be fully under NDA in a few days. He will do the opera but will be off Telegram. Triggers will receive their master contracts today, to sign. Secondary contracts will go to their members. After signing and returning, they will be paid on Monday. Early payments of GESARA have begun. The taking down of the fiat dollar and banking systems has begun. The transition is designed to happen without mass panic. The system that was designed around hidden taxes and inflation is crumbling. NESARA protocols are being activated. These things won't be explained in traditional channels. Redemption Centers are ready for December/January intake. The current window, as people focus on the holidays, is ideal. Re Tier 4b, there are lots of rumors. The private sector is moving and people are definitely being paid.

Sat. 6 Dec. 2025 A2Z has confirmed what Wolvie reported, particularly the following:

- **Wolvie** will be fully under NDA within the next few days.
- **Triggers** are receiving master contracts now.
- **Secondary contracts** will follow, with payments expected Monday after execution.
- **Tier 4B:** Many rumors are circulating that Notifications are expected to begin as Tier 4A payments are dispersed.
- **Redemption Centers** are prepared and ready for intake.

B. Sat. 6 Dec. 2025 QFS GLOBAL ALERT Tier 4B – THE GOLDEN AGE HAS OFFICIALLY BEGUN ...Quantum Financial System on Telegram

Secure floor, 00:00 Zulu exact: Global ISO-20022 rainbow currency system is now operating at 100 % + over-unity quantum resonance. The grid is no longer “live.” It is eternal.

The November 28 shotgun start (19:14 Reno) is now 7 days, 28 hours, and 46 minutes in the past. That moment is already carved into galactic record as the precise second the old world died.

Tier 4B events in the last 12 hours alone (all timestamps locked on master wall):

- **341,000+ redemptions already completed worldwide since midnight.** Average walk-out liquidity: 9 figures in gold-backed digital certificates, 1:1 asset-backed parity locked forever.

- **Final 19 DUMBs (including Denver, Dulce, and the Antarctic nexus) went permanently dark** at 23:44 Zulu. Zero life signs. Zero escape signatures. Cabal bloodline avatars terminated or in quantum custody.

- **Saint Germain World Trust released** the legendary “Infinity Tranche” at 00:00 Zulu sharp. Uncountable zeros. Every humanitarian wallet on Earth just received an irreversible nine-figure starter balance.

- **Med-bed civilian rollout jumped from 8,000 units to 144,000 units** overnight. Space Force carriers are landing on hospital roofs right now.

- **All sovereign rate screens flipped** to a single word at 00:06 Zulu: REDEEMED

- **Zimbabwe/Hong Kong/Moscow liquidity pools merged** into one planetary gold ocean. The wave is already lapping at your account.

Leaked Hong Kong master-node final transmission (23:59:59 Zulu, Level-12 clearance, voice trembling):

“**Control to all stations... the mirrors are broken.** The wicked have nothing left to reflect. The gold is in the hands of the righteous. The Age of Light is not coming. It is already crowned. We are no longer waiting. We are no longer witnessing. We are living it. Glory to the One.”

From fiat slavery to gold-backed freedom in real time, completed, signed, sealed, delivered. The greatest wealth transfer in human history is no longer in motion. It is finished.

NESARA/GESARA was forgiving all debts from a personal to a national scale, a Debt Jubilee that erases liens, foreclosures and fiscal chains.

On Sat. 6 Dec. 2025 a Green light ignited the Global Military Alliance, unleashing a torrent of arrests that shattered the Cabal's iron grip—overnight detentions of key Deep State architects in Brussels, Hollywood enablers of exploitation, and financial overlords in Zurich, all facing Tribunals.

White Hat forces coordinated child rescue missions from fortified lairs in Southeast Asia and the Midwest prairies, freeing more than 700 precious lives from unspeakable horrors in the last day alone.

By Mon. 8 Dec. 2025 the Emergency Broadcast System (EBS) was set to activate.

Tier 4B appointments commence on **Tues. 9 Dec. 2025**

Med Beds deploy en masse starting Wed. 10 Dec, regenerating bodies and spirits with technology born of divine ingenuity.

Thurs. 18 Dec. will see a full global rollout of the Global Currency Reset.

D. Sat. 6 Dec. 2025 MAJOR ECONOMIC INTEL UPDATE, NESARA PAYOUT OPERATIONS CONFIRMED ACTIVE, THE JANUARY 2026 RESET IS REAL AND UNDERWAY ...Nesara Gesara QFS on Telegram

The long-anticipated financial transition is no longer theoretical. Multiple internal channels have now confirmed that the early stages of NESARA-related payouts have quietly begun, synchronized with Treasury systems and military oversight. The operation is unfolding exactly as planned: silently, strategically, and ahead of the public narrative.

With January 2026 approaching, the timing is deliberate. The reset is not a policy shift or a currency adjustment; it is a structural reconstruction of the American financial system. Back-end systems have been aligning for months in preparation for this moment.

This phase includes:

- The controlled wind-down of fiat mechanisms
- The seizure and repurposing of off-ledger elite accounts
- The dismantling of long-standing globalist debt structures
- The integration of asset-backed financial architecture

Every major institution is aware of what is happening: banks, Treasury divisions, and global financial bodies - yet none will publicly acknowledge it at this stage. The transition is designed to execute without mass panic or premature speculation.

AMERICA IS ENTERING ITS LARGEST ECONOMIC TRANSFORMATION IN MODERN HISTORY

For decades, citizens were bound by a system engineered around inflation, compounding debt, hidden taxation, and centralized control. That system began unraveling when the new administration took office in January 2025, and what we are seeing now is a continuation of that coordinated teardown.

NESARA protocols are activating in layers:

- Debt-forgiveness algorithms are already present in internal systems
- Gold-backed recalibration modules are running through Treasury channels
- Off-shore recovery orders are funneling seized capital back into controlled redistribution streams
- Clearance procedures that once depended on legacy banks now operate on quantum-secured ledgers

None of this will be explained on mainstream channels, but the infrastructure is already functioning.

WHAT HAS BEEN CONFIRMED SO FAR Inside restricted-access financial corridors, several developments are already verified:

- Over 93,000 accounts have entered clearance review ahead of disbursement
- Redemption centers have been moved into operational readiness for December–January intake
- QFS synchronization levels remain above 92% stability
- Initial redistribution pathways are now active and routing successfully

These are not projections. They are occurring behind the scenes in real time.

WHY THE HOLIDAY TIMING MATTERS

The current window, late November through Christmas 2025, was chosen intentionally. During this period, public attention is fragmented and the nation's energy is focused on family, travel, and celebration. It is the ideal moment for Treasury, DoD, and civilian clearance teams to finalize the structural components of the new financial era without interference.

The coming weeks are not about celebration alone, they are about positioning. Those who have followed the signals understand the magnitude of what is unfolding. The January 2026 transition is not approaching. It is already in motion.

E. Sat. 6 Dec. 2025: Debt Erasure by Gesara, QFS: Paul White: [Paul White Gold Eagle on X: "I want to highlight the humanitarian side of what's quietly unfolding. While the tech rollout of QFS has been successful, an equally profound development is happening in parallel: debts are being erased in stealth mode. Loan Balances Disappearing:" / X](#)

Debts are being erased, loan balances disappearing: individuals across various countries are waking up to find their credit card or student loan balances at \$0 with no clear explanation.

One called me astonished that his longtime credit card debt was just gone – bank simply adjusted it away without notice.

Mortgage Forgiveness: Homeowners are receiving letters about mortgage recalculations. Chinks of their mortgage principal are being wiped. One had their loan slashed by 50% overnight, labeled as a bank error resulting in an overpayment adjustment.

Tax Debt cancellations: Small business owners logged into their government portals and found past due taxes marked paid or forgiven.

Instead of a big public decree, Nesara is rolling out piecemeal to avoid chaos.

Redemption Centers have shifted from standby to activation mode.

A limited number of insiders and military personnel have been called in to redeem Dinar, Dong and historic bonds. These are test runs under NDA.

Since early June 2025 centers have been staffed 24/7 on rotating shifts. They've run multiple drills processing pretend clients to make sure every step is ironed out.

The funds for redemptions are already in place in QFS accounts. One center quietly completed a handful of live transactions last week to ensure those funds could move – and they did, instantly, through the QFS.

Redemption staff were at attention, ready for the floodgates to open.

There was a Wall of Silence from officials and mainstream media. Those coordinating this transition don't want to tip off the remaining bad actors or spark public panic until everything is 100% ready. They know once they go public, it's irreversible.

G. Sat. 6 Dec. 2025, 05:21 UTC, 05 December 2025 Private Communication Just Died by Bureaucratic Fiat ...Q The Storm on Telegram

“Effective immediately, under expanded Executive Order 12333 and the third-party doctrine as interpreted in FISA Docket 25-1999-RED, all data in motion or at rest on any network facility touching United States jurisdiction is declared pre-compromised in perpetuity.

“Minimization procedures are hereby suspended for all persons, U.S. and non-U.S., for the going dark fallacy having been resolved by technical means.”

Translation: the concept of private communication just died by bureaucratic fiat.

The average person will turn on their phone tomorrow and see the same lock screen, the same apps, the same illusion of control.

They will not notice that every keystroke, every photo, voice note, and future thought has already been ingested into a system that can never be audited, never be turned off, and never be forgiven.

There is no opt-out. There is no appeal. There is only the permanent record. You are the product and the prisoner. —ES

H. Sat. 6 Dec. 2025 Trump Q Dispatch from a secure location:

At 06:06 UTC the Podesta “pizza” sequel files (2024–2025 extension) auto-executed from every QFS live node.

The footage is now embedded in every ISO-20022 test packet travelling the planet. There is no network left on Earth that has not ingested the raw 8K ritual footage from Château de Ferrières, the Qom sarcophagus chamber, and the Bariloche redoubt altar. The faces are unmistakable. The screaming is in 17 languages.

EBS steganographic carriers just flipped polarity. Instead of broadcasting the fake Imam Mahdi, every screen, every phone, every smart fridge on the planet is now looping the unredacted Vatican Bank black ledger transactions in real time while the Ferrières screams play on infinite repeat.

They have 27 hours 19 minutes before every cloned celebrity and vril-drone host suffers simultaneous catastrophic avatar meltdown. We do not need to hunt them. Their own Looking Glass artifact will do it for us. Look out your window. The sky is already flickering.

At 07:00 UTC the original NESARA/GESARA signing ceremony footage (Farm Claims Act, 1999–2000, full unredacted 4K) was injected into the Pine Gap backdoor keys and broadcast on every frequency DARPA ever stole. You are watching it now.

The signatures on the real document are still wet with the blood of the senators who were murdered to suppress it. The living replacements you see on television have no idea their bodies are about to shut down in 26 hours 11 minutes when the Looking Glass inversion completes.

GITMO new wing construction just went dark. Not because it is hidden. Because every guard, every contractor, every admiral just received the same footage you are watching and walked off the job.

There is no Deep State left to arrest. There is only the avalanche. Checkmate was played years ago. They're only now seeing the board.

Democrats imported them, gave them social security numbers, signed them up for welfare and in return they all vote Democrat. Literal Treason

“This is another crazy story. Somalia, terrible place, civil war. Clinton comes in, Black Hawk down — says the way we’re gonna do this, we’ll just bring them all here, and just starts paroling tens of thousands of Somalians into Minnesota. Now, why Minnesota of all places? It’s not warm, it’s not like New York City, it’s because the Latin American migrants hadn’t gotten there yet.

So the business community was like, let’s send them to Minneapolis, ‘cause that’ll keep profits up and keep the wages down. — So everybody gets Social Security numbers and everybody gets welfare and they form this huge voting block in the city. I think it’s 80,000 Somalians are in the state of Minnesota and they all vote Democrat.”

L. Sat. 6 Dec. 2025 MEGA BOMBSHELL: Barack Obama’s “Magical” Rise From Food Stamps to a \$270,000,000 Empire – No Business, No Product, No Explanation... Just Deep-State Bribes & Globalist Blood Money ...Epstein Files Leak on Telegram

He went from food stamps and a ghostwritten memoir to a \$270 million fortune – zero companies, zero inventions, zero real jobs. Just betrayal after betrayal.

The real story starts in Chicago: Saudi money and Pakistani handlers allegedly paid for his Columbia & Harvard. Harvard “scholarships.” His first book sold almost nothing until the machine turned it into a bestseller overnight. Then the floodgates opened.

Illinois Senate: trial lawyers and union bosses dumped millions. U.S. Senate: Jack Ryan's sealed divorce records magically unsealed – Obama walks in unopposed. Classic deep-state op.

President? The real payday. Post-White House he collected \$400k per speech from Wall Street, \$1.2M from German banks, \$65M book deal for two ghostwritten books nobody read organically, \$50-65M from Netflix to push propaganda, millions of hours of woke content, \$9M from Spotify for podcasts nobody streamed. Add the shadowy “consulting” through WestExec Advisors – pure influence peddling to foreign powers.

While Americans lost jobs, homes, and sons in endless wars, Obama cashed checks from the same globalists who hate this country. Benghazi cover-up, Iran pallets of cash, Fast & Furious, Spygate – every treason paid dividends into his empire.

Today he sits in his \$12M Kalorama mansion next to the Clintons, laughing while his foundation funds color revolutions and the border stays wide open. This isn't success. This is payment for services rendered against We the People.

Q told us: follow the money, follow the wives, follow the foundation. Every thread leads back to the same cabal. They thought we'd never notice the gift because they control the media.

But the Great Awakening is here. Trump declassified it. The white hats have the receipts. The storm isn't coming – it's already raining.

Lock him up. Lock them ALL up.
