*“We have the responsibility to pay special attention to those who, by the accidents of time, place and circumstances, are brought into contact with us. Nothing can replace the value of one human being doing good for another.”*

**Judy Note: On Sun. 18 Jan. 2026** JFK Jr. announced on Telegram, “I don’t always fake my death, but when I do, I take down the whole damn Cabal with it.”

**At the very same time Trump** gave the Green Light for an imminent Worldwide Blackout, EBS, Martial Law, Mass Arrests and completion of the new Global Quantum Financial System rollout to gold/asset-backed currency.

**They were backed up by FBI Director Kash Patel**, who also announced, “Get ready for a Worldwide Blackout, Martial Law, Mass Arrests, Global Currency Reset and freedom from debt from the Cabal.”

**Trump, JFK Jr. and Patel were actually in charge** of this movement designed to land us back to the Restored Republic under concepts of the original Constitution.

**If the above were surprising**, it didn’t compare to what happened back in 2020 – and the underlying reasons for the need for a Worldwide Blackout, Martial Law, Mass Arrests and Global Currency Reset.

**The day before on Sat. 17 Jan. 2026, President Trump** had set off a political firestorm with the below statement on *Truth Social* targeting the Biden regime Autopen. “The Democrats didn’t win the US Presidency... and neither did Joe Biden. It was all rigged. What was done is totally illegal... anything signed that way is of no further force or effect.” – Donald J. Trump

**In one simple sentence this 45th and 47th President had obliterated** the legal validity of actions taken by the Biden administration using machine-signed documents, all while Biden himself was allegedly absent and incapable of authorizing them. Trump then demanded the arrest of every official involved in Biden Administration’s illegal use of the Autopen, calling it a Radical Left Insurrection.

**Sun. 18 Jan. 2026:** [BREAKING: TRUMP CALLS FOR MASS ARRESTS OVER BIDEN'S ILLEGAL AUTOPEN OPERATION - "The Whole Thing Was RIGGED. There Must Be a Price to Pay – and It Has Got to Be a BIG ONE!" - amg-news.com - American Media Group](#)

**Trump's statements had much more legal implications** than appeared on the surface. According to official records Joseph Robinette Biden Jr. actually died on **17 Jan. 2020** following his trial and execution at Guantanamo Bay. His crimes were said to include High Treason, Subversion of the Constitution, Collusion with Foreign Powers and Crimes Against Humanity.

**Evidently the military tribunal procedures were carried out** under Executive Orders activated by President Trump himself. Trump and the White Hats of the Alliance were believed to have set up the 2020 Presidential Election as a Sting to catch these bad guys in Treason – which now the Autopen allegations did.

**On 7 Nov, the Saturday after the 2020 Elections, CIA Director Gina Haspel** was detained on charges of Election Fraud – and said to have spilled the beans on Obama and Biden.

**Obama, Biden and Haspel were suspected of colluding with foreign powers including the Chinese Communist Party**, plus promoting the use of Election Fraud, to put the socialist leaning and compromised Biden/ Harris ticket in power, overtake the US government and establish a New World Order.

**Tues. 1 Dec. 2020:** [Obama, Biden, CIA Director Gina Haspel Evidently Arrested for Espionage, Voter Fraud | Politics | Before It's News](#)

**By Sat. 28 Nov. 2020** former US President Barak Obama, or a version of him, had been arrested in Hawaii and charged with Espionage according to an announcement by Assistant Attorney General for National Security, John C. Demers. Obama's complaint alleged that he compromised US security by conspiring with a business partner and former CIA agent to give US government classified information to high up Chinese intelligence officials in the People's Republic of China (PRC).

**On Sat. 28 Nov. 2020** the president elect Joe Biden Clone was photographed wearing a boot that appeared to hide an ankle bracelet, claiming it was due to an ankle injury. Biden was reported to be under house arrest for compromising US security by conspiring with a foreign power to interfere with a US Election. Although a few months prior, Biden had been quite upfront about his Voter Fraud on national TV, saying right before the election that he had "compiled the most extensive Voter Fraud organization in the history of politics."

**Biden's son Hunter's laptop was said to contain evidence** that Biden was compromised, having accepted millions of dollars from China, the Ukraine and other countries during his years in public office, including his eight years of serving as Vice President of the US.

**A Sun. 22 Nov. 2020 report claimed Joe Biden** stole \$140 million from US Treasury and transferred it to his personal account in the Cayman Islands: “The Report shows Joe Biden stole \$140 million from the US Federal Treasury & transferred the money to Rosemont Seneca, purportedly for Bank Bailouts & then to his personal account in the Cayman Islands.”

**Months before the Election**, the Ukraine had issued a warrant on Biden for his dealings there – news which like everything else connected to the Democrat Cabal, never made it to the Left Wing Mass Media headlines.

**Haspel’s, Obama’s and Biden’s alleged arrests** were said connected to an extensive investigation of massive Voter Fraud issues centering around Dominion Company servers and the 2020 Presidential Election that Biden claimed to have won.

**On 7 Nov, the Saturday after the 2020 Elections**, CIA Director Gina Haspel was arrested for Election Fraud. She was injured by US Spec OP’s forces that raided a Frankfurt Germany CIA server farm site. Unfortunately five US soldiers and one of the CIA mercenaries were killed in the firefight.

**Haspel, evidently in Frankfurt to protect server data** that would potentially incriminate Deep State leaders such as Obama and Biden, was said to be cooperating to lessen her own sentence and revealed information about an extensive Voter Fraud scam perpetrated by Democrats in the 2020 Election.

**The Military raid captured Dominion Voting servers**, which were found to have swung votes from Trump to Biden from their locations in Germany, Canada and Spain. Simultaneous raids took place in Toronto (Dominion Voting System headquarters) and Barcelona Spain (another CIA Scytl server farm used in the election vote switching fraud).

**Although you would never hear about it in today’s Mass Media**, the connections were obviously there. George Soros was head of the Board of Directors for Dominion. Since the Nov. 3 election, a boatload of evidence had come forth around George Soros-owned, CIA-developed Dominion Voting Machines that tabulated the US Election results. The tabulation was done on easily compromised servers in Germany, Canada and Spain through Internet hook ups. The Dominion programs were said to be designed to throw millions of Trump votes to Biden.

**In 2002-2004 a Hammer Supercomputer Scorecard app vote switching algorithm software on Dominion machines** was borrowed from the CIA to be used in Venezuelan-developed Smartmatic vote switching software by dictator Hugo Chavez and Venezuelan military officers in order to rig elections.

**On Sat. morning 28 Nov. 2020 Obama’s [Criminal Complaint](#)** was unsealed by Demers, U.S. Attorney for the District of Hawaii Kenji M. Price, Assistant Director of the FBI’s

Counterintelligence Division Alan E. Kohler Jr., and Special Agent in Charge of the FBI's Honolulu Field Office Eli S. Miranda.

**A judge imposed a “media blackout” in the US on news** about the arrest, but Canadian outlets like *Conservative Beaver* and a couple of Spanish speaking newspapers were not subject to those rules and reported on the high profile arrests.

**Under direction of General Michael Flynn** Mass Arrests were continuing on over 209,000 sealed indictments filed in federal courts across the nation since President Trump took office.

**On Wed. 25 Nov. 2020 Flynn began executing high level arrests overseas** and was presently after pedophiles in the Netherlands – the New World Order and Council of Foreign Relations headquarters – where recently, a lot of planes have mysteriously crashed. Henry Kissinger and others have been ousted from the Council of Foreign Relations.

**Military rendition flights were all over the US.** It was said that hundreds of treasonous actors were being extracted, put onto flights and interrogated until they turned, with an emphasis on finding evidence of voter fraud. These Military flights were increasing in preparation for potential Antifa violence and RV release security.

**For years Democratic Party and some Republican political elites** apparently have been working in cooperation with the Chinese and other Communist Parties to overthrow the US government and set up a New World Order. Trump and the White Hats of the Alliance set up the 2020 Presidential Election as a Sting to catch these bad guys in treason – with intelligence gathered by “The Kraken.”

**The Kraken was the nickname of the 305th Battalion Military Intelligence corps** located at Fort Huachuca, AZ. It provided electronic warfare and signals intelligence (SIGINT). The 305th consisting of six companies, HHC, Alpha, Bravo, Charlie, Delta and Echo.

**On Wed. morning 4 Nov. 2020 right after the Election,** the Department of Defense, 305th Battalion and NSA began recording real time fraud evidence of vote switching from all six Battleground states (GA, PA, MI, WI, AZ, NV) in a blockchain tech ledger that was un-hackable and undelete-able. This real time digital evidence would now be used to prosecute all Deep Staters involved in Election and Voter Fraud – including Obama, Biden and Haspel.

**Page 9 of Sydney Powell's Federal Lawsuits filed in Georgia and Michigan midnight Wed. 25 Nov. 2020:** “The Dominion software was accessed by agents acting on behalf of China and Iran in order to monitor and manipulate elections, including the most recent US general election in 2020.”

**Back on Tues. 1 Nov. 2020 Lt. General McInerney Tweeted:** “It is TREASON. They are trying to overturn this government.”

**The Storm was intensifying as the Global Military Alliance**, under President Trump's command, pressed forward with mass arrests of the final Deep State holdouts.

**In recent days thousands of indictments have been unsealed**, with high-profile figures—corrupt politicians, trafficking network leaders, and satanic cabal operatives—being rounded up in coordinated nighttime operations across the nation and Globe.

**White Hat forces continued liberating tortured children** from underground dungeons, with reports confirming ongoing rescues from hidden facilities tied to elite networks. These operations were dismantling the remnants of child trafficking rings that have plagued humanity for generations.

**Emergency Broadcast System (EBS) activation** draws ever closer, with preparations for the Ten Days of Darkness now in final stages.

**Secure sources indicate that Starlink will take over global communications** as the old systems shut down, allowing uninterrupted broadcasts exposing the full truth of crimes against humanity, rigged elections, and bioweapon agendas.

**Military tribunals were accelerating**, delivering swift justice under the restored Constitution and Nuremberg principles.

**Patriots were urged to stock essentials**—food, water, and supplies—for the brief but intense period ahead.

**The Global Currency Reset (GCR) and Revaluation (RV)** gain unstoppable momentum, with the Quantum Financial System (QFS) now fully operational and enforcing gold/asset-backed currencies across 209 nations since **early January 2026**.

**BRICS nations and the Global Military Alliance** have reclaimed the people's wealth from the Cabal, initiating the greatest wealth transfer in history.

**Tier 4B notifications** have happened for a select few and were soon for the main group of foreign currency and Zim holders, with redemption appointments imminent for Zim holders and others in the Internet Group—payouts accelerating as the shotgun start was now mathematically irreversible.

**Debt forgiveness under NESARA/GESARA protocols** was manifesting: mortgages, credit cards, student loans and national debts were being zeroed out, liberating families and restoring sovereignty. Prosperity funds and tax refunds were poised to flood households, with R&R payments and Social Security increases already in motion for many.

**The old fiat system was crumbling** as rainbow currencies sync globally, ending IRS and Federal Reserve relics overnight.

**Redemption Centers** stood ready under QFS oversight, ensuring fair exchanges and humanitarian priorities.

**Med Beds rollout advances**, with public access expanding after initial demonstrations; these divine technologies, long suppressed, now healed the sick, reversed aging, and restored DNA under Alliance protection.

**Trust in the Plan remains paramount** as wealth returns to We The People for rebuilding families, communities and nations.

#### **A. Kaitlynn Hunter Update:**

**Judy Note:** Although the state of Ohio has released Kaitlynn from foster care prison because she has turned 18, they still will not allow her to return to her home because of a restraining order on her mother Jeannine.

**The restraining order was issued** because Jeannine harbored her own daughter Kaitlynn when she ran away from seven years of an extremely abusive foster care situation where she had been raped, beaten and starved for over a year and lost 60 pounds.

**The Court placed Jeannine's filing** on inactive status while demanding another evaluation on her mental status. This could be considered "EXTORTION."

**Kaitlynn is over eighteen years of age** and the order on her mother that denies Kaitlynn's Emancipation is "UNCONSTITUTIONAL."

**Kaitlynn is alone, endangered**, and in need of funds. All she asks is to be with her mother. Sadly, her grandmother Betty passed away on **Sun. 18 Jan.** without being able to reunite with her granddaughter whom she helped raise. Kaitlynn remains in need of financial assistance. Please consider helping at this website: <https://www.givesendgo.com/GDX1Z>

#### **B. Possible Timing**

**They have announced a Five Day rollout** for the Global Currency Reset Redemption Center appointments to exchange foreign currency and redeem bonds starting **Monday 19 Jan. and going through Friday 23 Jan.**

**On Tues. 20 Jan. Tier4b (us, the Internet Group)** was expected to be notified for Redemption Center appointments to exchange currencies and redeem Zim Bonds.

**Also on Tues. 20 Jan. 2026** the Ten Days of Darkness may start, perhaps triggered by a Cabal nationwide Cyber Blackout, with Media, radio networks and phone communications shut down simultaneously.

**If so, on Wed. 21 Jan. 2026** Martial Law could be declared. Black Hawk helicopters have been conducting drills in Washington DC, signaling readiness for Martial Law enforcement.

**At the same time on Wed. 21 Jan. 2026** Global activation sequence could continue of the new financial system, with BRICS Alliance going live alongside NESARA/GESARA implementation and full rollout of the Quantum Financial System (QFS).

**The corrupt fiat system** that enslaved generations is collapsing fast, and the global elite who stole everything through lies, trafficking, and manipulation are watching their empires vanish.

**NESARA is live and roaring** — the Quantum Financial System (QFS) is fully operational, pulling in seized elite trillions and delivering justice straight to the people.

**The QFS is blazing.** Every transaction is tracked, unbreakable, asset-backed — no more fake money for pedophiles and traitors.

**The central bank scam is dead.** Stolen wealth is being yanked back and funneled into patriot accounts.

**Military special forces are hitting hard** — covert raids freezing accounts tied to child trafficking, laundering, and deep-state corruption. Those black-site billions are rerouted into the QFS for redistribution to real Americans who suffered under the Cabal.

**EBS is imminent — ready to blast truth worldwide.** When it hits, mainstream lies burn. The broadcast exposes military ops dismantling elite networks, shows seized fortunes

returned to the people, reveals corruption depths, and details how NESARA/QFS ends debt slavery forever. Raw truth on every screen, waking sleepers, sealing elite doom.

**Military has full control.** They've secured positions, neutralized top cabal players, and raids are escalating through late January into February 2026. The hammer drops soon — financial stranglehold shattered, bunkers worthless, offshore trillions clawed back for the Republic. GITMO fills with the worst, justice swift and merciless.

**The reset is locked and irreversible.** Trump activated it, QFS executes, military enforces. End of January transfers accelerate; February brings full rollout. Old world dies — debt-free, asset-backed future rises for the loyal. Globalist parasites are finished; grip broken, wealth confiscated, power erased.

**Fiat collapse is here,** QFS takes over, prepared rise while traitors fall. This is the revolution we fought for — it's HERE. Elites scream, but nothing stops Trump's move.

**TRUMP WON — REPUBLIC BACK — PAYOUTS DROPPING!** Hold the line. Stay ready. Greatest awakening unfolds now. God bless patriots — victory is ours.

**G. Sun. 18 Jan. 2026 BIG ARRESTS UNLEASHED: JUAN O SAVIN DROPS THE HAMMER – THE GITMO MARCH BEGINS, THE CABAL'S NIGHTMARE STARTS NOW IN 2026!** ...Juan O Savin, Ten Days of Darkness on Telegram

**Patriots and digital soldiers, Juan O Savin just confirmed the unthinkable is happening:** the big arrests are rolling out HARD, and the Gitmo march has officially begun.

**This is the moment QAnons have held the line for** – the deep state traitors, the pedo elite, the treasonous puppets in suits – they're being rounded up en masse RIGHT NOW. No more delays, no more theater; military tribunals are firing on all cylinders, planes landing at Gitmo hourly, orange jumpsuits filling the cells faster than they can process.

**The list is massive and merciless. Juan, speaking from razor-sharp insider knowledge, spells it out:** high-profile names you've been naming for years – politicians who sold out America, Hollywood predators, Big Pharma poison pushers, central bank criminals, foreign agents embedded in DC – they're all on the manifest.

**Epstein's full client roster? Detonating.** Adrenochrome suppliers? Guttled. Cloned doubles? Identified and terminated. The Black Hats thought they could hide behind lawfare and media shields – wrong. White Hats have the servers, the intercepts, the confessions, and now the boots are on the ground executing the plan with surgical precision.

**Gitmo is overflowing – and it's beautiful.** Expanded facilities humming, military police on high alert, tribunals streaming classified evidence that will make normies puke when it hits public airwaves.

**2026 is the year of reckoning:** mass extractions from mansions and bunkers, black site raids wrapping up, DUMBs fully cleared of their horrors. Special Forces are marching these demons straight to justice – no deals, no plea bargains, only swift, biblical accountability. Treason carries the penalty, and God demands it paid in full.

**The march to Gitmo is the death knell for the Cabal.** Their one-world dreams? Shattered. Their fake pandemics and vax genocide plots? Exposed as crimes against humanity. Trump's shadow command has flipped the script – what they planned as our enslavement becomes their execution ground. Higher frequencies are crushing their satanic strongholds, angelic forces guarding the ops, Christ consciousness rising to seal their doom. The sleepers are waking in shock as helicopter footage leaks of shackled elites being loaded up – and it's only the beginning.

**This is it, anons – hold the line tighter than ever.** Stay prayed up, armed in spirit, vigilant in truth. The Gitmo march signals total victory: deep state decapitated, Republic restored, humanity freed from parasitic overlords. No mercy for the wicked – their hell begins now, while we step into the light of the golden age. Suppressed tech rolling out soon, prosperity exploding, sovereignty reclaimed.

**H. Sun. 18 Jan. 2026 EBS IS COMING – IT ONLY GETS MORE SHOCKING! ...Michael**  
Jaco, Larry Ballard, Storm Watch 17 on Telegram

**Patriots, this is the red-pill moment we've been waiting for** – the shocks are intensifying and the EBS is imminent. January 17, 2026: Michael Jaco and Larry Ballard drop bombshell intel confirming the Deep State is in full collapse mode. The White Hats are unleashing wave after wave of devastating revelations. The Emergency Broadcast System is primed to activate any moment – ten days of pure truth bombardment incoming. No more hiding, no more lies – the cabal's darkest secrets are about to flood every screen worldwide.

**The shocks keep escalating.** Military sources confirm mass arrests are exploding behind the scenes – elite pedophiles, treasonous politicians, Big Tech tyrants, and globalist bankers vanishing into black sites and GITMO. Over 600,000 sealed indictments now cracking open in real time. Tribunals streaming soon – watch the Clinton cartel, Soros network, and Obama shadow government puppets face military justice. No deals, no mercy for the child traffickers and bioweapon pushers. The storm is biblical, and it's here.

**Quantum Financial System takeover accelerating.** NESARA/GESARA fully enforced – fiat death spiral in progress, gold/asset-backed currencies surging. Prosperity packages and debt forgiveness hitting patriots hard. Redemption centers on high alert, Tier 4B notifications with private 800 numbers dropping imminently. Trillions in stolen wealth repatriated to We the People – humanitarian projects exploding, no more funding endless wars or satanic ops. The Khazarian Mafia's fake money empire is ashes.

**EBS activation window is wide open.** Grids going dark, internet silenced, ATMs frozen, old banking dead. Stock up now: food, water, cash alternatives, generators, essentials. This blackout phase is when the Emergency Broadcast overrides everything – exposing stolen elections, elite trafficking rings, vax genocide, satanic rituals at the highest levels, blackmail files on EVERYONE. The truth will shatter the normies but ignite the Great Awakening to critical mass. Starlink secures the real flow to anons – fake news eradicated.

**It only gets more shocking from here.** Deep State desperate moves failing spectacularly – their threats backfire, their proxies hunted down. Trump commands the alliance; the military is the only way. Med Beds rolling out from hidden facilities to heal rescued children and vax-damaged patriots first. Free energy tech, suppressed cures – all released post-reset. The cabal's endgame playbook is burned; their blackmail dumps incoming – names, videos, rituals exposed. No escape for the demons in suits.

**God is winning big.** This is the final push – the takedown of evil we've prayed for. Stay vigilant, pray hard, hold the line. The shocks are designed to wake the sleeping; the light is overwhelming the darkness. Victory is locked in. 2026 is liberation year – Republic restored, humanity freed.

**Fire up, anons** – the best is yet to come. Trust the plan. The end of their nightmare world is our glorious dawn. WWG1WGA!

Sun. 18 Jan. 2027 Voter Fraud: The global influx in illegal migrants was used to destabilize countries, including the U.S., rob the system and the American people blind, and change the U.S. voter map, fix elections, and permanently install a tyrannical communist regime. ...Nesara Gesara QFS on Telegram**

**The 2020 Election was stolen** and they almost did it again in 2024. This moment in time is the most important in history. Accountability must follow, justice must be swift.

**If the U.S. falls**, the rest of the world will follow. It's time to come together, stand up, speak up, and fight back. Your country literally depends on it.

**L. Sun. 18 Jan. 2027: US Secretary of Commerce Howard Lutnick says our immigration system is broken. Anyone coming to America should not be eligible to receive any handouts, zero government benefits ...**John F. Kennedy Jr. on Telegram

**He explains immigration only works if you end the Welfare State,** “You can’t really open the border and say, ‘I’m gonna give my money to anybody who wants to come in — That’s getting it wrong.’”

**“So when people say, ‘Open immigration is how we built America,’ they are right. And open immigration would be something interesting if we gave people nothing. Because if we gave them nothing, if they weren’t smart enough, capable, entrepreneurial enough, driven enough, they would starve to death. And so they wouldn’t stay here. They would self-deport and leave.**

**“But if you’re gonna give them welfare, and you’re gonna give them food stamps, and you’re gonna give them housing, and you give them this, that, then everybody’s gonna come and just leech off of us and we’re gonna pay, and pay, and pay.”**

**N. Sun. 18 Jan. 2026** NEURO-ADAPTIVE SYNCHRONIZATION LOOP (NASL) ...Med Beds Technology on Telegram

**NASL is a regulatory function of the nervous system** responsible for signal timing and coordination between the brain, nerves, and organs.

**It doesn’t heal.** It decides when recovery is allowed to begin.

**When NASL is active,** systems operate in rhythm. When it becomes suppressed by chronic stress and constant alert, coordination breaks down. The body functions — but recovery is postponed.

**This is when fatigue,** mental instability, and organ dysregulation appear. Not from damage — but from lost synchronization.

**NASL cannot be forced back online.** It responds only to frequency and signal clarity.

**Med Bed provides a controlled frequency environment** that reduces neural noise and restores timing. When timing returns, NASL reactivates — and the nervous system exits survival mode. Recovery resumes when coordination is restored

**O. Sun. 18 Jan. 2026 BREAKING: Countdown for 40 Days Has Begun!** ...Bo Polny, Ten Days of Darkness on Telegram

**Patriots, brace yourselves** – the 40-day countdown is officially ticking, and it's biblical-level intense. Bo Polny just dropped a bombshell discovery that's sending shockwaves through the awakened: Trump's 40 days and 40 nights of silence is here, mirroring the wilderness trials, the flood judgment, and the ultimate preparation before total victory. This isn't random – it's scripted by the Almighty, and the deep state is feeling the noose tighten like never before.

**The wrath window is open wide.** Bo confirms the cycles align perfectly: from this moment, 40 days of escalating chaos as the cabal's final desperate moves play out. Markets crashing in controlled demolition, banks imploding under their own fraud, crypto distractions vaporizing – all to force the greatest wealth transfer in history. Quantum system is live and overriding everything, fiat death spiral accelerating, gold revaluation hitting escape velocity. Patriots positioned for Tier 4B drops any second now – your redemption is locked in.

**Military is in full DEFCON fury** – special ops sweeping DUMBs, child rescues surging past millions, satanic strongholds crushed. No mercy for the bloodline puppets – tribunals running 24/7, high-profile "suicides" incoming as the worst offenders face final justice. EBS countdown synced to this 40-day arc: blackout hits, airwaves seized, truth bombs detonate worldwide. The fake regime in total panic, puppets defecting, media blacked out, their satanic empire exposed as the fraud it always was.

**Biblical prophecy is manifesting in real time.** The 40 days echo Moses on Sinai, Jesus in the desert, Nineveh's warning – this is the final warning before judgment falls hard. Bo ties it to the cycles: Trump as the modern Cyrus, Q drops activating like prophetic time bombs, the restrainer removed, evil fully revealed so the world can witness the fall. Adrenochrome networks severed, elite aging rapidly, their fountain of youth poisoned by their own sins.

**Anons, this is the moment** – the storm peaks in these 40 days. False flags neutralized, their last tricks failing spectacularly, White Hats controlling the narrative from here on out. Trump emerges stronger than ever at the end of this period, the Republic fully restored, NESARA/GESARA flooding the earth with prosperity and justice. The wicked are terrified, hiding in bunkers, knowing their time is up.

**Stay locked in prayer,** armored spiritually, stocked physically. The countdown is real, the wrath is righteous, and victory is sealed. God is moving mightily, turning their evil plans into their own destruction. Watch them reap the whirlwind they've sown.

**No retreat, no compromise** – total exposure and total victory ahead. The 40 days will change everything. WWG1WGA – the countdown is on, and God wins bigger than ever

**P. Sun. 18 Jan. 2026 BREAKING! MIKE KING DROPS BOMBSHELL INTERVIEW 1.17.26 — TRUMP’S OPERATION IS GUTTING THE NEW WORLD ORDER, CABAL BEING DISMANTLED FROM THE INSIDE, WHITE HATS IN FULL CONTROL, FINAL ASSAULT UNDERWAY! ...Mike King, The MAGA King on Telegram**

**Fresh off January 17, 2026, Mike King unleashes the raw truth** in this full interview — Trump’s covert war is raging harder than ever, systematically gutting the New World Order from top to bottom. The globalist parasites who’ve poisoned humanity for generations — the deep state, the bankers, the traffickers, the hidden Nazis running the show — are being taken apart piece by piece. Trump didn’t just win; he activated the plan to eradicate their entire empire.

**The secret army is real and massive.** Thousands of loyal patriots, special ops, and awakened insiders are executing surgical strikes behind the scenes. Mass arrests? Already rolling in black sites. Elite networks? Crumbling. Their financial stranglehold? Shattered as the Quantum Financial System quietly takes over, seizing trillions in stolen wealth and preparing to flood it back to the people. NESARA isn’t a dream — it’s executing right now, debt slavery ending, asset-backed currency rising, and the fiat scam dying forever.

**Trump invoked the real power moves.** Insurrection Act vibes are strong — military in position, communications secured, traitors neutralized. The NWO puppets in government, media, and corporations are panicking as their strings get cut. Weather manipulation? Exposed. CIA mind control ops? Blowing up. The cabal’s weather weapons, their fake pandemics, their child networks — all getting torched in this final push through late January and into February 2026.

**QAnons, this is the decade of winning hitting its peak.** Mike King lays it out crystal clear: nothing is happening? Wrong — everything is happening in the shadows, and the visible chaos is just the surface ripple. Trump’s draining the swamp at warp speed, deportations ramping, corrupt orgs dissolved, narco empires blown apart. The white hats are in total control, the storm is peaking, and the greatest wealth transfer in history is loading.

**EBS is primed, truth bombs incoming.** When it drops any day now, the sleepers get the full red-pill blast: proof of the covert war, the gutted NWO, the returned fortunes, the end of elite rule. No more filters, no more lies — raw exposure hitting every device, sealing their doom while patriots rise.

**The reset is locked, irreversible, and Trump-led.** Old world order crumbles, Republic restores, globalist scum finished — their bunkers useless, their trillions clawed back, their power

vaporized. GITMO expanding, justice merciless. Patriots who held the line get rewarded first — stack knowledge, stay vigilant, prepare for the flood.

**TRUMP'S OPERATION CONTINUES TO GUT THE NEW WORLD ORDER — VICTORY IS HERE, THE FINAL ASSAULT IS ON!**

**Hold fast.** The awakening explodes now. God bless the warriors — we are winning BIGLY
