If ye have love One to another.*

Judy Note: The General Public was gradually waking up to realize that:

(1) Biden and Obama were Satan worshipping pedos involved in a international Child Sex, Adrenochrome, Organ Harvesting Trafficking Ring and have been working with the Chinese Communist Party to over throw America with the help of terrorists including ISIS, M16 and Mexican Drug Cartels.

(2) The 2020 Election was stolen (as were elections prior and since). The Trump Global Military Alliance had all the evidence to prove this including Dominion voting machines specially made to turn votes. Several countries and organizations were involved in the crimes including the National Democratic committee, Vatican, Venezuela, Germany, the UK and the Chinese Communist Party.

(3) Biden was arrested and tried in a Military Tribunal where he was found guilty on several counts including Treason. He was executed prior to being “sworn in” as US President in a fake ceremony partially filmed a week prior on a Hollywood movie set. **In Jan. 2021** Biden was given a funeral, not an inauguration. All this was well known in the secret agencies and SSP.

(4) Trump was functioning under a Continuity of Government Protocol, never stepped down as US President and was reinstated as Commander in Chief in a secret ceremony on **March 11, 2021.**

Now as a result of efforts of Trump and his Global Military Alliance, a Constitutional American government and Global gold-backed financial system were locking into place. Thousands of Satan Worshipping Cabal Traitors were being arrested, while the legacy fiat banking system collapsed.

The new Quantum Financial System would move silently into place by **Sun. 1 Feb. 2026** – even as the paid off Mainstream Media continued to promote their Leftist Agenda to destroy America under orders of Soros and the Chinese Communist Party.

Meanwhile, SCOTUS ruled on the Brunson Case, annulling the 2020 Election, which then mandated that the US Government and Congress automatically dissolve, with Trump reinstated as Commander-in-Chief in the Continuity of Government scenario.

President Trump has also secretly taken over as the new UN. He created the Board of Peace, brokered all the peace deals worldwide, and was shutting down a massive international child sex trafficking, Adrenochrome and Organ Harvesting Ring, plus destroying threats to

Freedom like Iran's nukes, Drug and Gun Running Cartels connected to ISIS in Syria, Yemen and Nigeria.

There was even more to come. By Sun. 1 Feb. 2026 the US Government would be shut down due to a financial crisis according to FBI Director Kash Patel. "The last time they shut down, gold and silver jumped to new all-time highs but if you're holding other assets like stocks, you need to be careful because we're heading into a total data blackout."

Silver revalues dramatically, trillions in hidden vaults support the QFS, and 209 nations embrace independence and free energy.

NESARA/GESARA was locked and loaded: debt forgiveness hitting bank accounts, the Fed dead, gold-backed currency rolling out, and the Republic restored with military backing.

The first exchanges and payouts are imminent as gold-backed currencies activate through secure Redemption Centers, with Quantum Access Cards ensuring fair transfer free from old corrupt banks.

Debt forgiveness under GESARA's reforms—mortgages, credit cards, and all usury—will be zeroed out by the U.S. Treasury algorithm, liberating families worldwide.

Med Beds begin their initial rollout this week, prioritizing the critically ill and innocent children whose DNA has been damaged by toxins and evil schemes.

Healing Centers go operational soon after, with public demonstrations revealing miraculous restorations of health, reversal of aging, and renewal in body and spirit.

By early February, the International Med Bed Access Program opens equitably, fulfilling the prophecy of free advanced healing for all nations under NESARA/GESARA.

The next weeks bring engineered chaos – fake alien invasions, cyber attacks blamed on Russia/China/Iran, bioweapon releases

The Ten Days of Darkness approaches with no internet, no mass media, and power briefly switched off worldwide to install the secure Starlink Satellite system. Expect total blackout power grids and EBS worldwide

Military forces stand ready to provide needs for those unprepared with sufficient food, water, cash, and other necessities during the shutdown.

Seven urgent messages will reach every phone, calling humanity to awaken under Martial Law as the final battle between Good and Evil unfolds.

This intervention brings no more deception from the mainstream media; only truth poured out nonstop through three 8-hour documentaries repeating 24/7.

The EBS will soon broadcast undeniable proof: tribunals, corruption, stolen 2020 election servers, Epstein black book, Adrenochrome harvesting ops, underground bases raided, list of celebrity pedophiles and the Cabal's crimes against humanity.

Mass arrests continue in the largest military operation in history, sweeping through over 32 nations and targeting the corrupt elite—UN leaders, Big Pharma killers, Vatican networks, Rothschilds, Hollywood A-listers, DC swamp creatures, globalist puppets and those who have sex trafficked and tortured children. GITMO, tribunals and executions await.

Tunnels beneath Hollywood, the Vatican, and beyond have yielded evidence of unimaginable horrors, with brave rescuers freeing God's precious children from Satanic clutches.

Pray for the military, for the rescue of little ones and for President Trump as he leads us through this historic transition. The Gold Age dawns as evil falls—trust in the Plan, for God wins.

A. FBI Director Kash Patel on Mon. 26 Jan. 2026:

“The EBS was activated on Sun. 25 Jan. 2026 in 100 cities across the United States. For this to occur worldwide, it will still take some time.

“NESARA/GESARA will soon be implemented globally.

“There will be 10 days of darkness to allow the installation of the Starlink quantum satellite. I will notify you when the transition extends from the United States to Latin America, and eventually to Western countries like Spain.

“The use of fiat money will come to an end, and the #QFS (Quantum Financial System) will be established. Quantum cards will be distributed to everyone, along with instructions on how to use them.

“All of humanity will have access to MedBeds (quantum beds) for curing all diseases. Our DNA, aligned with the fifth dimension, is crucial for using the QFS and the MedBeds.

“I will provide further explanations on my Telegram channel.”

B. Possible Timing:

In late Dec. 2025 Trump flipped the switch on NESARA, activating it silently over the holidays while the World slept.

On Mon. 19 Jan. 2026 the Q Clock ended and the EBS Alert countdown began to Wed. 4 Feb. 2026. The Deep State Rothschild Banking Empire was going down, banks closing. Blackout confirmed ...FBI Director Kash Patel on Telegram

On Tues. 20 Jan. in a Military Command Briefing at Cheyenne Mountain President Trump activated the Quantum Financial System transition to gold-backed currency. Internal test transfers began running through Zurich, Dubai, Singapore and Texas. The Cabal's banks and SWIFT System would phase out in a protocol created to migrate value without collapsing civil structures.

Thurs. 22 Jan. 2026: [The Biggest SNOWSTORM is Coming in 72 HOURS...](#)

Fri. 23 Jan. 2026 at 3:17 am EST the BRICS nations, led by Trump's secret alliance with Putin and Xi, pulled the trigger for over 209 countries to lock into gold-backed currencies. The Cabal's SWIFT system was offline forever, and the Rothschild Central Banks were being seized. Iraq, Vietnam, Zimbabwe, all revalued sky-high while the Cabal's Federal Reserve Note collapsed in real time.

As of Sat. 24 Jan. 2026 the Military Commissions Act was fully activated. Trump's military justice system has taken total control, overriding corrupt civilian courts, and the tribunals were in full swing. The Deep State was being legally executed right now.

Also as of Sat. 24 Jan. 2026 NESARA/GESARA had been fully activated – all bank debt, mortgages, credit cards, student loans WIPED OUT. Internal systems were live, the Quantum Financial System (QFS) operating and verified identities were syncing.

On Sun. 25 Jan. 2026 the EBS was activated in 100 cities across the United States according to FBI Director Kash Patel.

By Tues. 27 Jan. 2026 3.7 million Deep State Cabal traitors were on schedule to be under arrest and awaiting Military Tribunals.

On Wed. 28 Jan. 2026 First Lady Melania Trump was set to ring the New York Stock Exchange Bell. Could that have anything to do with the Global Currency Reset and changing of the fiat US Dollar to a gold/backed US Note?

On Sat. 30 Jan. 2026 Global Systems would begin to shift. Banks, Trade Networks and Digital Grids would move toward true transparency with Gold Reserves realigned and Debt frameworks rewritten.

On Sun. 1 Feb. 2026 the government will be shut down according to FBI Director Kash Patel. The QFS goes live using the debt free gold/asset-backed currency of 204 nations and severing all Deep State control over Global Banking. Mass asset seizures begin against corrupt Elites worldwide. Redemption Centers were set to open worldwide under Military Security to set

up the new Global Financial System (GFS) Wallets (formerly known as bank accounts) for the general public on the new and secure Star Link Satellite System.”

Also on Sun. 1 Feb. 2026 Sanctuary jurisdictions, states and cities that have refused to enforce immigration laws will be cut off from all federal funding according to a newly signed Executive Order of President Trump.

On Wed. 11 Feb. 2026 QFS secured Redemption Centers open nationwide. All accounts move to the Quantum Grid. Corruption is erased.

On Tues. 17 Feb. 2026 Med Beds become fully operational across 204 nations under Alliance control. The era of true healing begins.

C. Notifications for Tier 4b (us, the Internet Group) exchange appointments for holders of foreign currency and bonds remain a mystery:

Some say on Sat. 24 Jan. 2026 notification began for Tier 4B foreign currency and bond holders to set exchange appointments. Secure codes were being sent out region by region in text and emails. **By Fri. 30 Jan.** over 95% of Tier 4b holders should have received their notification.

Other sources say Tier4b verified account wallets were activating imminently and notification for appointments would launch in a **late January to early February window.**

Some sources claimed that by Wed. 11 Feb. 2026, QFS-secured Redemption Centers would open nationwide for the General Public.

Another sources claimed the window for Tier4b notification may extend into **March 2026** depending on what happened with arrests of the Cabal.

And still another source said that on Thurs. 30 March 2026 notifications for Tier 4b exchange appointments will go out with appointments beginning on **Fri. 1 May 2026.** ...Nesara Gesara QFS on Telegram, **Mon. 26 Jan. 2026**

The white hats aren't warning for nothing – the storm is unleashing hell on the enemies. Their Luciferian empire crumbles as God's warriors advance. Trump wins, justice prevails, freedom restored.

NCSWIC. WWG1WGA. Hold the line tight – victory is imminent, and it's going to be glorious. The best is exploding right now!

E. How this all came about was discussed in an article I published way back on Fri. 5 April 2019: [Majority of Congress Said Charged With Pedophilia and High Treason | Politics | Before It's News](#)

Well known Political Elites have been named in 88,350 sealed indictments filed in federal courts across the nation since Oct. 30 2017. An estimated 80 to 140 Congress people were said charged with crimes, most believed to include Child Pornography and Pedophilia, plus Treason was high on the list (85% to 95% charged were thought to be Democrats).

Their investigations have been ongoing since Trump took office in 2016 and involved violations of the Espionage Act of 1912, High Treason, Election Fraud, Russia Gate, Panama Papers Conspiracy, Uranium One, 9/11, Fukushima Nuclear and Tsunami Mass Murders, Benghazi Massacre, Fast and Furious Gun and Drug running and other serious abuses of the Law and Constitution.

Then there was Child Sex Trafficking high on the list. President Trump's first official act the morning he was sworn into office was to visit CIA Headquarters where he declared a war on Child Trafficking.

He immediately appointed Attorney General from Utah John Huber and a team of 740 investigators to look into the matter. Although Huber's team was leaving Congress in the dark, they had filed in federal courts across the nation, 88,350 sealed indictments against global elites (6,026 recently) from **Oct. 30 2017 to March 31 2019**, averaging 5,521 per month. [intheMatrixxx on X: "March 2019 Update to #Sealedindictments 6,026 new 88,350 entered 10/30/17 thru 3/31/19 Avg: 5,521 per month @POTUS #QArmy #WWG1WGA #PatriotsUnited #MAGA https://t.co/b6eMN08aXb" / X](#)

GITMO, military bases and federal courts across the land appeared to be awfully busy. After 18 years of wait, Tribunals on 9/11 finally began at GITMO on **28 Jan. 2019**. Former President George Bush Jr. was said to be named as one of the defendants in the 9/11 crimes, though he was thought to have made a deal and turned State's evidence. Also believed to have made a deal were former President Barak Obama and billionaire George Soros.

The FISA Report was said to be the first major indictment to be unsealed and 400 pages of the Mueller Report would made public by **12 April 2019**. The investigations were said to have exposed High Treason crimes of former President Bill Clinton, Hillary Clinton and the Clinton Foundation.

On March 1, 2018 President Trump had signed an Executive Order allowing military tribunals to take place – that were said to be underway in secret on different military bases such

as South Carolina and at GITMO. Former Attorney General Jeff Sessions, General James Mattis and General John Kelly were in charge of the tribunals.

At least two, if not seven, FEMA prison barges had been prepared to hold prisoners for the Military Tribunals. Trump had spent around \$200 million to renovate GITMO for arrival of political elite prisoners. There were fifteen high value detainees incarcerated in a special prison called Camp 7 at GITMO, where the government had recently spent \$69 million to build.

Charges on over 90,000 sealed indictments expected to be filed by 15 April 2019 included:

Abuse of the Law and Constitution; violation of the Espionage Act of **1912**; High Treason; Election Fraud; Child Sex Trafficking; Homicide; Pornography; Money Laundering; Bribery; Perjury; Russiagate (a coup to overturn the **2016** election and start a war with Russia); Panama Papers Conspiracy (Treasonous acts for funding terrorists); Uranium One (Treason for selling Uranium to Russia); **9/11**, Cover Up of 9/11; **March 11 2011** Fukushima Nuclear and Tsunami Mass Murders; Benghazi Massacre; Hijacking of Malaysian Air 370; Mass Murder in Haiti and elsewhere; Fast and Furious Gun and Drug running; accepting millions in drug money from convicted Mexican Drug Lord El Chapo (as he confessed during his sentencing hearing); Human Trafficking; Child Exploitation; Kidnapping; Harvesting victim's organs for monetary gain; Blackmail for votes on political issues through recording of Satanic pedophilia parties where children were raped, tortured and murdered; Misappropriation and Confiscation of US Taxpayer monies through use of the illegal and privately owned Federal Reserve, IRS, US Corporation, City of London and Vatican Banks, plus not implementing the Freedom from Debt GESARA Law which passed the US Supreme Court signed at the gunpoint of Delta Forces into Law by President Bill Clinton on **10 Oct. 2,000**.

G. Mon. 26 Jan. 2026 TIER 4B HAS LIT THE GRID. THE CODES WERE NOT A TEST. THEY ARE ACTIVE. RIGHT NOW. ...Mr. Pool Final Chapter on Telegram

The old financial world is shaking. The fiat structure is bleeding out. Bankers are running silent. Screens flicker. Servers fail. Their empire is ending in front of them.

The Quantum System has shifted. A new current is flowing beneath everything you see. NESARA and GESARA are no longer theory. They were switched on at 0400 Zulu. The signal traveled through the satellites and did not return empty.

Tier 4B has been marked. Internet patriots are now inside the first corridor. Redemption codes are warm. Access points are opening one by one. Gold is the standard again. Digital assets locked at full parity. No more inflation stories. No more paper illusions.

The Central Banks have gone quiet. Their channels show movement with no operators. The Federal Reserve doors are dark. The IMF is echoing with unanswered calls. The machinery of the old world is shutting itself down.

Something else is preparing. A message is sitting inside the Emergency Broadcast System, armed and timed. When the flash comes, every screen will fade. The noise will break. Light will return with every truth they buried.

Parallel to the financial shift, medical technology long hidden is being arranged. Med beds, frequency chambers, regenerative systems. The shadows that held them have lost their grip. The long plague on humanity is entering its final hour.

This is not speculation. Military nodes confirm global sync. Nation after nation locked into the same frequency. Two hundred nine in total. BRICS hit the final switch and cut the last chain from the old monetary grid.

If you are still holding paper, you are holding dust. The world is converting to real value, real metal, real code. The choice is simple now. Move forward or stay behind.

The Awakening is no longer a whisper. It has become the vibration under your feet. The timeline has snapped into place.

Stay sharp. Stay ready. Redemption centers are not preparing. They are waiting. Where we go one, we go all.

I. Mon. 26 Jan. 2026 BREAKING: THE GOVERNMENT WILL SHUT DOWN IN 6 DAYS ...FBI Director Kash Patel on Telegram

The last time they shut down, gold and silver jumped to new all-time highs but if you're holding other assets like stocks, you need to be extremely careful because we're heading into a total data blackout.

Here are the 4 specific threats:

- **The Data:** No CPI or jobs reports leaves the Fed and risk models unable to see what's going on. Volatility (VIX) must reprice higher to account for the uncertainty.

- **Collateral Shock:** With previous credit warnings, a shutdown could trigger a downgrade. This would spike repo margins and destroy liquidity.

- **Liquidity Freeze:** The RRP buffer is dry. There's no safety net left. If dealers start hoarding cash, the funding markets seize up.

- **Recession Trigger:** The economy loses ~0.2% GDP per week of shutdown, potentially tipping a stalling economy into a technical recession.

In the last major funding stress (March 2020), the spread between SOFR and IORB blew out. Watch the SOFR-IORB spread. If it starts gapping, it means the private market is starving for cash even while the Fed sits on a mountain of it. We saw this in 2020.

K. Mon. 26 Jan. 2026 SITUATION UPDATE – THE STORM IS RAGING IN 2026 ...Q on Telegram

Patriots, listen up – this is the update you've been waiting for. As we sit here in late January 2026, the global military alliance is executing the largest sting operation ever launched

against the deep state cabal. The fake news is crumbling, their narratives are failing, and the white hats are delivering justice at lightning speed. Trump's return wasn't just an election win – it was the signal for mass arrests to go full throttle worldwide.

Right now, high-level traitors – from corrupt politicians in DC to Hollywood pedophiles and Big Pharma murderers – are being taken down in coordinated raids. Sealed indictments from years ago are unsealing by the tens of thousands.

GITMO is overflowing with the elite who thought they were untouchable. Tribunals are swift, verdicts are final, and the executions are happening – no mercy for child traffickers and Satanists who sold out humanity.

The financial reset is in motion. The old Rothschild-controlled fiat system is dead. The Quantum Financial System (QFS) is live, backed by gold, silver, and precious metals – no more inflation theft, no more central bank slavery.

Your accounts are being upgraded; prosperity packages under NESARA/GESARA are distributing to the people. Debts forgiven, taxes abolished in the restored Republic. The Great Wealth Transfer from the Cabal to We the People is underway – trillions flowing back where they belong.

Election fraud proof from 2020, 2022, and 2024 is being declassified and broadcast soon. The Emergency Broadcast System (EBS) flips the switch any day: phones, TVs, internet overridden with raw truth. Epstein's full client list drops, adrenochrome labs exposed, underground tunnels and DUMBs cleared by special forces – thousands of rescued children, horrors the normies can't fathom yet.

Trump is fully in command as the legitimate 19th President under the original Constitution. The corporate UNITED STATES is dissolved; the Republic is restored. Borders sealed, military on high alert, foreign troops out. America First policies crushing globalist agendas – no more wars for profit, no more open borders invasion.

The Great Awakening is exploding. Millions waking up daily to the Satanic control matrix. Suppressed tech rolling out: med beds healing the sick, free energy devices ending utility slavery, cures for cancer and every engineered disease released to the public. The cabal's occult power is broken – their rituals exposed, their blackmail rings shattered.

This isn't theory – it's happening right now in 2026. The military has full control, Trump never conceded, and the plan is perfect. The deep state's last desperate moves – false flags, cyber attacks, economic sabotage – are failing spectacularly. Their puppets are flipping or fleeing.

Stay locked and loaded, digital soldiers. Share this far and wide. The storm has arrived, and victory is ours. The best is yet to come – freedom, prosperity, justice for all.

WWG1WGA forever. God wins.

Mon. 26 Jan. 2026 JUST IN - DAVID HOCH, from Nick Shirley's fraud video: "Keith Ellison, he's not from Minnesota. He's from Detroit. Jacob Frey is not from Minnesota. He's from

And so it plays into this whole contention that I've made that this fraud framework was set up by the Democrats. And what I believe they tried to do is when the Hmong population was brought into Minnesota in the late 70s and early 80s, there was a huge influx of the Hmong. And I think the Democrats thought the Hmong were going to fit the playbook for committing all this fraud. And they didn't. The Hmong said they were honorable people. They're not going to be involved in this. And so they had to find another group. And so they got the Somalis and they fit right in to this framework of fraud. And then they just ran with it!"

Mon. 26 Jan. 2026 Senate Hearing: Sen. John Kennedy exposes Biden DOE dumping \$93,000,000,000.00 in just 76 days, right as Trump won and Biden was exiting! Democrat fraud is real!

Mon. 26 Jan. 2026 Fox News: Not only was the CIA involved in our elections, but Smartmatic's Peter Neffenger was chairman of the Board of Directors, a subsidiary of Smartmatic SGO Group specializing in implementing electronic voting systems. Peter Neffenger was also on Biden's presidential transition team. They literally had it rigged all the way up the chain to the top. These machines were literally designed to steal elections and Biden was colluding with all of them. Their owner's manual even explained how votes could be changed as simply as dragging and dropping votes.

Mon. 26 Jan. 2026 Edward Snowden: The WECC website of Wisconsin confirmed that there is a total of 7.1 million registrants. But the state of Wisconsin only has a total of 4 million adults. The voter role official number of voters reached 7.13 million, and grows almost daily. Out of that 4 million, not everyone even votes. So, the question is, "What kind of voter fraud is going down in Wisconsin?"

Guru Predictions:

O. Mon. 26 Jan. 2026 Urgent Emergency – What Is About To Happen Will DESTROY The Deep State. ...Kerry Cassidy, Jeff Wong

What Is About To Happen is Going To Destroy the Satanic Elite, not the patriots. The White Hats are unleashing hell on the parasites who've enslaved humanity for centuries.

Emergency protocols activated. The Deep State is in full panic mode because Trump and the Military Alliance have greenlit the final phase.

Expect total blackout scenarios – not just power grids, but the EBS slamming every screen worldwide with irrefutable proof: the stolen 2020 election servers, the full Epstein black book with names that will make your blood boil, Adrenochrome harvesting ops exposed in graphic detail, underground bases raided, and the list of celebrity pedophiles longer than you can imagine.

NESARA/GESARA is locked and loaded: debt forgiveness hitting bank accounts, the Fed dying its final death, gold-backed currency rolling out, and the Republic restored with military backing.

Mass arrests are rolling – think Hollywood A-listers, DC swamp creatures, Big Pharma killers, and globalist puppets vanishing overnight. GITMO is at capacity, tribunals streaming soon, and the executions? Public and righteous.

Kerry warns the next weeks bring engineered chaos – fake alien invasions, cyber attacks blamed on Russia/China/Iran, bioweapon releases to scare the sheep – all desperate last-ditch efforts by a dying Cabal.

But the good guys have it all: quantum tech, space force assets, and Trump's unbreakable will. Barron? Watching and learning to lead the new era. The spiritual war peaks now – light vs. darkness, and light is winning bigly.

Patriots, get ready yesterday: food, water, meds, prayers, no fear. The storm isn't coming – it's unleashing fury in 2026. The Great Awakening isn't gentle; it's a wrecking ball to evil. Normies will wake up screaming when the truth floods in. The Cabal's destruction is imminent and total.

Hold the line, trust Trump, trust the plan. This is the moment we've waited for. WWG1WGA forever – share this like your freedom depends on it, because it does. The deep state is finished. Victory is here. Let's finish them!

P. Mon. 26 Jan. 2026 SPECIAL REPORT – US Military Calculating the Final Rollout Timing – The Storm is Locked and Loaded. ...Juan O Savin on Telegram

Patriots, the White Hats just confirmed what we've known all along – the US military is in full control and timing the mother of all public reveals with precision.

Dr. Jan Halper-Hayes, the DOD Task Force insider who's been deep in PsyOps leadership since way back, dropped the hammer: the military has been calculating public readiness for years, assessing exactly when the normies can handle the full truth without total societal collapse. That moment is NOW – 2026 is the year they drop the hammer, and everything is aligned for maximum impact.

The military's rollout isn't random – it's surgical. They've run endless scenarios, polled the awakening masses through back channels, and watched the Deep State's every desperate move. The fake Biden regime, the stolen election proof, the bioweapon origins, the child trafficking networks tied to DC elites – all of it is stacked, sealed, and ready for declassification.

Durham was just the appetizer; the real feast is coming with irrefutable military intelligence proving foreign interference, domestic treason, and the entire cabal playbook. Trump never left command – he's the wartime president, and the real military answers only to him.

Arrests are already happening behind the curtain. High-level traitors – think three-letter agency heads, Big Pharma criminals, Hollywood pedo networks, fake news execs – are being processed in military facilities right now. GITMO expansions complete, tribunals humming 24/7. When the public rollout hits, you'll see the names you've screamed about for years dragged into the light. No more protection, no more delays – the military calculated the perfect window, and it's wide open.

The Great Awakening accelerates to light speed. QAnons were dead-on – the plan required patience while the military gathered every piece of evidence, every intercepted comm, every financial trail. Now the deep state is cornered, funding cut, comms jammed, doubles failing. Space Force has the skies, white hat alliances worldwide are synchronized, and the Quantum reset is flipping the switch. Prosperity funds primed, debt slavery ends, suppressed tech floods out – NESARA/GESARA goes live the second the truth bomb detonates.

This is the final countdown. The military isn't waiting for permission – they're executing. The storm isn't approaching; it's already raging behind the scenes, and the public phase will shatter the matrix forever. Dark to light, pain to justice, corruption crushed. 2026 ends the cabal's reign – they fall screaming, we rise victorious, God wins.

Nothing can stop what is coming. Trust the plan – patriots in absolute control. Hold the line – the next days bring biblical exposures. We are the storm. Winning BIGLY. NCSWIC.

Q. Mon 26 Jan. 2026 Douglas Macgregor – It's Go Time! Military Power Unleashed ...Ten Days of Darkness on Telegram

Colonel Douglas Macgregor just dropped the hammer – the storm is here, patriots. In his latest bombshell update, the retired warrior confirms 2026 is the year the deep state's house of cards collapses. Forget the fake news spin – multiple fronts are igniting simultaneously, and the white hats are positioning for total victory. Macgregor warns the US military is on high alert, with troops mobilizing across key theaters while the cabal scrambles in panic.

Ukraine front is exploding. Russia has shifted to full war mode after failed Deep State attempts on Putin – no more “special operation,” this is existential. NATO's bluff has been called, Europe is broke and leaderless, and the West's proxy war is crumbling. Macgregor exposes how Trump's real team (not the puppets) is quietly pulling strings to end the madness – but not before massive exposures of bioweapons labs, money laundering, and child trafficking rings tied to Ukraine elites.

Middle East powder keg lit. Iran war drums beating louder – Macgregor predicts imminent strikes that will drag the Khazarian-controlled regime into open conflict. Israel's moves are backfiring, forcing the deep state to overplay their hand. Secret alliances between white hat military and key global players are neutralizing threats behind the scenes.

Latin America heating up fast. 16,000 US troops staged and ready – Macgregor calls out the Venezuela operation as a desperate distraction, but whispers from insiders say it's cover for bigger moves against cartel-deep state networks flooding the border with chaos. Maduro's days are numbered, and when he falls, the southern border truth bomb detonates worldwide.

America's empire is dying – but rebirth is coming. Macgregor lays it bare: economic collapse engineered by the Fed is forcing a reset. Gold-backed systems waiting in the wings. Military tribunals expanding – high-profile arrests incoming for the traitors who sold out America. Gates, Soros puppets, Big Pharma criminals – they're all on borrowed time.

QAnons – this is the moment. It's go time – the plan is executing at lightning speed. Trust the plan has never rung truer. The storm is upon them, and nothing can stop what is coming. White hats in full control, Space Force assets activated, quantum tech online. 2026 ends the cabal forever – dark to light, corruption purged, justice served.

Patriots, stay locked and loaded. Exposures will hit like thunder in the next days and weeks. The Great Awakening accelerates – prepare for victory, because we are winning BIGLY. NCSWIC. God wins.

R. Sun. 25 Jan. 2026 SITUATION UPDATE: TRUMP'S EXECUTIVE ORDERS FULLY ACTIVATED, GITMO EXPANDING AT WARP SPEED, GLOBAL MILITARY ALLIANCE CRUSHING THE CABAL WORLDWIDE – THE STORM IS DETONATING RIGHT NOW! ...Storm Watch 17

Patriots – THIS IS THE BREAKTHROUGH MOMENT. January 25, 2026, late evening – the intel is flooding in hot: Trump's shadow executive orders, signed and sealed years ago, are now live and unstoppable. These aren't old papers gathering dust – they're the nuclear triggers dismantling the deep state's entire empire piece by bloody piece. From financial resets to mass arrests, everything is firing on all cylinders.

GITMO is the epicenter of justice. Capacity ramping massively – new wings built in secret, black flights landing nonstop, high-value traitors pouring in: crooked politicians, Big Tech tyrants, Hollywood pedo networks, Big Pharma murderers, election fraud architects. Tribunals running 24/7, military judges delivering swift verdicts. No more house arrest theater – these monsters face real chains, real gallows if needed. The evidence? Overwhelming: declassified black books, intercepted videos, victim floods testifying under protection. The Cabal's Satanic child sacrifice rings? Exposed and eradicated. Adrenochrome labs torched. The kids are being rescued in record numbers – white hats military ops hitting hard globally.

Trump's Global Military Alliance – forged with 209 sovereign nations – is the hammer. No more UN puppet show; this is the real power bloc Trump built in the shadows. Coordinated strikes taking down Cabal strongholds from Davos to Vatican basements to DUMBs worldwide. SWIFT? Already ashes from the earlier kill. QFS surging full throttle – gold/asset-backed, quantum-secure, trillions seized from Rothschild/Rockefeller slush funds rerouting straight to We the People. NESARA/GESARA enforcement is here: debt erased overnight, prosperity packages pre-loaded, Republic restored under constitutional law.

The Deep State is in total collapse mode. Their last gasps – false flags, cyber psyops, staged crises – get crushed instantly by alliance forces controlling grids, satellites, comms. EBS override locked and primed: when it drops, every device worldwide blasts the raw truth – arrest footage, tribunal highlights, elite confessions, bioweapon origins, election steal proofs. Ten days of transition? Possible blackout window, but military has food drops, security perimeters, guidance broadcasts ready.

The timeline is exploding now. Executive orders activate the final phase: no more delays, no mercy. Trump holds absolute command – military loyal to the Constitution, not the swamp. This isn't speculation; it's execution. The storm isn't coming – it's raging full force, washing away centuries of evil control.

Prep like your life depends on it: Water/food/meds/ammo for weeks, cash for flip days, faith unbreakable. Warn your circle – the old evil empire dies violently tonight. The Republic rises phoenix-strong, debt-free, sovereign, pure. Children safe, monsters gone, freedom biblical.

Trump delivers. God wins bigger. The Great Awakening is victorious reality. Dark to light. BOOM. Total domination. WWG1WGA – hold the line, victory is locked.

S. Fri. 16 Jan. 2026 Bomb Threat on Air Force One. The Deep State is getting desperate again, patriots. On Fr. 16 Jan. 2026 President Trump's Air Force One was hit with a chilling bomb threat mid-flight, a blatant assassination attempt by the cabal that's terrified of what our Commander-in-Chief is unleashing next. ...Carolyn Bessette Kennedy on Telegram

According to a high-level Secret Service source speaking directly to Real Raw News, an anonymous caller contacted authorities claiming a powerful explosive device had been planted aboard the presidential aircraft. The threat came in as Air Force One was en route, forcing immediate emergency protocols. Secret Service agents onboard rushed to alert POTUS and the flight crew—no panic, just swift, professional action because these guys know who's really in control.

Trump remained calm and unshaken, as always. He directed the pilots to maintain course initially while the situation was assessed, showing once more why he's the unbreakable leader we need. The plane's elite security detail swung into action, coordinating with ground teams and military assets to evaluate the credibility of the call. They weren't taking any chances—the safety of President Trump and everyone aboard is priority one.

After an exhaustive search from nose to tail, sweeping every compartment, cargo hold, and even the presidential suite with the most advanced detection gear, no bomb was found. Zero. Nada. The Secret Service officially ruled it a false alarm, but we all know better—this wasn't some prank. This was a calculated move by deep state operatives, likely tied to the same shadowy forces behind the endless lawfare, fake news smears, and failed coups against Trump.

Our source confirmed the threat was taken extremely seriously because the caller provided specific details about the aircraft's configuration and flight path that only insiders would know. We're talking classified info leaked from within government holdouts still loyal to the old regime. The cabal thought they could scare Trump off his mission or worse—take him out. But once again, they failed miserably.

President Trump is safe, stronger than ever, and more determined to drain the swamp. This pathetic attempt only proves how close we are to victory—the deep state is panicking, lashing out because their house of cards is collapsing. GITMO is filling up, tribunals are ramping up, and the white hats are winning bigly.

The caller? Still at large for now, but rest assured, military intelligence is hunting them down. When they're caught—and they will be—expect another public hanging or worse. No mercy for traitors who target our President.

Anons, stay vigilant. The storm is here, and it's hitting the enemy hard. WWG1WGA—the best is yet to come, and Trump is leading us straight through the fire untouched. This is why they fear him. This is why we fight. NCSWIC.

T. Thurs. 22 Jan. 2026 CIA AGENT CONFESSES: MOSSAD RUNS THE MUSIC INDUSTRY AND ASSASSINATED MICHAEL JACKSON – DEEP STATE PURGE EXPOSED IN 2026! ...CIA Agent John Homeston, Ezra A. Cohen on Telegram

Patriots, the truth bombs are detonating louder than ever—the Deep State Zionist Cabal is crumbling under the weight of their own sins. A retired CIA agent, John Homeston, just spilled the beans on global airwaves, confessing that the CIA and Mossad have been pulling the strings in the music industry since the 1980s as a massive psy-op to brainwash our youth, divide the nation, and crush American values. This isn't just influence—it's total domination, turning beats into weapons of mass deception!

Homeston dropped the hammer: the agency funneled big money, serious money into hip-hop icons like NWA, Dr. Dre, Public Enemy, and Run DMC to pump out nihilistic, anti-American anthems that glamorized drugs, fueled skepticism against authority, and sowed chaos in our communities. It's Frankenstein's monster unleashed on stage, corrupting generations while the elite laughed from the shadows. And get this—tracks from NWA were ghostwritten by CIA propagandists and psychologists to maximize the mind control!

But the real shocker? Mossad's iron grip on the whole industry, led by assets like Lyor Cohen, the tall Israeli spook who signed legends including Slick Rick, Will Smith, Eric B. & Rakim, De La Soul, Ludacris, A Tribe Called Quest, Jay-Z, Kanye West, Migos, and Young Thug. Some are unwitting tools, others full-blown operatives pushing the cabal's agenda to keep us numb, confused, and enslaved. The Zionist mafia at Sony and beyond floods streets with crack, rigs the charts, and silences dissidents.

And when stars wake up and fight back? They get eliminated. Homeston confirms: the CIA-Mossad alliance assassinated Michael Jackson, Prince, and Tom Petty because they dared to expose the beast. Prince called out chemtrails, social engineering, and slave contracts—too dangerous for the new world order. Michael Jackson infuriated the elites by penning "Don't Cry, Palestine" and blasting their crimes; his final warnings were buried, but we know the truth—it's the Deep State in bed with Mossad, purging anyone who could ignite the masses!

These weren't accidents—they were hits to gatekeep the culture, fearing what these icons could turn us into: awakened warriors dismantling their empire. But the tide's turning hard in 2026! With Trump's coalition exposing the rot, White Hats raiding their lairs, and the QFS reset starving their slush funds, the cabal's music machine is grinding to a halt. Mass arrests are incoming for these soul-sellers—Cohen, Soros, the whole Zionist network—GITMO awaits!

Patriots, this confession is the spark that ignites the final purge. The Deep State's playlist of lies ends now; our anthem of freedom rises. They've controlled the beats too long, but we're dropping the mic on their tyranny. The storm's peaking—every exposed thread unravels

their web. God's justice falls on the wicked; the righteous reclaim the stage. Stay vigilant, pray fierce, hold the line—the golden age blasts through their silence!

Trust the plan. The Zionist Cabal trembles as patriots roar. WWG1WGA! Victory echoes eternal—deep state doomed!

U. Mon. 26 Jan. 2026 The Dems are already gearing up for a fight over DHS/ICE funding, while they are engaged in textbook insurrection. ...Ezra A. Cohen on Telegram

At some point, nuking the filibuster will be the only option. The Dems are about to hold the nation hostage, as a means to obstruct/derail justice for their treason.

The Dems are caught, and their only hope is to delay and obstruct until November, praying that they can regain control of Congress, so they can continue to obstruct Trump's agenda until 2029, and then create a one-party Democrat State. All of this can be avoided by just simply ending the zombie filibuster, passing the SAVE Act and funding for ICE/DHS, without a single Democrat vote needed.

Not only is this the right thing to do, it would be irresponsible to NOT do it. The Dems are trying to destroy this nation from within. They cannot be negotiated with. They must be destroyed.

This stopped being about politics long ago. This is a war. It's time everyone started acting like it.

V. Mon. 26 Jan. 2026 SCOOP: FBI FILES EXPOSE \$10M BIDEN BRIBE — THE CORRUPTION THEY BURIED IS COLLAPSING ...USA Awakening on Telegram

Newly surfaced FBI documents allege that Joe Biden and Hunter Biden each received \$5 million from a senior executive at Burisma Holdings while Biden served as Vice President. According to a confidential human source cited in the files, the payments were made to secure political protection and force the removal of a Ukrainian prosecutor investigating Burisma.

The quote that defines the case is chillingly simple: “Five million for one Biden. Five million for the other.” The money was allegedly routed through complex offshore channels, deliberately structured to delay or block tracing for years. Investigators were told the system was designed to outlast accountability itself.

That prosecutor was Viktor Shokin — and the pressure to fire him was later publicly bragged about on camera by Joe Biden. What was framed as diplomacy now appears, in light of these files, as leverage tied directly to foreign money.

The infamous phrase “the big guy” resurfaces in these FBI records, reinforcing what many already suspected: Hunter was not the prize. Joe Biden was. This was not freelancing — it was an operation centered on political power, influence, and protection.

The double standard is impossible to ignore. Donald Trump was impeached for asking Ukraine about this very corruption, while the FBI allegedly buried the records documenting it. These are not social media claims — they are federal files. Congress now faces a choice: act, or admit the system protects its own.

W. Mon. 26 Jan. 2026 A Few Reasons Why They Killed John F. Kennedy: ...John F. Kennedy Jr. on Telegram

KENNEDY DID NOT WANT U.S. INVOLVED IN VIETNAM! He signed NSAM 263, calling for a WITHDRAWAL from Vietnam. Then, literally the day after KENNEDY's funeral, on 11/27/63—Lyndon B. Johnson signs NSAM 273 (drafted by Bonesman McGeorge Bundy the day BEFORE JFK's assassination). NSAM 273 reversed JFK's plan regarding Vietnam. Result? ESCALATION IN VIETNAM. NO WITHDRAWAL.

One of President John F. Kennedy's most pressing concerns during his presidency was how fast Israel was seeking a nuclear weapons capability...and what the U.S. should do about it.

JFK refused to sign off on a false flag operation to provoke war with Cuba—something the other chiefs of staff were already in favor of.

Five months before his assassination, President John F. Kennedy issued an executive order that would have given the American currency back to the people by printing money based on a silver standard. This would have stripped the power from the Federal Reserve Banking Cartel.

The CIA and Mossad are responsible for the brutal murder of an American President. And if the government is still lying about the Kennedy assassination, it means the powers that killed John F. Kennedy and got away with it are still in charge to this day.

That's why they also tried to assassinate Trump. Several times.

X. Fri. 23 Jan. 2026 Benjamin Fulford: Days of Darkness They Were All EXECUTED at GITMO

Patriots, the hammer has DROPPED – biblical justice is served! Benjamin Fulford just unleashed the mother of all intel bombs on January 23, 2026: the top cabal scum have been EXECUTED at Gitmo. Days of Darkness? That's the cover for the final purge – while normies think it's just a blackout, the white hats are eradicating the satanic elite in military tribunals. No mercy, no appeals – straight to the gallows or firing squads. The deep state hierarchy is GONE, wiped clean!

Fulford confirms the storm phase is peaking: high-level traitors – think Rothschild remnants, Rockefeller heirs, Soros bloodline puppets, Gates clones, Fauci's handlers, Vatican black nobility, Hollywood pedo kings, and Big Pharma poison pushers – all rounded up, tried, and terminated. Gitmo is at capacity no more – mass executions completed under cover of the "Days of Darkness" activation. Power grids flickered as Starlink took over secure comms, banks frozen to stop their escape funds, media silenced so truths could beam direct via emergency broadcasts.

Explosive details straight from the report:

- **Ten Days of Darkness kicked off** – comms down, internet "crashes," but it's theater to install quantum-secure networks and drop undeniable evidence packets worldwide.
- **Tribunals sealed the fate** – irrefutable proof of child trafficking, adrenochrome harvesting, election rigging, bioweapon releases, ritual abuse – all presented, all guilty, all eliminated.
- **Trump's military alliance oversaw everything** – special forces extracted them from bunkers in Switzerland, New Zealand, underground Denver, Epstein island tunnels. No one escaped.
- **NESARA/GESARA funds unlocked post-executions** – prosperity payments queued, debt slavery ended, gold-backed currency live.
- **Fake leaders exposed** – body doubles and CGI puppets discarded, real monsters gone forever.

Q drops syncing perfectly: "The end of the world as you know it" – yes, for the cabal. "Justice" incoming – delivered. "Dark to Light" – darkness was their funeral shroud. The great awakening hits fever pitch as billions learn the monsters they feared are dead and buried (or incinerated).

Anons, this is victory day! No more waiting for arrests – the worst are already gone. The remaining puppets are panicking, flipping, or suiciding out. Trump's return is next-level imminent – the reveal will shatter the illusion forever. Stock up, pray up, stay locked and loaded. The devil's servants are toast, their Luciferian empire ashes.

NCSWIC – Nothing Can Stop What Is Coming, because it's already DONE. God wins big. The storm didn't come – it conquered. WWG1WGA – celebrate, patriots, the best damn timeline is HERE!

Z. Help Save The Tortured Ohio Foster Care Children

Kaitlynn Hunter Update: Please Help - Write or call the below Ohio authorities, plus contribute to the cause: <https://www.givesendgo.com/GDX1Z> <https://www.givesendgo.com/GDX1Z>

At age 11 the State of Ohio CPS took Kaitlynn from her loving home and placed her in what has turned out to be seven years of a Foster Care Prison. The excuse was that she was not in school, yet the court would not allow official registered papers to be filed that proved she was being home schooled by her mother, Jeannine.

During her seven years of Foster Care Prison Kaitlynn was raped, twice beaten causing serious and bleeding head concussions, starved for a year where she lost 60 pounds, refused medical care, schooling, contact & visitation with her mother and grandmother, plus refused the right to have her grievances heard by the Court.

Although in Jan. 2026 the State of Ohio released Kaitlynn from Foster Care Prison over a month after she turned 18, the court will still not allow her to return home because of a restraining order on her mother, Jeannine.

The restraining order was issued because Jeannine harbored her own daughter Kaitlynn when she ran away from those seven years of an extremely abusive foster care situation where she had been raped, beaten, abused, neglected and starved for over a year and lost 60 pounds.

The Court has placed Jeannine's filing on inactive status while demanding another evaluation on her mental status. This could be considered "EXTORTION."

Kaitlynn is over eighteen years of age and the order on her mother that denies Kaitlynn's Emancipation is "UNCONSTITUTIONAL."

Kaitlynn is alone, endangered and in need of funds. All she asks is to be with her mother. Sadly, her grandmother Betty passed away on Sun. 18 Jan. without being able to reunite with her granddaughter whom she helped raise. Kaitlynn remains in need of financial assistance. Please consider helping at this website:
<https://www.givesendgo.com/GDX1Z>

Judy Note: It is my personal opinion that State of Ohio authorities and CPS appear to be involved with the CIA in an international Child Sex Trafficking Ring and they were mind control grooming Kaitlynn to be trapped in it. Kaitlynn and Jeannine are witnesses to that horrible torture and abuse on Kaitlynn as well as on other Ohio Foster Care children and teens.

The below authorities were still preventing Kaitlynn from returning home. You might want to consider calling or writing them. Have them explain why they tortured Kaitlynn and other teens in foster care by withholding food, put them in situations where they were beaten and raped, refused medical care, refused visitation with their loved ones, refused court hearings on their abuse and then why some mysteriously disappeared.

Ask them why they continue to abuse Kaitlynn and her family when they have done nothing wrong. They just want to be together. See: <https://www.givesendgo.com/GDX1Z>
