“We Imitate God’s Love for Us by Loving Others”

Judy Note: There were 30,000 new GITMO Beds ready for high-profile Traitors who included 60 US Senators and administrators of 40 shell companies across seven countries who were

funneling billions in Blackmail, Child Sex Trafficking, Organ and Adrenochrome Harvesting, and Election Fraud across nations of the World!

The web was said directly connected to the Clinton, Obama and Soros Crime Syndicates, Drug and Arms Cartels and Big Pharma poison-pushers—all facing immediate military tribunals!

Military operations have led to a surge in high-profile arrests, with over 500,000 sealed indictments now rapidly being unsealed.

Key figures implicated in corruption, human trafficking and treason were being detained, including prominent politicians, corporate executives and media influencers who have for decades, perpetuated the Deep State's agenda.

Child rescue missions continue unabated, freeing thousands from underground facilities where unspeakable horrors have occurred.

It was all about money. The Deep State Cabal had kept in power and ruled the roost by stealing The People's money and keeping them in debt.

That was all about to change.

As of early Mon. morning 5 Jan. 2026 the Quantum Financial System (QFS) was fully operational and secure, poised to facilitate the greatest wealth transfer in history, redistributing assets seized from illicit operations to humanitarian causes and individual prosperity.

Launch of the Global Currency Reset (GCR) and Revaluation (RV) meant that Redemption Centers were on high alert, and expected to respond to notifications to set redemption appointments by **Sat. 10 Jan. 2026.**

Payouts from the RV were expected to begin in waves, prioritizing humanitarian projects and long-term holders of foreign currencies like the Iraqi Dinar and Zimbabwe Zim.

Sources emphasize the urgency of preparation, including securing appointments through 800 numbers that will be released via secure channels.

NESARA/GESARA protocols were activating, promising debt forgiveness for mortgages, student loans, and credit obligations.

Med Beds and advanced healing technologies were being deployed in select locations, with broader access anticipated by late January for those who have endured health challenges from environmental and medical manipulations.

By February, full implementation of the GCR could transform societies, end poverty and foster global peace.

Meanwhile the Emergency Broadcast System (EBS) has been poised for activation at any moment, heralding in the Ten Days of Darkness that will allow for disclosures to the public.

During this period, essential services will remain operational, but communications may be limited to ensure the dissemination of verified truths about election irregularities, bioweapon deployments and the manipulation of global events.

Insiders report that this blackout is necessary to prevent interference from adversarial forces, enabling the military to complete operations without compromise.

Faith communities are encouraged to gather in prayer as this phase marks the culmination of years of preparation for a restored republic.

Reports from trusted channels suggest that the pace of these events will accelerate through January, with major announcements expected by mid-month.

The focus remains on safeguarding children and exposing the perpetrators, as special forces coordinate internationally to close off escape routes.

This is a time of vigilance and spiritual fortitude, trusting that divine intervention is guiding the process toward ultimate victory and renewal.

As of early Mon. morning 5 Jan. 2026 the Quantum Financial System (QFS) was fully operational and secure, poised to facilitate the greatest wealth transfer in history, redistributing assets seized from illicit operations to humanitarian causes and individual prosperity.

Payouts from the RV were expected to begin in waves, prioritizing humanitarian projects and long-term holders of foreign currencies like the Iraqi Dinar and Zimbabwe Zim.

Sources emphasize the urgency of preparation, including securing appointments through 800 numbers that will be released via secure channels (the EBS?).

Save The Children

E. Thurs. 8 Jan. 2026 President Trump dropped the biggest Truth bomb regarding child trafficking to the world and he did it right in the faces of the UN globalist elites who facilitate it, as well as their agenda of mass migration of illegals. ...FBI Director Kash Patel

"Any system that results in the mass trafficking of children is inherently EVIL. Yet that is exactly what the globalist migration agenda has done. And it's what it's all about."

"The previous administration lost nearly 300,000 children. Think of that. They lost more than 300,000 children, little children, who were trafficked into the United States on the Biden watch. Many of whom have been raped, exploited and abused and sold. SOLD!

"Nobody talks about that. The fake news doesn't write about it. With many others, young children who are missing or dead.

"He's calling them all out, as well as the satanic banking families that control them all.

F. Mon. 5 Jan. 2026 There were at least 450 children ages 6 to 16 recently rescued from an international Child Sex Trafficking, Adrenochrome and Organ Harvesting Ring Island fortress disguised as a Somali charity organization. The ring worked out of an island 17 miles off the California Coast.

Mon. 5 Jan. 2026 [FBI & DEA Raid Somali Elites Couple "Luxury Island" in CA — 450 Children Rescued | FBI Files](#)

The criminal organization appeared to have connections to Narco Terrorism, international political elites and fortune 500 NGOs worldwide. It's network spanned continents. It was composed of at least 40 shell companies across seven countries and worked out of Nevada, Washington DC, LA and San Francisco.

Called "Project Mercy Corridor," the kidnapped children were hidden in humanitarian aid, refugee resettlements and adoption pipelines.

According to Project Mercy Corridor own records, their apparent goal was to be kidnapping, producing on their own and processing at least 10,000 children by 2028.

The international Child Sex Trafficking, Adrenochrome and Organ Harvesting Ring appeared tied to the 60 US Senators outed by Venezuelan Intel Chief Hugo Carvajal Barrios who recently pleaded guilty to Narco Terrorism while revealing, "I will expose the entire (Drug Cartel & Human Trafficking) network—from South America to your Senate floor."

And, he did. Carvajal confessed that the Smartmatic Voting machines used by many states in US Elections were built for fraud; that the CIA knew all about it and at least 60 US Senators have been bought off by and were making millions from the Narco Terror Regime.

This is what they have been waiting for. Now they are planning to unleash protests/riots across the nation, all in an attempt to prevent the exposure of their crimes.

Unfortunately for them, Trump knew this was coming, and has a plan in place. Federalized Quick Reaction Force NG are on standby in every state, and the Supreme Court essentially gave Trump the green light to invoke the Insurrection Act and send in active duty US MIL.

If the Dems want to riot and throw a fit, let them. They are walking right into a trap. They are about to give Trump the optics to justify invoking the Insurrection Act, which will allow US MIL to come in and secure cities and assist in law enforcement.

After the Dems and their brown shirts start rioting and the public see that intervention is necessary, Trump will act. Trump is giving them just enough rope...

Stay vigilant, because Trump did it—the fireworks detonate, and freedom reigns eternal! NCSWIC!

K. Thurs. 8 Jan. 2026 Why The Timeline Is Secure: ...Ezra Cohen on Telegram

The arrest of Nicolás Maduro on January 5, 2026, wasn't local; it was the surgical removal of a critical node in a network that spent decades engineering contingency branches offshoot realities where economic strangulation, resource wars, or biological crises could be refined and deployed to reset human progress whenever sovereignty threatened elite control.

Those branches required physical leverage points: regimes like Venezuela's, funneling untraceable funds through cartels and state apparatus, sustaining black budgets for quantum manipulation systems that fringe accounts tie to Montauk-derived tech or CERN-adjacent experiments. With Maduro in custody, that funding artery severs, starving the infrastructure needed to sustain divergent overlays.

The Deep State now contends with a continuum where their probabilistic escapes collapse no more testing grounds for orchestrated collapses, no fallback worlds where disclosure fails and fear reigns permanent. This isn't victory declared from comfort; it's the cold calculus of a system that lost its ability to fork reality, forcing all remaining players to operate in the open on a board they no longer design.

The piercing weight falls on those who built careers dismissing this as paranoia: your frameworks, built on linear history and controllable chaos, just became obsolete artifacts in a singular, unforgiving timeline.

The heavier implication cuts through personal delusion: many adults spent lifetimes rationalizing compromise accepting incremental evil, bureaucratic inertia, or "necessary" wars as the price of stability in a controllable system. That stability was illusion, sustained by the ability to threaten or execute timeline divergences that kept populations in managed fear states. With the path locked, those rationalizations collapse; there's no alternate branch where gradual reform works, no shadow reality where the Cabal regroups undetected.

Disclosure whether suppressed energy systems, non-human influences, or financial occult structures arrives not as negotiated revelation but as inevitable exposure in a continuum that no longer tolerates concealment.

The Draco, Masons, and associated networks face existential compression: their operational model required perpetual branching to evade accountability, testing human responses to escalating control before full implementation. Singularity's unification renders that strategy inoperable, forcing confrontation in the light where their architectures built on division and extraction cannot sustain against unified human potential.

Taxpayer Fraud:

M. Thurs. 8 Jan. 2026 BOOM! House Oversight Chairman James Comer just DROPPED A NUKE in today's hearing on Minnesota's MASSIVE taxpayer fraud scandal! ...Nesara Gesara QFS on Telegram

35% of MN's budget is YOUR federal tax dollars – funneled straight to fraudsters buying luxury homes, fancy cars, overseas vacations... and even allegedly funding **TERRORISTS** abroad!

Tampon Tim Walz, AG Ellison and Dems IGNORED warnings for YEARS, retaliated against whistleblowers, called them "racist" & "Islamophobic" to shut them up!

Trump admin is CRUSHING it: DOJ charged 98 (85 Somali descent), 64 convicted already. Feds freezing payments, investigating sites, halting grants!

Comer: Dem leadership either ASLEEP AT THE WHEEL or COMPLICIT!

Americans demand JAIL TIME for thieves & ACCOUNTABILITY for officials who let it happen! LOCK THEM UP! No more stealing from hardworking taxpayers!

N. Voter Fraud:

Thurs. 8 Jan. 2025 Arizona 2020 ELECTION auditors uncovered a jaw-dropping anomaly of 11,326 voters absent from the November voter rolls, which was Biden's margin of victory. Magically, the missing voters appear by December 4th, all recorded as having cast ballots on November 3rd. "This figure eerily mirrors the slim 10,457-vote margin that flipped Arizona." This was Biden's margin of victory. How convenient...When pressed for a logical explanation, the auditor admits, "I cannot think of a logical explanation." This testimony demands answers and once again shows clear signs of fraud. The evidence reshapes how we view 2020 and solidifies that our elections need to be completely reformed and secured. ...Nesara Gesara Exposed on Telegram

Thurs. 8 Jan. 2025 Do you remember when we literally saw Trump votes flip to Biden on live TV? It happened at least twice, once by about 12K votes and the other by about 20K votes (Biden votes increased by the exact number Trump votes decreased.) Votes do not decrease as they come in. Former CIA analyst Michael Scheuer discusses the vote flips, along with that time the U.S. military seized CIA servers in Germany. That's right folks, that really did happen. We caught them. We caught them all. ...The MAGA King on Telegram

O. Thurs. 8 Jan. 2026 President of the United States Donald J. Trump just signed an order revoking Chris Krebs's security clearance and directed PamBondi to investigate him for his role in the overthrow of the U.S. government on November 3, 2020. ...Steve Bannon on Telegram

Krebs was the head of CISA, who weaponized his position and conspired with the FBI and Big Tech to censor truth, evidence, proof, and testimony about the 2020 election—and who designated November 3, 2020, as the most "secure election in American history."

Freedom of Information Act: Documents obtained by investigative journalist Yehuda Miller through the Freedom of Information Act (FOIA) reveal:

A secret meeting organized on Election Day, November 3, 2020, by the Cybersecurity and Infrastructure Security Agency (CISA), involving Dominion officials, the FBI, and Antifa to discuss the overthrow of the United States government with private leftist companies and Democratic groups.

This included Jennifer Morrell with The Elections Group, Ryan Macias with The Lafayette Group, Antifa member Eric Coomer with Dominion, and Jocelyn Benson, Michigan Secretary of State—whom I am certain brought her NGO along. Not a single conservative was invited. Not one.

P. Thurs. 8 Jan. 2025 RE: DOMINION & SMARTMATIC Election Rigging Systems ...Mr. Pool on Telegram

A Venezuelan military intelligence whistleblower CONFIRMS that the Central Intelligence Agency outsources its election-rigging software and voting machines (Smartmatic) overseas to overthrow governments abroad, including here in the United States.

Cybersecurity Expert — Colonel Phil Waldron: “Here is some of the treachery we uncovered in the 2020 general election were that five key states all stopped counting votes at the same time in these key battleground states.

These were all where Dominion machines, ES&S machines, and Smartmatic software were used. So when the vote counting stopped—and this has been noted in other countries as well—President Trump was significantly ahead. When reporting and counting resumed, a massive spike occurred that favored Joe Biden.”

Venezuelan communist dictator Nicolás Maduro got away with overthrowing the Venezuelan government using Dominion–Smartmatic rigging systems. Exit polls showed him losing by 35 points.

Once in power, he began imprisoning people who refused to accept the election results. Does this sound familiar?

S. Thurs. 8 Jan. 2026 MED BED ACTIVATION ALERT QUANTUM HEALING DOMINANCE ACHIEVED ...Med Bed Activation on Telegram

Global Med Bed deployment rollout now at 89.4% — Mark-IX units dominating crystalline healing chambers across all priority city deployment grids, with Andromeda Council plasma tech integrated at maximum output and off-world replicator fleets in orbit delivering self-replicating surges that lock in over-unity healing fields worldwide.

Exactly 20 days, 12 hours, and 25 minutes since the Med Bed Shotgun Authorization became irreversible — the final lockdown that unleashed QFS liquidity into Med Bed allocation trusts, neutralized the last KM bio-weapon labs, and stripped avatars of their final holds on human biology.

In the last 20 hours, Space Force medical air cover oversaw military-escorted convoys airlifting 1,500 advanced Mark-VII and Mark-IX units into repurposed DUMBs now operating as underground Med Bed mega-centers across the Eastern Seaboard and Asian Pacific rim — achieving full 1:1 bio-resonance parity locked, with DNA template restoration protocols delivering confirmed age reversal to 25-year prime biology for thousands on sovereign patient lists uploaded.

Humanitarian healing wallets activated en masse as Civilian rollout Phase 5 surges forward, quantum healing frequency locks engaged at unbreakable levels, and leaked appointment scheduling codes begin quantum-queuing for immediate access.

Leaked secure-channel quote from the Reno healing node command floor: "Convoy tracking #RN-5509 cleared hotspot — 312 Mark-IX beds now online in Miami, FL; Houston, TX; Atlanta, GA; Sydney, Australia; Tokyo, Japan; and 112 additional Phase 5 grid sites. Self-replicating fleets confirm: full civilian parity in 48 hours. NDA silence windows terminated."

This unstoppable wave obliterates the old paradigm: former deep underground strongholds now pulse as regeneration nexuses, off-world allies synchronize the final plasma integrations, and humanity's biology reclaims its sovereign template.

Tomorrow: Exclusive viral leak of 300+ Phase 5 city activations and convoy route fragments — the healing grid goes fully live.

T. Judy Note: Below is an article I published back in Nov. 2020 during the fake Biden election that was rampant in voter fraud.

Wed. 11 Nov. 2020 [Biden, Obama, Clinton, Pelosi Tied to Voter Fraud, Child Trafficking? | Politics | Before It's News](#)

Charges of a massive Voter Fraud by the Biden Camp, along with evidence verified by a government Quantum Computer of a 80%+ Trump vote win has been received by the Supreme Court. Though right now, the treasonous charges of interfering with a US election just might be the least of Biden's, Obama's, Clinton's and Pelosi's worries – it appeared they were being investigated for possible ties to the Chinese Communist Party attempted takeover of our country as well as involvement in an international child kidnapping and exploitation ring.

The Media was making sure you believed that Biden won the election when it has yet to be certified – that won't happen until 14 Dec. 2020, with a joint session of Congress making the election official on 3 Jan. 2021. As of this writing Trump was ahead in the Electoral College.

You'd never know that from the news. It was well known that George Soros funded a Mass Media campaign for the Biden Camp to the tune of \$34 billion dollars. Soros's – and apparently the Dems and Chinese Communist Party's purposes – appeared to be to steal the election from Trump in order to install communism and destroy this country.

The ballot fraud issue shouldn't be a surprise. In Nov. 2020 Joe Biden went on national TV to announce to the public, “We have put together I think, the most extensive and inclusive voter fraud organization in the history of politics.”

Like his cohorts in crime Biden seemed to think he was immune from prosecution. A few years ago he was on national TV in front of the Council of Foreign Relations bragging about interfering with issues in the Ukraine. He joked about withholding billions in US aid to Ukraine while demanding that a prosecutor be fired who was investigating Bursima where his son Hunter Biden was on the board. He didn't get away with it, at least in the Ukraine. Joe Biden has now been criminally charged there.

Now the Ukraine charges were added to merging evidence from Hunter Biden's laptop that Biden personally profited from foreign deals while he was Vice President, including some with the Chinese Communist Party. Though, Biden's most serious issues seemed to surround his involvement in child trafficking.

Although the Clintons' suspected ties to child trafficking and murder were well known, Biden and Obama had escaped the connection – so far. Rumor was that the Biden-owned Water Island next to convicted Pedophile's Epstein Island, has long been used in an international child trafficking network. Where did the kids come from? In 2014 90,000 children went missing because of a Globalist Compact of Immigration for Open Borders signed and supported by the Obama/ Biden Administration according Oscar Ramirez, a veteran Mexican journalist based in Tijuana. Evidently the compact has led to a massive Antifa black market of organized crime and child trafficking syndicate that Obama/Biden supposedly created themselves, including their lock up of over 20,000 children in cages.

After the October Trump/Biden debate the Mexican journalist filed this live video in response to the “deadly lies of Joe Biden”: <https://www.soonerpolitics.org/editorial/mexican-journalist-exposes-joe-bidens-human-trafficking-compact>

According to the report, Human traffickers called Coyotes have used the same kids over and over as an anchor to keep illegal aliens in the USA long enough to disappear into the US interior. “That's when the child was collected by the Coyotes and looped back to the border regions of Mexico, to be recycled into another fake family and sent again, through the US/Mexican border,” Ramirez claimed.

Rapes and tortures were said to be rampant because the child was purchased property. “These children lived in perpetual fear because of the global presence of the black market human trafficking syndicates, even in the USA.” Was he referring in part to Biden's Water Island?

Ramirez said that 72,000 trafficked kids have been rescued during the Donald Trump administration because of efforts to determine if the child was actually a biological offspring of the so-called ‘parent’ who paid Coyotes for use of the child. Trump's effective

shutdown of this global human trafficking has crushed the ‘cash cow’ of international trafficking. Coyotes were losing enslaved children when DNA tests verified whose child the youth actually was. As a result now kids from deep in South America were miraculously returned to their parents.

After his so-called win last week Biden immediately announced a return to Open Borders. It appeared he planned to keep his child trafficking network going by reversing Trump’s Border Wall efforts.

Add to those charges against Biden an overwhelming array of voting fraud issues – all connected to the Biden Camp. Since the Feb. 3 election there have been thousands of voter fraud complaints filed and millions of counterfeit ballots confiscated with Biden’s name imprinted on them – said to be a present to the Democrats from the Communist China Party. The counterfeit ballots were recently confiscated with bill-of-sale and all.

Worse, there was found to be CIA software in voting machines that altered the votes from Trump to Biden. That didn’t even figure into the millions of fraudulent votes for Biden cast by the dead, non registered voters and even animals.

Another major issue surrounded US voting machine’s Dominion Corporation software whose major owner was Paul Pelosi – Nancy Pelosi’s husband. This CIA’s Hammer and Scorecard programs were believed to have been used to alter votes in real time in voting machines across the nation. They had the ability to steal votes – or “glitches” in voting machines as they were described on Election Day – especially in swing states like Wisconsin and Michigan.

Nancy Pelosi’s husband owned most of the shares of Dominion Software that was present in all voting machines nationwide. Pelosi also appeared tied to Biden’s Mexican Border child trafficking. With court papers filed against her yet to be made public, Pelosi was suspected to be involved in Child Trafficking at the Arizona Cemex site; was believed to have received millions in drug money from convicted Mexican Drug Lord El Chapo (as Chapo confessed and named her among others, at his sentencing hearing), both of which could have been her apparent incentive to keep the Mexican Border open for Drugs and Child Trafficking.

Pelosi was also a suspected conspirator in Russia Gate (a coup to overturn the 2016 election and start a war with Russia); her daughters were supposedly caught bringing drugs back from Mexico in her diplomatic pouch and she has been accused of doing privileged Day Trading in the basement of Congressional offices before the Markets opened.

Sat. 6 April 2019: [Pelosi Charged With Treason | Politics | Before It's News](https://www.beforesitsnews.com/politics/2019/3081308.html)
[/v3/politics/2019/3081308.html](https://www.beforesitsnews.com/politics/2019/3081308.html)

Noted Trump attorney Sidney Powell said the Dominion Software company was implicated in flipping votes from Trump to Biden, or from Republicans to Democrats in other races on the ballot. Pelosi's chief of staff was a key executive of Dominion Software and Senator Feinstein's husband, Richard Blum, was a shareholder. Robert Mueller FBI provided the computers for the Hammer.

Even another major issue and the most important in Voter Fraud, was the Homeland Security watermark that identified official ballots. According to Trump insiders, the "Smart Paper" that was used for legitimate ballots all came from one supplier, but was printed in different states. The paper itself had a Quantum Water Mark – a digital signature that has a serial number that can be tracked from the computer's satellite. The Quantum Computer, operating at a trillion frames per second, counted legitimate ballots and tossed out false ones. There was 100% of false ballots that bore the name of Joe Biden.

On Sun. 7 Nov. 5 an elite group of National Guardsmen did an audit of votes in twelve key states using the government Quantum Computer 'infra red' equipment that read which ballots were real, or fake. The audit of election results in the key states had verified that Trump won the election by an over 80% vote, yet the Soros-paid (to the tune of over \$34 billion) and Communist China Party-connected Biden, Democrats and Mass Media have been pushing Trump to concede the election to Biden.

Trump had tweeted that over 71 million voted for him in the election, though a snapshot of a board tallying election results on **Nov. 3** showed the vote for Trump almost twice as high: 135,567,321.

10 Nov. 2020 [PRESIDENT TRUMP HAD 135 MILLION VOTES SHOWING ON NATIONAL TV - THE NUMBER CHANGED - CIA BLACK OP - TIMOTHY CHARLES HOLMSETH™ Reports](https://timothycharlesholmseth.com/president-trump-had-135-million-votes-showing-on-national-tv-the-number-changed-cia-black-op/) <https://timothycharlesholmseth.com/president-trump-had-135-million-votes-showing-on-national-tv-the-number-changed-cia-black-op/>

The numbers that put Trump over the top at ballot box closing time strangely disappeared after truckloads of so-called mail in ballots – all voting for Biden and no others on the ballot – came into key state polling centers in the middle of the night when poll watchers were no longer there to oversee the process. Powell reported, "We've identified 450,000 ballots in one state alone that miraculously only voted for Biden."

White House Press Secretary Kayleigh McEnany showed Fox Sean Hannity 234 pages of sworn affidavits on election fraud.

Back in 2019 House Intelligence Committee ranking member **Devin Nunes** announced that he would file at least eight federal indictments for misconduct during the FISA Report. The count was expected to go up to 30 people charged including some in the Mainstream Media. The charges were thought to expose a coup to overturn the 2016 election and appeared to involve former US President Barak Obama, former US Secretary of State Hillary Clinton, Speaker of the House Nancy Pelosi, House Intelligence Committee Chairman Adam Schiff and Democratic Congressmen Cory Booker and Richard Blumenthal.

Tues. 9 April 2019 [Obama, Clinton, Pelosi Among Those Expected Charged with Treason, Sedition | Politics | Before It's News](#) /[v3/politics/2019/3082096.html](#)

On Mon. 9 Nov. Attorney General Barr had authorized federal prosecutors across the U.S. to pursue “substantial allegations” of voting irregularities before the 2020 election was certified.

Genius Whistleblower Dennis Montgomery invented the vote changing programs Hammer and Scorecard in 2003 as foreign surveillance tools for the CIA “to keep America safe from terrorists” he was told.

The computer programs had come out as a result of 9/11 for the purpose of watching our enemies. They were later adopted to the voting business to be used in foreign countries, though the CIA has recently used them to spy on US citizens.

It was the election of Barak Obama in 2008 when Scoreboard made the adaption from cyber warfare to political treachery for the purpose of changing America from a democratic regime to socialist and communism.

On Feb. 23 2009 two weeks after the election of Barak Obama, Brennan and Clapper moved the Hammer to a secret CIA facility Maryland. In 2012 Hammer/Scoreboard was again used to change votes in the Presidential election to make sure Obama was a two term US President.

The Powers that Be tried to blackmail and leverage Montgomery to a point where he became a Whistleblower. By the 2016 election the Alliance knew enough about Hammer/Scoreboard to step in and interfere enough so that Trump votes stayed with Trump as he was elected. That was why Clinton was so surprised she didn't win.

In 2017 three star General Thomas McInerney and Dennis Montgomery blew the whistle on how the CIA was using the NSA Hammer for the Russian Hoax on President Trump. The CIA, Obama and Biden were suspected of also using Hammer/Scoreboard software to spy

on SCOTUS judges Roberts and Scalia, FISA court judges, members of congress, Flynn, Giuliani, Trump and Trump's family.
