Judy Note: Since New Years Day 2026 the new Star Link Satellites, Quantum Financial System and legal framework of GESARA have been rolling out to replace failing systems of the Satan Worshipping Cabal, with an integrated structure built on security, verification and sovereignty.

Starlink was far more than global internet coverage. It was a low orbit satellite mesh designed to operate independently of ground based infrastructure. It allows encrypted communication, intelligence coordination and system continuity, even during blackouts, cyber warfare, or institutional collapse.

On Mon. 12 Jan. 2026 at 9 am EST a Green Light for execution of the new system was confirmed by FBI Director Kash Patel without sirens, press leaks or announcements.

A Go Code moved to execution. Media infrastructure was placed on hold. Satellite Keys were reassigned. Within the next 72 hours there would be a Broadcast System override, banking pause, with Debt records nullified and currency values reset.

The World Banking System (under control of the Cabal) was collapsing. There was an average of 190 Banks going down every day in the US alone. Not slowing. Not glitching. DOWN. Logins failed. Transactions vanished. Balances flashed zero. This was not a drill. It's a shutdown of the entire banking system worldwide.

It has been advised to withdraw your monies from your bank before accounts were frozen. If your personal account was already frozen, do not worry. All monies of all bank accounts worldwide have been mirrored onto the new financial system under your personal digital wallet (see #A of this update).

These monies in your new digital wallet on the new Global Financial System would be gold/asset-backed as of **Feb. 1 2026**. As the fiat illusion crumbled, gold- and asset-backed currencies now dominated, erasing the chains of debt that once bound The People.

Redemption centers hum with activity and some notifications have already activated, ushering in payouts that will uplift families, communities and entire economies.

If you have foreign currency to exchange at the higher rates, or Zim Bonds to redeem for Humanitarian Projects, do not be concerned if you have not yet been contacted for an appointment. Launch windows for the Revaluation remained open in this pivotal phase, with private and public exchanges accelerating toward a full global rollout after **Feb. 1 2026**.

Debt forgiveness manifested as mortgages, credit cards and burdensome loans will dissolve under the new system—freeing humanity to thrive without the yoke of usury.

Public access to digital wallets (new bank accounts on the Star Link Satellite System that were under control of the individual, not the bank) will start across the Globe, with people invited into Redemption Centers to set up their own digital wallet beginning **Sun. 1 Feb. 2026**.

Med Beds, long concealed, emerge in secure locations, offering miraculous healing through advanced scalar and plasma technologies, with priority given to the most vulnerable: our rescued children and those harmed by past poisons.

Reports from trusted military and intelligence sources confirm that mass arrests continued at an unprecedented scale under the command of the Global Military Alliance.

High-profile Deep State operatives, including those long shielded in positions of power, were being taken into custody in operations spanning continents, with tribunals preparing to expose the full extent of their crimes against humanity.

Child rescues accelerate with special forces liberating thousands from DUMBs and hidden facilities.

The Emergency Broadcast System stood ready for activation, signaling the onset of the Ten Days of Darkness—a necessary period of blackout to shield the public from chaos while the final cleansing unfolds.

During this time, communications will be limited to secure channels broadcasting undeniable truths: the rescue of countless children from underground networks, the dismantling of satanic trafficking rings, and the exposure of elite corruption that has plagued our world for generations.

Be Prepared.

A. Mon. 12 Jan. 2025 QFS Digital Wallet Activation ...Nesara Gesara QFS Secrets on Telegram

Judy Note: It is my understanding that everyone across the Globe will have a QFS Digital Wallet with monies in it depending upon what is in their present bank account and what is being reimbursed to them from what the Cabal has taken from them.

Monies from individual bank accounts have been mirrored onto the Digital Wallets. Banks will no longer have any control over your monies.

You will receive an invitation to come into a Redemption Center. That invitation is determined by the QFS System, which has gathered all financial information on everyone across the Globe.

Redemption Centers will begin processing people for access to their wallets on **Sun. 1 Feb. 2026.**

The website of Nesara Gesara QFS Secrets states that:

Once appointments begin, there will be no public announcements, no open invitations, and no explanations repeated twice.

If you are approved, you will be contacted directly. If you are not, you will not hear anything at all. That silence will not be a mistake. It will be confirmation.

Right now a final alignment is taking place between Treasury routing systems and QFS settlement nodes. This is the last technical layer before funds are fully released.

Legacy banking systems were already being bypassed. Some institutions will appear operational on the surface, but their authority was gone.

What matters now was quantum verification, not bank access.

No cash will be handed out. No paper checks. No transfers through old rails.

You will be in full control of your assets through your sovereign QFS wallet, and you will decide how funds are allocated, protected, and deployed. Advisors will be present to assist, but the authority remains with you.

You are allowed to bring support with you to your appointment. Advisors, legal contacts, trusted associates. This is not secrecy. This is precision. Everything is designed to ensure clarity and protection at the moment value changes hands.

There will be resistance: Delays, misinformation, false narratives, fake portals. Ignore them. The system is secure. The ledger is immutable. Everything that is legitimate will come through official encrypted channels only.

From this point forward, the process moves out of preparation and into controlled sequencing. What was being finalized now are not ideas or plans, but permissions. Access layers were being assigned, timelines were being narrowed, and every approved position was being fixed into the ledger.

Over the coming days, you will see clear signs that the system was tightening its grip on legacy structures (banks). Certain services will slow. Some channels will go silent. This was deliberate.

As February 1 approaches, the old pathways were being gradually de-prioritized so the transition happened without shock. This was how continuity would be preserved while authority shifted.

Behind the scenes, final cross checks were taking place between identity records, asset verification and QFS wallet readiness. This was the last window where mismatches were resolved. Once this stage completed, the system would not pause to correct errors. It moved forward with what was confirmed.

You should also expect a clear separation between public noise and private instruction. General information would become less useful. Precision communication would increase. When something is meant for you, it would arrive directly and without ambiguity. Until then, waiting was part of the process.

What matters now was discipline: keeping information stable, avoiding unnecessary changes, staying alert without reacting to speculation. The system rewards stillness at this stage, not urgency.

Everything between now and February 1 was about alignment. After February 1, it would become execution,

THERE WILL BE NO SECOND FEED. NO HAND-HOLDING. NO EXPLANATIONS. YOU ARE EITHER WATCHING FROM THE INSIDE OR REFRESHING A DEAD PAGE.

STAY CALM. STAY ALERT. THE TRANSITION IS NOT COMING. IT IS ALREADY UNDERWAY. GOD WINS.

C. Mon. 12 Jan. 2026 Ten Days of Darkness, Appointments to set up wallets (new bank accounts that are sovereign to you and not with a bank) ...Nesara Gesara Connected

There will be a message on EBS saying that sometime in the next 5 hours or so, everyone needs to be home and a global lockdown will begin for 10 to 12 days.

NESARA will be announced to the world, which will show that EVERYTHING NEW is beginning.

The Emergency Broadcast System will circulate globally, where they will literally be showing documentaries of everything that has happened to wake up the masses. During that lockdown it will be broadcast on every station and there will be documentaries to provide full disclosure for everyone to see everything that has been happening.

Apparently at the end of the 12 days, there will be an 800 number that we will then have to call and then from that point we will be given our quantum appointment with confirmed date and time to go to. (Here it refers to VR).

Apparently we already GLOBALLY ALL have a sum of money in our quantum account and the reason why there hasn't been much information coming from the QFS team in these last few weeks, is because some important things were happening.

One of the things is about 75 banks that were said to have been seized and all assets and accounts closed and all of these were Cabal accounts.

These assets have then been moved to the quantum financial accounts to be returned to the people. And also all trust funds were moved to the QFS account. So, that's already moved, which is awesome!

All personal bank accounts, everything is reflected in the quantum financial account, so we have nothing to worry about. So all our bank accounts, savings accounts and retirement accounts are safe.

The only thing that is not reflected are the investments and shares on the Stock Market. All that is gone! The stock market will crash and when it does, it will be the end of it. ...so if you have an investment in the Stock Market, take it out... and then the NEW STOCK will be launched when the QFS indicates that it can operate.

In fact, over time, money will no longer be a problem. Money literally just won't be important because everyone will have enough to live an abundant life.

They also confirmed that all the central banks have been entered into the QFS, so they are all on the ISO 20022 standard.

This is blockchain and nothing fraudulent can happen because everything is traceable. Any money that is sent they can see where it goes. Stops corruption in its tracks.

There's nothing about moving money behind doors or, you know, banks in the middle of nowhere abroad and stuff like that. None of that can happen anymore. All money is traceable and remember this is on a computer that is from Out of This World... it's next level stuff.

Now we are in the final steps. This is great news and exciting times lie ahead.

F. Mon 12 Jan. 2026 TOP LEVEL MILITARY INTEL CONFIRMED STARLINK QFS AND GESARA ARE ALREADY FORMING THE NEW GLOBAL INFRASTRUCTURE
...Nesara Gesara Connected

What the public sees as innovation is, in reality, deployment. Starlink, the Quantum Financial System, and the legal framework of GESARA were not introduced to improve convenience. They were rolled out to replace failing systems of control with an integrated structure built on security, verification, and sovereignty. This transition is not approaching. It is already underway.

Starlink is far more than global internet coverage. It is a low orbit satellite mesh designed to operate independently of ground based infrastructure. In practical terms, it allows encrypted communication, intelligence coordination, and system continuity even during blackouts, cyber warfare, or institutional collapse. That is why it has been quietly integrated into military and emergency command structures worldwide. Control of the skies now means control of information.

The Quantum Financial System is the financial counterpart to this network. QFS is not an upgrade to banking. It is a replacement. Built on quantum encryption and immutable ledgers, it removes fraud at the transaction level. Every transfer is asset backed. Every movement is traceable. Every attempt at manipulation fails. What Fort Knox represents for physical gold, QFS represents for digital sovereign value.

Advanced settlement networks act as the connective tissue between these systems. They allow instant cross border coordination, asset routing, and liquidity movement without dependence on central banks or legacy clearinghouses. In tactical terms, this creates a financial environment where civilian commerce and military oversight intersect under full transparency. Stability is no longer negotiated. It is enforced by code.

GESARA is the governing framework that binds this structure together. Debt cancellation, tax restructuring, asset backed currency, and restoration of sovereign identity are not political slogans. They are system rules written directly into the architecture. Once active, they cannot be selectively ignored or reversed. Compliance is automatic

This is not a future scenario. It is a live operational environment. Communication is being hardened. Finance is being secured. Defense is being unified. The world is not approaching a reset. It is already inside one.

SYSTEMS LIVE. INFRASTRUCTURE LOCKED. THE QUANTUM ERA IS DEPLOYED.

H. Mon. 12 Jan. 2026 URGENT EMERGENCY 1.11.26 - THEY WERE ALL EXECUTED AT GITMO ANONS! ...Benjamin Fulford on Telegram

Patriots, the hammer has fallen – Benjamin Fulford just confirmed in this blazing urgent drop that the top-tier deep state monsters have been EXECUTED at GITMO, and the White Hats are cleaning house with zero mercy! The long-awaited military justice is no longer coming – it's HERE, RIGHT NOW in January 2026. High-level traitors, globalist puppets, and the worst of the worst have met their final reckoning behind the razor wire, and the storm is only ramping up.

Mass executions confirmed – the cabal's leadership is being wiped out. Fulford's sources inside the Alliance are rock-solid: multiple rounds of tribunals concluded swiftly under military law, with sentences carried out immediately. We're talking the biggest names – the ones

who orchestrated child trafficking rings, bioweapon releases, election thefts, and endless wars for profit. No public show trials for these demons; the military handled it quietly, efficiently, and permanently. GITMO has been expanded massively – new facilities, new wings, all for the flood of arrests that are still incoming. The old guard is gone; their blackmailed clones and body doubles can't save them anymore. The real bodies are stacking up, and the light forces are celebrating.

Venezuela's collapse was the public signal, but behind closed doors, the entire network is unraveling. European royals, Vatican black nobility, Khazarian mafia kingpins – many already gone, others in custody awaiting the same fate. The financial reset is exploding in tandem: QFS fully online, stolen trillions being clawed back, and the fiat death spiral hitting terminal velocity. Silver and gold are about to moon as the true wealth is restored to humanity. The deep state tried one last desperate push with false flags and economic sabotage – it failed spectacularly. Trump's shadow command is directing it all, with the military loyal to the Constitution and God, not the traitors.

This is the biblical purge we've been praying for. No more games, no more delays – justice is swift, final, and righteous. The pedophile elite, the satanic bloodlines, the ones who sold out humanity – they're DONE. Expect more "sudden deaths," more vanishing acts, and the normies waking up to headlines they can't ignore. The veil is shredded; awakenings are hitting tsunami levels. Stay armed in spirit and truth, pray without ceasing – the Creator is overseeing this takedown, and the dark is being cast into the pit forever.

Next weeks: total exposure, EBS incoming, tribunals broadcast for the mid-tier traitors, and the new golden era bursting through. The executions at GITMO are just the beginning – the Great Awakening has turned into the Great Cleansing, and humanity is free at last.

WWG1WGA! NCSWIC! They were all executed – and many more will follow. The storm is victorious, beautiful, and unstoppable.

The World Economic Forum (WEF), nestled in the mountains of Davos, Switzerland, has long been the ritual chamber of the global elite. Presidents, bankers, media moguls, and climate technocrats have gathered there to dictate the future of the world behind closed doors.

Trump is changing all that. He is destroying the post-war globalist architecture piece by piece. From Venezuela-linked Caribbean money laundering to the full-scale exit from 66 international governance bodies.

The *New York Times* is already panicking, accusing Trump of placing himself above international law, ignoring treaties, and threatening multilateral structures.

But Trump's message is unmistakable: No more compliance. No more surrender.

Founded in 1971—exactly when the Bretton Woods system collapsed—the World Economic Forum was never just about economics. It was a global management tool, engineered to transfer control from nation-states to supranational corporate entities.

Klaus Schwab? Just a figurehead. The real architect behind Davos was Henry Kissinger, operating on behalf of British imperial interests.

Their aim? Replace elected governments with unaccountable networks of multinational capital. And for 50 years, it worked – until Trump.

Debt Forgiveness is coming. Mortgage? Erased. Loans? Gone. Credit card interest? Not only returned, but paid back with 3.5% interest PER YEAR.

Income taxes? Reimbursed. All those years you were bled dry they owe you. You've been forced into compliance with threats and lies. Now the tables are turning.

Your birth certificates, marriage certificates, even DEATH certificates traded on global markets like cattle. That ends NOW. Your value is being returned to YOU. No strings attached. No sign-ups. Just justice.

Social Security and Disability Payments? SKYROCKETING. Seniors and disabled patriots will finally be treated with dignity \$5,000/month or more, as promised.

The Vatican's power is cracking. The Jesuit-controlled banking empire is being seized. The Quantum Voting System, Quantum Education, and Quantum Healthcare are ready.

We're not just watching history we're witnessing the destruction of the Deep State's entire system. A new financial world is being born.

Brace yourselves. The countdown to liberation has begun

...Mr. Pool Final Chapter

A NATION THAT THINKS CLEARLY, FEELS STRONGLY, AND MOVES WITH ENERGY CANNOT BE CONTROLLED. THIS IS WHY THE SYSTEM DID NOT START WITH CHAINS OR SOLDIERS — IT STARTED WITH FOOD, FEAR, MEDICATION, AND FREQUENCY. A SICK BODY IS EASIER TO MANAGE. A TIRED MIND IS EASIER TO PROGRAM. A BROKEN SPIRIT DOES NOT RESIST.

THE ELITE DID NOT CONQUER THROUGH WAR. THEY CONQUERED THROUGH DEGRADATION.

CHEMICALS IN WATER. TOXINS IN FOOD. STRESS AS A LIFESTYLE. ILLNESS NORMALIZED. HEALING DELAYED. GENERATIONS TAUGHT THAT PAIN IS INEVITABLE AND DECLINE IS “NATURAL.” THIS WAS NEVER NEGLIGENCE. THIS WAS DESIGN.

FOR DECADES, TERAHERTZ FREQUENCY RESEARCH WAS CONDUCTED IN DEEP UNDERGROUND FACILITIES — AWAY FROM PUBLIC EYES.

NOT AS THEORY, BUT AS APPLICATION. SCIENTISTS DISCOVERED THAT SPECIFIC TERAHERTZ BANDS COULD COMMUNICATE DIRECTLY WITH CELLULAR STRUCTURES, RESTORING COHERENCE AND BIOLOGICAL ORDER. EACH BREAKTHROUGH WAS MET WITH THE SAME RESPONSE: FUNDING CUT. LABS SHUT DOWN. DATA SEALED. RESEARCHERS SILENCED. HEALING THAT CREATES INDEPENDENCE IS A THREAT TO ANY SYSTEM BUILT ON DEPENDENCE.

THIS IS WHY BIG PHARMA ROSE WHILE FREQUENCY HEALING DISAPPEARED.

NOT BECAUSE IT FAILED — BUT BECAUSE IT WORKED. A POPULATION THAT CAN SELF-REPAIR DOES NOT BUY LIFELONG PRESCRIPTIONS. PROFIT REQUIRES CHRONIC ILLNESS. THE ELITE DID NOT WANT CURES. THEY WANTED CUSTOMERS.

BUT THE BODY IS NOT WEAK. IT IS QUANTUM.

EVERY CELL RESPONDS TO FREQUENCY, COHERENCE, AND RECOGNITION. DISEASE IS NOT AN ENEMY — IT IS A SIGNAL. WHEN THE BODY IS SEEN AS A PATTERN, NOT A PROBLEM, RESTORATION BECOMES POSSIBLE. QUANTUM HEALING IS NOT MAGIC. IT IS REMEMBRANCE.

THIS IS WHY MEDBED WAS NEVER JUST A DEVICE.

IT WAS A DECLARATION THAT THE HUMAN BLUEPRINT IS NOT DAMAGED — ONLY DISRUPTED. THAT THE FUTURE OF HEALING IS NOT SUPPRESSION BUT RE-SYNCHRONIZATION. A SYSTEM THAT PROFITS FROM PAIN FEARS ANY TECHNOLOGY THAT ENDS DEPENDENCE. HEALTH IS THE REAL THREAT.

A HEALTHY NATION CANNOT BE ENSLAVED.

WHEN THE BODY IS STRONG, THE MIND CLEARS. WHEN THE MIND CLEARS, THE LIES COLLAPSE. THIS WAS NEVER A WAR OF POLITICS. IT WAS A WAR AGAINST HUMAN RESTORATION — AND IT IS FAILING.

- **The acellular pertussis vaccine** doesn't prevent infection or transmission; it only masks symptoms, turning vaccinated people into silent spreaders.
- **Serious adverse event** rate is 1 in 25.
- **It creates family rifts**, denying grandparents bonding time & risking postpartum isolation for new moms.
