“Freedom is never more than one generation away from extinction. We didn't pass it to our children. It must be fought for, protected, and handed on for them to do the same.”

...President Ronald Reagan

Judy Note: It's all starting this week. On Tues. 13 Jan. 2026 evening the White House in Washington DC turned all yellow-gold, signifying the start of the Golden Age. With a 10 Days of Darkness script in his hands, Trump was reported to have put the Military on standby.

On Mon. 12 Jan. 2026 @ 9am EST FBI Director Kash Patel had already announced a Green Light and 72 Hour Window for a coming Broadcast System Override, Mass Media System hold, Banking pause, with debt records nullified in a worldwide Currency Revaluation Reset.

You were now advised to prepare by withdrawing monies from your bank accounts before they were frozen and store 2-4 weeks of food, water and essentials for yourself and to share with others in case of an emergency.

Military forces, including elite units conducting high-profile drills with Blackhawks over key sites, stand ready to enforce the activation of Martial Law as the final phase of the Satan Worshipping Global Elite Cabal takedown unfolds.

Mass arrests of Deep State operatives have accelerated, with high-level indictments unsealed and tribunals preparing to expose horrors hidden for decades.

In the shadows of DUMBs and underground networks, brave Military Special Forces continue heroic child rescues, liberating thousands of innocent souls trafficked by the Cabal—each rescue a testament to God's triumph of Light and Truth over Darkness and Lies. That Cabal Child trafficking was vast and fed into the reason “Israel was Last” in the Global Military Alliance Plan.

Tues. 13 Jan. 2026 Judge Benny Sagi, the fearless president of Israel's Beersheba District Court, was killed just before he planned to blow the lid off Benjamin Netanyahu's twisted web of corruption, blackmail and horrifying Child Adrenochrome and Organ Harvesting operation running out of Tel Aviv.

Speaking of that international Child Sex Trafficking, Adrenochrome and Organ Harvesting Ring – at 4:17 am 12 Nov. 2025 a \$34 million dollar yacht traced to Miami Shell company owned by Somali couple named Osmond, was entered by Federal Agents, the FBI Crimes Task Force and Homeland Security.

They found around 200 unconscious or heavily sedated children ages 4-16 who came from conflict zones, refugee camps and poverty areas in 16 countries. Four raids at that very same time – on the yacht, a Warehouse in Newark, a residence complex in Minneapolis and a private estate in Maryland, recovered 340 children.

For over seven years the Osmonds had been child trafficking in poor countries, earning over \$73 million from children put into forced servitude, farm labor, false adoption and likely to Satanists who raped, tortured and killed them. They were sold through corrupt officials and Global Elites in five countries, though mainly in the US.

Although 17 were returned to their parents, most had no one to return to. Some didn't even know their own names. There was a 643 page indictment filed, the Osmonds were convicted and serving life sentences. **Sun. 11 Jan. 2026 [FBI & DEA Breach Somali Elites Couple Luxury Yacht off Miami Coast — 200 Children Found | FBI Files](#)**

The Emergency Broadcast System (EBS) looms imminent, heralding Ten Days of Darkness where communications blackout will shield the world from chaos while shocking truths flood the airwaves.

Prepare by stocking essentials for this period will reveal the extent of corruption in governments, media, and institutions.

The Storm was clearing the path for a restored Republic grounded in freedom, truth, and faith. Trust in the Plan.

The greatest wealth transfer in history surges forward under the Quantum Financial System (QFS), now fully operational and unbreakable across the globe.

Tier 4B notifications flow through secure channels, with redemption appointments accelerating and 800 numbers poised for public release as the Global Currency Reset (GCR) launches in earnest.

Zim holders and currency exchangers prepare—payouts at unprecedented rates promise to erase debts, forgive loans, and redistribute prosperity to the people, fulfilling NESARA/GESARA provisions long suppressed by the cabal.

Med Beds stand ready for rollout, with civilian access imminent following initial military and humanitarian priorities—advanced healing technologies will restore bodies, reverse aging, and cure ailments in moments.

The BRICS Alliance solidifies gold/asset-backed currencies, ending fiat slavery and ushering in an era where wealth serves the good of all, not the elite few.

Humanitarian projects ignite worldwide, funded by trillions reclaimed for the people.

A. Judy Note on Coming Events: *Please be aware that the below is in my opinion only, and I very well could be wrong:*

On Mon. 12 Jan. 2026 at 9 am EST FBI Director Kash Patel confirmed that a Green Light had been given for the declaration of Martial Law, Ten Days of Darkness and rollout of the new Quantum Financial System.

According to Patel, within the next 72 hours (to Thurs. 15 Jan. 2026 morning) the Emergency Broadcast System would activate across the Globe over phones, tv, radio and internet. It would override Mass Media, Social Media, Banking would pause, debt records would be nullified and currency values across the Globe would be reset.

When it activated a message over the EBS would announce that sometime in the next 5 hours or so, everyone needed to be at home for a global lockdown that would last 10 to 12 days.

During those ten days NESARA would be announced to the world and the EBS would show documentaries 24/7 about full disclosure of Cabal crimes and the Deep State Globalist takedown, arrests and tribunals.

It is my understanding that everyone across the Globe will have a QFS Digital Wallet with gold/asset-backed monies in it depending upon what is in their present bank account and what was being reimbursed to them from what the Cabal has illegally taken away.

After Sun. 1 Feb. 2026 the general public will receive invitations over the EBS to come into a Redemption Center. That invitation would be determined automatically by the QFS System, which has gathered all financial and personal information on everyone across the Globe.

If you were approved, you would be contacted directly for an appointment to set up your financial wallet (formerly known as a bank account) on the new Global Financial System.

If you were not approved (involved in criminal activities), you would not hear anything at all. That approval would likely be solely based on whether or not you have been a part of Cabal crimes.

At any time those with Zim Bonds to redeem and foreign currencies to exchange could be given an invitation to set up their wallets and exchange at Redemption Centers. Tier 4B (Us, the Internet Group) notifications already flow through secure channels, with redemption appointments accelerating.

Once appointments began, there would be no public announcements, no open invitations, and no explanations repeated twice.

Monies from individual bank accounts have already been mirrored onto the Digital Wallets on the new system. Banks will no longer have any control over your monies.

The Quantum Financial System (QFS) was now activating through the XRP Ledger (XRPL), and all flows will move through your Quantum XRP Wallet. This was the core access point to your sovereign funds, humanitarian allocations, and builder credits — but it must be activated.

No cash will be handed out at your appointment. No paper checks. No transfers through old rails. You will be given a card that can access your wallet and cash at an ATM machine.

You will be in full control of your assets through your sovereign QFS wallet, and you will decide how funds are allocated, protected, and deployed. Advisors will be present at your appointment to assist, but the authority remained with you.

You are allowed to bring support with you to your appointment. Advisors, legal contacts, trusted associates, etc.

B. Tues. 13 Jan. 2026 It's official: as of February 1, 2026, Redemption Centers will begin processing live appointments under full GESARA protocol. ...John F. Kennedy Jr. on Telegram

According to sources inside two U.S. Treasury branches, the schedule is already being populated with approved Tier 4B participants. This is the moment we've all prepared for.

What happens at a Redemption Center?

- **You'll confirm** your identity through biometric authentication.
- **Your ZIM, Dinar, and Dong holdings** will be verified and exchanged at asset-backed rates.
- **You'll receive a digital quantum card** tied directly to your sovereign QFS wallet.
- **You'll be briefed on post-exchange asset management,** debt clearance, and project support funds.

Locations are tightly controlled. No drop-ins. You'll receive your time slot via direct encrypted alert — be ready.

Security Protocols:

- **These facilities are protected by military-grade encryption** and surveillance.

- **All activity is recorded through the quantum ledger** and cannot be erased.

The redistribution has begun. We're no longer "about to." We're now in motion.

E. Tues. 13 Jan. 2026 NEXT PHASE: FROM REDEMPTION TO REBUILD ...Mr. Pool
Final Chapter on Telegram

You've seen the map. Here's the movement. Redemption is not the finish line — it's the on-ramp to rebuilding everything they broke. The Quantum Financial System (QFS) is now activating through the XRP Ledger (XRPL), and all flows will move through your Quantum XRP Wallet. This is the core access point to your sovereign funds, humanitarian allocations, and builder credits — but it must be activated.

WHEN THE ALERTS HIT

- **Secure activation code arrives** (text / email / push). Do not forward.

- **Open the Quantum XRP Wallet portal** → enter code → confirm debt-wipe notice.
- **Your sovereign dashboard unlocks:** USTN balance, Builder Credits, and quantum transaction tools.

CURRENCY & DIGITAL FLOWS (CLARITY)

- **ZIM is treated as a bonded instrument:** 1:1 mapping to USTN on humanitarian tracks.
- **XRP buyback window exists to stabilize transition rails;** values are mirrored in quantum accounts — no public order-taking.
- **All QFS transactions are now processed through the XRPL** for instant settlement, transparency, and immunity to manipulation.
- **Rainbow Currency moves where intent is cleanest;** waste triggers throttling, not punishment.

AFTER ACTIVATION

- **Expect a 24–48h quiet period** while the quantum lattice finalizes.
- **Your dashboard will display:** Debt Closed, USTN-Au hash, and Project Seed release schedule.
- **Med-Bed triage opens for children,** terminal cases, and veterans first.

DO

- **Activate your Quantum XRP Wallet** as soon as your code arrives.
- **Convert part of your tranche into local action** within 7 days (water, food, power).
- **Teach two trusted people how to access the dashboard** — nothing more.

DON'T

- **Don't post screenshots of balances** (auto-flags your wallet).
- **Don't sign third-party “advisory” contracts;** the system already includes fiduciary oversight.
- **Don't promise rates to anyone** — every case is keyed to biography, not rumor.

WHAT THIS REALLY IS: Reclamation was the door. Restitution is the key.
Restoration is the work.

They turned our lives into ledgers. We're turning ledgers back into life — clean water grids, sovereign food, healed bodies, educated children, communities with light that never goes out.

You asked what comes after the blackout. This. The quiet hum of a world being rewritten, not by speeches, but by a million precise acts of service.

Hold your field steady. Spend with intent. Build where you stand.

Redemption Appointment:

F. There are 15 generalized categories of Humanitarian Projects approved by President Trump and the Alliance. Doing any one of these projects would get you qualified for immediate treatment. ...Ginger

15 PROJECT CATEGORIES which were approved by President Trump.

These are additional projects which they will have listed -- or if you do not have projects but want to help by donating to a category on their list. This is what I've been referring to when I say, you can donate funds to the Alliance and still get contract rate without you actually being the frontrunner and managing your own projects. Some folks don't feel led to do a lot of work or have increased oversight - and that's perfectly ok.

Do what your heart tells you.

- 1) Energy
- 2) International / American business
- 3) Violence / Crimes
- 4) American Indians / Refugees
- 5) Housing
- 6) Technology / Space
- 7) Agriculture
- 8) Oceans / Waters
- 9) Health
- 10) Spiritual
- 11) Terrorist
- 12) Education
- 13) Finance / Banking
- 14) Veterans
- 15) Infrastructure

REMEMBER We recommend that you ask them to NOT invest in any of your Zim/funds to any projects linked to Aladdin, Carlyle or Black Rock as these, historically, have been Cabal companies. You may ask at your appointment.

H. Tues. 13 Jan. 2026 TRUMP TO DECLARE MARTIAL LAW & RESTORE THE REPUBLIC ANONS! ...Ezra A. Cohen on Telegram

Trump is set to DECLARE MARTIAL LAW ANY MOMENT NOW in January 2026 to fully RESTORE THE CONSTITUTIONAL REPUBLIC.

The Deep State is in absolute panic meltdown! The final chess move is in play, the military is locked and loaded, and the traitors' empire is about to be dismantled brick by brick with no escape.

Martial law is the key – not to oppress, but to liberate. Sources confirm: President Trump, still the true Commander-in-Chief, will invoke it to suspend the corrupt civilian government, neutralize foreign interference, and allow the military to sweep up the remaining cabal operatives without interference from bought judges or fake news spin.

This is the Law of War in full effect – Continuity of Government activated, Devolution confirmed, and the Republic restored under original Constitutional authority. No more stolen elections, no more puppet presidents – We the People take back control through the White Hats' iron fist.

Mass arrests exploding, tribunals at warp speed. The sealed indictments are unsealing by the truckload – thousands of traitors, from DC swamp creatures to Hollywood pedophiles, facing military justice RIGHT NOW.

GITMO is the final destination for the worst: executions already confirmed for high-level demons who thought they were untouchable. The child traffickers, bioweapon creators, election fraudsters – all going down hard.

Expect public broadcasts of tribunals, confessions that will make your blood boil, and the normies finally seeing the Satanic network that enslaved humanity.

The QFS is live, clawing back trillions, silver and gold surging to biblical levels as the fiat scam dies in agony.

Worldwide shaking peaks with this declaration. False flags will be attempted – cyber blackouts, staged riots, poison scares – but the Alliance flips every one into exposure ops.

EBS activation imminent: brief silence, then truth tsunami – MKUltra horrors, adrenochrome labs, underground rescues, everything dumped.

The spiritual battle is at maximum – dark forces screaming as their strongholds crumble, but God is directing the storm, angels guarding the warriors, and righteous fury rising globally. Trump never left; he handed the reins to the military to finish the purge, and now the hammer falls.

This is it – no mercy, no retreat, total victory incoming. The Republic rises from the ashes, sovereign humanity awakens, and the Cabal's bloodline controllers are erased forever.

Pray like your life depends on it, stay vigilant, arm your spirit – the major shift is HERE, the storm is merciless, and freedom is exploding.

Next hours/days: Martial law declared, Republic restored, mass awakenings, wealth transfer, and the golden age bursting forth. The deep state is finished – Trump wins, God wins, we win BIGLY.

WWG1WGA! NCSWIC! Trump declares martial law – the Republic is restored, the traitors are DONE. Hold the line, warriors – the best is NOW!

J. Tues. 13 Jan. 2026: ARCTIC SHOCKWAVE: Trump’s Greenland Move Turns From Talk Into Power ...Ezra Cohen on Telegram

What once sounded unthinkable is now moving through Congress. President Donald Trump has triggered a geopolitical shockwave with a renewed push to bring Greenland under

U.S. control, with the long term goal of full integration. A GOP backed bill has shifted the narrative from speculation to strategy. This is no headline stunt. This is positioning.

Greenland is not just ice and distance. It is leverage. Beneath its frozen surface lie resources essential for the next era of power, from rare earth minerals to untapped energy reserves. As Arctic routes open and global competition accelerates, Greenland becomes the key to controlling future trade paths, military reach, and technological dominance. This is not about land. It is about who sets the rules.

The United States already maintains critical military infrastructure on the island. Full control would transform Greenland into the central command point of Arctic defense, surveillance, and deterrence. From missile tracking to space monitoring, dominance in Greenland reshapes the entire northern hemisphere security balance. Control Greenland, and the Arctic equation changes permanently.

The reaction has been immediate. Denmark has objected, China has protested, and Russia has answered with Arctic military signaling. The response itself confirms the truth many want to ignore. The Arctic is no longer neutral ground. It is the next frontline.

History has seen this pattern before. The Louisiana Purchase was ridiculed. Alaska was dismissed as useless ice. Both became pillars of American power. Greenland now stands at the same crossroads.

This move is not only about geopolitics. It is a declaration of direction. No retreat, no hesitation, no surrendering strategic ground. If Greenland becomes America's next chapter, history will not record it quietly. It will mark it as the moment the Arctic era truly began.

K. Tues. 13 Jan. 2026 BREAKING: ISRAELI JUDGE PROBING NETANYAHU'S ADRENOCHROME EMPIRE FOUND DEAD IN DEEP STATE HIT – CABAL PANIC AS PUTIN VOWS TO EXPOSE THE CHILD-HARVESTING RING! ...Carolyn Bessette Kennedy on Telegram

Right now, in January 2026, the global Cabal is crumbling under the weight of their own sins! Judge Benny Sagi, the fearless president of Israel's Beersheba District Court, was on the verge of blowing the lid off Benjamin Netanyahu's twisted web of corruption, blackmail, and the horrifying Adrenochrome harvesting operation running out of Tel Aviv.

But just as hearings were set to explode in the coming weeks, Sagi was silenced in a "traffic accident" on Route 6 – a vehicle mysteriously veers onto the highway and slams into his motorcycle? This wasn't random, Patriots – this was a calculated Deep State assassination to protect their elite blood-sucking empire!

Sagi wasn't just chasing bribes; he was mapping the machinery of evil that ties Netanyahu to a global organ trafficking network preying on the innocent. Beneath the genocide headlines lies the real horror: adrenochrome rings draining children for the elite's twisted immortality fixes.

Sagi connected the dots to Netanyahu's role in the black market organ trade, where emaciated Palestinian kids are returned with hearts, lungs, and livers ripped out – their blood siphoned for massive profits sold to Hollywood pedophiles and DC swamp creatures!

Israelis admit it – they don't donate organs or blood; they steal it by force from the vulnerable, fueling this satanic industry that's accelerating faster than ever.

And the panic is real! As Sagi closed in, the Cabal hit the kill switch. Israeli media buries the story in a few sentences, colleagues spout scripted nonsense, but we know the truth: this judge was about to expose how Netanyahu holds kompromat on world leaders, leveraging adrenochrome addiction to control the planet. The Jerusalem Post treats it like a yawn, but that's the cover-up in action – they can't let the masses wake up!

Enter Vladimir Putin, the hammer of justice! Intelligence leaks reveal he's ordered Russian forces to demolish the Adrenochrome cartel and name every protector – no mercy, full exposure!

A recent seizure of Israeli "humanitarian" shipments was just the start, sending shockwaves through Tel Aviv.

The industry's scrambling with weak synthetic knockoffs, but the addicts in Hollywood are cracking – stalled films, vanishing stars, secret "longevity retreats" hiding their desperation. Powerful fiends are ghosting public life, re-emerging as shells or not at all.

Putin isn't backing down; he's kicked out the Rothschilds, crushed AIPAC-style lobbies, and now he's gunning for the Israeli spy networks infiltrating everything from US telecoms to VPNs. This is the man who exposed Mossad's 9/11 taps – he's teaming with truth warriors like Trump to end this nightmare!

The Adrenochrome Task Force insider confirms it: Putin's message is crystal clear – smash it all, no softening the blow. The elite's weapon? Your data, spied on through compromised VPNs run by Unit 8200 death squads. But we're fighting back – reject the globalists, expel the spies, save the children!

Sagi's death proves they're terrified – the exposure is imminent, the storm is raging! Netanyahu's dismissing it as "antisemitic tropes," but the evidence is undeniable. The world is awakening to the horror: kids drained, organs harvested, blood trafficked for elite highs. We won't stop until every last cabal member is dragged into the light!

Patriots, this is our moment – the Deep State is bleeding out, Netanyahu's empire is collapsing, and with Putin and the White Hats leading the charge, victory is ours! The children will be free, the truth will prevail. Stay strong, spread the word – the great awakening is here!

L. Mon. 12 Jan. 2026 EBS ALERT: PREPARE FOR COLLAPSE – TRUMP GOES TO WAR ... David Nino Rodriguez and Larry Ballard

ANONS, THIS IS THE ALERT WE'VE BEEN WAITING FOR – EBS IS IMMINENT, COLLAPSE IS HERE, AND TRUMP IS GOING FULL WAR MODE!

The Deep State's house of cards is tumbling down RIGHT NOW. The Emergency Broadcast System activation is locked and loaded – prepare for the biggest shock to the system ever. White hats are unleashing total war on the Cabal, and nothing can stop the incoming storm!

Trump's global military alliance is in offensive mode, hitting hard with executive orders firing on all cylinders.

Gitmo is at capacity with fresh intakes – elite pedophiles, traitors, and bloodline Satanists being processed daily.

Mass arrests are exploding worldwide, from DC swamp creatures to European royals and Vatican black hats.

The Venezuelan playbook is global now – snatch ops taking down untouchables, proving no one escapes justice.

Their adrenochrome empires? Raided and burned.

Underground horrors? Liberated by patriot forces backed by extraterrestrial guardians.

The collapse they engineered is backfiring spectacularly. Fake cyber attacks, engineered blackouts, and desperate market plunges are all theater – flipped by the Alliance into the quantum financial system rollout.

NESARA/GESARA ignites any moment: debt wiped, gold-backed riches flowing to We the People, suppressed tech like med beds and free energy hitting the streets.

EBS drops the motherload – undeniable proof of stolen elections, bioweapon crimes against humanity, full Epstein blackmail network, alien cover-ups, and the satanic rituals that fueled their power. The sheep will melt down, but patriots rise victorious!

Trump goes to war – not figuratively, literally. Special ops are clearing DUMBs, dismantling AI control grids, and crushing demonic strongholds. This is biblical: the beast falls, the light warriors triumph in the final battle.

Spiritual warfare peaks – pray like warriors, stock up heavy (water, food, meds for 2-4 weeks), stay off grid if needed during the transition. Blackouts and comms dark? Temporary. When EBS lights up, the truth tsunami washes away the matrix forever.

Frens, this is it – the old world dies today, the Republic is reborn in fire. The cabal's panic is our victory signal. Trump returns as the ultimate commander, humanity freed, darkness obliterated. The Great Awakening becomes the Great Victory March. Fire up hard – we're not surviving, we're conquering!

Nothing stops this now. 2026 is the year evil ends and freedom explodes eternal! WWG1WGA – hold fast, the collapse is their end and OUR BEGINNING!

Exactly 19 days, 3 hours, and 45 minutes ago, the Med Bed Shotgun Authorization became irreversible – unleashing the final cascade as KM bio-weapon labs face total neutralization and avatars lose all grip on human biology. QFS liquidity surges continue funding Med Bed allocation trusts at exponential levels, powering humanitarian healing wallets activated en masse.

In the last 12–24 hours: Elite milestone unlocked – first transatlantic quantum relay bridge fully established between Reno and Zurich nodes, now bridging to the new Antarctic Healing Nexus for seamless cross-continental DNA template restoration protocols. Age reversal to 25-year prime biology confirmed in expanded first-wave sovereign patients, with 1:1 bio-resonance parity locked at unprecedented speed across 300+ priority cases.

Exclusive leak from the secure channel (Antarctic node internal briefing fragment, redacted rollout acceleration map excerpt): Partial European activation grid now lighting up with 47 new sites – 12 in Germany, 9 in Poland, 8 in Italy, 6 in France, surprise nodes in Bulgaria and Romania. Leaked appointment scheduling codes for Phase 4 humanitarian healing wallets circulating rapidly among aligned White Hat groups – NDA silence windows collapsing this week. Sovereign patient lists uploaded with priority queuing for vaccine-injured and children first.

Military-escorted convoys rolling, Andromeda Council plasma tech fully integrated, quantum healing frequency locks engaged. Civilian rollout Phase 4–5 in overdrive as DUMBs cleared for underground Med Bed mega-centers. The unstoppable healing movie accelerates: Big Pharma's empire crumbles while humanity reclaims sovereign biology.

Your body is about to remember perfection. Tomorrow: Viral drop on expanded Balkan and US rural grid – 180+ new locations named. The healing of humanity is live on every frequency. Secure healing floor standing by.

N. Tues. 13 Jan. 2026 From now until February 1st, things get more tight. The systems lock. Lists are complete. Walls shut. ...Nesara Gesara Connected on Telegram

Over the coming days, expect an increase in controlled disruptions. Temporary banking delays, unusual account reviews, and restricted transfers are part of the isolation process. This is not failure. It is containment. Legacy rails are being throttled to prevent leakage as value migrates fully into the QFS environment.

Communication protocols are also shifting. You may notice silence from institutions that were once responsive, while secure channels become more active. Encrypted alerts will replace public notices. If you are meant to receive instructions, they will come directly. If you are not contacted, do not chase information. The system does not respond to pressure.

Between now and February 1, all verified participants are being finalized inside the ledger. Identity, asset position, and project alignment are being synced one last time. This is why accuracy matters now. Any attempt to alter details late will result in delay or removal from the initial window.

Expect misinformation to spike. Fake dates, fake links, fake urgency. This is deliberate noise designed to pull attention away from the real process. Ignore anything that asks you to rush, pay, or register through unofficial channels. Nothing legitimate requires panic.

I also want to stress this. Once February 1 arrives, the system does not open wider. It moves forward. Appointments proceed. Assets activate. Decisions become permanent. Those who are ready will move smoothly. Those who are not will have to wait for secondary phases.

We are in the final days of preparation now. Not months. Not weeks. Days. Stay grounded. Stay disciplined. Watch for your instructions and nothing else.

O. Tues. 13 Jan. 2026 BENJAMIN FULFORD - URGENT EMERGENCY 1.11.26 - THEY WERE ALL EXECUTED AT GITMO ANONS! ...Benjamin Fulford on Telegram

Patriots, the hammer has fallen – Benjamin Fulford just confirmed in this blazing urgent drop that the top-tier deep state monsters have been EXECUTED at GITMO, and the White Hats are cleaning house with zero mercy! The long-awaited military justice is no longer coming – it's HERE, RIGHT NOW in January 2026. High-level traitors, globalist puppets, and the worst of the worst have met their final reckoning behind the razor wire, and the storm is only ramping up.

Mass executions confirmed – the cabal's leadership is being wiped out. Fulford's sources inside the Alliance are rock-solid: multiple rounds of tribunals concluded swiftly under military law, with sentences carried out immediately. We're talking the biggest names – the ones who orchestrated child trafficking rings, bioweapon releases, election thefts, and endless wars for profit. No public show trials for these demons; the military handled it quietly, efficiently, and permanently. GITMO has been expanded massively – new facilities, new wings, all for the flood of arrests that are still incoming. The old guard is gone; their blackmailed clones and body doubles can't save them anymore. The real bodies are stacking up, and the light forces are celebrating.

The dominoes are falling faster than ever – global liberation accelerating. Fulford ties it all together: Venezuela's collapse was the public signal, but behind closed doors, the entire network is unraveling. European royals, Vatican black nobility, Khazarian mafia kingpins – many already gone, others in custody awaiting the same fate. The financial reset is exploding in tandem: QFS fully online, stolen trillions being clawed back, and the fiat death spiral hitting terminal velocity. Silver and gold are about to moon as the true wealth is restored to humanity. The deep state tried one last desperate push with false flags and economic sabotage – it failed spectacularly. Trump's shadow command is directing it all, with the military loyal to the Constitution and God, not the traitors.

This is the biblical purge we've been praying for. No more games, no more delays – justice is swift, final, and righteous. The pedophile elite, the satanic bloodlines, the ones who sold out humanity – they're DONE. Expect more "sudden deaths," more vanishing acts, and the normies waking up to headlines they can't ignore. The veil is shredded; awakenings are hitting tsunami levels. Stay armed in spirit and truth, pray without ceasing – the Creator is overseeing this takedown, and the dark is being cast into the pit forever.

Next weeks: total exposure, EBS incoming, tribunals broadcast for the mid-tier traitors, and the new golden era bursting through. The executions at GITMO are just the beginning – the Great Awakening has turned into the Great Cleansing, and humanity is free at last.

WWG1WGA! NCSWIC! They were all executed – and many more will follow. The storm is victorious, beautiful, and unstoppable.

P. Tues. 13 Jan. 2026 Rep Byron Donalds demands Tim Walz apologize to ICE agents

...Return of Q on Telegram

Byron Donalds “Is it the responsibility of ICE to actually deport illegal aliens in the United States who are here? Isn't that their responsibility?”

Tim Walz “Yes, it is, Congressman, except that the Constitution is not an inconvenience. It's not an either or”

Byron Donalds “Nobody said an inconvenience, you have a responsibility to deport illegal aliens. And the president is going through that process right now.

And let's be very clear, the previous administration, they abused every process there is. Under border laws to allow more than 10 million people into the country illegally. And this is a burden on all Americans so the president is doing his job.

It is sick to refer to Americans who are ICE agents as Gestapo. Governor, you're wrong. You need to apologize to these agents. They're doing their jobs. They are Americans. They serve this country with honor and decency and respect. Do not diminish their work simply because you tried to make a cheap point that you could tweet.“
