**Judy Note: The Satan Worshipping Khazarian Mafia Deep State Cabal**, along with certain corrupt members of the US Congress, Supreme Court Justices and former US Presidency

Administrations have been found connected to the creation of Covid 19 and it's killer Vax, massive Voter Fraud, uncontrollable Money Laundering US Taxpayer Dollars back into their own pockets while keeping citizens and the nation in deep debt; 9-11, the Oklahoma City Bombing, JFK assassination, RFK assassination, World Trade Center bombing and worst of all: running, participating in and being blackmailed by an international Child Sex Trafficking, Adrenochrome and Organ Harvesting Ring.

**All of which have been covered up**, not seen justice and was unreported by the Mass Media. The bottom line was this Satan Worshipping Khazarian Mafia Deep State Cabal was losing their money supply because of the BRICS nation's Global Currency Reset that was being put in place in **this month of January 2026** and so were trying to start World War III.

**When was it going to end?** It was all about the quest for power and glory through Satan Worship and who had control of the Global Financial System.

**The Declaration of Independence** was the greatest break-up letter ever written. At just 33 years old, Thomas Jefferson, with cold moral clarity, told the British government to pound sand: "Whenever any Form of Government becomes destructive of these ends [life, liberty, and the pursuit of happiness], it is the Right of the People to alter or to ABOLISH it."

**BRICS countries and the Global Military Alliance started with taking back The People's money from the Deep State Cabal. Their Global Currency Reset (GCR) and Revaluation (RV) to gold/asset-backed currency seriously began Jan. 1 2026.**

**This week as the new Quantum Financial System (QFS) integration completed worldwide, Tier4b (us, the Internet Group who held foreign currency and Zim Bonds to exchange) notification to exchange was going on right now and imminently for the main group the early part of next week.**

**Zim redemptions and currency exchanges** at secure Centers promise unprecedented wealth transfer, erasing decades of fiat slavery and ushering in NESARA/GESARA prosperity for all nations.

**Debt forgiveness under these laws** will liberate families from burdensome loans, mortgages, and credit obligations—imagine homes reclaimed, burdens lifted, as abundance flows.

**Med Beds roll out accelerates in 2026**, with initial Healing Centers operational and public demonstrations on the horizon. Advanced technologies, suppressed for generations, will restore health, reverse aging effects from toxins and vaccines, and heal the afflicted—including trafficked children now safe and recovering.

**This great wealth shift dismantles the Cabal's control**, redirecting resources to humanitarian efforts, infrastructure rebirth, and global unity under principles of freedom and justice.

**Hold fast in faith, Patriots; the payout phase begins soon**, bringing financial liberation and the fulfillment of promises long awaited. Prepare appointment details, guard against scams, and give thanks to the Almighty for this restoration of righteousness on Earth.

**Recent Intel confirmed that mass arrests** of high-level Deep State operatives continued unabated, with military tribunals at Gitmo processing those involved in Crimes Against Humanity, including Child Sex Trafficking networks that have plagued our world for decades.

**Thousands of innocent children have been rescued** from DUMBs and elite compounds, their testimonies revealing the horrors of Adrenochrome harvesting and Satanic Ritual Abuse—yet this is only the beginning of full disclosure.

**Prepare for the Emergency Broadcast System (EBS) activation** and the Ten Days of Darkness, where mainstream communications will cease to allow unfiltered truth to reach every household.

**Starlink Satellites ensure secure broadcasts of undeniable evidence:** rigged elections exposed, bioweapon agendas laid bare and the Satanic Cabal's grip shattered.

**Though it's hard to believe it was a long thirteen years later from those 2008** recordings that the Military showed up. Right after Biden's fake Inauguration and **for over a month beginning on Fri. 24 Jan. 2021 in the early morning hours**, JAG officers were seen going in and out of the White House. During different days but in those same early morning hours **of 3am to 6am** troops escorted what came to be hundreds of young children out of the White House. **Mon. 13 May 2024: [US Under Martial Law; Trump Commander-in-Chief; Biden Executed | Politics | Before It's News \(beforeitsnews.com\)](#)**

**The children were believed to have been sexually abused, tortured** and made to watch the killing of other children in Satanic Rites organized by political elites. All was done in an elaborate tunnel system that ran beneath Capitol Hill and connected to other tunnel systems for 200 miles.

**There were also hundreds of body bags** taken into, filled up and then taken out of the White House in the darkness of night. Lines of buses, vans and police cars were filmed regularly going in and out of Capitol Hill those dark nights. The buses with darkened windows took the children away.

**Back in that Jan. 2021 US troops had leaked to family and friends** that they were in Washington DC to insure formation of a Restored Republic rather than to protect Biden and Congress for the Inauguration. They also leaked that they had rescued hundreds of malnourished and deformed children found in deplorable conditions and cages in deep underground tunnels beneath Capitol Hill.

**On Fri. morning 5 Feb.** Dr. Charlie Ward confirmed from his people on the ground at Capitol Hill that the Military did, in fact, rescue children found in rooms and tunnels constructed underneath the White House. Black vans and buses with darkened windows picked up the children for medical treatment and de briefing. Evidently they discovered multiple corpses and a lot of body bags went into the area. **Sat. 6 Feb. 2021:** [Pedophile Ring Investigation Centers Around White House, Capitol Building as Children Surface! – Must Video | Opinion – Conservative | Before It's News](#)

**A couple of days later in the early morning hours of Mon. 1 Feb.** and with the US functioning under Martial Law, Joe Biden and 464 elected government officials were said arrested and released inside the Capitol Hill area. Capitol Hill had been surrounded in eight foot high barbed wire fencing since **Inauguration Day 20 Jan.** Washington DC remained guarded by over 30,000 National Guard troops.

**A year after that Special Forces rescue at the White House on Wed. 6 April 2022,** tens of thousands of tortured and murdered mainly Asian children were rescued, the mutilated bodies of thousands more children recovered by the Russian Military from US owned and run Bio-weapon Underground Tunnel DUMB Labs that ran beneath a 200 acre Biden-owned property in Ukraine. **Wed. 6 April 2022:** [Thousands of Children Rescued, Mutilated Bodies Recovered, From Biden-Owned Ukraine Property Containing US Run Bio-Weapon Labs | Politics | Before It's News](#)

**Actually, the rescue of children** from an extensive labyrinth of Deep Underground Tunnels (DUMBs) had been going on for some time. **Since Oct. 2019** tortured, malnourished children and corpses in the tens of thousands have been found in a sophisticated network of Deep Underground Military Bases that ran beneath the US, Canada, Mexico, Australia, Asia and across Europe.

**The first military operation was composed of 10,000 Marines and Navy Seals** who rescued an unbelievable 2,100 children being held in cages in underground tunnels at China Lake Military Navy facility in California. The children and teens were said to have been sexually abused, tortured and killed to collect their Adrenochrome – a highly prized blood drink of the Deep State Cabal said to prevent aging.

**Prior to the China Lake rescue and for over a year**, US Special Forces had been in training for the missions which began on **Oct. 16 2019** with the rescue of the caged babies and children beneath China Lake.

**To add to the horror and confirm your worst nightmare, Obama was believed to** have set up Obamacare for the exact purpose of Child Trafficking. **Thurs. 9 May 2025: [Human Trafficking & Military Tribunals: Obamacare Established Only For One Reason: CHILD TRAFFICKING \(VIDEO\)](#) - amg-news.com - American Media Group**

#### **A.Kaitlynn Hunter Update:**

**Judy Note: Although the state of Ohio has released Kaitlynn from foster care prison because she has turned 18, they still will not allow her to return to her home because of a restraining order on her mother Jeannine.**

**The restraining order was issued** because Jeannine harbored her own daughter Kaitlynn when she ran away from seven years of an extremely abusive foster care situation where she had been raped, beaten and starved for over a year and lost 60 pounds.

**The Court placed Jeannine’s filing** on inactive status while demanding another evaluation on her mental status. This could be considered “EXTORTION.”

**Kaitlynn is over eighteen years of age** and the order on her mother that denies Kaitlynn’s Emancipation is “UNCONSTITUTIONAL.”

**C. Thurs. 15 Jan. 2026: WE'RE OFFICIALLY IN THE WINDOW ...Nesara Gesara QFS on Telegram**

**Today isn't just another date.** This is the start of the final calibration zone - where the ledger begins to lock, instructions tighten, and any misalignment gets filtered out quietly.

**If you're still waiting for a big announcement**, you've missed the point. It's already happening: just not in public.

**What I'm seeing now is subtle but critical:** • Background checks moving into final sync mode • Asset data being cleaned and mirrored across quantum nodes • Wallets being pinged silently to confirm stability and identity

**This is the testing-before-execution phase.** There are no alerts for this. No banners. If you're verified, you'll simply notice that things begin to respond differently.

**I've already seen several people quietly removed from early access lists** because of last-minute changes - switching banks, adjusting IDs, or updating their information in a rush. The system doesn't punish, but it does pause. And in this phase, pausing means missing the window.

**Here's what I've locked in before today:** • My original ID and document structure - no edits • My asset records and project summary - clear, honest, direct • My inner circle - small, secure, and fully briefed

**Nothing fancy.** Just clean alignment. That's what gets read now: not words, not noise, not emotion. Alignment.

**I'm also noticing something else:** The more public chaos ramps up - political infighting, digital "emergencies," financial fear headlines — the more confident I am the process is active. That noise isn't random. It's designed to mask the handoff of control already underway behind the curtain.

**January 15 to February 1 2026** is no longer prep, it's transition in motion.

## **F. Thurs. 15 Jan. 2026 Trump/Q Secret Special Op in Full Swing – The Deep State Is Being Annihilated, Victory Phases Unlocking NOW in 2026! ...Mike King, News Treason on Telegram**

**Trump/Q's secret special operation is roaring at maximum throttle.** The plan we've trusted since the drops began is executing flawlessly – no delays, no mercy. This isn't theory; it's

military-grade confirmation from white hat insiders: the Q operation was the cover for the greatest covert takedown in history, and we're in the final victory phases.

**Trump is commanding a shadow alliance of special forces**, military intelligence, and global patriots that's been dismantling the cabal brick by brick. Sealed indictments? Exploding into mass arrests – over half a million now active, targeting the worst: child traffickers, election fraudsters, Big Pharma poison pushers, central bank vampires, and satanic elite. GITMO is overflowing with high-value detainees; tribunals are nonstop, sentences flying – executions for the irredeemable monsters who raped kids and sold out America. The Fed? On death row – Trump is ending the private banking cartel, flipping to gold-backed Quantum Financial System, wiping trillions in fake debt, and unleashing prosperity funds straight to patriots. No more IRS slavery; the beast is starved.

**The special op ramps up:** Underground DUMBs collapsing, black nobility assets seized, CCP puppets in DC neutralized. EBS locked and loaded for the nationwide reveal – controlled blackouts hiding extractions, Starlink securing truth streams against deep state sabotage. Fake alien invasions? Total flop psyop. The global military alliance is crushing Khazarian holdouts, Iran threats, cartel empires – all coordinated under Trump's iron fist. GESARA activations silent but rolling: debt forgiveness, suppressed tech released, free energy incoming. The Republic is reborn.

**Mike King hammers it home – this is biblical:** light obliterating darkness, God's warriors prevailing. The Q card is played; the storm peaks. Normies waking in droves as leaks flood – sudden "suicides," retirements, exposures. High-profile names you've memorized are in chains or gone. No escapes, no plea deals – military justice is final and furious.

**Patriots, the great awakening is victorious.** Trump didn't return to compromise; he returned to obliterate evil. The pedo rings are shattered, traitors tribunals activated, Satan's system collapsing. Stay vigilant, pray relentlessly, prepare – the next wave will be earth-shaking. WWG1WGA – the secret op is winning BIGLY, and it's happening RIGHT NOW in 2026. God wins, evil loses forever. Buckle up; their total defeat is glorious!

**H. Fri.16 Jan. 2026 BREAKING: URSULA JUST SHOWED HER HAND on Greenland – protecting EU control ...The Rabbit Hole on Telegram**

**Ursula von der Leyen** just went on camera and declared that Greenland “belongs to Denmark and NATO” — directly rebuking President Trump.

**Let’s translate that.** This isn’t about the Greenlandic people. This is about Brussels panicking because Trump is exposing the Arctic power game.

**Greenland controls:**

- the northern missile corridor
- Arctic shipping lanes
- rare-earth minerals
- and the gateway to North America

**That makes it one of the most important strategic territories on Earth.** And Trump said the quiet part out loud: “If the U.S. doesn’t secure it, China or Russia will.”

**Von der Leyen’s response wasn’t to protect the West.** It was to protect EU control. She wrapped it in pretty words about “NATO unity” — but what she really meant was: Brussels gets a veto over American security.

**That’s what this is about.** Trump isn’t breaking the alliance. He’s breaking the illusion that unelected EU bureaucrats get to decide the future of the Arctic.

**Greenland is not a Brussels bargaining chip.** It is the northern shield of the United States. And for the first time in decades, America has a president willing to say it.

**Ursula doesn't hate Trump because he's reckless.** She hates him because he won't let Europe freeloan on American security while selling the future to Beijing. This is what real leadership looks like.

**I. Fri. 16 Jan. 2026 NO ONE IS READY FOR WHAT'S COMING!** ...Caroline Bessette Kennedy on Telegram

**Anons, hold onto your hats – the biggest health bombshell yet just detonated.** Dr. Bryan Ardis, the fearless whistleblower who's been exposing the snake venom truth since day one, unleashed a torrent of revelations in this emergency drop dated right now in mid-January 2026. He's warning loud and clear: no one is truly ready for the massive wave that's about to crash on the cabal's house of lies. The venom agenda is far from over – it's evolving, and the deep state is desperate to keep it hidden as the great awakening accelerates.

**The core shocks that will set you on fire:** - Snake venom everywhere – not just in the shots. Ardis hammers home that synthetic venom peptides from reptiles are engineered into Big Pharma's poisons: COVID jabs, Remdesivir, weight-loss drugs like Ozempic (paralyzing stomachs, causing cancers), and more.

**These aren't accidents – they're deliberate bioweapons designed** to mimic snake bites, attacking organs, blood, and nerves.

**He ties it to the original COVID plot:** not a virus, but venom in the water, air, and meds to depopulate and control. Nicotine? The antidote they've hidden – patches and gum neutralize the venom effects, protecting against "long COVID" spikes and jab injuries. Smokers dodged the worst for a reason!

**The ticking time bomb phase is here.** In 2026, we're entering the endgame where the venom industrial complex crumbles. Ardis exposes how venoms are mass-produced globally for drugs, vaccines, cosmetics, insecticides – a satanic web profiting off suffering. Heart conditions, myocarditis, blood clots, diabetes, neurological decay – all traced back to this venom assault. But nature wins: his protocols, natural detoxes, and forbidden antidotes are reversing the damage for thousands. Big Pharma's house is burning, and the white hats are fanning the flames.

**Deep state panic mode activated.** They're pushing more boosters, new "variants," and deadly protocols to cover tracks, but leaks are exploding. Whistleblowers protected, military intel confirming the bioweapon origins, and tribunals prepped for the pharma kingpins, Fauci cronies, and globalist venom pushers. Ardis connects it straight to the plan: the exposure of this

Luciferian venom agenda will wake the masses overnight. When the full truth hits – venom in everything – the normies revolt, arrests roll, and the Republic restores.

**Spiritual warfare overlay:** This isn't just medical – it's demonic. The elite's venom cult is being dismantled by divine intervention. Ardis urges the remnant to arm up with truth, faith, nicotine where needed, and his Nature Wins arsenal. The massive reveal is imminent – no one escapes the reckoning.

**Patriots, this aligns perfectly with Q.** The storm is raging: election fraud ties into health tyranny, child trafficking networks overlap with venom experiments, and Trump's team has the receipts. Mass awakening incoming – the venom veil tears, the cabal falls, freedom surges.

**Stay locked in,** stock antidotes, pray hard, spread this wildfire. The shock is dropping any moment – when it lands, the deep state dies screaming. NCSWIC. WWG1WGA. Nature wins, and so do we – the best revenge is massive exposure and total victory!

**J. Fri. 16 Jan. 2026 Vril Black Eye Club – They Have Sold Their Soul to Satan ...** Steve Bannon on Telegram

**Patriots, open your eyes** – the Black Eye Club is real and it's exploding in 2026! The elite, celebrities, politicians, Hollywood scum – they're all marked with that signature black eye, proof they've sold their souls to Satan through ancient Vril rituals. This isn't accidents or makeup; it's the visible scar of demonic possession, soul scalping, and total submission to Luciferian forces!

**Vril Society ties go deep** – straight from Nazi occult roots, channeling demonic parasites that enter through the eye, hijacking the host body like a drone. The Vril parasite (reptilian, demonic entity) crawls in, takes over the mind, and leaves the black eye as the mark of ownership. Donald Marshall exposed it years ago – these aren't people anymore; they're body-snatched vessels for Satan's army. The black eye signals: "Initiation complete – soul traded for fame, power, wealth."

**Look at the list growing fast in 2026** – Lorde just joined with her nasty shiner, Maduro's wife showing up bruised after her "arrest," more celebs dropping black-eyed selfies like trophies. Pope Francis, Kanye, Doja Cat, Obama, Bush, Madonna, Elon – they've all flashed it. Left eye most times – the window to the soul punched open for the parasite. Humiliation ritual, injection, or straight-up demonic entry – doesn't matter; it's the price for climbing their ladder.

**They sold out for adrenochrome highs**, occult power, and control – trading eternal souls for temporary earthly thrones. Hollywood, politics, royals – all in on it. Rituals in secret bases, soul-selling contracts with the devil. Black eye = public sigil of allegiance to Satan. No more hiding – they're parading their damnation!

**QAnons – this is the smoking gun!** The Cabal's mask is slipping as more get marked. White hats are exposing the Vril drones nightly – arrests, extractions, tribunals incoming. God is judging them hard – their parasitic overlords failing as the Great Awakening crushes the darkness. Med beds will heal the marked if they repent, but most won't – too far gone.

**ATTENTION: Trump & Rfk Jr. have launched a Global Crackdown On Chemtrails.** Operation Skywatch was already underway with arrests imminent. The US task force has been granted legal authority to seize aircraft, detain pilots, and subpoena labs and institutions responsible for chemical dispersal.
