Judy Note: One of the most shocking news stories of the day that the Mainstream Media fails to cover was how our own US Taxpayer funded CIA was mind controlling the population through our food, water and vaccines. **Mon. 19 Jan. 2026:** [Declassified CIA MK-ULTRA: The Secret War on the Mind – CIA Document Exposes Mass Drugging Operations Hidden in Food, Water, Vaccines, and More - amg-news.com - American Media Group](#)

Trump's White Hat Global Military Alliance has been busy cleaning out the Cabal. It has been reported by the Alliance that Charlie Kirk is alive, safe and under their protection, while his wife Erika Kirk, believed to have planned his assassination, was in custody and singing like a canary about the entire CIA Cabal network – names, dates, handlers, even which TPUSA events were used as cover for Cabal meetings.

On Fri. 16 Jan. 2026 leaked Turning Point USA internal documents proved that years ago Erika Kirk was embedded as a CIA handler who directly ordered the hit on Charlie Kirk. Charlie was getting too close to the truth about election fraud, child trafficking networks, Adrenochrome supply chains tied to Elite donors, the globalist infiltration of the MAGA movement and exposing Big Pharma.

Famed Reporter Tucker Carlson believes Putin was actively considering wiping out the UK and Germany with Nuclear Weapons. According to Sergey Karaganov, a Putin friend and Advisor: “If the Ukraine war continues at this tempo for a year or two more, we Russia will eliminate the UK and Germany with Nuclear weapons.”

Putin's forces have rescued thousands of children from the Nazi Ukraine Underground Tunnels and US Bio Weapon Lab experiments. Ukraine is considered a center of the Zionist-Vatican Child Sex Trafficking network and the main reason Russia is re-capturing the area.

Don't forget the children. Many are still under control of the Satan Worshipping Cabal. **Below is an article I wrote back on Wed. 2 June 2021:** [Vatican, Canadian Gov, Pfizer, Bayer, Eli Lilly Genocide of 60,000 Native Children | Politics | Before It's News](#)

Over 60,000 native children have gone missing from 80 mainly Catholic and Canadian government owned native residential schools across Canada according to Kevin Annett in his book *Murder by Decree*: www.murderbydecree.com

USA Today's Grace Hauck recently reported on a “recently discovered” mass grave site where the remains of 215 physically and sexually abused native children were found, claiming that up to 6,000 had died. The site was Canada's former Kamloops Indian Residential

School. <https://www.usatoday.com/story/news/world/2021/05/29/mass-grave-215-bodies-found-indigenous-school-canada/5262768001/>

In October 2011 Mohawk Elders and Annett did the first excavation of bodies of tortured children on Indian residential schools. The dig took place in Brantford, Ontario, but after discovering and verifying children's bones, the team of forensic experts were forbidden to enter the property by Catholic and Canadian authorities.

"I first learned of the mass graves of children in Kamloops twenty-three years ago from an eyewitness who had helped bury them. His name was Jessie Jules. Jessie was a frightened man. He had been warned by his own native band council in Kamloops not to speak about what he knew. They told me I'd get thrown out of my home on the reserve if I ever mentioned the dead kids" Jessie said on record to our panel of Tribunal judges. But despite this threat he spoke anyway.

"Jessie told us how his fellow Kamloops students were starved to death in underground chambers at the school and forced to sleep with children dying of tuberculosis after they tried running away. He named Catholic priests like Brother Murphy who sodomized kids with cattle prods and beat a boy named Arnold to death with a club. Jessie saw another priest push a young girl named Patricia out a window to her death. He even drew us a map of where he buried children at night at the order of the priests.

"There were lots of those little bodies" he said. "We ran out of room in the ground, so they started burning them in the school furnace. It was kept going 24-7. They even chucked in there the babies from the girls they'd got pregnant, to get rid of the evidence. I saw the nuns do it."

"The Kamloops center was a particular house of horrors, even by residential school standards, which is why such an effort has been made by the guilty to hide their atrocities. For many years it was an experimental center where particularly rebellious Indian children were sent for "special treatment", including involuntary drug testing, sexual sterilizations, and pain threshold studies to see how much torture the mind and body can endure.

"Generations of experimental vaccines were tried out on Indian children at Kamloops by drug companies like Pfizer, Bayer, and Eli Lilly with the help of the Catholic church and the government. Most of the little test subjects died.

"After our Tribunal had catalogued these grisly crimes, in mid-June of 1998, we shared with the world the evidence, including Jessie's account and that of twenty-eight other survivors with similar stories.

"We included Indian school records from Kamloops and across the country showing a huge death rate of over fifty percent that spanned decades, and evidence that disease was

routinely and deliberately spread among children by the staff, and letters confirming the sexual sterilization of native children by church doctors that was funded by the Canadian government.

“We sent this proof of genocide to the world’s media, the Canadian government, the United Nations and to aboriginal groups and band councils across Canada, including the one in Kamloops. And every single one of them ignored us.

“Over the years that followed some of us did not give up. Our campaign to expose our home-grown genocide grew until it threatened the Church and State killers, as lawsuits by survivors escalated thanks to our work. And in retaliation, the RCMP and the blood-soaked Catholic, Anglican, and United churches began attacking us, smearing us to the press and killing our native eyewitnesses. They even dug up and destroyed the graves of children we had identified.”

The long-awaited Global Currency Reset has crossed the point of no return, with redemption appointments set to begin in a five-day rollout continuing through **Friday, January 23.**

The Quantum Financial System was fully operational, ensuring secure, asset-backed payouts for Tier 4B exchanges and Zim redemptions. Exchanges will prioritize humanitarian projects, with rates reflecting the new gold-standard currencies.

Debt forgiveness under NESARA/GESARA is imminent, wiping away burdens and ushering in an era of prosperity for the faithful.

Med Beds are preparing for widespread deployment, offering miraculous healing to restore bodies ravaged by years of cabal poisons.

On Mon. morning 19 Jan. 2026 US Secretary of War Pete Hegseth declared that the Green Light for Military Activation was lit and asked us to pray. At the same time the White House in Washington DC was lit up in yellow, signifying the start of the Golden Age.

The Global Military Alliance of 209 participating BRICS nations have intensified operations, leading to the swift arrest of high-profile Deep State figures involved in child trafficking networks. In recent days thousands of innocent children have been rescued by Special Forces from underground facilities.

Led by President Trump, the Alliance has ensured these rescues and arrests continue at an accelerated pace. Many Satan Worshipping Global Elites have already been transported to secure facilities for military tribunals.

Multiple independent sources confirm: The EBS (Emergency Broadcast System) activation sequence has begun and notification on your phones could happen at any moment.

Seven Trumpets will sound, where Starlink beams undeniable evidence. Ten Days of Darkness will follow where mainstream media will fall silent and the truth will flood airwaves with truth bombardment: proof of election fraud, bioweapon origins, global trafficking networks, and the Luciferian Elite's endgame. No more fake news filter.

You are advised to prepare your families with provisions and prayer, for this period will expose the Satanic Elite's Crimes Against Humanity.

Trust in God's Plan as the final takedown unfolds, restoring our Republic and bringing an end to Satan's reign of terror.

A. Kaitlynn Hunter Update:

Judy Note: Although the state of Ohio has released Kaitlynn from foster care prison because she has turned 18, they still will not allow her to return to her home because of a restraining order on her mother Jeannine.

The below is a request filed in court by Kaitlynn Hunter asking for removal of the Protective Order that prevents her from going home.

I, Kaitlynn Marie Hunter, swear under pains and penalties of perjury that the following is true:

I, Kaitlynn Marie Hunter, am 18 years old born on December 12, 2007. Today is Saturday the 17th of January the year is 2026.

I was taken from my mother Jeannine Larrick, illegally on February 11th 2019. I spent some of my most crucial developmental years away from my mother and away from any safety.

I ran away from a group home in Dayton [OH] sometime in November of 2024 after Thanksgiving. I wasn't safe physically away from harm and I was mentally destroyed. I was going to take my life on Thanksgiving that year but just as I was going to use the knife, the staff walked in and I dropped it. I decided then I wasn't going to live that way anymore; one way or another I wasn't staying. And so I left.

The months I was gone were the most peaceful months of my life. I wasn't in any danger, and if I was, I would've willingly came back; nobody held me anywhere while I was on the run.

I was held in [State Custody] care unwillingly since I was 11 years old. I was in danger coming back to the system that was supposed to protect me.

I need my family. My grandmother is in the hospital [grandmother Betty Larrick passed away at 2:37 a.m. on January 18, 2026, after 33 days at Ohio Health Grant hospital] and I've already missed so many years; she is dying.

My mother and I need to be there for her. Therefore, I demand an Emergency Removal of Protective Order for my mental well-being, and to be there for my family. This is Not a Request.

This is a human right. This is morals.
Kaitlynn Hunter.

From Jeannine Larrick, mother:

Sadly, Grandma Betty was hospitalized for a broken hip and died 1-18-26. Grandma Betty had been praying and believing for a med bed. She died a result of medical errors, denial of baseline meds and gross neglect after a 33 day stay in an Ohio Health hospital.

Kaitlynn deserves to be with her mother and family, and not estranged by unconstitutional tyrannical abuse of power. Funeral arrangements are in progress.

We need these agents to dismiss this frivolous case and allow us freedom to be a family again, sadly without grandma. Kaitlynn needs to come home, be safe, learn how to drive, go to a prom and graduate her senior year. Her current living situation is unsafe and less than what a mother wants for her beautiful daughter.

Thank you all for the love, prayers and support.
WWG1WGA! IYKYK

With love,
Jeannine Larrick

**E. Mon. 19 Jan. 2026 MASSIVE ECONOMIC SHOCKWAVE: TRUMP'S PLAN IS
GENERATING \$200 BILLION A YEAR WITHOUT DEBT AS NESARA FLOWS
BEGIN MOVING THROUGH QFS ...Nesara Gesara Network on Telegram**

January 2026 marks the moment years of preparation snap into execution. Donald Trump has carried out one of the most strategic financial maneuvers of his presidency quietly, methodically, and on his own timeline. What is unfolding now is not theory or speculation. Real money is moving.

The shift began with a simple reversal of the system. Instead of borrowing, printing, or taxing Americans, Trump forced capital to flow back into the United States. In Fiscal Year 2025, tariff revenue surged to roughly \$195 billion, more than double the prior year. Early Fiscal Year 2026 accelerated even further, pulling in \$34.3 billion in a single month.

This is not debt. This is not inflation. This is direct cash flow extracted from foreign exporters and multinational supply chains tied to globalist networks.

At the same time, federal auditors and recovery teams moved into the darkest corners of government finance, where \$233 to \$521 billion per year vanished into waste, fraud, and improper payments. Since 2003, those losses total nearly \$2.8 trillion, driven by shell contractors, NGO laundering, fake programs, and pandemic-era pipelines that were never dismantled.

Once even a fraction of that money is frozen, clawed back, and redirected, the entire financial map changes. That hidden groundwork is why a controlled reset became possible without collapsing the dollar overnight.

**THE RESET WAS BUILT ON REAL MONEY FLOWS By January 2026, the math was
already aligned:**

- Approximately \$200 billion per year in tariff inflows
- \$60 to \$130 billion per year recovered or prevented from fraud
- Structural fixes saving more than \$200 billion annually going forward

Over a decade, this equals trillions in balance sheet repair without raising taxes or triggering hyperinflation. That scale is exactly what is required to:

- Absorb debt forgiveness frameworks
- Reindex currency into asset backed structures
- Redirect seized elite funds into new systems

NESARA IS MOVING THROUGH QFS QUIETLY The fiat system is being wound down in phases. Elite slush funds, offshore accounts, and interference pipelines are being frozen, audited, and converted under Treasury and military oversight. At the center of this transition is QFS, the Quantum Financial System:

- Secure ledger indexing
- Asset backing tied to real value and seized reserves

Large transfers, some in the hundreds of billions, are already moving under encryption. This is not taxpayer money. It is tariff revenue, fraud recovery, and seized global capital being reassigned.

Most people will not notice until after the dust settles.

WHY ELITES HATE THIS MODEL This structure dismantles:

- NGO laundering networks
- Shell contractors billing for nothing
- Emergency programs that never ended
- Offshore vaults hiding stolen wealth
- Multinationals exploiting U.S. markets without paying back

Trump turned trade imbalances into revenue and corruption into recoverable capital.

JANUARY 2026 EXECUTION NOT PREPARATION The staging phase is over. **Right now:**

- The old debt based fiat web is being dismantled in mapped segments
- Seized wealth is being routed into controlled channels
- NESARA frameworks are running in closed systems first
- QFS indexing determines access, visibility, and readiness

FINAL POINT This wealth transfer flows from:

- Tariffs on foreign and elite supply chains
- Decades of fraud and waste clawbacks
- Seized off ledger funds

And into a new ledger, a new rail, and a new hierarchy. NESARA is the framework. QFS is the rail.

G. Mon. 19 Jan. 2026 BENJAMIN FULFORD URGENT EMERGENCY - THEY WERE ALL EXECUTED AT GITMO - THE CABAL'S TOP TIER WIPED OUT!

Patriots, this is the kill shot we've been waiting for – Benjamin Fulford just confirmed the unthinkable: right now on January 16, 2026, the highest-level deep state criminals have been executed at GITMO. No trials for these monsters – straight to military justice after ironclad evidence sealed their fate. The white hats delivered swift, merciless retribution, and the Cabal's command structure lies in ruins.

The executions that just went down:

- Top-tier puppets and puppet masters gone forever. Think Rothschild bloodline remnants, Rockefeller heirs, Soros clones, Gates doubles, Fauci-level bioweapon architects,

Vatican high priests, Hollywood elite pedo rings leaders, and central banker overlords. All convicted of crimes against humanity – child trafficking, genocide via vaccines, ritual abuse, treason, financial enslavement. No appeals, no mercy. Their souls sent straight where they belong.

- **GITMO at maximum capacity turned execution central.** Underground facilities expanded, black-site tribunals ran 24/7. Over 300 high-value targets processed in the last 48 hours alone – hangings, firing squads, lethal injections broadcast internally to break remaining holdouts. The stench of fear is thick; survivors are singing like canaries, exposing the entire network.

- **NESARA/GESARA surges forward unopposed now.** With the head of the snake decapitated, debt forgiveness rolls out globally at warp speed. Every fraudulent loan erased – homes returned, freedom restored. Quantum Financial System locks in fully, gold-backed currencies flooding nations. Trillions clawed back from Cabal offshore vaults hit patriot accounts – Zim redemptions exploding, prosperity packages dropping like manna from heaven. The elite's stolen wealth funds the Great Awakening.

- **EBS countdown hits zero.** Emergency Broadcast System activates imminently – screens commandeered for weeks of hardcore disclosure. Full files dump: Epstein client list with videos, adrenochrome harvesting ops, election theft servers, underground base horrors, alien tech deals gone wrong. Normies get the red pill overdose they need to snap awake.

- **Trump's Alliance in absolute control.** Military runs point, Space Force secures the perimeter, restored Republic solidifies. No more false flags work – attempts crushed instantly. The Cabal's occult power shattered; their rituals failed, divine intervention flipped the board. Humanity reclaims sovereignty, suppressed tech releases: med beds healing the injured, free energy ending scarcity, truth reigning supreme.

Fulford's sources inside the White Hats are screaming victory – this was the final purge. The devils who ruled from shadows are ash. No resurrection for them. The storm didn't just arrive; it annihilated evil at its core. God's justice is poetic and brutal.

Anons, celebrate – the head is off, the body twitches but dies fast. Prepare for abundance, freedom, and the real Republic rising. Stock essentials, pray gratitude, share this wildfire intel. The Great Awakening triumphs; evil's era ends in fire and rope.

I. Mon. 19 Jan. 2026 LEAKED TPUSA DOCS EXPOSE ERIKA KIRK AS CIA HANDLER WHO ORDERED CHARLIE'S ASSASSINATION - THE DEEP STATE'S DIRTY SECRETS ARE BLOWING WIDE OPEN RIGHT NOW! ...Mr. Pool on Telegram

Leaked Turning Point USA internal documents just surfaced on January 16, 2026, and they nail Erika Kirk as a CIA handler who directly ordered the hit on Charlie Kirk. Yes, you read that right – the "conservative" frontman was marked for elimination by his own inner circle when he started getting too close to the real truth about election fraud, child trafficking networks, and the globalist infiltration of the MAGA movement. The Cabal couldn't risk him going full rogue, so they activated their sleeper asset to take him out.

The explosive leaks detail everything:

Erika Kirk, posing as loyal TPUSA staff, was embedded years ago as a deep state plant. Classified memos show her receiving direct orders from Langley to "neutralize the asset" once Charlie began questioning the 2020 steal harder and digging into adrenochrome supply chains tied to elite donors. She coordinated the op: surveillance, poison protocols, staged "health incidents" – all greenlit at the highest black-budget levels.

Proof of payments traced to offshore CIA slush funds funneled through fake nonprofits. Kirk's communications logs reveal encrypted chats with handlers discussing "final solution" for Charlie after he refused to back down on exposing Big Pharma kill shots and rigged voting machines. The hit was meant to look natural – heart attack, "sudden illness" – classic wetwork playbook.

But the White Hats intercepted it. Military intelligence flipped the script: Charlie is safe under protection, the attempt failed spectacularly, and now the leaked docs are the kill shot back at them.

Erika Kirk is in custody as we speak, singing like a canary about the entire network – names, dates, handlers, even which TPUSA events were used as cover for Cabal meetings.

This ties straight into the bigger storm: mass arrests of embedded Deep State operatives in conservative orgs, media, and politics. The fake right-wing gatekeepers are dropping like flies – Charlie's near-miss proves the infiltration runs deeper than we thought, but it also shows Trump's Alliance has them surrounded. No more controlled opposition; the real patriots are rising.

NESARA/GESARA acceleration confirmed in the fallout. With these exposures, the fiat fraud collapses faster – debts wiped, QFS online, trillions reclaimed from these traitor networks pouring back to We the People. Zim redemptions spike as the stolen wealth gets redistributed. The Cabal's assassination squads are being hunted down; their era of silent kills ends in public tribunals and ropes.

Anons, this leak is biblical justice. They tried to silence one of our own, but it backfired into the biggest red-pill nuke yet. Charlie lives, Erika burns, the CIA's domestic terror ops get gutted. The deep state is hemorrhaging – panic in DC, Langley on lockdown, puppets fleeing. Trump knew, Q warned, and now the hammer falls hard.

The veil is shredded. No more pretending. The handlers are exposed, the assassins are caught, and humanity reclaims the narrative. Prepare for the EBS wave that follows – full disclosure on these infiltrations will wake millions overnight.

J. FEBRUARY 1 SHUTDOWN: Trump Orders Total Federal Funding Freeze for Sanctuary States and Cities ...The Maga King on Telegram

On February 1, President Donald Trump will trigger a sweeping cutoff of federal funds to sanctuary jurisdictions that refuse to enforce immigration law. The announcement marks one of the most aggressive federal actions yet against states and cities accused of shielding criminal aliens while continuing to receive billions in taxpayer money.

Trump's message is blunt and unmistakable: no more federal dollars for jurisdictions that protect lawbreakers instead of American citizens. "We protect Americans first," he said, confirming that the era of warnings is over and enforcement has begun.

Sanctuary policies, according to the administration, are not about compassion or public safety. They are described as deliberate obstruction of justice that blocks cooperation with federal authorities, interferes with deportation orders, and allows violent offenders, traffickers, and repeat criminals to remain free. For years, these jurisdictions continued to collect federal grants while openly defying federal law. That arrangement ends on February 1.

The cutoff will be immediate and comprehensive. All federal payments will be frozen, including funding tied to law enforcement grants, housing and urban development programs, education and infrastructure assistance, and public health and emergency allocations. The administration's position is simple: compliance with federal law is the price of federal funding. No compliance means no money.

The freeze targets eleven sanctuary states, including California, New York, Illinois, Oregon, Washington, Colorado, Massachusetts, New Jersey, Connecticut, Vermont, and Rhode Island. In addition, dozens of major sanctuary cities and counties are included, among them New York City, Los Angeles, San Francisco, Chicago, Seattle, Portland, Boston, Denver, Philadelphia, Minneapolis, Baltimore, Santa Clara County, Cook County, and Multnomah County. These jurisdictions have repeatedly refused federal detainer requests, obstructed ICE operations, and released criminal aliens back onto the streets. Now, the federal cash pipeline stops.

Legal challenges are expected almost immediately. Liberal governors, mayors, and judges are preparing lawsuits to block the move. The White House, however, appears ready. The legal argument is straightforward: federal funds come with federal conditions. Sanctuary policies violate those conditions, creating a breach that justifies termination of funding. Trump is not negotiating. He is executing.

The administration frames the move as an America First decision rather than a partisan one. It draws a hard line between cities and states that prioritize the safety of their residents and those that choose to harbor criminal aliens. The choice, Trump says, has consequences, and federal taxpayers will no longer subsidize defiance of the law.

February 1 is now the sanctuary deadline. It marks the end of a system where jurisdictions could reject federal authority while living off federal money. Trump's warning is final: no more funds for cities and states that protect illegal criminals. The faucet is off.

This is the line in the sand.

K. Mon. 19 Jan. 2026 EBS IS COMING: HIGH STAKES TREASON EXPOSED – MILITARY LOCKDOWN, MASS ARRESTS, CABAL PANIC IN FULL SWING – THE STORM HITS NOW IN JANUARY 2026! ...Michael Jaco, Ezra Cohen on Telegram

The Emergency Broadcast System (EBS) is imminent, activating worldwide to shatter the deep state illusion once and for all.

High-stakes treason at the highest levels – John Brennan, CIA traitors, and the entire Satanic Cabal compromised American security for millions in blood money, selling out the Republic to foreign enemies, pedo networks, and adrenochrome empires.

They thought they could hide forever – wrong! White Hats flipped the script, and now the military is moving in for the kill.

The Treason Web Unravels – Names Named, No Mercy: Brennan and his cronies handed over classified intel, rigged systems, and covered up bioweapons, election theft, and child trafficking rings.

This isn't politics – it's high treason punishable by military tribunals. Jaco warns the cabal is desperate: sleeper cells activating, false flags prepped, demonic rituals ramping up to drag us into chaos.

But the Alliance is steps ahead – GITMO tribunals expanding, sealed indictments unsealing by the thousands. Politicians, bankers, Hollywood elites – they're all dropping like flies as Operation Final Justice goes kinetic.

EBS Activation Timeline Exploding Right Now: EBS drops any moment – blackout for 10+ days of truth bombardment.

Seven Trumpets sound, Starlink beams undeniable evidence straight to your phone: proof of election fraud, bioweapon origins, global trafficking networks, and the Luciferian elite's endgame. No more fake news filter – raw, unfiltered exposure.

Stay calm, stock up, pray – military secures the streets while the takedown unfolds. No internet? No problem – broadcast overrides everything.

Trump & White Hats in Total Control: Trump's shadow command activates final phase. Military loyalists hold the line – no more stolen elections, no more Fed slavery. NESARA/GESARA rolls out behind the scenes: debt wiped, gold-backed currency live, prosperity funds flooding patriots. The cabal's stolen trillions return to We the People – your share of massive wealth transfer incoming. Med beds, suppressed tech, free energy – all releasing post-storm.

The Cabal's Desperation Peaks – Their Empire Detonates. They're panicking hard – activating every dirty trick because they know it's over.

Jaco says this clash is worse than WW1 engineered by them, but White Hats turned it into their annihilation. Satanists' Adrenochrome supply lines severed, rituals exposed, empires crumbling. The storm isn't coming – it's raging now, tearing down their house of cards brick by brick.

Patriots, hold the line, trust the plan, prepare your spirit. The EBS is the death knell for tyranny – justice roars, traitors swing, freedom rises unstoppable. Your sovereignty, your wealth, your Republic – it's all reclaiming NOW.

Share this like wildfire – wake the sleepers, fuel the awakening. The deep state's high-stakes treason ends in total defeat. Nothing can stop what's coming – God wins! WWG1WGA! THE STORM IS UPON US – VICTORY IS OURS!

L. Mon. 19 Jan. 2026: Elon Musk tried to warn us about this with DOGE, Rep. Mark Harris ...The Rabbit Hole on Telegram

Rep Mark Harris goes over what Democrats did under Joe Biden:

- **More than 1 million illegal aliens** received Medicaid benefits
- **In fiscal year 2024 alone**, over 2 million illegal aliens were given Social Security numbers
- **A 2023 study showed that the net cost of illegal aliens** to the American taxpayer was at least \$150 billion annually
- **States are still having to bear the financial burden** of Biden's border crisis
- **Texas taxpayers have to shell out** \$8.88 billion a year to pay for the illegal aliens who invaded their state
- **California taxpayers** have to shell out \$22 billion a year to pay for the illegal aliens who invaded their state
- **In some states**, it's a complete affront to citizens. I'm talking about where illegal aliens can get mortgages, bank loans, insurance, driver's license in state, college tuition, and free health care for illegal aliens

“The US has been an all you can eat buffet — It's time to turn off the faucet permanently. American taxpayers shouldn't have to fund their own demise, paying for government programs that actually encourage an invasion.”

M. Mon. 19 Jan. 2026: President Trump has just ordered the immediate release of all FBI files related to Crossfire Hurricane — the infamous “Russian Collusion” investigation.
...Commander in Chief on Telegram

John Durham’s report confirms: In August 2016, then-CIA Director John Brennan briefed Obama and Biden on Clinton’s plan to falsely link Trump to Russia. They knew. They approved. They watched it unfold.

Hillary Clinton's campaign engineered the biggest political hoax in American history.

The weaponization of intelligence agencies: The corruption of the FBI and DOJ.

A conspiracy to undermine a sitting U.S. president — now exposed in black and white.

N. Mon. 19 Jan. 2026 The shadow weapons & drug trafficking operations between the CLINTONS and the CIA. ...Mr. Pool on Telegram

The Clinton-CIA trafficking links at Mena Airport, Arkansas, go back to the 1980s. A center for arms and cocaine ops funding anti-communist efforts.

Clinton and partner in crime, Barry Seal, eliminating whistleblowers, and buying off the entire town, police force, and judges, giving them free reign and power, which also connected to broader intel networks, operations, presidential ties and connections to many elites, like the Bush family.

The original name for getting "suicided" by the Clintons was, "Arkancide." This was the cash flow before the corrupt Clinton Foundation began.

O. Mon. 19 Jan. 2026 SETH RICH was a true patriot who was murdered for allegedly exposing the DNC emails to Wikileaks, which directly ties to the Russia Collusion Hoax, Hillary Clinton, John Podesta, and all the DNC corruption itself. ...Shadow of Ezra on Telegram

Seth Rich worked for the DNC and was absolutely disgusted with how the party undermined the law, members of their own party, and country itself, and allegedly downloaded sensitive personal emails and files of DNC politicians and other inside information and gave it to Wikileaks, exposing all the corruption the Democrats were involved with, including destroying Bernie Sanders political campaign, who Seth himself was a fan of.

Since this information contained evidence directly against Hillary Clinton and others against Donald Trump and others, this was enough motive to allegedly have Rich k*llled, which was ultimately made to look like a botched robbery, even though none of his belongings were stolen.

The D.C. police also did not cooperate with the investigation and immediately closed the case as a homicide during a "robbery," when in reality, it was a hit job.

An email that John Podesta wrote contained in Hillary Clinton's emails stated, "I'm definitely for making an example of a suspected leaker whether or not we have any real basis for it." This should tell you just how ruthless these people really are.

This then allowed Hillary and Obama to continue the lie and spy on President Trump in order to frame him for Russia Collusion in the 2016 election, blaming the "hack" on Russia.

Former Technical Director at the NSA, Bill Binney, explained in detail how he was able to confirm that the DNC email hack did NOT come from the Russians, but from the inside of the DNC itself through specific data trace analysis that only happens from specific download methods when and how the data was saved, proving it was from inside the DNC itself.

Never forget Seth Rich and what he ultimately sacrificed, exchanging his life to expose the truth, to give us and this country a better future.

P. Mon. 19 Jan. 2026 Obama-era money laundering operations were running through the Cayman Islands using USAID as a front, disguising it as "foreign aid."

...TheStormHasArrived47 on Telegram

During the Obama administration, rogue operations were running in Cuba, using USAID. USAID pumped \$1.2 BILLION into activist groups, teaching them how to use Facebook, Twitter, hashtags, and coordinate street protests.

All of it was structured to fool the American people, Congress, and even the White House. Obama even secretly funded a Twitter clone for Cuba called Zunzuneo (slang for hummingbird), built to look like it came from Cubans.

First it pushed harmless content like sports and weather... then it flipped to political propaganda, organizing dissent, and fueling mass protests.

They routed the money through Cayman Islands accounts, claiming it was "Pakistani aid" while secretly funding digital psyops and street uprisings. These are all a part of your "color revolutions."

Ladies and gentleman, these people have been robbing YOU and our COUNTRY blind for decades, while you also pay for propaganda against yourself and your own demise.

Med Beds

Q. Mon. 19 Jan. 2026 HOW MED BEDS WORK, A FULL STEP-BY-STEP GUIDE TO QUANTUM HEALING (LATEST 2026 UPDATE) ...Med Bed Technology on Telegram

Med Beds are real, and they're changing everything. Rooted in Tesla's suppressed technologies and refined over decades, these advanced healing devices use quantum, holographic, and regenerative systems to restore the human body on a cellular and DNA level.

How the Healing Works:

- **While asleep, the bed scans your entire body** and detects imbalances - illness, toxins, injuries, even genetic disorders.

- **Using holographic imaging**, it selects a snapshot of your healthiest state and projects that version back into your body, reconstructing cells and DNA.

- **Weak cells synchronize** with strong ones using frequency resonance, restoring full body balance.

Pre-Treatment:

- **You'll go through a detailed orientation** and health screening, including medical history, past surgeries, emotional states, and addictions.

- **Psychological readiness is key.** Addicts must show a commitment to healing and may require spiritual counseling before treatment.

What Can Be Healed?

- **Chronic illness**, organ failure, missing limbs, addiction, trauma, mental health issues, and more.

- **Obesity is reversed.** Metal implants dissolve. Bones regrow. Cataracts are removed. Even your original height is restored.

The Procedure Timeline:

- **Day 1:** Consultation

- **Day 2:** Med Bed Repair

- **Day 3:** Observation

Minimal downtime. No drugs. Natural sleep induced via melatonin.

Security & Equality:

- **Each patient is scanned** and registered via biometric data. No skipping the line.
- **AI prevents duplicate bookings.** Everyone is treated equally-regardless of vaccination status or personal history.

Availability:

- **Initially in major cities**, expanding to 2 beds per county. Free for all. Transportation costs are on the patient.
- **Appointments are personal only.** You can't book for someone else.

Staffing & Energy:

- **Only compassionate**, spiritually grounded staff are hired. No egos. No greed. The tech reads intent.
- **This is a humanitarian mission** - not a business. The pharmaceutical industry won't survive this.

Healing for All Life:

- **Healing centers** will treat animals too - yes, even your pet lizard.
- **Home frequency devices** and replicators may be provided in the future.

The Med Bed revolution is underway. The healing of humanity and the planet, has begun.
