[Let Us All Press On | The Tabernacle Choir](#)

Let us all press on in the work of the Lord,  
That when life is o'er we may gain a reward;  
In the fight for right let us wield a sword,  
The mighty sword of truth.

(Chorus)  
Fear not, though the enemy deride;  
Courage, for the Lord is on our side.  
We will heed not what the wicked may say,  
But the Lord alone we will obey.

Fear not, courage, though the enemy deride;  
We must be victorious, for the Lord is on our side.  
We'll not fear the wicked nor give heed to what they say,  
But the Lord, our Heav'nly Father, him alone we will obey.

We will not retreat, though our numbers may be few  
When compared with the opposite host in view;  
But an unseen pow'r will aid me and you  
In the glorious cause of truth.

If we do what's right we have no need to fear,  
For the Lord, our helper, will ever be near;  
In the days of trial his Saints he will cheer,  
And prosper the cause of truth.

**Judy Note: The Storm has arrived.** The hour of reckoning for those who have betrayed the people is upon us. The Cabal's fake fiat dollar is collapsing, banks are crumbling worldwide, top elites have been disappearing, their bunkers compromised, with their offshore accounts frozen by quantum tracking.

**An international Child Sex Trafficking, Adrenochrome and Organ Harvesting Drug Ring** of seven countries has been busted by the FBI and DEA. It was found connected to the Sinaloa Drug Cartel in 21 major US cities from LA to New York and was protected by 60 US Senators. All face serious charges and arrest.

**On Mon. 5 Jan. 2026 the Quantum Financial System began implementation** around the world, keeping track of every financial transaction

**The Global Currency Reset** launched into its final phase, with the Revaluation of currencies set to explode in the coming hours and days. Payouts were accelerating rapidly, with full liquidity expected by **mid-January 2026**.

**Bond holders and Tier 4A groups** are receiving urgent notifications for appointments at Redemption Centers, where exchanges will commence under the secure Quantum Financial System.

**This long-awaited wealth transfer from the corrupt elite** to the people is divinely timed, ushering in an era of unprecedented abundance and justice.

**It's the beginning of Nesara/ Gesara Debt Forgiveness** activation worldwide. Debt forgiveness on mortgages, loans, and credit cards is being prepared for immediate implementation, returning ill-gotten taxes and interest to rightful owners.

**The gold-backed QFS, now fully operational** with interconnected portals across continents, blocks all deep state manipulation—ensuring every transaction is transparent, secure, and blessed for humanitarian purposes.

**BRICS nations have aligned**, and the old fiat system crumbles as true prosperity flows to We the People.

**Revolutionary Med Beds are being distributed** by the military, prioritizing those at death's door and with serious conditions. These miraculous technologies, operating on spiritual vibration and advanced frequencies, promise complete healing and restoration—a gift from higher realms to humanity in this time of ascension. Training for operators emphasizes faith and readiness, as these centers prepare to serve millions in the new Golden Age.

**The Emergency Broadcast System stands on the brink of worldwide activation**, signaling the imminent imposition of martial law across the globe.

**Prepare for the 7 EBS "Trumpet" Messages:** Your phones will blast 7 urgent alerts – each message commands you to tune in as the EBS takes over ALL broadcasts.

**The Trumpets will herald in Ten Days of Darkness** — a period when communications will go silent, and the full truth of corruption, fraud, and pedophilia will be broadcast in relentless eight-hour exposés, repeated three times daily 24/7 to awaken the world.

**There will be no more mainstream media lies**, no corrupt internet, no phones or ATMs for regular traffic – everything shifts to secure Starlink military channels controlled by the Alliance.

**Shown over the new system will be graphic evidence of the Cabal's adrenochrome harvesting from innocent children**, Hillary's crimes, Obama's treason, Biden's pedo networks, the stolen 2020 election, 9/11 inside job, fake pandemics, and how Trump never left – he's been Commander-in-Chief all along, directing the worldwide sting operation from behind the scenes.

**After this 10-14 Day Communication Blackout**, the fiat US Dollar will be no more, a new gold-backed US Note will emerge, plus all of the organizations of Government, Finance, Media, Health and Education will be transformed for the better.

**Militias across nations are being activated** to protect citizens as the Global Military Alliance moves decisively to dismantle these treasonous networks.

**Mass arrests are underway behind the scenes**, with hundreds of thousands of sealed indictments ready to be unsealed. White Hat forces are mobilized NOW for mass arrests – tens of thousands of sealed indictments unsealed, traitors in government, Hollywood, Big Pharma, and banking dragged to military tribunals at Gitmo and secret bases. The Alliance is rescuing millions of trafficked children from DUMBs as we speak. This is divine justice – God wins!

**Brave Special Forces continue their sacred mission of rescuing innocent children** from underground tunnels and Cabal trafficking rings that have operated in darkness for far too long. These heroic operations are liberating thousands daily from the clutches of pure evil.

**White Hat forces, in alliance with patriotic Red Hat militias**, have declared open war against the corrupt FEMA apparatus—a Deep State entity exposed for blocking relief, seizing properties, and facilitating unspeakable crimes against humanity.

**Pray for our warriors in this battle of good against evil.** The Deep State's desperate acts—engineered disasters, aid theft, and attempts to disarm the populace—only hasten their downfall.

**FBI Director Kash Patel and Trump's team confirm:** Operation Castle Rock and Project Odin are live. The scare event is necessary to red-pill the sleeping masses. Stock up on food, water, cash for 10-14 days – power may flicker briefly as grids switch to free energy Tesla tech.

**Prepare your hearts and projects**—the era of freedom dawns now. Stand firm in faith, stock essentials, and unite with neighbors. The Great Awakening is here.

**Q told us: Trust the Plan.** This is the greatest transfer of wealth in history, ending centuries of oppression and empowering light workers to rebuild a world rooted in God's love.

**A. Judy Note: This is a personal plea to President Trump and the Global Military Alliance.** I know you have important matters to attend to and have made great strides in rescuing thousands upon thousands, perhaps millions of children. But there is one child who has been forgotten.

**Kaitlynn Hunter was referred to you**, many times, over two years ago, with no response from any government agency. For no apparent reason other than to be abused in a CIA Mind Control Program while in Ohio Foster Care, she has spent seven abusive years of her life in Foster Care prison. See: <https://www.givesendgo.com/GDX1Z>

**There she has been denied basic medical care for beatings** that included head concussions, denied schooling, she has been raped and deliberately starved for over a year where she lost 60 pounds. She has been denied visitation rights with her mother. Her mother now faces court charges for protecting her for several months when she ran away from the abusive foster home.

**Readers, please put Kaitlynn Hunter, her mother Jeannine and Grandma Betty** in your prayers. For the past seven years they as a family, have been denied life, liberty and happiness by the Ohio Courts and Child Protective Services.

**Now they face even more abuse.**

**Kaitlynn Hunter Update by her mother Jeannine:**

**As of today, Grandma Betty remains dying in hospital.** The new antibiotics weren't taking hold and she has been denied needed medication. Please pray for Momma Betty. My mother has a heart of Gold and was praying for a medbed.

**Due to Kaitlynn's and my rights being violated and justice denied,** we are not allowed to be bedside with grandma together. I am not allowed to call her or have any contact with her due to the obstruction of justice and interference.

**I have filed and filed mounds of evidence,** affidavits, exhibits proving our innocence and crimes against us, only to be ignored, suppressed and retaliated against.

**Kaitlynn is 18 and wants to leave foster care and be free.** She left and the state and county put an APB on her. She ran from another potentially dangerous situation in foster care.

**According to my research she** is free to finish her schooling away from foster care as an adult. But CPS is wanting her to turn herself in and have the judge emancipate her. Foster care has not been good to her. She has suffered much abuse there and been denied contact with her family.

**The municipal court and Detective Patterson** need to drop the false charges for protecting her from years of documented abuse in foster care (ignored by county and state agents), including the Dayton 2024 story that went viral via Judy Byington.

**CPS and Juvenile ignore** the affidavits put on the record 11-15-24. They need to drop the no contact order and free this poor child in hiding again! I am not allowed to talk to her or protect her, or I go to jail on this void abnition case!!!!

### **Quantum Financial System:**

**C. Tues. 6 Jan. 2026 QFS IS ON: PEOPLE'S FINANCIAL FREEDOM IS SET FREE**  
...Quantum Financial System on Telegram

**It's TRUE. The change on Monday 5 Jan. 2026 wasn't just a symbol; it was the moment the chains broke.** The Quantum Financial System is now working around the world. The evil fiat beast is dead. The switch flipped without making a sound, but it changed everything.

**Right now, all major institutions are running on gold-backed rails.** A system built for the people, not the parasites, keeps track of every transaction. People who know say that debt resets are happening out of the blue, credits are appearing out of nowhere, and countries are racing to sign the gold standard agreement. It's happening; the storm is already rolling behind the scenes.

**This is the beginning of NESARA/GESARA.** Not a theory. Not a guarantee. Not "someday." It's happening right now. Forgiving debt is real. Wealth is coming home. And it's not just in the digital world; it's in the spiritual world too. Do you feel the weight go away? Do you feel the air change?

**People made fun of you.** People laughed at. People called them crazy. But you stuck to your guns. And you were CORRECT. Our movement broke down the walls. When the world bowed down, you stood tall. This win is YOURS.

**But don't get too comfortable.** The next step will be confusing. The people who are sleeping will freak out. The lies they believed will hurt them on the way up. And you have to be the calm in their storm. The light in their dark. The truth in their falling apart.

**Have a party tonight.** In a quiet way. With pride. And don't forget: some heroes will never be named, but we honor them with every beat of this victory.

**The money is coming back to the people.** No more work for slaves. No more wars that aren't real. No more power. Now it's time to build. Getting better. Without giving in, spreading peace, truth, and justice.

**This isn't a fantasy.** It's time to pay up. Stay on the line. Show the lost the way. And always remember: NOTHING CAN STOP WHAT HAS BEGUN. The NEW WORLD is HERE.

**D. Tues. 6 Jan. 2025 RV/GCR Update Confirmed: The Storm is Active:** ...Nick Fleming on Telegram

**Redemption centers** fully operational, staffed, and on standby worldwide.

**Initial appointments** for exchanges and Zim redemptions to begin immediately, with liquidity projected to reach accounts by mid-week.

**The Quantum Financial System** is live, asset-backed currencies in control, and large-scale debt elimination initiating across mortgages, credit cards, and student loans.

**Sealed indictments** are being unsealed in waves, with tribunals active and high-profile arrests accelerating out of public view.

**Child rescue operations** and accountability actions against elite criminal networks are ongoing, with broader disclosure expected through future Emergency Broadcast activity.

**Attempts to destabilize the transition through cyber events**, blackouts, or false flags have failed, asserting that operational control rests fully with the Alliance.

**Preparations for public rollout of suppressed technologies**, including MedBed systems, are referenced for early 2026, alongside restitution funds earmarked for large-scale humanitarian rebuilding.

- **RV/GCR** activation claimed as live
- **Tier 4 notifications** imminent

- **QFS** and asset-backed currencies active

**There are 5 call centers** in the US (Wells Fargo). There are a couple of thousand Redemption Centers in the US. Wells Fargo is overseeing Redemption Centers in the US.

**You can get better exchange rates** at a Redemption Center than you do at a bank. Zim can only be redeemed at a Redemption Center. The Dinar has a Contract Rate at the Redemption Center.

**The Dong rate** is quite high.

**A Quantum Card** is only to move money from your Quantum Account to a regular account.

**You can get around \$3,000 cash** gold-backed USTN at your exchange.

**The changeover from fiat currency to gold/asset-backed** should happen by this **Thurs. 8 Jan. 2026.**

**EBS Activation is imminent.** The schedule is said to be firm – but only a select few know the exact timing. For security reasons it must remain sealed.

**Protocol:** Keep people home, safe and ready to witness a historic truth release: decades of deception, cover ups and manipulation will be exposed through the EBS.

**The EBS will broadcast an eight hour video**, replayed three times daily, for ten days of communication darkness. During this period, seven trumpets (EBS Alerts) will be sent to phones, signaling when to tune in.

**Phones can be used for 911 only.** Internet and ATMs will be offline.

**Afterward everyone worldwide** will be able to connect to a new Quantum Internet.

**People are advised to prepare** food, water, power, supplies in readiness.

**After the Blackout, nothing returns to business as usual.** The life support of old, corrupt systems will be pulled. Government, finance, media, health, education – all will be transformed. A new gold-backed US Note will emerge.

**Warn those you love, even if they think you're crazy.** The shock will be real.

**H. Tues. 6 Jan. 2026 The Day the Banks Die, Your Fake Debts Die With Them ... Telegram on Telegram**

**For decades you've been told you owe money.** To the bank. To the government. To the credit card company. To the electric company. To your mortgage lender. To the IRS. But here's the truth they never wanted you to find out: It was all a lie.

**Every so-called “debt” you’ve ever carried** was built on a foundation of fraud. You were born into a system that registered your life as a corporate entity and then created a trust in your name. That trust was monetized. Bonds were issued. And your existence became a financial instrument traded behind the scenes while you were taught to slave away and make payments on money that was already prepaid.

**Mortgages. Utility bills. Student loans. Medical debt.** They are not real obligations. They are engineered contracts based on deception, forged through legal trickery and hidden language. And it all runs through the banks.

**The banks are not financial institutions. They are the gatekeepers of a rigged system.** They control the flow of fake currency, enforce debt slavery, and protect the interests of the elite. Every time you swipe your card, pay your mortgage, or send in a utility check, you are feeding a machine that was designed to drain your life force and keep you compliant.

**But here’s what they fear most:** That machine is breaking. The moment the banks collapse, whether through systemic failure, cyberattacks, or the great financial reset, the illusion will go with them. You will not be able to make payments. They will not be able to receive them. Collection agencies will vanish. Automated systems will crash. The entire fake empire will fall.

**And when it does, they will try to scare you.** They'll say you still owe. They'll say you are still on the hook. But with what proof? What system? What authority? The truth is simple. If the banks no longer exist, the debts they created no longer exist either. They cannot enforce what they can no longer track. They cannot demand what they can no longer control. And they cannot imprison you in a system that has been exposed for what it really was, a global con.

**The day the banks die is not a disaster. It is a release.** A liberation. A return of power to the people. You were never meant to live in fear of due dates. You were never meant to wake up every morning wondering how to survive. You were never meant to serve digits on a screen that were conjured out of nothing. That ends now.

**When the collapse comes, stand tall. Do not panic.** Do not run back to what enslaved you. Because on that day, the greatest lie ever told will finally be burned to the ground. And from those ashes, something real can begin. Not debt. Not slavery. But freedom.

**Trump's White Hats are in full assault**—assets frozen, fentanyl pipelines destroyed, Gitmo ready. Treason season is over. Justice rains down now. Hold the line—victory is ours!

**J. Mon. 5 Jan. 2026 Juan O Savin "IT'S ALL STAGED" – Military in TOTAL Control!**  
...Juan O Savin Red Pill, Ten Days of Darkness on Telegram

**Patriots, the mask is completely off now!** Everything you're seeing in the fake news and the streets is STAGED – a carefully scripted movie designed to wake the masses while the White Hats run the real show. The military has been in full control since the stolen election, executing devolution protocols to the letter, and Trump never lost a single ounce of real power.

**Juan confirms the Deep State is cornered and desperate**, so they're rolling out one fake crisis after another – staged riots, cyber "attacks," grid threats, even phony alien invasion hoaxes – all to create chaos and justify martial law. But here's the bombshell: It's all theater! The Alliance is letting them play their last hand so every traitor exposes themselves on camera, every sleeper cell activates and gets taken out, every false flag gets neutralized before it can hurt a single patriot.

**The military has been running the country** behind the scenes for years – continuity of government, Space Force protecting the skies, Special Forces raiding DUMBs and rescuing children around the clock.

**Gitmo is overflowing** with the real players, hidden tribunals handing down sentences daily, and the sealed indictments are now unsealing in waves. Clones and body doubles are glitching everywhere – that's not a glitch, that's the white hats letting the world see the fraud in real time.

**The EBS is locked and loaded**, ready to interrupt the fake news for days of undeniable proof – election rigging, bioweapon releases, child trafficking empires, satanic rituals at the highest levels.

**NESARA/GESARA is activating soon**, debts erased, prosperity funds flooding We the People, gold-backed system crushing the Fed forever. The cabal's great reset is dead – we're getting the great awakening instead!

**The panic is real for them:** Top elites are disappearing, bunkers are compromised, offshore accounts frozen by quantum tracking. They're screaming "insurrection" and "threat to democracy" because they know the military is about to make the final moves that end their Satanic Empire once and for all.

**Patriots, this is the storm Q promised** – the staged chaos peaks right before total victory. Stay calm, stay armed, stay prayed up, and watch the movie play out. The good guys

won years ago; we're just watching the final act to wake the sleepers. No mercy, no escape, no way out for the traitors. Freedom is coming back stronger than ever – the republic is restored, the golden age is here! Trust the plan – it's all been staged for our victory! WWG1WGA!

**K. Sun. 5 Jan. 2026 Special Intel Report. BOOM! 7 EBS Trumpet Messages Incoming, 10 Days of Communication Darkness Begins NOW, Global Military Alliance Unleashes Mass Arrests on the Satanic Cabal! ...Ten Days of Darkness on Telegram**

**Patriots, WAKE UP! The long-awaited moment has arrived** – President Trump and the White Hats' Global Military Alliance of over 140 nations have secretly crushed the deep state demons who've enslaved humanity for centuries through child trafficking, satanic rituals, and financial tyranny.

**The Emergency Broadcast System is ACTIVATING IMMINENTLY**, triggering the final phase of the Great Awakening!

**The Storm Is Here – Nothing Can Stop It!** The cabal's fake fiat dollar is collapsing, banks are crumbling worldwide, and the Quantum Financial System is fully online, ready to flood patriots with prosperity under GESARA/NESARA. The Global Currency Reset is complete – gold/asset-backed currencies returning power to We The People. But first, the necessary blackout to execute justice.

**Prepare for the 7 EBS "Trumpet" Messages:** Your phones will blast 7 urgent alerts – these are the biblical Trumpets signaling the end of evil. Each message commands you to tune in as the EBS takes over ALL broadcasts.

**Then, 10 Days of Communication Darkness hits:** No mainstream media lies, no corrupt internet, no phones or ATMs for regular traffic – everything shifts to secure Starlink military channels controlled by the Alliance.

**During these 10 days, eight-hour documentaries exposing the full truth will loop 24/7:** Graphic evidence of the cabal's adrenochrome harvesting from innocent children, Hillary's crimes, Obama's treason, Biden's pedo networks, the stolen 2020 election, 9/11 inside job, fake pandemics, and how Trump never left – he's been Commander-in-Chief all along, directing the worldwide sting operation from behind the scenes.

**White Hat forces are mobilized NOW for mass arrests** – tens of thousands of sealed indictments unsealed, traitors in government, Hollywood, Big Pharma, and banking dragged to military tribunals at Gitmo and secret bases. The Alliance is rescuing millions of trafficked children from DUMBs as we speak. This is divine justice – God wins!

**FBI Director Kash Patel and Trump's team confirm:** Operation Castle Rock and Project Odin are live. The scare event is necessary to red-pill the sleeping masses. Stock up on food, water, cash for 10-14 days – power may flicker briefly as grids switch to free energy Tesla tech.

**Q told us: Trust the Plan.** The Satan-worshipping elite are panicking, fleeing to bunkers, but there's no escape. Their reign of terror ends FOREVER. 2026 is the Year of the Patriot – freedom, abundance, and exposure of every lie. The Golden Age dawns after the darkness.

**Stay vigilant, pray hard, hold the line! WWG1WGA!** The best is yet to come – Trump's triumphant return will shock the world. This is it, anons – the final battle. Victory is ours!

**L. Tues. 6 Jan. 2025 What happened around Maduro is not a headline event. It is a signal event. ...Mr. Pool Final Chapter on Telegram**

**When a figure like that is removed from the board, the objective is never the man himself. The objective is the infrastructure that collapses** once the man is gone. Venezuela was never just a country in crisis. It was a vault. A junction point. A financial and logistical relay hidden in plain sight since the Cold War years.

**The real extraction was data.** Servers buried far from public oversight. Energy ledgers tied to oil shells that never appeared in official reports. Transfer routes connecting intelligence budgets, cartel logistics, and offshore foundations that fed conflicts far beyond South America. What the public was told were refugee flows and sanctions failures were, in reality, controlled corridors for money, people, and leverage.

**This is why military assets moved quietly** and why media narratives arrived late. The tunnels under Caracas were not built for escape. They were built for continuity. And continuity just broke.

**Trump's role in this phase is not symbolic.** Asset seizure is the key. PDVSA is not about oil anymore. It is about tracing the money chain upward, not outward. Every frozen account forces another name to surface. Every surfaced name tightens the circle around those who thought geography would protect them.

**Watch what happens next. Not in Caracas, but in boardrooms, foundations, and quiet resignations** that will be called coincidences. Some will disappear from public view. Others will suddenly be “found.” The pattern is already visible if you know where to look.

**This is not the end of an operation.** It is the moment the oxygen was cut.

**M. Tues. 6 Jan. 2026 DEMOCRATS COLLAPSING – The Deep State Endgame Hits NOW! ...Navy Seal Michael Jaco**

**The Democrat Party is COLLAPSING** in real time – their corrupt house of cards is tumbling as White Hat forces deliver crushing blows to the entire deep state apparatus! Jaco's psychic intel and insider sources confirm the takedown is accelerating faster than ever: High-ranking Democrats are turning on each other in panic, leaking damning evidence of election fraud, money laundering through Ukraine and China, and direct ties to Epstein's pedo-blackmail empire.

**The Biden crime syndicate is exposed beyond repair** – sealed indictments dropping THIS WEEK, with military teams ready to execute mass arrests of swamp leaders who've sold out America for decades!

**The collapse spreads globally:** Cabal-controlled media networks crumbling as truth floods out, Big Pharma tyrants facing justice for the plandemic bioweapon, and Hollywood elites fleeing as their satanic rituals and trafficking rings get raided.

**Jaco sees it clear – special ops rescuing children from DUMBs**, shutting down adrenochrome supply lines forever, while Trump's global alliance with patriotic militaries dismantles the Khazarian mafia's last hideouts!

**Financial Armageddon for the wicked:** Quantum Financial System dominating, NESARA/GESARA activations triggering massive wealth transfers to the people as the Federal Reserve dies bankrupt. Gold and silver exploding upward, BRICS crushing the petrodollar – patriots positioned in physical metals and XRP are about to become the new millionaires in the greatest reset ever!

**Emergency Alert System goes hot imminently** – 10-14 days of darkness and nonstop broadcasts exposing EVERYTHING: Irrefutable 2020 theft proof, full Epstein client list naming royals, politicians, and CEOs, UFO disclosures proving benevolent alliances against the dark forces, and the med bed rollouts starting for humanity's healing era.

**Brief blackouts incoming** to block cabal interference – load up on food, water, cash, ammo, and silver NOW!

**This Democrat collapse is the signal** – Trump's in full command, the Republic restores, and biblical victory unleashes the golden age! The Great Awakening hits escape velocity as millions wake to the lies. Evil falls hard, light wins BIG!

**Trust the plan, warriors** – Jaco says we're in the final phase, freedom explodes this month! Pray without ceasing, hold strong, and share this bombshell everywhere!

**WWG1WGA!** The storm delivers justice – GLORY AHEAD!

## **Med Beds**

### **N. THE SILENT LANGUAGE OF CELLS** ...Med Bed Technology on Telegram

**Cells don't speak with words. They communicate through signals, rhythm, and frequency.** When the body is healthy, this communication is clear.

**But illness often begins quietly — as noise.** Stress, inflammation, trauma, chemical overload — all create interference. Signals weaken. Messages distort. Cells stop coordinating and start compensating. This is how chronic conditions form.

**To restore communication, the noise must be reduced.** That requires a high, stabilizing frequency — strong enough to override interference and allow cells to synchronize again. This is where Med Bed technology operates.

**Med Bed systems create a controlled,** high-frequency environment where cellular communication can re-align, signal clarity can return, and the body can move back into regulation. It doesn't force healing. It allows cells to hear each other again.

**Devices like IONIC Care also work** with frequency to support the body's return to balance. Quantum healing begins when the body stops being forced — and starts being brought back into frequency.

### **O. Tues. 6 Jan. 2025 A damning email obtained by King Solomon through the Freedom of Information Act (FOIA) CONFIRMS:**

**The Central Intelligence Agency** conspired and succeeded in the overthrow of the United States government on **November 3, 2020**.

**In a stunning exchange, CIA Director Mike Morell** turns to fellow Director John Brennan and asks if he would join in toppling the United States government during the November 3, 2020 election. Brennan not only agrees—but also expresses his gratitude.

**CIA Mike Morell:** “Can I add your name to this list? Will be adding Leon Panetta, Sue Gordon, Jeh Johnson, George, Lisa Monaco, and Mike Rogers. And working on adding Dan Coats, Mike Rogers (HPSCI), and Tom Bossert. And lots of other IC career folk. “Trying to give the incapacitated vegetable, particularly during the debate on Thursday, a talking point to push back on Trump on this issue.”

**CIA John Brennan;** “Ok Michael, add my name to the list. Good initiative. Thanks for asking me to sign on.”

**P. Tues. 6 Jan. 2026 MedBed AURORA-M13 — The Spectrum Memory Restorer ...Med Beds Technology on Telegram**

**Life leaves marks you don't see** — trauma, shock, fear buried in the nervous system. Those imprints don't fade. They shape your reactions, your mood, your sleep. You move on... but the body remembers.

**The AURORA-M13 Med Bed** targets exactly that. It scans the memory spectrum where emotional scars hide — and dissolves the imprint at its source.

**Spectrum light** → releases stored trauma.

**Nervous system** → resets to its original clarity.

**Mind** → finally breathes again.

**Not coping. Not suppressing. Releasing. Resetting. Reclaiming** your inner freedom. AURORA-M13 brings the mind back to who you were before the damage.
