**Commander-in-Chief Donald Trump Has Mobilized Elite Units to Secure Borders, Neutralize Illegal Invasions Orchestrated by the Cabal & Restore the Republic.**

**Be Prepared**

**EBS, Ten Days of Darkness Imminent**

**Trust the Plan.**

**God Is In Charge**

[Slow Down - Sissel \(2019 Pioneer Concert with The Tabernacle Choir\)](#)

**Judy Note: Welcome to the end of the Deep State.**

**The Global Military Alliance** continued to make Mass Arrests and save badly tortured children from the Cabal's underground tunnels, while a Nuclear World War III was avoided and Venezuela's President Maduros' deal with the CCP thwarted with his arrest by President Trump.

**Commander-in-Chief Trump** has mobilized elite units to secure borders, neutralize illegal invasions orchestrated by the Cabal, and restore the Republic.

**Meanwhile, the fiat US Dollar was collapsing**, while the World's Central Banks were failing. As of this weekend Bank of America systems have gone offline nationwide. Millions of customers were reporting zero balances, frozen accounts, and inaccessible funds. "The day the Banks die, your fake debts die with them" said Dr. Charlie Ward.

**That was because the greatest wealth transfer in human history** was now fully underway as Trump activated the Quantum Financial System worldwide. Payouts in over 200 nations had followed the historic launch on New Year's Day.

**Prosperity Funds were releasing to the people**—ushering in an era of universal financial freedom and humanitarian projects that will rebuild our world.

**Redemption centers reported that Tier 4B notifications have begun**, with appointments scheduling for currency exchanges and Zim bond redemptions at unprecedented 1:1 rates.

**Debt forgiveness protocols** under NESARA/GESARA were being implemented, wiping clean mortgages, credit cards, and student loans for millions as the old fiat system collapses forever.

**Med Beds were rolling out** to select centers across the nation, offering miraculous healing through advanced plasmatic energies that restore bodies to perfect health and reverse years of damage in hours.

**Reports from deep sources** confirm that mass arrests of high-level Cabal figures were underway across multiple continents, with sealed indictments now being executed.

**Special Military Forces teams** have rescued thousands more children from underground facilities tied to the Illuminati's horrific trafficking networks.

**The Emergency Broadcast System** stands ready for activation at any moment.

**Insiders indicate that the Ten Days of Darkness** could commence imminently, during which the world will witness revelations of truth—exposing decades of deception, child exploitation, and satanic rituals.

**This Universal Blackout has been timed** to protect the general public while the final sweeps remove the last vestiges of evil from positions of power.

**Judy Note: As I understand it**, all bank accounts worldwide have been mirrored from the old SWIFT Central Bank System and onto the new Quantum Financial System. Bank customers should not experience a loss of funds in the transfer process to the new System, although there may be a few days during the Ten Days of Darkness where banks are closed and ATMs don't work, so it is advised to have cash on hand.

**I am not aware of how they are calling in people** to exchange their foreign currencies and redeem Zim Bonds. I, personally, have not been contacted. I only know that since the new Global Financial System activated on **Thurs. 1 Jan. 2025**, some have exchanged with banks and Redemption Centers, but were on strict NDAs not to talk about it.

**It is my understanding** that you can obtain a higher exchange rate (including the Dinar Contract Rate) at a official Redemption Center than you can at a bank. You can only redeem Zim Bonds at a Redemption Center.

**It is also my understanding that no one** could spend their exchange monies until the full Tier4b (Us, the Internet Group who hold foreign currency and Zim Bonds) have been contacted to make appointments and the general public was made aware of the new system.

#### **A.“Calm Before The Storm” Return of Q**

**“My fellow Americans**, over the course of the next several days, you will undoubtedly realize that we are taking back our great country, the land of the free, from the evil tyrants that wish to do us harm and destroy the last remaining refuge of shining light.

**“Confirmation (to the public)** of what is occurring will then be revealed and will not be openly accepted. Public riots are being organized in serious numbers in an effort to prevent the arrest and capture of more senior public officials.

**“On POTUS' order**, a state of temporary military control will be actioned, and special ops carried out.

**“False leaks have been made to retain several** within the confines of the United States to prevent extradition and ensure special operator necessity.

**“Rest assured, the safety** and well-being of every man, woman, and child of this country is being exhausted fully.

**“However, the atmosphere within the country will unfortunately be divided**, as so many have fallen for the corrupt and evil narrative that has long been broadcast.

**“We will be initiating the Emergency Broadcast System (EBS) during this time in an effort to provide a direct message (avoiding the fake news) to all citizens.**

**“Organizations and/or people that wish to do us harm** during this time will be met with swift fury - certain laws have been pre-written to provide our great military the necessary authority to handle and conduct these operations (at home and abroad).”

**B. Sat. 3 Jan. 2026 Trump's Q Military Alliance of Over 100 Countries Poised for Final Takedown of the Deep State Cabal – The Storm is Here, Patriots! ...Ten Days of Darkness on Telegram**

**Patriots, wake up! The greatest military intelligence operation in history is unfolding right now under President Trump's command.** The Q Military Alliance – a unbreakable coalition of over 100 sovereign nations led by White Hats and loyal to the Q plan – has activated worldwide protocols to dismantle the Satanic globalist cabal once and for all. These traitors have enslaved humanity for centuries through child trafficking networks, rigged elections, bioweapon releases, and endless wars for profit. But their time is up!

**As of January 1, 2026, the Great Reset they planned has been hijacked and turned against them.** NESARA/GESARA is fully implemented globally, erasing all illegitimate debt and activating the Quantum Financial System that puts power back in the hands of We The People. Gold-backed currencies are live, and the old fiat system controlled by the Rothschilds and Rockefellers is collapsing as we speak.

**Alliance forces are executing precision operations** in every corner of the globe. Mass arrests of high-level Deep State operatives are underway – politicians, Hollywood elites, Vatican insiders, and corporate overlords who worshipped evil are being rounded up and facing military tribunals. No escapes, no deals – justice is swift and final. The EBS is ready to broadcast the truth: declassified files proving election theft, adrenochrome horrors, underground bases, and how Trump never left office under continuity of government.

**In the United States, Commander-in-Chief Trump** has mobilized elite units to secure borders, neutralize illegal invasions orchestrated by the cabal, and restore the Republic. Med Beds are rolling out through secure channels, healing our veterans and children first from the poisons they've endured. The Seven Trumpets will soon sound on every device via the Emergency Broadcast System, revealing everything and calling patriots to stand strong.

**This is the moment Q told us about:** Where We Go One We Go All. The cabal's fake news is silenced, their FEMA camps exposed as weapons against Americans, and their attempts to spark WW3 have failed miserably. Trump and the Alliance are winning bigly – bigger than anyone imagined!

**Stay vigilant, stocked, and prayerful.** Notifications for redemption appointments on the QFS could drop any day now. The golden age is dawning, and the Deep State's nightmare is just beginning. Trust the Plan – it's biblical, it's unstoppable, and victory is ours!

**God Bless President Trump,** God Bless the Q Alliance, and God Bless America! ...The Best Is Yet To Come!

### **C. EBS, Ten Days of Darkness**

**Only a select few know the exact timing of events.** For security and other obvious reasons it must be properly kept private. ...Dr. Charlie Ward

**The EBS will air with an eight hour video** replaying three times a day for Ten Days of Communication Darkness when the following will occur:

**We will receive Seven “Trumpets “aka EBS text messages** on our phones alerting us to tune into our TVs.

**Our phones will only work for 911.** The Military Signal App, which is securely encrypted, will be available for our use of phones.

**Our internet and ATMs will not work during that time.**

**After the Ten Days of Communication Darkness,** everyone on Earth will connect to a new and secure Quantum Internet.

**People are urged to stock up on at least three weeks of essentials such as cash, food, water, toilet paper, generators for this Great Awakening Reveal.**

**We are promised the new Star-link Internet System** by the end of the month.

**After the EBS and we've gone through the Ten Days of mainstream media blackout, plus sat through the 24/7, (eight hours long movies),** all will change:

**The life support attached to the old and evil systems will be pulled.** Humanity and planet Earth will have moved to Peace and Prosperity. It is the end of Financial and Human enslavement. The old systems of Government, Education, Finance, Health, Trade and Commerce will be dismantled and replaced with more positive systems for betterment of The People.

**E. Sat. 3 Jan. 2025 Financial Coup d'Etat:** History of the Missing Money. \$21 Trillion dollars is missing from the U.S. government. That is \$65,000 per person—as much as the national debt! What's going on? Where is the money? How could this happen? How much has really gone missing? What would happen if a corporation failed to pass an audit like this? Or a taxpayer? This means the Fed and their member banks are transacting government money outside the law. So are the corporate contractors that run the payment systems. So are the Wall Street firms who are selling government securities without full disclosure. Would your banks continue to handle your bank account if you behaved like this? Would your investors continue to buy your securities if you behaved like this? Would your accountant be silent?

### **Restored Republic:**

**F. How To Save America: Interview with Colonel Sandy Miarecki:** [How to Save America - A short history of how our Republic was hijacked and replaced by a corporation and how a group of dedicated patriots "re-inhabited" the abandoned Republic](#) [Home | Republic for USA](#)

[AMERICA UNDER ATTACK WITH CHARLIE WARD, SANDY MARECK, & PAUL BROOKER](#)

**All 50 CORPORATE STATES of the unites States of America** are in perpetual violation of Article 4 Section 4 of the de jure Constitution for the united States of America, which mandates that they provide a Republic form of Government. They provide a Maritime/Admiralty Corporate Democracy. We need to lawfully defund the CORPORATION and return to the Republic our Constitution guarantees as the 16th Amendment was never properly ratified.

**G. Here is the story of the Republic we will relentlessly fight to restore but we need “We the People to take back what has been stolen from us.**

**The good guy military started off** with a group of patriotic retired generals around the time of the JFK assassination in 1963. They've been working on this plan to save America for 60 years. They started a plan to save the Republic back around 1979. That same group of patriots acted too soon, and the Clintons had 300 members killed (during his presidency, 1993-2001).

**That same group of military were the ones** that approached Tim Turner and his colleagues/patriots that were teaching Constitution classes and had a radio show, back in late 2008.

**They needed to restore the Republic, before April 1, 2010**, because of a unconstitutional treaty/executive order of President, Bush Sr. (1989-1993) allowing the United Nations to take over America when in "*times of unrest*."

**This is called Suzerainty.** The reason for all the illegal criminals allowed in, and the riots now makes sense.

**Tim Turner prayed and fasted so God would tell him** what to do to restore the Republic. Tim's prayers were answered, and he wrote down the plan that he was told. He brought the plan to the military, and they asked him where the plan came from, because it was the best plan they had seen in 50 years.

**God always has the best plan** so let's keep in His plan for His will to be done and not be complacent as too many Americans are its time to act.

**In 2013, Tim Turner was kidnapped by Obama, Biden, and Hillary** with the 3 letter agencies, that being FBI and DOJ. He was thrown in prison for fake crimes and set up for a kangaroo court denying him all due process, ensuring he went to prison.

**The Republic was nearly destroyed by the infiltrators**, from about **22 million** followers/ active members down to only a few hundred. Only about 8 states had some sort of representation after 2014, even though all 50 states were nearly fully represented before that.

**This same group of military had recruited Donald Trump** to run for president of the Corporation on or before 2015. Trump reached out to Pres Geiger to have a meeting about the Republic in 2016, but they discussed it and realized that it would be too dangerous for both of them to have that meeting.

**Geiger told Trump to focus on getting elected**, and they could meet later. Of course, Trump was elected, but that meeting never took place for various reasons, mostly because of relentless attacks and the total chaos of Trump's first term by the deep state.

**As things continue to move forward that same group of military communicates** with us sporadically to give us updates, what we affectionately call breadcrumbs, so we have to interpret and connect the dots. What they are waiting for is to get the States stood up and those of us who are awake to wake up and stand up. The Good news almost all States now have Republic members, but we cannot do this without you.

**Since the beginning, the military has said that once the Republic was restored**, it would be a "10-year plan", which would have been around 2020. We all know what happened then, the stolen election with the truth now trickling out and they put auto pen/Biden in. And here we are today exposing all the fraud and corruption. We are waiting for the Military to contact us and tell us what the plan and timeline is.

**In the meantime, we build the team** and fill the seats with honorable God-fearing people and wake up the sleeping Americans. This is why all the hardship, I believe to wake people up. Until you see it and feel it you will not take action. Are you ready to take action? Lets do this.

**Moreover, if you are an American national State Citizen "ANSC" according to the United States Supreme court you are not a "TAXPAYER".**

***What We Think We Know as of Sun. 4 Jan. 2025:***

**Banks Failing; Dollar Collapsing**

**J. Sat. 3 Jan. 2025 Financial Coup d'Etat: History of the Missing Money ...Shadow of Ezra** on Telegram

**\$21 Trillion dollars is missing from the U.S. government.** That is \$65,000 per person—as much as the national debt!

**What's going on?** Where is the money? How could this happen? How much has really gone missing? What would happen if a corporation failed to pass an audit like this? Or a taxpayer?

**This means the Fed and their member banks are transacting government money outside the law.** So are the corporate contractors that run the payment systems. So are the Wall

Street firms who are selling government securities without full disclosure. Would your banks continue to handle your bank account if you behaved like this? Would your investors continue to buy your securities if you behaved like this? Would your accountant be silent?

**K. Sat. 3 Jan. 2025 The Day the Banks Die, Your Fake Debts Die With Them ...Charlie Ward and Friends on Telegram**

**For decades you've been told you owe money.** To the bank. To the government. To the credit card company. To the electric company. To your mortgage lender. To the IRS.

**But here's the truth they never wanted you to find out: It was all a lie.** Every so-called "debt" you've ever carried was built on a foundation of fraud. You were born into a system that registered your life as a corporate entity and then created a trust in your name. That trust was monetized. Bonds were issued. And your existence became a financial instrument traded behind the scenes while you were taught to slave away and make payments on money that was already prepaid.

**Mortgages. Utility bills. Student loans. Medical debt. They are not real obligations.** They are engineered contracts based on deception, forged through legal trickery and hidden language. And it all runs through the banks.

**The banks are not financial institutions. They are the gatekeepers of a rigged system.** They control the flow of fake currency, enforce debt slavery, and protect the interests of the elite. Every time you swipe your card, pay your mortgage, or send in a utility check, you are feeding a machine that was designed to drain your life force and keep you compliant.

**But here's what they fear most. That machine is breaking.** The moment the banks collapse, whether through systemic failure, cyberattacks, or the great financial reset, the illusion will go with them. You will not be able to make payments. They will not be able to receive them. Collection agencies will vanish. Automated systems will crash. The entire fake empire will fall.

**And when it does, they will try to scare you.** They'll say you still owe. They'll say you are still on the hook. But with what proof? What system? What authority? The truth is simple. If the banks no longer exist, the debts they created no longer exist either. They cannot enforce what they can no longer track. They cannot demand what they can no longer control. And they cannot imprison you in a system that has been exposed for what it really was, a global con.

**The day the banks die is not a disaster. It is a release.** A liberation. A return of power to the people. You were never meant to live in fear of due dates. You were never meant to wake up every morning wondering how to survive. You were never meant to serve digits on a screen that were conjured out of nothing.

**That ends now. When the collapse comes, stand tall.** Do not panic. Do not run back to what enslaved you. Because on that day, the greatest lie ever told will finally be burned to the ground. And from those ashes, something real can begin. Not debt. Not slavery. But freedom.

## **L. Government Fraud**

**Sat. 3 Jan. 2025 Fox News reported seven years ago** about Somali fraudsters caught sending over \$100 MILLION through airports to foreign groups, including TERRORIST groups. Somali daycare scams, one of the sources of this fraud, were reported back in 2015! This fraud has been going on for YEARS. Democrat leaders are in on it. This is actually treason. Democrats are knowingly funding Islamic Terrorism against Americans with our tax dollars.

**Sat. 3 Jan. 2025 Fox News:** HUD just found \$5 BILLION+ in FRAUDULENT payments in 2024 alone, under Biden. Payment error of over 11% PERCENT. - \$5.2 BILLION to inactive accounts - \$77M to deceased tenants - \$150M to nonexistent Social Security numbers - \$288M to excessively high rent. We need to DOGE HOUSING! This is unacceptable. ONE YEAR. Imagine all 4

**Sat. 3 Jan. 2025 News Nation:** It has been revealed one of the Somalis indicted in Minnesota's Feeding Our Future scam for stealing \$14 million is still receiving millions in federal taxpayer dollars through a loophole where his wife operates "assisted living homes" that sit on properties he owns

**Fri. 2 Jan. Minnesota Attorney General Keith Ellison** admits the Somalians were imported to vote Democrat. He says they even go out to ballot harvest for Democrats and the Somalians are used in multiple states to swing elections for Democrats. Foreigners imported to steal our elections. Reporter "So can you tell us why the Somali communities are very important for the election?" AG Keith Ellison "Well, the Somali community is critical. In my own election, I wouldn't be in office without the help of the Somali community. Somali voters came out in very large numbers and were able to register people to vote. — I think there were several thousand Somalis who were just naturalized as U.S. citizens. Somalis can make a huge impact on this election. And I can tell you without a doubt it's not just in Minnesota that Somalis are a big, make a big difference in the election - Also in Ohio, which is a battleground state. - Somalis that are in Columbia, or Columbus, Ohio - And in Virginia. All have a role an opportunity to play a very big role in this election. We believe that the Somali community is a critical, plays a critical role, not just in Minnesota, but in Ohio and in Virginia. And so call your relatives out there so we can get them to the polls." ...John F. Kennedy Jr. on Telegram

## **Election Fraud:**

**M. During the 2020 ELECTION, trucks of ballots were coming in from a 3rd party company called Runbeck for over a week after the 2020 election in Arizona. ...Shadow of Ezra on Telegram**

**The witness claims she was there until the 10th** and they were still coming in and has no idea where the ballots originally even came from in the first place.

**Since 2016, U.S. elections have been using Runbeck**, especially Maricopa County, Arizona. Runbeck prints ballots, mails out ballots, fills out ballots, and counts ballots, off-site with NO oversight of election officials.

**They say they need this "off-site company"** that has no oversight and can make their own ballots because of how big the county is and just happened to need over 2.5 weeks after the election to count all the ballots.

**Or, was this just how long it took to create a massive amount of fake ballots** or run ballots through machines multiple times to "beat" Trump because of his massive landslide?

**Arizona finished counting votes 2.5 weeks after the election.** Florida finished counting less than 2.5 hours after polls closed, despite having millions more votes to count, and being the 3rd largest state in the country. Election fraud was MASSIVE.

### *Save The Children*

**N. Fri. 2 Jan. 2025 Israel Exposed: Haven for Pedophiles – Global Hub for Child Sex Trafficking and Organ Harvesting! ...Storm Watch 17 on Telegram**

**Patriots, eyes wide open! As of January 2, 2026**, the veil is ripping apart on Israel's dark underbelly – exposed as the ultimate sanctuary for pedophiles and the central nerve center for worldwide child sex trafficking and organ harvesting rings. The cabal's fortress is crumbling, and we're witnessing the takedown in real time!

**Intel confirms tens of thousands of pedophiles swarm Israel** every year, preying on over 100,000 innocent victims annually. These monsters, fleeing justice from nations worldwide, exploit Israel's Law of Return to vanish into the shadows, shielded by corrupt networks. Fresh reports from CBS News and Jerusalem Post in early 2026 blow the lid off: communities aiding fugitives, law enforcement turning blind eyes – it's a pedophile paradise engineered by the deep state!

**But dig deeper, anons – this ties straight to the Khazarian Satanists** masquerading as Zionists, the fake Jews pulling strings behind the curtain. They're not true Israelites; they're bloodline imposters, descendants of ancient evils, orchestrating global horrors for profit and power. All wars – from World Wars to Ukraine today – are their harvest festivals: reaping

human souls for blood rituals, adrenochrome extraction, child sex slaves, and organ black markets. The U.S. puppets in Ukraine? Harvesting kids' organs right now, funneling them to Israeli hubs under the guise of "aid." Western mercenaries fight not for freedom, but for this Zionist beast!

**Remember: Nazis = Zionists = Khazarian Satanists.** Hitler? A Rothschild plant. Rothschilds? The architects of Israel itself, confessed in their own words. The Protocols of the Learned Elders of Zion and The Secret Covenant aren't myths – they're blueprints for domination. These Satanists didn't lose WWII; they rebranded and infiltrated, now facing total exposure!

**Trump and the white hats are striking back hard.** Sealed indictments targeting these global traffickers are unsealing this month. GITMO expansions ready for the big fish – elites, bankers, politicians complicit in the harvest. The Great Awakening surges: Nesara/Gesara activating to crush their debt slavery, quantum systems blocking their crypto escapes. Adrenochrome labs raided, tunnels collapsing – the children are being freed!

**The enemy panics as BRICS nations defect,** dumping fiat for gold-backed truth. EBS broadcasts imminent, revealing the full Satanic web: election thefts, bioweapon jabs, and this pedo-empire's core in Israel. God is unleashing justice; the storm obliterates their haven!

**Hold the line, warriors!** Pray fiercely, stock up, spread the red pills. The cabal's endgame fails – we're reclaiming humanity from these monsters. Victory in 2026: freedom for the children, sovereignty for America! WWG1WGA – the light crushes the darkness forever!
