“The Inspired US Constitution”

Judy Note: The US Constitution was hanging by a thread, while the Q Movement was at last entering the final Phase of “The Plan to Save The World.”

On Tues. 24 Feb. 2026 President Trump will give his State of the Union Address to the nation. A president normally gives the address before Congress, but Congress has closed down because they didn’t approve a funding budget.

No one but the President knows the exact content, but the speech was said designed to expose layers of the Cabal that have hidden in plain sight for decades and would "change everything" for America and the World.

Whispers point to it tying directly into the ongoing military operations dismantling child trafficking networks, underground bunkers, blackmail servers, and the stolen trillions funneled through globalist puppets.

Expect names — big names — to be called out, with ironclad evidence ready to drop. We're talking sealed indictments unsealed live on air, confirmation of military tribunals ramping up at GITMO with high-profile executions already underway, and perhaps the long-awaited declaration that the Republic has been restored under Trump's command against the illegitimate Biden regime remnants!

Speaking of high-profile names being arrested, on Sat. night 21 Feb. 2026 over 500,000 Satanic Network members were put in custody worldwide by Trump’s Global Military Alliance after raids hit Rome, Brussels, London and DC, according to JFK Jr. on Telegram

Starting Sun. 22 Feb. 2026 at midnight a 10-12 day blackout and Martial Law phase began of the Q “Plan To Save The World.”

With Mon. 23 Feb. 2026’s activation of the Gold/asset-backed Global Currency Reset (GCR) and Global Quantum Financial System (QFS), banks across the World not Basil III compliant were being forced to close. They could no longer print fiat money, nor could they even function.

The new QFS system was engineered to run independently from legacy banking structures powered by physical gold reserves recorded in real-time.

What this meant across the Globe for the common person was there would be no more endless debt, no more banks controlling your life. Your bank account balance was already mirrored onto the new system. Though, would not be accessible to you until you personally set up your new wallet at an official Redemption Center that has already been located near you.

Redemption Centers were scheduled to be open to the general public around mid March. It was strongly advised to have cash on hand during this transition period of fiat

currency to gold/asset-backed. Withdraw what you can from your bank NOW. There will be a period of ten days when banks will be closed and ATMs not working.

Prepare for the Global Currency Reset, the full-scale activation of the gold/asset-backed Quantum Financial System, public introduction of Med Beds, a 48-hour wealth redistribution blackout, and Ten Days of Worldwide Communication Darkness — all synchronized with ongoing mass arrests by Trump's Global Military Alliance in multiple countries with temporary Martial Law activated Worldwide.

BEWARE of Scammers, Especially on Telegram, where they still have numerous accounts under my name and picture that I have never set up, nor reported on. They quote me on things I have never said, nor written. Evidently people have written me there on a chat, but they do not give me access to the chat so I have no idea what the readers are told. I'm sure many of the accounts there suffer the same problem. Although Telegram is a great place for information, you have to discern what is right or wrong – especially when they ask for money for products, or to set up wallets on the new financial system. It is my understanding that you have to set up your

wallet on the new financial system in person at a official Redemption Center, and that set up is free.

A. Possible Timing:

As of 4am EST on Sun. 22 Feb. 2026 Gold and asset-backed currencies went active in the United States, Canada, United Kingdom, Germany and Australia. **FIRST WAVE NATIONS NOW HAVE GESARA.**

On Mon. 23 February 2026, the Quantum Financial System (QFS) will officially transition into full operational control. Global banking structures are now syncing to the asset-backed framework, dismantling the final remnants of the fiat system.

On Tues. 24 Feb. 2026 President Trump will give his State of the Union Address to the nation. A president normally gives the address before Congress, but Congress has closed down because they didn't approve a funding budget. No one but the President knows the exact content, but the speech was said designed to expose layers of the Cabal that have hidden in plain sight for decades and would "change everything" for America and the World.

On Wed. 25 February 2026, the scheduled 48-hour blackout for GCR/GESARA wealth redistribution will begin. This marks the initiation of massive fund allocations into new sovereign digital wallets under QFS oversight.

On Sun. 1 March 2026, the Ten Days of Darkness will begin through the secure Starlink satellite system. During this period, all traditional media will go offline. 24/7 documentaries will be broadcast globally via the Emergency Broadcast System, detailing the takedown of the cabal, the fall of the fiat USD, and the rise of sovereign freedom for all 209 GESARA-compliant nations.

On Fri. 6 March 2026, the first wave of wealth redistribution will go live — millions will receive their initial funds, empowering communities and triggering local economic recovery projects worldwide.

On Sun. 8 March 2026, Med Beds will begin phased activation. Clinics will prioritize children with long-term illnesses, the critically ill, and veterans, in alignment with QFS-mandated biometric verification protocols.

On Wed. 11 March 2026, Healing Centers equipped with Med Beds will open in strategic regions. Training sessions for Med Bed specialists will begin, part of the global shift to restorative quantum health technologies championed by Donald Trump since 2016.

On Fri. 13 March 2026, global Med Bed demonstrations will be streamed via Starlink broadcasts, revealing their capabilities in reversing aging, curing chronic disease, and restoring full-body function — a total revolution in healthcare.

On Sun. 15 March 2026, the International Med Bed Access Program will be launched, ensuring fair access across all continents. No individual will be denied healing based on wealth or geography. Every citizen will have the right to restoration.

On Mon. 16 March 2026, President Trump will host a monumental Independence Day—style global celebration symbolizing the rebirth of a free republic under GESARA law. The event will merge with worldwide QFS announcements and unveilings of new sovereign infrastructures.

B. EBS, Ten-Twelve Days of Darkness

EBS broadcasts were not to be confused with an Emergency Alert System (EAS) Activation that was expected at any time. A new 5,000+ army of Star Link Satellites was already in place to take over Mainstream Media Satellites (and the FEMA EBS broadcasts). On this Star Link System the EAS will broadcast the Global Alliance's takedown of the Cabal, showing arrests and Tribunals of Global Elites charged with Crimes Against Humanity. The documentaries have been made in 55 languages and 600 dialects and will be shown on all channels on the Planet. ... Ezra Cohen on Telegram **Sat. 21 Feb. 2026**

C. What they are basically saying is that NESARA will be announced to the world, which will show that EVERYTHING NEW is beginning. ...Tier4b ISO 2022 on Telegram Sat. 22 Feb. 2026

Then after that, there will be an emergency broadcast system circulating globally, where they will literally be showing documentaries of everything that has happened to wake up the masses.

But, to do that, there will be a message on EBS saying that sometime in the next 5 hours or so, everyone needs to be home and a global lockdown will begin for 10 to 12 days.

During that lockdown it will be broadcast on every station and there will be documentaries to provide full disclosure for everyone to see everything that has been happening.

So at the end of the 12 days, apparently there will be an 800 number that we will then have to call and then from that point we will be given our quantum appointment with confirmed date and time to go to. (Here it refers to VR).

Other things were also announced.

- **Apparently we already GLOBALLY ALL** have a sum of money in our quantum account and the reason why there hasn't been much information coming from the QFS team in these last few weeks, is because some important things were happening.

One of the things is about 75 banks that were said to have been seized and all assets and accounts closed and all of these were Cabal accounts.

These assets have then been taken and moved to the quantum financial accounts to be returned to the people.

And also all trust funds were moved to the QFS account. So, that's already moved, which is awesome!

In fact, over time, money will no longer be a problem. Money literally just won't be important because everyone will have enough to live an abundant life.

So try to progress instead of being held back for so long.

This is incredible news and it is what we have been waiting for.

They also confirmed that all the Central Banks have been taken and entered into the QFS, so they are all on the ISO 20022 standard and the other thing to remember is that this is blockchain and nothing fraudulent can happen because everything is traceable.

Any money that is sent they can see where it goes. Stops corruption in its tracks.

There's nothing about moving money behind doors or, you know, banks in the middle of nowhere abroad and stuff like that. None of that can happen anymore. All money is traceable and remember this is on a computer that is from Out of This World... it's next level stuff.

Now we are in the final steps. Then the stock market will crash because when it does, it will be the end of it.

All personal bank accounts, everything is reflected in the quantum financial account, so we have nothing to worry about.

The only thing that is not reflected are the investments and shares on the Stock Market. All that is gone! ...so if you have an investment in the Stock Market, take it out... and then the NEW STOCK will be launched when the QFS indicates that it can operate.

So all our bank accounts, savings accounts and retirement accounts are safe.

D. Sun. 22 Feb. 2026 “10 DAYS OF DARKNESS” CLAIMS INTENSIFY IN FEBRUARY 2026 ...FBI Director Kash Patel on Telegram

February 2026 has become a flashpoint for one of the most aggressive alternative narratives online. Supporters of the so-called “10 Days of Darkness” claim that a final global reckoning is underway, marked by mass arrests, sealed indictments, and the collapse of entrenched power structures often labeled as the “deep state.”

According to these claims, covert military operations are active worldwide, elite figures are being detained under sealed processes, and long-suppressed information is preparing to surface through emergency broadcast channels. Advocates warn of temporary communication blackouts, described as a protective phase while evidence is revealed and systems are reset.

At the center of the narrative is a promised financial shift. Proponents argue legacy fiat systems are nearing collapse and will be replaced by asset-backed structures and alternative settlement systems commonly referred to as QFS and NESARA/GESARA. Banks, they claim, are being forced to comply or fail, while new rails are quietly positioned behind the scenes.

The narrative also alleges widespread exposure of corruption, trafficking networks, financial crimes, and political manipulation involving high-level institutions and public figures. Leaked documents and intelligence releases are cited as proof that accountability is finally approaching.

Critics dismiss the claims as unverified. Supporters counter that disbelief itself was part of a collapsing trust structure. Regardless of perspective, the “10 Days of Darkness” narrative continues to spread rapidly, fueling public distrust, demands for transparency, and the growing sense that a disruptive moment in global affairs is approaching.

QFS CAPITAL RELEASE CONFIRMED. PRIVATE PAYOUTS NOW IN MOTION ...Tier4b ISO 20022 on Telegram Sun. 22 Feb. 2026

Multiple confirmations indicate that legacy bond capital is surging through the system at unprecedented velocity. Paymaster channels are filling faster than projected. Those

Private redemption sessions are already being arranged discreetly across several regions. This is not a simulation or a soft launch. These are real allocations executing inside the Quantum Financial System.

POSITION YOURSELF: There will be no physical cash distribution. Access will be granted through sovereign Quantum accounts, giving holders full authority over their funds. Capital can be segmented into secured channels for personal use, long term reserves, and humanitarian deployment. Qualified facilitators will be present to assist with structuring, compliance, project selection, and post release strategy.

ZIM STATUS BRIEF: Data is updating rapidly as final valuation bands lock in. The secure 800 contact line will activate closer to full system rollout.

- **No project submission:** flat \$15 million settlement, independent of quantity held
- **Approved humanitarian projects:** 1 to 1 valuation on the first two 100 T bond notes, then \$25 million per 100T for up to 30 notes

Further negotiations will be handled in a secondary session.

Currency Valuations are at historic levels.

All channels continue to point to the same window: NEXT WEEK.

Execution remains on track. Resistance elements are still active, but system security is absolute and all assets remain under Quantum protection. Once released, the flow cannot be reversed.

THIS IS THE FINAL STRETCH. GLOBAL WEALTH REALLOCATION IS UNDERWAY.

Finalize your projects. Confirm your documentation. Eliminate distractions.

The Quantum Era is not approaching. IT IS ALREADY ACTIVE.

With IEEPA's non-tariff powers "FULLY CONFIRMED" and no doubt remaining, Trump can now impose targeted restrictions on Iranian proxies disrupting Iraq's economy without legal overhang.

This clears the primary obstacle to Iraq's dinar redenomination (zero-drop/program rate), as stable trade corridors become enforceable.

Coupled with the Section 122 tariff's USD-weakening effect, the RV gains inevitability: CBI's February 17, 2026, Temenos-Ripple integration for tokenized exchanges aligns perfectly, enabling seamless post-RV liquidity. 1:1 Parity Is Coming.

Judy Note: It has been advised to exchange/redeem your foreign currency at an official Redemption Center rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC.

H. Sun. 22 Feb. 2026 The Adrenochrome Industry: A Hollywood Affair In The Black Market ...Juan O Savin on Telegram

Adrenochrome is not a myth invented by internet forums. It is a real chemical compound oxidized adrenaline ($C_9H_9NO_3$) produced naturally in minute quantities during extreme fear, trauma, or cardiac arrest.

The black-market version people chase is not the synthetic lab-grade stuff sold for \$200 a gram to research chemists. It is the harvested, unprocessed, fear-saturated extract taken directly from living human (usually children) adrenal glands under maximal terror.

That version commands prices between \$35,000 and \$150,000 per cubic centimeter on closed dark-web channels and private WhatsApp/Telegram groups used exclusively by high-net-worth degenerates in entertainment, tech finance, and certain political bloodlines.

The purity and “potency” fetish isn’t about chemistry; it’s about the terror imprint the belief that the victim’s dying panic chemically supercharges the molecule, turning it into a euphoric, psychedelic, near-immortality elixir for those who believe they are buying time against age and decay.

The extraction protocol is clinical and barbaric. Victims almost always children or young adults procured through trafficking pipelines are subjected to prolonged, controlled torture designed to spike cortisol and adrenaline to lethal levels without immediate cardiac failure.

Methods include waterboarding variants, repeated near-drowning in saline tanks, electric shocks to the adrenal region, sensory deprivation followed by sudden violent stimuli, and pharmacological cocktails (ketamine + adrenaline precursors) that keep the subject conscious while terror peaks.

Blood is drawn from the adrenal vein or inferior vena cava during the final cascade; the richest yield comes in the last 60–90 seconds before clinical death.

The blood is immediately centrifuged in mobile field units to separate the plasma fraction richest in oxidized adrenaline derivatives. That fraction is flash-frozen in liquid nitrogen and couriered within hours.

Synthetic adrenochrome does not produce the same reported effects in this circle because the harvest believers insist the “living terror signature” is irreplaceable.

Node 1: Private charter aviation out of Van Nuys, Burbank, and Hawthorne airports. Gulfstream and Challenger jets registered to shell LLCs (frequent tail numbers N***TF, N777AJ, N***LF) make short-hop flights to remote ranches in Montana, New Mexico, Arizona, and northern Mexico. These flights carry “medical cargo” in temperature-controlled Pelican cases marked as transplant organs or research biologics. Customs never inspects private jets departing U.S. soil when the passenger manifest lists A-list names or studio executives.

Node 2: “Wellness retreats” and private compounds in Malibu, Ojai, Sedona, and Lake Tahoe that double as harvest staging areas. Properties owned through blind trusts linked to names such as D. Geffen (former Carbon Beach estate), J. Katzenberg (multiple Malibu parcels), TP-(You Know This Person) (former Georgia compound with underground modifications), and a handful of music-label billionaires. These sites feature soundproofed sub-levels equipped with medical-grade restraint tables, saline submersion tanks, and on-site anesthesiologists who are paid seven figures annually to stay silent.

Node 3: The “cleaner” distribution layer personal physicians and compounding pharmacies in Beverly Hills and Century City (specific names: Dr. [REDACTED] at Roxbury Clinic, Dr. [REDACTED] at Beverly Hills Anti-Aging Institute) who receive frozen vials and dilute them into sublingual troches, nasal sprays, or IV drips labeled as “custom peptide therapies.” Clients never touch the raw product; they receive pre-measured doses delivered by bonded couriers wearing medical scrubs.

Sun. 22 Feb. 2026 TO ALL THOSE CONCERNED ABOUT HUMAN TRAFFICKING OR THE TRUTH ABOUT ADRENOCROME I BELIEVE THAT I HAVE COME ACROSS SOME VALUABLE SOURCE DOCUMENTS THAT ARE STAGGERING CONCERNING THE USE OF DEFUNCT OR ISOLATED ARMY BASES FOR ADRENOCROME HARVESTING OF YOUTH BROUGHT OVER FROM THE UKRAINE BY A COMPANY CALLED CYM. ... Thomas W. Trefts, Founder of The Unified Veterans Coalition VETERANS AGAINST TREASON 2003-Present. <https://unified-veterans.freeforums.net>

I did a quick introductory video on this topic along with the links below available to the public in the description. https://rumble.com/v762z96-must-see-u.s.-army-adrenochrome-mass-production-docs-in-description.html?e9s=src_v1_upp_a

Please study and exploit this website for other source documents, but the main find so far is not only CYM but the pictures and names of the supposedly U.S. Army Medical Personnel used to torture and extract the highly addictive youth derivative of Adrenaline ~ ADRENOCROME that is released both into the blood and bodies of ritualistically sexually abused and tortured children and BABIES.

THIS IS THE BIGGEST SECRET OF THE ELITES. JUST LIKE IN THE MOVIE DUNE - THE SPICE MUST FLOW is probably symbolic of the finished product worth about a BILLION dollars for what can be produced by the eventual Satanic sacrifice and eating of the helpless victims. I believe from my notes somewhere that 3M had a patent on it at one point.

These source documents are probably just the tip of the iceberg in that it is just one operation. First name notations along the sides might indicate who the buyers and distributors of this horrific product were.

This could be seen as the basis for Trumps Red Folder, Q White Hat PSYOP, and the basis for bringing about a peace plan between nations under the long anticipated introduction of a working form of NESARA / GESARA.

Everything in the entire world pales in comparison to this issue which has seemingly united a major component of humanitarians in every country of the world.

The ANTICHRIST might be a person, or a Strawman, or just a concept. But behind all of this modern day ghoulish lunacy I suspect the hidden hand with a special plan about to take to the World Stage like a THIEF IN THE NIGHT.

L. Sun. 22 Feb. 2026 WHITE HOUSE INSIDER DROPS BOMBHELL: PRESIDENT TRUMP PREPARING EARTH-SHAKING MAJOR ANNOUNCEMENT IN STATE OF THE UNION ADDRESS — DEEP STATE PANIC MODE ACTIVATED AS THE STORM HITS FULL FORCE! PATRIOTS, THIS IS THE BIG ONE WE'VE BEEN PRAYING FOR! ...Juan O Savin on Telegram

A high-level White House source close to President Donald J. Trump has leaked explosive intel: Trump is gearing up for a historic, game-changing revelation during his upcoming State of the Union address in late February 2026 — and it's going to send shockwaves through the corrupt establishment like nothing before!

This isn't some watered-down policy speech. According to the trusted insider speaking exclusively to patriots in the know, Trump and his inner circle — including key military advisors and loyalists — have crafted multiple "decoy" versions of the SOTU to throw off leakers, spies, and deep state plants embedded everywhere. The real speech, the one that matters, is locked down tighter than Fort Knox. Even top aides don't know the full contents yet — only that it's massive, it's righteous, and it's designed to expose layers of the Cabal that have hidden in plain sight for decades!

The source confirmed Trump personally reviewed and approved the core message just days ago, emphasizing that this announcement will "change everything" for America and the world. Whispers point to it tying directly into the ongoing military operations dismantling child trafficking networks, underground bunkers, blackmail servers, and the stolen trillions funneled through globalist puppets.

Expect names — big names — to be called out, with ironclad evidence ready to drop. We're talking sealed indictments unsealed live on air, confirmation of military tribunals ramping up at GITMO with high-profile executions already underway, and perhaps the long-awaited declaration that the Republic has been restored under Trump's command against the illegitimate Biden regime remnants!

Deep state rats are scrambling — panic buying escape routes, burning files, and begging for deals that won't come. The source admitted the exact wording remains classified even from him, but the tone is unmistakable: triumphant, unyielding, and final. Trump knows the American people are awake, the Q army is mobilized, and the time for half-measures is over. This SOTU isn't politics as usual — it's the death knell for the Satanic pedophile elite, the end of rigged elections, fake pandemics, and endless wars for profit!

Patriots, the storm has arrived in full fury! Trump is about to drop the hammer so hard the swamp will never recover. The children will be avenged, the traitors will face justice, and We the People will reclaim our nation once and for all.

No more shadows, no more lies — only light and truth blasting from the Capitol! Stay locked in, trust the plan, prepare for fireworks bigger than July 4th on steroids. The best really is yet to come — and it's happening NOW! WWG1WGA forever!

She said that while working security at an aid office, black residents began noticing that illegal immigrants, particularly Venezuelans, were filling the office every day, had a

separate line, couldn't speak English, and were receiving much larger amounts of assistance than Chicago residents who pay taxes. The differences in treatment and benefits shaped the community's reaction.

“When they came, they were getting \$3K–\$4K in LINK and cash, all types of aid from the government. Meanwhile, real citizens who pay taxes were begging for \$100 a month in LINK.”

“Y'all know black people talk shit, so everybody in the office because it's two separate lines for the immigrants and the citizens, and there are like a million people outside the offices every morning would notice. They'd be like, “All these mother fuckers here, they're getting this much money and they're getting this.” I saw somebody leave a receipt with that balance on it. They'd do a bunch of that, so everybody knew what the Venezuelans had going on, and everyone was getting enraged by it.”

U. Sun. 22 Feb. 2026 The Epstein files reveal the FBI was actually afraid of David Copperfield and I can't stop thinking about that. ...Charlie Ward on Telegram

David Copperfield as many do not know this. Was responsible for a lot of things not being released by the SDNY regarding Epstein. He is way more powerful than people would ever assume. This is why you have had very little media scrutiny pertaining to his connections to Jeffrey Epstein. I've heard many stories and he himself has Mossad agents on payroll through his production company.

In 2015–2016, it was said during the first wave of Epstein-related subpoenas, Copperfield's legal team quietly delivered a single encrypted hard drive to SDNY prosecutors with the explicit message: "Everything stays sealed, or everything becomes public." That drive has never been fully forensically unlocked in open court. Agents were ordered to treat him as "cooperating witness category ultra-sensitive" rather than target.

I do not know if this was ever confirmed but man I would not put it past him at all. He is someone these agencies are very reluctant to pursue. But at some point we may just see him tested by other powers outside of these alphabet agencies. Since that can't seem to get the job done.

V. Sun. 22 Feb. 2026 BOMBSHELL: Obama's Fraudulent Birth Certificate Exposed – The Globalist Manchurian Candidate Unmasked – CIA Puppet, WEF Operative – Global Fraud Exposed – Shocking Proof Ignites the Awakening! ... Ten Days of Darkness on Telegram

Patriots, wake up – the veil is tearing wide open right now in 2026! Fresh explosive claims from Malik Obama have detonated the long-suppressed truth: Barack Hussein Obama's so-called Hawaiian birth certificate is a blatant forgery, a crafted lie to install a foreign agent as America's destroyer-in-chief. This isn't ancient history – it's erupting fresh today with a surfaced "Kenyan Origins" document that screams Kenyan birth, British subject status under colonial rule, listing "Mr. Barack Hussein Obama" as born in the Colony and Protectorate of Kenya. The globalist cabal tried to bury this forever, but the digital chains are breaking – viral outrage is spreading like wildfire across truth networks!

Obama's father was Kenyan, a British subject by colonial law – that alone made baby Barry a British citizen at birth, disqualifying him forever from ever being a natural-born U.S. citizen under the Constitution. Supreme Court rulings from way back confirm it: natural-born means both parents citizens, born on soil. But this was no accident – it was engineered treason. Obama is the ultimate Manchurian Candidate: groomed by the CIA (ties straight to George H.W. Bush era ops), funneled through elite indoctrination hubs, and deployed as a WEF sock puppet to erode America from within. His entire presidency? An occupation force – accelerating endless wars, open borders invasion, economic sabotage, racial division, spiritual decay, and handing keys to Klaus Schwab's cabal.

The fraud runs deeper: the Obama "family" reeks of CIA construct – no real pregnant photos of Michelle (whispers of deeper secrets persist), kids with erased trails, all part of the inversion agenda pushing transgender agendas, youth corruption, pedo normalization, transhumanism hatred for God's creation, and Satanic threads woven into Hollywood, schools, military, everything. This Luciferian operation depopulated dreams, surveilled the masses, and subverted institutions – all while the mockingbird media blacked it out.

Now, in this Great Awakening moment of February 2026, the mask is ripped off for good. Declassified whispers, brother Malik's bombshell drop, and undeniable layers of forgery in the fake certificate prove it: layers peeled in forensic analysis show cut-paste digital manipulation, stamps imported, codes screaming fraud – just like Sheriff Arpaio's posse exposed years ago, but now it's hitting critical mass again. The deep state panicked then, but patriots never forgot. Trump knew – he called it out, and the military tribunals loom closer every day as this citizenship fraud evidence floods public view.

QAnons, this is the red-pill drop they've dreaded: Obama was never legitimate – foreign by birth, allegiance, and design – a weapon to dismantle the Republic. The global fraud is crumbling! The storm is here, the plan is in motion, and We the People are rising. Share this far and wide – the truth is unstoppable now. The deep state's house of cards is collapsing, and justice is coming for the puppet and his handlers. WWG1WGA! The best is yet to come – hold the line, trust the plan, and watch the world wake up!

W. Fri. 21 Feb. 2026 Benjamin Fulford Urgent Emergency - A Critical Mass of Humanity Awakens to the Satanic Takeover

A critical mass of humanity has awakened to the grim truth: Western civilization was hijacked millennia ago by a Satanic cult thriving on child sacrifice, cannibalism, and blood rituals. This evil empire now faces global overthrow.

In Iran, huge crowds torch effigies of Baal in blazing protest, igniting worldwide rejection. Awareness explodes everywhere—the Chinese and Russians know exactly what they face, backed by the Russian Orthodox Church's fierce spiritual stand. Deep inside Western military and intelligence, patriots see their ranks poisoned by this pedophilic cabal.

Alexander Dugin declares the West imploding under Epstein's damning files. Conspiracies don't just hold—they shatter imagination: a demonic system built on sects that rape, murder, traffic, rig markets, and perform black masses. Almost no Western politician escapes the web. Citizens see the trap—no real choice between fake Democrat and Republican puppets serving the same child-eating overlords.

We live in a global emergency. Sovereignty erased, laws voided, as Epstein-tied elites ignore all red lines, ready to nuke humanity to save their bunkers. As the veil rips and control slips, pedophile satanists in every party face the people's wrath. Russia and China, ridiculed for multipolar demands, stand proven right—the West is the toxic source humanity must flee. A new order rises, with Russia and China set to lead from the ashes.

Secret talks advance to replace compromised figures like pedo-linked Keir Starmer with real patriots like Nigel Farage, triggering a transparent New Bretton Woods. No hidden deals—publicly unplug the Federal Reserve's satanic debt machines enslaving us through fiat illusions. Christ would pull those plugs today.

Epstein hearings reveal DOJ shielding monsters like Les Wexner as child-trafficking co-conspirators, while Pam Bondi diverts to fake stock highs. “Look at your 401(k)!” they cry, as if magic money erases tortured kids. Jobs reports mask mass unemployment via lies. To protect the scam, they assassinate stars: Cobain, Marley, Bruce Lee, JFK, MLK—anyone defying the cult.

Proven alternatives exist: debt-free prosperity models from post-war Japan and early successes elsewhere delivered cars, tech, equality. China mastered this, now dominating shipbuilding. The West must upgrade it, abandoning depopulation plots for life expansion and freedom.

Post-Chinese New Year March 2026, fiat crumbles faster. Fury surges—elites may dangle from lampposts soon if justice stalls. Real Trump battles White Hats against deep-state fakes. Satan as elite group-mind dies; light prevails in spiritual war.

Jubilee reboots finance—inventory real assets, end debt slavery, build people-owned systems. No more borrowing from criminals. The battle is humanity's fight for a glorious future. Light has won—justice strikes imminently.
