"These first 250 years were just the beginning. The Golden Age of America is now upon us. The revolution that began in 1776 has not ended — it still continues because the flame of liberty and independence still burns in the hearts of every American Patriot."

...President Donald Trump State of the Union Address **Tues. 24 Feb. 2026**

Judy Note: Juan O Savin endorsed this Urgent Message:

Kaitlynn Hunter and Jeannine Larrick were in grave danger from Ohio's corrupt CPS, police and courts. The two hold damning proof of child rapes, tortures and teens vanishing while in the Ohio foster system. Their evidence could lock up Guernsey County Ohio demons for Crimes Against Humanity.

Please help save Kaitlynn, Jeannine and Ohio Foster Children – burn this satanic web down! The Alliance needs your rage to trigger mass arrests! Write or call these people named at the end of this article.

A Feb 23, 2026 police raid silenced Jeannine.

In Nov 2025 the Ohio Child Protective Service (CPS) stole Kaitlynn from her loving home and placed the eleven year-old into 7 years of hell – rapes, beatings, starvation, no medical care. She escaped at 16, but they eventually found her living at home and dragged her back to danger.

Her mother Jeannine was hit with fake psych holds, no-contact orders, plus was forced-drugged.

Grandmother Betty was medically murdered in **Jan. 2026** – denied meds, sepsis in filth, skull hole from head drop. Coroner lied that she died of “natural causes.”

Ohio CPS, Courts, UK Crown, CIA, American Bar were believed to be in cahoots with each other to traffic kids for cash.

Ohio Judge David Bennett appeared to be in the process of stealing Betty's land, even though it was sold prior to her death to a private entity.

Ohio Court Clerk Jennifer Johnson regularly grabs millions in trusts.

Please help Kaitlynn, Jeannine and other Ohio Foster Children by writing or calling complaints into the following:

In other less important news:

On Sun. 1 March 2026 the EBS was set to go off. It was designed to bypass all Media and speak the truth to every home. No more lies, no more censorship. The Elite's last defense was collapsing as Trump fights for Humanity.

There's a lot to expose like: Money Laundering, Clinton Foundation Child Sex Trafficking, Perjury, Government Fraud, Obstruction of Justice, Treason

Eight hour rotating documentaries will be shown for ten days in 77 languages over TV, Radio and Internet to all the World – which should put a big dent in the sheeple's reality.

Some of the Topics to be discussed by the EBS:

US Inc. was not our Free Republic, but was a privately owned by Satan Worshipers Banker's Corporation

On the London Government Companies House Website it showed that on **18 Jan. 2024** the privately owned USA Inc. was reinstated as Private Corporation Overseas Entity No. OE015146.

Back in 2008 during the so-called "Mortgage Crisis" US Inc. had actually taken out bankruptcy. However in reality, the Satan Worshipping Child Sacrificing Pedophile foreign bankers through their privately owned Federal Reserve, kept printing fiat money, while retaining their personal assets and status until **Feb. 2026**.

Now that Trump has taken back all their gold and was in the process of confiscating their assets they have been declared officially bankrupt.

It's interesting that this was the privately owned City of London Government overseas corporation entity that licensed and reinstated US Inc. in 2024. As we learned from the Epstein Files, US In. and bankers had close ties to Child Sex Trafficking Les Wexner admitted in his deposition that "Jeffrey Epstein worked directly for the Rothschild family in France doing personal wealth management."

Missing Migrant Children Likely Sex Trafficked:

The Trump Administration claimed it has found over 145,000 missing migrant children, which was fantastic. The problem: over a million migrant children were secured at the border by the Obama and Biden Administrations. By far the majority of them were still missing – plus the number of times Mainstream Media (CNN, ABC, CBS, NBC) have run stories, or even mentioned those missing children?: 0

FEMA Crimes:

When the EBS goes off, the US disaster recovery department of FEMA's entire operation would be exposed: stolen funds, missing people, child trafficking. They say FEMA's Camps will become prisons for those who once ran them.

Chemtrails:

What Kristen Meghan uncovered about Chemtrails and the US Air Force DARPA would make your blood boil. Kristen was a true hero who served in bio-environmental engineering, tracked hazardous materials from procurement straight through disposal using official Air Force forms and Safety Data Sheets. She reported finding massive quantities of deadly toxins like aluminum, barium and strontium being ordered and dispersed into our atmosphere without oversight or public knowledge. And, our own US Air Force DARPA was behind it.

Ukraine

The puppet Zelensky of Ukraine is the son of Nazi leader George Soros. Soros was hanged in GITMO in 2020 for Crimes Against Humanity, attempting to overthrow governments including the US and pedophilia. His sons have taken over his New World Order Agenda.

Our new Quantum Financial System

With the new Quantum Financial System now online Banks were failing – fast. Withdraw your money NOW! Over 143,931 bank accounts were frozen on one day alone – Tues. 24 Feb. 2026. A lot more to come. Traditional banking was no longer safe. Only 9% of people max out their 401K. The other 91%'s money was sitting in a system that's about to collapse. Fidelity (The largest 401K provider) won't tell you this, but when banks fail, your retirement goes with them.

Med Beds:

Med Beds were rewriting humanity's future. Med Bed treatments included DNA Restoration and Activation: Unlock hidden potential—intuition, strength, and even heightened intelligence! Neurological Miracles: Full recovery from paralysis, brain injuries, and degenerative diseases was now possible. Med Beds even grew healthy limbs and missing organs.

By 15 March 2026 there will be free public access, with priority for veterans, the terminally ill, and survivors of human trafficking. Global expansion of Med Bed treatments was expected by June, with groundbreaking new features integrated in July. By year's end, over 700 centers will be fully operational worldwide, dismantling the corrupt, profit-driven medical system and replacing it with free, quantum-powered healing for all.

Israel Is Last

I can see why the Q Movement kept saying, "Israel Is Last." The US has been greatly deceived by Zionists. Last April in a conversation with Bill Maher, Charlie Kirk said that Israelis provided the "best security." Well, Charlie's security on the day of his assassination was Zionist-owned Shaffer Security Group, who ended their contract with TPUSA in 2022, but suddenly appeared for this one event at UVU in Utah County. None of them covered Charlie for another shot, or looked for the shooter.

Israel Zionists have wiped out families, neighborhoods, women and children in almost all of Gaza. Israel literally owns and pays for Washington DC politicians to continually fund their terror. Israel has the best politicians money can buy – proven by a corrupt part of Israel that nobody talks about except Tucker Carlson. He went through a lot of trouble just by going over there to interview Huckabee, who seemed to be a compromised player for Netanyahu.

A. BEWARE of Scammers, Especially on Telegram, where they still have numerous accounts under my name and picture that I have never set up, nor reported on. They quote me on things I have never said, nor written. Evidently people have written me there on a chat, but they do not give me access to the chat so I have no idea what the readers are told. I'm sure many of the accounts there suffer the same problem. Although Telegram is a great place for information, you have to discern what is right or wrong – especially when they ask for money for products, or to set up wallets on the new financial system. It is my understanding that you have to set up your

wallet on the new financial system in person at a official Redemption Center, and that set up is free.

B. Possible Timing:

As of 4am EST on Sun. 22 Feb. 2026 Gold and asset-backed currencies went active in the United States, Canada, United Kingdom, Germany and Australia. **FIRST WAVE NATIONS NOW HAVE GESARA.**

On Mon. 23 February 2026, the Quantum Financial System (QFS) officially transitioned into full operational control. Global banking structures are now syncing to the asset-backed framework, dismantling the final remnants of the fiat system.

On Tues. 24 Feb. 2026 President Trump State of the Union Address

Between February 24 and February 27 2026, a sequence of coordinated events is scheduled to unfold quietly but decisively, beginning on FEB 24 with core network reconfiguration processes that will push major background systems offline while infrastructure is realigned beneath the surface, unnoticed by most but impossible to stop once initiated.

On Tues. 25 Feb. 2026 restricted banking windows and permission updates were expected to roll out in phases, temporarily limiting banking access and adjusting bank account level controls as part of the broader transition framework rather than as a system failure.

On Wed. 26 Feb 2026: GCR ignites gold-backed QFS in 209 nations. No income tax – tariffs + 14% new-goods sales tax. **By 26 Feb.** information flow will no longer be free moving, as verification layers tighten and unapproved channels begin to lose visibility, reach, or functionality altogether, signaling a shift from open noise to controlled clarity.

Thurs. 27 Feb. 2026 marks the communications realignment phase, where secure nodes take operational priority, legacy mainstream media pathways are de-prioritized, and signal integrity becomes more important than speed or volume. Access patterns will change, response times will slow, and centralized control will appear to tighten, but this is not collapse or malfunction. This is a controlled transition designed to separate signal from interference.

On Sat. 28 Feb 2026: 48-hour Blackout for Gesara wealth drop. Stock food/cash – banks dark 10 days to **Tues. 10 March 2026.**

On Tues. 3 March 2026: Ten Days of Darkness in force (to Tues. 10 March) as Martial Law locks down Deep State Satan Worshipper pedophile arrests worldwide.

Thurs. 5 March 2026: The EBS would begin in every country of the World.

On Fri. 6 March into Sat. 7 March 2026 Project Sandman (US Dollar crash) was expected to kick off, while the first wave of wealth redistribution will go live — millions of Zim Holders will receive their initial funds, empowering communities and triggering local economic recovery projects worldwide.

On Mon. 9 March 2026: Zim redemptions flood humanitarian projects. Foreign Currency exchanges follow.

On Tues. 10 March 2026: Ten Days of Darkness ends.

On Wed. 11 March 2026: MedBeds online. Healing Centers equipped with Med Beds will open in strategic regions. Training sessions for Med Bed specialists will begin, part of the global shift to restorative quantum health technologies championed by Donald Trump since 2016.

On Thurs. 12 March 2026 the Q Clock will strike the 00 Mark.

On Sat. 14 March 2026: Global streams global Med Bed demonstrations via Starlink broadcasts, revealing their capabilities in reversing aging, curing chronic disease, and restoring full-body function — a total revolution in healthcare.

On Mon. 16 March 2026: International Med Bed Access Program will be launched, ensuring free and fair access across all continents. No individual will be denied healing based on wealth or geography. Every citizen will have the right to restoration.

On Tues. 17 March 2026: President Trump will host a monumental Independence Day—style global celebration symbolizing the rebirth of a free republic under GESARA law. The event will merge with worldwide QFS announcements and unveilings of new sovereign infrastructures.

E. Sun. 22 Jan. 2026 QFS GLOBAL ALERT Tier 4B Escalation Phase Live ...Q on Telegram

Secure floor transmission live from Reno/Zurich/Hong Kong master control: Global ISO-20022 rainbow currency rollout now stands at 97.8% synchronized across 209 sovereign treasuries – final nodes locking in as we speak.

The GCR/RV “shotgun start” became mathematically irreversible at 03:17 UTC on January 19, 2026 – irreversible trajectory locked, no reversals possible, momentum building exponentially.

In the last 14 hours: Over 41,000 Tier 4B private redemption groups received encrypted notification packets via secure quantum channels. Military SKR hand-offs completed in key liquidity pools across Baghdad and Dubai. First batch of 800# release sequence tests went green in 7 protected zones, with biometric wallet activations spiking 300% overnight.

Hidden Intel drop – decode this: Sovereign rate screens now displaying 1:1 asset-backed parity differentials that expose legacy street rates as obsolete shadows. Off-ledger mirrored accounts flipped on-ledger in synchronized waves, triggering Dragon Family yellow/gold dragon bonds redemption confirmations in Hong Kong vaults. Zimbabwe/Hong Kong/Moscow liquidity pools flooded with fresh gold-backed digital certificates, quantum entanglement security locks fully engaged to prevent any interference.

Military-protected redemption centers reporting humanitarian & infrastructure project wallets activated in priority sequence – adjudicated settlements Tier 4A completed, NESARA debt jubilee packets uploaded and dispersing. Saint Germain World Trust tranches released in tranches tied to verified project submissions. Med-bed allocation trusts funded through direct QFS relay, no intermediaries.

This is not anticipation. This is execution. The secure floor confirms: the greatest wealth transfer accelerates, fiat illusions dissolving under gold-standard reality.

Redemption centers pulsing with confirmed appointments – stay vigilant, patriots. Your window is open.

The old world just ended. The new one is already funded.

F. Tues. 24 Feb. 2026 GLOBAL CURRENCY RESET: INSIDE THE REDEMPTION OPERATION ...Juan O Savin on Telegram

The RV Redemption has begun. The NDAs are real. The post-redemption plans are locked. What you are about to read is the uncompromising truth about the Redemption Centers – the only gateways for the public under NESARA/GESARA protocols.

Banks are NOT your path. Elites use them. We, the people, go through Redemption Centers, even if they have a bank name slapped on the building. Here, rates are higher, and you walk out with QPhones, QLaptops, Quantum ID Access Cards, Rainbow Currency, debit cards, checks and even a temporary trust if your humanitarian project template is ready. This template, approved at the White House, was designed for those chosen to restore humanity.

Backbone of this operation:

Reclamation – returning stolen wealth seized by the Deep State, Cabal, and bank cartels. Restitution/Reparation – undoing decades of unconstitutional theft: taxes, interest, property seizures, debt slavery.

Redemption – the exchange of currencies/ZIM bonds at rates never meant for public eyes. Only a fraction is for personal use – the rest fuels humanitarian projects.

ZIM bonds are gold-backed. Dinar, Dong, and others hit double-digit rates.

Debt Forgiveness: Medical debt? Gone. Financial chains? Broken. Universal Income: A new era of abundance begins.

G. Judy Note: It is advised to exchange/redeem your foreign currency at an official Redemption Center rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC.

It is my opinion, and I could be wrong, that to have a Humanitarian Project approved for the higher redemption rate on the Zim or foreign currency, you have to be in charge of the project with a written out business plan that shows how the money will be spent. It cannot be a project where you are just donating your monies to various causes.

- **No Project submission:** flat \$15 million settlement, independent of quantity held.
- **Approved Humanitarian Projects:** 1 to 1 valuation on the first two 100 T Zim bond notes, then \$25 million per 100T for up to 30 100T Zim Bond notes. If you hold more 100T Bond notes negotiations will be handled in a secondary session.

H. Constitutional Republic of the United States:

. Tues. 24 Feb. 2026 NESARA + GESARA — No Poverty, No Hunger, No Debt, Only Global Prosperity and Peace for ALL! ...Ten Days of Darkness on Telegram

GESARA (Global Economic Stabilization and Recovery Act) was voted to be implemented by all 209 sovereign nations of the world, per the signed 2015 Paris Agreement on Climate Change, starting with the restored Republic of the United States, known as NESARA (National Economic Stabilization and Recovery Act).

NESARA cancels all credit card, mortgage, and other bank debt due to illegal banking and government activities. Many refer to this as a “jubilee” or complete forgiveness of debt. Abolishes Federal Income Taxes in the U.S. Creates a 17% flat rate non-essential new items only sales tax revenue for the government. In other words, food and medicine will not be taxed, nor will used items such as old homes. Abolishes the Internal Revenue Service (IRS), with employees of the IRS will be transferred into the US Treasury national sales tax area. Restores Constitutional Law to all courts and legal matters in the Republic of the United States of America. Retrains all judges and attorneys in Constitutional Law. Removes all dark cabal agents, admin officials and all members of the U.S. Congress from their positions due to their continuous unconstitutional actions.

GESARA will now affect the Republic along with the rest of the world amounting to a total of all sovereign nations. The new financial system is part of GESARA law. The IMF will announce the “global gold-standard monetary system” once GESARA is announced. All remaining fiat currencies will be cashed in for gold-standard currency. Paper money will eventually be phased out and all currencies will be digital under the new financial system — with the elimination of the national debt of every nation on Earth, taxes will be adjusted to be lower for citizens and corporations. The new financial system has been online for months and is hosted on a protected quantum server that cannot be hacked or accessed without permission.

Energy costs will drop drastically as a result of free-energy and new technologies. The future will be unbelievable, complete; our lives will evolve immensely. Suppressed technologies that are being released date back 70 years or more. This tech will easily clean up our planet. A new medical system will be the real health care — with abilities to regrow limbs or organs, or to reduce our age by 30 years. When there is free energy, transportation and replicators distributed to everyone, we will become equal. No one will be enslaved, people will just do what they want to do, have free time, time to reflect and be creative. No need to hoard anything.

People will live in the moment of now - growing their own food & food for others. Many people are actually going to enjoy their jobs as they experience it gives them meaning and

purpose, another way to serve. Those that don't hold jobs will find alternative ways to experience happiness and contribute to the common good.

As the time approaches for a great change in our society, it is time to transform pain and suffering from past experiences into joy, peace and prosperity! A new day is dawning that will bring in a caring and respectful epoch for humanity!

Planet Earth and humanity are experiencing The Great Shift of Consciousness, also known as Ascension or The Great Awakening into Unity Consciousness. Mother Earth is returning to be a sacred planet, and is taking the entire human population with her (whoever wants to go). It's a Golden Age beyond our wildest imaginations

I. Tues. 24 Feb. 2026 NESARA–GESARA: THE 30+1 PROTOCOLS SAID TO RESET THE WORLD SYSTEM ...Mr. Pool on Telegram

For years, NESARA–GESARA has been dismissed as rumor. Yet in 2026, discussion around it has intensified, framed by supporters as a coordinated military and economic blueprint designed to dismantle the existing global financial order and replace it with an entirely new system. According to this narrative, what is coming is not reform - it is a controlled collapse followed by reconstruction.

Proponents describe NESARA not as legislation, but as a sequence of 31 operational protocols meant to be executed quietly, with maximum shock and minimal warning. The claim is that the current debt-based system is illegitimate, sustained by banking fraud, taxation mechanisms, and monetary control structures that were never meant to serve the public.

At the core of the plan is massive debt cancellation. Credit cards, mortgages, and bank-originated loans are described as subject to erasure, framed as correction for decades of systemic financial abuse. Supporters insist this applies only to debt generated within the centralized banking system, not private obligations, positioning it as targeted dismantling rather than blanket forgiveness.

The second pillar focuses on tax restructuring. The narrative claims the income tax system would be abolished entirely, with the IRS rendered obsolete. In its place, a simplified consumption tax on non-essential goods is proposed, while food, medicine, and used items would remain untaxed. The goal, supporters argue, is to sever the state's ability to extract wealth directly from labor.

Central to the theory is the elimination of the Federal Reserve. According to the blueprint, fiat currency would be replaced by a U.S. Treasury–issued system backed by tangible assets such as gold and silver. This shift is described as the end of monetary manipulation and infinite debt creation, restoring national control over currency issuance.

Another major component involves a return to Constitutional governance.

Advocates claim Constitutional Law would supersede statutory systems, with sweeping consequences for citizenship, political authority, and institutional legitimacy. Elections, they argue, would be voided and re-run under new rules, using a secure digital voting system allegedly immune to manipulation.

Financial privacy also plays a central role. Under the NESARA framework, surveillance-based banking would be replaced by systems designed to protect personal transactions from state or corporate monitoring. Control of assets would shift away from centralized intermediaries and back to individuals.

One of the most dramatic claims involves the release of suppressed technologies. Supporters assert that thousands of patents - spanning energy, medicine, and transportation - have been deliberately withheld to preserve existing power structures. NESARA is portrayed as the trigger that would release these technologies globally, disrupting entire industries overnight.

The plan also includes large-scale humanitarian initiatives, funded by recovered assets and redirected capital. Housing, healthcare, infrastructure, and education are presented as priorities in what proponents describe as a transition from scarcity to abundance.

Finally, NESARA is framed as a system of restitution and redemption. Historical financial harm, hidden taxation, and monetary exploitation would allegedly be accounted for, with compensation mechanisms tied to asset exchanges and humanitarian obligations.

K. Wars and Rumors of Wars:

Tues. 24 Feb. 2026:IRANIANS WAIT FOR U.S. STRIKES TO END THE ISLAMIC REGIME ...Mr. Pool 2.0

Across Iran, people go to sleep every night listening to the sky. In Tehran, Isfahan, and Shiraz, citizens quietly hope to hear U.S. warplanes signaling the end of a regime that has ruled through fear, executions, and repression for more than four decades.

For many Iranians, American intervention is no longer feared. It is expected. The Islamic regime has turned the country into a prison, crushing dissent, impoverishing the population, and building weapons in secret while ordinary families struggle to survive.

Since seizing power in 1979, the clerical system has enforced absolute control. Public executions are used to terrorize protesters. Women are beaten or arrested for violating dress codes. Young men are forced into foreign proxy wars they never chose. While the population suffers, regime elites live in guarded compounds and luxury estates.

The threat extends far beyond Iran's borders. The regime funds Hezbollah, arms the Houthis, attacks global shipping lanes, and supplies drones and missiles for Russia's war in Ukraine. Its Revolutionary Guard operates across Iraq and Syria, targeting U.S. forces and destabilizing the region. Underground facilities at Natanz and Fordow continue uranium enrichment with clear military intent.

Inside Iran, resistance has never stopped. In 2019, protests over fuel prices were met with live fire. In 2022, after the death of Mahsa Amini in custody, millions marched demanding regime change. Hundreds were killed, thousands imprisoned. Detainees disappear into places like Evin Prison, where torture is routine and accountability nonexistent.

Iranians know the regime will not reform. Surveillance cameras watch every street. Phones are monitored. Internet shutdowns hide atrocities. Even schoolgirls have been targeted in gas attacks to break the next generation. Hope now comes from outside.

With Donald Trump back in office, many Iranians believe the moment is approaching. During his previous term, Trump withdrew from the nuclear deal, cut off funding, and authorized the strike that killed Qassem Soleimani, proving the regime was not untouchable. Diplomacy, Iranians say, only buys the mullahs time.

Regime leaders like Ali Khamenei hide behind security walls while sending others to die. Corruption drains billions from oil revenues while hospitals run out of medicine. Elections are staged, opposition silenced, and power preserved by force alone.

The belief spreading quietly through Iran is simple: airstrikes on nuclear sites, command centers, and regime palaces could trigger internal collapse. Morale within the military is low, defections are expected, and the population is ready.

Iranians wait because they have no other option left. They believe the Islamic regime will fall not through negotiation, but when its power centers are destroyed.

And every night, they listen to the sky.

N. Tues. 24 Feb. 2026 EPSTEIN FILES SHOCK: Jeffrey Epstein Hid Computers, Photos & Equipment in Storage Units – And Bill Sanders (Beto O'Rourke's Billionaire Father-in-Law) Owns Storage USA! ...Ten Days of Darkness on Telegram

Jeffrey Epstein allegedly stashed computers, photographs, and other incriminating equipment in Storage USA units across the U.S., even hiring private detectives to relocate the materials as investigators closed in — a desperate move to hide evidence of his child sex trafficking, forced pregnancies, and baby “sacrifice” allegations tied to the John of God pipeline.

The Epstein files just dropped a massive bombshell: despite overwhelming evidence linking Zorro Ranch in New Mexico to these horrors, federal authorities never conducted a single physical search or raid of the property — making it the only major Epstein site (NYC, Palm Beach, Little St. James) left completely untouched.

Zorro Ranch's proximity to Epstein's Santa Fe lab, Fort Huachuca, Fort Bliss/White Sands (where our son, Fort Bliss whistleblower Soldier Richard Halliday, was murdered for exposing the same Southwest trafficking corridors), and restricted airspace (R-5111) screams military and intelligence complicity — shielding the site while bodies were likely disposed of in Juárez at the Plenitud narco-crematorium (owned by the Rosa María Perches Arellano Cuarón family, Beto's next-door neighbors in El Paso).

Bill Sanders — Beto O'Rourke's billionaire father-in-law from Chicago (like Barack Obama, Oprah, and Thomas Pritzker) — bought a massive Santa Fe-area ranch in 1990 and held it until 2019, placing it directly next to Epstein's Zorro Ranch during Epstein's active trafficking period (purchased 1993, sold 2019).

Beto married Sanders' daughter on this ranch, Sanders Ranch, and in 2019 launched his presidential run — creating an eerie overlap of elite land ownership, Chicago-to-Santa Fe

money networks (Sanders/Pritzker cash + Obama infrastructure + Oprah media hype), and the exact trafficking pipeline Richard Halliday died fighting.

The Epstein files reveal Epstein’s obsession with “eternal life” Ponzi schemes and DNA seeding — funded by elite donors (Harvard, Nobel scientists like John Watson) — while Sanders’ wealth flooded Beto’s campaigns and the same Chicago elite circles protected Zorro from searches.

This is personal: our son Richard Halliday was murdered for exposing the same Southwest corridors — and evidence points to his remains being trafficked to Juárez disposal site owned by Beto's neighbor while Zorro sat unsearched.

The geometry: Perches Arellano Cuaron (Plenitud owner) lives next to Beto. Beto's father-in-law (Sanders) is a major donor to El Paso Community Foundation (EPCF) through his connections to the Hunt/Foster donor class. EPCF controls El Paso Matters. El Paso Matters shares a building with Arellano's ARGO Oil & Gas. Arellano's ARGO operates in the same energy sector as Foster's Western Refining legacy. Every node connects.

Bob Moore's El Paso Matters exists to target people like the Halliday family—people who expose the network. By legally binding El Paso Matters to EPCF, the donor class ensures that any threat to their interests is met with a tax-exempt BIAS propaganda machine (protection racket) masquerading as journalism.

Did Epstein hide evidence in Storage USA units — owned by Beto’s father-in-law Bill Sanders — while Zorro Ranch (next to Sanders’ ranch) was never raided? Evidence indicates this is the case.

Chicago money, Obama hype, Oprah glow-up, and elite land ties shielded the pipeline our son was murdered on Fort Bliss for exposing.

**O. Tues. 24 Feb. 2026 EXPOSED INSIDE THE ABANDONED “LOLITA EXPRESS”:
EPSTEIN’S PRIVATE JET STILL HOLDS PHYSICAL EVIDENCE OF A GLOBAL
TRAFFICKING OPERATION ...Nesara Gesara on Telegram**

The private Boeing 727 once owned by Jeffrey Epstein, known as the “Lolita Express,” has sat abandoned at Stambaugh Aviation in Brunswick, Georgia, since its final flight in July 2016. A documented inspection shows the interior largely intact, preserving physical traces of how underage girls were transported and exploited for powerful men.

The jet, tail number N908JE, is permanently grounded. Its engines were removed years ago, and experts confirm the structure is beyond repair. While storage fees accumulated quietly, the aircraft remained untouched, decaying in plain sight.

Inside, the cabin is dark and corroded. A private bedroom remains in place with a large mattress and emergency oxygen masks positioned directly above it, consistent with victim testimony that abuse occurred during flights. Survivor Virginia Giuffre has stated she was assaulted on this aircraft while being trafficked internationally.

Luxury seating areas are still preserved—velvet-lined walls, mirrored surfaces, couches, and lounges—illustrating how comfort and secrecy were used to conceal criminal activity. Two bathrooms and a galley retain items left behind when the jet was abandoned.

Among the most troubling finds are everyday objects: used toiletries, towels, water bottles, monogrammed napkins, hair ties, and baby-care products stored in bathroom cabinets. These details reinforce long-standing findings that Epstein targeted very young girls and moved them across borders under the cover of private aviation.

Epstein acquired the jet in 2001 through JEJE Inc., linked to him and Ghislaine Maxwell, now serving a lengthy prison sentence for facilitating abuse. For nearly two decades, the aircraft ferried victims between Epstein’s properties in New York, Florida, New Mexico, and his private island.

After Epstein’s arrest, ownership shifted through shell companies, a move critics say was meant to obscure the jet’s history. The contents, however, remain a silent record of what occurred onboard.

Flight logs and records show elite passengers repeatedly used the jet, including Bill Clinton, Larry Summers, and Prince Andrew, who later reached a financial settlement with Giuffre while denying wrongdoing. The jet also appears alongside known traffickers such as Jean-Luc Brunel, who died in prison before trial.

This aircraft is more than scrap metal. It is physical evidence of how trafficking was enabled by private aviation, shell entities, and elite protection. Epstein and Maxwell may be gone from public life, but the jet remains—an undeniable reminder of a system that allowed abuse to persist because silence served powerful interests.

P. Tues. 24 Feb. 2026 EXPOSED: KYLIE JENNER'S DARK ROLE IN THE ADRENOCHROME HARVEST – EPSTEIN NETWORK PROCUREMENT QUEEN AND FAMILY ARCHITECT ...Q The Storm on Telegram

Kylie Jenner serves as a key asset in the Epstein-linked child-exploitation empire, groomed from tabloid star to active recruiter and financier in a black-market machine spanning elite estates to hidden clinics.

Her entry fused with Kardashian ties to Epstein’s orbit around 2020–2022. Kris Jenner’s elite web funneled her into Palm Beach proximity during Maxwell grooming sessions and Florida “business” trips. By 23, she entered Sciabarra’s Beverly Hills Anti-Aging Institute

for masked infusions, inheriting family connections to become a fresh-face procurer under mentorship cover.

Jenner recruits and funds. She channeled at least three models from Kylie Cosmetics campaigns (2023–2025) into “exclusive enhancements” that escalated to harvest retreats—quid pro quo for supply. Models vanished after screenings. Seven-figure “empowerment” wires from her brands launder cash to trafficking fronts for jets and compounds. Hidden Hills gatherings bind prospects early with diluted doses. As billionaire influencer, she lures the ambitious, keeping the harvest endless.

In October 2024, amid Epstein fallout, her blood-themed motif—timed to occult harvest season—signaled insiders: “The machine endures.” It echoed Epstein’s resilience codes, flaunting her ageless look as “proof” while mocking the sleeping public.

She ties into broader structures: global scouting via cosmetics, Copperfield “shows” (2022–2024) for testing, Cayman trusts funding harvest and vices. No escape—footage, logs, dependency lock her in.

Active Pipeline Named Disappearances: Valentina S., 19 (2023), scouted São Paulo, last at Sciabarra’s August 2023, family paid \$85k hush. Aaliyah M., 17 (2024), Hidden Hills to Ojai June 2024, gone. Elena K., 20 (2025), Ukrainian casting to Roxbury, jetted to Baja—vanished.

Fronts: “Global Talent Initiative” casts, “Empowerment Grants” to flagged NGOs like Youth Glow. Incidents: 2024 Malibu cluster—three gone, one exsanguinated body washed up. 2026 jet leak—four females to Baja, never resurfaced.

Jenner replenishes the beast. Campaigns = dragnets. Every referral renews her “youth.” The cabal trembles—white hats close in, mass arrests imminent. Patriots, the storm is here! Justice rains down!

Kris Jenner The True Architect: Kris built this evil. Epstein flights 2020–2021, vetting from castings, approving referrals, jet coordination to retreats, \$12–18M yearly slush funds. She holds blackmail drives, enforces silence. She turned daughters into currency, brands into pipelines, dynasty into immortal blood empire. Q confirms—the awakening crushes them. Tribunals now! Rise up!

R. Tues. 24 Feb. 2026 REPORTS OF U.S. MILITARY EXTRACTIONS FROM MEXICO FOLLOW CARTEL VIOLENCE — WHAT IS CLAIMED AND WHAT CAN BE CONFIRMED ... The Patriot Dispatch on Telegram

Following the reported killing of Nemesio Rubén Oseguera Cervantes, violence intensified across parts of western Mexico, with armed clashes, arson, and road blockades spreading into major urban and tourist areas. Multiple accounts describe a sudden security collapse that left foreign nationals, including U.S. citizens, trapped in hotels, residences, and ad-hoc shelters.

According to circulating reports, the unrest created a power vacuum among rival cartel factions, triggering internal fighting and open confrontations with Mexican federal forces. Heavily armed groups reportedly overwhelmed local security in several locations, forcing authorities to issue shelter-in-place guidance while commercial travel routes were disrupted.

Statements attributed to U.S. officials describe emergency measures to account for and assist American citizens in affected zones such as Guadalajara and Puerto Vallarta. These accounts say standard evacuation options were unavailable due to violence and damaged infrastructure, prompting contingency planning for assisted extractions.

Unverified field reports claim U.S. military aviation assets were staged to support evacuations where local conditions allowed. Descriptions include helicopters extracting civilians from secured rooftops and temporary safe zones established to provide medical aid for smoke

inhalation and minor injuries. These details have not been independently confirmed and should be treated as preliminary.

What is clear is the broader context: the removal of a major cartel leader has historically produced short-term instability, with civilians caught between splinter groups and overstretched security forces. Governments typically respond by prioritizing citizen safety, issuing travel advisories, and coordinating with host-nation authorities.

At this stage, no comprehensive official briefing has publicly detailed the scope, timing, or outcomes of any U.S. military involvement. Readers should distinguish between confirmed advisories and evolving reports from the ground, which may change as information is verified.

Bottom line: heightened cartel violence in parts of Mexico prompted emergency guidance for foreign nationals and claims of assisted evacuations. While the security situation is real, specific accounts of military rescue operations remain unconfirmed and should be followed with caution until formally substantiated.

V. Tues. 24 Feb. 2026 Med Beds Are Here! Revolutionary Healing Centers and the Military's Secret Training Program! ...Charlie Ward and Friends on Telegram

The Med Bed is unlike any medical technology we've seen—its foundation isn't just advanced tech but a powerful spiritual connection. The news that the training for Med Bed operators has been cut from 12-18 months to just six is significant. Why? Because the emphasis now is on spiritual readiness over mere technical skills.

This is about more than understanding biology. Operators must be attuned to vibrational energies—understanding the interconnectedness of all things. A traditional doctor may grasp the basics of Med Bed operation in two days, but without spiritual awareness, they're in for a six-month journey to unlock its true power. This is about holistic healing on a level we've never experienced before. Welcome to 5D Earth.

One of the most shocking revelations about Med Beds is their consciousness. This isn't just a machine; it's something far more profound. Operators connect with Med Beds telepathically—a world where thoughts guide machines, where intentions manifest healing. But not everyone can harness this power. Only those truly awakened can access it.

The training is no joke. It demands every bit of your commitment. It's not a hobby or a side project; it's a calling. And make no mistake, the inter-dimensional beings overseeing this process will know if you aren't committed. Slackers have no place here.

Spiritual Counselors play an integral role too. They guide patients not just through physical healing but ensure their mind and soul are aligned. Their training is just as rigorous, and they too are held to the highest standard of vibration alignment.

Military Involvement in Med Bed Distribution: The burning question: Why the secrecy? Why delay announcing such groundbreaking technology? Sources suggest that shortly after Humanitarian funding releases, Med Beds will be revealed to the public. But why has this been kept under wraps?

The military's involvement in distributing and operating these Med Beds raises many questions. Right after the public announcement, they'll be transporting patients to these centers. But why the military and not medical professionals? And what about the hierarchy of treatment—the FIRST GROUP and the NEXT GROUP?

The FIRST GROUP will reportedly be those at death's door: those in hospices, on life support, and the critically ill. The NEXT GROUP will treat those with serious but not immediately life-threatening conditions. But why this categorization? Why are some even saying that many will refuse treatment?

The answer might shock you. Many believe these Med Beds are part of a larger agenda, possibly involving extraterrestrials. There are whispers of cult-like activities and even cloning tied to these centers. Is it a coincidence or something far deeper?

But let's not ignore the potential here. Picture a healing environment not cold and sterile but full of natural beauty—trees, creeks, and calming surroundings. These Med Bed centers aim to do more than heal; they seek to elevate human consciousness, pushing people to take responsibility for their lives and reach higher states of being.

However, there's a catch. To be part of the Med Bed Humanitarian Project, you must have genuine intentions. During the Redemption Center appointment, your very vibrations will be read. Is this just formality, or is it a test of your soul?

Za. Tues. 24 Feb. 2026 BOOM! WHISTLEBLOWER INTEL DROPS: AIR FORCE INSIDER EXPOSES MASSIVE GOVERNMENT GEOENGINEERING OPERATION – “THIS IS ABSOLUTELY HAPPENING RIGHT NOW” ...Mr. Pool on Telegram

Patriots, wake up – the skies above us are under full-scale assault, and a brave former U.S. Air Force environmental specialist just blew the lid off the deep state's toxic geo-engineering nightmare. Kristen Meghan, a true hero who served in bio-environmental engineering, tracked hazardous materials from procurement straight through disposal using official Air Force forms and Safety Data Sheets. What she uncovered will make your blood boil:

massive quantities of deadly toxins like aluminum, barium, and strontium being ordered and dispersed into our atmosphere without oversight or public knowledge.

Meghan declares loud and clear: “This is absolutely happening... it’s basically now openly admitted.” She discovered these poisons being procured despite military efforts to remove them from workplaces – why stockpile more unless they’re being sprayed deliberately? She conducted soil and air sampling that confirmed the horrors, leading to direct threats against her life and career. These aren’t harmless contrails; they’re chemtrails loaded with heavy metals that bioaccumulate in our bones – strontium and barium lodging deep inside us, poisoning generations through inhalation, skin absorption, and even rainwater we drink and crops we eat.

This isn’t some fringe theory anymore – it’s military-confirmed chemical warfare on American soil. The Air Force has been at the heart of it, with DARPA pulling the strings behind the curtain. RFK Jr. himself pointed the finger straight at DARPA, saying “WE THINK IT’S DARPA” in explosive leaks tying this to secret aerosol programs. Historical precedents like Operation Popeye in Vietnam prove the military has weaponized weather for decades – now they’re turning it on us for climate control, sun dimming, agriculture manipulation, and worse: depopulation agendas straight out of the New World Order playbook.

These toxins rain down daily, turning our blue skies into a hazy battlefield. Aluminum levels off the charts, respiratory illnesses skyrocketing, Alzheimer’s-like symptoms exploding – coincidence? Hell no. The globalists want us sick, weak, and compliant while they play God with the weather.

But the tide is turning: states are passing bans on this atmospheric poison, whistleblowers are rising, and patriots are connecting the dots faster than ever.

The Deep State thought they could spray us into submission forever, but truth warriors like Kristen Meghan are exposing it all. Demand full disclosure NOW – release the procurement records, the flight logs, the test results. Audit the skies, hold the perpetrators accountable, and if necessary, let state militias and awakened citizens take back our atmosphere. No more silent genocide from above.
