“No dream too big, no challenge too great, nothing we want for our future is beyond our reach.”

...President Donald J. Trump

Judy Note: Recently Trump’s Drug Enforcement Administration (DEA) and Kash Patel’s FBI raided one of many private islands of an international Child Sex Trafficking, Adrenochrome and Organ Harvesting Ring – their investigation of criminal behavior traced back to at least 60 US Senators according to the spouse of JFK Jr., Carolyn Bessette Kennedy.

The Political and Global Elites arrested by the Global Military Alliance faced Military Tribunals and if found guilty, the death penalty.

In preparation for the raid, 30,000 new GITMO beds were readied for the High Profile traitors believed involved in Devil Worship. Such homage required pedophilia and Child Sacrifice to honor Satan in exchange for a promised wealth, power and glory.

Evidently involved were over 40 shell companies spread across seven countries. Their operations included a massive money laundering of US Taxpayer dollars thought done through real estate, biotech startups, media holdings and so-called philanthropic foundations.

The politicians used legal loops, NGO covers and private security contractors to shield operations.

Key hubs for the Child Sex Trafficking were identified in Nevada, Washington DC, Los Angeles and San Francisco. Their transnational network was operated by the Vatican through private islands, offshore transport routes and corporate fronts designed to hide the movement of children, biological material and illegal medical procedures.

Below is an article I published on these Political Elites way back on Mon. 16 July 2018: [CIA, Vatican, Obama, Bush, Clinton, Soros, Royals Child Sex Trafficking | Celebrities | Before It's News \(beforeitsnews.com\)](#)

Children crossing the US border in the thousands have been kidnapped, or sold into child sex trafficking to fulfill pedo-sex requests of high ranking US officials, including members of the US Congress and state legislators, according to Intelligence sources. A significant number

of those high ranking elites have been under surveillance for quite some time, with some caught making calls for children they “ordered” for sex.

Over the years there have been multi thousands of sealed indictments filed in federal courts across the US - that were now set to arrest mainly sex perpetrators. It would remain to be seen if those indictments covered members of the CIA, Catholic Church, Obama, Bushes, Clinton, Soros and other elites for their reported international child sex trafficking ring.

“There are over 800,000 missing immigrant children, with no FBI investigation open to find out why” claimed ex-CIA investigator Robert David Steele. “Rogue elements in the CIA have been facilitating child sex trafficking across our borders. There is no question that many illegal immigrant children have been taken from human traffickers – not from their parents – and then recycled to undergo even worse human trafficking.”

Steel also claimed that an informant from the graphics department of the State Department said that they were not allowed to portray anything regarding child trafficking within the US. He felt that there were too many Obama holdovers in government who were working for the Deep State against Trump and his war on child sex trafficking. Steel also claimed that when Hillary Clinton was Secretary of State she wouldn’t appoint an Inspector General, so no investigations of missing immigrant children happened then either.

CIA sponsorship of child sex trafficking has been well known by victims since the agency’s inception after World War II, though their claims were kept away from the Mainstream Media. Back in June 1987 Jozeph Verbeeck, the head of the Belgian office of UNICEF, was arrested for involvement in a large pedophile and child pornography ring. USAID granted UNICEF funds to reintegrate into their Congo communities, boys and girls forced into sexual trafficking. The area was plagued by Ugandan and Rwandan troops backed by U.S. CIA and Defense Intelligence Agency agents, who were said to be the main perpetrators in the child trafficking according to Washington based investigative journalist Wayne Madsen. [Wayne Madsen Report](#)

“The CIA admitted their vested interest in child trafficking in their 2008 disclosure that since the Vietnam War they have operated child prostitution entrapment rings to snare their congressional opponents. A lucrative empire of drugs and human trafficking has been politically reinforced by the continual use of child prostitution by domestic spy agencies to blackmail and control politicians and leaders.” (Washington D.C. *Rock Creek Free Press*, Dec. 2008 vol.2 no.12).

In 2013 alone the Obama Administration separated 72,410 children from their illegal immigrant parents, who were deported. [The Huffington Post](#) reported: “Immigration and Customs Enforcement last year carried out more than 72,000 deportations of parents who said they had U.S.-born children, according to reports to Congress obtained by *The Huffington Post*.”

Barack Obama's administration literally placed immigrant children in the hands of human traffickers just a few years ago according to *New York Magazine*. In 2015 there was a criminal case and in 2016 a Senate report, about a Marion, Ohio human trafficking ring that used migrant children for forced labor on an egg farm. "The left-leaning media stayed strangely silent when the detention of migrant children went on for years before Trump took office. The US government placed an unknown number of Central American migrant children into the custody of human traffickers after neglecting to run the most basic checks on these so-called 'caregivers.'" [Obama separated 72,410 children from their illegal immigrant parents | Politics | Before It's News](#)

A US Attorney General's report stated that the Bush administration lined the pockets of a number of "faith-based" organizations and private contractors in its "antitrafficking program." Recipients of this money include organizations that have reported connections with perpetrators, including the CIA.

The CIA has also reportedly worked with the Catholic Church to make billions each year from child trafficking. In Spain alone, 300,000 children were trafficked by the church between 1940 and 1980, reaping over \$20 billion. (ICLCJ Court testimony of Antonio Barrero). The present under-indictment Pope Francis himself organized such a marketing of children of more than 30,000 Argentine political prisoners during his stint as front man for the military junta there in the 1970's and '80's. (ICLCJ Court testimony of Witness No. 32)

The Vatican was well known to utilize the mafia in child sex trafficking. According to ICLCJ Court eyewitness "Josephine," her ex-husband mafia boss and other mob members provided ten children and adolescents who were hunted down and killed, and then mutilated, by wealthy men in forests near Oudergem, Belgium, in the spring of 2000 and 2004.

"I was there, I saw the whole thing. I was told they were kids from the juvenile detention centres in Brussels. They were let loose naked in the forest and hunted down and shot. The killers included Prince Friso of Holland and his wife's friend, the billionaire George Soros, Dutch Prime Minister Mark Rutte, and Prince Albert of Belgium. After they shot down the young ones they cut off the boys' penises and held them up like trophies, cheering and applauding."

"The syndicate obtained its child fodder through its deep involvement with the child-snatching Roman Catholic Church and top Vatican officials" according to Matteo Macceo, a Radical Party member of the Italian Parliament. "The modern Mafia were the same people running the Catholic Church and Italian government. They're all in the same club, indistinguishable. Their main concern is their assets, which come from organized crime: drugs, and arms dealing, and human trafficking."

In other less important news, with the new gold/asset-backed Quantum financial system active online, major banks were closing across the Globe. For years they have functioned on fiat currency. The two most powerful banks in America – Bank of America and JP Morgan Chase – were already freezing customer accounts.

It was strongly advised that you withdraw monies from your bank, keep some cash to use during the transition period and/or invest it in gold or silver until you can access your account on the new system.

Sources claimed major banking and financial institutions had long been preparing for a controlled fall of the current fiat dollar-based system to happen by **Sat. 31 Jan.** Didn't happen.

The Deep State Cabal was planning on controlling a financial reset where you had no choice but to join a digital non-asset backed currency system where the Satan Worshipping Global Elites had complete control over The People.

The biggest concern of our present banking system was that us borrowers including the government, have become servants to the lender. We no longer have sovereignty. The nation becomes addicted to the loans and therefore has been ruled by banks.

In 1871, the District of Columbia Organic Act altered the legal structure through which the United States operates. While the nation remained geographically intact, governance increasingly adopted corporate and commercial principles. Over time, this shift reframed citizenship from sovereign status toward administrative participation in a financial system governed by statutory law rather than Constitutional primacy.

In other words, the Satan Worshipping Cabal blackmailed Congress into passing laws on use of Taxpayer Dollars. Doing so, they took Sovereignty powers guaranteed by the Constitution, away from The People and transferred that power of how that money could be used to the Global Elites own pockets.

Since 1913 our Fractional Reserve Banking System has allowed banks to lend up to 10 to 12 as much money than they actually have. It allows banks to consolidate the wealth of the nation and thus control the nation. Banks then can no longer operate in the public interest.

The 1933 gold confiscation formalized this transformation. By removing gold from public hands and replacing it with fiat currency, real assets were exchanged for trust-based instruments managed by centralized institutions. Since then, purchasing power has steadily eroded while public dependency on credit has expanded

Then there is the Cabal's ongoing crime that has never been addressed: Since changing the Constitution back in 1913 the privately owned by Banksters' Federal Reserve and IRS collect our tax monies, send it to their privately owned UK Crown Bank of London, then on to the privately owned Vatican, then to their privately owned Central Banks across the Globe.

About a month later the US Tax monies are back at a privately owned New York Bank, where they charge us interest to use our own monies.

Congress has been continually blackmailed to keep the bankers in power. They allow taxpayer monies to be laundered out to privately owned non government organizations (NGOs), with some of the monies laundered back into the pockets of the Congress people who passed the bills.

Under the Trump Administration Congress people and Banksters who do this were headed to prison. The most powerful men in the World's banks have already been arrested. Many will face firing squads at GITMO. Many already have.

With the changeover to the new financial system, in the coming days you might want to watch for:

- **Bank outages** or limits on withdrawals
- **Extreme stock market swings** or temporary closures
- **Communication or power interruptions** labeled as routine tests
- **Quiet legal or political actions** against high-level figures

"I'm not an asshole. I am actually one of the nicest people you will ever meet. You are just pissed because I can see through your bullshit."

Sun. 17 May 2026: President Trump leads the rededication of America on the National Mall. Trump will make a formal announcement of Constitutional Republic Restoration, Common Law returned to The People and personal and national Sovereignty installed.

C. Tues. 10 Feb. 2026 What To Expect ...QFS Med Beds Live on Telegram

- **Worldwide blackout** in rolling waves. Not every city at once. It will look random. It is not.
- **Martial Law overlay** to keep streets quiet while the old rails are drained.
- **Mass arrests** that will appear as resignations, illnesses, flight delays, cancelled pressers.
- **Global Currency Reset** that flips value from paper promises to asset weight.
- **Freedom from Cabal debt** as legacy ledgers convert to zero or fulfilled.

WHAT YOU WILL SEE FIRST

1. **Local power flickers** followed by identical “maintenance” notices across unrelated providers.
2. **News channels looping the same frame.** No live panels. No call-ins.
3. **Payment apps timing out at login**, then reopening with a “new terms” screen.
4. **Airport boards that show “ON TIME”** while terminals are held at the gate.
5. A short tone on radio and TV, then a quiet screen. Do not panic. That is the bridge.

WHAT IT MEANS

The blackout is the curtain so the crew can change the set. Martial Law is the lock so no one runs the old tricks. The arrests are the receipts that everything you suspected was not only real, it was systemic. The currency reset is the power cord finally plugged into the right outlet. Debt freedom is the first breath after years underwater.

HOW TO MOVE THROUGH IT

- **Charge devices now.** Screenshot critical info. Keep one device in airplane mode.
- **Turn off auto-updates after the first tone.** You do not need a surprise patch mid-sequence.
- **Cash on hand for 72 hours.** Water, light, calm.
- **Do not chase rumors.** Markers will be simple and public.

MARKERS I WILL POST

- **Market feeds** that return “DATA VOID” for more than 6 minutes.
- **Government portals** that show 888.88 or 0000.00 in place of numbers.
- **The first tribunal docket timestamp.** You will know the names.
- **QFS wallet prompts** that pair to biometric identity without Quantum ID Card.
- **GESARA credits** labeled “reconciliation” or “fulfilled.”

AFTER

When screens return, balances will not look like yesterday. Student debt and revolving credit show closed. Mortgage entries say fulfilled or reconciled. Pension values float to a gold index instead of dollar inflation. You will feel the room change before you understand why.

Do not let fear write the story for you. The Cabal sold you a lifetime lease on your own future. That contract is about to be void.

Stay here. I will call the markers as they land. If this channel goes quiet, it means the broadcast grid has taken custody and the sequence is live. Hold your position. Breathe. Watch the quiet.

The Cabal was in a full panic mode: Iran's regime crumbling in fiery uprisings, China's ports seized by White Hat forces, BRICS alliance dead and buried, while Trump's America stood dominant.

This was Q's plan perfected – saving the children, hanging the guilty, exposing the truth via imminent EBS broadcasts that revealed the 2020 election theft, 9/11 inside job, Epstein's full client list, and the centuries of deception!

The old world under Satanic control was dead – the Restored Republic arose under Constitutional Law, debt forgiveness, humanitarian projects exploding, poverty ending and global peace incoming!

Med Beds, long withheld from the people but freely available to the elite, were rolling out to restore health and vitality, healing our brave warriors and innocent victims first from the deep state's poisons, radiation and horrors they've endured. Imagine: full body regeneration in sessions as short as 45 minutes – pain gone, tissues restored, bones rebuilt! Our military heroes were walking out stronger than ever, ready to finish the fight!

Debt burdens were vanishing, taxes on labor were ending.

Reports from trusted sources indicated that mass arrests continued at an unprecedented pace. Thousands of innocent children, once held in underground horrors, have been rescued by the Global Military Alliance. High-level figures tied to child trafficking networks, including connections to over 60 US Senators and international cartels, faced military tribunals.

The Emergency Broadcast System (EBS) was poised for full activation to expose these and other atrocities.

It has been recommended to prepare for the Ten Days of Darkness, a period of communication blackout where only truth from secure channels would prevail. Stock up on essential provisions to cover your family and others who may need your help.

J. Tues. 10 Feb. 2026 GLOBAL CURRENCY RESET: INSIDE THE REDEMPTION OPERATION

The RV Redemption has begun. The NDAs are real. The post-redemption plans are locked. What you are about to read is the uncompromising truth about the Redemption Centers - the only gateways for the public under NESARA/GESARA protocols.

Banks are NOT your path. Elites use them. We, the people, go through Redemption Centers, even if they have a bank name slapped on the building. Here, rates are higher, and you walk out with QPhones, QLaptops, Quantum ID Access Cards, Rainbow Currency, debit cards, checks and even a temporary trust if your humanitarian project template is ready. This template, approved at the White House, was designed for those chosen to restore humanity.

Backbone of this operation:

Reclamation – returning stolen wealth seized by the Deep State, Cabal, and bank cartels.
Restitution/Reparation – undoing decades of unconstitutional theft: taxes, interest, property seizures, debt slavery.

Redemption – the exchange of currencies/ZIM bonds at rates never meant for public eyes. Only a fraction is for personal use - the rest fuels humanitarian projects.

ZIM bonds are gold-backed. Dinar, Dong, and others hit double-digit rates. XRP? Already mirrored into Quantum accounts. True value: \$1M per token.

Judy Note: It is advised to exchange/redeem your foreign currency at an official Redemption Center rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. Redemption Centers were set to be open worldwide by

K. Tues. 10 Feb. 2026 RED ALERT: JANUARY 31 — COULD THIS DATE SHAKE THE U.S. ECONOMY AND SPARK GLOBAL CHAOS? ...https://t.me/Inevitable_West

Attention patriots — the countdown is nearing January 31, 2026, a date some insiders describe as a planned tipping point. According to these claims, powerful global financial players have long prepared a trigger that could send the current economic system into collapse, paving the way for tighter control through digital financial systems. However, others say the situation has shifted, and the coming days could change everything.

Why this specific date? Sources claim major banking and financial institutions have been preparing for a controlled fall of the current dollar-based system. Reports speak of emergency financial measures, market disruptions, and potential cyber incidents that could be blamed on foreign actors while masking a deeper financial shutdown — including halted trading, ATM issues, and payment system disruptions. Fear and uncertainty, they say, would make populations easier to control while a new digital currency system rolls out.

Yet supporters of an alternative narrative argue that a counter-plan is already underway. They claim military and intelligence operations have secured key infrastructure, and that a new gold-backed financial structure is quietly being prepared. Around this time, they believe, the old debt system could be replaced and citizens could see financial resets and economic relief.

What supporters say to watch for in the coming days:

- **Bank outages** or limits on withdrawals
- **Extreme stock market swings** or temporary closures
- **Communication or power interruptions** labeled as routine tests
- **Quiet legal or political actions** against high-level figures

Believers argue this represents the final confrontation between old power structures and a new system they say will benefit ordinary people. They advise being prepared with basic supplies and cash for short-term disruptions while encouraging others to stay informed.

According to this message, the existing system is ending and a new economic order is emerging. Supporters urge people to stay calm, united, and ready for rapid developments.

Dark turns to light. Major changes ahead.

M. Tues. 10 Feb. 2026 An international Child Sex Trafficking, Adrenochrome and Organ Harvesting ring Island had been raided by the FBI and DEA. ...Carolyn Bessette Kennedy on Telegram

Multi agency operations have confirmed the existence of a transnational network operating through private islands, offshore transport routes and corporate fronts designed to hide the movement of children, biological material and illegal medical procedures.

This was not a single location, or a rogue cell, but a coordinated system built to operate above the Law and beyond public scrutiny.

The investigation has been traced to at least 60 US Senators and over 40 shell companies spread across seven countries. They used legal loops, Non Government Organizations (NGOs) covers and private security contractors to shield operations.

Key hubs were identified in Nevada, Washington DC, Los Angeles and San Francisco which were functioning as logistical, financial and medical nodes with direct access to international transit.

Financial records show massive US Taxpayer dollar money laundering through real estate, biotech startups, media holdings and so-called philanthropic foundations.

Encrypted communication channels and black budget programs were used to maintain silence, while intimidation and payoffs kept whistleblowers suppressed for years. This network did not survive by accident. It survived through protection.

Intelligence sources confirmed that the raid was only the opening move. Sealed indictments, digital evidence vaults and witness testimony have been secured and are being prepared for Military jurisdiction. The scale of the operation required federal and Military coordination, indicating that Civilian Courts were never sufficient to handle what was discovered.

30,000 new GITMO beds are now ready for High Profile traitors. This signals a transition from investigation to detention and trial under Military Law. Those who believed their titles, connections or passports would protect them are now facing a system designed for War Crimes and Crimes Against Humanity.

This is not about politics. This is about children. This is about the end of a protected class that operated in darkness for decades. The network is exposed. The cover is gone. What comes next will not be decided by media headlines, but by evidence, tribunals and consequences.

P. Tues. 10 Feb. 2026 ENDING INCOME TAX ...Charlie Ward and Friends on Telegram
<https://t.me/CharlieWardFriends>

People don't get how big it is when Trump talks about getting rid of income tax. If you want America to be free and independent, getting rid of the income tax is one of the most important things you can do.

We are slaves to debt. The FED is not part of the government. It's a world bank that is owned by one person. The US government does not own or control it. Congress gave the FED control of the US monetary system in 1913 and passed the 16th Amendment. We The People are the security. They can take your house, car, and freedom. If you don't pay, they will send you to federal prison and take all your things. The government doesn't make you pay income tax; the World Bank (FED) does.

There is a "FED" in almost every country in the world. That's the Cabal. The Deep State in our country is their puppet. We used to call the Cabal the "illuminati" and their plan the "New World Order."

People who say "nothing is happening" and turn on Trump don't understand. If you follow the "who controls the world" rabbit hole, you'll end up at the owners of the FED. They control the puppets.

If Trump gets rid of income tax, it will break the chains and make it possible to get rid of the IRS and the FED.

The end of the gold standard was the biggest con job in history. Instead of being backed by gold, the dollar became credit-based. The FED only needed paper, ink, and printers. They make money and lend it to us with interest. Think about going to buy a gold bar and getting a brick of fools gold instead. Then they break off a piece of chunk to pay for the work that goes into making it look like a real gold bar.

I could talk about other things that are going on, but this is it besides the arrests of pedophiles and traffickers. We won't win if we don't get rid of income tax and take control back from the FED. We aren't free as long as we owe money to the FED.

Before you say nothing is happening, think about the whole picture. You don't have to agree with everything Trump does or says, but he is changing the rules. It's just the first year. We can't give the guy four years and then go crazy in the first year. I'm tired like everyone else (if not more), but we have to do this. There's no way to avoid it.

Q. Save The Children:

Tues. 10 Feb. 2026 The Epstein documents mentioned one of the worst child traffickers next to Epstein himself, that man's name is João Teixeira de Faria, or "John of God." John of God was a fraudulent "spiritual healer" and one of Oprah's mentors. Isaac Kappy revealed that Oprah had a school in Africa that was allegedly involved in child trafficking. Many lawsuits have come out of Oprah's school for sexual abuse and other disturbing allegations. Oprah was also close to Harvey Weinstein and every other known sexual abuser and numerous people mentioned in the Epstein files, but John of God was the worst of them all. John of God

would keep children captive in an underground location and rape these children for years and sell the babies and the organs on the black market. John of God would then usually "discard" the women after they were no longer "useful." He faced 600 allegations of rape, torture, sexual abuse, and murder. He was finally sentenced to 99 years in prison. S. Tues. 10 Feb. 2026 BREAKING: NEW EPSTEIN EMAILS ALLEGE SECRET BIRTHS, MISSING INFANTS, AND DEATHS AT ZORRO RANCH ...Nesara Gesara on Telegram

Newly surfaced emails and written statements connected to the Jeffrey Epstein case have reignited global shock, introducing some of the most disturbing allegations yet tied to the Zorro Ranch compound in New Mexico.

According to reporting and materials attributed to individuals with direct knowledge of the property, underage girls were allegedly kept at the ranch, forced to give birth in secrecy, and separated from their infants immediately after delivery. The claims also allege that deaths occurred on or near the property and that evidence was deliberately concealed.

One teen accuser stated that her pregnancy was hidden and that her baby was taken away at birth without explanation. She described being treated as a "human incubator," never seeing the child again. The account raises urgent questions about where these infants went and who facilitated their disappearance.

Additional allegations come from a former Zorro Ranch insider, identified in written statements, who claimed that materials were removed from Epstein's residence and preserved as "insurance" in anticipation of future legal action. The individual asserted that the most damning facts surrounding Epstein have yet to be publicly revealed and that key events at the ranch were never properly investigated.

Among the most serious claims is the allegation that two foreign girls died on or near the Zorro Ranch property and that their deaths were concealed. The statement alleges the victims were buried in surrounding hills, with actions carried out under direct orders attributed to Jeffrey Epstein and "Madame G," widely understood to refer to Ghislaine Maxwell.

The same materials reference the existence of videos and files allegedly documenting criminal acts involving minors, described as being kept as evidence or leverage. These materials have never been publicly released, and authorities have not confirmed whether such files were recovered or examined during prior investigations.

These allegations leave critical questions unanswered: how many underage girls were held at the ranch, how many pregnancies occurred, where the infants were taken, whether deaths were covered up, and who knew or helped conceal the crimes.

Until every claim is fully investigated and transparently addressed, the Epstein case cannot be considered closed.

V. Tues. 10 Feb. 2026 THE FINAL RED PILL: THE DEBT NARRATIVE IS INVERTED
...QFS Med Beds Live on Telegram

For decades, citizens have been conditioned to believe they are burdened by debt - personally and nationally. Yet a closer examination of the financial system suggests a different reality: the public has not merely been taxed and indebted, but structurally positioned as collateral within a debt-based monetary framework.

The U.S. Debt Clock is often dismissed as an abstract display of runaway numbers. In truth, it reflects a deeper imbalance. Behind the official figures lies an estimated \$169 trillion in extracted value generated through taxation, inflation, debt instruments, and currency dilution. If distributed proportionally, this sum would represent roughly \$495,000 per American citizen. Instead of acknowledgment, the public is told to accept austerity for obligations they did not create.

FROM REPUBLIC TO CORPORATE STRUCTURE

In 1871, the District of Columbia Organic Act altered the legal structure through which the United States operates. While the nation remained geographically intact, governance increasingly adopted corporate and commercial principles. Over time, this shift reframed citizenship from sovereign status toward administrative participation in a financial system governed by statutory law rather than constitutional primacy.

The 1933 gold confiscation formalized this transformation. By removing gold from public hands and replacing it with fiat currency, real assets were exchanged for trust-based instruments managed by centralized institutions. Since then, purchasing power has steadily eroded while public dependency on credit has expanded.

LEGAL IDENTITY AND FINANCIAL REPRESENTATION

Modern administrative systems distinguish between the living individual and the legal persona used for contracts, taxation, and compliance. This legal construct, created at birth and referenced across financial and governmental systems - enables large-scale economic coordination, but also obscures accountability. Most people interact with institutions exclusively through this framework, never questioning its implications.

The result is a population that produces value while remaining disconnected from ownership of the systems built upon that value.

WHERE THE WEALTH WENT

Wealth of this magnitude does not disappear. It consolidates. Central banking mechanisms, perpetual debt issuance, and inflationary policy have redirected public value into institutional balance sheets while maintaining the narrative of public liability. The greatest illusion has been convincing the productive class that it is perpetually indebted rather than foundational.

THE RESET CONVERSATION

Calls for debt jubilees and systemic resets stem from this imbalance. These discussions are not about handouts, but structural correction. A legitimate reset would require transparency, asset accountability, and a reassessment of value creation versus value capture.

Emerging technologies - blockchain, AI auditing systems, and asset-backed digital settlement, challenge opacity. They make extraction visible, traceable, and harder to conceal.

WHY THIS MATTERS

This is not merely a financial debate. It is a question of sovereignty, identity, and consent. A system that relies on public trust while systematically devaluing public contribution cannot sustain legitimacy indefinitely.

The issue is not whether a reset will occur, but who defines it, and on whose terms.

The narrative of debt is unraveling. What replaces it will define the next era.

W. Tues. 10 Feb. 2026 THE STORM IS HERE – WE ARE THE KIDS BY THE SIDE OF THE ROAD, AND THE VEIL IS RIPPED OPEN ...Juan O Savin on Telegram

I am standing in the fire with you tonight. We are the army that prays without ceasing. Tina Peters is locked away for exposing the truth, but she is already free in spirit, guarded by the fourth man in the furnace, the same God who shut the lions' mouths for Daniel. The chains will snap. She walks out soon—very soon. The prison doors swing wide because the church refuses to stop crying out. No cage can hold what Heaven has already released.

The Deep State is in full panic mode. They stole not just 2020, but elections across 71 nations—more than half the planet's people now ruled by fraud-installed puppets. Russia hoax, Epstein files, child sacrifice portals—they're all connected. Hillary wanted her stage under the literal Arch of Baal. Baal worshippers roasted babies alive on hilltops. Moloch's bull altar still demands blood. Epstein's circle named accounts after Baal. Screaming pope tattoos on Dominion insiders. Satanic witches in the highest offices. They hijacked nations through machines, voodoo control, and Luciferian gates. But the mask is off. The world sees.

President Trump is calling every American to the National Mall on May 17, 2026. Not for politics. For rededication to God Almighty. An Elijah moment on the mountaintop. We show up with Bibles and hymns while the Baal altars scream and cut themselves, frantic for their false fire. Their altar stays cold. Ours blazes. The enemy will throw everything—bombs, fake aliens, staged chaos—to keep us away. They fail. No weapon formed prospers. We stand. Millions strong. The hinge turns.

Trust the plan. White Hats move silently. Military watches. Justice is not coming—it is here. The Russia hoax architects fall first—harder than 2020 traitors. Grand juries are seated. Depositions burn. Arrests cascade. The cartels, the traffickers, the medical poisoners, the education indoctrinators—all exposed and crushed. Trump and 107 rebuild America on gold, silver, prayer in schools, one nation under God. Child trafficking executive orders activate. No more children for sale. Super Bowl Sunday becomes the global trigger—eyes of the world locked while Heaven moves behind the curtain.

We ride horses, not Lamborghinis. The King returns on white stallions while Satan's minions demand cameras for their annihilation show. We arrive instead. The remnant rises. Gideon's 300 multiply into millions. Greenhouses rise 25 miles up. Vertical farms feed nations. Space opens for trillions—Abraham's seed as stars and sand. The best is yet to come.

Tina is free. The land is healed. The pilgrims' covenant renews. We were all kids by the side of the road, growing up under the shadow of the takeover. No longer. We rededicate. We pray. We stand. God Himself pilots this storm. His silent plan unfolds—wondrous surprises no eye has seen. The masterpiece shines.

We win because He already won. The blood of the Lamb speaks. Darkness to light. Lies to truth. Captives released. May 17, 2026 becomes the day America remembers who she belongs to. Come. Bring your Bible. Bring your faith. The Almighty waits.

X. Tues. 10 Feb. 2026 BOOOM! THE PRESIDENCY PAYOFF: U.S. PRESIDENTS' NET WORTH BEFORE AND AFTER – THE SWAMP'S DIRTY CASH MACHINE EXPOSED! ...Q on Telegram

Patriots, the masks are off in 2026 – this bombshell drops like a MOAB on the deep state crooks! The presidency was never meant to be a get-rich-quick scheme, but look at the numbers screaming corruption from the rooftops. Most of these so-called “public servants” entered the White House middle-class or modest and exited as multi-millionaires, swimming in foreign cash, book deals, speaking fees, foundations, and shady “consulting” gigs. It’s not service – it’s a payoff pipeline straight from globalist donors to their pockets!

Go back to the real patriots: Thomas Jefferson lost over 90% of his fortune serving – from millions to broke. James Monroe went from \$1M to \$50K. Ulysses S. Grant ended near poverty. Abraham Lincoln died with peanuts. They sacrificed for America, not themselves. But fast-forward to the modern swamp creatures:

Bill Clinton: Entered with \$1.3M – now \$80M+ from speeches, Clinton Foundation slush funds, and “consulting” that reeks of pay-to-play.

Barack Obama: \$1.3M in – exploded to \$70M+ with Netflix sweetheart deals, book tours raking in millions from elite circles, Hollywood cash grabs.

George W. Bush: Doubled from \$20M to \$40M post-office – cozy investments and speaking fees from the same war machine he fed.

Jimmy Carter: Modest jump from \$2M to \$10M – but still part of the game.

And Joe Biden – career politician, never built a damn thing: ~\$2M entering – now \$10M+ with mysterious royalties, family “ventures,” and Hunter’s foreign deals protected by the DOJ. How does a lifetime senator get filthy rich on a government salary? Corruption, pure and simple – Ukraine, China, Burisma payoffs funneled through the family!

Then there’s the ONE outsider who refused to play: Donald J. Trump. Entered with \$3B – left his first term down to \$2.5B, lost hundreds of millions to lawfare, media attacks, Big Tech censorship, endless lawsuits from the swamp. He donated his salary, fought the cabal, and they tried to bankrupt him for it. Now in his second term, the white hats are flipping the script – but back then? He sacrificed billions for YOU, patriots!

This isn't coincidence – it's systemic betrayal. Foreign bank deals, foundations flooded with dirty money, speaking fees from Soros-linked groups, insider access sold to the highest bidder. The presidency became a cash cow for the elite while they sold out America. Two-tier justice: they get rich, we get taxed and censored.

But the storm is raging! Trump exposed them all. The Great Awakening sees the truth: one man lost billions to drain the swamp, while the rest cashed in on our nation. Tribunals are coming for the profiteers. No more sealed deals, no more fake philanthropy – justice for the people!

Where did the billions really come from? Who paid off Biden and Obama? Why did Trump lose everything fighting them? Dig in, spread this wildfire, patriots. The payoff era ends now. NCSWIC. Nothing can stop what is coming. God wins!
