Federal Court Lawsuits Link Epstein & Charlie Kirk’s Widow Erika

To Global Child Trafficking & Adrenochrome Harvesting

(Blood Extracted From A Traumatized Child)

That Fuels The Deep State Cabal's Satanic Rituals

"I believe that everything happens for a reason. People change so that you can learn to let go, things go wrong so that you appreciate them when they're right, you believe lies so you eventually learn to trust no one but yourself, and sometimes good things fall apart so better things can fall together."

...Marilyn Monroe

Judy Note: This week we were shocked when it was reported by FBI Director Kash Patel that 60 Deep State money laundering pedophile Senators and 9,000+ corrupt Bankers had been charged in Federal and Military courts and likely arrested – especially when not one news organization followed up on the stories.

The Media's response was not surprising, though the news hit home the reality that most of Congress had likely been arrested – which would dissolve Congress. We do know from Trump that the charges on against the politicians inspired him to activate Nesara Gesara Laws across the Globe. It was the end of poverty and debt for Peoples of the World, plus the beginning of a New Golden Age. I don't think the Deep State Cabal that owned Mainstream Media liked that idea.

Another shocker from Patel was that Deep State Operative Erica Kirk, widow of TPUSA Founder Charlie Kirk, has been taken to federal court on alleged criminal ties to Jeffrey Epstein, Israeli Mossad and Child Sex Trafficking.

Erika's lawsuits were exposing such high profile names and government connections to child trafficking that they have triggered asset freezes on her networks, warrant waves and the full exposure of how these "conservative" fronts were Trojan horses for child exploitation.

The charges alleged that high level US, UK and other nation's politicians received Erica's "products" – which ranged all the way from sex trafficked children to their highly sought after and expensive Adrenochrome (blood drawn from a traumatized child).

Erica was believed to have life-long ties to the Romanian Angels "charity" that evidently funneled orphans into the Deep State Cabal's international Child Sex Trafficking, Organ and Adrenochrome Harvesting Network – all tied to Jeffrey Epstein's Adrenochrome supply chain that fueled the Cabal's funding and Satanic rituals.

Testimonies from TPUSA insiders and leaked 2026 CIA/FBI files indicated Erika was her husband Charlie's Satanic Handler. A Handler in Satanic terms was a person charged with maintaining life-long control over a Mind Control victim who was seen as a threat to the Cabal. As a Handler, it appeared to be Erica's job to silence her husband if he got too close to exposing the Child Sex Trafficking Ring with its ties to the Israeli Mossad.

Was Charlie's November 2025 "assassination" in Utah a cleanup job to bury the truth? Or, was it an assassination at all?

There were many indications that the so-called “murder” of Charlie Kirk at Utah Valley University was set up by the Israeli Mossad – and his perhaps escape into a victim witness program was set up by Trump’s Global Military Alliance.

Mind you, I’m just guessing. I live in Utah Valley just a few miles from UVU and kept a close watch on the before, day of and afterwards unfolding murderous events back in November.

The subject of my book “Twenty Two Faces” Jenny Hill, a Satanic Ritual Abuse Survivor, was an attendant to the first Miss UVU royalty and UVU encompassed a chapter in the book. When “Twenty Two Faces” was first published, I did a book signing at UVU. My contacts at UVU during that time indicated a lot about Satanist infiltration at the school.

Plus, there were a multitude of students at the TPUSA rally in November who captured live videos of the happenings on their cell phones. With the large amount of student witnesses to the incident, there was also a lot of conversations buzzing around the somewhat close community about what *really* happened. So, my opinion on what *really* happened turned into a very controversial story for another place, another time.

Meanwhile recent court filings exposed that an abuse survivor from Erika Kirk’s Romanian Angel’s Orphanage had given her court testimony to the FBI. **Fri. 14 Nov. 2025:** [Erika Kirk Orphanage Survivor Testifies: 'Half of DC Are Pedophiles' \[IS THIS TRUE??\] ~ By The People's Voice 11.12.25](#)

She claimed that she was a survivor of a Child Sex Trafficking Network operating under the cover of Humanitarian Aid from a US Base in Romania. At age twelve she was trafficked into Erika Kirk’s Romanian Angel’s Orphanage and personally witness that Erika Kirk ran the agency.

She guessed that half of Congress were pedophiles and politicians from Washington DC who bought the children through Kirk. The children were drugged, tortured and used for sexual exploitation. The network appeared connected to Ukraine and Israel’s Netanyahu, who funded Mossad.

With the release of the Epstein files big names in the US were being exposed as part of the child trafficking, like the Clintons. Edward Snowden claimed that the US State Department that Hillary once headed had an "Art in Embassies" program that was allegedly a front for Human trafficking. Creepy modern art pieces loaned to U.S. embassies worldwide found their way to shipping containers rumbling across oceans, packed not just with "priceless" sculptures, but with human lives. These "art loans" bypassed customs under diplomatic immunity, sealed in shipping containers from companies like CMA CGM, zipping through ports without a second glance. Under the guise of cultural exchange, victims were allegedly transported like cargo – children and adults funneled into elite networks for exploitation.

Clinton's former campaign head Tony Podesta's art dealings masked deeper horrors. Hunter Biden "art" sales raked in millions from shady buyers, funneled through galleries that scream money laundering and alleged trafficking ties.

Sean "Diddy" Combs's LA mansion hugs a container port, and his Star Island pad in Miami stares across at Dodge Island's massive shipping yards. What a perfect location if you were involved in something like child trafficking. Remember Diddy's neighbor said he would see busloads of kids come early in the morning and drop the children off. Diddy's empire allegedly enabled abuse, with enablers coordinating travel and drugs, echoing claims of elite rings.

Though Erika Kirk's recent federal charges were years in the making, they appeared to come out now because Trump's White Hat Military were in the final throws of dismantling the Ninth Circle Satanic Child Sacrifice Cult's international Child Sex Trafficking ring run by the Vatican and which bankrolled the Deep State.

Upcoming EBS footage was said to show Epstein Island videos, flight logs with Ericka's name circled, victim statements that will make your blood boil. Names like Gates, Clinton, Hollywood scum – all connected through Erika's pipeline.

NESARA/GESARA prosperity can't fully land until this filth was eradicated – that was happening right now.

Activation of the Emergency Broadcast System (EBS) will bring in temporary Martial Law to protect us while Trump's Global Military Alliance brought down not only the higher ups like Erica, but over eight million Satan Worshipping members of the Deep State Cabal Worldwide.

Since 2025 Trump's U.S. military has indicted more than 9,000 top bankers, hedge fund sharks, trust operatives, and globalist money launderers. Like Erica and other Satan worshipper Deep State Cabal members worldwide, they faced Military Tribunals charged with treason, financial terrorism, election rigging, resource theft and economic warfare against We the People.

Kash Patel's FBI, along with the DEA, recently took down a big chunk of the International Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring. It was traced back to 60 US, mostly Democrat Senators who were indicted and faced Military Tribunals. Among the many charges were pedophilia, Child Sex Trafficking and money laundering US Taxpayer monies through 40 Shell Companies in seven countries.

Trump's White Hats yanked over \$7 trillion of Deep State stolen wealth from Swiss vaults, Cayman shells, Luxembourg hideouts, and Singapore slush funds. Additionally 147,000 metric tons of elite gold was recovered by military ops from Geneva, Zurich, Abu Dhabi, London vaults – all redirected straight into the NESARA restoration pool.

The Nesara/Gesara Laws have been activated across the Globe, instigating debt forgiveness, tax refunds and gold/asset-backed currency in a Global Currency Reset that was taking place right now.

It's the end of poverty, end of debt and beginning of a New Golden Age for People of the World.

Pray. Have patience. Trust The Plan.

Restored Republic:

D. Fri. 13 Feb. 2026 HUGE! There is now military law in place under GESARA. 57 banks have closed, there are daily executions at Gitmo, troops are being sent all over the country, Starlink is under attack, and Trump is leading a storm against the deep state in 200 countries. ...Ten Days of Darkness on Telegram

There is no room for doubt. We are in the last stage of a worldwide military operation to break up the Deep State and give power back to the people. Donald J. Trump is the Commander-In-Chief of more than 200 independent countries. This isn't politics. This is war in all areas: land, air, sea, cyber, and space.

Starlink is more than just a satellite system. It is a military grid that protects against sabotage and guides operations on the ground. It is a global targeting, surveillance, and defense shield. It locks on to targets, changes the course of attacks, and scans the whole planet with quantum accuracy. Starlink is the protector of GESARA's enforcement on the battlefield.

The Quantum Financial System is at the heart of it all. This isn't change. It means the complete end of the fiat cabal. Trillions of dollars worth of stolen assets are being moved from elite strongholds straight to sovereign digital vaults. GESARA is no longer just an idea; it is now military law that is enforced by AI-powered weapons of war.

Fifty-seven Deep State banks have closed in the last 72 hours. Not by regulators, but by QFS command overrides. These groups were involved in money laundering, digital sabotage, and keeping fiat currency down. They are gone now. Seized assets. Executives are in jail. There was no negotiation with QFS. It took over.

Specialized GESARA-preparation units have been sent out all over the U.S. These soldiers are turning on Quantum Redemption Nodes all over the country. They are setting the stage for wealth redistribution, debt forgiveness, and citizens' access to sovereign funds while hiding behind federal camouflage. The infrastructure is ready. The military is in charge of logistics.

In the meantime, GITMO has grown into a fortress for a court underground. Now, there are AI-run court systems, quantum-encrypted data streams, and execution chambers. For the first time ever, military courts are being fully recorded, including video, audio, and biometric data. These archives are safe in three vaults around the world, waiting to be released to the public in a controlled way.

What are the charges? Crimes against people. Trafficking of children. Use of bioweapons. Interference with elections. Networks of occult rituals. These are not trials that are meant to be symbolic. These are the last decisions. Every day, people are put to death. The speed is like in war. The tone can't be changed.

The last thing the Deep State did? Turning off Starlink. They didn't work. We stopped rogue missile launches, drone strikes, and frequency weapon attacks from Ukraine, Kazakhstan, and Antarctica. Why? Starlink is armed now. The Eclipse Grid has been up and running since May, with quantum EMP barriers, hidden counter-drones, and self-defense systems.

All of the attacks failed. Every hit was recorded and then undone. Some places where the enemy launched missiles are no longer there. Starlink has not lost yet. All nodes are online. Every signal is safe. The enemy's last positions were only revealed when they tried to shut down the sky.

This isn't a revolution. This is the end. The storm is under Trump's control. The military carries out GESARA. Starlink protects the operation. GITMO hides the traitors.

Banks are going down. Troops are sent out. People are writing down their confessions. Justice is not coming; it is already happening.

The last phase is going on. The countdown is real. And the world you used to know will never come back.

F. Fri. 13 Feb. 2026: ECONOMIC SHOCKWAVE EXPLODING RIGHT NOW – OVER 9,000 BANKERS INDICTED BY U.S. MILITARY! NESARA FULLY ACTIVATED, 147,000 METRIC TONS OF ELITE GOLD SEIZED AND RECOVERED TO BACK THE NEW U.S. ECONOMY, GENIUS ACT ENFORCED, MILITARY TRIBUNALS ROLLING NON-STOP! ...Carolyn Bessette Kennedy on Telegram

The U.S. military, under Trump's iron command, has indicted more than 9,000 top bankers, hedge fund sharks, trust operatives, and globalist money launderers, who have been charged with treason, financial terrorism, election rigging, resource theft and straight-up economic warfare against We the People.

These arrests kicked off massive in 2025 and are exploding into full military tribunals right now in 2026 – GITMO is packed, trials are swift, and justice is merciless. No more slaps on the wrist – these criminals who funded wars, rigged markets, pushed poison shots, censored truth, and stole trillions are facing the full weight of military law. Their offshore empires?

Frozen. Their hidden accounts? Seized. Over \$7 trillion yanked from Swiss vaults, Cayman shells, Luxembourg hideouts, and Singapore slush funds – all redirected straight into the NESARA restoration pool for American citizens!

NESARA is LIVE and unstoppable! Trump flipped the switch – federal income tax? Gone forever. Illegal debts from fraud and manipulation? Wiped clean. Stolen wealth from decades of elite looting? Returning to verified patriots through direct payouts.

The fiat scam is dead; a rock-solid asset-backed system rises from the ashes. No more endless printing, no inflation traps, no banker slavery – just real value, real freedom.

And backing it all? A jaw-dropping 147,000 metric tons of elite gold recovered by military ops from Geneva, Zurich, Abu Dhabi, London vaults starting early 2025.

This isn't pocket change – it's sovereign national wealth, the largest gold haul in history, now secured under U.S. control, dwarfing China and Russia combined. Fort Knox audits confirmed, hidden foreign stashes reclaimed, new mining ramps up in Arizona, Nevada, Alaska – the gold backs the new Treasury currency, shuts down IMF/World Bank control, and funds massive infrastructure without a dime of debt. The elites' precious metal empire? Stripped bare and handed back to the people!

Trump signed the GENIUS Act in mid-2025 – total ban on central bank digital currencies unless 1:1 backed by physical gold or U.S. cash. No programmable tracking money, no surveillance slavery, no Biden-style digital dollar nightmare. Violations? Treated as financial terrorism – straight to tribunals.

Banks are flipping to the gold-backed layer now; the old system collapses by **July 4, 2026.** Elite power tools shattered: banks shut, gold seized, accounts frozen, fiat dying. The people rise as the criminals fall!

Trump and the White Hats have turned the tables completely. The Deep State thought they owned the money, owned the world – wrong! Their game is over, irreversibly. Payouts loading, QFS humming, prosperity flooding to patriots who held the line. The mask is ripped off, the tribunals roar, the gold flows back home. Justice isn't coming – it's here, roaring through the system they weaponized against us.

Spread this wildfire – the economic reset is locked, the elites are defeated, and the new golden age dawns for We the People! Stay vigilant, stay strong – victory is ours, and it's happening NOW!

G. Fri. 13 Feb. 2026 Juan O Savin Critical Great Danger Update:

The storm isn't here yet, patriots – you've only felt the first ripples. Juan O Savin drops truth bombs that should wake every sleeping Anons. The real tempest is barreling toward America like a freight train from hell, and the deep state traitors know their time is up.

Juan recounts his name origin: back in the shadows, radio codes assigned numbers, he was “One of Seven.” South America ops demanded instant anonymity – boom, “Juan O. Savin” born on ten seconds' notice. He shut down Jeb Bush's snarky JFK-Trump jab years back with one cold warning – Jeb vanished from the spotlight after that. The bushes learned: don't poke the bear when 107 knows dates, locations, and secrets.

Massive intelligence revelations are primed for release. A top foreign intel chief defected long ago; his overlapping stories with American patriots expose the greatest sting in U.S. history. JFK files just dropped corroborate everything Juan has hinted at for decades. Hollywood heavyweights are reviewing the manuscript – this will shatter narratives and connect dots from 50+ years of hidden ops. One side worked against America, the other bled for her – including the youngest documented CIA asset whose family stars litter Langley's wall. The truth emerging now illuminates shadows that have choked the Republic.

Behind closed doors right now, operations dwarf anything public. The storm you think you're in? Child's play. Brace yourselves – gird your loins. Juan compares it to Hawaii's false nuke missile alert: families hurling kids into ditches, believing annihilation imminent for a full agonizing hour. Or his friend buried two days in a drainage ditch under Mount St. Helens ash, convinced the world ended in radioactive fire, praying as the lone survivor. Near-death moments forge souls. America's facing its own – and most aren't ready.

Trump isn't playing games. Executive Order 107 (March 2025) demanded voter roll cleanups – states spat in his face. No real action. Snubbed. Now the hammer falls: national emergency declaration on elections, backed by military enforcement if needed. Federal troops secure polling, no more hodgepodge state nonsense. No machines, hand-count paper ballots only, one-day voting, small precincts, secure chain of custody. Foreign interference proven – nation-states stole 2020, unleashing Ukraine carnage (millions dead, Russia hemorrhaging nearly 1,000 troops daily). Stolen elections = weapons of mass destruction. They killed more than nukes could in Donbass.

Trump's not waiting for courts or legislatures – emergency powers override everything. No judge, no governor stops this. Overreach? Cry harder, traitors. This reclaims the Republic for We the People. Delay 2026 midterms if primaries stay rigged (looking at you, Utah fraud machine – Republicans enabling foreign collusion). Canvas out of Serbia? More global election meddling exposed soon.

Border war escalates: El Paso airspace shutdown, armed drones downed – Sinaloa Cartel pushing Iranian MANPADS (Misagh-3 Stingers) into America. Nine already inside.

Trump doubles carrier groups near Iran – message clear: deal or die fast. This isn't about one ally; Iran's terror empire since 1979 has 20+ million graves worldwide.

The near-death experience for America approaches. Patriots must explain the magnitude to normies – reset narratives when shock hits. Education time ended; action time roars. Trump sweeps the table decisively. The Republic survives only if we fight now. The storm is coming – and it's biblical. Hold the line, Anons. WWG1WGA.

H. Fri. 13 Feb. 2026 THE 107 YEAR WAR CRUSHED IN 2026 – TRIBUNALS IN FULL SWING! JUAN O SAVIN DECODE EXPOSES THE DEEP STATE DRUG CARTEL AND RIGGED ELECTION NIGHTMARE! PATRIOTS, THE STORM IS HERE AND THE CABAL IS DONE! ...Juan O Savin on Telegram

Juan O Savin rips the veil off the 107-year war the satanic cabal has waged against America and freedom! This climactic battle explodes in 2026 with military tribunals roaring to life, dragging high-level traitors into justice! From ancient opium empires to CIA black ops drowning streets in poison, the Deep State funded its tyranny through drugs, child horrors, and stolen elections—all to cling to power! But Trump's unbreakable will and White Hat precision are annihilating them now!

Old exposes echo today: billions from cocaine while the U.S. fakes the drug war! CIA puppets, corrupt generals buying Swiss villas with cartel cash, overlords like Sosa ruling continents—created narco-states in Bolivia, Colombia, Chiang Kai-shek's China, Sicily turned heroin hub post-WWII with Lucky Luciano and French Connection! Marseille bosses owned mayors and cops, Shanghai triads sat in parliament, Kuomintang guarded poppy routes! CIA's Laos ops bought entire crops for secret armies, heroin funneled to America! Barry Seal's flights evaded DEA, guns for Contras, coke dumped in swamps—black money laundered through Mena, Arkansas, straight to Clintons! Iran-Contra records burned, but whistleblowers saved bank proof!

It all links to the 2020 fraud! Ukraine war never ignites without that steal—foreign attacks via NATO allies, Cuba, Venezuela, China, Serbia, Italy, City of London! Trump held Nixon's letter: "You'll win and be great!" Nixon handed him the playbook to dismantle New York's five families—Rudy in from the start! Southern District crooks smeared him, but now justice flips! 2026 national security emergency: military runs elections—no judge dares interfere, or they rot in cells! Smartmatic fraud tied to Brennan, Clintons, Western intel—exposed and destroyed!

Power unused against evil is worthless—military patriots who installed Trump know this cold! They've hit sources: Venezuela fentanyl origins, CIA-created cartels never shut down under Bush/Clinton for black ops cash! Brennan's crimes are monstrous—ongoing conspiracies

reset statutes daily! DEA/FBI/CIA whistleblowers ready to testify, some jailed under Obama but fearless! They won't survive exposure—Putin watches too!

The 107-year opium-to-narco war ends in 2026! GITMO tribunals process treason, election theft, crimes against humanity under devolution! Elites vanish in night raids—senators, Hollywood, Big Pharma, tech tyrants! EBS declass drops: DUMBs horrors, child rescues, quantum fraud proof! Sheep awaken, patriots triumph!

Trump strikes tentacles ripping America—good military souls, once tweaked, now strike true! NESARA/GESARA ignites, Quantum ends fiat slavery! God wins, cabal burns! HOLD FAST, ANONS—TOTAL VICTORY IN 2026! NOTHING STOPS WHAT'S COMING! WWG1WGA!

Explosive federal court filings are ripping the mask off Erika Kirk – Charlie Kirk's widow turned Deep State Operative. Leaked docs and insider testimonies confirm: she's not just tied to a shady Romanian "charity" funneling orphans – she's a key player in the elite's global child trafficking network, directly linked to Jeffrey Epstein's island horrors and the Adrenochrome supply chain that fuels the Cabal's Satanic rituals.

The lawsuits hit like thunder: Multiple federal cases unsealed in the last 48 hours detail how Erika used her "Romanian Angels" front and TPUSA connections to traffic vulnerable kids across borders – Egypt planes, black-site transfers, VIP client lists.

Court records name-drop Epstein handlers, Mossad cutouts, and high-level DC puppets who received the "product."

Testimonies from TPUSA insiders and leaked 2026 CIA/FBI files paint the picture: Erika wasn't mourning Charlie – she was his handler, silencing him when he got too close to exposing the ring. His "assassination" in Utah? Cleanup job to bury the truth.

Why now? White hats in Trump's military intel are forcing the disclosures. The old SWIFT shutdown was step one; this is step two – dismantling the human trafficking backbone that bankrolled the deep state. Tribunals are accelerating: Gitmo expanding, black vans rolling up to elite estates. Names like Gates, Clinton remnants, Hollywood scum – all connected through Erika's pipeline. The EBS override is primed to blast the unredacted footage: island videos, flight logs with her name circled, victim statements that will make your blood boil.

The Cabal is panicking hard. Media blackout intensifying, distractions cranked to max, but they can't stop the flood. These lawsuits trigger asset freezes on her networks, warrant waves, and the full exposure of how these "conservative" fronts were Trojan horses for child exploitation. NESARA/GESARA prosperity can't fully land until this filth is eradicated – and it's happening right now.

The storm is raging: Military has the evidence, satellites locked, comms secured. When the alert drops, expect the truth tsunami – no more protection for these monsters. Patriots, this is why we fight. The kids are being saved. The monsters are being hunted. Trump promised to drain the swamp – including the child-eating parasites at the top.

Prep and pray: Stock essentials, secure your family, spread this far and wide before they scrub it. The Republic rises on the ashes of their evil empire. Justice is coming – swift, merciless, biblical.

Dark to light. The Great Awakening is here. God wins.

The Cabal's Secret Cargo. Elite child trafficking through art and shipping containers. "Art in Embassies," the U.S. State Department's glossy program that's allegedly a front for one of the most sinister operations in the world... Human trafficking.

Connecting the dots from creepy modern art pieces loaned to U.S. embassies worldwide to shipping containers rumbling across oceans, packed not just with "priceless" sculptures, but with human lives.

High-society elites like Hillary Clinton and John Kerry posing with bizarre, often disturbing artworks by artists like Jeff Koons – those balloon animals and twisted installations that scream symbolism. This is used to communicate and mock you right to your face.

But dig deeper, and the allegations pile up. These "art loans" bypass customs under diplomatic immunity, sealed in shipping containers from companies like CMA CGM, zipping through ports without a second glance.

Why? Because under the guise of cultural exchange, victims are allegedly transported like cargo – children and adults funneled into elite networks for exploitation.

Spotlighting Tony Podesta, the lobbyist with a taste for macabre art (think severed heads and ritualistic vibes), whose collection ties into this web. They are showing you who they really are. A confession, almost.

This is just another addition and method connected the elites and Pizzagate itself. This builds on it, alleging Podesta's art dealings mask deeper horrors. Then there's Hunter Biden. His "art" sales raking in millions from shady buyers, funneled through galleries that scream money laundering and alleged trafficking ties.

Sean "Diddy" Combs's LA mansion hugs the container port, and his Star Island pad in Miami stares across at Dodge Island's massive shipping yards. What a perfect location if you were involved in something like child trafficking. Remember Diddy's neighbor said he would see buses come early in the morning and drop children off. Diddy's empire allegedly enabled abuse, with enablers coordinating travel and drugs, echoing claims of elite rings.

There are endless NGOs involved, funded by YOUR taxpayer dollars. Ghislaine Maxwell's TerraMar Project tied to submarines, islands, and "ocean conservation" as a cover for shuttling kids between Epstein's island, and other key locations. The Clinton Foundation's name pops up in replies, with Hillary allegedly linked to shipping firms. And Wayfair? That 2020 scandal of overpriced cabinets named after missing kids, another alleged container trafficking front.

Government ties run deep. Diplomatic seals on containers mean no inspections, perfect for smuggling. Shipping containers provide a relatively low-risk method for traffickers to move people across international borders.

These containers can be sealed, making it difficult for authorities to detect human cargo, especially when mixed with legitimate goods. The conditions inside these containers are often horrific, with victims facing extreme temperatures, lack of oxygen, and no sanitation, leading to significant health risks or even death.

Real cases show containers' deadly role in child trafficking:

2017 San Antonio Incident: In San Antonio, Texas, ten people died after being smuggled in a truck container, highlighting the dangers of such smuggling methods.

2003 Chinese Smuggling: Chinese nationals were discovered in a hard-top shipping container in Los Angeles, pointing to the use of these containers by organized crime for human smuggling.

2024 Wexford Case: In Ireland, 14 people were found in a shipping container at Rosslare Europort, triggering a human trafficking investigation.

N. Fri. 13 Feb. 2026 BOMBSHELL! THE GREAT HEALING CONTINUES – FIRST VETERAN RESTORED, TEARS OF FREEDOM FLOWING ...Med Bed Activation on Telegram

DAYS SINCE THE MED BED SHOTGUN AUTHORIZATION BECAME IRREVERSIBLE: 43 DAYS / 18 HOURS (Anchor: January 1, 2026 – the irreversible green light from the highest Alliance levels)

Last night, under the protective veil of secured military airspace, the second Med Bed activation occurred — and this time it was one of OUR OWN. A decorated veteran, 68 years young in body but carrying the scars of decades of service, stepped into the pod carrying the weight of Agent Orange, shrapnel ghosts, and a heart that had almost given up hope.

When the golden-white plasma enveloped him, the room went silent except for the soft harmonic frequency rising. Then — the breakthrough.

His missing limb regenerated. His lungs cleared as if he had never breathed battlefield smoke. His eyes, clouded for years, sharpened to eagle vision. He emerged laughing through tears, flexing fingers that hadn't moved freely since 1972. The hardened operators in the room — men and women who've seen everything — were openly weeping. One whispered, "This is what we fought for."

EXCLUSIVE LEAK – GLOBAL MED BED ACTIVATION COMMAND – FOR YOUR EYES ONLY

A classified Alliance signal intercepted at 03:47 EST last night: "Priority Tier 2 confirmed operational. Veteran restoration complete. Frequency signature locked at 528 Hz – Love frequency dominant. Next wave targets: 7 additional secure facilities (coordinates redacted). Children remain Tier 1 priority. Deep State jamming attempt neutralized at 04:12. EBS integration test passed. GOD WINS."

This is not theory anymore. This is unfolding RIGHT NOW in protected zones across multiple continents. The children came first — now the warriors who protected them are being restored. The order is divine: heal the innocent, then honor the protectors, then flood the nations with light.

SITUATION REPORT

- **First child healing (Post 1) continues to stabilize** — full cellular memory reset achieved.
- **Veteran case #001:** 100% limb & organ regeneration in under 47 minutes.
- **Frequency grid expanding:** reports of "sudden peace" and vivid dreams flooding private Telegram channels in 14 nations already.

- **NESARA/GESARA** funds quietly moving to support global rollout infrastructure.

- **Mr. Pool drop last night:** “7 down, 202 to go. Clock ticking. Tic toc.”

We are in the acceleration phase. The old world is crumbling faster than they can patch it. The new world is being born in these healing chambers.

P. Fri. 13 Feb. 2026 OPERATION HELLSTORM: SHOCKING CLAIMS EMERGE FROM THE SHADOWS OF WAR. WAR REVEALS WHAT PEACE HIDES. ...The
MAGA King on Telegram

Explosive claims circulating online allege that during a classified military sweep behind active front lines, Russian special forces uncovered a vast underground complex unlike anything seen on a battlefield. What was expected to be abandoned terrain reportedly exposed a hidden world buried beneath scorched earth and collapsed infrastructure.

According to these unverified reports, a routine combat operation escalated into a discovery of extensive tunnel systems concealed beneath structures labeled as humanitarian sites. Deep underground, forces allegedly encountered surveillance corridors, climate-controlled chambers, and secured medical rooms guarded more heavily than frontline command posts. These were not described as military tunnels. They were described as industrial facilities.

THE ALLEGATIONS GO FURTHER. The reports claim that hundreds of children were found alive and removed from underground compartments, many reportedly sedated and malnourished. Equipment allegedly indicated biological extraction activity, with forensic materials suggesting systematic abuse. Barcodes, tracking markers, sealed containers, and encrypted data logs are said to have been recovered. If accurate, this was not a prison. It was described as a factory.

DIGITAL TRAILS AND SHADOW NETWORKS. The same sources claim that seized hardware and encrypted files pointed to an international trafficking network operating across borders, protected by shell organizations, financial routing through global hubs, and diplomatic cover. The implication is not of a single country or faction, but of a compartmentalized global operation embedded inside conflict zones and shielded by chaos.

MEDIA SILENCE FUELS SUSPICION. Despite the gravity of the allegations, mainstream coverage has been absent. No sustained headlines. No investigations aired. Only fragments appearing on obscure intelligence forums, followed by rapid debunking attempts and

content suppression. Supporters of the claims argue that the silence itself is evidence of a coordinated cover-up. Within days, the reports allege sudden resignations, emergency data wipes, heightened security at sensitive facilities, and quiet damage control behind closed doors.

THE DEEP WAR BENEATH THE SURFACE. Whether fully proven or not, these claims underscore a darker narrative many believe is unfolding beneath modern conflicts: wars used as smoke screens, humanitarian corridors exploited, and civilians reduced to assets in hidden economies of power. This story, as told by its proponents, is not about territory or weapons. It is about control, secrecy, and innocence lost.

CONCLUSION: CLAIMS THAT DEMAND SCRUTINY. If even a fraction of these allegations are true, the implications are enormous. They demand independent verification, transparent investigation, and international accountability. Burying stories does not erase them. Suppressing questions does not create peace. There will be no trust without truth. There will be no closure without exposure. This is the claim shaking the underground narrative of war. And it is not going away.

Jacob Rothschild and open Satanist Marina Abramović stand together in a famous picture in front of a famous painting from 1797 named, "Satan Summoning his Legions." When they show you who they are, believe them.

They also are known to have parties and balls like in the movie eyes wide shut which was a peak into these elites closed door parties. Philippine Baroness de Rothschild always wears a "horned goat," or "Baphomet" a Satanic deity, around her neck, especially at world public events. When they show you who they are, believe them. Are you starting to notice a pattern yet?

These families have deep Satanic roots that go back centuries and constantly show you who they really are. Now, since the Epstein files, people are now finally starting to see that evil does sit at the highest levels of power and many rule over us. They just never thought it was true.

S. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.
