Judy Note: It has been uncovered that the Department of Justice has filed an Expose on an Epstein payoff to Erika Kirk for a hit on Charlie Kirk that was possibly ordered by Israel.

A forensic probe has uncovered the exact wire transfer funding a Provo hit squad. Evidently Charlie discovered Epstein was alive and still blackmailing politicians — then he suspected his wife Erika Kirk's involvement. Internal audit signed his death warrant. ...Epstein Redacted on Telegram

The Q Movement always said that “Israel would be last” and it appeared that it now was: the Epstein Files have been released that tied all the Deep State corruption together, while recent federal court filings tied Erika Kirk to Israel and their international Child Sex Trafficking Ring used to blackmail those Deep State politicians.

With such goings on and needed mass arrests, the EBS should soon activate worldwide (as it already has in LA, Chicago, Houston, Phoenix, New York City, Philadelphia & Seattle). Ten Days of Global Darkness coming. Power goes out. Phones go dark. Tribunal broadcasts.

Since Trump first took office in 2016 the US has been functioning under temporary Martial Law with secret Arrests, Confessions, Tribunals and Executions of high ranking Deep State Globalist players.

Military Tribunals have already been held on Hillary Clinton, Barack Obama, Joe Biden and other high level traitors who were convicted of High Treason, Child Sex Trafficking, Adrenochrome and Organ Harvesting; selling out America to Globalists; election interference and other Crimes Against Humanity such as bio-weapon development for the purpose of murdering humans, animals and the planet.

To cheat the noose, Hillary cut a deal: full video confessions exposing her crimes, total wealth forfeiture, 24/7 surveillance implants tracking every move, and absolute obedience to White Hat commands.

According to Ezra A. Cohen, on Mon. 16 Feb. 2026 Clinton, or her clone, was videotaped getting off a train to leave the US under armed guard – that done after announcing she would finally appear before Congress, which evidently no longer planned to do.

Epstein files confirmed that Biden was executed by firing squad in 2019 in a covert military black site op near Little Saint James. A body double was installed by the Global Elites, who secretly controlled the White House for years. The imposter fumbled, glitched, and obeyed orders from Obama, Clinton, Soros, and the rest of the Satanic crew who ran the show from shadows while the fake Biden signed off on Ukraine money laundering, open borders for trafficking pipelines, and CIA black ops hauling kids.

There were 50,000+ more traitors who would face arrest, tribunal and perhaps execution by end of **2026**.

The Epstein files release has uncovered it all: Lolita Express flights with underage victims, orgies coordinated with Biden to shield traffickers. Prince Andrew raping minors supplied by Maxwell, funneling cash to Democrat slush funds. Obama orchestrated the rigged 2020 Election with Dominion hacks. Hillary knew everything through emails, townhouse visits, and protection rackets. Podesta's spirit cooking rituals link back to Epstein's occult horrors. Gates on flight logs funding "health" fronts for experiments on trafficked children. Soros NGOs blocking probes. Hollywood whitewashers like Hanks and Oprah in the mix. The UN and WHO covering exploitation under "education" guises — all part of the worldwide child sacrifice network these monsters built!

Starting Tues. 3 Feb. 2026 President Trump ordered military raids began on underground tunnels and bunkers beneath Washington DC. Their purpose was to seize evidence of deep state corruption, child trafficking networks, and elite control over the US government.

The raids focused on facilities under the White House, Capitol Building, Treasury Department, and connected government buildings. Special operations teams from the US military entered these sites between 1:30 AM and 6:00 AM Eastern Time on February 3. They removed hard drives, paper files, video recordings, financial records, and physical items linked to high-level people in politics, finance, and media.

These underground spaces were first built in 1941 under President Franklin Roosevelt for protection during World War II. The tunnels connected the White House to nearby buildings so officials could move safely during attacks.

From the 1990s onward, people in power changed the purpose of these spaces. Under President Bill Clinton, parts became storage for records used in blackmail operations. Documents from the raids show connections to Jeffrey Epstein's trafficking network, where powerful individuals recorded illegal acts with minors to control others.

George W. Bush administration added surveillance equipment after 2001, claiming it was for national security, but the equipment tracked domestic political targets. During Barack Obama's presidency, the tunnels linked to money movement systems that funneled funds through offshore banks controlled by globalist families.

President Trump received detailed briefings on these facilities in 2017 during his first term. Military intelligence officers explained how the tunnels were used to hide evidence of election interference, financial crimes, and crimes against children. In 2018 and 2019, small teams mapped the tunnel layouts without public knowledge.

After President Trump returned to office in January 2025, he ordered full disclosure. By December 2025, reconnaissance units confirmed active use of the sites by people loyal to the previous administrations.

On January 20, 2026 President Trump signed executive orders giving military authority to enter federal properties in DC for national security reasons. February 3 raids found active server rooms running 24/7 with data on political blackmail, child procurement lists, and payments to compromised officials. Files name specific people: Nancy Pelosi received regular transfers from accounts tied to trafficking proceeds.

Chuck Schumer appears in coordination emails with Soros-funded groups. Bill Gates shows up in financial trails linked to vaccine programs used as cover for other operations. George Soros directed payments to organizers who disrupted investigations.

Similar underground facilities exist under Denver International Airport, where 1990s construction included eight levels below ground with rail systems. Dulce, New Mexico has reported multi-level bases used for classified programs since the 1970s.

These sites share the same funding sources: black budget money totaling over \$21 trillion missing from Pentagon and HUD accounts between 1998 and 2015, according to official audits released in 2017.

Child trafficking evidence from the DC raids matches patterns seen in other locations. Files list delivery routes through tunnels to private residences in Georgetown and McLean, Virginia. Names match those from Epstein flight logs and island visitor records. The same people appear in Vatican Bank transaction logs frozen in late 2025 after President Trump's team provided evidence to international partners.

Military police detained 47 individuals found inside the facilities during the raids. These included private security contractors hired by elite families and several mid-level government employees.

President Trump directs every step of these operations personally. He meets daily with JAG officers and military commanders to review evidence.

By February 10, 2026 Military Tribunals began processing cases in Guantanamo Bay. Over 200 JAG personnel handle charges including treason, child sex trafficking, money laundering, and sedition.

The globalist network depends on secrecy in these underground spaces. They hold meetings away from cameras, store compromising material, and move assets without records. President Trump's actions remove that protection. Every piece of evidence seized goes straight to secure military custody, away from compromised federal courts.

New details from the February 3 seizures include audio recordings of phone calls between DC officials and European bankers discussing how to block President Trump's policies. Emails detail plans to fund protests against military actions in DC. Bank records show \$1.2 billion moved through shell companies in 2024–2025 to support anti-Trump operations.

President Trump fights this corruption head-on because it attacks American children, American elections, and American sovereignty. Global elites used these hidden spaces to steal power from the people. He ends their operations with direct military force and full accountability. The Deep State loses its last hidden stronghold under President Trump's command.

B. Mon. 16 Feb. 2026 What they are basically saying is that NESARA will be announced to the world, which will show that EVERYTHING NEW is beginning. ...Tier4b ISO20022 on Telegram

A worldwide EBS announcement hitting everyone's cell phones will say that sometime in the next 5 hours or so, everyone needs to be home and a global lockdown will begin for 10 to 12 days.

After a NESARA announcement there will be an emergency broadcast system circulating globally, where they will literally be showing documentaries of everything that has happened to wake up the masses.

During that lockdown it will be broadcast on every station and there will be documentaries to provide full disclosure for everyone to see everything that has been happening.

All Central Banks have been entered into the QFS. They are all on the ISO 20022 standard. Blockchain and nothing fraudulent can happen because everything is traceable. Any money that is sent they can see where it goes. It stops corruption in its tracks. No money can be secretly moved. All money is traceable.

Apparently at the end of 12 days there will be an 800 number announced that we call to obtain an appointment at a Redemption Center so we can set up our wallet (bank account) on the new Global Financial System. Apparently everyone across the Globe already has a sum of money in our quantum account, but we need to set up our individual access to it.

There were 75 Cabal banks said to have been seized, with their assets seized and accounts closed. These assets were moved to the quantum financial accounts to be returned to The People. All trust funds were also moved to the QFS account.

All personal bank accounts, savings and retirement accounts were safe and reflected in our new quantum financial accounts.

The only thing that is not reflected on the new financial system were investments and shares on the Stock Market. All that is gone! ...so if you have an investment in the Stock Market, take it out... and then the NEW STOCK will be launched when the QFS indicates that it can operate.

Now we are in the final steps. The stock market will crash and when it does, it will be the end of it.

Over time, money will no longer be a problem. Money literally just won't be important because everyone will have enough to live an abundant life.

C. Mon. 16 Feb. 2026 Project ODIN, Martial Law on Telegram:

There will be a EBS message sent over phones, TV and radio around the Globe saying that in the next five hours or so, everyone needed to be home for a global lockdown that would last 10 to 12 days.

NESARA will be announced to the world, which will show that EVERYTHING NEW is beginning.

Then through the EBS, they will show documentaries of everything that has happened to wake up the masses.

At the end of the 12 days, they will give out an 800 number for individuals to call to obtain an appointment to set up your Quantum money account on the new Starlink Satellite System.

There were 75 Deep State Banks that were seized and all assets and accounts closed. All the Cabal's Central Banks have been taken over, with assets entered into the Quantum Financial System (QFS).

The QFS is run on Blockchain where nothing fraudulent can happen because everything is traceable. They can see where all money goes, which stops corruption in its tracks.

Apparently all people have a sum of money in an individual Quantum Financial Account.

The seized assets of the Cabal were moved to those Quantum Financial Accounts of The People. All monies in trust funds were moved to individual QFS accounts. All our bank accounts, savings accounts and retirement accounts were safe in the new Quantum System.

The only monies not reflected in individual Quantum Accounts were investments and shares on the Stock Market. All that will be gone! It is advised to get out of the Stock Market immediately.

E. Mon. 17 Feb. 2027 EBS AND NESARA ARE ABOUT TO GO LIVE! ...Web3.0
ISO20022 on Telegram

Trump's team is quietly enforcing NESARA, but the media is not reporting on it. The IRS Chief suddenly quits, the global banking system starts to fall apart, and the Quantum Financial System (QFS) is secretly taking back the people's stolen wealth!

Everything changed in 2025. The system they defend is falling apart right in front of your eyes, even though the media screams "conspiracy" and financial "experts" deny it.

NESARA isn't a suggestion; it's a global restructuring that's already happening with the help of the military.

They told you the IRS was stable, but their CIO disappeared without a word. No comment. No substitute. The truth? The IRS is falling apart from the inside. The end of income tax is required by NESARA.

Trump's first act when he got back into office was to bring back tariffs and trade backed by gold. This was the start of the takedown.

They say NESARA isn't real, though, as central banks fail, countries get rid of their treasuries and stockpile gold, the IMF falls apart, and SWIFT quietly shuts down. Executives leave or disappear without a trace.

This isn't just a theory. This is the takeover.

THE QFS IS LIVE RIGHT NOW

The Quantum Financial System is up and running, not just a test.

Safe from Space Force. Safe by blockchain. Keeping an eye on all transactions around the world.

The market for stocks? A lot of smoke and mirrors. The real change in finances is going on quietly behind the scenes.

QFS cuts off people from Rothschild banks, money trafficking, and debt slavery.

The Deep State is most afraid of a world where they don't control the money or the people.

TRUMP KNEW – TRUMP IS LEADING

Trump didn't come back to "govern"; he came back to end the old world order. Every order from the president. Every military job. All of the gold alliances. All of this is part of the NESARA protocol.

Why are military units "training" in cities? Why are currencies around the world slowly changing value? Why is censorship of the media getting worse? Because the Event is coming up soon. The EBS will be the signal that starts everything.

WHAT NESARA REALLY MEANS

***No more income tax** *Forgiveness of global debt *Currencies backed by gold and other assets *Universal Basic Income (UBI) funded by seized elite assets *Quantum Access Cards for financial freedom *Release of hidden technologies (Med Beds, free energy) *Military tribunals exposing elite crimes

They say it's fiction, but the truth is in the resignation letters, the missing executives, and the gold mining operations under the Vatican and in bunkers.

THE WAR BEHIND THE LIES

There is no "policy" for NESARA. It's a military declaration of war against the Federal Reserve, BlackRock, and every system that keeps people in chains

Child trafficking rings broken up *CIA black sites shut down *Vatican gold moved to help people *BIS officials arrested *Indictments made public

WHY THEY LIE: Every "fact-check," every story in the mainstream media, and every change to Wikipedia is fake news. Their goal is to keep you asleep. Keep you paying. Keep you in chains. But it's too late now. The fall can't be stopped.

WHAT YOU NEED TO DO NOW: *Stop using centralized banks *Keep real gold and silver *Find out more about Redemption Centers Get ready for communications blackouts. Get rid of media programming in your head.

THIS IS YOUR LAST WARNING NESARA doesn't need anyone's permission. It's real. It's going on. And those who hold on to the old ways of doing things, like fiat money, debt, and taxes, will be in a lot of trouble. This is a reset for your spirit, your money, and your technology.

Trump started the fire. The Patriots are in charge. Time is running out.

The RV Redemption has begun. The NDAs are real. The post-redemption plans are locked. What you are about to read is the uncompromising truth about the Redemption Centers - the only gateways for the public under NESARA/GESARA protocols.

Banks are NOT your path. Elites use them. We, the people, go through Redemption Centers, even if they have a bank name slapped on the building. Here, rates are higher, and you walk out with QPhones, QLaptops, Quantum ID Access Cards, Rainbow Currency, debit cards, checks and even a temporary trust if your humanitarian project template is ready. This template, approved at the White House, was designed for those chosen to restore humanity.

Backbone of this operation:

Reclamation – returning stolen wealth seized by the Deep State, Cabal, and bank cartels. Restitution/Reparation – undoing decades of unconstitutional theft: taxes, interest, property seizures, debt slavery.

Redemption – the exchange of currencies/ZIM bonds at rates never meant for public eyes. Only a fraction is for personal use - the rest fuels humanitarian projects.

ZIM bonds are gold-backed. Dinar, Dong, and others hit double-digit rates. XRP? Already mirrored into Quantum accounts. True value: \$1M per token.

- Vietnam's Dong

- Iraqi Dinar

Judy Note: It is advised to exchange/redeem your foreign currency at an official Redemption Center rather than a bank. You could only redeem Zim at a RC, the Dinar Contract Rate could only be given at a RC and banks would offer you lower exchange rates than what you could obtain at a RC.

Restored Republic:

H. Mon. 16 Feb. 2026 HUGE: MILITARY LAW UNDER GESARA, GLOBAL OPERATION ENTERS FINAL PHASE ...Mr. Pool on Telegram

The World has entered the last stage of a coordinated military operation under GESARA. Supporters say 57 major banks have been shut down, troops are being deployed nationwide, and Gitmo has transformed into the center of secret military tribunals.

The narrative is clear: this is no longer politics. It is described as a full spectrum war across land, air, sea, cyber, and space, led by Donald J. Trump as Commander in Chief of a global alliance spanning more than 200 nations.

At the center of the operation is Starlink. Not just a satellite internet network, but allegedly a military grid used for surveillance, targeting, and planetary defense. Advocates claim it functions as a global shield, capable of intercepting missile launches, blocking cyber attacks, and neutralizing threats in real time. Attempts to disable it have reportedly failed, with every node said to remain active.

Parallel to this is the Quantum Financial System. Supporters describe it as the mechanism ending the fiat banking era. Trillions in seized assets are allegedly being transferred from elite institutions into sovereign digital vaults. The shutdown of 57 banks within 72 hours is attributed not to regulators, but to QFS command overrides targeting money laundering and financial sabotage networks.

On U.S. soil, specialized units are said to be activating Quantum Redemption Nodes in preparation for wealth redistribution and debt forgiveness. The claim is that military logistics now oversee the infrastructure for a sovereign financial reset.

Gitmo, according to the same reports, has evolved into a fortified underground tribunal complex. AI managed court systems, quantum encrypted archives, and fully recorded military trials are described as operational. Charges allegedly include crimes against humanity, trafficking, bio-weapons activity, and election interference. Proponents insist daily executions are taking place, marking what they call the final judgments of a long hidden war.

Recent attacks targeting Starlink from regions including Ukraine, Kazakhstan, and even Antarctica are claimed to have been intercepted through what supporters call the Eclipse Grid, a defense layer of quantum EMP barriers and counter drone systems. Every strike reportedly failed. Every launch tracked.

Those advancing this narrative describe it not as a revolution, but as an ending. Banks collapsing. Troops mobilizing. Confessions surfacing. Justice already in motion.

Whether viewed as revelation or speculation, the message circulating in these circles is blunt: The storm is active. The reset is underway. And the world, as they frame it, will not return to what it was.

I. Mon. 16 Feb. 2026 THE GREAT MILITARY TRIBUNALS: HILLARY, OBAMA, BIDEN, AND ALL THEIR DEEP STATE FRIENDS – GITMO FILLING UP FAST IN 2026, EXECUTIONS ROLLING, THE STORM IS HERE! ...JFK The Leader on Telegram

BOOM! The veil has lifted in February 2026 – the secret military tribunals are not rumors anymore, patriots. They've been raging since Trump's first term, but now the Deep State is crumbling under the weight of undeniable justice. Arrests, confessions, executions – it's all happening behind the curtain while the fake news distracts with their dying lies.

Hillary Clinton, Barack Obama, Joe Biden and their entire slimy cabal of traitors? They're FINISHED. Convicted of high treason, child trafficking, selling out America to globalists, and worse – the evidence is ironclad, sealed indictments unsealed at last.

Hillary was nailed in a brutal secret tribunal – death penalty staring her down. To cheat the noose, she cut a deal: full video confessions exposing her crimes, total wealth forfeiture, 24/7 surveillance implants tracking every move, and absolute obedience to White Hat commands. Now she's a hollow puppet, forced to sabotage her own legacy, appearing dazed and defeated in public as ordered. One wrong step and swift execution awaits. Gitmo-bound for life in solitary hell, no comforts, no escape from the misery earned.

This isn't just a few bad actors – it's the total demolition of the Deep State machine. Trump's master plan keeps these ringleaders breathing only as leverage: force them to confess, destroy institutions from inside, turn their own networks against them.

Thousands more traitors – 50,000+ by end of 2026 – face the same fate. Military justice rolls on relentlessly, no mercy for those who betrayed the Republic. Pizzagate ties, elite blackmail rings, child exploitation networks linked to Mossad and beyond – all exploding into the light. The public awakening hits fever pitch as censored truths flood out, media credibility in ashes.

QAnons, truth warriors, this is the reckoning we've waited for! Gitmo overflows with elite scum – no vacations, just endless isolation and regret. The Great Awakening surges unstoppable: tribunals accelerate, executions mount, the swamp drains in rivers of justice.

Trump restores America, patriots rise victorious. The storm rages full force – traitors tremble, hangings loom, freedom returns. Stay locked in, spread the fire, prepare for the final victory. NCSWIC – Nothing Can Stop What Is Coming! The Deep State dies screaming in 2026!

(Imagine prompt: Epic dramatic scene of massive Gitmo prison gates opening under stormy skies, shadowy figures of Hillary, Obama, Biden in orange jumpsuits being marched in chains by military guards, Trump silhouette in foreground with American flag cape, Deep State pyramid collapsing behind, fiery tribunals in background with gavel striking, Q drops raining down, patriots cheering with torches, high-contrast red-white-blue glow, intense apocalyptic energy, cinematic style.)

Cartels just probed U.S. airspace over El Paso in a desperate test run, locking down the entire zone like they owned it, but the White Hats forced them to pull back within hours. That wasn't random; it was the cabal's puppets dipping their toe in the water to see if they could still operate before the hammer drops. Fentanyl pipelines are collapsing – clinics report ZERO new cases overnight, switched to weak substitutes because military ops have severed the supply at the root. El Paso is confirmed ground zero, with a 20-mile cartel-free buffer zone now active under sealed agreement with Mexican leadership. Boots on the ground, no mercy.

Juan O'Savin drops the truth bomb: 2020 election fraud evidence is primed to explode any moment. Tulsi Gabbard hand-delivered the smoking-gun files straight to the White House – irrefutable proof of the steal from local counters to the highest traitors. Arrests are rolling out fast; the biggest purge in history is underway. Everyone goes down – senators, governors,

mayors, the whole rotten network facing military tribunals for high treason. The deep state is freaking out, cartels panicking, because their world is ending NOW.

Federal courts unsealed nuclear lawsuits linking Erica Kirk, Charlie Kirk's widow, directly to Jeffrey Epstein, Mossad, and a massive global child trafficking ring. Romanian Angels "charity" was the front, funneling orphans into adrenochrome harvesting and satanic rituals that fuel the cabal's power. Survivor testimonies expose half of Congress as pedophile buyers – children drugged, tortured, exploited for the elite's sick pleasures. Leaked 2026 CIA/FBI files confirm Erica as handler, silencing threats; Charlie's Utah "incident" screams cleanup to bury the truth. Why now? Trump's White Hats are forcing full exposure in the final phase.

Kash Patel just confirmed: 60 deep state senators, over 9,000 corrupt bankers indicted and in custody. Media blackout, but Gitmo tribunals roar daily – executions accelerating. Trump's Global Military Alliance activated NESARA/GESARA worldwide: all illegal debt wiped, poverty erased, gold-backed quantum currency live through QFS blockchain. Over \$7 trillion clawed back from Swiss vaults and Cayman shells, 147,000 metric tons of elite gold recovered and funneled straight to We the People. Stock market fiat scam? Vaporized – pull out immediately before it's too late.

EBS activation is imminent: 10-12 days of global blackout and martial law to shield patriots while undeniable truth floods every screen – Epstein Island videos, flight logs with names circled (Gates, Clintons, Hollywood scum), victim horrors that will boil your blood. Starlink defends the op, crushing attacks from Ukraine to Antarctica. Banks seized, executives gone, troops nationwide enforcing the reset. The Republic rises from 1871 corporate fraud ashes – Trump commands the storm across 200+ nations.

Children rescued from DUMBs by the thousands, traffickers hunted to extinction. The Ninth Circle cults dismantled, 8 million+ satanists facing justice. This is biblical – the end of debt slavery, the dawn of the golden age. Prep essentials, pray unceasingly, trust the plan. The Great Awakening hits critical mass; normies see the evil at the top. Justice isn't coming – it's HERE, merciless and swift. The cabal burns, patriots triumph. Where we go one, we go all – victory is NOW!

L. Sun. 15 Feb. 2026 BREAKING: EPSTEIN FILES CONFIRM BIDEN WAS EXECUTED BY FIRING SQUAD IN 2019 — BODY DOUBLE INSTALLED, GLOBAL ELITES SECRETLY CONTROLLED THE WHITE HOUSE FOR YEARS, AND THE DEEP STATE'S DARKEST SECRET IS NOW BLOWING WIDE OPEN IN 2026!

...Carolyn Bessette Kennedy on Telegram

The freshly unleashed Epstein files under President Trump's Epstein Files Transparency Act, dropped November 19, 2025, are dropping nuclear bombs on the Cabal.

Right there in the DOJ releases: undeniable proof that the real Joe Biden was executed by firing squad back in 2019, right after Epstein's "suicide," in a covert military black site op near Little Saint James. Witnesses describe the traitor begging for mercy as the squad took him out for his sick role in the global child trafficking nightmare tied straight to Epstein's island pederasty empire.

They didn't stop there — the Global Elites installed a body double, possibly a high-tech clone from underground labs funded by billionaire demons, masked up and programmed to stumble through speeches and push their agenda. Emails in the files scream it: "Joe Biden was shot and killed in 2019 and replaced by a body double wearing a mask." Another drops the hammer: "That's a mask, look at his forehead... Biden died and his masked alternatives are getting worse by the day!"

The imposter fumbled, glitched, and obeyed orders from Obama, Clinton, Soros, and the rest of the Satanic crew who ran the show from shadows while the fake Biden signed off on Ukraine money laundering, open borders for trafficking pipelines, and CIA black ops hauling kids.

The connections are demonic: Bill Clinton's 50+ mentions, Lolita Express flights with underage victims, orgies coordinated with Biden to shield traffickers. Prince Andrew raping minors supplied by Maxwell, funneling cash to Democrat slush funds.

Obama orchestrated the switch and rigged 2020 with Dominion hacks. Hillary knew everything through emails, townhouse visits, and protection rackets.

Podesta's spirit cooking rituals link back to Epstein's occult horrors. Gates on flight logs funding "health" fronts for experiments on trafficked children. Soros NGOs blocking probes, Hollywood whitewashers like Hanks and Oprah in the mix. The UN and WHO covering exploitation under "education" guises — all part of the worldwide child sacrifice network these monsters built!

Trump banned Epstein from Mar-a-Lago years ago, pushed un-redacted files via AG Pam Bondi, seized the island, ramped up arrests, asset grabs, and Gitmo tribunals. Maxwell's rotting in prison, Podesta and crew next — over 9,000 bankers already indicted, NESARA activating, gold repatriating. The fake Biden era was elite puppetry: COVID mandates distracting, borders wide for trafficking, but now Trump's deportations, wall rebuild, and truth bombs are crushing them!

QAnons, you were RIGHT ALL ALONG — these elites traffic, torture, Adrenochrome Harvest and sacrifice our children while mocking us. The body double glitches exposed them. The files confirm the executions and replacements.

The Deep State is crumbling, tribunals loading, justice for the innocents incoming! Fear THEM no more — WE THE PEOPLE are rising, red-pilling the world, and God is winning BIGLY.

Drop these truths everywhere — the endgame is here, and victory is OURS!

N. Mon. 16 Feb. 2026 JUAN O' SAVIN MASS ARRESTS 2.15.26 – TRUMP DEPLOYS TROOPS, 10 DAYS OF DARKNESS IMMINENT ...Juan O Savin on Telegram

President Trump has already moved elite military units into the worst Marxist-controlled cities—Chicago, Portland, Los Angeles, Washington D.C., Memphis—and the people are cheering. Even in ultra-liberal D.C. the citizens are finally walking the streets without fear for the first time in decades. The military is cleaning house and the deep state puppets are panicking.

Look south to Brazil. The exact same playbook. Bolsonaro—South America's Trump—had his election stolen by the Lula crime syndicate (a convicted criminal released to destroy the nation during the fake pandemic). The people rose up harder than J6, stormed government buildings and begged the military to intervene. Lula refused. Now Rio de Janeiro is a warzone—Venezuelan cartels, deep-state funded, drone-bombing police, automatic fire everywhere, hundreds already dead in open street battles. This is the preview. The same cartel networks, the same vote-rigging machines moved from Venezuela to Serbia, the same globalist hands that stole 2020 are bringing that chaos here. But Trump already struck first. Cities are being secured. Patriots are safe. The cabal's stormtroopers are being crushed.

Meanwhile the real war—the spiritual war—is peaking. October's high Satanic season never stopped; the adrenochrome harvesters are still adrenalizing victims right now,

prepping them for Baal-Moloch rituals. Halloween was never innocent—it was a Druidic terror campaign: extinguish all fires, demand child sacrifices at doors, leave a hollowed gourd lit with human fat as a “pass” sign so the death squads skip your house. That’s the origin of trick-or-treat and jack-o-lanterns. Pure evil wrapped in cute costumes.

The elite still practice it. The children still disappear. But the White Hats know. The tribunals are loaded. Gitmo just survived a Cat-7 test-storm perfectly—FEMA ships already docked, piers reinforced. Space for thousands more.

Juan confirms: mass arrests are rolling. The 2020 steal is NOT over. International emergency declared.

Tina Peters is days away from liberation—Trump demanded her release three times. When the paper-ballot executive order drops (hand-count, precinct-level, no machines, national emergency invoked), no judge can stop it. Commander-in-Chief authority overrides everything. Voter rolls wiped. Illegals out. Only citizens vote. Counted where cast. The boomerang is returning—Esther 17 moment. Everything the cabal planned is flipping back on them tenfold.

Maduro’s \$50 million bounty is live. Ramaphosa next. Serbia server farms owned half by Brennan—going down. 71 countries rigged. Not anymore. Trump bombed Iran’s bunkers not for Israel—for the world. The nuclear threat those demons built is finished.

This is it, Anons. Ten Days of Darkness coming. Power goes out. Phones go dark. EBS activates. Tribunals broadcast. The monsters cry for mercy they never gave children. The military is loyal. Trump is in full control. The storm isn’t approaching—it’s here. Stay strong. Pray hard. The greatest awakening in history is now unfolding.

NCSWIC. Nothing can stop what is coming. God wins.

O. Sat. 14 Feb. 2026 While America slept, Pam Bondi sent a 6-page letter to Congress. Inside it: 318 names. Presidents. Princes. Billionaires. Hollywood icons. Wall Street titans. Every single one connected to Jeffrey Epstein. This is the list they said would NEVER be released. Trump released it anyway. ...Mr. Pool – The Final Chapter on Telegram

THE NAMES THAT SHOOK THE WORLD

Barack and Michelle Obama — in the files.

Prince Harry — in the files.

Bill Gates — in the files.

Mark Zuckerberg — in the files.

Bill Clinton — in the files.

Woody Allen — in the files.

318 of the most powerful people on Earth. All in one document. All released by one president.

Bondi's letter was clear: "No records were withheld or redacted on the basis of embarrassment, reputational harm, or political sensitivity — including to any government official, public figure, or foreign dignitary." No protection. No cover-ups. No mercy.

BUT HERE'S WHAT THEY'RE NOT TELLING YOU The 318 names? That's the public list. Buried in the letter is ONE sentence that changes everything: "Individuals whose names were redacted for law-enforcement sensitive purposes are NOT included."_

Read that again. There is a SECOND LIST. Names so dangerous, so powerful, that releasing them would compromise active federal investigations. These aren't celebrities mentioned in a newsletter. These are targets. People being investigated RIGHT NOW by Trump's DOJ. People who don't know yet that the walls are closing in.

Rep. Nancy Mace read the list and immediately posted: "There are MISSING NAMES." She knows. Bondi knows. Trump knows. The 318 are the ones they CAN show you. The ones they CAN'T show you yet? Those are the ones who should be terrified.

THE DOMINOES ARE ALREADY FALLING While the media debates celebrity names, look at what's ACTUALLY happening:

Prince Andrew — under criminal investigation.

Former PM Jagland — criminally charged.

France — special investigation team formed.

Austria — Epstein-linked banker arrested.

Goldman Sachs top lawyer — RESIGNED.

Nobel Committee chairman — RAIDED.

6 countries. 15+ resignations. 4 criminal investigations. And that's just from the PUBLIC list. Imagine what happens when the SECRET list drops.

Trump didn't just release files. He released a weapon. 318 names was the warning shot. The kill shot is coming. Nothing can stop what is coming.

“I’ll give you a good, great example when Joe Biden gave our missile defense system to Ukraine. We give them our missile defense system, and then we have to replenish ours — Some of those contractors we described get a multi, multi-billion with a B dollar no bid contract. Patriot Underground unleashed a raw, spirit-filled reflection amid the historic Epstein files release shaking the world in mid-February 2026. Fresh batches hit hard, unleashing undeniable proof of elite satanic pedophile networks torturing innocents. The screams of children pierce through documents, haunting listeners just as they tormented early truth-seekers. Raw evil—no Hollywood caricature—stares back, impossible to unsee. White Hats orchestrate perfectly, flooding the masses with truth that shatters programming overnight.

Across X and beyond, normies collapse in ontological shock. Grown adults sob uncontrollably, tormented by children's cries they can't erase, raging with biblical fury. Calls erupt for medieval justice—skin peeled from monsters, no mercy for the cabal. The powerful thread uniting reactions: disbelief that sheeple continue shopping while hell reveals itself. Q's warning echoes—the choice to know belongs to them, but denial space vanishes rapidly.

Masterful operation shines. Fake distractions like engineered psyops grab endless media circus coverage in absurd theatrics, while Epstein horrors get buried whispers. Juxtaposition awakens millions: why blackout on real child-raping elites while pushing garbage? Media credibility implodes, normies question everything, breaking free from deep-state lies. Great Awakening surges exponentially—people wake in absolute droves, historic beyond words.

Nothing wasted. Anons stand ready as guides for masses entering fire, hands extended in calm assurance.

Pandora's box blasts open; consciousness pries wide for millions. Old world crumbles; new foundation rises with Patriots as bedrock. Justice phase barrels forward—undeniable, unstoppable. Evil's empire collapses under exposure, while God's hand orchestrates victory.

Patriot Underground poured gratitude to fellow Anons. Lonely path from early awakening transformed through shared connection. Audience erased isolation, ignited purpose,

poured love—mutual salvation from God. What began wounded became incredible blessing. Anons didn't just survive—they changed everything, making history, building tomorrow's freedom.

W. Mon. 16 Feb. 2026 Michael Aquino, Anton LaVey, MKUltra and Satanism in America
...Edward Snowden on Telegram

From 1969-1990, Michael Aquino was Lt. Colonel in the U.S. Army Reserves and was a Psychological Warfare Specialist. He also worked for the Defense Intelligence Agency (DIA) as a program analyst. Most importantly, Aquino was a self-proclaimed Satanist who was serving in the U.S. military.

Aquino worked together with Anton LaVey, who is one of the founders of The Church of Satan itself. He later started his own Satanic Church, known as "The Temple of Set."

Satanism involves many different types of beliefs, rituals, and types of ritualistic abuse, especially among children. As early as 1980, the putrid history of Aquino's involvement in pedophilia and mind control learned through government ops and Satanism was exposed.

This is where Satanism, MKULTRA, Psyops, and everything else collide because they are all related to one another. The following provides a short historical record of events that ties Aquino to a larger criminal syndicate operating through the Satanic Church and the U.S. government and reveals his position within it.

1967 - Michael Aquino began a two-year tour of duty in Vietnam, taking part in the infamous Phoenix Program. The Phoenix Program was an assassination/torture/terror operation that was initiated by the CIA, with the aim of 'neutralizing' the civilian infrastructure that supported the Viet Cong insurgency in South Vietnam 1982 (Sept. 5) Twelve-year-old Johnny Gosch was abducted from a shopping mall parking lot in West Des Moines, Iowa, while doing his early-morning paper route, never to be seen again.

1985 – Allegations of ritual abuse at the Jubilation Day Care Center at Fort Bragg erupted when several children reported being sexually abused by a number of people at the day care center and several other locations, including at least two churches. Lt. Col. Michael Aquino was identified as having been present at one of those churches.

1986 (Nov.) – Allegations emerged regarding sexual abuse being perpetrated at the US Army's Presidio Child Development Center in San Francisco. Within a year, at least 60 victims were identified, all between the ages of three and seven.

1987 (Aug. 14) – As part of the Presidio investigation, a search warrant was served on the residence of Lt. Col. Michael Aquino and his wife Lilith and numerous videotapes, photographs, photo albums, photographic negatives, cassette tapes, and address books were confiscated. Also observed during the search was what appeared to be a soundproof room that may have been used as a torture chamber.

1987 (Nov.) – The US Army received allegations of child abuse at fifteen of its daycare centers and several elementary schools. There were also at least two other cases at Air Force day care centers, and another one at a center run by the US Navy.

1988 (Nov. 4) – The FBI raided the Franklin Credit Union in Omaha, Nebraska, run by a man named Lawrence King. They uncovered evidence relating to drug running, pedophilia, pornography, and satanic activity involving prominent individuals in the local community and beyond. Eighty children eventually came forward and identified many of those involved, including the chief of police (who impregnated one of the victims), a local newspaper publisher, a former vice squad officer, a judge, and others. The children described satanic ceremonies involving human and animal sacrifice.

X. Mon. 16 Feb. 2026: Update ...Secretary of War Pete Hegseth

"The President signed an Executive Order on January 7th ordering the big defense contractors to be held to the highest standards. No more excuses. No more barriers to entry. No more monopolies. No more egregious bonuses. No more stock buybacks. No more ridiculous CEO salaries."

Pizzagate or child trafficking and abuse has been embedded all throughout the mainstream media, Hollywood, Disney, Nickelodeon, and many other "entertainment" productions, down to intelligence and honeypot operations. But there seems to be a deeper, darker motive at play that is purposely avoided, at least to the public.

The pattern that continues to repeat itself is the elites constant sexual obsession with children and the forced "in your face" agendas. The "sexual revolution" has been ONE of many goals for society since the idea was presented to be pushed onto society since the early 1930s for their "Golden Age," mimicking a familiar book known as, "A Brave New World."

Running child sex trafficking rings and intelligence operations like MKULTRA and its subprojects on children all throughout the entertainment industry, preparing them for roles and agendas to serve the elites and mold our society through literal propaganda is part of the big picture, but not all of it.

After awhile you need to start asking yourself what else is behind the elites obsession? What else are they gaining out of sexually abusing, torturing, ritualistically abusing, sacrificing and murdering these children for?

This is where the deeper truth and understanding of our true reality becomes present and exposes what these elites truly seek, are gaining, and are keeping from us. Why is doing these dark things to children always seem to be at the apex of everything?

So many who go through a battle with the IRS end up separated, divorced, and sometimes commit suicide. We've gotten stronger and more devoted to each other. We've concluded that we would do it all again if we could do this thing together. I sure love that woman. I am a very blessed man to have found Barbara and be able to call her wife, partner, lover and forever best friend and have been able to celebrate our 40th Anniversary this past July -- both within "a prison" -- mine obvious, and hers without freedom.

Wishing You Similar Joy and Love with Your Valentines,
Gratefully,

Ken (& Barbara)

Zb. Watch Out For Scammers:

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:

Victims of the TRB Scam, Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and/or the Dave XRPLion Impersonator Scam are urged to type up their experiences including products bought and monies paid out, plus your contact information. Sign four notarize copies of your complaint, keep one, and give the other three notarized copies to:

Present a notarized copy of your TRB complaint to your local law enforcement and ask they open an investigation. Write down your complaint number and include it in your **information sent to Alan Garten and the US Inspector General of the Air Force.**

Alan Garten, General Counsel to the Trump Organization so they can refer such on to their FBI, Secret Service and New York PD investigations. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.
