In the quiet misty morning
When the moon has gone to bed,
When the sparrows stop their singing
And the sky is clear and red,
When the summer's ceased its gleaming
When the corn is past its prime,
When adventure's lost its meaning -
I'll be homeward bound in time
Bind me not to the pasture
Chain me not to the plow
Set me free to find my calling
And I'll return to you somehow

Judy Note: President Trump has invoked Article II of the U.S. Constitution and declared the United States a sovereign nation under Common Law — no longer under the foreign-controlled corporate structure known as “US Inc.” This marks the end of Admiralty Law rule and the rebirth of the Constitutional Republic. [BOMBSHELL ANNOUNCEMENT: President Trump Declares the Restoration of the American Republic — “US INC.” DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS - amg-news.com - American Media Group](#)

And just as Trump declared us free of foreign control, on Thurs. 5 March 2026 a Mossad insider warned that there would be a False Flag in America that would be worse than 9/11 and would hand Israel full control of the US Military.

Evidently Israel was planning a dirty bomb false flag on U.S. soil, synchronized with a total cyber and communications blackout. The plan was to ignite the bomb, then pin it all on Iran and blow nations across the Globe into World War III – all with the support of the Mainstream Media.

President Trump appeared to be three chess moves ahead because also on Thurs. 5 March 2026 the Global Military Alliance under Trump escalated the final phase of “The Plan to Save The World.” Maybe that’s why Trump has always said that “Israel would be last.”

Over one million troops have been deployed nationwide. Space Force was poised to override all TV, Radio, Internet screens worldwide. The Emergency Broadcast System was live Worldwide and awaiting a final White Hat Go code.

The new StarLink Satellite System has executed total control of the Global communication satellites. All Deep State influence has been severed. US Inc. has been dissolved. Admiralty Law was no more as Common Law Sovereignty now reigns.

One million White Hat troops have locked down the nation. Space Force owns the Heavens.

Thurs. 5 March 2026 evening raids by the Global Military Alliance and local law enforcement were historic. Multiple high value target extractions were now complete. Certain names you've heard for decades were no longer walking free. Their assets, frozen; networks, dead.

The Cabal's SWIFT Central Banking System was now dead. Legacy banks were only empty shells with no power. Bank Santander, Deutsche Bank, the Royal Bank of Scotland and other Cabal owned Central Banks were broke because of their practice of Fractional Reserve Banking (Banks lending money they don't actually have).

The gold-backed Quantum Financial System roars fully operational across 209 nations as the only operational financial system on the planet. Every individual money account has been mirrored onto the new system as Cabal banks evaporated in real time.

The QFS takeover hits peak velocity—no more fiat chains, IRS wiped out, Federal Reserve corpse rotting in history's dustbin. Sovereign Treasury fuels freedom with tariffs and sales tax replacing income slavery.

Humanitarian and redemption funds were moving through secured Military channels as we speak.

The Ten Days of Darkness has officially started – a controlled silence before every device – TV, Radio, Internet, Phone – goes dark.

When light returns every screen will show just one thing: the greatest reveal in history. ...Emergency Broadcast System on Telegram

A. A Plea For Help For A Profoundly Disabled Homeless Woman:

D.L. (initials only for privacy) needs help ASAP. She is **48** and has been sick with **M.E. for 29 years**, in the **severe stage for 11 years**, with an additional diagnosis of **Small Fiber Neuropathy**. She is profoundly disabled and her daily life is extremely hard.

Most of her time must be spent horizontal or her symptoms flare significantly, making basic daily tasks difficult or impossible. Her situation is **urgent and dire**.

She is currently homeless, surviving in a **tiny, loud motel room** with her **disabled cat**, and she has a **March 28 deadline** to find safe housing.

She has no family to help, receives only **SSI (\$967/month)** which doesn't cover rent or basic living and medical needs, and even with **six caseworkers** working for **18 months**, no workable housing solution has been found.

Before becoming severely disabled, D.L. was a **professional artist and teacher** whose work was shown internationally, she previously enjoyed **dancing and singing**, and the press described her paintings as **"color set to music."**

If you can help, please do. She needs support **immediately**. **Judy's team has personally known D.L. for 15+ years; everything below is verified and secure, and support through these links will get to D.L.**

Links (Venmo and PayPal preferred):

[Donate via Venmo](#)

[Donate via PayPal](#)

[Shop D.L.'s Art \(original paintings, fiber art, prints\)](#)

[GoFundMe Page](#)

What the money will go toward: keeping D.L. safe with **temporary housing immediately** (motel or short term housing), covering urgent essentials (food, medical basics, cat care), and paying for the logistics of a medically safer relocation (moving, storage, setup) until she can secure a **quiet, permanent, ADA accessible manufactured or mobile home on quiet land she can lease long term** for stable housing.

If you feel led to help, please act now. Even a small gift, or simply sharing this with someone who can help, could be the difference between safety and crisis for D.L. in the days ahead.

B. Sat. 7 March 2026 Update: Kaitlyn Hunter and Jeannine Larrick Case: "Jeannine Marie Larrick wants to go home."

On Feb. 23, 2026, I heard a knock at the door. These agents have terrorized Kaitlynn and I for 7 yrs of tyrannical abuse of power to judicially rape Kaitlynn and I. Depriving us is our

rights on a criminal cop assault for freedom of speech, and criminal Rico conspiracy coverup. The retaliation and coverup is insane and ongoing.

Judge Williams has denied and stricken everything I put on the record. Including discovery of Kaitlynn's neglect in Dayton.

I have fraudulent juvenile records from CPS, juvenile judge David Bennett, clerk Debbie Bennington, CPS Kaci Cole, covering up the fact Kaitlynn was in Dayton dimensional phases group home, or abused. 2024 CPS perjury, fraudulent juvenile records against the states discovery I am denied to date. They are saying I am crazy, and are striking everything from the record and forcing me incompetency evaluation.

Judge has ignored my filings, discovery and my proven exhibits of mental health is sound. They have stricken it all from the record and are probably trying to arrest me for not taking my incompetency evaluation at district 9.

District 9 Dr. Reasoner said I was incompetent because I didn't trust the government and suspected Rico. That put me in the mental ward 6 months while CPS took custody of Kaitlynn because CPS said I threatened her; with a 5-year jail sentence. During my jury trial, I was acquitted and should have got Kaitlynn back 2022. This covered up the crimes of kidnapping, cop assault, perjured CPS complaint that covered up the cop assault and perjury of our home and my lawful homeschool.

Judge David Bennett denied me to appear in court when he gave CPS custody. Sheriff department had me in jail on false criminal charges and denied me to appear.

The case was void 2-11-19 proven in exhibits. All suppressed and covered up.

Now we are at Round Two of the Dr. Incompetency and evidence and rights suppression with false continued criminal Rico conspiracy charges to cover up gross deprivation of rights to cover up their crimes, abuse, and neglect of Kaitlynn.

All agents in our case have committed crimes against humanity [Executive Order 13818].

Kaitlynn and I are not the criminals. We are retaliated witnesses since 2-11-19 on a void case and denied justice. For 7 years, all Cases were Void Ab Initio.

Juvenile and Probate Judge David Bennett who denied due process since 2-12-19, probated me to the mental ward, and stole custody, denying me the right to redress grievances, and suppressed all evidence.

If the current incompetency is said incompetent to stand trial then the lawful contract with a trusted family member to protect Mom's estate for the family could be rendered null and void because of a corrupt Dr.

I could lose my childhood home since 1971; everything Mom and Dad worked for, including my son's and mother's final resting place.

This would leave Judge David Bennett to probate the property if they continue their Systemic abuse of power and tyranny.

They need to honor my Ada legal abuse rights and cease and desist, their fraudulent charges false warrant. YouTube @OhioJusticeHunter

It's insane that I am being charged with obstruction of justice and interference of custody for saving and protecting Kaitlynn from years of CPS nyap abuse, neglect and child trafficking. We both have waited for justice since 2-11-19.

They don't want us to testify; while they fabricate fraudulent juvenile records and false charges to cover up their crimes - 7 years proven crimes of Rico conspiracy with malicious intent to deprive us of our rights.

L. Fri. 6 March 2026 IRAN'S SECRET PLAN TO ATTACK AMERICA EXPOSED — 3,500 MISSILES, 2,000 DRONES AND SLEEPER AGENTS ...Mr. Pool on Telegram

Newly captured intelligence files from Iranian military computers reveal a large-scale war plan targeting U.S. forces and infrastructure. The documents describe a coordinated attack involving ballistic missiles, drones, cyber warfare, and sleeper agents positioned inside the United States.

According to the files, the plan began on January 12, 2026, when Iran's Supreme Leader Ali Khamenei reportedly ordered the Islamic Revolutionary Guard Corps (IRGC) to prepare for war. The IRGC controls Iran's missile systems, drone forces, and foreign military operations.

MISSILES AND DRONES PREPARED FOR STRIKE Operational command was reportedly assigned to Quds Force commander Esmail Qaani together with IRGC aerospace chief Amir Ali Hajizadeh.

Their forces moved approximately 3,500 ballistic missiles and 2,000 attack drones to hidden launch sites in western Iran, with additional weapons placed in Iraq and Syria.

Primary targets included U.S. military bases at Al Asad (Iraq), Al Tanf (Syria), and naval facilities in Bahrain and Qatar.

SLEEPER AGENTS AND CYBER ATTACKS Leaked intelligence also claims Iranian networks activated sleeper agents inside the United States, reportedly connected to Hezbollah-linked groups operating through Venezuela and areas near the U.S.–Mexico border.

At the same time, cyber units in Bandar Abbas tested malware designed to attack U.S. power grids and banking systems. The goal was to trigger blackouts and financial disruptions during the missile strike to slow the American response.

FOREIGN SUPPORT AND FUNDING Financial records recovered from the computers show that the operation was heavily funded through international channels.

Between December 2025 and February 2026, around \$1.8 billion allegedly moved from Chinese-linked banks through Qatar, helping Iran purchase advanced missile guidance systems from North Korea.

Intelligence reports also indicate Russian advisors assisted Iran with methods to conceal missile launches from satellite detection.

OPERATION EPIC FURY The war plan was reportedly discovered after U.S. forces seized Iranian command data during Operation Epic Fury.

On February 28, 2026, U.S. B-2 bombers and drone units launched coordinated strikes against 17 missile storage sites across Iran. Special operations teams simultaneously targeted senior Quds Force commanders.

Key nuclear infrastructure at Natanz and Fordow was also struck, while U.S. naval forces engaged Iranian vessels near Bandar Abbas.

Military sources state the operation lasted less than 12 hours and significantly damaged Iran's missile capabilities.

CURRENT STATUS As of March 5, 2026, follow-up operations are ongoing to locate remaining missile stockpiles connected to the original attack plan.

According to the captured files, the strike against U.S. forces was scheduled to begin in late February 2026, but the operation was disrupted before any missiles were launched.

Fri. 6 March 2026 TRUMP UNLEASHES TOTAL DOMINATION: OPERATION EPIC FURY CRUSHES IRANIAN TERROR REGIME – WWII PLOT SHATTERED! ...Juan O Savin on Telegram

Patriots, the storm is raging! President Donald J. Trump has unleashed Operation Epic Fury, a merciless blitz obliterating the rogue Iranian terrorist regime after 47 years of bloodshed against America. Deep state cowards who sent Obama's pallets of cash, who let Iran kill our boys in Beirut and Iraq – their reign of weakness ends now. Trump finishes what traitors refused.

Young Trump, just 30, told Rona Barrett Iran holding hostages was "ridiculous." He demanded troops storm in, bring our boys home, show unbreakable strength. Today that fire roars. He always knew. He predicted. Now he delivers.

Operation Epic Fury is demolishing Iran at warp speed. Over 2,000 targets vaporized, hundreds of missiles, launchers, drones erased. Navy sunk – 20+ ships gone, top sub torpedoed

like WWII. No Iranian vessel sails the Gulf. Air dominance hours away. Proxies crumbling fast. Nuclear threat? Forever dead. Builds on last summer's Midnight Hammer gutting sites – Iran rebuilt, so Trump ended it permanently.

Smart Traveler evacuates Americans – 17,500+ home safe, 800+ more assisted. Trump shields patriots first.

Three ayatollahs declared global jihad fat was against non-Muslims everywhere. Dearborn, Michigan Shiites honor “martyrs” while branding us Satan-led. Sleeper cells in Latin America, here at home, groomed for activation. Trump plays whack-a-mole masterfully – rise up, get crushed. Decapitate leadership until collapse. No more tolerance.

This crushes Albert Pike's 1871 Luciferian blueprint: three world wars for NWO. First topple czars, birth communism. Second fuel Nazism, create Israel. Third? Islam vs Zionism mutual destruction, exhaust nations. Pike, KKK founder, occult master – his plan burns. No WWII. Trump torches the script.

Iran funded terror killing 241 in Beirut, embassy seizures, endless American blood. Weak leaders appeased. Trump acts decisively. Future generations thank him for extinguishing Tehran's nuclear shadow.

Warriors unstoppable. B-2s dominate, precision fury. Minimal boots – back Kurds, locals reclaim nation. No forever wars, pure victory. Recruitment exploded under Trump – real patriots join a true commander.

Deep State layers – Knights of Pythias castles, Masonic control over Congress, judges, churches – exposed, crumbling. Trump drains it. Peace Board replaces UN/NATO. Total transparency.

Trump's message: Ahead of schedule, missiles gone hourly, navy erased, air force null. They beg deals – too late. He wants them finished. Ends 47-year horror. No more cash to enemies. America First, strength eternal.

Patriots, enemy rages because end nears. Trump delivers biblical justice against darkness. WWII ignition plan? Ashes. We win. God bless Trump, military, awakening giants!

Great Awakening unstoppable. Iran falls, freedom rises. Hold the line – victory ours!

Mass Arrests:

P. Fri. 6 March 2026 GEORGE SOROS IS UNDER HOUSE ARREST. HIS SON JUST FLED TO DUBAI. ...Mr. Pool 2.0

While America slept, federal agents surrounded the Soros estate in Katonah, New York. 47 agents. 12 armored vehicles. A helicopter circling overhead.

George Soros — the man who funded every riot, every prosecutor, every open border initiative in America for 30 years — is now confined to his property under federal surveillance. No handcuffs. No perp walk. Not yet.

But his son Alexander Soros wasn't there. He boarded a private jet at Teterboro Airport at 3:22 AM — destination: Dubai. The UAE has no extradition treaty with the United States. He knew what was coming. His father didn't.

THE EXECUTIVE ORDER THEY HID FROM YOU On February 14, 2026, Trump signed Executive Order 14291. No press conference. No announcement. Buried on page 47 of the Federal Register.

Title: “Freezing Assets of Persons Engaged in Transnational Criminal Organizations Targeting American Sovereignty.”

It gives the DOJ authority to freeze all assets of any individual funding illegal immigration networks, seize properties used to coordinate political interference through foreign-funded NGOs, and detain persons of interest for up to 90 days under national security provisions.

Soros's Open Society Foundation has funneled \$32 billion into 120 countries since 1993. Including \$1.7 billion into US district attorney campaigns and immigration advocacy. Every dollar is now under federal review.

THE 14 PROSECUTORS The “Soros DAs” — the district attorneys he funded across America — 14 of them received federal target letters this week.

— **Alvin Bragg (Manhattan)** — the man who indicted Trump. Now under investigation for receiving \$1.1 million from Soros-linked PACs while prosecuting a political opponent.

— **Kim Foxx (Chicago)** — dropped charges on 25,000 felony cases. Received \$2 million from Soros.

— **George Gascón (LA)** — recalled by voters. Now facing federal charges for obstruction.

— **Larry Krasner (Philadelphia)** — \$1.7 million from Soros. Murder rate tripled.

They weren't prosecutors. They were operatives paid by a foreign-born billionaire to dismantle American justice from the inside.

THE EPSTEIN CONNECTION The DOJ's Financial Crimes Unit found \$6.2 billion moved through 340 shell companies in 27 countries since 2020. Including:

— **\$890 million** to NGOs that coordinated migrant caravans from Central America

— **\$240 million** to media organizations — including shares in 4 major US news networks

— **\$47 million** to the same Butterfly Foundation linked to Jeffrey Epstein

Soros and Epstein shared the same money laundering network. The same foundation. The same banks. The same lawyers.

TRUMP KNEW In 2019, Trump told a reporter off-camera: “Soros is next. But we need the right tools first.”

He waited. He won. He signed EO 14291. And now — at 85 years old — George Soros is sitting in his mansion, surrounded by federal agents, watching his empire collapse.

His son ran to Dubai. His prosecutors are getting target letters. His money is frozen. His NGOs are under investigation.

30 years of funding chaos. Ended in one night. The man who bought America’s justice system just lost everything. Share this — the puppet master has fallen.

Q. Fri. 6 March 2026: Whistleblower exposes MASSIVE operation and foreign involvement in the U.S. 2020 election, connected to a Chinese factory producing 500,000 counterfeit ballots monthly and fake IDs. ...The Scif on Telegram

This aligns with Sidney Powell's evidence of plane loads of fraudulent ballots and IDs entering via Mexico and Canada borders, including U.S. Customs and Border Protection's interception of over 19,000 Chinese-origin fake IDs at Chicago's O'Hare mail facility.

The scheme matches testimonies, and seized physical evidence used to generate fraudulent IDs, registrations, voters, and ballots, representing some of multiple methods deployed across states to steal the 2020 election through extensive foreign involvement, installing Joe Biden as a deep state presidential puppet.

R. Fri. 6 March 2026: Dominion Voting Systems allegedly deleted 2.7 million Trump votes nationwide, switched 221,000 in Pennsylvania, and flipped 435,000 across key states in the 2020 election. ...Alex Jones on Telegram

Former CIA Chief Gary Berntsen claims the Venezuelan "Cartel del Sol" controls Smartmatic and Dominion systems, rigged per Hugo Chavez's orders, using Chinese hardware and Serbian servers to manipulate the 2020 election.

This connects to a global election fraud cartel with various "manufacturers" across countries, sharing identical software/hardware under different logos, controlled via common source codes and keys.

It spans 100+ nations like Canada, Brazil, South Korea, Congo, Australia, Ecuador, South Africa, Armenia, Argentina, Afghanistan, Ethiopia, El Salvador, Yemen, Uganda, Uzbekistan, Ukraine, Iraq, Egypt, Indonesia, Jamaica, Zambia, Georgia, and more.

They allegedly use U.S. taxpayer funds via USAID, AWEB, trafficking, and shady NGOs to finance fraud, color revolutions, psychological warfare through the media, and ground-level election influence.

We won't have a country anymore if we don't start to fix our elections. If the U.S. falls, the rest of the world will follow.

S. Fri. 6 March 2026 Journalist Avery Daye exposes the history of Minnesota Rep Ilhan Omar ...Steve Bannon on Telegram

"Ilhan Omar — I figured not enough people know about her family's history, so let's recap: Her dad and her grandfather were both high-ranking military officials in the Barre regime, which killed over 200,000 people. They're most famous for the Isaaq genocide — it was the worst of the worst: aerial bombings, executions, man-made famine.

People massively suffered under this regime, with the help of people like Ilhan Omar's family who supported the regime and carried out this, this horror.

They have family ties to this guy known as the Butcher of Hargeisa, and his whole shtick was "kill all but the crows."

"So the suffering of the people of Somalia was so bad that there was a civil war and the regime was overthrown. Her family fled first to Kenya and then Minnesota, claiming they're like these asylum seekers.

These poor, poor people. No, no, no, no. They were fleeing to escape being held accountable for what they did. She was not oppressed. Her family, they were the oppressors."

"So for the Democratic Party to have her as a representative is insane to me — and the way that they've like rebranded her as all this poor refugee? No, no. She wasn't a refugee of war. Her family created the war."

T. Fri. 6 March 2026 The Weiner laptop, Hillary Clinton, NYPD Chief Steven Silks, and 9 dead cops. Why did Hillary Clinton's lawyers freak out when asked about this file on the Weiner laptop? ...The Schif on Telegram

NYPD Police Chief allegedly involved with the Weiner laptop dies by suicide with a gunshot wound to the head one day before his retirement, exactly in the same manner as another 9 dead cops right after they allegedly confront the FBI and threaten to go public, unless the feds press charges on U.S. politicians and other elites found committing horrific crimes against children, money laundering, and other felony crimes on the Weiner laptop.

They allegedly also made copies and would explain why so many police decided to all be "suicided," all the same way, in a small period of time. The million dollar question remains, "Who made copies of the Weiner laptop hard drive, and does anyone still have them?"

What is the FBI doing now with the Weiner laptop?

Hello Judy,

The situation is extremely dangerous at the moment. I can't leave my home anymore, other than take Gabriel to and from school and going to the supermarket. Last Monday there was another kidnap attempt at the supermarket parking lot. I'm in such a stressful and dangerous situation.

I ask you to please publish and relay to your contacts in other media outlets for publishing the below article as soon as possible, with an update of my situation, request for help and offering of doing any online administrative work in any of the four languages I speak.

Maybe someone benevolent that has funds will hear my call and give me some online work so that I can provide for my son and keep us safe until the rv is here.

Thank you from my heart.

UPDATE ON THE MOM AND SON IN BELGIUM SURVIVING ON GOD'S GRACE

It's been six grueling years since I first found out about the ritual abuse my son's father was perpetrating on my son.

I separated from the father when my son was 1 1/2 years old (he is 12 now). My life became a living nightmare from that moment. At the time I had no idea how large and powerful the Satanic Ritual Abuse Network (SRA) the father belongs to is here in Belgium. I had no idea how intricately and highly involved many of my own family members, police, school, medical and judicial systems are.

I didn't comprehend the number of handlers and the endless resources they had at their disposal to target anyone, at any time. I didn't understand how most of my life experiences and encounters were not organic in nature but arranged by this network.

I started then my desperate journey to try to save my son and to have both of us rescued to a safe life. The targeting and harassment increase with every passing year, as does my understanding of what and who I am dealing with.

For example, with the help of the school SRA Network, they tortured my son and then his father went to court to ask the judge to designate a psychologist who is also part of the same network to « help » the very child being harassed.

I later found out that this was all culminating in their plot of my son's "suicide" which would simultaneously trap me into the false position that I refused to help my son.

At my son's small high-end school (the father is very wealthy and petitions constantly to control my son's school, doctors, imposed "therapists," etc.) the director and many teachers are fully involved in harm, shaming, rituals and abuse of the children on the school premises as well as at other outside locations - such as during illegal sudden pop up field trips.

Many parents are involved too and use their children to daily torment and violently bully my son. The corrupted teachers always back bullying, lying, violence and intimidation. My son is often sent home as the one admonished.

We have only survived this far by God's grace and my constant reporting of everything I experience and witness. I will never give up. I have huge amounts of detailed reporting of the harassment, targeting, attackers, poisonings, kidnapping attempts, among so many other threats to our safety and attempts on our lives. I have pictures, videos and documentations with the names, dates, locations of the on-going incidents and the roles of those involved.

I have contacted many international organizations and individuals who are aware of the SRA networks. I report mine and my son's conditions, incidents, and whereabouts all day every day to my longtime closest friend who works to free The Children. I constantly report details such as the intense persecution my son endures and the frequent beating on my doors and windows at all times of the day and night.

Unfortunately, nothing has happened ... yet. I was promised fake rescue two times both with dark agents posing as benevolent military. I have a safe place to go but with no way to get there.

The situation is so extreme at the moment that I can no longer leave my home. Many of my neighbors are part of the network. I can hear ceremonies through the walls and the screams of children. I can often track when I am targeted with technology or black magic.

I have my son one week out of every two, so I leave to take him to school and back and to buy food. We face constant attempts and threats of harm and even kidnapping while we just are leaving or entering the building or in the supermarket parking lot. The school is very active trying to harm us both. The parents and teachers openly mock me as their children do my son. I could go on and on with specific documented incidents: the dentist, the speech therapist, the school coach and so on.

I tracked that every time that there is a legitimate plan to harm us through a meeting at school or an appointment or such, my son's father leaves the country. Many times, I have saved my son from rituals by tracking such markers. Yet ... every other Monday I must release my son from my safe arms into a new week of danger and real harm.

If anything happens to me or to my son, reports are poised to be spread far and wide making the father's name and others well known. They try but they will never make me disappear without the world knowing what they do.

If my story sounds fantastic to you ... I would say my story is one of millions. We just don't realize it yet.

I am here to beg for help one more time.

It has become so dangerous that I can't leave my home and besides that I am outright blocked from outside work. But I won't lose this home, the only safety my son has.

My resources are running out. I will take any integrity online work that I can do from the safety of my home. I need to be able to work to make at least 1000 eur a month for us to survive here.

I can offer a vast range of online work. I have administrative experience including office, organizational and research skills. I am fluent in French, Portuguese and English. I also speak moderate level Spanish. I can research, translate and edit multi-lingually.

If you can help me and my son, please contact me at the following email address (created for this exchange): contact.help2026@proton.me

Thank you.

Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits.
