“Choosing to remember God mutes our murmuring. Focusing on Him and acting on His promises points us forward. And so, in those moments that are hard, when the days feel long, or when hope seems distant, let us remember that the same God who delivered Israel still delivers His children today.”

Judy Note: Sun. 12 April 2026 Military Intelligence reported that a massive underground tunnel city discovered directly beneath Washington DC has been the central hub of the Clinton Child Trafficking Ring for over 30 years.

Direct high speed rail lines run from Hillary’s Chappaqua Estate straight into the White House basement and capitol sub levels.

As of this hour over 412,000 children have been rescued from this single network – many of them reporting they were moved through these very rails during the Clinton years.

Also on Sun. 12 April 2026 President Trump confirmed from his secure bunker that the US has fully secured the Iran Underground Plant vault south of Tehran. There, US Special Forces extracted the original Epstein Extortion Archives – every tape, every session, every name. He now had the proof to take down the fake-Jewish Zionist and Deep State Cabal’s Ninth Circle’s International Child Sex Trafficking Ring of Epstein’s circle.

Epstein victim Maria Farmer said the “circle” saw themselves as the "chosen race," believing their DNA made them superior. According to Farmer, they openly demeaned and looked down on gentiles.

These Zionists Deep State Cabalists had built a Worldwide power structure through Central Banks, private agencies and captured US Government departments. Using compromised politicians, they money laundered American tax dollars into black budgets that financed bio-weapon labs, extensive Child Sex Trafficking tunnels, election manipulation tools and surveillance grids used to manipulate and maintain their power.

Meanwhile President Trump has quietly seized full control of the Deep State Cabal's money source: the fiat currency of the Global Financial System. **Last Tues. 7 April 2026** Trump implemented a gold/ asset-backed Global Currency Reset in 209 countries, thereby taking away power from the corrupt Cabal by establishing a sovereign gold-backed US Treasury Note system.

Trump also made sure there was no more income taxes – only tariffs plus a simple 14% sales tax on new goods. The fiat dollar was dying and the entire Deep State Empire was melting down in real time!

Those acts produced a need for soon activation of the Emergency Broadcast System to expose all. Worldwide, temporary Martial Law would remain in full effect to keep Homelands calm while the truth hits like thunder.

Another Trump accomplishment: On Mon. 13 April 2026 Phase One free Med Bed treatments expanded for true patriots. Vaccine-injured patriots and Deep State victims would be first in line for miraculous healing.

The center of the Ninth Circle Satanic Cult's power lay in their international Child Sex Trafficking. Ron Newt was only one example of how they manipulated to stay in control. They offered Newt \$200k to lie about his kids being touched by Michael Jackson and do a TV special on it with Deep Stater Oprah Winfrey. He declined, though was pronounced dead shortly after his statement.

Oprah Winfrey had several connections to Child Sex Trafficking, hung out with the Epstein crowd including known child sex offenders, harbored a Child Sex Trafficking tunnel beneath her Maui Hawaii Estate, her African girls school was involved in multiple law suits that indicated sexual abuse of students, Oprah was called a "slave trader," and was believed behind the Cabal's destruction of Liahona Maui Hawaii so the Cabal could turn the former Hawaiian Native Capitol into a "Smart City."

The Ninth Circles Child Trafficking tentacles stretched far beyond the US. **Sat. 11 April 2026:** [A Mother's Cry for Justice: Trapped in a Web of Corruption, One Woman Fights to Save Her Son from a Dark Network - They Tried to Silence Her, but Now the World Will Hear Her Story! - amg-news.com - American Media Group](#)

Of course, none of the Cabal's illegal activities could happen without the cooperation of local law enforcement – that was supported by the higher ups in Washington DC. Eight years

ago I wrote the below article about how the FBI, CIA, Homeland Security and even local police were complicit in Child Sex Trafficking.

It appeared that nothing was done about it until Trump and his Global Military Alliance activated. Thus, the haunting question remained – how many millions of children have been tortured and abused without the protection, and downright permission of our legal authorities, since the Satan Worshipping bankers took over our Global financial system?

A. Possible Timing:

On Mon. 6 April 2026: The new Global Quantum Financial System was operational in 209 nations with gold backed currencies ending the fiat debt slavery. Trump had

ripped financial control of the World from the Cabal, restoring the sovereign US Treasury. No income taxes tariffs and fair sales tax now ruled.

On Tues. 7 April 2026: Banks were briefly dark as old debts were erased. IRS abolished. Prosperity funds launched for We The People. The Cabal's SWIFT Global Financial System (Society for Worldwide Interbank Financial Telecommunication) officially died and admitted that all messages about financial payments must now only be sent in the ISO 20022 format. This format worked with a number of payment and settlement methods, such as wire transfers across borders and securities transactions. This had an impact on over 11,000 banks, 200 countries, and \$5–7 trillion worth of transactions every day.

On Sat. 11 April 2026 at precisely 06:00 EST, control of global satellite communications shifted. Space-based infrastructure was now under military command. Starlink systems have been rerouted to secured frequencies beyond civilian access.

On Sun. 12 April 2026: Start of new Financial Era

On April 13, 2026 President Donald Trump was set to make an announcement aimed at dismantling entrenched power structures that have controlled governments, finances, and media for decades.

On Sat. 18 April 2026: Possible EBS Broadcast

B. Emergency Broadcast System:

Sun. 12 April 2026: <https://gazetteller.com/breaking-now-us-military-units-in-high-gear-on-ebs-training-full-control-of-tv-phones-and-internet-being-prepared-now/>

The White House has signaled that the time has come.

Sometime in the next two days a blackout and lockdown will be Global in all countries of the World.

It will last ten to twelve days when everyone will be asked to stay at home during a specific five hour window.

You will see the Global Military Alliance on the streets making arrests of corrupt pedophile Satan Worshipers.

The corruption was coming to an end. The Old World would end with a broadcast.

The New World would begin as you explained to those around you what was going on.

C. On Wednesday, April 18, 2026—a global announcement was reportedly scheduled to be delivered through the Emergency Broadcast System (EBS), reaching mobile devices across the world.

According to these claims, the announcement would address issues tied to U.S. national security and introduce sweeping economic reforms associated with the so-called NESARA/ GESARA framework. These reforms were described as a means of eliminating global debt and redistributing wealth back to citizens.

By that point the EBS would have overridden major media channels—including television, radio, and internet platforms—to ensure universal access to the message. The broadcast was expected to instruct people worldwide to return home within five hours in preparation for a temporary global lockdown, estimated to last between ten and twelve days.

During the first 72 hours of this period, it was claimed that coordinated transmissions from multiple countries would air continuously in numerous languages. These broadcasts were said to present extensive documentary-style content outlining alleged covert operations by an international alliance working to dismantle entrenched power structures and reveal hidden truths to the global population.

D. EBS, Blackout, Martial Law, Lockdowns

The Worldwide EBS Emergency Broadcast System was about to begin its final phase, which included 10 days of darkness, mass arrests and nationwide operations. A whopping 50,000 military troops have been mobilized to ensure the EBS is supported.

With U.S. Inc. Dissolved, President Trump Has Restored America’s Sovereignty by a return to the original Constitution & Common Law, while Maritime Law has officially collapsed.

As Commander In Chief of the Global Military Alliance, President Trump has given a go for the Military to take down the Deep State Cabal across the World.

Expect Soon Worldwide EBS, Blackout, Martial Law & Lockdowns for 10 to 12 Days
During Mass Arrests

Prepare. Trust The Plan.

On Sat. 11 April 2026 at precisely 06:00 EST, control of global satellite communications shifted. Space-based infrastructure is now under military command. Starlink systems have been rerouted to secured frequencies beyond civilian access.

TEN NATIONS are moving in lockstep, aligning their Emergency Broadcast Systems for synchronized activation. What follows is not a message — it is a controlled, global disclosure event.

THE BROADCAST PROTOCOL: 8 HOURS PER CYCLE, 3 TIMES DAILY, 10 CONSECUTIVE DAYS

No interruptions. No external interference.

WHAT WILL BE EXPOSED:

- **Military tribunal** recordings involving high-ranking political figures, corporate elites, and media power players
- **Documented evidence** of international trafficking operations

- **Classified bioweapon programs** tied to state-level funding
- **The transition framework:** QFS activation and NESARA/GESARA rollout sequence

MARTIAL LAW PROTOCOLS will be enforced during the broadcast period to maintain stability. National Guard units are already positioned across multiple regions.

Recent global conflicts were not the objective — they were the distraction.

The real operation has been unfolding behind the scenes.

TARGETS SECURED. EVIDENCE PREPARED. TIMELINE LOCKED.
Authorization was finalized. The directive was given.

The system you've known is reaching its end cycle. A new structure is being introduced — controlled, monitored, irreversible.

Prepare accordingly. Secure essentials. Stay informed. Keep communication lines open with your family. The next phase will not be explained — it will be shown. **STAY ALERT.**

F. Possible Med Bed Timing:

On Sun. 12 April 2026 trusted White Hat military intelligence sources confirmed that Med Beds activation is accelerating at lightning speed as the Global Currency Reset fully ignites the gold-backed Quantum Financial System across all 209 nations.

President Trump has seized full control from the corrupt Federal Reserve Cabal and established a sovereign Treasury Note system. No more income taxes – only tariffs plus a simple 14% sales tax on new goods. The fiat dollar is dying and the entire Deep State empire is melting down in real time! Vaccine-injured patriots and Deep State victims will be first in line for miraculous healing.

On Mon. 13 April 2026: Phase One free Med Bed treatments expand for true patriots. Big Pharma's evil monopoly is shattered as advanced plasma technology heals humanity. These Med Beds reverse aging, regrow limbs, cure every disease, restore perfect DNA, and record holographic evidence of satanic rituals and global elite child trafficking networks. The guilty are panicking!

On Tues. 14 April 2026: Med Beds fully operational in secure military sites worldwide. Priority given to vaccine-damaged heroes, veterans, and rescued children from DUMBs. Holographic evidence floods tribunals exposing the Khazarian Mafia and Vatican crimes. The largest pedophile roundup begins under military supervision.

On Wed. 15 April 2026: Community Med Bed centers powered by free energy open in major cities. Families reunite with healed loved ones while rescued children name elite abusers, triggering mass arrests and dismantling of trafficking operations. Justice is being served!

On Thurs. 16 April 2026: Holographic Med Bed evidence starts flooding Starlink EBS. The satanic cabal collapses publicly as their crimes are exposed for all to see. Trump readies a powerful message of victory to the nation.

Safe link will be released closer to go date.

Rates are EXTREMELY high!

We are almost at the end of the road.

All intel is saying "Next Week"

Judy Note: We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

Tier Groups of the Global Currency Reset:

Tier 1: Central Banks, sovereign treasuries, financial elites

Tier 2: Private banking institutions, massive trusts, religious financial networks

Tier 3: Historical bondholders, private wealth families (“whales”)

Tier 4A: Military-connected insiders and operatives

Tier 4B: The awakened digital community (YOU)

Tier 5: The general unaware public

H. Global Financial Collapse:

Banks operate with 0% reserve requirements, while loaning out up to 26x your deposits. We’re sitting on a massive \$2 quadrillion derivatives market – and if things go south, the entire system could collapse. They loan what you don’t have. They bet on what doesn’t exist. They build everything on a foundation of air. And you’re inside it. ...The MAGA King on Telegram

I. Sun. 12 April 2026: OPERATION FINAL JUDGMENT: THE CRACKDOWN HAS BEGUN ...Julian Assange on Telegram

At first light, a decisive operation unfolded across the United States. Under direct military coordination, thousands of individuals accused of undermining national interests were taken into custody in a synchronized, large-scale sweep. Within hours, transport aircraft were mobilized, moving detainees toward secured military facilities for further processing.

This was not random. It was structured, calculated, and executed with precision.

The operation targeted a wide network of figures across multiple sectors, individuals long suspected of operating behind the scenes in ways that weakened institutional stability, distorted public systems, and redirected national priorities. For years, these concerns were dismissed or buried. Now, they are being acted upon.

Simultaneous actions took place across major cities and strategic regions. There were no prior announcements, no leaks, and no hesitation. Teams moved quickly, securing locations and transferring detainees through controlled channels. The scale alone signals a shift that many believed would never come.

At the center of this moment is a deeper claim: that power structures had grown beyond accountability, protected by complexity, influence, and silence. This operation challenges that idea directly.

Processing is ongoing. Facilities are operating continuously, handling intake, identification, and case review. What was once speculation is now being translated into action, with systems moving faster than traditional channels ever allowed.

The broader impact is already being felt. For many, this represents a turning point, a moment where long-standing frustrations meet visible response. For others, it raises serious questions about how such power is exercised and what comes next.

One thing is certain. This marks a shift in direction. A moment where control, accountability, and authority are being redefined in real time.

J. Sat. 11 April 2026: EARTH ALLIANCE WAR ACTIVE NOW: U.S. MILITARY RAIDS GLOBAL UNDERGROUND BASES AND BIOWEAPON LABS, SEIZES FREE ENERGY TECH, IRAN TUNNELS COLLAPSE, FINAL DISCLOSURE NEXT! ...Mr. Pool on Telegram

The Earth Alliance is running active military operations right now across multiple continents to complete the takedown of the global Cabal. White hat forces in the U.S. military, Space Force, and allied special units are raiding vast underground tunnel networks, seizing bioweapon labs, and shutting down human trafficking pipelines that funded the old evil power structure.

These operations directly empower Donald Trump's America First agenda by removing the hidden infrastructure that assaulted American sovereignty for decades.

High-level sources confirm raids on ancient tunnel systems in the Middle East repurposed by Cabal assets in Iran. U.S. and allied forces are liberating thousands of trafficked children and victims while capturing exotic technologies.

Extreme depth earthquakes from USGS mark the underground battles against Deep State holdouts and negative elements. Positive Inner Earth forces aid in clearing portals and advanced weapons aimed at the people.

Trump's team coordinates strikes via secure channels to dismantle Cabal financial nodes tied to energy suppression. Every raid seizes black project assets, promising lower costs and innovation explosion for patriots.

During March and April 2026, the Alliance intensified tunnel clearances connected to trafficking and illegal arms. Strikes hit sites in over 100 countries targeting trafficking, bioweapons, and energy grids.

Quantum free energy technologies are recovered as labs come under white hat control, heading toward public deployment to end scarcity.

Tribunals process Cabal elites in real time, spotting clones with advanced scans. Mass arrests are on track with EBS prepared for full disclosure activation.

The Quantum Financial System activates gold-backed transactions replacing fiat slavery. NESARA/GESARA triggers debt jubilees and prosperity releases from seized assets across 209 nations, restoring sovereignty to Americans first.

The Earth Alliance controls Stargates, and Iran ops secured the final node for non-human intelligence disclosure. Trump prepares to release UFO data and suppressed tech linked to free energy.

Space Force protects from orbit as benevolent craft counter threats. Bases in Antarctica, Moon, and Mars are being liberated from the Dark Fleet.

Cabal figures beg for deals but face full accountability. Free energy prototypes test successfully, set to create high wage jobs and smash monopolies.

Trafficking pipelines and bioweapon sites face permanent destruction. Citizens reclaim resources and security.

President Trump directs strategy with white hat briefings. Deep State countermoves fail as earthquakes signal ongoing victories.

White Hat coalitions advance under American leadership. The Cabal falls as free energy, prosperity, and the Great Awakening bring total victory to the Republic. Patriots, the storm is here and the deep state is finished forever.

K. Thurs. 28 June 2018: [Millions of Sex Trafficked Children Refused Help by FBI, CIA, Homeland Security | Celebrities | Before It's News](#)

Just since Obama opened the Mexican Border, millions of children were estimated to have been sold by government authorities, or even their own parents, into slavery and Sexual Prostitution along our US/Mexican Border. The obvious lack of girls in US immigrant detention facilities was suspected to be due to after, or even prior to reaching the border, children were trafficked for sex, mind control and eventually, for their organs.

President Trump's first official act the morning right before he was sworn in, was to visit CIA headquarters, where he began a crackdown on international child trafficking. This was a huge problem inherited by Trump. Evidently even today, Trump has not been able to handle the rampant pedophile problem embedded within the US political arena including the CIA, FBI and Homeland Security.

According to victims and two Congressional hearings on human experimentation, the CIA has trafficked children for sex and torture since it's inception after World War II when it brought mind control experts from Nazi Germany into the US, Canada, Australia and the UK. [/crime-all-stars/2013/12/are-governments-abusing-children-in-mind-control-experiments-2447884.html](#)

Some FBI Agents have tried to follow up on child trafficking complaints, but have been consistently stonewalled by the Department of Homeland Security according to an informant who recently reported to Dave Hodges.

On page 324 of the recently released IG Report it said that an FBI Case Agent discovered an email from Hillary Clinton that referenced child trafficking, but he was told, "We can't be looking at this."

Page 294 of that same report detailed a meeting between FBI Director Coleman and James Comey that mentioned HRC (Hillary Rodman Clinton), Crimes Against Children and 675,000 Clinton emails that were on the Anthony Weiner computer. Either Coleman or Comey were told, "We can't be looking into this."

Last month the Department of Homeland Security refused Oregon Democrat Senator Merkley entry into an immigrant child retention facility in Brownsville Texas. Authorities called police and wouldn't even speak to the Senator. "The tiniest kid at the front of the line, he was knee-high to a grasshopper. He was 4, maybe 5 years old" Merkley said.

Around June 8 a suspected Child Sex Trafficking Camp was discovered near Tucson Arizona, yet Arizona police, State Patrol and federal agents saw no need to investigate. A Veterans group had found and photographed evidence of child sex trafficking such as restraints chained to trees, toys next to used condoms and small holes dug into the dirt only big enough to

contain a child. Tucson legal entities refused to investigate the find, plus the vet group was refused access back to the property. A day later the group *was* able to video some bulldozers covering up evidence that they had reported to Tucson legal entities – the same who refused to investigate.

Subsequent videos placed on the internet showed houses along a border trail in the middle of nowhere with painted kids rooms that were fully set up with \$100,000 generators and sensor cameras. One video showed black smoke from several fires evidently started by the “law.” In a house they found marked maps showing more public and private land locations for child trafficking – at least a dozen across a few mountains. “It looked like the police were being paid to look away,” an informant said.

On June 16 Kristine Guerra of *The Washington Post* discussed a little girl no older than two who was taken from her mother the night before and brought to a shelter run by the Office of Refugee Resettlement along the Texas border. She was screaming and pounding her fists on a mat. The shelter providers weren’t allowed to console her.

It was a rule at the shelter that staff were not allowed to touch children in their care. From this author’s experience I would say that’s a basic rule for the mind control of children: traumatize them, and then don’t help them to process the stress.

Over a year ago a Child Trafficking Scandal “Tucson-Gate” was suspected to have linked child trafficking to the Clintons, Tucson Arizona Mayor Jonathan Rothschild and Casa de Los Ninos children’s shelter. Evidently the IG Report found thousands of emails on Anthony Weiner’s laptop concerning the Clinton Foundation and their Crimes Against Children – that have yet to find the Main Stream Media.

Two years ago John Cruz, former VP of HSBC, tried to get charges filed on child trafficking, but Loretta Lynch looked the other way.

In 2013 Barack Obama separated 72,410 children from their illegal immigrant parents who were deported. *The Huffington Post* reported: “Immigration and Customs Enforcement last year carried out more than 72,000 deportations of parents who said they had U.S.-born children, according to reports to Congress obtained by The Huffington Post.”

The reports were sent by ICE to the Senate Appropriations Committee and the Senate Judiciary Committee, as required by law. ICE confirmed the authenticity of the two reports, which lay out 72,410 removals of immigrants who said they had one or more U.S.-born children in 2013. The reports show that even parents of U.S. citizens are among the hundreds of thousands of undocumented immigrants being expelled from the United States each year. When a parent is deported, their U.S.-born children sometimes leave with them. But some stay in the U.S. with another parent or family member. Some children end up – or were lost – in the U.S. foster care system.

Minnesota parents have been concerned about that foster care system. They were suing to shut down child protective services for not protecting children. Survivors of child abuse nationwide have expressed the same concerns about perpetrators being approved as caregivers and receiving foster children for the express purpose of child exploitation:

<https://eraoflight.com/2018/06/11/over-1200-minnesota-parents-are-suing-to-shut-down-child-protective-services/>

Back in 2015 there was a criminal case and in 2016 a Senate report, about a Marion, Ohio human trafficking ring that used migrant children for forced labor on an egg farm. A *New York Magazine* report stated: “The left-leaning media stayed strangely silent when the detention of migrant children went on for years before Trump took office... and now it looks like they also kept quiet when Barack Obama’s administration literally placed immigrant children in the hands of human traffickers just a few years ago. The United States government placed an unknown number of Central American migrant children into the custody of human traffickers after neglecting to run the most basic checks on these so-called ‘caregivers.’” </politics/2018/06/obama-separated-72410-children-from-their-illegal-immigrant-parents-3009386.html>

L. Judy Note: Understand Who Your Enemy is – the Devil Himself: Trump and the Global Military Alliance were literally leading a Battle of Good Against Evil. In reality, they were fighting the centuries old Illuminati Ninth Circle Satanic Cult centered at the Vatican, which was considered the most powerful Satanic force in the World.

The Ninth Circle was composed of Global leaders who worked out of US Inc, the UK Crown’s City of London and the Vatican. They kept in power by holding throughout the year, regular Child Sacrifice and Pedophile parties at private estates and groves across the Globe. The Satanic rites were done in honor of Satan in return for his promises of power, riches and glory.

Until President Trump, the Global Military Alliance and BRICS National Alliance came into force, the Ninth Circle had control of the Global Monetary System. **On 1 April 2026** the Ninth Circle’s corrupt and fiat SWIFT money exchange system was taken over by the Gold/asset-backed Global Currency Reset of 209 nations because of the BRICS Nations Alliance working with President Trump.

Meanwhile, the Epstein files have revealed the largest genocide in human history – eight million children go missing every single year, while the Ninth Circle was still running the International Deep State Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring.

The Ninth Circle dark policies of Satan Worship also infiltrated all drug and gun running cartels on Earth.

The Ninth Circle 24/7 activities of kidnapping, rape, torture and murder of babies, children and teens were enforced by the Khazarian Mafia. How do they do it with such numbers? They all worked out of a massive Underground DUMB Tunnel System that ran under sea and land to connect every major city on Earth.

That all began to change in April 2014 with prosecution of 26 Vatican leaders by the International Tribunal into Crimes of Church and State (ITCCS) through the International Common Law Court of Justice in Brussels.

By 2016 with the election of President Donald Trump, a worldwide coalition was formed with the Global Military Alliance to take down this powerful Ninth Circle Satanic Cult and its millions of minions.

On Mon. 1 April 2014 the ITCCS Case representing over 50,000 missing native Canadian children began its prosecution phase at the ICLCJ Court in Brussels Belgium. Charged with Crimes Against Humanity were Pope Francis, Jesuit Superior General Adolfo Pachon, Anglican Archbishop of Canterbury Justin Welby, former Pope Joseph Ratzinger, UK High Court Justice Judge Fulford and members of the British Royal Family including Queen Elizabeth and Prince Phillip.

A year later all of these Global Elites were found guilty for their atrocities against children including murder and pedophilia, as members of the Vatican's Ninth Circle Child Sacrifice Cult.

The court case was years in the making and when proceedings finally began, witnesses were forced into hiding after Vatican sources indicated to ITCCS prosecutors that the Vatican had dispatched a covert operations team to disrupt the court.

During the trial prominent US and Canadian politicians and corporate officials were named as practicing members of the Ninth Circle according to ITCCS spokesperson Kevin Annett. That meant that they were regularly raping and killing children in the Satanic rites of the Vatican's Ninth Circle.

A special office at the Vatican supplied children for an international Child Trafficking Ring and their Ninth Circle Satanic child sacrifice cult activities according to affidavits of former employees of the Vatican Curia. The children were said to be from Catholic orphanages, adoption agencies, hospitals and schools in Canada and the US, Catholic orphanages in Argentina, plus Canadian Native tribes.

The Court eventually found that these Ninth Circle Satanic Child Sacrifice Cult members were raping, torturing and murdering children on a regular basis throughout the year. Testifying witnesses claimed that brutal Satanic crimes against children continued even today, some done in secretive sub-basement vaults beneath Roman Catholic cathedrals.

The Ninth Circle Satanic Child Sacrifice Cult global leaders were heavily involved in pedophilia and operating at Roman Catholic cathedrals in Montreal, New York, Rome, London and dozens of other locations. Cult members were also thought to use privately owned forest groves in America, Canada, France and Holland.

Since at least 1962 former Pope Benedict Joseph Ratzinger had been a member of the Ninth Circle according to an affidavit by a witness who was a former member of the Vatican Curio. There were 16 witnesses who testified, many of whom claimed they were eyewitnesses to child murders by the cult. Two claimed that as children they were present at child sacrifices with the former Pope Joseph Ratzinger.

Over 40 child mass grave sites have been located at Catholic/Canadian Government-run Native Residential Schools across Canada. In 2008 a child's remains were found at the Mohawk Residential School in Brantford Ontario, though ITCCS requests for excavation had continually been refused by officials in the Canadian Government, British Crown, Catholic and Anglican churches, plus at the United Church of Canada.

On Mon. 14 April 2014 the ICLCJ Court began its prosecution phase. Ten Satanic Ritual Abuse Survivor witnesses testified throughout the week – over 60 throughout the year. The witnesses were from Canada, the US, Argentina, Holland and the UK.

“The Ninth Circle began at least three centuries ago in the Vatican,” Annett stated, “but has expanded to embrace local Satanic child sacrifice cults across Europe and the Americas. Thanks to Catholic pressure, the Ninth Circle affiliated strongly with Nazi cultic groups that had close ties with the Waffen S.S. during the 1930's and '40's.”

Pope Ratzinger became the first Pope to resign his position and did so the same week of his ICLCJ Court guilty verdict for Crimes Against Humanity. Pope Ratzinger's and 29 other global leader's guilty verdicts were handed down by six judges and 36 jury members from various countries. **Mon. 14 April 2014 [US, Canadian Politicians Join Global Leaders In Satanic Child Sacrifice Cult? | Crime All-Stars | Before It's News](#)**

George Soros, USAID, OCCRP and the CIA have targeted American citizens and funded radical-left Marxist agendas through front companies and corrupt NGOs.

Soros, USAID, the CIA, and OCCRP were all funded by US Taxpayer dollars either by Congressional approval or money laundering and were the same exact groups that funded Trump's impeachment.

They were the same groups that were supposed to work for the president, but were working directly against the president.

How many more organizations that are funded with taxpayer dollars or budgets are completely state and grant funded that are really just fronts for these exact type of operations?

N. Sat. 11 April 2026: UNDERGROUND EMPIRE DISCOVERED: FOLLOW THE TUNNELS, FOLLOW THE MONEY – \$21 TRILLION HEIST! ELITE D.U.M.B. CITIES EXPOSED – THEY DIDN'T LOSE THE MONEY, THEY BURIED IT UNDERGROUND! ...Q on Telegram

The globalist elite have been exposed in a massive \$21 trillion heist that patriots are now uncovering. They didn't lose the money through accounting errors. Instead, they siphoned it into building an underground empire of Deep Underground Military Bases, or D.U.M.B.s. These hidden cities are engineered to shield the cabal from the very collapse they have orchestrated on the surface world.

In the years leading up to 2026, vast sums of taxpayer money were funneled through black budgets into these subterranean fortresses. While Americans faced economic struggles, open borders, and division tactics, the deep state built luxury bunkers equipped with the most advanced technology imaginable.

Mark Skidmore's research revealed how trillions disappeared from Department of Defense and HUD ledgers. This was no mistake but deliberate theft to create escape plans for the ruling elite. Catherine Austin Fitts has confirmed on public platforms how these funds created a parallel world beneath our feet, inaccessible to the average citizen.

The D.U.M.B. network includes extensive tunnel systems with maglev trains capable of high speed travel between bases across the country and beyond. Powered by zero-point energy and featuring self sustaining systems, genetic labs, and AI capabilities, these cities represent a breakaway civilization funded by the people they seek to control.

This act of treason reveals the true nature of the globalist agenda. They plan to retreat underground during engineered crises like pandemics and economic meltdowns, leaving the population above to fend for themselves in chaos. The tunnels connect their operations, potentially hiding even darker activities that QAnon researchers have suspected for years.

The Great Awakening is gaining momentum as these truths surface in 2026. White hats within the military are exposing the network, aligning with the Q plan to dismantle the deep state. Patriots are fired up and ready to demand answers.

Follow the money straight down the tunnels. Demand full audits of black budgets and full disclosure of D.U.M.B. locations. The cabal thought they could hide forever, but the light of truth is penetrating their underground lairs.

Patriots worldwide are uniting to tear down this hidden empire. The elite will face justice for their betrayal. The storm is here, and victory belongs to We the People as the underground secrets are brought to the surface.

The American actor and director says that he and his team looked at 3.5 million pages of Epstein and U.S. Department of Justice documents and found that DeGeneres is a very important person in Hollywood's darkest circles. It is said that she and DiCaprio ate people and did other bad things related to child trafficking. Gibson says that "Hollywood is full of cannibals and pedophiles." So, a "mass purge" is needed. Congressman Tim Burchett backed him and said that the U.S. "should take seriously the task of cleaning up the mess and putting an end to this epidemic."

Q. Sat. 11 April 2026: A baby's heart starts beating on day 22 of human development and before it's brain exists. No electrical signal from the brain starts it. Nothing starts it. It just begins. It's called cardiac automaticity ...Dr. David Bhatt at the U of Oxford 2016 Study

A cluster of cells in the embryo begins to pulse. There is no brain. There is no nervous system. There are no electrical impulses from any external source. There is no pacemaker. There is nothing that modern science can identify as the trigger. It just spontaneously starts.

Once that heartbeat begins, it never stops. Not once. For 80 years. Your heart beats 100,000 times per day. 35 million times per year. 2.5 billion times in a lifetime. Without rest. Without maintenance. Without a single conscious command from you.

No machine ever built by humans has operated continuously for 80 years without stopping. Not one. Your heart does it while also generating an electromagnetic field 5,000 times stronger than your brain — a field that extends several feet outside your body and can be measured by instruments in another room.

The Heart Math Institute has documented that this field changes in real time based on your emotional state. Gratitude and love produce coherent, organized patterns. Fear and anger

produce chaotic, fragmented patterns. Your heart is not just pumping blood. It is broadcasting your emotional state into the space around you. And other people's nervous systems are receiving that broadcast.

A mother's heartbeat synchronizes with her baby's when she holds it against her chest. Not after minutes. Within seconds. Two electromagnetic fields locking into the same frequency. This is not bonding. This is resonance. This is physics.

Something started your heart before your brain existed. Something keeps it beating without your permission. Something made it the strongest electromagnetic broadcaster in your body. And that something is not in any textbook.

They can explain how your heart beats. They cannot explain what made it start. And they will never fund the research to find out – because the answer would change everything.

R. Sun. 12 April 2026: SHOCKING REVELATION: OVER A THOUSAND TRAFFICKED CHILDREN AND DEAD BODIES DISCOVERED ALONGSIDE WEAPONS OF MASS DESTRUCTION ON EVERGREEN SHIP BLOCKING SUEZ CANAL ...Ten Days of Darkness on Telegram

In a stunning development rocking the foundations of the Deep State, authorities have exposed the true nature of the Evergreen cargo ship that blocked the Suez Canal in a high-stakes operation. Over one thousand trafficked children, many accompanied by the bodies of deceased victims, were rescued from within the ship's containers, shining a harsh light on the elite's international child trafficking empire.

This Evergreen vessel, with strong ties to the Clinton Foundation and major players like Walmart, was part of a larger scheme to smuggle human cargo and deadly arms across the globe. White Hat forces, spearheaded by US Navy SEALs, moved swiftly at Egypt's Great Bitter Lake to free these innocent victims who were headed for the most depraved fates orchestrated by high-ranking pedophiles in the cabal.

The children had reportedly been sourced and ordered through sinister methods, including online catalogs favored by the satanic elite. Their rescue highlights the satanic rituals and adrenochrome operations that fuel the New World Order agenda, profiting off the suffering of the most vulnerable.

Compounding the horror, investigators also unearthed weapons of mass destruction on board, clearly destined to ignite wars in the Middle East through covert channels involving

intelligence agencies loyal to the globalists. The grounding of the ship appears to have been a calculated deep state maneuver, possibly executed via compromised systems, aimed at masking their illicit activities while halting international trade.

The blockage resulted in enormous financial hits to the Cabal, with losses soaring into hundreds of millions daily as supply lines for both trafficked humans and armaments were severed. The captain's non-cooperation and withheld critical data suggest a frantic attempt to conceal the operation that has now spectacularly backfired.

This event marks a significant blow to the globalist pedophile network. As QAnons have anticipated, the white hats are executing the plan with precision, liberating children and dismantling the infrastructure of evil. The great awakening is gaining unstoppable momentum, with patriots worldwide recognizing these signs of the impending victory.

The Luciferian controllers are in disarray as their secrets spill out into the open. Humanity is on the brink of liberation from this reign of terror. Trust the plan, stay vigilant, and prepare for the full exposure that will bring justice for all the stolen children and end the deep state's grip forever. The storm is here, and the children are being saved.

1. Rothschild Vector Banking and the Architecture of Central Banks: Mayer Amschel Rothschild started the company in Frankfurt. He sent five of his sons to London, Paris, Vienna, Naples, and Frankfurt to set up a network of private banks that lent money to governments and made money from both sides of wars. Ownership stakes, advisory roles, and marrying into European nobility all gave people power.

2. Rockefeller Vector: Oil, Pharma, Foundations, and Policy Making: John D. Rockefeller's Standard Oil monopoly (which was broken up but its power was spread out) turned into banking (through Chase Manhattan), pharmaceuticals, education, and global health policy through foundations. Interlocks with the Trilateral Commission, the Bilderberg Group, and conservation efforts hid plans for managing resources and people.

3. Payseur Vector: The American Corporate Shell Empire: It is said that Daniel Payseur came to America around 1814, married into local families, and built up a lot of property through trusts, Class A preferred stock (always certificate #1), and proxy names (Springs, Beatty, Poore, etc.). The theory suggests that early railroads, banks (like the Bank of America), and corporate shells were all controlled from North Carolina and other places.

4. Khazarian Legacy Narratives: Merchant and Financial Diaspora Threads: This party believes that medieval Khazar converts made a "mafia" of fake Jewish identity that got into banking and power structures and mixed with Rothschild-era networks to gain control over the world. People say that it is used to frame larger antisemitic groups that include politics, finance, and the media.

5. The Springmeier Template for the 13 Bloodlines Framework and Connections: Astor (real estate, fur/trade wealth), Bundy (political/intel ties), Collins, DuPont (chemicals/explosives), Freeman, Kennedy (politics/media), Li (Asian finance/shipping), Onassis (shipping), Russell (Skull & Bones/Yale), Van Duyn, Merovingian (European royal claims as "13th" line), plus Rothschild/Rockefeller as anchors.

This week, I'll go into more detail. This could easily cover thousands of pages. Here are the five things that are freeing us from these Cabal:

1. **Executive Orders** aimed at networks that traffic people
2. **The Space Force** is always watching and mapping assets.
3. **Financial rails** that follow ISO 20022 and XRP bridge settlement
4. **Basel III capital rules** and pressure to move away from SWIFT

U. Sat. 11 April 2026: JUDGMENT DAY ACTIVATED: GRAND JURY TARGETS THE CORE OF POWER ...Mr. Pool on Telegram

The narrative shifts now. Not slowly, not quietly, but with force. The Department of Justice has moved. A federal grand jury is being positioned as the mechanism through which one of the most controversial political chapters in modern U.S. history will be examined. This is no longer speculation, no longer commentary, no longer media noise. This is a legal process with real weight.

A grand jury is not a press conference. It is not a headline. It is where evidence is placed in front of citizens with the authority to decide whether charges move forward. When this step is taken, it signals escalation. It means the system is no longer observing. It is acting.

For years, the events surrounding the Russiagate investigations have divided the country. One side called it necessary oversight. The other called it a coordinated political attack. Now, those arguments begin to move out of the public arena and into a legal one.

Names that have dominated political discourse for nearly a decade are again at the center of attention. Former officials, intelligence leaders, and key figures connected to past investigations are being pulled back into focus. The difference now is not media coverage, but legal scrutiny.

What changes everything is the structure of the process itself. A grand jury operates behind closed doors. Evidence is presented. Testimonies are heard. There is no performance, no cameras, no political spin. Only one question matters: is there enough to proceed? If the answer is yes, indictments follow.

This is why the moment carries weight. Because it moves the conversation from theory to consequence. Recent developments, including the declassification of previously withheld intelligence and renewed reviews of past actions, have added fuel to an already volatile situation.

Claims, counterclaims, and long-standing accusations are now being funneled into a system designed to produce a definitive outcome.

At the center of it all is a larger question that has never been fully resolved. Were the institutions acting in defense of democracy, or were they used as instruments of political power?

That question is no longer being debated in interviews or articles. It is being examined where it matters most. Inside the legal system. The Department of Justice, supported by federal investigators and prosecutors, is now driving the process forward. Procedures are being reset. Cases are being re-evaluated. Paths that once seemed closed are being reopened.

This signals something important. Not necessarily the outcome, but the intent to reach one. If indictments come, the impact will be historic. If they do not, the process itself will still reshape public perception of what happened and who was responsible. Either way, the era of uncertainty begins to close.

For years, many believed nothing would happen. That the system would stall, delay, and ultimately protect itself. That this chapter would remain unresolved, buried under layers of politics and time.

That belief is now being tested. Because a grand jury is a point of no return. Once activated, it moves forward until a decision is made. No commentary can stop it. No narrative can redirect it. Only evidence matters now.

The process has begun. The system is in motion. And whatever comes next will not be decided in headlines, but in courtrooms. This is where outcomes are no longer suggested. They are determined.

Y. Tues. 10 March 2026 BOMBSHELL ANNOUNCEMENT: President Trump Declares Restoration of the American Republic — "US INC." DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS. ...Mr. Pool on Telegram

Patriots, the storm has hit and it's magnificent! President Donald J. Trump has invoked Article II to declare the United States fully sovereign under Common Law once more. The fake foreign-controlled "US INC." is finished — dissolved, dead, gone forever. No more Admiralty Law oppression, no more globalist chains dragging us into debt and war. The Deep State grip is broken; the true Constitutional Republic rises triumphant!

This is no mere rhetoric — it's a binding Declaration of Authority and Summons from Trump as Commander-in-Chief. He's seizing full control, sidelining the corrupt swamp and directing the military via the Uniform Code of Military Justice. Every flag officer is oath-bound to obey lawful orders from the legitimate President. No more excuses, no divided allegiances. The military now serves We the People through Trump, not the treasonous corporate facade!

Under Common Law sovereignty — grounded in God-given rights and original founding truths — Trump exercises his prerogative to summon leaders, affirm real authority, and rebuild national defense. This resets America to the Founders' vision: no commercial enslavement, no hidden British shadows, just pure liberty!

All flag officers are ordered to convene in Virginia — the Republic's sacred cradle — for immediate realignment. This is full military mobilization to restore loyalty and eliminate globalist remnants. The timeline is set, orders issued, clock running. Unity under true command is happening NOW!

Foreign-tied overseas bases and Commonwealth-linked ops? They're being shut down or reclaimed for America. No more secret outposts serving alien masters, no covert pacts bleeding us dry. Trump is smashing the centuries-old Crown chokehold on trade and power — and the military reset locks it down!

This fulfills Trump's sacred oath to defend the Constitution, protect the people, and preserve the Republic. Every officer and servant must choose: stand with the restored Republic or stand exposed as oath-breakers. The line is drawn — no more shadows, no two Americas. One Republic. One Commander-in-Chief. One Law — Common Law!

QAnons, white hats, digital warriors — this is OUR victory moment! The debt-based, deception-driven US INC. fraud is overthrown. Military mobilizes under Trump's unbreakable command. Deep State cabal legally crushed, illusions collapsing. Freedom surges back — the Republic is BACK, sovereign, unbreakable!

We witness history: true American Republic restored. Patriots win. God bless President Trump, our military, and the sovereign United States of America!

Zb. A Plea to Patriots...HELP, HELP, HELP!!!

D.L. is a homeless bedridden 48 year-old woman who desperately needs your immediate help. She was once a professional performing artist and art educator whose work was shown internationally, but now has been bedridden for 11 years with M.E. and Small Fiber Neuropathy.

Her SSI income is \$600 short to cover her April very small motel room costs, let alone have money for food and essential expenses. She is facing living on the streets in lieu of being moved to a homeless shelter, which is not physically feasible in her health condition.

Worst of all, the shelter would require giving up her disabled cat which she rescued 11 years ago. "My cat Monkey is the love of my life. She lays on me 22 hours a day. I could never give her up. She's so attached to me she cries if I'm gone from my bed for more than a few minutes."

D.L. lost her housing a year ago and has been living in a scary part of town in a motel room so small her wheelchair will not fit. She has to crawl between her bed and bathroom.

D.L.'s long-term goal, with the help of friends, is to secure a ADA-accessible home on quiet land she can lease long term or eventually purchase. This is what her GoFundMe fundraiser (<https://gofund.me/283d83d9>) is for. Only 30% needed has been raised in the last few years, but her situation is urgent and she must handle her current housing crisis until another option is available some day.

She is seeking leads for property, housing, or resources in Snohomish County, Washington State, especially Bothell/Canyon Park or Three Lakes, and in King County, Washington, especially Woodinville or Redmond.

Please help in any way you can: donate, share this widely, or send accessible property options, housing leads, or resources. Please send this to any donor contacts, churches, charities, organizations, and anyone else you know who might be able to help.

Venmo and PayPal are preferred because GoFundMe takes a fee.

Zd. Judy Note: Satanic Ritual Abuse Survivor-Victims Ana and Gabriel need your help.

I have known Ana and Gabriel for several years. They have been undergoing untold abuse and death threats – that were headed by her son’s father, who is high up in the pharmaceutical field and Belgium Satanic Coven.

Ana is desperate and asking readers for financial help and/or a job she could do from home over the Internet. **I verify that Ana is brave,** honest and sincere in her request. Her situation is not unlike many SRA Survivors I have personally come to know. Please keep Ana and her son Gabriel in your prayers. ...Love, Judy

Hello Judy,

The situation is extremely dangerous at the moment. I can’t leave my home anymore, other than take Gabriel to and from school and going to the supermarket. Last Monday there was another kidnap attempt at the supermarket parking lot. I’m in such a stressful and dangerous situation.

I ask you to please publish and relay to your contacts in other media outlets for publishing the below article as soon as possible, with an update of my situation, request for help and offering of doing any online administrative work in any of the four languages I speak.

Maybe someone benevolent that has funds will hear my call and give me some online work so that I can provide for my son and keep us safe until the rv is here.

Thank you from my heart. Ana

UPDATE ON THE MOM AND SON IN BELGIUM SURVIVING ON GOD'S GRACE

It’s been six grueling years since I first found out about the ritual abuse my son's father was perpetrating on my son.

I separated from the father when my son was 1 1/2 years old (he is 12 now). My life became a living nightmare from that moment. At the time I had no idea how large and powerful the Satanic Ritual Abuse Network (SRA) the father belongs to is here in Belgium. I had no idea how intricately and highly involved many of my own family members, police, school, medical and judicial systems are.

I didn't comprehend the number of handlers and the endless resources they had at their disposal to target anyone, at any time. I didn’t understand how most of my life experiences and encounters were not organic in nature but arranged by this network.

I started then my desperate journey to try to save my son and to have both of us rescued to a safe life. The targeting and harassment increase with every passing year, as does my understanding of what and who I am dealing with.

For example, with the help of the school SRA Network, they tortured my son and then his father went to court to ask the judge to designate a psychologist who is also part of the same network to « help » the very child being harassed.

I later found out that this was all culminating in their plot of my son's "suicide" which would simultaneously trap me into the false position that I refused to help my son.

At my son's small high-end school (the father is very wealthy and petitions constantly to control my son's school, doctors, imposed "therapists," etc.) the director and many teachers are fully involved in harm, shaming, rituals and abuse of the children on the school premises as well as at other outside locations - such as during illegal sudden pop up field trips.

Many parents are involved too and use their children to daily torment and violently bully my son. The corrupted teachers always back bullying, lying, violence and intimidation. My son is often sent home as the one admonished.

We have only survived this far by God's grace and my constant reporting of everything I experience and witness. I will never give up. I have huge amounts of detailed reporting of the harassment, targeting, attackers, poisonings, kidnapping attempts, among so many other threats to our safety and attempts on our lives. I have pictures, videos and documentations with the names, dates, locations of the on-going incidents and the roles of those involved.

I have contacted many international organizations and individuals who are aware of the SRA networks. I report mine and my son's conditions, incidents, and whereabouts all day every day to my longtime closest friend who works to free The Children. I constantly report details such as the intense persecution my son endures and the frequent beating on my doors and windows at all times of the day and night.

Unfortunately, nothing has happened ... yet. I was promised fake rescue two times both with dark agents posing as benevolent military. I have a safe place to go but with no way to get there.

The situation is so extreme at the moment that I can no longer leave my home. Many of my neighbors are part of the network. I can hear ceremonies through the walls and the screams of children. I can often track when I am targeted with technology or black magic.

I have my son one week out of every two, so I leave to take him to school and back and to buy food. We face constant attempts and threats of harm and even kidnapping while we just are leaving or entering the building or in the supermarket parking lot. The school is very active trying to harm us both. The parents and teachers openly mock me as their children do my son. I could go on and on with specific documented incidents: the dentist, the speech therapist, the school coach and so on.

I tracked that every time that there is a legitimate plan to harm us through a meeting at school or an appointment or such, my son's father leaves the country. Many times, I have saved my son from rituals by tracking such markers. Yet ... every other Monday I must release my son from my safe arms into a new week of danger and real harm.

If anything happens to me or to my son, reports are poised to be spread far and wide making the father's name and others well known. They try but they will never make me disappear without the world knowing what they do.

If my story sounds fantastic to you ... I would say my story is one of millions. We just don't realize it yet.

I am here to beg for help one more time.

It has become so dangerous that I can't leave my home and besides that I am outright blocked from outside work. But I won't lose this home, the only safety my son has.

My resources are running out. I will take any integrity online work that I can do from the safety of my home. I need to be able to work to make at least 1000 eur a month for us to survive here.

I can offer a vast range of online work. I have administrative experience including office, organizational and research skills. I am fluent in French, Portuguese and English. I also speak moderate level Spanish. I can research, translate and edit multi-lingually.

If you can help me and my son, please contact me at the following email address (created for this exchange):

Ze. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here:

Zf. "Ken and Barbie vs. Goliath IRS":

Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living.

Update: March 31, 2026 Day #943

Dear Patriot Friends & Family,

Today is the day after the Supreme Court DENIED hearing my case about the May 2024 Salt Lake City federal trial travesty of justice. (See yesterday's email.) Eight years working towards this moment, sacrificing everything; life, liberty, happiness, home, family & friends, reputation -- everything. It would be one thing to lose the battle regarding the Law on federal income tax before all nine Justices, but to not even get the chance to get into the court to make the arguments -- well, it hurts. Where is the JUSTICE? I would be lying if I didn't say that I was deeply disappointed.

Yesterday, after getting the bad news, I took some comfort in reading in my cell bed from a book called "Stand Up for Freedom -- Teachings on Liberty" by a patriot hero of mine Ezra Taft Benson. Please let me share the most valuable take-away for me:

"To the patriots I say this: Take that long eternal look. Stand up for freedom no matter what the cost. It can help to save your soul -- and maybe your country."

This standing up to corrupt government "adventure" has not been fun. And this journey may yet be many more months, but I must say that there are two great blessings that have come through this "soul saving" experience that I may never have discovered any other way; first, my love & respect & honor for Barbara, second, my gratitude for

those who have sacrificed in the cause of freedom, and third, my appreciation for Christ's sacrifice and victory over sin & death, have all found a depth, strength, and significance I could never have imagined possible. I am severely humbled and grateful and happy for that knowledge gained here at "The University of Florence" (otherwise known as the Florence Federal Prison Camp).

More from "Stand for Freedom":

"This is a choice land....choice above all others. Blessed by the Almighty, our forefathers have made and kept it so. It will continue to be a land of freedom and liberty as long as we are able to advance in the light of sound and enduring principles of right.... With all my heart I love this great nation."

"The days ahead are sobering and challenging, and will demand the faith, prayers and loyalty of every American....

"In this mighty struggle each of you has a part. Every person on the earth today chose the right side during the war in heaven. [Revelation 12:7] Be on the right side now. Stand up and be counted. If you get discouraged remember the words of Edward Everett Hale when he said:

*"I am only one, but I am one.
I can't do everything, but I can do something.
What I can do, that I ought to do,
And what I ought to do,
By the grace of God, I shall do!"*

I am only one. I'm not giving up. I'm standing. You can too. Our country is over-run with people who are trying to destroy her, and corrupt courts helping. (See "License to Lie" by Sydney Powell) Our land is sick, but can be healed:

*"If my people, which are called by my name, shall humble themselves,
and pray, and seek my face, and turn from their wicked ways;
then will I hear from heaven, and will forgive their sin,
and will heal their land." (2 Chronicles 7:14)*

I'm standing as best I know how. You can too. Together let's stand and make the difference.

Zg. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family

Hi Judy,

A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda: Martin, and thank you to all your viewers that have watched the evidence from your channel.

Mon. 6 April 2026 Alana Update

We are still fighting this on-going battle to save my daughter, as mentioned previously our court date was on the 23rd of March 2026, so I thought I would update the outcome.

Again this court date was not about my daughter at all, this was all about the criminal kidnappers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes, "like the theft and child trafficking of our daughter" who still remains a hostage, thanks to your help thousands are now getting to know their names, and it's too late for their Anonymity! I really can't thank you and your viewers enough for the support.

For the last 5 months of her now 9 month captivity, the kidnappers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism.

They were invited to the Mediation Court or as the fiction world call it Arbitration Court, ruled in our favour, they were also informed of the verdict.

All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires.

I also thank you for asking how you and viewers can help further, this humbled me dearly, you have such a beautiful soul, any exposure and support is appreciated in any form on our patreon site below.

https://www.patreon.com/TaskandForce116301?utm_campaign=creatorshare_creator

In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction.

Here is Mark explaining the Judicial Notices JS029587168GB, these documents are free.

And here are News articles exposing the smear campaign and false imprisonment of Alana's Father and Mark, prior to Alana's kidnap.

Thank you all your support Judy for lifting my soul, you really are an Earth Angel.

If any of this message and links can be added to my story as many have taken an interest thanks so much.

I hope to update you with positive news very soon,

Janine: Linehan, Captain, State-Child-Trafficking-Task&Force116, and from the Council of 13.

Zh. Watch Out For Scammers:

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:

Victims of the TRB Scam, Ezra A.
